J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, makes the following that will serve as both a notice of intended action under NRS 233B.127(3) and as an accusation under NRS 622A.300(1) and/or NRS 639.241.

4. On or about February 22, 2021, Board staff contacted Respondent as she reported for work at the Post-Acute Medical Pharmacy in Sparks, at which time she denied working at Omnicare in December 2020, and denied diverting controlled substances from the pharmacy. That afternoon, Respondent was interviewed at the Board office with counsel present; during the course of the interview, she admitted that she began stealing Ambien from Omnicare pharmacy while conducting inventory in October 2020, that she diverted Hydrocodone-Acetaminophen on one occasion only while conducting inventory in November 2020, and that she diverted Ambien on one occasion from Raley's Pharmacy #106 located at 701 Keystone Avenue, Reno, in December 2020. Respondent denied any other thefts of controlled substances.

5. SHIRLEY HUNTING

Stipulation of Findings of Fact
Aurora Bejto

1. The Nevada State Board of Pharmacy ("Board") has jurisdiction over Aurora Bejto ("Respondent") and this matter, because at all relevant dates and times referenced in this Stipulation, the Respondent was registered by the Board as a pharmacist in the State of Nevada. Certificate of Registration No. 18384.

2. The Respondent was working per diem as a pharmacist for various pharmacies on the dates and times of the events referenced in this Stipulation.

3. Respondent has been informed that the Board is investigating allegations of Respondent's diverting controlled substances from pharmacies at which Respondent worked. Respondent understands that the Board's investigation is ongoing.

4. On or about February 22, 2021, Respondent admitted to Board staff that Respondent had had diverted certain controlled substances from her places of employment.

5. During 2019 and 2020 and before, Respondent had valid prescriptions for Hydrocodone-Acetamin ("Norco") and for Tramadol to treat neck pain that was the result of an automobile accident in 2015. During the same period, Respondent had valid prescriptions for Zolpidem Tartrate ("Ambien") to address sleep issues.

6. Respondent admits that over time Respondent became addicted to Ambien, and developed a tolerance to Norco that caused her to increase her dosage of Norco and other pain medications. She attempted to stop or decrease her use of these drugs without professional help, but was unsuccessful.

7. Despite having valid prescriptions for Norco, Tramadol, and Ambien, Respondent admits that she did divert Norco and Ambien.

8. In particular, at the end of a shift at Omnicare on or about the week of October 19, 25, 2020, Respondent noted that the inventory showed that there were 10 tablets too many of Norco in the pharmacy. Respondent diverted for her own use the "extra" tablets of Norco.

9. Respondent also recalls diverting 4-5 tablets of Ambien from Railey's in September or October of 2019 for her own use.

10. Respondent recalls diverting an open bottle of Ambien from Omnicare containing about 60 pills or so for her own use. Based on the statements of Board staff and her work schedule, Respondent believes this diversion occurred on or about December 6,

2020. This information as to the December 6, 2020 date was given to the Respondent on or about February 22, 2020.

10. AMENDED NOTICE OF INTENDED ACTION AND ACCUSATION

J. David Wuest, R.Ph., in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, makes the following that will serve as both an amended notice of intended action under NRS 233B.127(3) and as an amended accusation under NRS 622A.300(1) and NRS 639.241.

JURISDICTION

1. The Nevada State Board of Pharmacy ("Board") has jurisdiction over this matter because at the time of the events alleged herein, Respondent Direct Compounding and Outsourcing, LLC ("Direct") held a Nevada Pharmacy License No. PH04006; Respondent Scot Silber ("Silber") held a Nevada Pharmacist Certificate of Registration No. 08362; Respondent Michael Thomas ("Thomas") held a Nevada Pharmaceutical Technician Registration No. PT05905; and Krystal Hernandez ("Hernandez") held a Nevada Pharmaceutical Technician Registration No. PT10671, all issued by the Board.

DISCIPLINARY HISTORY

2. In April 2004, the Board entered an Order in *Board of Pharmacy v. Respondent Scot M. Silber, R.Ph., Case No. 03-016-RPH-S,* for violations resulting in the mislabeling of dosage directions on a prescription label for Roxanol Liquid, a Schedule II opioid analgesic. The patient ingested an unknown quantity of the medication and was subsequently hospitalized. The Board ordered Silber to pay a fine of $500.00.

3. In October 2012, the Board entered a Stipulation and Order in *Board of Pharmacy v. Respondent Scot M. Silber, R.Ph., Case No. 11-090-RPH-S,* for violations resulting in a dispensing error. Silber misread a prescription and compounded 20 mg/cc morphine sulfate with ***2,500 mcg/cc baclofen*** rather than the 20 mg/cc morphine sulfate with ***250.0 mcg/cc baclofen*** as prescribed. The compound was administered to the patient who was subsequently hospitalized for baclofen toxicity. The Board placed Silber on probation for two years and imposed a $2,500 fine.

FACTUAL ALLEGATIONS

4. Respondent Direct is located on 1850 Whitney Mesa Boulevard, #180, Henderson, Nevada 89014. On April 4, 2019, pharmacist T.B., was terminated as managing pharmacist of Direct. Direct did not timely notify the Board about the change in managing pharmacist.

5. Respondent Silber was hired as the managing pharmacist of Direct beginning on or about April 22, 2019. However, on or about April 18, 2019, Respondent Silber supervised and signed off as the pharmacist for Respondent Direct on one 100 batch yield of Oxandrolone 25 mg capsule, and one 30 batch yield of Testosterone Cypionate (6 ml vial) 200 mg/ml injectable.

6. Respondents Thomas and Hernandez were employed by Direct during the times alleged.

7. On or about April 4, 2019, Thomas was contacted by Ellie Gerber ("Gerber"), one of the managing members/owners of Direct, to meet the locksmith at Direct to re-key the

pharmacy door. Thomas was given three (3) sets of keys to Direct's pharmacy by the locksmith. Hernandez received a key to Direct on April 8, 2019.

8. Between April 4 and April 22, 2019, Thomas and/or Hernandez had unauthorized access to Direct's controlled substances and dangerous drugs inventory without a pharmacist present.

Pursuant to NRS § 639.244, Respondents Direct Compounding and Outsourcing, LLC ("Direct Compounding") and Scot M. Silber, R.Ph. Respondents submit this Answer and Notice of Defense to Amended Notice of Intended Action and Accusation (the "Answer") in supplementation to the following: (1) Statement of Ellie Gerber ("Ms. Gerber") dated April 24, 2019; (2) Statement of Scot Silber dated April 22, 2019; (3) Statement of Michael Thomas of similar date; and (4) Statement of Krystal Hernandez dated April 23, 2019.

[1] Counsel for Respondents does not independently represent either Respondents Michael Thomas ("Mr. Thomas") or Krystal Hernandez ("Ms. Hernandez"). Counsel is prepared, however, to address the allegations of the Amended Accusation as made against both Mr. Thomas and Ms. Hernandez in the context of their respective employment with Direct Compounding during the timeframes relevant to the Amended Accusation.

This Answer is based upon the pleadings and records on file in this matter, the Answer, Affirmative Defenses and Mitigating Circumstances set forth below, the Declaration of Ellie Gerber attached hereto and incorporated herein by this reference as Exhibit A, the Declaration of Scot M. Silber, R.Ph. attached hereto and incorporated herein by this reference as Exhibit B, and the presentation and evidence made to the Board pursuant to NRS §§ 233B.121 – 233B.127 and other operation of law.

A hearing on the Amended Accusation is presently set before the Nevada State Board of Pharmacy (the "Board") on July 14, 2021.

ANSWER

A. Statement of Completeness and Clarity

Respondents have no objection to the Amended Accusation as being incomplete or failing to state clearly the charges against Respondents.

B. Response to Allegations

Respondents, for and as their Answer to the Amended Accusation, admit, deny and allege as follows:

I. RESPONDENTS' RESPONSE TO THE BOARD STAFF'S ALLEGATIONS

JURISDICTION

1. Respondents admit that the Board has jurisdiction over this matter, and further admit that the Board's allegations regarding Direct Compounding's Nevada Pharmacy License No. and Mr. Silber's Nevada Pharmacist Certificate of Registration No. are accurate. To the best of Respondents' knowledge, the Board's allegations regarding the Pharmaceutical Technician Registration Nos. for Mr. Thomas and Ms. Hernandez are also accurate.

///

///

DISCIPLINARY HISTORY

2. Mr. Silber admits the general factual recitation set forth in Paragraph 2 of the Amended Accusation, but further states that the referenced Board Order of April 2004 speaks for itself. Mr. Silber further asserts that he timely complied with and satisfied the Board's imposition of the referenced fine. Direct Compounding is without sufficient knowledge to know the truth or falsity of the allegations of Paragraph 2 of the Amended Accusation as the referenced facts predate Direct Compounding's formation date (June 12, 2017).

3. Mr. Silber admits the general factual recitation set forth in Paragraph 3 of the Amended Accusation, but further states that the referenced Board Stipulation and Order of October 2012 speaks for itself. Mr. Silber further asserts that he timely complied with and satisfied the Board's imposition of the referenced probation and fine. Direct Compounding is without sufficient knowledge to know the truth or falsity of the allegations of Paragraph 3 of the Amended Accusation as the referenced facts predate Direct Compounding's formation date (June 12, 2017).

FACTUAL ALLEGATIONS

4. Respondents admit that Direct Compounding is located at the referenced address. Direct Compounding further admits that pharmacist T.B. was terminated on or about April 4, 2019. Direct Compounding disputes that it did not notify the Board regarding the termination of pharmacist T.B., as explained in Affirmative Defense and Mitigating Circumstances Nos. 16 and 17. Mr. Silber is without sufficient knowledge to know the truth or falsity of the allegations of Paragraph 4 of the Amended Accusation, and therefore denies the same.

5. Respondents admit that Mr. Silber was hired as the managing pharmacist for Direct Compounding beginning on or about April 22, 2019, as alleged in Paragraph 5 of the Amended Accusation. Respondents acknowledge that Mr. Silber supervised and signed off as the

pharmacist for Direct Compounding on one 100 batch yield of Oxandrolone 25 mg capsule, and one 30 batch yield of Testosterone Cypionate (6 ml vial) 200 mg/ml injectable, as further alleged in Paragraph 5 of the Amended Accusation, as explained in Affirmative Defense and Mitigating Circumstances Nos. 10 and 25.

6. Respondents admit Paragraph 6 of the Amended Accusation.

7. Direct Compounding disputes that Ellie Gerber ("Ms. Gerber") contacted Mr. Thomas on or about April 4, 2019, about meeting a locksmith at the offices of Direct Compounding; nevertheless, Direct Compounding admits that, on or about the referenced dates, Mr. Thomas was so-requested to meet a locksmith at the offices of Direct Compounding. Direct Compounding further admits that Mr. Thomas received three (3) sets of keys to the offices of Direct Compounding from said locksmith, and that Ms. Hernandez received one (1) set of said keys from Mr. Thomas on or about April 8, 2019. Mr. Silber is without sufficient knowledge to know the truth or falsity of the allegations of Paragraph 7 of the Amended Accusation, and therefore denies the same.

8. Direct Compounding disputes the allegations of Paragraph 8 of the Amended Accusation as explained in Affirmative Defense and Mitigating Circumstances Nos. 10, 12, 13, 14, 15, 18, 19, 21, and 25. Direct Compounding admits that, during certain dates within the April 4 – 22, 2019 timeframe, Mr. Thomas and/or Ms. Hernandez were able to access Direct Compounding's offices when a pharmacist was not present, and that such access included the potential for access to Direct Compounding's minimal inventory of a single controlled substance (testosterone). Mr. Silber is generally without sufficient knowledge to know the truth or falsity of the allegations of Paragraph 8 of the Amended Accusation, and therefore denies the same as further explained in Affirmative Defense and Mitigating Circumstances Nos. 10, 21, and 25.

APPLICABLE LAW

9. Respondents state that Paragraph 9 of the Amended Accusation sets forth an accurate summation of the legal requirements of NRS §§ 639.220 and 639.284, but said paragraph does not set forth the complete language of either statute. Respondents do not admit that Direct Compounding, Mr. Silber, Mr. Thomas and/or Ms. Hernandez committed a violation of NRS § 639.220 and/or NRS § 639.284.

11. Respondents state that Paragraph 11 of the Amended Accusation sets forth a general summation of the legal requirements of NRS § 639.220(1) and NAC § 639.702, but said paragraph does not set forth the complete language of either the statute or the regulatory provision. Respondents do not admit that Direct Compounding, Mr. Silber, Mr. Thomas and/or Ms. Hernandez committed a violation of NRS § 639.220(1) and/or NAC § 639.702.

12. Respondents state that Paragraph 12 of the Amended Accusation sets forth an accurate summation of the legal requirements of and NAC §§ 639.702 and 639.945(2), but said paragraph does not set forth the complete language of either regulatory provision. Respondents further state that NRS § 639.220(5) does not stand for the legal requirement alleged in Paragraph 12 of the Amended Accusation, as this statute is a remedial provision. Respondents do not admit that Direct Compounding, Mr. Silber, Mr. Thomas and/or Ms. Hernandez committed a violation of NRS § 639.630(5), and/or of NAC §§ 639.702 or 639.945(2).

13. 14. Respondents state that Paragraph 14 of the Amended Accusation sets forth an accurate summation of the remedial allowances of NRS § 639.210(11), but said paragraph does not set forth the complete language of the statute. AFFIRMATIVE DEFENSES AND MITIGATING CIRCUMSTANCES

1. Respondents hereby assert the affirmative defenses of estoppel, laches, acquiescence, waiver, and applicable statutes of limitation.

2. Pursuant to NRS § 233B.123, Respondents object to the allegations set forth in Paragraphs 2 and 3 of the Amended Accusation as being irrelevant and immaterial to this matter, and as being presented in derogation of NRS §§ 48.025, 48.035, and 48.045.

Background Regarding Direct Compounding and Scot M. Silber, R.Ph.

3. Direct Compounding was incorporated on June 12, 2017. Since August 30, 2019, Direct Compounding has been owned and operated by Ellie Gerber ("Ms. Gerber") and Alicia Smith ("Ms. Smith"). Ms. Gerber and Ms. Smith are residents of California.

4. At the time of incorporating Direct Compounding and throughout the relevant timeframe of the Amended Accusation, both Ms. Gerber and Ms. Smith were novice owners of a pharmacy and were, in full candor to the Board, undereducated with regard to state and federal statutory and regulatory obligations applicable to owners of a licensed and registered pharmacy. Respondents respectfully suggest that the events addressed in the Amended Accusation are a byproduct of this novice experience, but that the success of both Ms. Gerber and Ms. Smith—and, by extension, of Direct Compounding as well—in gaining competency in operating a licensed pharmacy, is best evidenced through the complete absence of investigatory or disciplinary issues with state and federal authorities subsequent to the events addressed in the Amended Accusation.

5. Direct Compounding initially hired Pharmacist T.B. as its Pharmacist-in-Charge ("PIC"). Direct Compounding employed Pharmacist T.B. as its PIC from June 12, 2017 through approximately April 4, 2019. Due to their inexperience in the ownership of a pharmacy, Ms. Gerber and Ms. Smith placed full faith and responsibility in Pharmacist T.B. to oversee, operate,

manage, and supervise Direct Compounding, and further to ensure Direct Compounding was compliant with all statutory and regulatory obligations.

6. For the time period of June 2017 through April 2019, Direct Compounding did not receive any disciplinary notifications or legal actions from either the Board or the United States Food and Drug Administration (the "FDA"), or from any other state or federal agencies or oversight personnel. Neither has Direct Compounding received any disciplinary notifications or other legal actions from the Board or the FDA, or from any other state or federal agencies or oversight personnel, since April 2019. The Board did not seek (and has not sought) to make any emergency or summary suspension of Direct Compounding's license or of any registrations held by Mr. Silber, Mr. Thomas, or Ms. Hernandez related to the allegations of the Amended Accusation, as is permissible under NRS § 233B.127(3). Furthermore, Direct Compounding has complied with all recommendations by Board Staff and federal agencies pursuant to regulatory inspections.

7. Direct Compounding hired Mr. Thomas on November 9, 2018 and he was employed through October 22, 2020. Direct Compounding hired Ms. Hernandez on July 17, 2018 and she was employed through June 4, 2020. Neither Mr. Thomas nor Ms. Hernandez is presently employed with Direct Compounding.

8. On or about April 4, 2019, Direct Compounding terminated Pharmacist T.B., based upon multiple issues which required an immediate separation of Pharmacist T.B. from employment with Direct Compounding.

9. Immediately thereafter, Direct Compounding began its search for a new PIC to replace Pharmacist T.B.

10. On or about April 15, 2019, Ms. Gerber met with Mr. Silber at the business location of Direct Compounding, for the purposes of interviewing Mr. Silber for the position of PIC. Direct Compounding offered Mr. Silber the position of PIC on or about April 16, 2019. Mr. Silber accepted this position, with an official payroll start date of April 22, 2019 but an actual onsite start date of April 15, 2019. Mr. Silber resigned his position as PIC for Direct Compounding effective June 1, 2021.

Factual Points Relevant to the Amended Accusation

11. Direct Compounding recognizes that it failed to notify Board Staff regarding the termination of Pharmacist T.B., but such failure was not done with the intent or desire to mislead Board Staff regarding Direct Compounding's PIC. Nevertheless, Direct Compounding recognizes the severe gravamen of its lack of timely notification to Board Staff regarding the termination of Pharmacist T.B., the eighteen (18) day timeframe in which Direct Compounding did not have a PIC to oversee operation of the pharmacy, and the criticality this error created for all other material allegations made in the Amended Accusation.

12. On April 4, 2019, Direct Compounding received notification from its online security monitor that Pharmacist T.B. had attempted – after his termination – to remotely access Direct Compounding's network server and systems through the Direct Compounding website. Direct Compounding considered this unauthorized access effort to be a significant attempt on the part of Pharmacist T.B. to breach Direct Compounding's online systems, wherein Pharmacist T.B. would have unfettered access to Direct Compounding's proprietary information and data.

13. In response to the notification noted in Paragraph 12 above, and in an effort to ensure that Pharmacist T.B. did not retain an ability to access the Direct Compounding facilities

and to address the immediacy of the high concerns raised by Pharmacist T.B.'s efforts to access Direct Compounding's systems, on April 4, 2019 Direct Compounding obtained a locksmith to change all of the locks to the Direct Compounding facilities. Insofar as Ms. Gerber and Ms. Smith were both located in California at this time, Mr. Thomas was asked to meet the locksmith at Direct Compounding's business location. Mr. Thomas agreed to do so.

14. When the locksmith completed the change to all of Direct Compounding's locks, the locksmith delivered three sets of keys to Direct Compounding to Mr. Thomas. Mr. Thomas subsequently delivered one set of keys to Ms. Hernandez on or about April 8, 2019.

15. Direct Compounding's efforts to ensure that Pharmacist T.B. could no longer access its online systems or physical location were made in the exigency of Direct Compounding severing its business relationship with Pharmacist T.B. and protecting the business from potential nefarious conduct on the part of Pharmacist T.B. Asking Mr. Thomas to meet the locksmith, and the subsequent delivery of keys to Mr. Thomas, was not made with the intent of providing access to Direct Compounding by unauthorized persons or employees. Nevertheless, Direct Compounding recognizes that the consequence to the exigency of its decision-making during a tumultuous time created a second level of material allegations as set forth in the Amended Accusation.

16. On April 4, 2019, Ms. Gerber sent an email to Board Staff through the email address pharmacy@pharmacy.nv.gov requesting information and applicable forms to notify Board Staff of a change to Direct Compounding's PIC. Ms. Gerber did not receive a response to this email outreach.

17. Having not received a response from Board Staff regarding a change to Direct Compounding's PIC, Ms. Gerber subsequently worked with Mr. Thomas to identify the process

and applicable forms for notifying Board Staff of a change to Direct Compounding's PIC. Direct Compounding submitted the requisite form and notification of a change to its PIC on April 22, 2019.

18. During the period of April 4, 2019 through April 22, 2019, Mr. Thomas and Ms. Hernandez were generally instructed by Ms. Gerber to work from home rather than access the Direct Compounding facilities. Nevertheless, both Mr. Thomas and Ms. Hernandez did access the Direct Compounding facilities on limited occasions and for limited time periods between approximately April 12 – 22, 2019. Ms. Gerber was aware that both Mr. Thomas and Ms. Hernandez accessed the Direct Compounding facilities and engaged in some work while onsite—which access she believed was limited to the back-office suite and not to the pharmacy proper—but Ms. Gerber was not aware (as a result of being undereducated on regulatory requirements) that such access was (and is) prohibited by Nevada law. Direct Compounding did not intend to violate Nevada law in this regard, but it fully understands that the lack of regulatory knowledge caused a third level of material issues as alleged in the Amended Accusation.

19. During the timeframe between April 4, 2019 and April 22, 2019, Mr. Thomas and Ms. Hernandez engaged in the following work while onsite at Direct Compounding's facilities: development of marketing, policies, and procedures; development of call logs and patient tracking systems; organization of the business back offices; and general "busy work." Again, Direct Compounding's expectation was that both Mr. Thomas and Ms. Hernandez were to work from home – remotely – during this timeframe. To the best of Respondent's knowledge, neither Mr. Thomas nor Ms. Hernandez engaged in any pharmaceutical or compounding work when no pharmacist was present during this timeframe.

20. During the period of April 1, 2019 through April 22, 2019, Direct Compounding did not engage in any sales or the payment of any invoices. Direct Compounding did fulfill the dispensing of one prescription during this timeframe—entered into Direct Compounding's computer system April 17, 2019 and compounded on April 18, 2019—which occurred while Mr. Silber was present at Direct Compounding's facilities and with his oversight.

21. As noted above, Mr. Silber accepted the position of PIC for Direct Compounding on April 16, 2019, with an official payroll start date of April 22, 2019. Nevertheless, Mr. Silber was onsite at Direct Compounding's facilities for various time periods up to three (3) hours per day, on April 15 and 18, 2019, for purposes of setting up his office and reviewing general operations and policies of Direct Compounding. Mr. Silber was present on at least one occasion when Mr. Thomas engaged in compounding a pharmaceutical. In addition, Mr. Silber signed-off on at least one prescription on April 18, 2019.

22. On April 22, 2019, Mr. Silber engaged a locksmith to change all of the locks to the Direct Compounding facilities. Mr. Silber undertook this project on the advice of Board Staff investigators, who were onsite at the Direct Compounding facilities on this date. In addition, on this same date Mr. Silber and Ms. Gerber changed Direct Compounding's alarm system access and contact person to reflect Mr. Silber's authority to act on behalf of the pharmacy as its PIC.

23. Among his first tasks for Direct Compounding, Mr. Silber prepared an accounting of all pharmaceuticals and compounding ingredients in the pharmacy's inventory. Further to this task, Mr. Silber prepared and filed a Change of Managing Pharmacist Inventory with Board Staff on April 22, 2019, identifying the opening-day inventory as of this date. At all times relevant to this matter, all Schedule II controlled substances identified in this inventory report

were locked in Direct Compounding's safe, to which only Direct Compounding's PIC had (and has) access.

24. Direct Compounding respectfully requests that the Board consider that the events alleged in the Amended Accusation occurred over two years ago, and that the events giving rise to the Amended Accusation occurred in an eighteen (18) day timeframe. Direct Compounding is acutely aware that the allegations of the Amended Accusation are significant, but outside of the timeframe of these allegations Direct Compounding has not had any disciplinary issues with the Board and it has operated for the two-plus years following April 22, 2019 without incident.

25. Mr. Silber respectfully requests that the Board recognize that the majority of allegations set forth in the Amended Allegation are unrelated to his hiring and employment as Direct Compounding's PIC. In response to the First Cause of Action, Mr. Silber states as follows:

a. As set forth in Paragraph 10 above: (i) Direct Compounding offered Mr. Silber the position of PIC on or about April 16, 2019; (ii) Mr. Silber accepted this position, with an official payroll start date of April 22, 2019 but an actual onsite start date of April 15, 2019; (iii) Mr. Silber executed the form Pharmacy Manager's Responsibilities on April 22, 2019, and (iv) Mr. Silber submitted the Change of Managing Pharmacist Form and identified his start date as PIC, as of April 22, 2019.

b. Mr. Silber denies that he had any knowledge that either Mr. Thomas or Ms. Hernandez were unlawfully accessing Direct Compounding's pharmacy. Mr. Silber acknowledges that, or about April 16, 2019, he became aware that both Mr. Thomas and Ms. Hernandez were accessing Direct Compounding's premises without a designated onsite PIC.

c. Mr. Silber acknowledges that, on or about April 18, 2019, he oversaw and signed-off on at least one compounding and prescription of a pharmaceutical while onsite at Direct Compounding's facilities.

26. Direct Compounding and Mr. Silber respectfully request that the Board consider each of these mitigating circumstances in evaluating the Amended Accusation, and that any remedial measures be limited to constructive and productive results. Direct Compounding and Mr. Silber do not believe that the allegations of the Amended Accusation warrant suspension or revocation of any licenses or certificates of registration. Direct Compounding and Mr. Silber are contrite as to the allegations of the Amended Accusation—which were isolated to one series of events over an eighteen-day period in 2019—and they are ready, willing, and able to work in good faith with the Board and Board Staff to ensure no further occurrences such as those set forth in the Amended Accusation recur.

Respectfully submitted this 24th day of June, 2021.

DIRECT COMPOUNDING AND OUTSOURCING, LLC Pharmacy License No. PH04006, SCOT SILBER, RPH, Certificate of Registration No. 08362, MICHAEL THOMAS, PT Certificate of Registration No. PT05905, KRYSTAL HERNANDEZ, PT Certificate of Registration No. PT10671, Respondents.	CASE NOS. 19-070-PH-S 19-070-RPH-S 19-070-PT-A-S 19-070-PT-B-S **DECLARATION OF ELLIE GERBER IN SUPPORT OF ANSWER AND NOTICE OF DEFENSE TO AMENDED NOTICE OF INTENDED ACTION AND ACCUSATION**

I, Ellie Gerber, hereby state and declare as follows:

1. I make this Declaration in support of an Answer and Notice of Defense to Amended Notice of Intended Action and Accusation (the "Amended Accusation") submitted on behalf of Direct Compounding and Outsourcing, LLC ("Direct Compounding") and on behalf of Scot M. Silber, R.Ph. ("Mr. Silber"). I am over the age of eighteen years and competent to testify as to the matters set forth herein. I make this Declaration upon personal knowledge, or upon information and belief where so indicated.

2. Direct Compounding was incorporated with the Nevada Secretary of State on June 12, 2017. I am a fifteen percent owner of Direct Compounding. Alicia Smith is the other owner of Direct Compounding, controlling eighty-five percent of the ownership interests in the business.

3. At the time of incorporating Direct Compounding and throughout the relevant timeframe of the Amended Accusation, both I and Ms. Smith were novice owners of a pharmacy and were, in full candor to the Board, undereducated with regard to state and federal statutory and regulatory obligations applicable to owners of a licensed and registered pharmacy. While I have prior experience in the business of pharmacy, my experience was largely directed toward finance, marketing, infrastructure development, and general business operations. Neither I nor Ms. Smith had any prior experience regarding any depth of regulatory know-how and compliance.

4. My and Ms. Smith's success—and, by extension, of Direct Compounding as well—in gaining competency in operating a licensed pharmacy, is best evidenced through the complete absence of investigatory or disciplinary issues with state and federal authorities subsequent to the events addressed in the Amended Accusation.

5. Direct Compounding initially hired Pharmacist T.B. as its Pharmacist-in-Charge ("PIC"). Direct Compounding employed Pharmacist T.B. as its PIC from June 12, 2017 through approximately April 4, 2019. Due to our inexperience in the ownership of a pharmacy, Ms. Smith and I placed full faith and responsibility in Pharmacist T.B. to oversee, operate, manage, and supervise Direct Compounding, and further to ensure Direct Compounding was compliant with all statutory and regulatory obligations.

6. For the time period of June 2017 through April 2019, Direct Compounding did not receive any disciplinary notifications or legal actions from either the Board or the United States Food and Drug Administration, or from any other state or federal agencies or oversight personnel. Neither has Direct Compounding received any disciplinary notifications or other legal actions from the Board or the FDA, or from any other state or federal agencies or oversight

personnel, since April 2019. Direct Compounding complied with all recommendations by Board Staff and federal agencies pursuant to regulatory inspections.

7. Direct Compounding hired Michael Thomas on November 9, 2018 and he was employed through October 22, 2020. Direct Compounding hired Krystal Hernandez on July 17, 2018 and she was employed through June 4, 2020. Neither Mr. Thomas nor Ms. Hernandez is presently employed with Direct Compounding.

8. On or about April 4, 2019, Direct Compounding terminated Pharmacist T.B., based upon multiple issues which required an immediate separation of Pharmacist T.B. from employment with Direct Compounding. Direct Compounding's separation from Pharmacist T.B. was considerably tumultuous and confrontational, which point was exacerbated by my and Ms. Smith's residing in California at the time of termination.

9. Immediately thereafter, Direct Compounding began its search for a new PIC to replace Pharmacist T.B. On April 15, 2019, upon my return to Nevada, I met Mr. Silber at the Direct Compounding business offices for the purposes of interviewing him for the position of PIC. Mr. Silber accepted the position of PIC on April 16, 2019, with an official payroll start date of April 22, 2019 and an actual start date of April 15, 2019.

10. On April 4, 2019, Direct Compounding received notification from its online security monitor that Pharmacist T.B. had attempted – after his termination – to remotely access Direct Compounding's network server and systems through the Direct Compounding website. Direct Compounding considered this unauthorized access effort to be a significant attempt on the part of Pharmacist T.B. to breach Direct Compounding's online systems, wherein Pharmacist T.B. would have unfettered access to all of Direct Compounding's proprietary information and data. A true and accurate copy of this notification is attached hereto as Exhibit A-1.

11. In an effort to ensure that Pharmacist T.B. did not retain an ability to access the Direct Compounding facilities, on April 4, 2019 Direct Compounding obtained a locksmith to change all of the locks to the Direct Compounding facilities. Insofar as both Ms. Smith and I were located in California at this time, Mr. Thomas was asked to meet the locksmith at Direct Compounding's business location. Mr. Thomas agreed to do so.

12. As I understand subsequent events, when the locksmith completed the change to all of Direct Compounding's locks, the locksmith delivered three sets of keys to Direct Compounding to Mr. Thomas. Mr. Thomas subsequently delivered one set of keys to Ms. Hernandez on or about April 8, 2019.

13. Direct Compounding's efforts to ensure that Pharmacist T.B. could no longer access its online systems or physical location were made in the exigency of Direct Compounding severing its business relationship with Pharmacist T.B. and protecting the business from potential nefarious conduct on the part of Pharmacist T.B. Asking Mr. Thomas to meet the locksmith, and the subsequent delivery of keys to Mr. Thomas, was not made with the intent of providing access to Direct Compounding to unauthorized persons or employees. However, in hindsight Direct Compounding recognizes that having Mr. Thomas meet the locksmith and obtain the keys to the Direct Compounding facilities was made in error and is a precipitating cause of the Board's Amended Accusation against Direct Compounding and the other Respondents.

14. Following Direct Compounding's termination of Pharmacist T.B., I sent an email to Board Staff on April 4, 2019 through the email address pharmacy@pharmacy.nv.gov, requesting information and applicable forms to notify Board Staff of a change to Direct Compounding's PIC. I did not receive a response to this email outreach. A true and accurate copy of this email is attached hereto as Exhibit A-2.

15. Having not received a response from Board Staff regarding a change to Direct Compounding's PIC, I subsequently worked with Mr. Thomas to identify the process and applicable forms for notifying Board Staff of a change to Direct Compounding's PIC. Direct Compounding submitted the requisite form and notification of a change to its PIC on April 22, 2019.

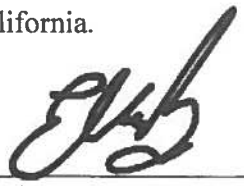
16. During the period of April 4, 2019 through April 22, 2019, I instructed Mr. Thomas and Ms. Hernandez to work from home rather than access the Direct Compounding facilities. Nevertheless, I was aware both Mr. Thomas and Ms. Hernandez did access the Direct Compounding facilities on limited occasions and for limited time periods between approximately April 12 – 22, 2019. I was also aware that both Mr. Thomas and Ms. Hernandez accessed the Direct Compounding facilities and engaged in some work while onsite—which access I believed was limited to the back-office suite and not to the pharmacy proper. I was not aware (as a result of being undereducated on regulatory requirements) that such access was (and is) prohibited by Nevada law. Direct Compounding did not intend to violate Nevada law in this regard.

17. To the best of my knowledge, during the timeframe between April 4, 2019 and April 22, 2019, Mr. Thomas and Ms. Hernandez engaged in the following work while onsite at Direct Compounding's facilities: development of marketing, policies, and procedures; development of call logs and patient tracking systems; organization of the business back offices; and general "busy work." Again, Direct Compounding's expectation was that both Mr. Thomas and Ms. Hernandez were to work from home – remotely – during this timeframe. To the best of my knowledge, neither Mr. Thomas nor Ms. Hernandez engaged in any pharmaceutical or compounding work when no pharmacist was present during this timeframe.

18. During the period of April 1, 2019 through April 22, 2019, Direct Compounding did not engage in any sales or the payment of any invoices. A true and accurate copy of Direct Compounding's Sales and Product Service Detail is attached hereto as Exhibit A-3.

19. I am aware that on April 22, 2019, Mr. Silber engaged a locksmith to change all of the locks to the Direct Compounding facilities. On this same date, I worked with Mr. Silber to ensure that the alarm system for Direct Compounding was reset and that Mr. Silber was designated as the primary contact person for the alarm company. Subsequently, Direct Compounding has changed its internal policies to ensure that I also personally receive all notifications and correspondence from the alarm company regarding the performance and troubleshooting issues related to Direct Compounding's alarm system.

20. In or about late-March 2019, I received an invoice from Pharmacist T.B. for 24 10 ML / VL of Testosterone Cyplonate Injectable MDV 200 MG / M. A true and accurate copy of this invoice is attached hereto as Exhibit A-4. To the best of my knowledge, this is the controlled substance of which the Board complains in the Amended Accusation. To this point, it was my understanding that Pharmacist T.B. placed the inventory of this pharmaceutical in Direct Compounding's safe, as was the required policy of Direct Compounding regarding inventorying of controlled substances. Neither Ms. Smith nor I was aware that Pharmacist T.B. had not placed the inventory of this pharmaceutical in Direct Compounding's safe.



21. On April 30, 2019, I received notification from Mr. Thomas that Pharmacist T.B. had ordered one 100 G quantity of Testosterone Non-Micro, USP, CIII, and one 100 G quantity of Testosterone Cyplonate, USP, III, from B&B Pharmaceuticals, Inc. True and accurate copies of these order invoices are attached hereto as Exhibit A-5. Insofar as Pharmacist T.B. did not

notify me or Ms. Smith of the pharmaceuticals he was ordering, this email from Mr. Thomas is the first notice Ms. Smith and I received regarding the ordering of these pharmaceuticals.

22. Direct Compounding respectfully requests that the Board consider that the events alleged in the Amended Accusation occurred over two years ago, and that the events giving rise to the Amended Accusation occurred in an eighteen (18) day timeframe. Direct Compounding is acutely aware that the allegations of the Amended Accusation are significant, but outside of the timeframe of these allegations Direct Compounding has not had any disciplinary issues with the Board and it has operated for the two-plus years following April 22, 2019 without incident.

I declare under penalty of perjury under the laws of the Nevada that the foregoing is true and correct.

Executed this 24th day of June, 2021 in Carlsbad, California.

Hello,

Can you please direct me to the forms needed to complete the following for our pharmacy:

1) We need to update our PIC, is there a form for that or do I just email the personnel change?

2) We have updated our corporate structure to satisfy the board of California for non-resident applications, does that need to be updated with the Nevada board as well?

3) I had sent the verification form necessary for our non-resident California application, just wanted to make sure it was received and see if there is an estimated return date.

Thank you,
Ellie Gerber

BEFORE THE NEVADA STATE BOARD OF PHARMACY

NEVADA STATE BOARD OF PHARMACY, Petitioner, v. DIRECT COMPOUNDING AND OUTSOURCING, LLC Pharmacy License No. PH04006, SCOT SILBER, RPH, Certificate of Registration No. 08362, MICHAEL THOMAS, PT Certificate of Registration No. PT05905, KRYSTAL HERNANDEZ, PT Certificate of Registration No. PT10671, Respondents.	CASE NOS. 19-070-PH-S 19-070-RPH-S 19-070-PT-A-S 19-070-PT-B-S **DECLARATION OF SCOT M. SILBER, R.Ph. IN SUPPORT OF ANSWER AND NOTICE OF DEFENSE TO AMENDED NOTICE OF INTENDED ACTION AND ACCUSATION**

I, Scot M. Silber, R.Ph., hereby state and declare as follows:

1. I make this Declaration in support of an Answer and Notice of Defense to Amended Notice of Intended Action and Accusation (the "Amended Accusation") submitted on behalf of me personally and on behalf of Direct Compounding and Outsourcing, LLC ("Direct Compounding"). I am over the age of eighteen years and competent to testify as to the matters set forth herein. I make this Declaration upon personal knowledge, or upon information and belief where so indicated.

2. I am a licensed and registered pharmacist with the Nevada State Board of Pharmacy pursuant to Certificate of Registration No. 08362. I have practiced pharmacy in the State of Nevada for over thirty-seven years.

3. On April 15, 2019, I met Ellie Gerber – an owner of Direct Compounding – at the business offices for the purposes of interviewing for the position of Pharmacist-in-Charge

("PIC"). I accepted the position of PIC on April 16, 2019, with an official payroll start date of April 22, 2019 and an actual start date of April 15, 2019. During the week of April 15, 2019 through April 22, 2019, I was onsite at Direct Compounding's facilities for various time periods up to three (3) hours per day, for purposes of setting up my office and reviewing general operations and policies of Direct Compounding.

4. I was present on at least one occasion when Michael Thomas engaged in compounding a pharmaceutical. In addition, I signed-off on one prescription dispensed on April 18, 2019. A true and accurate copy of Direct Compounding's Log of Scripts for the time period April 3, 2019 through April 21, 2019 is attached hereto as Exhibit B-1, which identifies the prescription that was entered into Direct Compounding's computer system on April 17, 2019 and dispensed on April 18, 2019.

5. In response to the First Cause of Action alleged in the Amended Accusation:

a. Direct Compounding offered me the position of PIC on or about April 16, 2019; (ii) I accepted this position, with an official payroll start date of April 22, 2019 but an actual onsite start date of April 15, 2019; (iii) I completed and executed the form Pharmacy Manager's Responsibilities on April 22, 2019, and (iv) I completed and submitted the Change of Managing Pharmacist Form and identified his start date as PIC, as of April 22, 2019.

b. I did not have any knowledge that either Mr. Thomas or Ms. Hernandez were unlawfully accessing Direct Compounding's pharmacy at any time during the timeframe relevant to the Amended Accusation. I acknowledge that, or about April 16, 2019, I became aware that both Mr. Thomas and Ms. Hernandez

were accessing Direct Compounding's premises without a designated onsite PIC.

6. On April 22, 2019, I engaged a locksmith to change all of the locks to the Direct Compounding facilities. I undertook this project on the advice of Board Staff investigators, who were onsite at the Direct Compounding facilities on this date. In addition, on this same date I worked with Ms. Gerber to change Direct Compounding's alarm system access and contact person to reflect Mr. Silber's authority to act on behalf of the pharmacy. True and accurate copies of invoices and reports related to these two projects are attached hereto as Exhibits B-2 and B-3, respectively.

7. On April 22, 2019, I also prepared an accounting of the controlled substance pharmaceuticals and compounding ingredients in the pharmacy's inventory. I prepared and filed a Change of Managing Pharmacist Inventory with Board Staff on April 22, 2019, identifying the opening-day controlled substances inventory as of this date. A true and accurate copy of this Change of Managing Pharmacist Inventory is attached hereto as Exhibit B-4.

8. To the best of my knowledge, at all times prior to my engagement as PIC, Direct Compounding maintained its inventory of all Schedule II controlled substances in its safe, to which only the PIC had access. Subsequent to my engagement as PIC, Direct Compounding maintained all of its inventory of Schedule II controlled substances in its safe. I had the only access to this safe as Direct Compounding's PIC, through June 1, 2021 and my resignation as PIC. Following my resignation as Direct Compounding's PIC, and to the best of my knowledge, Direct Compounding's new PIC has had the only access to this safe.

9. On April 22, 2019, I also prepared and submitted a Change of Managing Pharmacist Form and Pharmacy Manager's Responsibilities acknowledgement to the Nevada

State Board of Pharmacy. A true and accurate copy of the Change of Managing Pharmacist Form and the Pharmacy Manager's Responsibilities acknowledgment are attached hereto as Exhibits B-5 and B-6, respectively.

10. I resigned my position as PIC for Direct Compounding effective June 1, 2021.

I declare under penalty of perjury under the laws of the Nevada that the foregoing is true and correct.

Executed this 24th day of June, 2021 in Henderson, Nevada.

NEVADA STATE BOARD OF PHARMACY, Petitioner, v. DIRECT COMPOUNDING AND OUTSOURCING, LLC Pharmacy License No. PH04006, SCOT SILBER, RPH, Certificate of Registration No. 08362, MICHAEL THOMAS, PT Certificate of Registration No. PT05905, KRYSTAL HERNANDEZ, PT Certificate of Registration No. PT10671, Respondents.	CASE NOS. 19-070-PH-S 19-070-RPH-S 19-070-PT-A-S 19-070-PT-B-S **DECLARATION OF SCOT M. SILBER, R.Ph. IN SUPPORT OF ANSWER AND NOTICE OF DEFENSE TO NOTICE OF INTENDED ACTION AND ACCUSATION**

I, Scot M. Silber, R.Ph., hereby state and declare as follows:

1. I make this Declaration in support of an Answer and Notice of Defense to Notice of Intended Action and Accusation submitted on behalf of me personally and on behalf of Direct Compounding and Outsourcing, LLC ("Direct Compounding"). I am over the age of eighteen years and competent to testify as to the matters set forth herein. I make this Declaration upon personal knowledge, or upon information and belief where so indicated.

2. I am a licensed and registered pharmacist with the Nevada State Board of Pharmacy pursuant to Certificate of Registration No. 08362. I have practiced pharmacy in the State of Nevada for over thirty-seven years.

3. On April 15, 2019, I met Ellie Gerber – an owner of Direct Compounding – at the business offices for the purposes of interviewing for the position of Pharmacist-in-Charge ("PIC"). I accepted the position of PIC on April 16, 2019, with an official payroll start date of

April 22, 2019 and an actual start date of April 15, 2019. During the week of April 15, 2019 through April 22, 2019, I was onsite at Direct Compounding's facilities for various time periods up to three (3) hours per day, for purposes of setting up my office and reviewing general operations and policies of Direct Compounding.

4. I was present on at least one occasion when Michael Thomas engaged in compounding a pharmaceutical. In addition, I signed-off on one prescription dispensed on April 18, 2019. A true and accurate copy of Direct Compounding's Log of Scripts for the time period April 3, 2019 through April 21, 2019 is attached hereto as Exhibit B-1, which identifies the prescription that was entered into Direct Compounding's computer system on April 17, 2019 and dispensed on April 18, 2019.

5. On April 22, 2019, I engaged a locksmith to change all of the locks to the Direct Compounding facilities. I undertook this project on the advice of Board Staff investigators, who were onsite at the Direct Compounding facilities on this date. In addition, on this same date I worked with Ms. Gerber to change Direct Compounding's alarm system access and contact person to reflect Mr. Silber's authority to act on behalf of the pharmacy. True and accurate copies of invoices and reports related to these two projects are attached hereto as Exhibits B-2 and B-3, respectively.

6. On April 22, 2019, I also prepared an accounting of the controlled substance pharmaceuticals and compounding ingredients in the pharmacy's inventory. I prepared and filed a Change of Managing Pharmacist Inventory with Board Staff on April 22, 2019, identifying the opening-day controlled substances inventory as of this date. A true and accurate copy of this Change of Managing Pharmacist Inventory is attached hereto as Exhibit B-4.

7. To the best of my knowledge, at all times prior to my engagement as PIC, Direct Compounding maintained its inventory of all Schedule II controlled substances in its safe, to which only the PIC had access. Subsequent to my engagement as PIC, Direct Compounding has maintained all of its inventory of Schedule II controlled substances in its safe, to which I have the only access.

8. On April 22, 2019, I also prepared and submitted a Change of Managing Pharmacist Form and Pharmacy Manager's Responsibilities acknowledgement to the Nevada State Board of Pharmacy. A true and accurate copy of the Change of Managing Pharmacist Form and the Pharmacy Manager's Responsibilities acknowledgment are attached hereto as Exhibits B-5 and B-6, respectively.

I declare under penalty of perjury under the laws of the Nevada that the foregoing is true and correct.

Executed this 26th day of May, 2021 in Henderson, Nevada.

Subject: Direct Compounding

Wow what a terrible way to come out of retirement. As noted in my statement I was aware that the techs were in the designated pharmacy area without a pharmacist present. When this first came to my attention I wasn't even scheduled for an interview yet. I was asked to visit the location which I did. I was than scheduled for an interview with Ellie Gerber on April 15, 2019 at the pharmacy. On April 16th I was provided an offer of employment starting on April 22, 2019. I did agree to come in to the pharmacy a few hours each day, for free, to get my personal items situated so I could start working Monday.

Frankly on my first visit I had no clue of the organizational structure or what was going on and it wasn't my position to ask. On my subsequent visits I did know and in retrospect I should have said something to both the techs and owners even if it wasn't my place to do so.

Going forward I have learned a valuable lesion "see something say something". I am truly sorry for not doing more knowing it was clearly wrong. Knowing this was not correct I do plan on spending a good portion of my upcoming CE on Pharmacy law and ethics.

BOARD'S EXHIBIT "2" STATEMENTS FROM ELIE GERBER ON BEHALF OF RESPONDENT DIRECT COMPOUNDING AND OUTSOURCING, LLC

April 24, 2019

To: Kenneth Scheuber and Members of the Nevada Board Of Pharmacy
Re: Direct Compounding and Outsourcing, LLC
PH04006

To Whom it May Concern,

I would like to start by giving a little history to my position in Direct Compounding as well as my previous experience in the pharmacy industry. I worked for a California based retail pharmacy for 6 years but only as a Business Operation Manager. My job was remotely located out of my home office and I was never on site at any of the pharmacy locations. My job duties included helping facilitate buildout of locations, infrastructure (IT, Alarm systems, Phone), gathering of employee paperwork for new hires, reconciliation of books, sales analysis and projections at each of the locations. My position with Direct Compounding is the same with the exception of my presence at the actual facility to help communication between the team and T[redacted]B[redacted](pic) prior to opening. Throughout the buildout of this company communication between Mr. B[redacted] management, and the support staff has been a major challenge. Discussions often ended in a volatile way with Mr. B[redacted] throwing a tantrum and walking out. The reason this is important is because much of what was happening at the location was kept a secret and when asked about daily activities little to no response would be provided by Mr. B[redacted] Mr. B[redacted] even went so far to tell the support staff, Michael Thomas and Krystal Hernandez, that they did not have to respond to managements requests for information and that he was unilaterally responsible for all decisions. To my knowledge Mr. B[redacted] would leave throughout the day to go to clinics to do "marketing" and would leave the techs at the site, however, this was prior to us being open for business and I am unaware of what products were in the facility. My last visit to the facility while Mr. B[redacted] was employed was March 5th-7th. I was there to meet with our IT consultant to finish the configuration of the system for e-scripts and final adjustments prior to opening. I called a meeting with Mr.B[redacted] to ask if he had set up for a clinic to send us a test script so we could ensure that the system was working properly and was quickly met with anger and yelling about how he can't make miracles happen and how we were out to get him and then he stormed out. For the next two days Mr.B[redacted] gave me the silent treatment, and when he did speak to either of the techs it was directions on how they need to cease communication with management and harassed them about how they were all conspiring against him. At that point we realized we had unreconcilable differences and the environment for all employees had turned toxic. We began the search for a new PIC candidate. The next two weeks Mr. B[redacted] spent the majority of his time on the back office computer searching for local restaurants and listening to his conspiracy theory podcasts as well as updating his resume.

On April 4th, 2019 Mr. B[redacted] was terminated. According to the staff they all left the facility together with Mr.B[redacted] while he was making hasty threats about them getting fired as

well. In addition he made remarked about making sure he let the board know- I had no idea what that meant as I had already emailed the board about what process needed to happen to change our PIC. On April 4th I emailed pharmacy@pharmacy.nv.gov an email asking what I needed to do to update our pic along with two other questions. Not only did I not get an email with a response back I didn't even receive acknowledgment of receipt of my email from anyone at the BOP. Out of concern for Mr. B[redacted] coming back to the facility the other owner wanted the locksmith called out. Michael Thomas agreed to meet the locksmith at the facility to have the building re-keyed but I was never told by him or anyone else that he couldn't do that. The only text I received was one asking for a form of payment for the locksmith. On April 4th I also emailed Mr. Thomas to tell him that I hadn't heard back from the BOP regarding doing a PIC change and he let me know he could follow up and see if he could get the information needed. April 5th Mr. Thomas said that he was going to be able to meet two potential pharmacists at the facility to give them a tour. The pharmacist didn't call so there was no meeting to my knowledge. On April 10th I texted Mr. Thomas to ask if he was onsite and said he was not, and that Ms. Hernandez was sick. I asked him how many hours he thought we would work on pharmacy stuff that day and I would add the hours to his timecard for him. I also sent him directions on how to access the timecard system from his computer at home. I emailed the HR company that does our payroll that they would see remote logins from both staff members since they would be working remotely.

On April 12th-15th I was coming to town for my daughter's gymnastics meet. I scheduled a meeting to meet with Scot Silber at the pharmacy on April 15th at 9:30 am as a potential PIC. I texted Mr. Thomas on Sunday the 14th to ask if my old key that used to work for the side door that led to back staircase and my office still worked. He replied "Your key does not work. No alarm and that he was planning to be there by 9." Ms. Hernandez replied that she would be there at 9 as well. I let them know that I had to go to the bank first but would be there to meet with Scot. I used the side parking lot (east) parking lot and was knocking on that door under the impression that we were working out of that side of the office. When no one answered I texted Krystal to let her know I was there, and she came around and got me and we walked into the front door of the building. Mr. Silber showed up slightly after and we proceeded to meet in the front entryway and talk about his potential employment. I went upstairs to my office to retrieve a bunch of files needed for taxes and then gathered the mail and left for my trip home to California.

When Mr. Silber called me on Monday April 22nd to let me know that the BOP found the alarm not to be working, I was surprised. Mr. B[redacted] was given access to have control of passwords and logins since he told me that was how it had to be. Since I was paying the bills and hadn't heard any word otherwise I assumed the alarm system was being used and that he was setting it. ASAP security not only said it hadn't been set but someone had unplugged it multiple times. The only one that had access to do that would be Mr. B[redacted] but have no idea why he would do that. I also had no knowledge of drug storage at the facility, my understanding was that all controlled substances were kept in the locked safe that Mr. B[redacted] exclusively had the code for. If you would like copies of the mentioned text messages and emails above I would be happy to provide them.

BOARD'S EXHIBIT "3" STATEMENTS FROM RESPONDENT MICHAEL THOMAS, PT

To the best of my knowledge these are the issues to be addressed:

1. I Acquired a key after locksmith rekeyed on 4-4-19 after T[redacted] B[redacted] was let go from employment.
2. The pharmacy was opened and closed on several days without a pharmacist. No patients had access to the pharmacy at this time.
3. Scot Silber was at the pharmacy on 4-15, 4-16, 4-17, 4-18. Stayed several hours each of those days.
4. Only compounded product that was made from 4-4-19 to 4-22-19 was on 4-18-19 while Scot was here.
5. Krystal's Hernandez schedule was similar to my schedule. Krystal does have a key.
6. 1 item was received from Medisca on 4-17-19. Stearic Acid powder. This occurred while Scot was here.
7. The alarm system has not been actively set since 4-4-19. I do not have codes for this system.
8. I gave my key to Scot Silber first thing the morning of 4-22-19.
9. Ellie Gerber was aware that both Krystal and I were in the pharmacy at times from 4-4-19 to 4-22-19 without a pharmacist.

Michael Thomas

Date: 4-22-19

I have come to understand that I have made mistakes in my pharmacy career. I have let myself compromise my values and in doing so I have jeopardized my own livelihood and principals.

The last year of my life has been one of the hardest I have dealt with. I was working for a company that I thought was a good fit for me and my skills and I had been there for several years. The ownership of that business and my ideas while not always the same I thought we were on a path to better things. Then there was an inspection by the fda and a lot of my ideas were given merit. This inspection was the most stressful 2 weeks I had ever dealt with in my career. However I thought getting through it and refocusing would be the answer. Unfortunately, the ownership of the company decided that instead of moving to better the facilities and practices they would shut down the sterile lab and end my employment. This left me without work and unsure if I wanted to work in a pharmacy again. At this point in my life I had never been unemployed. I have worked in some form or another since age 15. The next week my father had a heart attack and went through a quintuple bypass. It took me some time to regain my composure. I finally found a position with what I believed to be a company that wanted to do great things and focus on doing things properly. It started as a great new venture. Starting a new business with the intent on creating something I could be proud of.

As time progressed, I became aware that things were not running smoothly but I considered it part of the process with starting a new business. Then our pharmacist was let go by upper management and we were without a licensed pharmacist. I was informed by Ellie Gerber (an owner of the company) that they intended to keep the staff of myself and our other technician Krystal Hernandez. I was asked to meet with a locksmith and have the locks changed on the pharmacy. I did not give it enough thought at the time and agreed to do this. This was my first mistake. I now had keys to a pharmacy.

After speaking with Ellie she informed me that Krystal and I could go in to work and make sure that any paperwork that needed doing or any requests be rerouted so that if anyone needed anything we could point them in the right direction as we could not fill any prescriptions. I agreed to do this. Now I have worked in a pharmacy without the supervision of a pharmacist. This was my second mistake.

I wish I had made different decisions. I had been out of work for some time before this position and monetarily I must support myself. I had the vision of being a part of a proper pharmacy with great intentions. I was trying to preserve that vision. In trying to support myself and preserve my vision, I did exactly the opposite and made decisions that may completely compromise my ability to attain my goals.

Thank you,

Michael Thomas

To whom it may concern,

The following are issues requested of me to be addressed:

~ All the doors were rekeyed on 04/04/19 the day T[redacted] B[redacted] was fired, but I did not get a new key until 04/08/19.
~ I had a key previously when T[redacted] B[redacted] was still the pharmacist, but this key only gave me access to the office, bathrooms, storage closet, and upstairs. I did not have access to any medications what so ever.
~ Scott worked 04/15, 04/16, 04/17, 04/18. He was also here 04/12 because he wanted to see the pharmacy.
~ The only day compounding was done was 04/18 when Scott was here. The physical compounding was done by Mike, then checked by Scott.
~ We did receive one delivery from Medisca on 04/17 when Scott was here.
~ I never activated or deactivated any alarm, nor did I ever have any codes for the alarm dates 4/04 – 04/23.
~ Ellie Gerber knew we were at the pharmacy without a pharmacist present.
~ I gave Scott my keys 04/23/19 when we came into the pharmacy.

I want to take this time to express my deepest regret and apologize to those I have let down. It was never my intention to bring so much shame and disappointment to those that love me or to the people that helped get me to where I am in my career today. I want you to know that I understand it was my own actions that led me here. I will not place this blame on anyone except myself, just please know my heart is heavy with remorse. I let the fear of losing my job and income completely blind me on the possibility of losing my career. I wanted to write this to give you a better understanding of me as well as my thoughts and feelings on the issue at hand. Also, to explain what I have learned and what I plan to do differently in the future if given the opportunity.

Since I was child, I knew I wanted a career helping others. Finding myself a young, single mother I jumped right into a pharmacy technician program after doing some research on different career paths. I was hired right out of school where I finished my last internship at. It was at this pharmacy I learned just how important a technician's role is in a patient's life. Most days I would find myself aggressively pursuing an insurance to get a chemo medication covered or helping a patient find copay assistance. I love what I do for the simple fact that I can help others get what they need to maintain or help improve their health. After the unfortunate events that took place, I find myself very much lost in fear. Fear of losing something I love and worked so hard for, fear of losing the only means I have to provide for my daughter and myself, and fear of not being able to right my wrongs. These thoughts weigh on me heavily, especially at night. I am up most nights now wondering why I let myself make such an idiotic mistake, questioning how I could ever jeopardize my livelihood like this, and wondering if I just ruined my daughter's life right along with mine. I have always been the technician who brings up the things that need to be fixed at a pharmacy, not one to create the issue. If I had the chance to have one do over in life, there is no doubt that this would be it. I would instead suffer the loss of pay for how ever long it took to find a new pharmacist than to run the risk of losing my career that I feel is my calling. If I am ever put in a situation like this again, I can promise you that I would make the right choice as well as report any unlawful requests of me to the board. It is very important for me to make you aware that although I was at the pharmacy, the door remained locked and the pharmacy closed. I did not touch any medication and no prescription was processed as the cameras and computers can verify. With that being said, my actions were still wrong. I should have never been there or accepted the key once I realized it opened all the doors. I have never in my life carried so much guilt, the kind of guilt that makes you physically ill and leaves a permanent lump in your throat. It comes from knowing that I let people down tremendously, including myself. I could never put into words just how sorry I truly am.

I never in my wildest dreams thought that I would be in this position. Being here now I want to say I agree that my actions leading up to this point were wrong and should have never happened. I have never been in trouble with the board before and I can promise you that you will never hear my name involved with anything like this again. I have been praying night and day that you can see how remorseful I truly am and can see my true character. Please give me the opportunity to prove to you that I have learned from this. Let me restore the faith in those that I have let down. I beg that you allow me to continue to provide for my daughter with the career choice I chose ten years ago and still love just as much today. I appreciate you taking the time to read this, thank you.

Best Regards,
Krystal Hernandez

Courtney K. Lee, General Counsel for Petitioner, the Nevada State Board of Pharmacy ("Board"), and Respondent Scot Silber, RPh ("Silber"), Certificate of Registration No. 08362, by and through counsel, James Boyle, Esq. of Holley Driggs, **HEREBY STIPULATE AND AGREE THAT:**

1. The Board has jurisdiction over Respondent Silber and this matter.

2. On or about April 30, 2021, Board Staff served Respondent Silber with the Notice of Intended Action and Accusation ("Accusation") on file in this matter together with the Statement to Respondent and Notice of Hearing. On or about June 2, 2021, Board Staff served Respondent Silber with an Amended Notice of Intended Action and Accusation ("Amended Accusation") together with the Statement to Respondent and Notice of Hearing.

3. On or about May 26, 2021, Respondent Silber filed his Answer and Notice of Defense through retained counsel, James Boyle, Esq. ("Boyle"). On or about June 24, 2021, Respondent Silber, through counsel Boyle, filed his Amended Answer and Notice of Defense.

4. Respondent is aware of the right to seek the advice of counsel in this matter and obtained the advice of counsel prior to entering into this Stipulation.

5. Respondent is aware of the right to a hearing on the matters alleged in the Amended Accusation, his right to reconsideration, his right to appeal and any and all other rights which may be accorded pursuant to NRS Chapter 233B, Nevada Administrative Procedure Act, NRS Chapter 622A, Administrative Procedure Before Certain Regulatory Bodies, and NRS Chapter 639, Nevada Pharmacy Act.

6. Conditioned on the acceptance of this Stipulation by the Board, and with the exception of the right to challenge any determination that Respondent has failed to comply with the provisions of this Stipulation, Respondent hereby freely and voluntarily waive his rights to a hearing, reconsideration, appeal and any and all other rights related to this action that may be accorded to him by NRS Chapter 233B, Nevada Administrative Procedure Act, NRS Chapter 622A, Administrative Procedure Before Certain Regulatory Bodies, and NRS Chapter 639, Nevada Pharmacy Act.

7. Respondent admits that evidence exists, and that Board staff prosecuting this case could present such evidence at an administrative hearing, to establish a factual basis for certain of the violations alleged in the Amended Accusation, that:

A. Respondent Silber was hired as the managing pharmacist of Direct beginning on or about April 22, 2019. However, on or about April 18, 2019, Respondent Silber supervised and signed off as the pharmacist for Respondent Direct on one 100 batch yield of Oxandrolone 25 mg capsule, and one 30 batch yield of Testosterone Cypionate (6 ml vial) 200 mg/ml injectable. Respondent Silber, as a registered pharmacist, knew or should have known that pharmaceutical technicians, Michael Thomas ("Thomas") and Krystal Hernandez ("Hernandez"), were unlawfully accessing Direct without a pharmacist present. Silber permitted, but did not cause, Thomas and Hernandez to unlawfully access Direct's premises where dangerous drugs and controlled

substances were known to be present, and violated, attempted to violate, assisted or abetted in violation of or conspired to violate NRS 639.220(1), NAC 639.470, NAC 639.520, NAC 639.702, and/or 21 CFR § 1301.71.

8. Those violations are plead with particularity in the Amended Accusation, and are grounds for action pursuant to NRS 639.210(4), (11), (12), (15), and/or NRS 639.255.

9. In order to resolve this matter without incurring any further costs or the expense associated with a hearing, the Board and Respondent Silber stipulate to the following penalties and/or conditions:

A. Respondent shall accept this Stipulation and Order as a public reprimand regarding his duties and responsibilities as a registered pharmacist;

B. Respondent shall pay a fine of One-Thousand Five Hundred Dollars ($1,500.00) for the violations; and

C. Respondent shall pay Five-Hundred Dollars ($500.00) to partially reimburse the Board for recoverable attorney's fees and costs incurred in investigating and prosecuting this matter.

10. Any failure by Respondent Silber to comply with the terms of this Order may result in issuance by the Executive Secretary of an order to show cause pursuant to NAC 639.965 directing the non-compliant Respondent to appear before the Board at the next regularly-scheduled meeting for a show cause hearing. If such a hearing results in a finding of a violation of this Order by Respondent Silber, the Board may impose additional discipline upon the non-compliant Respondent consistent with the provisions of NRS Chapter 639.

11. General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on July 14, 2021. Respondent(s) will appear telephonically or *via* Zoom at the meeting to answer questions from the Board Members and/or Board Staff. The Board Members and Staff may discuss and

deliberate regarding this Stipulation, even if Respondent(s) or counsel are not present at the meeting.

12. The Board has discretion to accept this Stipulation, but it is not obligated to do so. If this Stipulation is approved by the Board, it shall be a public record pursuant to NRS 622.330.

13. If the Board rejects any part or all of this Stipulation, and unless they reach an alternative agreement on the record during the hearing, the parties agree that a full hearing on the merits of this matter may be heard by the Board at a later date. The terms and admissions herein may not be used or referred to in a full hearing on the merits of this matter.

14. Upon approval of this Stipulation by the Board, Respondent shall pay the fines agreed to herein by *cashier's check* or *certified check* or *money order* made payable to "State of Nevada, Office of the Treasurer," to be received by the Board's Reno office located at 985 Damonte Ranch Parkway – Suite 206, Reno, Nevada 89521, within thirty (30) days of entry of this Order.

15. Upon approval of this Stipulation by the Board, Respondent shall pay the attorney's fees and costs agreed to herein by *cashier's check* or *certified check* or *money order* made payable to "Nevada State Board of Pharmacy," to be received by the Board's Reno office located at 985 Damonte Ranch Parkway – Suite 206, Reno, Nevada 89521, within thirty (30) days of entry of this Order.

16. Subject to the approval of this Stipulation by the Board, the Board and Respondent agree to release one another from any and all additional claims arising from the facts set forth in the Amended Accusation on file herein, whether known or unknown that might otherwise have existed on or before the effective date of this Order.

J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, makes the following that will serve as both a notice of intended action under NRS 233B.127(3) and as an accusation under NRS 622A.300(1) and NRS 639.241.

JURISDICTION

1. The Nevada State Board of Pharmacy (Board) has jurisdiction over this matter because at the time of the events alleged herein, Respondent Richard Jensen, RPh (Jensen), Certificate of Registration No. 05963, and Respondent Jerry Potmesil, RPh (Potmesil), Certificate of Registration No. 05137, were pharmacists registered with the Board, and Respondent Flying Diamond Pharmacy, LLC (Flying Diamond), License No. PH02114, was a pharmacy licensed by the Board.

FACTUAL ALLEGATIONS

2. Flying Diamond is located at 6140 Mae Anne Avenue #1B, Reno Nevada.

3. Jensen was managing pharmacist of Flying Diamond, and Potmesil, Debbie Mandly, PT (Mandly), Certificate of Registration No. PT10527, and Sydney Wilcox (Wilcox), were employees of Flying Diamond at the time of the events alleged herein.

4. On February 15, 2021, an electronic prescription for Trileptal (Oxcarbazpine) 300mg, quantity 105, for patient F.M. was transmitted to Flying Diamond, where pharmaceutical technician Mandly performed data entry in the pharmacy computer system. The computer system designated the prescription as Prescription No. 6211307.

5. During data entry for Prescription No. 6211307, Mandly erroneously filled, labeled and dispensed the prescription for patient K.M. at the Women's Crossroads in Sparks Nevada, where the error was subsequently discovered on or about February 16, 2021.

6. Potmesil is on record as the verifying pharmacist for Prescription No. 6211307. He failed to detect the medication error when he verified data entry as accurate and performed the final product review.

7. On or about March 11, 2021, Flying Diamond pharmacy personnel filled, labeled and dispensed the following prescriptions for patient C.G.:

13. C.G. discovered the medication delivery error without ingesting any of the prescriptions dispensed for C.V.-E., and notified Flying Diamond.

FIRST CAUSE OF ACTION
Failure to Verify Dispensed Medication/Unprofessional Conduct
(Respondent Potmesil)

14. Unprofessional conduct includes the failure by a licensee to follow strictly the instructions of a practitioner when filling, labeling, and dispensing a prescription. NAC 639.945(1)(d). It also includes a licensee performing his or her duties in an "incompetent, unskillful, or negligent manner." NAC 639.945(1)(i). Additionally, NAC 639.252 states in relevant part:

> If a pharmaceutical technician performs one or more of the functions necessary to prepare a prescription, ***the pharmacist supervising the pharmaceutical technician*** is responsible for the filled prescription, including, but not limited to, verifying:
> (a) The selection and strength of the drug;
> (b) The dosage form; and
> (c) The labeling of the prescription.

NAC 639.252(2) (emphasis added.)

15. Potmesil violated NAC 639.252(2) and engaged in unprofessional conduct in violation of NAC 639.945(1)(d) and (i) when he verified data entry as accurate and the final product on Prescription No. 6211307 as accurate when it was not, which resulted in the prescription being dispensed to the wrong patient. Potmesil is therefore subject to discipline pursuant to NRS 639.210(4) and (12).

SECOND CAUSE OF ACTION
Managing Pharmacist Responsibilities
(Respondent Jensen)

16. As the managing pharmacist/pharmacist in charge of Flying Diamond at the time of each of the violations alleged herein, Respondent Jensen is responsible for those violations, including all errors and omissions of pharmacy personnel Potmesil, Mandly and Wilcox, pursuant to NRS 639.220(1) and NAC 639.702.

THIRD CAUSE OF ACTION

Pharmacy/Pharmacy Owner Responsibility

(Respondent Flying Diamond)

17. NRS 639.230(5) provides: "Any violation of any of the provisions of this chapter [NRS Chapter 639] by a managing pharmacist or by personnel of the pharmacy under the supervision of the managing pharmacist is cause for the suspension or revocation of the license of the pharmacy by the Board." Additionally, "[t]he owner of a pharmacy, the managing pharmacist of the pharmacy and the registered pharmacist on duty at the pharmacy are responsible for the acts and omissions of pharmaceutical technicians and other personnel who are not pharmacists working in or for the pharmacy, including, but not limited to, any errors committed or unauthorized work performed by such personnel, if the owner, managing pharmacist or registered pharmacist knew or reasonably should have known of the act or omission." NAC 639.702. Further, the owner of any business or facility licensed, certified or registered by the Board is responsible for the acts of all personnel in his or her employ. NAC 639.945(2).

18. As the pharmacy/pharmacy owner at which the violations of law alleged herein occurred, Flying Diamond is responsible for those violations, including all errors and omissions of pharmacy personnel Jensen, Potmesil, Mandly and Wilcox, pursuant to NRS 639.230(5), NAC 639.702 and NAC 639.945(2).

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the registration/license of each Respondent.

Signed this 26th day of May, 2021.

J. David Wuest, R.Ph., Executive Secretary
Nevada State Board of Pharmacy

ANSWER AND NOTICE OF DEFENSE OF RESPONDENTS JENSEN, POTMSEIL AND FLYING DIAMOND PHARMACY

Respondents Richard Jensen, RPH, Jerry Potmesil, RPH and Flying Diamond Pharmacy, LLC ("Flying Diamond"), by and through Wanda Hill, owner of Flying Diamond, hereby files with the Nevada State Board of Pharmacy ("Board"), their Answer and Notice of Defense to the Notice of Intended Action and Accusation ("Accusation") filed on May 26, 2021. Mr. Jensen, Mr. Potmesil and Flying Diamond do not have any objection to the Notice of Intended Action and Accusation as being incomplete or failing to clearly state the charges against them.

ANSWER TO ACCUSATION

Mr. Jensen, Mr. Potmesil and Flying Diamond agree that the Board has jurisdiction over each party in this matter and answer the factual allegations as follows:

Factual Allegations: Paragraphs 2-13

Paragraph 2: Mr. Jensen, Mr. Potmesil and Flying Diamond agree with the factual assertion set forth within paragraph 2.

Paragraph 3: Mr. Jensen admits and agrees that he was managing pharmacist at Flying Diamond in February and March 2021.

Paragraph 4: Mr. Jensen and Mr. Potmesil do not have personal knowledge of receipt of the electronic prescription transmitted to Flying Diamond on February 15, 2021, for Trileptal for patient F.M., however a review of records of Flying Diamond verify that this occurred, and that pharmaceutical technician Ms. Mandly entered the prescription, number 6211307, into Flying Diamond's computer system.

Paragraph 5: Mr. Jensen and Mr. Potmesil do not have personal knowledge of Ms. Mandly erroneously filing, labeling and dispensing prescription 6211307, however review of records confirm that Ms. Mandly labeled the prescription for patient K.M. rather than patient F.M. Both F.M. and K.M. resided at Women's Crossroads in Sparks, NV at the time, and both women share the same last name.

Paragraph 6: Mr. Potmesil admits and agrees that he was the verifying pharmacist for prescription number 6211307 and failed to detect the error in labeling the prescription when verifying the data entry and performing final product review.

Paragraph 7: Mr. Jensen, Mr. Potmesil and Flying Diamond have verified that pharmacy personnel did fill, label and dispense the prescriptions listed in paragraph 7 on March 11, 2021, for patient C.V.-E.

Paragraph 8: Mr. Jensen, Mr. Potmesil and Flying Diamond have verified that pharmacy personnel did fill, label and dispense the prescriptions listed in paragraph 8 on March 11, 2021, for patient C.G.

Paragraph 9: Mr. Jensen, Mr. Potmesil have verified that employee Sydney Wilcox did mistakenly delivered the prescriptions filled and dispensed for patient C.V.-E. to patient C.G. and delivered those filled and dispensed for patient C.G. to patient C.V.-E. on March 11, 2021.

Paragraph 10: Mr. Jensen, Mr. Potmesil and Flying Diamond do not have personal knowledge and cannot verify through pharmacy records the factual accuracy of the assertions set forth in paragraph 10.

Paragraph 11: Mr. Jensen, Mr. Potmesil and Flying Diamond do not have personal knowledge and cannot verify through pharmacy records the factual accuracy of the assertions set forth in paragraph 11.

Paragraph 12: Mr. Jensen, Mr. Potmesil and Flying Diamond do not have personal knowledge and cannot verify through pharmacy records the factual accuracy of the assertions set forth in paragraph 12.

Paragraph 13. Mr. Jensen and Mr. Potmesil do not have personal knowledge of the factual assertions set forth in paragraph 13. Ms. Hill, on behalf of Flying Diamond, asserts that patient C.G. contacted Flying Diamond on the morning of March 12, 2021, and that she personally spoke to him and he notified her of the delivery of the prescriptions filled for patient C.V.-E. Ms. Hill immediately picked up the incorrect prescriptions from patient C.G. and Women's Crossroads, was immediately notified of the delivery of the wrong prescriptions for patient C.V.-E. as explained more fully below.

Causes of Action: Paragraphs 14 through 18

First cause of action (naming Respondent Potmesil): Mr. Potmesil acknowledges the accuracy of the Nevada laws set forth in paragraph 14. Mr. Potmesil admits to the allegations set forth in paragraph 15.

Second cause of action (naming Respondent Jensen): Mr. Jensen acknowledges the accuracy of the Nevada laws set forth in paragraph 16 but declines to respond to the allegations set forth therein.

Third cause of action (naming Respondent Flying Diamond): Flying Diamond, by and through Ms. Hill, acknowledges the accuracy of the Nevada laws set forth in paragraph 17. Flying Diamond declines to respond to the allegations set forth in paragraph 18.

NOTICE OF DEFENSE/MITIGATING INFORMATION

Mr. Potmesil readily accepts responsibility in this matter and acknowledges that at the time of the events of February 15, 2021, he failed to detect the errors in data entered by Ms. Mandly when verifying prescription 6211307. While he does believe the fact that the two patients had identical last names and were residing at the same facility was a contributing factor in the mislabeling, he acknowledges that he was responsible as the verifying pharmacist to ensure accuracy in the data. Mr. Jensen, and Ms. Hill on behalf of Flying Diamond, also acknowledge that they are ultimately responsible for the errors and admissions of Mr. Potmesil and Ms. Mandly in this circumstance.

In regard to the misdelivered prescriptions, again, Mr. Jensen and Ms. Hill, on behalf of Flying Diamond acknowledge that they are ultimately responsible for the actions and omission of Ms. Wilcox. When Ms. Hill was contacted at the pharmacy by patient C.G. that he had received the incorrect prescriptions, she immediately picked up the prescriptions and returned them to the

pharmacy. Additionally, pharmacy personnel immediately contacted the on-duty nurse at Northern Nevada Adult Mental Health Services (NNAMHS) regarding the fact that patient C.V.-E. had received the incorrect prescriptions. Women's Crossroads, where patient C.V.-E. resided at the time, is a program of Washoe County which provided transitional housing in addition to on-going medical and behavioral health services for women who have been homeless and are addressing substance abuse issues. NNAHMS oversees the prescriptions received by residents of Crossroads. According to pharmacy personnel, nursing staff at NNAHMS indicated that the delivery had never been verified by NNAHMS staff and they were unaware that patient C.V.-E. had received incorrect prescriptions until notified by Flying Diamond staff.

Flying Diamond is not a pharmacy that is open to the general public for the filling of authorized prescriptions. Flying Diamond primarily fills prescriptions for facilities such as skilled nursing, group homes and programs such as Crossroads. Mr. Jensen, Mr. Potmesil and Ms. Hill on behalf of Flying Diamond have used the two situations set forth in the Accusation to review all internal policies at the pharmacy and to review such policies with all employees of Flying Diamond and to reiterate the need for constant attention to detail at every stage.

Additionally, new policies have been implemented requiring the verifying pharmacist to perform a secondary review of the prescription entry made by the technician prior to a prescription being finalized and prepared for delivery. Flying Diamond has contacted it pharmacy management system, QS-1, to request that it also add the patient's date of birth to the prescription receipt for additional patient verification. Additionally, delivery tickets, used to confirm delivery of prescriptions, have been modified to require the receiving patient and/or caregiver to sign, acknowledging that they have verified that they have received the correct prescriptions for the

correct patient. Finally, Flying Diamond has instituted an "Error/Incident" log for purposes of cataloging and reviewing any such incidents as part of an on-going quality improvement process.

Mr. Jensen has held a registration from the Board since 1972 without any prior action being taken against his registration. Likewise for Mr. Potmesil who has been licensed by the Board since 1997 (and has practiced many years in other state prior to that time). Flying Diamond has been licensed by the Board since 2006 without any adverse action having been taken. Mr. Jensen, Mr. Potmesil and Ms. Hill on behalf of Flying Diamond have taken responsibility for the errors that occurred as set forth in the Accusation. As described above, they have taken this situation very seriously and have utilized it as an opportunity to ensure that the risk of such errors occurring again is minimized as much as possible.

Respectfully submitted this 7th day of July, 2021.

Brett Kandt, General Counsel for Petitioner the Nevada State Board of Pharmacy (Board), and Respondent Steven Klomp, DMD, Certificate of Registration No. CS01397, **HEREBY STIPULATE AND AGREE THAT**:

1. The Board has jurisdiction over Respondent and this matter.

2. On or about May 25, 2021, Respondent was served with the Notice of Intended Action and Accusation (Accusation) on file in this matter together with the Statement to Respondent and Notice of Hearing.

3. Respondent is fully aware of the right to file an Answer and Notice of Defense to the Accusation prior to entering into this Stipulation.

4. Respondent is fully aware of the right to seek the advice of counsel in this matter prior to entering into this Stipulation.

6. Conditioned on the acceptance of this Stipulation by the Board, and with the exception of the right to challenge any determination that Respondent has failed to comply with the provisions

7. Respondent admits that evidence exists, and that Board staff prosecuting this case could present such evidence at an administrative hearing to establish a factual basis for the violations alleged in the Accusation, *to wit,* that:

A. Respondent failed to timely renew his Certificate of Registration No. CS01397, which expired on October 31, 2018, in violation of NRS 639.210(13), before renewing his Certificate of Registration No. CS01397 on December 20, 2019; and

The Board does not allege that the prescriptions were issued without a legitimate medical purpose in violation of 21 CFR §1306.04 or NRS 453.381, or that Respondent's failure to timely renew his Certificate of Registration No. CS01397 was intentional.

8. Those violations are plead with particularity in the Accusation, and are grounds for action pursuant to NRS 453.236(1), NRS 453.241(1), NRS 639.210 and NRS 639.255.

A. Respondent shall accept this Stipulation and Order as a public reprimand regarding his duties and responsibilities as a prescribing practitioner;

D. Respondent shall comply with all federal and state statutes and regulations regarding controlled substances and dangerous drugs.

10. Any failure by Respondent to comply with the terms of this Order may result in issuance by the Executive Secretary of an order to show cause pursuant to NAC 639.965 directing that Respondent to appear before the Board at the next regularly-scheduled meeting for a show cause hearing. If such a hearing results in a finding of a violation of this Order by Respondent, the Board may impose additional discipline upon Respondent consistent with the provisions of NRS Chapter 453 and/or Chapter 639.

11. General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on July 14, 2021. Respondent and/or his counsel will appear at the meeting to answer questions from the Board Members and/or Board Staff. NEVADA STATE BOARD OF PHARMACY, Petitioner, v. JILL OLIVER, MD, Certificate of Registration No. PD15479, Respondent.	CASE NO. 20-007-PD-S ANSWER AND NOTICE OF DEFENSE

Respondent above named, in answer to the Notice of Intended Action and Accusation filed in the above-entitled matter before the Nevada State Board of Pharmacy, declares:

1. That his/her objection to the Notice of Intended Action and Accusation as being incomplete or failing to state clearly the charges against him/her, is hereby interposed on the following grounds: (State specific objections or insert "none").

– NONE –

2. That, in answer to the Notice of Intended Action and Accusation, he/she admits, denies and alleges as follows:

My name is Jill Oliver M.D. and I am writing this statement to the State of Nevada Board of Pharmacy. At my yearly pharmacy inspection on January 23rd, 2020 Luis Curras discovered that my dispensing technician license for Dianne Racosas was not valid and up to date. I assured him that we had submitted her application months before when she resumed working for us and told him I would get him the information immediately. After researching things on my end and talking to my office manager we discovered the error we made and took steps to remedy it immediately.

Dianne Racosas was a licensed dispensing technician when she worked for me from 2013 - 2016. She left on maternity leave and was gone for several years. It was during this time that her license expired. She returned to work for me in 2018 but did not perform any dispensing technician duties, only medical assistant duties at another office. When my licensed dispensing technician Samantha Lapalme left my employment in July 2019 Dianne was moved back into the role as dispensing technician.

Somehow, after doing this for so many years, we submitted the "Managing Pharmacist Certification of Pharmaceutical Technician in Training" instead of the " Technician Dispensing in Training Application" for Dianne. Unfortunately, I did not follow up on this mistake so no license was ever generated and Dianne continued to act as a dispensing technician. Upon review of my logs, Dianne Racosas performed technician dispensing duties for 115 days between July 2019 and January 2020. I did not realize that I could go on the Board of Pharmacy website to verify licenses. Of course now it is too late, but had I checked this I would have been able to submit the correct form right away instead of months later.

Please accept my sincere apologies for allowing these errors to occur and know that I take the privilege of being a dispensing practitioner very seriously. I take full responsibility for this and please know that I would never intentionally do anything to jeopardize the privileges you have granted me.

I hereby declare, under penalty of perjury, that the foregoing Answer and Notice of Defense, and all facts therein stated, are true and correct to the best of my knowledge.

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **JEFF CHEN, M.D.,** **Certificate of Registration No. CS18013,** **Respondent.**	**Case No. 20-001-CS-N** **NOTICE OF INTENDED ACTION AND ACCUSATION**

J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, makes the following that will serve as both a notice of intended action under Nevada Revised Statutes (NRS) 233B.127(3) and as an accusation under NRS 622A.300(1) and/or NRS 639.241.

JURISDICTION

I.

The Nevada State Board of Pharmacy ("Board") has jurisdiction over this matter and this respondent because at the time of the events alleged herein, Respondent Jeff Chen, M.D. (Chen), held a Nevada Controlled Substance Registration, Certificate No. CS18013, issued by the Board.

FACTUAL ALLEGATIONS

II.

In December 2019, Chen was the medical director of Breathe Bar located on South Center Street in Reno, Nevada.

III.

Amy Burkett (Burkett) owned and operated Breathe Bar. Burkett is not a practitioner licensed by the Nevada State Board of Pharmacy, Nevada State Board of Medical Examiners, Nevada State Board of Osteopathic Medicine, or Nevada State Board of Nursing.

IV.

Breathe Bar employed registered nurses ("RNs").

V.

Breathe Bar 's RN staff provided patient assessments using a proprietary Intravenous (IV)/Intramuscular (IM) Therapy Intake Form. An RN would then communicate his/her assessment of the patient to Chen by telephone or text, in response to which Chen would then approve the medication(s) by telephone or text.

VI.

Chen had no direct contact with, did not examine and did not establish a *bona fide* therapeutic relationship with the patients.

VII.

With Chen's knowledge and authorization and at his direction, Breathe Bar's RN staff provided on-site medical treatment to patients, including the administration of dangerous drugs through intravenous ("IV") therapy and/or injections without direct practitioner supervision, and without a patient-specific and medication-specific written chart order for the patient and/or medication.

VIII.

Chen directed Breathe Bar's RN staff and Burkett to obtain, access, possess, and store dangerous drugs from Breathe Bar's inventory, and administer dangerous drugs to patients when he was not on site.

IX.

Chen directed Breathe Bar's RN staff to counsel patients regarding their medical treatment, including the administration of dangerous drugs.

X.

Chen permitted opened, undated multi-dose injectables to be used for treatment of Breathe Bar patients.

COMES NOW, Respondent JEFF CHEN, M.D., by and through his counsel of record, EDWARD J. LEMONS, ESQ. and LEMONS, GRUNDY & EISENBERG, and in answer to the Notice of Intended Action and Accusation filed in the above-entitled matter before the Nevada State Board of Pharmacy, declares:

1. That his objection to the Notice of Intended Action and Accusation as being incomplete or failing to state clearly the charges against him, is hereby interposed on the following grounds:

The findings alleged misrepresent the roles and actions of Dr. Chen while serving as Medical Director of Breathe Bar for intravenous fluid therapy. On December 19, 2019, Joseph Depczynski, investigator for the Nevada Board of Pharmacy, and Samuel McCord, director of nursing practice for the Nevada Board of Nursing, made an unannounced visit to Breathe Bar stating that there had been a complaint filed regarding questionable practices at the facility which is owned by Amy Burkett. Ms. Burkett is the owner and founder of Breathe Bar, and was present for the site visit. Dr. Chen was not present for the site visit. In

support of this objection, the statement of Ms. Burkett regarding her recollection of the events that took place that day is attached as **Exhibit A**. It was relayed to her that the complaint was not made by any patient or the result of any patient harm, but likely a competing business in town, however, Mr. Depczynski and Mr. McCord did not provide any further details regarding the identity of the person who filed the complaint. Ms. Burkett provided information regarding Breathe Bar practices with discussion of how they operated the medical treatments at Breathe Bar. At the resolution of the meeting, apparently it was deemed inappropriate that Ms. Burkett had keys to the treatment room and keys to the lock securing the medications utilized for treatment of patients, and the gentlemen confiscated the medications from the locked storage unit and left with the medical inventory. Apparently, however, sometime later, the gentlemen returned to the Breathe Bar and returned the medications stating that they shouldn't have taken the inventory. On information and belief, however, the keys to the storage lock and IV fluid bags were confiscated and Ms. Burkett was instructed that Dr. Chen, as medical director and physician in charge of the medications, would need to contact Mr. Depczynski to set up a meeting where Dr. Chen could obtain the keys in person.

After several attempts, Dr. Chen set up a meeting between him, Mr. David Wuest, the executive secretary of the BOP, Ms. Yenh Long, the deputy secretary of the BOP, and Ms. Burkett on January 3, 2020 to discuss their concerns and repossess the keys to the medications. At that meeting, the representatives for the Board of Pharmacy stated that their concern was related to Ms. Burkett having access to the keys for the locked medications as she was not medically trained or licensed. They also expressed concern regarding the nursing staff having access to the medications, in particular, if Dr. Chen wasn't present on site for the entire treatment period. Dr. Chen reassured Mr. Depczynski and Mr. Wuest that they maintained high levels of security and

safety with regards to the medications, and if they felt this was not the case, then they would make any recommended changes they suggested in order to be in compliance. They also detailed to the Board representatives the typical treatment course for patients at Breathe Bar.

Dr. Chen was asked by Amy Burkett to be medical director of Breathe Bar to help assist in developing an intravenous fluid hydration and treatment program for her business. She felt that he was an optimal candidate because of his clinical background in anesthesiology. As a board certified clinician that has treated over 20,000 patients with intravenous fluids for resuscitation of all clinical situations in his 14-year career, and utilized many forms of medications in those treatment protocols, it was felt that Dr. Chen could provide the proper skill set and guidance for her to safely and properly start a program at her health institution. Thus, in May of 2019, Dr. Chen accepted her offer and began developing and establishing protocols to ensure that patients coming through Breathe Bar for treatment would get the same level of care that they could come to expect in a hospital or surgery center setting.

As the medical director, Dr. Chen developed all the necessary intake forms, questionnaires, consent forms including HIPPA compliance, order forms, progress notes, and informational packets for each patient, which were adapted from hospital forms. He also established relationships with accredited distributors of medical supplies and medications/IV fluids and opened an account to procure all the necessary inventory. Dr. Chen established practice protocols for sterility, safety, and compliance that fell in line with those one would see at a hospital or surgery center. And for the first two months of trialing the launch of services at Breathe Bar, Dr. Chen was the sole provider and caretaker for all patients receiving treatment at the facility.

As patient demand grew, Ms. Burkett asked to expand services by recruiting registered nurses to help with the intake and treatment portions of the

therapy. All nurses who were employed by Ms. Burkett had been nurses that Dr. Chen directly worked with or were familiar with through his years as an anesthesiologist in the community. They only hired highly competent nurses who had excellent records of service and provided the highest quality care throughout their careers. They were specifically mentored and proctored by Dr. Chen to ensure that the quality measures in place were achieved for each and every patient. Dr. Chen has provided a copy of the nursing guidelines and operating procedures that each new hire was given for reference regarding the expectations he had for them at Breathe Bar, attached hereto as **Exhibit B**.

Based on the guidelines, they maintained strict protocols for how patients were evaluated and treated. In summary, all patients would be evaluated and answer a questionnaire by Dr. Chen and/or a nurse. They would discuss treatment options, benefits, and risks of each treatment option, provide informed consent, and answer any questions from the patient. If nurses provided the initial intake actions, Dr. Chen would go over the findings with each nurse and come up with a treatment plan tailored to the individual needs of every patient. An order form would be filled out and signed by Dr. Chen as the ordering physician, and the nurse would carry out the order and monitor the patient during the infusion treatment. Once the treatment was complete, a final evaluation of the patient was done, and discharge home instructions were provided on what to expect and issues to report. Once the patient was discharged, they would follow-up with the patients the following day to ensure there were no issues or complications.

Reviewing the allegations contained in the Board of Pharmacy's notice letter, the "factual allegations" are objected to as being incomplete, erroneous and the same are denied. The following is to provide further clarification and to correct erroneous statements.

The nurses and/or Dr. Chen provided patient assessments using the designated intake form which provided a clinical history for each patient. The nurses would communicate with Dr. Chen regarding the assessment for each patient prior to any treatments, and once a clear and defined plan was created, an order would be given on the order sheet which was signed by the physician and carried out by the physician or nursing staff. The false, incomplete, erroneous, and misleading statement is that these orders and communications only occurred via telephone or text, and not in person. Text and telephone messages were used to communicate that patients were ready for their treatment and initial discussions were made via those methods if Dr. Chen was not directly present at the time. Dr. Chen would always come to the facility to sign off on the intake forms, discuss any needs regarding the patient, and sign off on the orders for treatment. This can be verified in all the patient records and charts. It is not unusual that discussions and treatment plans occur over telephone or text messaging. For a physician taking call in the community, there are countless occasions where a nurse will evaluate a patient, call the physician to discuss any issues, and request orders which would be given via telephone or text and signed at a later time. In these instances, physicians are not present on site during these discussions nor when executing an order for the nurse to complete.

Dr. Chen was the primary caregiver for patients when this program was initiated, and thus assessed, examined, treated, and followed-up with every single patient coming through Breathe Bar. When nurses were added to the care team at Breathe Bar, they were expected to follow guidelines for treatment consistent with their nursing requirements. They may have provided initial assessments but contacted Dr. Chen for each patient to discuss and receive orders, and Dr. Chen would be in person to sign orders and verify information gathered by the nurses as evidenced in each patient's medical record. Each

patient was counseled by Dr. Chen or the nursing staff, and they knew that at any time, he could be contacted and be present for any issues or questions that arose. See **Exhibit B** for the applicable operating procedures.

Dr. Chen had knowledge and authorized the RNs at Breathe Bar to provide care and treatments to the patients after a thorough evaluation, discussion, and formulation of a safe and adequate plan. Orders were signed and given to provide specific medications and treatments and are readily available for review in the patient records. Of note, the Board of Nursing conducted an investigation of the nurses at Breathe Bar which was initiated by Samuel McCord. **Exhibit C** shows copies of letters which include the Board of Nursing Notice of Investigation, the reply from the nursing staff, and the ultimate decision for the Board of Nursing that they were not practicing independently without supervision and were not practicing outside of their scope, and thus the case was dismissed. Those conclusions support the denial of the allegations and show that the care was provided in accord with state and national standards.

Regarding allegations about the role of Ms. Burkett, she was never directed to handle any of the medication inventory. Dr. Chen was in charge of ordering, stocking, safeguarding, and prescribing the medications. Ms. Burkett had a key to the medication/treatment room, and a key to the lock, but as owner of the facility and as the employer, it was felt that this was appropriate. The nurses had access to the medications to obtain them, but only after receiving an order from the physician. And Dr. Chen kept inventory of all the medications to account for all usage on a weekly basis to ensure there was no issues with expiration or theft. Also, of note, the "dangerous drugs" referenced above specifically dealt with Lactated Ringer's IV solution, ondansetron, ketorolac, Vitamin B, and Vitamin C. From the standpoint of community health concern, it was ensured that they utilized drugs that are commonly used with a high safety

profile and there was absolutely no utilization of any Schedule 2 medications. Hydration fluid, anti-nausea medications, non-steroidal anti-inflammatory drugs, and vitamins are widely accepted as being safe, have minimal risks, and patients were screened for risk factors before any treatment. As stated earlier, Dr. Chen has practiced for 14 years and conducted over 20,000 intravenous fluid and medication treatments to patients, and with those particular fluids and medications, has never encountered any issue of fluid overload, QT prolongation (ondansetron), renal failure resulting from afferent vasoconstriction (ketorolac), gastritis (ketorolac), or any other potential side effects from these medications and vitamins. Dr. Chen allowed nurses to perform their duties within their scope of practice, which includes assessing patients, treating patients under physician orders, and administering medications to patients to execute orders provided to them. Please refer to **Exhibit C** for the investigation by the Board of Nursing which found that the nurses acted within their scope of practice while working at Breathe Bar.

The multi-dose medication referenced in the Notice of Intended Action was lidocaine 1% which was used as an anesthetic prior to placement of an intravenous catheter. There were two vials that were uncapped and had not been adequately dated and initialed by the practitioner as is expected for multi-dose vials. This is not a practice that Dr. Chen permitted; however, it was an error that once made aware, was addressed, and taken care of. Dr. Chen reminded both nursing staff and himself of the importance to date and initial when a multi-dose vial is opened, and to discard within 28 days of opening. This was not permitted, and the lidocaine 1% is the only multi-dose medication used at Breathe Bar.

Dr. Chen offers the above explanation and attached documents to correct the misinformation and the vague, incomplete, erroneous, and unclear allegations made against Dr. Chen. Allegations that he engaged in actions

constituting "unprofessional conduct or conduct contrary to the public interest" and that he "violated, attempted to violate, assisted or abetted in the violation of or conspired to violate NRS statutes" are made against him without reasonable basis and in contradiction of the true facts. Those true facts were not verified before these allegations were made against Dr. Chen. At no point during the investigation did anyone from the Board of Pharmacy ask to see how a typical interaction and care for a patient would take place, nor did they witness any normal operating procedures at Breathe Bar. Secondarily, there was no attempt or discussion of any opportunity for improvement or reconciliation of issues that were found. Dr. Chen serves on multiple peer review boards and serves as the chair for that committee at Saint Mary's Regional Medical Center, and knows that it has always been customary for any allegations to be verified either by direct witness or obtaining first-hand testimony of the actions in question. Once this was achieved, it was also customary to specifically speak to person in question directly to get their point of view, and if findings were accurate regarding deficits in the actions, there would be an opportunity for the practitioner to make corrective actions without punitive consequences. Only after repeated episodes would a peer review committee escalate the issue to a level of potential reprimand and punishment. This practice is also consistent with national accrediting bodies like the Joint Commission (JCAHO) and Accreditation Association for Ambulatory Health Care (AAAHC) which oversee operations and compliance of hospitals and surgery centers, respectively. During these direct observation surveys, if deficits are found, the hospitals or surgery centers are given the opportunity to address and rectify any circumstances they deem substandard and would not be punitive without giving an opportunity for correction. Unfortunately, it does not feel that Dr. Chen has been given the same opportunity to correct any perceived deficits to the satisfaction of the Board of Pharmacy. Instead, he is being asked to defend

himself to the Board for these "factual allegations" which suggest that he has been derelict of his duty as a medical professional and threaten his standing with the Board.

In closing, Dr. Chen is a native Nevadan and born and raised in Reno. He understandably takes great pride in the city he grew up in and sees his service in the medical community as an opportunity to give back to a community that has given him so much. In his 15-year medical career, he has had a spotless professional record, with no claims against him, being in good standing at all affiliated hospitals and surgery centers, and no issues with any of the Boards for which he serves as a member. He has served in many leadership roles in the community from Medical Director of Surgical Services and member of the Medical Executive Committee at Northern Nevada Medical Center to serving as Medical Director of Surgical Services, Chair of the Professional Peer Review Committee, Chair of Pharmacy and Therapeutics Committee, Vice Chief of Staff, and currently Chief of Staff and Governing Board Member at Saint Mary's Regional Medical Center, and during these times, he has taken pride in serving those positions with integrity, honesty, and responsibility. He currently serves as clinical faculty at the University of Nevada School of Medicine and at Oregon Health and Sciences University in Portland, Oregon in the department of Surgery and Anesthesia, and he always emphasizes to future physicians the importance of doing each patient right and doing no harm, leading by example, and always putting humanity and humility first. He would like the Board to know that he takes his roles and responsibilities as a medical professional seriously and treats every patient as he would a family member. He expects excellence of himself and of his care for each person he encounters. To have these erroneous accusations presented against him is objectionable as stated herein. He will present this case in person to the Board on December 2nd, 2020.

To whom it may concern:

In regards to the visit on January 19th by The Nursing Board and Pharmacy Board this is my recount of what happened.

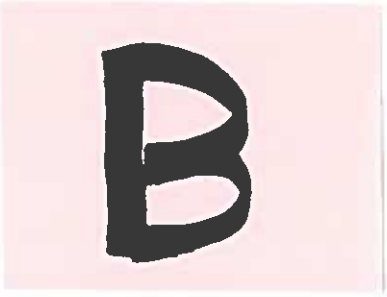
3 Individuals walked into Breathe Bar around 10:30am unannounced. They told me they were doing a courtesy check because of a complaint. Mr. Sam McCord from the Nursing Board handed me a Nursing magazine and told me that in order to be compliant, we had to have a Doctor or Nurse practitioner on site for IVs to be administered. As Dr. Chen and I were told he could be off site but in constant contact with the nurse performing the IV through TigerText a HIPPA certified medical texting app, Facetime or on the phone. I asked both Mr. McCord and Mr. Joe Depczynski which was the exact statute and they were not sure which was lawful or unlawful. They proceeded to tell me what I am doing is unlawful as stated in the article written by Mr McCord. They told me I needed to cease and desist my business immediately. They then asked me to show them the IV treatment room and inspected it thoroughly. When Mr. Depczynski asked me for the key to the refrigerator that held the vitamins, Zofran and Ketorolac I got them from our locked cabinet and let him inspect the meds. After looking at the meds he told me he would need to confiscate said meds and all LR bags I had in the room too. He loaded everything up into a box and took it out of Breathe Bar at approximately noon. He then came back to Breathe Bar around 1:30 with the box of meds and replaced them into the refrigerator and kept the LR and also took the refrigerator key when he left the second time. As my business is still on cease and desist, 4 of the nurses received subpoenas for records for the time they were working with Breathe Bar. After 4 months of waiting, they received full release of all charges by the Board of Nursing. I was forced to remove IV Hydration from Breathe Bar because of this proven "grey area" that is not yet in a NRS for our area.

Dr. Chen did the majority of IVs at Breathe Bar, always with the utmost professionalism. His kind and caring bedside manner always made our customers feel safe and taken care of. His charts were impeccable and thorough. It is disheartening that so many "grey areas" prevented my business from continuing to provide IV Hydration. The one service Dr. Chen and I hoped to provide for our community.

With Regards,

Amy Burkett
Owner, Breathe Bar

Welcome to the Breathe Bar Hydration and Wellness Team!



Greetings, I just wanted to introduce myself and explain the goals of our team here at Breathe Bar. Amy Burkett, the owner, has established an amazing establishment for rest, relaxation, rejuvenation, and health at Breathe Bar. She has asked me to serve as Medical Director to help develop and oversee IV hydration therapy and wellness. My background is that I am an anesthesiologist who has worked in town for 10 years, however, like Amy, I am a native and a local. When Amy asked if I would be interested in joining the team, I thought it would be a great opportunity to work with some different people than what I normally deal with, and hopefully it would allow me to see a different way to help people in the community.

My mission statement for our Breathe Bar Hydration and Wellness Team is as follows:

To provide a consistent, exceptional experience that strengthens trust and confidence with our patients, their families, and the community.

I want to make sure every patient experience is of the highest quality and safety, and I am grateful that you have joined the team to help achieve this goal. Even though we are a business in Midtown, I do have some expectations similar to those that we see in the medical arena. My core principles are listed below:

- **Integrity**: We will strive to provide the best and most honest care to each patient. We will practice in a manner which we would expect for each of our own family members. If we have that mindset, we will always provide first class care for all in the community.
- **Professionalism**: We will maintain proper codes of conduct and dress at all times as we are representatives of the medical community as a whole. We also represent Breathe Bar and have a duty to be the best possible stewards for the business and community.
- **Responsibility**: We will practice in a manner that is always above board and work towards achieving a highly reliable medical practice. We will abide by all safety guidelines published my respected medical organizations like the World Health Organization (WHO) and others. We will hold each other accountable to always choose the right.
- **Confidentiality**: We will always respect each individuals privacy and protect their information as we would any patient we care for in the community.
- **Joy**: I want every team member to be happy and enjoy what they are doing. We chose to accept this role because I believe we all wanted to help people, but in a different way than what we are accustomed to. I want this to be a pleasant experience, as our happiness and enthusiasm is palpable and transferable to those that we help!

Patient Intake Forms

- Each patient will receive a patient intake form which will include a demographics and patient history forms, informed consent, HIPAA statement, patient informational sheet, physician order sheet, and progress notes for the procedures.
- For the demographics sheet, important to just ensure that the patient has their name and contact information (i.e. phone number), as we will follow-up with the patients the following day to see how their treatment went.
- For the history intake form, please review all pertinent history, medications, and allergies with the patient. For vital signs, please either document it on the sheet, or else keep a copy so that I can fill in the vitals on my assessment.
- For the informed consent, ensure that each line is initialed and that the patient signs the final sheet. You will also sign the final sheet as well, and I will cosign as well.
- For the HIPAA sheet, inform the patient that we will keep their records private, and they have access to them at any time. Have them sign this sheet as well.
- For the patient orders sheet, we will review the patient history and medical conditions and what the patient requests for treatment. After discussion, I will provide you with an order that you will fulfill for that particular patient. Remember, what the patient requests vs. what we decide and agree upon for treatment may be different. Our order sheet will reflect what we actually decide is best for the patient during their care. I will sign the order sheets and either you or me will fill out the "reviewed by" portion depending on who takes out the medications.
- For the Progress Note, I made sheets that are standardized. Please complete the forms as thoroughly as possible. Please ensure that you sign and date and time the progress notes as these are part of the patient's treatment course and documentation is reflective of what actually happens with the patients.
- For the patient informational sheets, please remove from packet and give to each patient to take home. Notify each patient that we plan on reaching out to them at some point after the treatment to ensure that their care was up their expectations.

IV placement and infusions/IM injections

- Once the intake forms are received and we have reviewed the patient's medical history and developed a treatment plan, I will give orders for what each patient will need. At that point, we begin the treatment phase.
- We shall treat every patient as if we were taking care of them in the hospital, surgery center, or outpatient setting, meaning that we will ensure the same sterility, and precautions as we would in a medical setting.
- Hand washing: either was your hands with soap and water per WHO recommendations or use the sterilizing hand gel *prior to* and *after* each interaction with a patient. After washing your hands, gloves are provided and I request that you use them for each patient during their care.

- Please prep each patient at minimum with alcohol preps before placing an intravenous catheter, or intramuscular injection. Chloroprep sticks will be provided in the IV start kits, and this is superior to the alcohol wipes, so please utilize this as a first option for the IV placement. If multiple attempts are required for a catheter placement, alcohol preps may be used.
- Once an IV is established, ensure that all sharps are placed in the sharps container, and all blood stained items are disposed of in the red hazard bags. Regular trash can be placed in the trash canister.
- Secure IVs as you are comfortable with, but ensure there is adequate fluid flow. Once you start an IV infusion, start with a free flow and monitor for 3-5 minutes to ensure that patient does not have a reaction to the fluids or having difficulty with their IV. Once they have shown the ability to tolerate, you can infuse quicker with the pressure bag if the patient wants a quicker treatment.
- If you have difficulty with IV placement, and it requires more than two attempts, I request that you notify me and I prefer to place the IV at that point in time. Please note that you will still get credit for taking care of the patient and be reimbursed for your care, but I just want to ensure that the patient has a positive experience.
- If medications are ordered and to be injected, please draw up each drug sterily (prep the vial will alcohol before drawing up with a new sterile filter needle and syringe) and deliver it in the selected port slowly (over 15 seconds) once it has been scrubbed with an alcohol prep. Please monitor closely over the next 15 minutes to ensure there is no adverse reactions or symptoms reported by the patient.
- If there an allergic reaction to any medication, please notify me immediately, I will evaluate. If needed, we have epinephrine in the medication refrigerator.
- IM medications should be drawn up sterily and delivered sterily similar to the procedures noted above. Again, please use the filter needle for the glass vials.
- Once the treatment is complete, remove the IV and place all blood stained items in the red hazard bags, and the rest of the trash in the regular trash bin as noted above. Ensure that there is adequate hemostasis and provide bandages or compression bandages as needed.
- Please discuss what to expect with regards to potential side effects such as bruising and/or swelling, bleeding, etc.
- At the end of each of your shift, please check the equipment stock and fill up as needed. If you need something that we are out of, please let me know, and I will order them. Also, if there are items that makes your life easier, let me know as well and I will see if I can get them.

Medications

- For the medications, we will NOT be utilizing any Scheduled drugs (i.e. opioids). From the injectable medications standpoint we will only utilize Zofran (a nausea medication) and Toradol (an anti-inflammatory medication). We may consider adding an antacid medication (Ranitidine) ranitidine in the future. These are given via IV at the dose that I prescribe to you. The major medication for which I may make an adjustment is Toradol based on the patient's age and comorbidities. At our proctoring sessions, I will go over each drug with you, their side effects to look for, and when we would consider not giving the medication.
- For vitamins, we have Vitamin B12, Bcomplex, and C currently, but will see if we want to add any other supplements and vitamins at a later time. These are okay to inject both IM or IV, though we prefer the IM route because it remains in the system a little longer. Again, we will review the risks and benefits of these vitamins at our proctoring session and go over what to expect.
- All medications and vitamins need to be locked up in the refrigerator, and the key will be kept in a safe place with Amy and I have a spare key as well. Please take not of expiration dates for ALL medications before you deliver them.
- I expect everyone to practice the READ pneumonic when administering medications:
    - R- Review every administered drug to make sure it is correct
    - E- Expiration date, ensure it is valid
    - A- Administer according to the route prescribed
    - D- Dosing, ensure that you have the correct amount
- If medications are running low, please notify me directly, I will need to order from our distributor which takes about 3 days.
- IV bags will be brought in weekly and kept in the IV room, I will bring in the amount that is scheduled for the week. Extras will be stored in my office at work, so let me know if extra is needed and I will bring it in but we have a good estimate based on Vagaro scheduling for the week.

Scheduling/Communications

- All scheduling will take place on Vagaro which Amy will set up for you once you are onboarded. Remember, you will not be able to put on the schedule until we complete the two proctored patients so that I can evaluate and provide feedback.
- All schedules will open up for filling once I have determined my availability for the week and I try to do this 2 weeks in advance. It will be a first come first serve basis. We will mostly have weekend slots available for work as I still have clinical duties during the week several weeks throughout the year.
- All communications not patient related can go through normal text, my number is 775-250-2529. All communications regarding PATIENT CARE must go through TigerText, which is our HIPAA compliant app.

- I find that the best flow is to text me when the patient is completing the intake form as I am usually 5 minutes away from Breathe Bar. I will head up, evaluate the patient with you, sign the orders, and you can complete the tasks necessary.
- Once completed, notify the front desk of what procedures you complete for the day and you will receive credit. Amy handles all payroll and payment aspects, so direct any questions regarding that stuff to her.

Essentially, these are the basics to get started. Again, welcome to the Breathe Bar team! If you have any questions, please don't hesitate to ask during our proctoring sessions, or text/call me anytime. I am available to help you out and hopefully you have fun doing something a little different that the typical patient care.

To the Nevada State Board of Nursing:

This letter is in response to the letter dated January 24, 2020 addressing the allegation brought against me.

There is an allegation that between the dates of October 15, 2019 and December 15, 2019 I "accessed and possessed IV fluids without authorization and practiced beyond my scope by administering IV fluids to patients who had not been seen and examined by a licensed practitioner".

To address the above allegation, I can acknowledge that I was briefly employed by Reno Breathe Bar for the purpose of completing research for a project assigned in a course in my RN to BSN program. My experience at Reno Breathe Bar, though minimal, provided me with insight surrounding available resources in this community that promote overall health and wellness from a holistic and integrative approach compared to those that focus primarily on the prevention and management of disease. Throughout the time frame stated above, I was only present at Reno Breathe Bar on two dates: October 22, 2019 and November 15, 2019. I participated in the care of a total of two patients, only one of which received IV fluids. I was under the direct proctoring supervision of the staff physician, and then, Medical Director, Dr. Jeff Chen during the entirety of each of these patient interactions. At no point in time did I access, possess, nor administer medications and/or IV fluids without the staff physician being physically present, without having received his direct orders after his examination of each patient, nor without acting in accordance with the policies and procedures established by the medical director. All documentation of care supports this.

I am willing and able to answer any further questions and address any other concerns that the Board of Nursing may have, but please understand that I know my scope of practice as a Registered Nurse and that I hold my licensure in the highest regards. I am proud to serve this community as a nurse, and I would not act nor have I acted in a way that compromises my ability to do so and jeopardizes my standing with the Nevada State Board of Nursing. I made a career change to become an RN, and my experience in serving patients in both the Trauma Intensive Care Unit and the Operating Room at Renown has not only reinforced every decision and sacrifice that I made in order to facilitate that change; it has also sparked a desire to continue my education and to grow in this profession. With that being said, please consider that my participation at Reno Breathe Bar was proctored and supervised by the medical director/staff physician, and in no way did I practice outside of my scope of practice as a Registered Nurse.

Sincerely,

Natisha Zevnick, RN 90706

Re: Complaint filed by Board Staff

To the NV State Nursing Board:

This letter is in response to the letter dated January 27th, 2020, and received by me on February 4th,2020.

The allegations stated that between the dates of October 15,2019 through December 15, 2019, while working as an RN at Reno Breathe Bar, that I accessed and administered IV fluids without prior authorization by a licensed practitioner. It states that I practiced beyond my scope.

In response to these allegations, I confirm that I was an employee of Reno Breathe Bar. Per the protocol issued by the Medical Director of Breathe Bar, and reviewed before start of employment, I discussed and reviewed each case with the staff physician. This was done either in person, via the phone, or via HIPPA compliant software Tiger Text. I worked directly under the physician's orders to administer IV fluids and medications. Under no circumstances did I provide care without the prior authorization of the staff physician, and all documentation of patient care reflects this. Neither was I ever in possession of IV fluids without the authorization of the staff physician. After reviewing and discussing each patient case, history, and assessment with the physician, orders were then received and completed.

I can attest that my file as a Registered Nurse is completely clean. I have been a nurse in this state for nearly 38 years, and have never received a complaint from the Board of Nursing. I hold my profession with very high regard, and would not do anything to jeopardize my license or standing with the Board. I have served this community since 1982, from the tiniest of patients in the NICU and Peds ICU, to my present full-time job in Outpatient Radiology.

I am available if there are any more questions, but I assure you that I did not possess IV fluids without authorization, nor did I practice independently while performing my duties at the Breathe Bar.

Should any of this practice be found concerning, I can honestly say that it was completely unintentional. As my first complaint, I sincerely hope that you take into consideration my nursing history and clean record. I am willing to make any necessary changes deemed necessary to stay in compliance with the Board.

Sincerely,

RECEIVED FROM APPLICANT
PUBLIC DOCUMENT

To the Nevada State Board of Pharmacy,

Hello, my name is Aaron Borecki. I am writing this letter regarding the position of Pharmacy Technician that has been offered to me at Costco warehouse #127. Included in this letter are brief summaries, explanations, information, and circumstances that I believe to be important about the misdemeanor that I have been convicted of in the state of Nevada, as well as my first DUI charge. I believe it is also imperative to include my accomplishments over the past few years, as well as the steps that I have undertaken to ensure my past mistakes are not repeated.

On July 6th, 2015, I was arrested and eventually convicted of the charge of possession of a controlled substance, the exact charge being obtaining prescription pills without a prescription. The prescription that I was arrested with was zolpidem. I illegally procured this type of medication because I have always had trouble sleeping, often staying awake for easily more than 24 hours at a time. I had seen a doctor while living in Alaska for my chronic insomnia and was prescribed a few different types of medication for sleep, one of them being Seroquel. Such medications did not improve my sleep in any way and often gave me night terrors and mood swings. I mistakenly decided to take things into my own hands and illegally obtain zolpidem so that I could fall asleep. After moving to Carson City, Nevada in 2012, I continued to use zolpidem in the same manor because it had been working for me. I should have seen a doctor for my condition after relocating, instead of making the foolish decision that I did. After my arrest, I was ordered to complete a substance abuse program with random drug testing, which I completed on March 2nd, 2017. After completion, I immediately went to Carson Medical Group and became a patient of Dr. Bryan Ricks for my chronic insomnia. I was first prescribed Amitriptyline, which gave me heart palpitations. Second, I was prescribed Trazadone, which worked for a while, but its effectiveness over time was lost. Dr. Ricks then decided to put me on zolpidem, which I have now been using effectively for over the past year. I no longer have trouble getting to sleep and getting a good night's rest before going to work and school.

On December 15th, 2018, I graduated with honors from Western Nevada College with an Associates of Arts degree, while also becoming a member of the Phi Theta Kappa Honor Society. It was the single greatest accomplishment of my life. Following my graduation ceremony on May 24th, 2019, three days after my achievement was recognized, I decided to celebrate at a get together with several of my fellow graduates where drinking was involved. Regrettably, I decided to drink a little too much and then chose to drive home shortly after, as I was less than a mile away from my house. I

received my first DUI that night. As my attached records show, I blew .009 over the legal limit on the first BAC test at the station, while on the second test I blew below the legal limit by .03. During my court proceedings, the Honorable Judge John Tatro of Carson City Municipal Court advised me to fight my case because the two test results were not anywhere conclusive in proving what my actual BAC was and that it would not be a good idea to accept that charge of driving under the influence. I respectfully declined, accepting the fact that I should not have been driving and that I had made an extremely poor decision that could have resulted in hurting myself or others on the road. Following my conviction, I completed the required DUI program three months sooner than the allotted time and completed the court mandated period of an interlock device installed on my vehicle. At present, I am still completing school and am currently enrolled in the Certified Nursing Assistant program offered at WNC, as it is one small step toward my future goals. During this time, I have been working at Costco where my employee evaluations have all been rated outstanding. I have been steadily promoted and have received salary increases.

Nothing is more important to me than continuing my schooling and working in the medical field as a career. I have made some poor decisions in my life, decisions that I have learned from and have no intention of repeating. Becoming a part of Costco's pharmacy staff would be an honor for me and the position would help me further my career in the medical field and be another successful step on an upward path. I appreciate you reading my letter and thank you for your time,

Sincerely,

My name is Aaron Borecki. I previously sent in paperwork regarding my application for the position of Pharmacy Technician at Costco (#127). In this file is the continuation of the required paperwork that is necessary for the Review Committee to make a final decision. Enclosed are my court documents involving my arrest and conviction in the year 2015, new recommendation letters, including letters previously sent, my school transcript, CPR/AED license, nursing assistance course certificate, Associates of Art diploma, proof of membership in the Honor Society of Phi-Theta Kappa and proof of completion of a specialty court given to me by the Honorable Judge Thomas R. Armstrong. There is also a card with contact information for Jim McCrossin, General Manager at Costco, who has requested that if there are any inquiries about my performance, to not hesitate in reaching out to him for further information.

Within one of my court documents pages there is a line that is whited out. This was the court's action and record formatting when documents are released upon request. Another point that I would like to elaborate on is my original letter. Upon recently receiving my court documents, I realized that I had made an error in my recollection due to the elapsed time since my charge. The crime that I was charged with was possession of a drug not to be introduced to interstate commerce, I had mistakenly thought it was possession of a dangerous drug without a legal prescription. I apologize for this inconvenience and assure the board that I am submitting all the information I can supply, to present a complete picture of who I am.

I would like to mention that I have put consistent effort into the betterment of myself for many years now, graduating with honors from Western Nevada College and continuing my schooling further. I have worked to be the best employee that I can be and my work has been recognized by my superiors. I continue to try to improve upon my goals, ambitions and dreams to the fullest extent. I hope this is taken into consideration when making a final decision in the admittance of myself to the position of Pharmacy Technician.

Sincerely,

Aaron R. Borecki

To the Nevada State Board of Pharmacy,

Over the last few years, I have had the opportunity to get to know Aaron Borecki both as a student and as an individual.

As a student, he is hard working, involved, responsible, focused, and engaged. He comes to class prepared, participates in discussions, asks insightful questions, and demonstrates his knowledge and understanding of the material. He is not afraid to ask for clarification of the material and often presents additional perspectives that add insight to the material being discussed. He is also not afraid to come to my office with questions, a demonstration of his desire to not only learn but to understand the material.

As an individual he is kind, cooperative, responsible, detail oriented, considerate of others, driven to succeed, and has a mature, take charge attitude. His care for others is why he is pursuing a career in a field that will allow him to do just that. I think working in the pharmacy industry would be a good fit for his career goals as well as play to his strengths and abilities.

I believe that Aaron has the ability to be successful throughout his educational path. He is focused and responsible. He knows what career he wants and has the maturity and confidence to attain it. If his success in my courses is any indication of his abilities, then he will be a success in his future career as well. Thank you for considering Aaron for a position in the pharmacy industry.

Sincerely,

To Whom It May Concern:

It is my pleasure to strongly recommend Aaron Borecki for the position of pharmacy technician with your company.

I am Sonia Zacharias, joint owner and operator of The Wildcat Den Café at Western Nevada College as well as joint owner of Simple Fare Catering in Carson City. I was also an educator in the Carson City School District. I have over 10 years of experience working in the food service/catering business and over 20 years as an educator and have seen many young students/professionals come and go. Aaron is one individual I have worked with who uniquely stands out.

Aaron worked at the WNC Café for a period of 2 years and during that time he displayed a great work ethic, both as a student and as an employee. I was impressed with how he put equal importance on his job and his studies, achieving good grades as well as supervising and training café workers as needed. His attendance was exemplary and he was a good role model for the other students and employees.

It's not just Aaron's work ethic that impressed me, however. His dedication and loyalty, as well as his honesty to us and our business was refreshing. He took a personal interest "looking out" for our best interest when we, the owners, were not there and he was supervising the shift.

I am confident that Aaron would be a great fit for your company. Not only will he bring the kind of skills and experiences you're looking for in an applicant, he will quickly become an asset and help your company thrive in any way he can.

If you need more information or specific examples, please do not hesitate to contact me at . As this recommendation letter likely only provides a snapshot of his skills and achievements, I would be happy to further elaborate on my time working with him.

Sincerely,

Sonia Zacharias

To whom it may concern:

I am writing in regard to my patient Aaron Borecki. Mr. Borecki has been my patient since 2017. He has chronic insomnia which impact his daytime activities of daily living. He has previously been on non-controlled substance medications which are no longer effective. He has been on Zolpidem 10mg at bedtime with good control. It would be medically necessary for him to remain on Zolpidem as non-controlled substance trials have failed. Zolpidem is not a narcotic medication.

Respectfully,

Bryan L. Ricks, M.D.

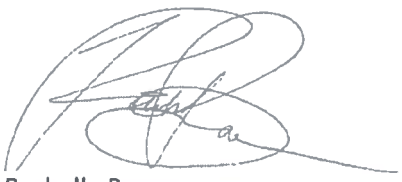
To Whom It May Concern:



This letter is to recommend Mr. Aaron Borecki for the Pharmacy Technician position. I am qualified to recommend him based on my credentials of teaching as a full-time biology instructor at Western Nevada College. Mr. Borecki successfully completed my Biology 190: Introduction to Cellular and Molecular Biology, BIOL 223: Anatomy & Physiology I, and BIOL 224: Anatomy & Physiology II courses (all lecture and lab-based). He first took BIOL 190 in Fall 2017 and earned a strong grade with a B, then proceeded to A&P I and II in Fall 2019 and Spring 2020, respectively, and ended up earning high A's in those courses. Finding inspiration in his work and narrowing his career interests to pharmacy, he signed up for BIOL 190 in Fall 2020 and earned a high A in that course too.

Mr. Borecki was one of the top students in all my courses and often impressed me with his detailed homework and lab work submissions that demonstrated complex critical thinking skills. It was evident that attention to detail was not just for a grade, but he exceeded expectations to understand the information holistically. Due to his comprehensive effort, he consistently scored some of the top grades on exams. Beyond the rigor that these courses usually consist of, he also successfully navigated two semesters highly disrupted by the COVID-19 pandemic which resulted in having to complete an assortment of at-home and in-person lab experiments (for BIOL 224 and 190). He was highly responsive to the required changes and maintained frequent communication with me.

Regarding his time spent in the in-person labs, he consistently demonstrated his willingness to work with others, asked questions whenever he needed clarification, and aimed for strong work ethic by utilizing his time effectively. He was one of the few people that would also show up for open lab hours to study the anatomy models which helped him to excel on a rather difficult lab exam over the muscles. During our optional cadaver observation/dissection sessions in Fall 2019, Aaron was one of the few students who stepped up to dissect the cadaver.

In summary, I recommend Mr. Aaron Borecki for the pharmacy technician position because of his diligence to complete work with extraordinary quality and ability to communicate effectively with his peers and supervisors to solve problems. His sincere, polite, and respectful attitude towards others means that he will work well with colleagues, supervisors, and customers.

Sincerely,

Rachelle Bassen

December 29, 2020

Aaron Borecki was a Certified Nursing Assistant student of mine during the Fall semester of 2020. Aaron was a wonderful student! He was very punctual in arriving to class which started at 0800 every Monday and Tuesday morning. Aaron was always very polite and respectful to myself and to his fellow students.

Our class was divided into didactic and lab time. He worked in a group of two other students, therefore helping others to achieve their goals in healthcare. He was also willing to go to other students to provide help.

Aaron's grades in the class were excellent, getting A's in all the lecture tests and his final lecture and lab grade. He paid attention when I taught the class by taking notes and concentrating on the Power Points I teach by.

At the end of the semester, we attend what are called Clinical Rotations, in which we go to a local hospital and spend four days learning how to care for patients in an acute hospital setting. It was a little more difficult than usual due to Covid patients that we were not allowed to care for. Aaron stayed busy every day caring for patients and seeing to their needs.

I would recommend Aaron to be able to continue his education in something he enjoys, caring for others.

Yours Truly,

To Whom It May Concern:

Per the Board's request, I am enclosing further documentation regarding my criminal history. Due to the advanced age of my two prior cases – one occurred in 1997 (which was later dismissed) and the other in 1998 (which is in the process of dismissal) – the San Bernardino Superior Court does not have the original court files. Instead, the details of my cases can only be obtained through the court's website.[1] (See CA Gov. Code, § 68152 (c)(3)-(5) [providing that trial court clerk may destroy court records depending on type of conviction at issue].) Accordingly, I am enclosing screenshots of the relevant information available on the court's website as to my two prior cases.

I appreciate the Board's time and consideration.

Sincerely,

Lisa Fuentes

Nevada State Board of Pharmacy
985 Damonte Ranch Pkwy, Ste 206
Reno, NV 89521

To Whom It May Concern:

The following is an account of the events leading up to my arrests in 1997 and 1998, as well as my successful efforts to reform my life. When I was 24 years old, I began associating with people who regularly used methamphetamine, and I began to experiment with the illicit substance as well. These actions led to my arrest in Case Number FVI07165. I pleaded guilty to a misdemeanor offense (CA Health & Saf. Code, § 11378 [possession of a controlled substance for sale]) and I was sentenced to probation and an out-patient drug program. During my probation period, in 1998, I was arrested for possessing a counterfeit $20 bill resulting in the charges in Case Number FVI09209. I pleaded guilty to an additional misdemeanor offense (CA Pen. Code, § 648 [making unauthorized paper money]) and my probation term was extended. Upon my successful completion of probation - including the out-patient drug program - my conviction in Case Number FVI07165 was dismissed. I have also recently filed a petition to dismiss my conviction in Case Number Case Number FVI09209 pursuant to California Penal Code section 1203.4.

I moved to Las Vegas around 2003 and was hired by Walgreens as a service clerk. After about three years, I was promoted to Assistant Manager and currently still hold that position. I have been with the company for about 17 years. During that time, I achieved financial and personal stability, allowing me to better care for my two children. I recognized soon after my offenses that my poor conduct and choices impacted them the most. Disappointing my children was likely the most humiliating experience of my life. Providing stability for them and being a positive role model in their lives is still my biggest motivation in life.

Since my recovery, I have remained in good standing with law and have not relapsed. I was able to put my daughter through college and am very proud of my children's accomplishments. In addition to working full time, I currently care for my elderly mother who has various disabilities, including severe scoliosis. I take responsibility for my past actions but I am also determined to not let them define me. During this horrific pandemic, I reflected on what I could do to help people through my work and how to continue my professional development in order to better support my family. I decided to obtain a tech and training license to accomplish these goals.

I thank the board for its consideration of my application.

Sincerely,

/s/ Lisa Fuentes

To the State Board of Pharmacy:

I have been considering going back to school for several years now and I am exited to say that I have joined the Pharmacy Tech program at Pima Medical Institute. I have given it a lot of thought and I'm positive that this is the best move I can make towards improving my future. Going to school means so much to me because I want to change my life, I am driven to succeed and make my dreams a reality. My goal is to have a long lasting career, I am the sole provider for my family and need a stable, reliable income during these trying times. I'm looking to improve myself and be a positive role model for my daughter, showing her that anything is possible when you work hard and believe in yourself!

I must admit that I do have an open court case I'm dealing with at the moment. I was arrested for a misdemeanor domestic violence in May 2020. I am currently in the process of taking it to trial, I have not been convicted of anything. I am hoping that the jury will find me not guilty and my case will be closed soon enough.

I recently reviewed the police statements and would like to make it very clear that there are a lot of false allegations made against me. I did not do any of the things I'm being accused of and therefore there is no evidence. As I stated before, I am taking this case to a jury trial where my fate will be decided.

I am more than ready to move past this regretful part of my life. Unfortunately it is a long process and I still have to deal with the possible repercussions until it is completely behind me. All I ask is that you please look past this minor hiccup and open the door to opportunity.

Best Regards,

Barbara Piedra

a) Self-representation is often unwise, and a defendant may conduct a defense to his or her own detriment;
b) A defendant who represents him/herself is responsible for knowing and complying with the same procedural rules as lawyers, and cannot expect help from the judge in complying with those procedural rules;
c) A defendant representing him/herself will not be allowed to complain on appeal about the competency or effectiveness of his or her representation;
d) The City is represented by experienced, professional attorneys who have the advantage of skill, training and ability;
e) A defendant unfamiliar with legal procedures may allow the prosecutor an advantage, may not make effective use of legal rights, and may make tactical decisions that produce unintended consequences;

DISTRICT JUDGE

To whom it may concern,
My name is Clinton Rickman, and in November of 2016 I was arrested for trafficking a controlled substance. My former girlfriend had asked me to help her deliver narcotics from California to Nevada, and I made the mistake of saying yes. This is the first and only time I've ever gotten in trouble with the law. Since my arrest I have been clean, completed drug and alcohol counseling, and have complied with my probationary terms. I am also an active member of Narcotics Anonymous. My restitution and Court fees are paid in full and I'm due to expire from probation in September. Thank you for taking the time to read this and consider my application.

Sincerely,
Clinton Rickman

Its actually quite simple, I was stopped by UofM Campus police, after leaving an event at the school. And was charged with disorderly conduct after verbally refusing to be arrested. This was nine years ago, When I was much younger. Since then I have worked on Military bases and have been told by military recruiters I am morally able to join the service.

Thank you.

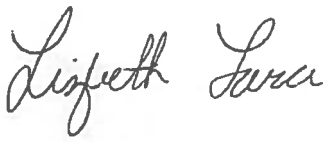
Board Use Only: Date Processed: _____ **Amount:** $50 (CC)

The following is disclosure of my previous criminal charges.

In 2009, I was charged and convicted of misdemeanor battery in violation of PC242. Conviction date 1/29/2009, case # 9CP00752 by the Superior Court of California/Compton Courthouse their address is 200 W. Compton Blvd, Compton, CA, 90220. This conviction arose out of an incident with my mother and I. I was 18 at the time of the incident, living at home with her and her new boyfriend. Her boyfriend and I didn't get along and it often caused a strife between her and myself. At the time of the incident she and I got into an argument and I left the house after her boyfriend called the police.

On 1/29/2009, my mother and I did not go to court as we were supposed to since it was a simply argument between mother and daughter, it has never turned physical. Due to me not appearing to court, the state picked up the case and since it was a family argument it was considered a battery case. I was sentenced to 24 months of probation, 52 weeks of a domestic violence program, restitution and court fees. I completed the program and paid all of my restitution and court fees and the case was dismissed pursuant to 1203.4 in July of 2013.



In 2012 I moved to Iowa and was offered the opportunity to go back to school where I got my high school diploma at Denison Job Corps and also completed the Pharmacy Technician program. I became certified in 2013. I began working as a Pharmacy Technician from 2013 to 2019. Unfortunately, in 2019 while in Iowa, I picked up a case for possession of a controlled substance 1st offense of methamphetamine in violation of code 124.401(5). Case # SRCR327439 by the Iowa District Court for Polk County District Court which is located on 500 Mulberry St #400, Des Moines, Iowa, 50309.

On 5/8/2019, I was arrested for having a small baggie of white crystal substance. The incident occurred after I went to my mother in laws house to try to convince my wife to come back home, my wife and I were at that time were not seeing eye to eye in our relationship. I should have just gone home instead of trying to fix my relationship that night. My mother in law called the police and I was placed under arrest after being searched. I served two weeks in Polk County Jail, I chose not to get bailed out due to remorse. I was granted a deferred judgement after pleading guilty and was given 1 year low risk probation. I also had to do a substance abuse evaluation as well as being placed on a color code, along with 50 hours of community service.

I completed all my probation requirements and paid restitution and my probationary term was successfully completed in 6 months. My case #SRCR327439 was expunged on 5/5/2020.

While completing my probation, my wife and I moved back to California. I went back to school to obtain my Medical Assistant diploma, which I completed in February of 2020. I professionally obtained three great Medical Assistant jobs while living in California. In February 2021, my wife and I settled in Las Vegas, Nevada. I will start work in May 2021 at CareNow Urgent Care where I plan on working 3 day 13 hour shifts and go to college to become a registered nurse.

I recognize that I have stumbled in my life and made irreversible choices that have led to these convictions but fortunately my life changed forever. I have been working hard to continue to stay on the path, I intend to stay on for the rest of my life. I have learned from my terrible mistakes and have built a strong support system of family and friends and continue to stay focused on my goals in life. I take full accountability of my actions. It is my goal to stay certify as a Pharmacy Technician because I have devoted so many wonderful years and it is my first great accomplishment in my life. I want to make a career of being of service to others, specifically those who are in need of any medical care. I want to keep my credentials to continue to provide everyone with the care they deserve. It is my hope that I get allowed to recertify as a Pharmacy Technician to put me on a trajectory to continue that work.

ORDER FOR DISMISSAL (Pen. Code, §§ 17, 1203.4, 1203.4a)	
DEFENDANT'S INFORMATION CII: DRIVER'S LIC #: [redacted] SSN # (LAST FOUR DIGITS ONLY): [redacted] DATE OF BIRTH: [redacted]	

☐ The court denies the petition.

☑ The court grants the petition. The court finds from the records on file in this case, and from the foregoing petition, that the defendant is eligible for the relief requested.

☐ The court reduces the felony offense to a misdemeanor.

☐ It is ordered that the plea, verdict, or finding of guilt in the above-entitled action be set aside and vacated and a plea of not guilty be entered and that the complaint be, and is hereby, dismissed. If this order is granted under the provisions of Penal Code section 1203.4, the defendant is required to disclose the above conviction in response to any direct question contained in any questionnaire or application for public office or for licensure by any state or local agency, or for contracting with the California State Lottery. Further, if this order is granted under the provisions of Penal Code section 1203.4, the defendant may also be eligible to obtain a certificate of rehabilitation and pardon under the procedure set forth in Penal Code section 4852.01 et seq.

☐ If the order is granted under the provisions of either Penal Code section 1203.4 or 1203.4a, the defendant is released from all penalties and disabilities resulting from the offense except as provided in Penal Code sections 12021 and 12021.1 and Vehicle Code section 13555. The dismissal does not permit a person to own, possess, or have in his or her control a firearm if prevented by Penal Code sections 12021 or 12021.1. In addition, as required by Penal Code section 299(f), relief under Penal Code sections 17, 1203.4, or 1203.4a does *not* release defendant from the separate administrative duty to provide specimens, samples, or print impressions under the DNA and Forensic Identification Database and Data Bank Act (Pen. Code, § 295 et seq.) if defendant was found guilty by a trier of fact, not guilty by reason of insanity, or pled no contest to a qualifying offense as defined in Penal Code section 296(a).

E-FILED 2019 MAY 17 10:36 AM POLK - CLERK OF DISTRICT COURT

IN THE IOWA DISTRICT COURT FOR POLK COUNTY

STATE OF IOWA, *Plaintiff,* v. LIZABETH LARA, *Defendant.*	CRIMINAL NO:SRCR327439 SENTENCING ORDER (SERIOUS MISDEMEANOR) ☑ Defendant in custody.

Defendant appears in person and with counsel, ***D. Page***, on charge of ***POSSESSION OF CONTROLLED SUBSTANCE 1ST OFFENSE*** in violation of Iowa Code Section(s) ***124.401(5)***. The State was represented by ***James Hathaway for Leslie Nesbit***.

☐ Defendant also appears with interpreter: _____.

☐ Defendant previously waived his/her right to an attorney.

☑ Defendant waived reporting and record of the Sentencing Hearing.

☑ Defendant **PLEADS GUILTY** to the offense set out above. The Court has reviewed the signed petition to plead guilty and considered the statements of the Defendant. The Court finds the Defendant understands the charge, the penal consequences and the constitutional rights being waived. Based on the statements of the Defendant, statements of the prosecutor, and the minutes of testimony accepted as true by the Defendant and considered by the Court, the plea has a factual basis and is knowingly, voluntarily and intelligently made. **DEFENDANTS PLEA IS ACCEPTED.**

☐ Defendant **PLEADS GUILTY** to the offense set out above pursuant to North Carolina v. Alford, 400 U.S. 25 (1970). The Court has reviewed the signed petition to plead guilty and considered the statements of the Defendant. The Court finds the Defendant understands the charge, the penal consequences and the constitutional rights being waived. The Court further **FINDS** that the Defendant has concluded that his/her interests require entry of a guilty plea and Defendant received a substantial benefit in return for the entry of the guilty plea. The Defendant has nothing to gain by a trial and much to gain by entry of the plea. By reviewing the Trial Information, Minutes of testimony, police reports and considering statements of Counsel, the Court **FINDS** that there is strong evidence of Defendant's guilt which substantially negates Defendant's claim of innocence. **DEFENDANT'S PLEA IS ACCEPTED.**

☑ Defendant **SEEKS IMMEDIATE SENTENCING** and waives time before sentencing and a presentence investigation report.

☐ Defendant **APPEARS FOR SENTENCING** having previously pled guilty to the offense set out above.

Board President

and was for a crime that is substantially related to the qualifications, functions and duties of a pharmacy technician.

4. The facts underlying respondent's conviction are as follows: on April 15, 1996, respondent, who was 19 years old, entered a Thrifty's Store in Los Angeles, California; respondent was seen concealing an item of merchandise under his shirt; respondent attempted to leave the store without paying for the merchandise and was detained by store security; a bottled of whiskey was found concealed in respondent's waistband; and respondent was arrested for shoplifting.

5. As a result of his conviction, respondent was placed on one year of summary probation on certain terms and conditions.

6. Respondent successfully completed his criminal probation.

Respondent's Failure to Disclose His 1996 Petty Theft Conviction

7. On October 23, 2007, respondent signed, and thereafter submitted to the board, his application for licensure/registration. Question number 6 of the application asked: "Have you ever been convicted of or pled no contest to a violation of any law of a foreign country, the United States or any state laws or local ordinances?" Respondent falsely answered the question by checking the "No" box.

Respondent's February 8, 2011, DUI conviction

8. On February 8, 2011, in San Bernardino County Superior Court, case number TWV1002562, respondent was convicted of violating California Vehicle Code section 23152, subdivision (a) (driving under the influence of alcohol (DUI)), a misdemeanor that is substantially related to the qualifications, functions and duties of a licentiate.

9. As a result of the DUI conviction, respondent was placed on three years of summary probation under certain terms and conditions.

10. The board was advised of respondent's DUI conviction and elected to issue respondent a warning letter as the appropriate level of discipline.

Respondent's June 11, 2011, Alcohol-Related Arrest

11. On June 11, 2011, a California Highway Patrol officer detained respondent for suspicion of DUI. The officer detected the strong odor of alcohol on respondent's breath. Additionally, respondent had red, blood-shot, watery eyes. Accordingly, the officer used a Preliminary Alcohol Screening (PAS) device to test respondent's blood alcohol level. The PAS tests indicated that respondent's blood alcohol content was 0.17%. Consequently, respondent was arrested for DUI.

12. On October 12, 2011, a criminal complaint was filed against respondent. The complaint charged respondent with violating California Vehicle Code sections 23152, subdivision (a) (DUI), and 23152, subdivision (b) (driving while having 0.08% or more, by weight, of alcohol in the blood), misdemeanors.

13. Respondent's "speedy trial rights" were violated when the complaint against him was not timely prosecuted; therefore, on December 11, 2013, all counts contained in the criminal complaint against respondent were dismissed, in furtherance of justice, pursuant to California Penal Code section 1385.

Respondent's Evidence

14. Respondent admitted that he falsely answered the prior conviction question in his 2007 application for licensure because he was afraid his application would be denied. When respondent saw the prior conviction question on the application, he "panicked" and checked the "No" box instead of disclosing his 1996 petty theft conviction.

15. Respondent's alcohol related arrests occurred in 2011, within five months of each other. At the time, respondent and his wife were experiencing marital difficulties and were considering separating. Respondent turned to alcohol "as an answer." Respondent stopped drinking alcoholic beverages after his June 11, 2011 arrest.

16. Respondent and his wife have resolved their marital issues and respondent is now in a stable home environment. Respondent's wife does not drink alcohol and she supports respondent's sobriety.

17. Respondent has been working as a pharmacy technician at the AIDS Healthcare Foundation located in downtown Los Angeles, California. Respondent has been working at the AIDS Healthcare Foundation for the past 10 years. Respondent presented two character reference letters from pharmacists who work with him at the AIDS Healthcare Foundation. Both of the pharmacists attested to the fact that respondent is a trusted and valued pharmacy technician and that he has had no patient complaints. Mahshid Aalam wrote:

> This letter is a personal recommendation for Mr. Antonio Madrid. I have worked with Antonio for more than 10 years, and have always enjoyed his quality of work, his honesty, ethics, and humor. Antonio is one of the pharmacy technician's [sic] I know I can rely on to get the job completed. Antonio is always on time, and takes his work serious[ly]. Antonio also has an excellent attitude and our patients love him. He is a team player and a leader. Antonio represents AHF like we want our patients to experience health care. (Exh. E)

18. Respondent's wife testified as follows: she has known respondent since she was 17 years old; she and respondent were high school sweethearts; she "despises" alcohol and, since respondent's 2011 arrest, he has become a "changed man;" she and respondent "stay away from activities that involve alcohol;" respondent has a "great record" as a pharmacy technician; her grandmother is very ill and is now living with respondent and her; she is a graphic design artist but finds it difficult to devote enough time to work to make enough money to make ends meet; due to financial difficulties, her student loans are on hold, as are the couple's utility bills; respondent is dedicated to his job and the patients at the Aids center; and, respondent has aspirations of eventually becoming a pharmacist.

Evaluation of the Evidence

19. Respondent was truthful and brutally honest during his testimony. He did not make any excuses for failing to disclose his 1996 conviction in his 2007 application for licensure; rather, he admitted he intentionally failed to disclose his 1996 conviction due to his fear of having his application denied. Respondent expressed true remorse for having given in to temptation by attempting to conceal his conviction. Respondent readily acknowledged that truthfulness and honesty are attributes that must be possessed by licentiates, and he convincingly established that his single act of dishonesty represented an isolated incident without likelihood of recurrence.

20. Respondent had two arrests that involved incidents reflecting alcohol abuse; however, it does not seem that respondent is an alcoholic. Respondent is willing to refrain from drinking alcohol as a condition of probation if he is granted probation.

21. There was no evidence that respondent posed a danger to the AIDS center patients. In fact, the evidence revealed that respondent is well respected by patients, supervisors, and fellow employees.

Costs

22. The actual and reasonable costs of the investigation and enforcement of this case total $3,405.

LEGAL CONCLUSIONS

1. Cause exists for discipline of respondent's Pharmacy Technician Registration pursuant to Business and Professions Code sections 490 and 4301, subdivision (l), in conjunction with California Code of Regulations, title 16, section 1770, because, as set forth in the findings, respondent was convicted of crimes that are substantially related to the qualifications, functions and duties of a licentiate/registrant.

2. Cause exists for discipline of respondent's Pharmacy Technician Registration pursuant to Business and Professions Code section 4301, subdivision (f), because, as set forth

in the findings, respondent committed acts involving dishonesty and deceit with the intent to substantially benefit himself.

3. Cause exists for discipline of respondent's Pharmacy Technician Registration pursuant to Business and Professions Code section 4301, subdivision (h), because, as set forth in the findings, respondent used alcoholic beverages in an extent or manner dangerous to himself and the public.

4. Cause exists for discipline of respondent's Pharmacy Technician Registration pursuant to Business and Professions Code section 4301, subdivision (g), because, as set forth in the findings, respondent knowingly made a false statement of fact to the board by failing to disclose his 1996 petty theft conviction in his 2007 application for licensure.

Costs

5. The reasonable costs of the investigation and enforcement of this case against respondent, recoverable pursuant to Business and Professions Code section 125.3, total $3,405. However, the findings established that respondent and his wife lack the ability to pay any cost recovery whatsoever. This factor is relevant under *Zuckerman v. State Board of Chiropractic Examiners* (2002) 29 Cal.4th 32, 45.

Evaluation of the Appropriate Level of Discipline

6. The purpose of an administrative proceeding seeking the revocation or suspension of a professional license is not to punish the individual; the purpose is to protect the public from dishonest, immoral, disreputable or incompetent practitioners. (*Fahmy* v. *Medical Board of California* (1995) 38 Cal.App.4th 810, 817; *Ettinger* v. *Board of Medical Quality Assurance* (1982) 135 Cal.App.3d 853, 856.)

7. The acts that led to respondent's DUI incidents were situational. Respondent and his wife have resolved the situations that led to respondent's alcohol abuse, and respondent fully appreciates that fact that alcohol is not an answer to difficulties; rather, it just leads to further dangers and problems. Respondent no longer consumes alcohol and an order requiring abstention, as a condition of probation, will adequately protect the public. Respondent's single, immature act of dishonesty by failing to reveal his1996 petty theft conviction on his 2007 application represented an isolated act without likelihood of recurrence. Respondent was visibly embarrassed and humiliated by this omission and he expressed true remorse during his testimony. Finally, respondent is an excellent worker and is well respected by his current employer. Consequently, it would not be adverse to the public health, safety or welfare to place respondent's license/registration on probation for three years under terms and conditions designed to ensure public protection.

ORDER

Pharmacy Technician License/Registration number TCH 79877 is revoked; however, the revocation is stayed and respondent is placed on probation for three years upon the following terms and conditions:

1. Certification Prior to Resuming Work

Respondent shall be automatically suspended from working as a pharmacy technician until he is certified, as defined by Business and Professions Code section 4202(a)(4), and provides satisfactory proof of certification to the board. Respondent shall not resume working as a pharmacy technician until notified by the board. Failure to achieve certification within one (1) year shall be considered a violation of probation. Respondent shall not resume working as a pharmacy technician until notified by the board.

During suspension, respondent shall not enter any pharmacy area or any portion of any other board licensed premises (wholesaler, veterinary food-animal drug retailer or any other distributor of drugs) any drug manufacturer, or any other location where dangerous drugs and devices or controlled substances are maintained. Respondent shall not do any act involving drug selection, selection of stock, manufacturing, compounding or dispensing; nor shall respondent manage, administer, or assist any licensee of the board. Respondent shall not have access to or control the ordering, manufacturing or dispensing of dangerous drugs and devices or controlled substances. Respondent shall not resume work until notified by the board.

Subject to the above restrictions, respondent may continue to own or hold an interest in any licensed premises by the board in which he holds an interest at the time this decision becomes effective unless otherwise specified in this order.

Failure to comply with this suspension shall be considered a violation of probation.

2. Obey All Laws

Respondent shall obey all state and federal laws and regulations.

Respondent shall report any of the following occurrences to the board, in writing, within seventy-two (72) hours of such occurrence:

- an arrest or issuance of a criminal complaint for violation of any provision of the Pharmacy Law, state and federal food and drug laws, or state and federal controlled substances laws
- a plea of guilty or nolo contendre in any state or federal criminal proceeding to any criminal complaint, information or indictment
- a conviction of any crime
- discipline, citation, or other administrative action filed by any state or federal agency

which involves respondent's license/registration or which is related to the practice of pharmacy or the manufacturing, obtaining, handling, distributing, billing, or charging for any drug, device or controlled substance.

Failure to timely report any such occurrence shall be considered a violation of probation.

3. Report to the Board

Respondent shall report to the board quarterly, on a schedule as directed by the board or its designee. The report shall be made either in person or in writing, as directed. Among other requirements, respondent shall state in each report under penalty of perjury whether there has been compliance with all the terms and conditions of probation. Failure to submit timely reports in a form as directed shall be considered a violation of probation. Any period(s) of delinquency in submission of reports as directed may be added to the total period of probation. Moreover, if the final probation report is not made as directed, probation shall be automatically extended until such time as the final report is made and accepted by the board.

4. Interview with the Board

Upon receipt of reasonable prior notice, respondent shall appear in person for interviews with the board or its designee, at such intervals and locations as are determined by the board or its designee. Failure to appear for any scheduled interview without prior notification to board staff, or failure to appear at two (2) or more scheduled interviews with the board or its designee during the period of probation, shall be considered a violation of probation.

5. Cooperate with Board Staff

Respondent shall cooperate with the board's inspection program and with the board's monitoring and investigation of respondent's compliance with the terms and conditions of his probation. Failure to cooperate shall be considered a violation of probation.

6. Notice to Employers

During the period of probation, respondent shall notify all present and prospective employers of this decision and the terms, conditions and restrictions imposed on respondent by this decision, as follows:

Within thirty (30) days of the effective date of this decision, and within fifteen (15) days of respondent undertaking any new employment, respondent shall cause his direct supervisor, pharmacist-in-charge (including each new pharmacist-in-charge employed during respondent's tenure of employment) and owner to report to the board in writing acknowledging that the listed individual(s) has/have read this decision and the terms and

conditions imposed thereby. It shall be respondent's responsibility to ensure that his employer(s) and/or supervisor(s) submit timely acknowledgement(s) to the board.

If respondent works for or is employed by or through a pharmacy employment service, respondent must notify his direct supervisor, pharmacist-in-charge and owner at every pharmacy of the terms and conditions of this in advance of respondent commencing work at each pharmacy. A record of this notification must be provided to the board upon request.

Furthermore, within thirty (30) days of the effective date of this decision, and within fifteen (15) days of respondent undertaking any new employment by or through a pharmacy employment service, respondent shall cause his direct supervisor with the pharmacy employment service to report to the board in writing acknowledging that he or she has read this decision and the terms and conditions imposed thereby. It shall be respondent's responsibility to ensure that his employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the board.

Failure to timely notify present or prospective employer(s) or to cause that/those employer(s) to submit timely acknowledgements to the board shall be considered a violation of probation.

"Employment" within the meaning of this provision shall include any full-time, part-time, temporary or relief service or pharmacy management service as a pharmacy technician or in any position for which a pharmacy technician license is a requirement or criterion for employment, whether respondent is considered an employee, independent contractor or volunteer.

7. Reimbursement of Board Costs

Respondent is not required to reimburse the board for the costs of the investigation and enforcement of this case due to his inability to pay any awarded costs

8. Probation Monitoring Costs

Respondent shall pay any costs associated with probation monitoring as determined by the board each and every year of probation. Such costs shall be payable to the board on a schedule as directed by the board or its designee. Failure to pay such costs by the deadline(s) as directed shall be considered a violation of probation.

9. Status of License

Respondent shall, at all times while on probation, maintain an active, current pharmacy technician license with the board, including any period during which suspension or probation is tolled. Failure to maintain an active, current license shall be considered a violation of probation.

If respondent's pharmacy technician license expires or is cancelled by operation of law or otherwise at any time during the period of probation, including any extensions thereof due to tolling or otherwise, upon renewal or reapplication respondent's license shall be subject to all terms and conditions of this probation not previously satisfied.

10. License Surrender While on Probation/Suspension

Following the effective date of this decision, should respondent cease work due to retirement or health, or be otherwise unable to satisfy the terms and conditions of probation, respondent may tender his pharmacy technician license to the board for surrender. The board or its designee shall have the discretion whether to grant the request for surrender or take any other action it deems appropriate and reasonable. Upon formal acceptance of the surrender of the license, respondent will no longer be subject to the terms and conditions of probation. This surrender constitutes a record of discipline and shall become a part of respondent's license history with the board.

Upon acceptance of the surrender, respondent shall relinquish his or her pharmacy technician license to the board within ten (10) days of notification by the board that the surrender is accepted. Respondent may not reapply for any license, permit, or registration from the board for three (3) years from the effective date of the surrender. Respondent shall meet all requirements applicable to the license sought as of the date the application for that license is submitted to the board.

11. Notification of a Change in Name, Residence Address, Mailing Address or Employment

Respondent shall notify the board in writing within ten (10) days of any change of employment. Said notification shall include the reasons for leaving, the address of the new employer, the name of the supervisor and owner, and the work schedule if known. Respondent shall further notify the board in writing within ten (10) days of a change in name, residence address and mailing address, or phone number.

Failure to timely notify the board of any change in employer(s), name(s), address(es), or phone number(s) shall be considered a violation of probation.

12. Tolling of Probation

Except during periods of suspension, respondent shall, at all times while on probation, be employed as a pharmacy technician in California for a minimum of 80 hours per calendar month. Any month during which this minimum is not met shall toll the period of probation, i.e., the period of probation shall be extended by one month for each month during which this minimum is not met. During any such period of tolling of probation, respondent must nonetheless comply with all terms and conditions of probation.

Should respondent, regardless of residency, for any reason (including vacation) cease working as a pharmacy technician for a minimum of 80 hours per calendar month in California, respondent must notify the board in writing within ten (10) days of cessation of work and must further notify the board in writing within ten (10) days of the resumption of the work. Any failure to provide such notification(s) shall be considered a violation of probation.

It is a violation of probation for respondent's probation to remain tolled pursuant to the provisions of this condition for a total period, counting consecutive and non-consecutive months, exceeding thirty-six (36) months.

"Cessation of work" means calendar month during which respondent is not working for at least 80 hours as a pharmacy technician, as defined in Business and Professions Code section 4115. "Resumption of work" means any calendar month during which respondent is working as a pharmacy technician for at least 80 hours as a pharmacy technician as defined by Business and Professions Code section 4115.

13. Violation of Probation

If respondent has not complied with any term or condition of probation, the board shall have continuing jurisdiction over respondent, and probation shall automatically be extended, until all terms and conditions have been satisfied or the board has taken other action as deemed appropriate to treat the failure to comply as a violation of probation, to terminate probation, and to impose the penalty that was stayed.

If respondent violates probation in any respect, the board, after giving respondent notice and an opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed. Notice and opportunity to be heard are not required for those provisions stating that a violation thereof may lead to automatic termination of the stay and/or revocation of the license. If a petition to revoke probation or an accusation is filed against respondent during probation, the board shall have continuing jurisdiction, and the period of probation shall be automatically extended until the petition to revoke probation or accusation is heard and decided.

14. Abstain from Drugs and Alcohol Use

Respondent shall completely abstain from the possession or use of alcohol, controlled substances, dangerous drugs and their associated paraphernalia except when the drugs are lawfully prescribed by a licensed practitioner as part of a documented medical treatment. Upon request of the board or its designee, respondent shall provide documentation from the licensed practitioner that the prescription for the drug was legitimately issued and is a necessary part of the treatment of respondent. Failure to timely provide such documentation shall be considered a violation of probation. Respondent shall ensure that he or she is not in the same physical location as individuals who are using illicit substances even if respondent is not personally ingesting the drugs. Any possession or use of alcohol, controlled

substances, or their associated paraphernalia not supported by the documentation timely provided, and/or any physical proximity to persons using illicit substances, shall be considered a violation of probation.

15. Completion of Probation

Upon written notice by the board indicating successful completion of probation, respondent's pharmacy technician license will be fully restored.

It is hereby stipulated and agreed, by and between the parties to the above-entitled matter, that the following statements are true:

1. Respondent is aware of, understands, and has been advised of the effect of this Agreement, which Respondent herein has carefully read and fully acknowledges. 3. Respondent is aware of the Respondent's rights, including the right to a hearing on any charges and allegations, the right to an attorney at her own expense, the right to examine witnesses who would testify against her, the right to present evidence in her favor and call witnesses on her behalf, or to testify herself, the right to contest the charges and allegations, the right to reconsideration, appeal or any other type of formal judicial

review of this matter, and any other rights which may be accorded to her pursuant to the Nevada Administrative Procedures Act and the provisions of Chapter 632 of the Nevada Revised Statutes and the Nevada Administrative Code. **Respondent agrees to waive the foregoing rights upon acceptance of this Agreement by the Board.**

4. Respondent understands that the Board is free to accept or reject this Agreement, and if rejected by the Board, a disciplinary proceeding may be commenced. It is agreed that presentation to and consideration by the Board of such proposed Agreement, shall not disqualify the Board, or any of its members, from further participation, consideration, adjudication or resolution of these proceedings, and that no Board member shall be disqualified or challenged for bias therefore. This Agreement shall only become effective when both parties have duly executed it and unless so executed, this Agreement will not be construed as an admission.
5. This Agreement shall not be construed as excluding or reducing any criminal or civil penalties or sanction or other remedies that may be applicable under federal, state or local laws.
6. This Agreement shall cover any nursing license or certificate issued by the State of Nevada.

Based upon the foregoing stipulations and recitals, it is hereby agreed that the Board may issue the following decision and order:

This treatment must be reported to the Board, in writing, within seven (7) days, accompanied by documentation from the practitioner regarding the medical treatment and all other methods of alternative treatment having been tried first. The Board may require additional testing and reporting until Respondent documents sobriety after periods of prescribed drug use..

Respondent shall register with the Board approved drug-screening program and submit to random urine, blood or other tests for drugs of abuse and/or alcohol on the day requested by the drug testing company, her counselor, or representative of the Board. These tests shall occur no less than twenty-four (24) times per year and shall be treated as forensic specimens by a Board-approved laboratory. Respondent shall cause test results to be provided to the requesting party and the Board. Any confirmed positive finding shall be reported immediately to the Board. Respondent shall be financially responsible for all requirements of this Agreement. Respondent has reviewed, and understands the potential costs associated with the stipulations

herein. Respondent understands these costs are subject to change and are her financial responsibility.

Respondent acknowledges that any violation of the Nevada Nurse Practice Act, any dilute urine or positive drug screen may be considered a violation of this Agreement and subject to further action by the Board. A positive drug screen will result in immediate suspension of license. Suspension of license is considered disciplinary action and will become part of the Respondent's permanent record, will become public information, will be published with the list of disciplinary actions taken against licensees or holders of certificates, or any agency or another state which regulates the practice of nursing.

6. AGREEMENT TO SURRENDER LICENSE

In the event that a violation of the terms and conditions of this Agreement is alleged, Respondent agrees to surrender her license to the Executive Director, or the Director of Nursing Practice, if they so request, and refrain from practicing nursing until requirements have been met, violations resolved, or entry of a final order of the Board or a court of competent jurisdiction, whichever last occurs, regarding a potential violation. Respondent acknowledges that pursuant to NRS 632.405, this Agreement shall become a public record if an entry of a final order of the Board results in disciplinary action against her license for violation of this agreement.

7. COMPLETION AND TERMINATION OF MONITORING

Respondent acknowledges she is not eligible for early termination of this Agreement. The Agreement shall be terminated at the time the Board receives documentation verifying the Respondent's completion of all terms and conditions of the Agreement and when respondent receives notice of termination from the Board.

To Whom it May Concern,

I have attached an updated addendum for my Pharmacy Board application. Due to confusion regarding my area of practice within The Well Care Group Clinic the wrong collaborating physician was given to me.

The attached addendum has the correct collaborating physician, Dr. Michael Casal, OB-GYN who will oversee my practice as a Women's Health Nurse Practitioner in The Well Care Group Clinic.

Furthermore, this letter stands as my authorization for the $200 plus 5% credit card charge for my controlled substances license. The credit card authorization form was sent with my original application. Please advise if any further information is needed and I apologize for the confusion.

Sincerely,

Aubree Teribury, MSN, APRN, WHNP-BC

Ms. Teribury is preparing to renew her license on or before December 5, 2020 in the State of Nevada. She is also licensed in California as of 5/21/2018. Prior to that, she obtained her first license in Georgia in 2014.

On or about May 4, 2020, formal accusations were filed against Ms. Teribury in California, where she worked as a travel nurse (her second assignment). On October 22, 2020, she signed a Stipulated Settlement and Disciplinary Order for Public Approval. In it, she stipulates that she admits the facts set forth in the Accusation. Both the Accusation (i.e., Complaint) and the Stipulation are provided hereto.

Here's the short version of what occurred: on November 22, 2018, Ms. Teribury was working as a registered nurse, and gave 1.8 units (ml) of insulin to a patient instead of .18 (ml). She did not use an "insulin syringe" at the time. Additionally, she had previously, successfully used the 1 ml syringes to administer insulin at other hospitals.

In mitigation of this error, there are three things to consider:

1. Ms. Teribury is a relatively new nurse at this facility and had been working there of approximately 9 weeks of a 13-week contract. She had received three days of orientation when she began

2. This incident was the first time that my client had administered insulin at the facility. Insulin syringes were kept in a separate drawer, away from all other syringes. She was not made aware of this; also, in the past, she had confidently and correctly used the 1 ml syringes to administer insulin at other hospitals. Because the facility was very busy on her shift, there was no one available to ask if they had any insulin syringes or where they were.

3. Before administering the insulin injection, she requested that her charge nurse, referred to as "S.L.," verify the amount of insulin that she was about to administer. My client showed the charge nurse both the bottle and both (1 ml) syringes, which were in the plain view of the charge nurse, Next, the charge nurse signed the patient's medical record indicating that she had verified the 1.8 ML as being the correct amount to administer;

4. Ms. Teribury took responsibility, and readily admitted to the error once it was discovered;

5. She continued to work for this facility for 3.5 weeks without any errors;

5. Exhibits A through N, which include the following:

A. Evidence of a Master's degree in nursing;

B. Ms. Teribury's résumé

C. Her transcripts from school demonstrating her excellence as a student

D. A work appraisal form Carson Tahoe Health, June 3, 2019, which positively assessed both her competence and functionality as a nurse;

E.-M. Letters of reference concerning Ms. Teribury; and

N. A list of coursework that she has completed as a nurse.

As a result of this error, Ms. Teribury is in the process of being disciplined by the Board of Registered Nursing, Department of Consumer Affairs, State of California. Specifically, she is being required to do the following:

(a) Complete recommended course work in the next six months; and

(b) Pay a hefty fee for the costs associated with the investigation ($6,778.46).

Attached you will find (1) A statement from my client, (2) a copy of the Accusation, which contains the facts I've repeated here that were stipulated to by my client; and (3) a copy of the Stipulated Settlement and Disciplinary Order.

The Order has yet to be signed off in the State of California. My suggestion is that the Nevada Board wait and make sure the Decision and Order is approved and signed by the Board of Registered Nursing before deciding how to act on this matter.

Very truly yours,

CRAIG K. PERRY & ASSOCIATES

CRAIG K. PERRY, Esq.

Statement of Aubree Teribury

My name is Aubree Teribury. I have reviewed the facts set forth in the Letter of Representation prepared by my attorney, Craig K. Perry. The facts set forth therein are true and correct to the best of my knowledge.

I would like to tell you a little about myself and my commitment to the practice of nursing, as well as explain what occurred on November 22, 2018.

I am a Registered Nurse in the State of Nevada whose license is coming up for renewal. I recently obtained my Master's Degree in Nursing in 2020 in order to become a Nurse Practitioner, with an emphasis in Women's Health. I have passed the Boards and have applied to the Nursing Board for licensure to practice as a nurse practitioner in this State. The Board already has a copy of my transcripts and test results.

I began my career in nursing in my home state of Georgia in 2014. Later, I became licensed in California in 2018, where I worked as a traveling nurses for various medical providers. Those are listed on my résumé, which I am providing with this statement and my attorney's letter.

The second assignment that I received as a travel nurse in California from my agency was at the Sierra Vista Regional Medical Center ("SVRMC"). I was contracted to work there for 13 weeks. When I began, I received three days of orientation before I began

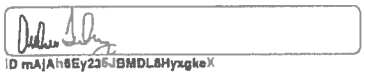
About nine weeks into my contract, on November 22, 2018, I was supposed to give a patient .18 units (ml) of insulin. However, I thought the order stated 1.8 units. This was a serious error on my part for which I have taken full responsibility. Nothing like this has ever happened before or since this incident.

This was the first time at SVRMC that I had to give an insulin shot to any patient. In other facilities where I had worked, some facilities had insulin syringes, and some did not. I have confidently and correctly used larger syringes to administer insulin on patients prior to this occasion.

Because I was using 1 ml syringes, I needed to use two of them. I did not ask about the availability of the smaller, insulin syringes because everyone was busy during this particular shift, and there was no one available to ask. Additionally, I didn't know whether or where the facility kept the smaller syringes, because they were not in the drawer with the other sized syringes. Afterwards, I learned that these insulin syringes were kept in a separate drawer.

Before administering the insulin, I did consult with the Charge Nurse ("S.L."), who read the doctor's prescription the same way I did, approved the dosage, and signed off on the patient's medical record. In addition, the two syringes that I was going to use were in the plain view of S.L., because I showed them to her.

It was not until later, when a family member asked why there were two syringes, that we caught the error. I immediately acknowledged my error, and I am grateful that the patient was not harmed from this incident. I continued working at this facility, until my contract ended approximately 3 and a half weeks later, without incident.



///

///

As a result of this incident, I agreed to be disciplined by the Nursing Board in California, for which I paid the costs of the proceeding (nearly $7,000) and will be taking continuing education classes, in addition to receiving a public reprimand.

I've provided to my attorney my school transcripts, degree information, recent evaluations and statements of various people who are aware of the quality of my work and my commitment to the nursing profession.

WELLSTAR

May 26, 2020

Dear Sir/Madam

I have been an RN for 33 years both here in the USA and in the UK, working in the field of Women's Heath. My past history includes working as a Certified Nurse Midwife in the UK.

I am at present a Charge Nurse on a very busy Labor and Delivery unit at Wellstar Regional Medical Center where I had the great privilege of working with Aubree Teribury from July 2017 – June 2018 in my capacity as Charge Nurse on Night Shift.

I can say without hesitation that Aubree is a genuinely talented RN, calm, self assured and capable of working in a high stress environment. Her organizational skills are of the highest caliber, which were essential in coping with frequent interruptions, emergencies and unforeseen situations.

In the short time that I worked with Aubree it was obvious that she was dedicated to her patient and their family, always handling every situation with sensitivity, tact and professionalism. Aubree often received compliments from her patients and was a highly respected member of the interdisciplinary team.

Aubree possess' superlative, critical thinking abilities, she is focused, displaying great initiative.

Aubree has a passion for nursing, always eager to learn, and is at present is attending graduate school where she holds a 3.7GPA.

Aubree interacts appropriately with her patients, while carrying out her nursing duties. She is friendly, compassionate and above all honest, which is highlighted in that she freely admits to her mistake.

I think that one mistake should not define her career as nurse. Aubree has a bright future in Nursing, and is a tremendous asset. who I can recommend without any doubt or reservation

Please do not hesitate to contact me if you have any further questions.

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.

Yours sincerely

To Whom It May Concern:

I have been a registered nurse for 12 years with 11 of those years in labor and delivery. In January of 2019, I had the pleasure of meeting and working alongside Aubree at a high risk labor and delivery unit. Since June 2019, I have worked in a charge nurse capacity and have overseen Aubree's work in a low risk labor and delivery unit. During the time I have known Aubree, I have observed her being professional, caring and eager to teach/help the new nurses on the unit.

Aubree is punctual to work and always has a good attitude. She is diligent with her charting and is well liked by her peers and physicians. She demonstrates proper SBAR reporting when collaborating with the physicians and updates them at appropriate times. She has demonstrated excellent skill and expertise in both the high and low risk setting. Aubree has been a great resource for our newer nurses. She has taught the new nurses how to be proactive to achieve safe patient care. She has a calming presence especially during emergencies, which helps facilitate communication.

Aubree has been honest with me regarding the current allegations and in my professional opinion Aubree is fit to practice nursing. She provides safe, competent care to her patients. I look forward to being able to work with Aubree for many years to come.

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.

To Whom it May Concern,

I am writing this letter to attest to the character and competency of Registered Nurse Aubree Teribury, BSN, RN.

I have been a nurse for 28 years and hold the title of Resource Coordinator RNC-RC at Candler Hospital in Savannah, Georgia in the Labor and Delivery Department. I had the pleasure of working with Aubree Teribury from April 2015 to July 2017. During this time, I held the role of charge nurse on the 7p-7a shift and was instantly impressed by Aubree's readiness to learn and grow her knowledge of the obstetric population. She arrived on the 7p-7a shiftfollowing a short 6-week orientation to the unit and quickly adapted to her new specialty and was always eager to help.

During my time working along side Aubree I found her to be skillful and organized. She frequently cared for either 4 antepartum patients or 2 labor patients at a time as the census needed her to without flaw. Her patients often voiced praise in the care they received from her. As a charge nurse she was someone I always looked forward to having on my shift because I knew her patients would be well cared for and she was always a pleasure to work with. During her time at Candler she never received any discipline or complaints that I am knowledgeable of and was an employee we were saddened to lose when she decided to expand her career in obstetrics and move home to Atlanta. It did not surprise me to find out that since her time at Candler Hospital she had begun graduate school and will be graduating with a Master's in Nursing with a focus in Women's Health in August. I believe she is an asset to the nursing community and has a wonderful future ahead of her as a Women's Health Nurse Practitioner.

With all of this said, I was incredibly surprised to find out that Aubree is having her license and nursing integrity questioned. I am not aware of the full details of the current allegations Ms. Teribury is facing against her nursing license other than that a medication error occurred while she was acting as a travel nurse in California. However, I do know following the error she followed common protocol that is expected when a medication error occurs. She made a report of the error, communicated the error with the physician, and communicated and apologized to the patient and her husband. I believe her willingness to admit to an error and take accountability for it speaks volumes in itself to her character not only as a nurse but as a human.

If you would like to speak with me further regarding any of this I can be reached at [redacted] or [redacted]

I declare under penatly of perjury that the foregoing statements are true and correct to the best of my knowledge.

Sincerely,

Laura N. Morgan, RNC

To Whom It May Concern,

I am writing this letter to attest to the character and competency of Ms. Aubree Teribury, RN

I have been a nurse for 30 years, 27 of which have been in Women's Health, specifically Labor and Delivery and Post Partum Care. I worked with Ms. Teribury from June 2015 to July of 2017 on the LD unit at Candler Hospital in Savannah, Ga. I frequently was the charge nurse on the 7p to 7a shift and Ms. Teribury worked as a staff RN on the unit. When I wasn't in a charge nurse role, I worked along side her as a contemporary. I always found Ms. Teribury to be organized, skillful, and a great team player. She routinely assumed care of actively laboring patients, antepartum patients and infants as the census dictated. I can say that she was liked by fellow co-workers and patients that she cared for. She was always available to help where she was needed most and managed patient care and charting with ease. Ms. Teribury was a valued employee at Candler Hospital and did not have any disciplinary instances to my knowledge. I do not know the specifics of the current allegation other than that it involved a medication error and that Ms. Teribury followed the protocol of reporting the error and notifying appropriate personnel of said error.

During my time of working with Aubree I found her to be a conscientious nurse and one that would follow policies and protocols established by the unit. She always exemplified good communication with the physicians and nurses she worked with and kept the charge nurse updated with current statuses of the patients she was caring for. She gave thorough and accurate reports to physicians and nurses that she was reporting off to.

On a personal note, Aubree was amicable and friendly and a pleasure to work with. When Aubree and I were scheduled on shift together it was reassuring to have a great nurse to work with and one that took great care of her patients.

Thank you for giving me the opportunity to provide this reference for Aubree Teribury. If there is a need to reach me, I can be reached on my cell phone at [redacted]. Additionally, my personal email is [redacted]

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.

Sincerely,

Ree A. Standiford, RN

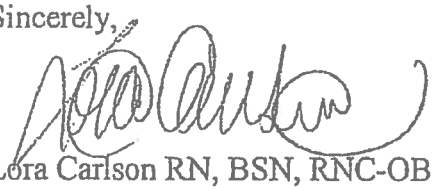
Renown HEALTH

June 12, 2020

To whom it may concern,

I am the Manager of Nursing on Labor and Delivery at Renown Regional Medical Center. I have been employed here as an RN since 2006 and have been the manager of this department for the past four years (dating from July 2016).
I am writing in regards to Aubree Teribury. She is currently a Registered Nurse here on Labor and Delivery and has been employed as such since January of 2019. Upon completion of her 4 week orientation period, Aubree was given an OR competency exam as well as an OB competency exam. She scored highly on both, and there were no areas of concern for follow up or remediation. This spring our institution tested knowledge of drip rates and medication calculations of all RNs throughout the organization and Aubree was very knowledgeable and capable in this area as well. With all of this said, I would never question her ability to provide anything but exceptional care. And exceptional care is all I have witnessed.



Aubree has excelled in her nursing practice here at Renown. She is timely, detail oriented, and thorough. She has not acquired any corrective actions related to nursing practice. Aubree is careful in her practice and quick to ask for help when or if she needs it. I have not worked side by side with Aubree much as she is a night shift RN. Over the last year and a half I have received many compliments from patients, staff members, and my night shift supervisors regarding Aubree's work ethic. They have all stated she has a high degree of initiative, is knowledgeable and thoughtful in her practice, and that she has strong potential to become a charge RN and preceptor for our unit.

I feel proud to have Aubree working as a nurse on my unit. She is well deserving of her title of "RN" and as I displayed above she has all of the most important attributes a nurse should have. Should you have any additional questions, I would be happy to discuss via telephone or email. Both are listed below.

To Whom it May Concern;

I had the pleasure of working with Aubree Teribury in the Fall of 2018. I was immediately impressed by Aubree's knowledge base and ability to take care of our high risk obstetric population. She quickly adapted to our nursing culture here at Sierra Vista Labor and Delivery and we all saw her as a great asset to our unit.

At the time I met Aubree I had been a labor and delivery nurse for over 10 years and had worked with many different nurses and doctors. I can honestly say that Aubree was one of the best nurses I have had the pleasure of working with. As a nurse I saw first had how Aubree's skill, intelligence and willingness to jump right in benefited not only her patients, but fellow nurses and the unit as a whole. Aubree was very attentive and caring with her patient's, with many of her patient's requesting that she care for them multiple nights in a row.

I was not working the night the medication error took place, but I was working the next night as a relief charge nurse. I was made aware of the incident from the previous night by Aubree herself. Aubree and I then spoke with our Nurse Manager at the time, Sharon Bonifazi, who advised us to inform our OB Hospitalist, Dr. Danny Lickness. Aubree then recounted the incident to Dr. Lickness. Aubree went through the proper channels of informing those of us on who needed to know in the proper way. As a side note, Aubree also informed the patient of the error she had made and apologized. This same patient knowing about the medication error requested to have Aubree as her nurse multiple times after that. I worked alongside Aubree many nights and I was also in charge many of the shifts when Aubree was working. Aubree is one of those nurses that you took a sense in comfort knowing she was working, as you knew her patients would be well cared for and she could jump in and help out in the event of an emergency.

I was very surprised to find out that Aubree is having her license and nursing integrity threatened. She is one of the most honest, capable, intelligent, respectful and well rounded nurses I have worked with, now going on my 13th year as a labor and delivery nurse. If you would like to speak with me further regarding any of this I can be reached at [redacted] or [redacted]

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.

Best Regards,

Melissa Lawrence, RN

Dear Sirs/Madam:

July 10, 2020

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.

I was the manager of Women and Children's Services at Sierra Vista Regional Medical Center in 2018 when Aubree Terbury was a traveling RN on our Labor and Delivery Unit. Aubree was working as part of the night shift and was respected by her patients, colleagues and the obstetricians on the unit. In November 2018, Aubree made a serious medication error. I followed up with Aubree to investigate the details of the error. Aubree expressed regret and was shaken up by this event. Aubree and I discussed the error and I found her honest, forthcoming, remorseful. We spoke about how this error could have been prevented. Aubree mentioned that it had been a busy shift and she was stressed at the time of the error. We spoke about safeguards and processes in place that would help prevent this from occurring. Aubree was able to express to me that she understood these processes and was able to state the correct way to draw up insulin, have it independently verified by another RN and to remember that when passing medications, to slow down and devote her attention to only the medication. When I followed up with the patient, she told me that Aubree had been in to speak to her and had apologized to her for making this error. I sincerely feel that Aubree has learned from this error and do not think that she will ever make this type of error again. I hope that she is able to continue in her chosen work and feel that she is safe to continue to work as an RN.

Sincerely,
SBonifazi RNC-NIC, C-NNIC

Mark, in response to your email dated April 8, 2021 below are the responses you requested. We have attached the Certificate of Good Standing for the Company.

1. Yes Jenner Sinang will be the Managing Pharmacist

2. The updated Certificate of Good Standing is attached below.

3. In the application we submitted I disclosed the DUI I got back in June of 2005. I will expand on that incident. I was at a party in Studio City, California for a birthday celebration for friends of my wife and I. I left the party around 9-10PM and had to take the 101 Freeway to get home. I was speeding a little over the limit and a motorcycle LAPD pulled me over for speeding. Once he approached me he could smell alcohol. I took a breathalyzer and it turned out over the limit to drive with. They arrested me and took me to the Van Nuys jail where I bailed out in about 4 hours. The bail was $5,000 and the court dates were set. I had a business partner Robert Corado who was a lawyer and represented me. Unfortunately he passed away a number of years ago. The DMV took my license for 3 months and I had to attend alcohol classes and 12 AA meetings. There were fines I paid. There was no jail time or anything like that. There have been no incidents since that one in 2005 and I still to this date attend AA meetings. I have moved several times since that incident so I am sure I threw away any documents about that incident because it was so long ago and there was no need to keep those documents. I hope this has helped better describe that incident.

4. Yes I would change #5 to yes because I lost my California Driver's License for 3 months based on the event described above in #4. The explanation they are asking for on page 2 is stated above. When I filled out the application the first time I was thinking about pharmacy licenses and the like. If you mean any license then the answer should be yes to #5 on Page two of application.

Again thank you for the opportunity to be a part of the Pharmacy family in Nevada.

Warm regards,

Randy L Case

The Consent entered in October 2014 alleges that the QoL Meds pharmacy (1) dispensed medications without a pharmacist on duty, (2) dispensed medications from an unlicensed pharmacy location, (3) dispensed controlled substances before the authorized refill date, (4) mislabeled drug vials, (5) maintained expired medications in active stock, and (6) charge a third party dispensing fee for free drug samples. A corrective action plan was submitted in October 2014, quarterly onsite audits are conducted, and a fine of $20,000 was paid. Since instituting the corrective action plan in 2014, the pharmacy has operated in compliance with all laws. Genoa has been subject to the following Disciplinary Action:

Illinois Department of Financial & Professional Regulation (2014) – Rockford, Illinois (Case No 2013-01026): Disciplinary action alleging that a QoL Meds pharmacy in Rockford, IL violated the Illinois Pharmacy Practice Act. All alleged activities took place in February 2013, 17 months prior to the pharmacy being acquired by Genoa Healthcare in July 2014. The Consent entered in October 2014 alleges that the QoL Meds pharmacy (1) dispensed medications without a pharmacist on duty, (2) dispensed medications from an unlicensed pharmacy location, (3) dispensed controlled substances before the authorized refill date, (4) mislabeled drug vials, (5) maintained expired medications in active stock, and (6) charge a third party dispensing fee for free drug samples. A corrective action plan was submitted in October 2014, quarterly onsite audits are conducted, and a fine of $20,000 was paid. Since instituting the corrective action plan in 2014, the pharmacy has operated in compliance with all laws. The pharmacy's Illinois pharmacy license was restored and probation was lifted on February 18, 2020.

Oregon Board of Pharmacy (2018) – Salem, Oregon (Case No. 2017-0523): Disciplinary action alleging an apparent failure to have a PIC at the Salem, OR pharmacy site for a period of six weeks in 2017. Although the site did have a PIC in place at all times, a requisite form documenting a change in PIC was not timely filed by the temporary PIC, creating a gap in Board of Pharmacy online filings. A Consent Order was received by the Oregon Board of Pharmacy on July 30, 2018 and $6,000 fine was paid.

Arizona State Board of Pharmacy (2019) – Gilbert, Arizona (Case No. 2018-0080): Disciplinary action alleging a failure of not complying with the Arizona state regulations regarding "shared" after-hours pharmacy service following a routine pharmacy inspection on March 5, 2018. In particular, the appropriate notice to customers as to the after-hours pharmacy service Genoa was using there was not sufficient policies and procedures regarding such service. There was no allegation that patient care was impacted. A new after-hours vendor was put in place and we have educated our pharmacies to ensure that patients are aware that their after-hour needs are being met by another pharmacy service that has compliant policies and procedures regarding "shared services". A Consent Order was received by the Arizona State Board of Pharmacy in March 2019 and a $500 fine was paid.

Georgia Board of Pharmacy (2020)—Rome, Georgia (Case No. 2020-0038): Disciplinary action against a technician employed at the pharmacy for failure of not complying with Georgia state regulations regarding diversion of medications. A consent order was received from the Georgia Board of Pharmacy on April 20, 2020 and a $4,060 fine was paid.

v.		No. 2013-01026
QOL MEDS, LLC License No. 054.018414,	Respondent.	

CONSENT ORDER

The Illinois Department of Financial and Professional Regulation, Division of Professional Regulation (hereinafter the "Department") by Bill Laskaris, its Chief of Health Related Prosecutions, and QOL MEDS, LLC., Respondent, through Anthony Calamunci, its attorney, hereby agree to the following:

STIPULATIONS

QOL MEDS, LLC. is a licensed pharmacy in the State of Illinois, holding License No. 054.081414. Said license is presently in active status. At all times material to the matters set forth in this Consent Order, the Illinois Department of Financial and Professional Regulation of the State of Illinois had jurisdiction over the subject matter and parties to this Consent Order.

A pharmacy inspection performed on February 19, 2013 revealed that employees at QOL Meds, LLC. violated several provisions of the Illinois Pharmacy Practice Act, including: (1) Dispensing medications without a pharmacist on duty; (2) dispensing medications from an unlicensed pharmacy location; (3) dispensing Schedule II medications before the authorized dispense date; (4) mislabeling prescription drug vials by listing a pharmacy technician as the dispensing pharmacist; (5) maintaining expired and unlabeled medications in active stock; and (6) charging a 3rd party dispensing fee for free drug samples. Respondent had not previously been disciplined.

The Illinois Pharmacy Act, 225 ILCS 85/30 states, in part, the following:

(a) The Department may refuse to issue or renew, or may revoke a license or registration, or may suspend, place on probation, fine, or take any disciplinary or non-disciplinary action as the Department may deem proper, including fines not to exceed $10,000 for

each violation, with regard to any license or registrant for any one or combination of the following causes:

7. Engaging in unprofessional, dishonorable, or unethical conduct of a character likely to deceive, defraud, or harm the public.

11. Selling or engaging in the sale of drug samples provided at no cost by drug manufacturers.

The aforementioned conduct as set forth herein, if proven to be true, would constitute grounds for disciplinary action against Respondent's license as a pharmacy on the authority of 225 ILCS 85/30(a)(7); 225 ILCS 85/30(a)(11); 68 Ill. Admin. Code § 1330.40(a)(2) (2010).

As a result of these allegations, the Department held an Informal Disciplinary Conference at the offices of the Department, 100 West Randolph Street, Suite 9-300, in Chicago, Illinois, on April 17, 2014. Respondent QOL MEDS, LLC. was represented by counsel, Anthony Calamunci., Esq. Yash Patel, R.Ph., appeared as a member of the Illinois State Board of Pharmacy, Patrick J. Reda appeared as the attorney for the Department, and Anita Patel, PharmD. appeared as 711 Law Clerk for the Department.

Respondent has been advised of the right to have the pending allegation reduced to written charges, the right to a hearing, the right to contest any charges brought, and the right to administrative review of any Order resulting from a hearing. Respondent knowingly waives each of these rights, as well as any right to administrative review of this Consent Order. Such waiver ceases if this Consent Order is rejected by either the Illinois State Board of Pharmacy or the Director of the Division of Professional Regulation of the Illinois Department of Financial and Professional Regulation. Respondent acknowledges that they have entered into this Consent Order freely and of her own will without threat or coercion by the Department or any person. Respondent acknowledges that the Department attorney may be requested to communicate with the Illinois State Board of Pharmacy or the Director of the Division of Professional Regulation of the Illinois Department of Financial and Professional Regulation in furtherance of the approval of this Consent Order.

Respondent and the Department have agreed, in order to resolve this matter, that Respondent be permitted to enter into a Consent Order with the Department, providing for the imposition of Consent

measures which are fair and equitable under the circumstances and which are consistent with the best interests of the people of the State of Illinois.

TERMS AND CONDITIONS

WHEREFORE, the Department, through Bill Laskaris, its Chief of Health Related Prosecutions, and QOL MEDS, LLC., Respondent, through Anthony Calamunci, its attorney, agree on the following Terms and Conditions:

A. The Pharmacy license of QOL MEDS, LLC., License No. 054.018414, shall immediately be placed on INDEFINITE PROBATION. Applicant cannot petition to restore its pharmacy license for at least five (5) years from the effective date of this Consent Order. During the period of probation, Applicant shall be subject to the following:

1. Respondent shall furnish the Department with a corrective action plan no later than ninety (90) days of the effective date of this Consent Order.
2. Respondent and its employees cannot order, accept, store, transfer, or dispense sample medications of any kind during the probation period.
3. **Respondent understands and expressly agrees that evidence of any violation of paragraphs A1 or A2 of this Consent Order or repeated violations of the remaining paragraphs of this Consent Order shall result in the Department's automatic, indefinite, and immediate suspension of Respondent's Pharmacy License, No. 054.018414, for a minimum period of twelve (12) months. Respondent knowingly waives all rights to and associated with Notice and a Formal Hearing under these circumstances. This suspension shall not preclude the Department from taking any other disciplinary or other action it deems appropriate, which may include taking action to revoke Petitioner's license to practice as a pharmacy.** In the event Respondent contests in writing by the filing with the Department within fifteen (15) days of the effective date of the suspension, a Petition complying with the Department's Rules of Practice in Administrative Hearings), the factual basis underlying said suspension, then Respondent shall be afforded a Hearing on the merits.

5. **In the event the fine of twenty thousand dollars ($20,000.00) is not paid to the Department, within ninety (90) days of the effective date of this Consent Order, Respondent acknowledges and agrees that its failure to pay the full amount of the fine will permit the Director of the Division of Professional Regulation to issue an Order forthwith mandating the automatic, indefinite and immediate suspension of Respondent's Pharmacy License, No. 054.018414. This suspension shall not preclude the Department from taking any other disciplinary or other action it deems appropriate. This suspension shall remain in full force and effect until such time as the Department receives the full amount of the fine of twenty thousand dollars ($20,000.00). In the event Respondent contests in writing the factual basis underlying said suspension and does so within thirty (30) days of the imposition of the automatic suspension, Respondent shall be afforded a hearing on the merits.**

6. If Respondents fail to pay the aforementioned fine, or any portion of the fine, and the Department initiates a collection effort to retrieve the fine, or any portion of the fine, Respondents shall be responsible for all costs and fees incurred by the Department in said collection effort.

B. Respondent shall report to the Department quarterly compliance with this Consent Order.

Re: Consent Agreement for Civil Penalty – Board Case No. 18-0080

Dear Ms. McGuan,

Please find enclosed a copy of the Consent Agreement for Civil Penalty in Board Case No. 18-0080. After the Consent Agreement was signed, staff discovered a typographical error. Specifically, the permit number on page 1, line 13 was incorrect. Staff corrected the error and replaced page 1 of the document. The corrected permit number was the only change made to the document.

If you have any questions regarding this matter, please contact this office.

ACCEPTED AND AGREED BY RESPONDENT

Dated: 3/27/19

On Behalf of
Genoa Healthcare, LLC,
Permit Holder NO. Y007067

FINDINGS OF FACT

1. The Board is the duly constituted authority for licensing and regulating the practice of pharmacy in the State of Arizona.

2. Respondent is Genoa Healthcare, LLC, #20120, holder of permit no. Y007067, to operate as a pharmacy in the State of Arizona. At all relevant times, Respondent was located at 5222 East Baseline Rd, Gilbert, AZ 85234.

3. On or about March 5, 2018, Board staff conducted a routine inspection of Respondent's premise. In response to staff's question about delivery services, Respondent's PIC, Mr. Kyle Clonts, responded that Genoa Healthcare, LLC, #20120 utilized Medcall to answer after-hours patient questions, noting that Medcall had access to patient profiles. In addition, it was revealed that Medcall was able to transfer prescriptions for patients after hours from Genoa to the pharmacy of choice.

4. At the time of inspection, the PIC was unable to produce the shared services agreement with Medcall or the Respondent's policies and procedures relating to shared services.

5. Subsequent to the investigation, the Respondent provided what it believed to be the appropriate shared services agreement, however, upon further review it was determined that the contract with Medcall listed only two Genoa Arizona locations.

6. Additionally, the permit on file with the Board is Y004817 and belongs to Homemed. There is no permit for Medcall that would allow it to conduct pharmacy business in the State of Arizona.

7. Subsequent to the inspection, Respondent notified the Board that it has discontinued using Medcall to ensure compliance with Arizona regulations.

CONCLUSIONS OF LAW

1. The Board possesses jurisdiction over the subject matter and over Respondent pursuant to A.R.S. § 32-1901 *et seq*.

2. The Board may discipline a permittee who has engaged in unprofessional conduct. A.R.S. § 32-1927.02(A) (1).

3. The conduct and circumstances described above constitutes unprofessional conduct pursuant to A.R.S. § 32-1901.01(A)(5) as it relates to Arizona Administrative Code R4-23-621(A), (B)(2) and (C)(a) and (b).

ORDER

Based upon the above Findings of Fact and Conclusions of Law, IT IS HEREBY ORDERED THAT:

1. Respondent shall pay to the Board as a civil penalty the sum of **$500.00 for not having complied with shared services regulations by providing advance notice to patients that their orders would be filled by a shared service pharmacy and having adequate policies and procedures regarding shared services.** The civil penalty shall be paid in full to the Board within **ninety (90) days** of the effective date of this Consent Agreement and Order. The effective date of this Consent Agreement is the date it is signed by the Board's Executive Director.

2. If the Board determines that Respondent has not complied with **all** the requirements of this Consent Agreement, the Board, in its sole discretion, may institute proceedings for noncompliance with this Consent Agreement, which may result in the suspension or revocation of Respondent's permit. Failing to abide by this Consent Agreement and Order is a violation of A.R.S. §32-1901.01(A)(19), which is violating a formal order, terms of probation, a consent agreement or a stipulation issued or entered into by the board it its executive director."

3. Respondent understands that this Consent Agreement is a public record that may be publicly disseminated as a formal action.

4. If Respondent violates this Order in any way or fails to fulfill the requirements of this Order, the Board, after giving the Respondent notice and the opportunity to be heard, may revoke, suspend or take other disciplinary actions against Respondent's permit. The issue at such a hearing will be limited solely to whether this Order has been violated.

GEORGIA STATE BOARD OF PHARMACY

DOCKET NO. 2020-0038

PUBLIC CONSENT ORDER

By agreement of the Georgia State Board of Pharmacy ("Board") and Genoa Healthcare, LLC, Respondent, the following disposition of this matter is entered pursuant to the provisions of O.C.G.A. § 50-13-13(a)(4).

FINDINGS OF FACT

1.

Respondent is licensed as a pharmacy in the State of Georgia. Respondent's license was issued August 19, 2015, and expires June 30, 2021.

2.

On or about May 9, 2019, the Georgia Drugs and Narcotics Agency initiated an investigation after a report of possible diversion at the Respondent pharmacy. The investigation revealed that the pharmacy had a loss of 1,660 tablets of amphetamine 20mg and 370 tablets of amphetamine 30mg from May 2017 until May 2019. Further investigation confirmed that the technician employed at the pharmacy diverted the tablets.

3.

Upon discovery of the possible diversion of controlled substances, Respondent promptly: (i) terminated the pharmacy technician and the Pharmacist in Charge (PIC); and (ii) reported the possible diversion to the Georgia Drugs and Narcotics Agency.

CONCLUSIONS OF LAW

Under O.C.G.A. T. 26, Ch. 4 and T. 43, Ch. 1, the Georgia State Board of Pharmacy has authority to take action against the license of the Respondent. Respondent agrees that the Board can impose disciplinary action against the license of the Respondent and waives any further conclusions of law with respect to this matter.

ORDER

The Board having considered the particular facts and circumstances of this case, it is hereby ORDERED, and the Respondent hereby AGREES, that Respondent's license shall be disciplined as follows:

1.

The Respondent shall submit to the Board a fine in the amount of $4,060.00 for the diversion of controlled substances. Such fine shall be payable within sixty (60) days from the effective date of this Consent Order. Payment shall be in the form of a cashier's check or money order made payable to the Georgia State Board of Pharmacy and submitted to the Board at 2 Peachtree Street, N.W., 6th Floor, Atlanta, Georgia 30303. The Respondent's failure to pay such fine by the sixtieth day shall subject Respondent's license to further disciplinary action, up to and including revocation.

2.

This Consent Order and dissemination thereof shall also serve as a public reprimand to the Respondent.

3.

Approval of this Consent Order by the Georgia State Board of Pharmacy shall in no way be construed as condoning the Respondent's alleged conduct, and shall not be construed as a waiver of any of the lawful rights possessed by the Board. This Consent Order shall not become effective until approved and docketed by the Georgia State Board of Pharmacy.

4.

Agent of Respondent, Genoa Healthcare, LLC, acknowledges that Agent of Respondent has read this Consent Order and understands its contents. Respondent understands that Respondent has a right to a hearing in this matter, and Respondent freely, knowingly and voluntarily waives such right by entering into this Consent Order. Respondent understands that this Consent Order will not become effective until approved and docketed by the Georgia State Board of Pharmacy. Respondent further understands and agrees that the Board shall have the authority to review the investigative file and all relevant evidence in considering this Consent Order. Respondent further understands that this Consent Order, once approved, shall constitute a public record of the Board. Respondent further understands that if this Consent Order is not approved, it shall not constitute an admission against interest in this proceeding or prejudice the ability of the Board to adjudicate this matter. Respondent consents to the terms and sanctions contained herein.

SPECIALIZED PHARMACEUTICALS, INC.

The undersigned duly authorized officer Specialized Pharmaceuticals, Inc., a corporation organized and existing under the laws of the Commonwealth of Pennsylvania (the "Company"), in accordance with the provisions of Section 1522 of the Business Corporation Law of 1988 of the Commonwealth of Pennsylvania, as amended, DOES HEREBY CERTIFY:

WHERREAS the Articles of Incorporation of the Company authorized preferred stock consisting of Two Million (2,000,000) shares, no par value, issuable from time to time in one or more series; and

WHERREAS, the Board of Directors of the Company is authorized, subject to limitations prescribed by law and by the provisions of Article 4 of the Company's Articles of Incorporation, as amended, to establish and fix the number of shares to be included in any series of preferred stock and the designation, rights, preferences, powers, restrictions and limitations of the shares of such series; and

WHERREAS, at a meeting of its members held on November 16, 2007, the Board of Directors established and fixed the number of shares to be included in a new series of preferred stock and the designation, rights, preferences and limitations of the shares of such new series as follows:

NOW, THEREFORE, BE IT RESOLVED that pursuant to Article 4 of the Company's Articles of Incorporation, as amended, there is hereby established a new series of Ninety Thousand (90,000) shares of preferred stock of the Company (the "Series A Preferred") to have the designation, rights, preferences, powers, restrictions and limitations as follows:

1. Dividends.

The holders of the Series A Preferred shall be entitled to receive, out of funds legally available therefore, non-cumulative dividends, when and as declared by the Board of Directors, in preference to any dividend on the common stock at a rate of eight percent (8%) per year of the Original Purchase Price as hereinafter defined.

2. Liquidation, Dissolution or Winding Up.

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, the holders of shares of Series A Preferred then outstanding shall be entitled to be paid out of the assets of the Company available for distribution to its shareholders, after and subject to the payment in full of all amounts required to be distributed to the holders of any other class or series of stock of the Company ranking on liquidation prior and in preference to the Series A Preferred (collectively referred to as "Senior Preferred Stock"), but before any payment shall be made to the holders of the common stock or any inferior preferred stock (the "Junior Stock") by reason of their ownership thereof, an amount equal to Sixty-Six and 67/100 Dollars ($66.67) (the "Original Purchase Price") per share of Series A Preferred plus any declared but unpaid dividends. If upon any such liquidation, dissolution or winding up of the Company the remaining assets of the Company available for distribution to its shareholders shall be insufficient to pay the holders of shares of Series

A Preferred the full amount to which they shall be entitled, the holders of shares of Series A Preferred and any class or series of stock (the "Preferred Stock") ranking on liquidation on a parity with the Series A Preferred shall share ratably in any distribution of the remaining assets and funds of the Company in proportion to the respective amounts which would otherwise be payable in respect of the shares held by them upon such distribution if all amounts payable on or with respect to such shares were paid in full.

(b) After the payment of all preferential amounts required to be upon the dissolution, liquidation, or winding up of the Company, all of the remaining assets and funds of the Company available for distribution to its shareholders shall be distributed ratably among the holders of the Series A Preferred, such other series of Preferred Stock as are constituted as similarly participating, and the common stock, with each share of Series A Preferred being deemed, for such purpose, to be equal to the number of shares of common stock, including fractions of a share, into which such share of Series A Preferred is convertible immediately prior to the close of business on the business day fixed for such distribution.

(c) A consolidation or merger of the Company with or into any other corporation or other entity or person, or any other corporate reorganization, or a sale, lease or other disposition of all or substantially all of the assets of the Company shall not be considered a liquidation under this Section.

3. Voting.

(a) General Rights. Except as otherwise required by law, each holder of Series A Preferred shall not be entitled to vote on any matter except as follows. The vote or written consent by the holders of at least fifty-one percent (51%) of the then outstanding shares of the Series A Preferred, voting separately as a class, shall be require to: (i) authorize or issue additional shares of Series A Preferred, (ii) authorize or issue any other equity security senior to or on a parity with the Series A Preferred as to liquidation preferences, conversion rights, voting rights, dividend rights or otherwise, (iii) sell, assign, lease or otherwise dispose of or voluntarily part with the control of (whether in one transaction or in a series of transactions) all, or substantially all, of the Company's assets (whether now owned or hereinafter acquired) or sell, assign or otherwise dispose of (whether in one transaction or in a series of transactions) any of the Companys's accounts receivable (whether now in existence or hereinafter created) at a discount or with recourse, to any person, or permit any subsidiary to do any of the foregoing, except for sales or other dispositions of assets in the ordinary course of business and except that (A) any subsidiary may merge into or consolidate with or transfer assets to any other subsidiary and (B) any subsidiary may merge into or transfer assets to the Company, (iv) take action that fundamentally alters the principal business of the Company as now conducted or as proposed to be conducted, or (v) authorize any consolidation or merger of the Company with or into any other corporation or other entity or person, or any other corporate reorganization, in which the shareholders of the Company immediately prior to such consolidation, merger or reorganization, own less than 50% of the Company's voting power immediately after such consolidation, merger or reorganization, or any transaction or series of related transactions by the Company in which in excess of fifty percent (50%) of the Company's voting power is transferred.

(b) Election of Board of Directors. The holders of the Series A Preferred, voting together as a class, shall be entitled to elect one (1) member of the Company's Board of Directors. The holders of the common stock shall be entitled to elect all remaining members of the Board of Directors.

4. Optional Conversion.

The holders of the Series A Preferred shall have conversion rights as follows (the "Conversion Rights");

(a) Right to Convert. Each share of Series A Preferred shall be convertible, at the option of the holder thereof, at any time and from time to time, into such number of fully paid and nonassessable shares of common stock as is determined by dividing the Original Purchase Price by the Conversion Price (as defined below) in

effect at the time of conversion. The Conversion Price at which shares of common stock shall be deliverable upon conversion of Series A Preferred without the payment of additional consideration by the holder thereof (the "Conversion Price") shall initially be the Original Purchase Price per share. Such initial Conversion Price, and the rate at which shares of Series A Preferred may be converted into shares of common stock, shall be subject to adjustment as provided below.

In the event of a liquidation of the Company, the Conversion Rights shall terminate at the close of business on the first full day preceding the date fixed for the payment of any amounts distributable on liquidation to the holders of Series A Preferred.

(b) Fractional Shares. No fractional shares of common stock shall be issued upon conversion of the Series A Preferred. In lieu of fractional shares, the Company shall pay cash equal to such fraction multiplied by the then effective Conversion Price.

(c) Mechanics of Conversion.

(i) In order to convert shares of Series A Preferred into shares of common stock, the holder shall surrender the certificate or certificates for such shares of Series A Preferred at the office of the transfer agent (or at the principal office of the Company if the Company serves as its own transfer agent), together with written notice that such holder elects to convert all or any number of the shares represented by such certificate or certificates. Such notice shall state such holder's name or the names of the nominees in which such holder wishes the certificate or certificates for shares of common stock to be issued. If required by the Company, certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Company, duly executed by the registered holder or his or its attorney duly authorized in writing. The date of receipt of such certificates and notice by the transfer agent or the Company shall be the conversion date ("Conversion Date"). The Company shall, as soon as practicable after the Conversion Date, issue and deliver at such office to such holder, or to his nominees, a certificate or certificates for the number of shares of common stock to which such holder shall be entitled, together with cash in lieu of any fraction of a share.

(ii) The Company shall at all times during which the Series A Preferred shall be outstanding, reserve and keep available out of its authorized but unissued stock, for the purpose of effecting the conversion of the Series A Preferred, such number of its duly authorized shares of common stock as shall from time to time be sufficient to effect the conversion of all outstanding Series A Preferred.

(iii) Upon any such conversion, no adjustment to the Conversion Price shall be made for any declared and unpaid dividends on the Series A Preferred surrendered for conversion or on the common stock delivered upon conversion; the holder, by converting, waives his right to such declared but unpaid dividends.

(iv) All shares of Series A Preferred, which shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding and all rights with respect to such shares, including the rights, if any, to receive dividends, notices and to vote, shall immediately cease and terminate on the Conversion Date, except only the right of the holders thereof to receive shares of common stock in exchange therefor. Any shares of Series A Preferred so converted shall be retired and cancelled and shall not be reissued, and the Company may from time to time take such appropriate action as may be necessary to reduce the number of shares of authorized Series A Preferred accordingly.

(d) Adjustments to Conversion Price for Dilutive Issues.

(i) Special Definitions. For purposes of this Subsection 4(d), the following definitions shall apply:

(A) "Option" shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire common stock or Convertible Securities, excluding rights or options granted to employees, directors or consultants of the Company pursuant to an option plan adopted by the Board of Directors to acquire up to that number of shares of common stock as is equal to ten (10%) percent of the common stock outstanding (provided that, for purposes of this Subsection 4(d)(i)(A), all shares of common stock issuable upon (1) exercise of options granted or available for grant under plans approved by the Board of Directors, (2) conversion of shares of Preferred Stock, or (3) conversion of Preferred Stock issuable upon conversion or exchange of any Convertible Security, shall be deemed to be outstanding), minus the total number of Key Employee Shares (as defined below).

(B) "Original Issue Date" shall mean the date on which the first share of Series A Preferred is first issued.

(C) "Convertible Securities" shall mean any evidences of indebtedness, shares or other securities directly or indirectly convertible into or exchangeable for common stock.

(D) "Additional Shares of common stock" shall mean all shares of common stock issued (or, pursuant to Subsection 4(d)(iii) below, deemed to be issued) by the Company after the Original Issue Date, other than Key Employee Shares (as defined below) and other than shares of common stock issued or issuable:

(1.) as a dividend or distribution on Series A Preferred;

(2.) by reason of a dividend, stock split, split up or other distribution on shares of common stock excluded from the definition of Additional Shares of common stock by the foregoing clause (1);

(3.) upon the exercise of options excluded from the definition of "Option" in Subsection 4(d)(i)(A); or

(4.) upon conversion of shares of Series A Preferred;

(5.) upon conversion of Convertible Securities existing as of the date of this Certificate; or

(6.) upon conversion of the Convertible Line of Credit Note with Daniel Sassano in the amount of $600,000.

(E) "Key Employee Shares" shall mean shares of common stock issued to directors or key employees of or consultants to the Company pursuant to a restricted stock plan or agreement approved by the Board of Directors, up to that number of shares of common stock as is equal to ten (10%) percent of the common stock outstanding (provided that, for purposes of this Subsection 4(d)(i)(E), all shares of common stock issuable upon (1) exercise of options granted or available for grant under plans approved by the Board of Directors, (2) conversion of shares of Preferred Stock, or (3) upon conversion of Preferred Stock issuable upon conversion or exchange of any Convertible Security, shall be deemed to be outstanding), minus the total number of shares subject to or issued pursuant to options excluded from the definition of "Option" in paragraph (A)

above (subject to appropriate adjustment for any stock dividend, stock split, combination or similar recapitalization affecting such shares).

(F) "Rights to Acquire common stock" (or "Rights") shall mean all rights issued by the Company to acquire common stock whatever by exercise of a warrant, option or similar call or conversion of any existing instruments, in either case for consideration fixed, in amount or by formula, as of the date of issuance.

(ii) No Adjustment of Conversion Price. No adjustment in the number of shares of common stock into which the Series A Preferred is convertible shall be made, by adjustment in the applicable Conversion Price thereof: (a) unless the consideration per share (determined pursuant to Subsection 4(d)(v)) below for an Additional Share of common stock issued or deemed to be issued by the Company is less than the applicable Conversion Price in effect on the date of, and immediately prior to, the issue of such additional shares, or (b) if prior to such issuance, the Company receives written notice from the holders of at least fifty one percent (51%) of the then outstanding shares of Series A Preferred agreeing that no such adjustment shall be made as the result of the issuance of Additional Shares of common stock.

(iii) Issue of Securities Deemed Issue of Additional Shares of common stock. If the Company at any time or from time to time after the Original Issue Date shall issue any Options or Convertible Securities or other Rights to Acquire common stock, then the maximum number of shares of common stock (as set forth in the instrument relating thereto without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options, Rights or, in the case of Convertible Securities, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of common stock issued as of the time of such issue, provided that Additional Shares of common stock shall not be deemed to have been issued unless the consideration per share (determined pursuant to Subsection 4(d)(v) hereof) of such Additional Shares of common stock would be less than the applicable Conversion Price in effect on the date of and immediately prior to such issue, or such record date, as the case may be, and provided further that in any such case in which Additional Shares of common stock are deemed to be issued:

(A) No further adjustment in the Conversion Price shall be made upon the subsequent issue of shares of common stock upon the exercise of such Rights or conversion or exchange of such Convertible Securities;

(B) Upon the expiration or termination of any unexercised Option or Right, the Conversion Price shall not be readjusted, but the Additional Shares of common stock deemed issued as the result of the original issue of such Option or Right shall not be deemed issued for the purposes of any subsequent adjustment of the Conversion Price; and

(C) In the event of any change in the number of shares of common stock issuable upon the exercise, conversion or exchange of any Option, Right or Convertible Security, including, but not limited to, a change resulting from the anti dilution provisions thereof, the Conversion Price then in effect shall forthwith be readjusted to such Conversion Price as would have obtained had the adjustment that was made upon the issuance of such Option, Right or Convertible Security not exercised or converted prior to such change been made upon the basis of such change, but no further adjustment shall be made for the actual issuance of common stock upon the exercise or conversion of any such Option, Right or Convertible Security.

(iv) Adjustment of Conversion Price upon Issuance of Additional Shares of common stock. If the Company shall at any time after the Original Issue Date issue Additional Shares of common stock (including Additional Shares of common stock deemed to be issued pursuant to Subsection 4(d)(iii), but excluding shares issued as a dividend or distribution as provided in Subsection 4(f) or upon a stock split or combination as provided in Subsection 4(e)), without consideration or for a consideration per share less than the

applicable Conversion Price in effect on the date of and immediately prior to such issue, then and in such event, such Conversion Price shall be reduced, concurrently with such issue to a price (calculated to the nearest cent) determined by multiplying such Conversion Price by a fraction, (a) the numerator of which shall be (1) the number of shares of common stock outstanding immediately prior to such issue plus (2) the number of shares of common stock which the aggregate consideration received by the Company for the total number of Additional Shares of common stock so issued would purchase at such Conversion Price; and (b) the denominator of which shall be (1) the number of shares of common stock outstanding immediately prior to such issue plus (2) the number of such Additional Shares of common stock so issued.

Notwithstanding the foregoing, the applicable Conversion Price shall not be reduced if the amount of such reduction would be an amount less than $.05, but any such amount shall be carried forward and reduction with respect thereto made at the time of and together with any subsequent reduction which, together with such amount and any other amount or amounts so carried forward, shall aggregate $.05 or more.

(v) Determination of Consideration. For purposes of this Subsection 4(d), the consideration received by the Company for the issue of any Additional Shares of common stock shall be computed as follows:

(A) Cash and Property: Such consideration shall:

(1.) insofar as it consists of cash, be computed at the aggregate of cash received by the Company, excluding amounts paid or payable for accrued interest or accrued dividends;

(2.) insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board of Directors; and

(3.) in the event Additional Shares of common stock are issued together with other shares or securities or other assets of the Company for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (1) and (2) above, as determined in good faith by the Board of Directors.

(B) Options, Rights and Convertible Securities. The consideration per share received by the Company for Additional Shares of common stock deemed to have been issued pursuant to Subsection 4(d)(ii), relating to Options, Rights and Convertible Securities, shall be determined by dividing

(1.) the total amount, if any, received or receivable by the Company as consideration for the issue of such Options, Rights or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Company upon the exercise of such Options, Rights or the conversion or exchange of such Convertible Securities, by

(2.) the maximum number of shares of common stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

(e) Adjustment for Stock Splits and Combinations. If the Company shall at any time or from time to time after the Original Issue Date effect a subdivision of the outstanding common stock, the Conversion Price then in effect immediately before that subdivision shall be proportionately decreased. If the Company shall at any time or from time to time after the Original Issue Date combine the outstanding shares of common stock, the Conversion Price then in effect immediately before the combination shall be proportionately increased. Any

adjustment under this paragraph shall become effective at the close of business on the date the subdivision or combination becomes effective.

(f) Adjustment for Certain Dividends and Distributions. In the event the Company at any time, or from time to time after the Original Issue Date shall make or issue, a dividend or other distribution payable in Additional Shares of common stock, then and in each such event the Conversion Price shall be decreased as of the time of such issuance, by multiplying the Conversion Price by a fraction:

(i) the numerator of which shall be the total number of shares of common stock issued and outstanding immediately prior to the time of such issuance, and

(ii) the denominator of which shall be the total number of shares of common stock issued and outstanding immediately prior to the time of such issuance plus the number of shares of common stock issuable in payment of such dividend or distribution.

(g) Adjustments for Other Dividends and Distributions. In the event the Company at any time or from time to time after the Original Issue Date shall make or issue a dividend or other distribution payable in securities of the Company other than shares of common stock, then and in each such event provision shall be made so that the holders of shares of the Series A Preferred shall receive upon conversion thereof in addition to the number of shares of common stock receivable thereupon, the amount of securities of the Company that they would have received had their Series A Preferred been converted into common stock on the date of such event and had thereafter, during the period from the date of such event to and including the conversion date, retained such securities receivable by them as aforesaid during such period given application to all adjustments called for during such period, under this paragraph with respect to the rights of the holders of the Series A Preferred.

(h) Adjustment for Reclassification, Exchange, or Substitution. If the common stock issuable upon the conversion of the Series A Preferred shall be changed into the same or a different number of shares of any class or classes of stock, whether by capital reorganization, reclassification, or otherwise (other than a subdivision or combination of shares or stock dividend provided for above, or a reorganization, merger, consolidation, or sale of assets for below), then and in each such event the holder of each share of Series A Preferred shall have the right thereafter to convert such share into the kind and amount of shares of stock and other securities and property receivable upon such reorganization, reclassification, or other change, by holders of the number of shares of common stock into which such shares of Series A Preferred might have been converted immediately prior to such reorganization, reclassification, or change, all subject to further adjustment as provided herein.

(i) Adjustment for Merger or Reorganization, etc. In case of any consolidation or merger of the Company with or into another corporation or the sale of all or substantially all of the assets of the Company to another corporation,

(i) if the surviving entity shall consent in writing to the following provisions, then each share of Series A Preferred shall thereafter be convertible into the kind and amount of shares of stock or other securities or property to which a holder of the number of shares of common stock of the Company deliverable upon conversion of such Series A Preferred would have been entitled upon such consolidation, merger or sale; and, in such case, appropriate adjustment (as determined in good faith by the Board of Directors) shall be made in the application of the provisions in this Section 4 set forth with respect to the rights and interest thereafter of the holders of the Series A Preferred, to the end that the provisions set forth in this Section 4 (including provisions with respect to changes in and other adjustments of the Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any shares of stock or other property thereafter deliverable upon the conversion of the Series A Preferred; or

(ii) if the surviving entity shall not so consent, then each holder of Series A Preferred may, after receipt of notice specified in subsection (i), elect to convert such Stock into Common Shares as provided in this Section 4 or to accept the distributions to which he shall be entitled under Section 2(a) through (c).

(j) No Impairment. The Company will not, by amendment of its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Section 4 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series A Preferred against impairment.

(k) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 4, the Company at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder, if any, of Series A Preferred a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based and shall file a copy of such certificate with its corporate records. The Company shall, upon the written request at any time of any holder of Series A Preferred, furnish or cause to be furnished to such holder a similar certificate setting forth (1) such adjustments and readjustments, (2) the Conversion Price then in effect, and (3) the number of shares of common stock and the amount, if any, of other property which then would be received upon the conversion of Series A Preferred. Despite such adjustment or readjustment, the form of each or all Series A Preferred Certificates, if the same shall reflect the initial or any subsequent conversion price, need not be changed in order for the adjustments or readjustments to be valued in accordance with the provisions of this Certificate of Designation, which shall control.

(l) Notice of Record Date. In the event:

(i) that the Company declares a dividend (or any other distribution) on its common stock payable in common stock or other securities of the Company;

(ii) that the Company subdivides or combines its outstanding shares of common stock;

(iii) of any reclassification of the common stock of the Company (other than a subdivision or combination of its outstanding shares of common stock or a stock dividend or stock distribution thereon), or of any consolidation or merger of the Company into or with another corporation, or of the sale of all or substantially all of the assets of the Company; or

(iv) of the involuntary or voluntary dissolution, liquidation or winding up of the Company;

then the Company shall cause to be filed at its principal office or at the office of the transfer agent of the Series A Preferred, and shall cause to be mailed to the holders of the Series A Preferred at their last addresses as shown on the records of the Company or such transfer agent, at least ten days prior to the record date specified in (A) below or twenty days before the date specified in (B) below, a notice stating

(A) the record date of such dividend, distribution, subdivision or combination, or, if a record is not to be taken, the date as of which the holders of common stock of record to be entitled to such dividend, distribution, subdivision or combination are to be determined, or

(B) the date on which such reclassification, consolidation, merger, sale, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of common stock of record shall be entitled to exchange their shares of common stock for securities or other property deliverable upon such reclassification, consolidation, merger, sale, dissolution or winding up.

5. Mandatory Conversion.

(a) The holders of shares of Series A Preferred then outstanding shall be required to convert all their shares of Series A Preferred into shares of common stock, at the then effective conversion rate pursuant to Section 4, (1) immediately prior to the closing of the sale of shares of common stock, at a price per share which exceeds 300% of the Conversion Price then in effect, in a fully, underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, other than a registration relating solely to a transaction under Rule 145 under such Act (or any successor thereto) or to an employee benefit plan of the Company, underwritten by a reputable underwriter acceptable to the holders of a majority of the then outstanding Series A Preferred, resulting in at least $10,000,000 of gross proceeds to the Company, or (2), upon the vote of Sixty-Six and 67/100 percent (66.67%) of the outstanding shares of Series A Preferred.

(b) All holders of record of shares of Series A Preferred then outstanding will be given at least ten (10) days prior written notice of the date fixed and the place designated for mandatory conversion of all such shares of Series A Preferred pursuant to this Section 5. Such notice will be sent by first class or registered mail, postage prepaid, to each record holder of Series A Preferred at such holder's address last shown on the records of the transfer agent for the Series A Preferred (or the records of the Company, if it serves as its own transfer agent).

6. Redemption of the Series A Preferred.

(a) Commencing not earlier than October 30, 2012, the Company shall, at the written request of holders of a majority of the outstanding shares of Series A Preferred, redeem all of the Series A Preferred. The redemption price for each share of Series A Preferred shall be the Original Purchase Price per share plus all declared and unpaid dividends. The redemption shall occur within One Hundred and Twenty (120) days of the request from holders of the Series A Preferred.

(b) Commencing not earlier than October 30, 2012, the Company shall have the option by delivery of notice to all the holders of the outstanding shares of Series A Preferred, to redeem all of the Series A Preferred. The Notice shall be provided to all the holders of the outstanding shares of Series A Preferred not less than sixty (60) days prior to the date of redemption. The redemption price for each share of Series A Preferred shall be One Hundred and Twenty ($120.00) per share plus all declared and unpaid dividends.

(c) The notice by the Company of the exercise of the redemption option pursuant to Section 6(a) or (b) of this Section 6 shall be sent by first class certified mail, postage prepaid and return receipt requested to all holders of the shares of Series A Preferred at their respective addresses as the same shall appear on the books of the Company.

(d) If upon the Redemption Date the assets of the Company available for redemption are insufficient to pay the holders of outstanding shares of Series A Preferred the full amounts to which they are entitled, such holders of shares of Series A Preferred shall share ratably according to the respective amounts which would be payable in respect of such shares to be redeemed by the holders thereof, if all amounts payable on or with respect to such shares were paid in full.

(e) Any shares of Series A Preferred redeemed pursuant to this Section or otherwise acquired by the Company in any manner whatsoever shall be canceled and shall not under any circumstances be reissued; the Company may from time to time take such appropriate corporate action as may be necessary to reduce accordingly the number of authorized shares of the Company's capital stock.

(f) Anything contained in this Section 6 to the contrary notwithstanding, the holders of shares of Series A Preferred to be redeemed in accordance with this Section shall have the right, exercisable at any time up to the close of business on the applicable redemption date (unless the Company is legally prohibited from redeeming such shares on such date, in which event such right shall be exercisable until the removal of such legal disability), to convert all or any part of such shares to be redeemed as herein provided into shares of common stock pursuant to Section 4 hereof.

7. Amendment.

This Certificate of Designation constitutes an agreement between the Company and the holders of the Series A Preferred. It may be amended by vote of the Board of Directors of the Company and the holders of a majority of the outstanding shares of Series A Preferred.

THIRD AMENDED AND RESTATED
BY-LAWS
OF
SPECIALIZED PHARMACEUTICALS, INC.
a Pennsylvania corporation

Adopted as of: October, 17, 2016

These By-Laws are adopted by the Corporation and are supplemental to the Pennsylvania Business Corporation Law (the "PBCL") as the same shall from time to time be in effect.

ARTICLE I

IDENTIFICATION; OFFICES

SECTION 1.1 Name. The name of or the corporation is Specialized Pharmaceuticals, Inc. (the "Corporation").

SECTION 1.2 Registered Office; Other Offices. The registered office of the Corporation in the Commonwealth of Pennsylvania shall be located in the City of Harrisburg, County of Dauphin, Commonwealth of Pennsylvania. The Corporation may have such other offices, either within or without the Commonwealth of Pennsylvania, as the business of the Corporation may require from time to time.

ARTICLE II

SHAREHOLDERS

SECTION 2.1 Annual Meeting. An annual meeting of the Shareholders shall be held each year within five (5) months after the close of the fiscal year of the Corporation. At each annual meeting, the Shareholders shall elect the Directors of the Corporation as provided in Section 3.2 of these By-Laws, and may conduct any additional proper business.

SECTION 2.2 Special Meeting. A special meeting of the Shareholders may be called by the President of the Corporation, by the Chairman of the Board of Directors, or by such other officers or persons as the Board of Directors may designate.

SECTION 2.3 Place of Shareholder Meetings. The Board of Directors may designate any place, either within or without the Commonwealth of Pennsylvania, as the place of meeting for any annual meeting or for any special meeting. If no such place is designated by the Board of Directors, the place of meeting will be the principal business office of the Corporation.

SECTION 2.4 Notice of Meetings. Unless waived as herein provided, whenever Shareholders are required or permitted to take any action at a meeting, written notice of the meeting shall be given stating the place, date and hour of the meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called. The written notice shall be given not less than ten (10) days nor more than sixty (60) days before the date of the meeting to each Shareholder entitled to vote at the meeting or in the event of a merger,

consolidation, share exchange, dissolution or sale, lease or exchange of all or substantially all of the Corporation's property, business or assets not less than twenty (20) days before the meeting date. If mailed, notice is given when deposited in the United States mail, postage prepaid, directed to the Shareholder at the Shareholder's address as it appears on the records of the Corporation.

When a meeting is adjourned to another time or place in accordance with Section 2.5 of these By-Laws, notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting in which the adjournment is taken. At the adjourned meeting the Corporation may conduct any business which might have been transacted at the original meeting. If the adjournment is for more than thirty days (30), or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Shareholder of record entitled to vote at the meeting.

SECTION 2.5 Quorum and Adjourned Meetings. Unless otherwise provided by law or the Corporation's Articles of Incorporation, a majority of the shares entitled to vote, present in person or represented by proxy, shall constitute a quorum at a meeting of Shareholders. If less than a majority of the shares entitled to vote at a meeting of Shareholders is present in person or represented by proxy at such meeting, a majority of the shares so represented may adjourn the meeting from time to time without further notice. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the original meeting. The Shareholders present at a meeting may continue to transact business until adjournment, notwithstanding the withdrawal of such number of Shareholders may leave less than a quorum.

SECTION 2.6 Fixing of Record Date.

(a) For the purpose of determining Shareholders entitled to notice of or to vote at any meeting of Shareholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board of Directors, the record date for determining Shareholders entitled to notice of or to vote at a meeting of Shareholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of Shareholders of record entitled to notice of or to vote at a meeting of Shareholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

(b) For the purpose of determining Shareholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is established by the Board of Directors, and which date shall not be more than ten (10) days after the date on which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining Shareholders entitled to consent to corporate action in writing without a meeting, when no prior action by the

Board of Directors is required by law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivery to its registered office in the Commonwealth of Pennsylvania, its principal office, or an officer or agent of the Corporation having custody of the book in which the proceedings of meetings of Shareholders are recorded. Delivery to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by law, the record date for determining Shareholders' consent to corporate action in writing without a meeting shall be the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

(c) For the purpose of determining the Shareholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the Shareholders entitled to exercise any rights in respect to any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix the record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining the Shareholders for any such purpose shall be the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

SECTION 2.7 Voting List. The officer in charge of the stock ledger of the Corporation shall prepare, at least ten (10) days prior to every meeting of Shareholders, a complete list of Shareholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each shareholder and the number of shares registered in the name of each shareholder. Such list shall be open to the examination of any Shareholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the meeting during the whole time thereof, and may be inspected by any Shareholder who is present. The stock ledger shall be the only evidence as to who are the Shareholders entitled to examine the stock ledger, the list required by this Section 2.7 or the books of the corporation or to vote in person or by proxy at any meeting of Shareholders.

SECTION 2.8 Voting. Unless otherwise provided by the Articles of Incorporation, each Shareholder shall be entitled to one (1) vote for each share of capital stock held by each Shareholder. In all matters other than the election of Directors, the affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of the Shareholders. Directors shall be elected by plurality of the votes of the shares present in person or represented by a proxy at the meeting entitled to vote on the election of Directors.

SECTION 2.9 Proxies. Each Shareholder entitled to vote at a meeting of Shareholders or to express consent or dissent to corporate action in writing without a meeting may vote either in person or by proxy, but no such proxy shall be voted or acted upon after three (3) years from its date, unless the proxy provides for a longer period. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with

an interest sufficient in law to support an irrevocable power. A proxy may remain irrevocable regardless of whether the interest with which it is coupled is an interest in the stock itself or an interest in the Corporation generally. Every proxy shall be in writing, subscribed by the Shareholder or his duly authorized attorney-in-fact, but need not be sealed, witnessed or acknowledged.

SECTION 2.10 **Ratification of Acts of Directors and Officers.** Except as otherwise provided by law or by the Articles of Incorporation of the Corporation, any transaction or contract or act of the Corporation or of the Directors or the officers of the Corporation may be ratified by the affirmative vote of the holders of the number of shares which would have been necessary to approve such transaction, contract or act at a meeting of Shareholders, or by the written consent of Shareholders in lieu of a meeting.

SECTION 2.11 **Written Action of Shareholders.** Any action required to be taken at any annual or special meeting of Shareholders of the Corporation, or any action which may be taken at any annual or special meeting of such Shareholders, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those Shareholders who have not consented in writing.

SECTION 2.12 **Organization.** Such person as the Board of Directors may designate or, in the absence of such a designation, the President of the Corporation or, in his or her absence, such person as may be chosen by the holders of a majority of the shares entitled to vote who are present, in person or by proxy, shall call to order any meeting of the Shareholders and act as chairman of such meeting. In the absence of a Secretary of the Corporation, the chairman of the meeting shall appoint a person to serve as secretary at the meeting.

ARTICLE III

SECTION 3.2 **Constitution of the Board; Rights and Powers of the Board; Meetings of the Board.**

(c) Except as specifically provided otherwise in this Agreement or by non-waivable provisions of the PBCL, any action taken by the Board may only be taken with the approval, either in writing or at a duly called meeting, of Directors holding (in accordance with this Section 3.2(c)) a majority of the votes held by the Directors then serving on the Board. Each Director shall be entitled to one (1) vote on matters coming before the Board.

(d) The Board may establish one or more committees, which shall be comprised solely of Directors.

(e) Unless otherwise required by law or as approved by the Board, the composition of the Board of Directors (or body serving a similar function) of each Subsidiary of the Company, if any (each, a "Sub Board"), shall be the same as that of the Board, and the provisions of this Section 3.2 shall apply equally to each Sub Board (including as to the number of votes for Directors pursuant to Section 3.2 and the designation and replacement of Sub Board members)

(f) The Company shall reimburse each Director for all reasonable out-of-pocket expenses incurred in connection with his or her duties as a Board member or committee member.

SECTION 3.3 Meetings of Board.

(a) The Board may hold its meetings in such place or places in the State of Delaware or outside the State of Delaware as it shall determine from time to time.

(b) Meetings of the Board or a Board committee shall be held whenever called by at least two (2) Directors. Notice of the day, hour and place of holding of each meeting of the Board or any meeting of a Board committee shall be given to each Director or committee member by email or any other method under Article X, at least twenty four (24) hours before the meeting. Unless otherwise indicated in the notice thereof, any and all business may be transacted at any such meeting. At any meeting at which every Director or committee member shall be present, even though without any notice, any business may be transacted.

If at any meeting of the Board or committee thereof, there is less than a quorum present, holders of a majority of the votes held by those present may adjourn the meeting from time to time until a quorum is present.

(d) Any Director may participate in any meeting of the Board or a Board committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participation shall constitute

presence in person at such meeting. Any Director may participate in any meeting either in person or by proxy.

(c) Any action required or permitted to be taken at any meeting of the Board or a committee thereof may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by Directors holding (in accordance with Section 3.2(c)) a majority of the votes held by the Directors then serving on the Board or such committee. Prompt notice of the taking of an action without a meeting by less than unanimous written consent shall be given to those Directors who have not consented in writing. CERTIFICATES FOR SHARES

SECTION 6.1 Certificates of Shares. The shares of the Corporation shall be represented by certificates, provided that the Board of Directors of the Corporation may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. Notwithstanding the adoption of such a resolution by the Board of Directors, every holder of stock represented by certificates and upon request every holder of uncertificated shares shall be entitled to have a certificate signed by, or in the name of the Corporation by the Chairman or Vice Chairman of the Board of Directors, Chief Executive Officer, or the President or Vice President, and by the Treasurer or an Assistant Treasurer, or the Secretary or an Assistant Secretary of the Corporation representing the number of shares registered in certificate form. Any or all the signatures on the certificate may be a facsimile.

SECTION 6.2 Signatures of Former Officer, Transfer Agent or Registrar. In case any officer, transfer agent, or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if such person or entity were such officer, transfer agent or registrar at the date of issue.

SECTION 6.3 Transfer of Shares. Transfers of shares of the Corporation shall be made only on the books of the Corporation by the holder of record thereof or by his legal representative, who shall furnish proper evidence of authority to transfer, or by his or her

SECTION 6.4 Lost, Destroyed Certificates. CONTRACTS, LOANS, CHECKS AND DEPOSITS, INDEMNIFICATION AND FISCAL YEAR END

SECTION 8.1 Contracts. The Board of Directors may authorize any officer or officers, agent or agents, to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation, and such authority may be general or confined to specific instances.

SECTION 8.2 Loans. No loans shall be contracted on behalf of the Corporation and no evidences of indebtedness shall be issued in its name unless authorized by a resolution of the Board of Directors. Such authority may be general or confined to specific instances.

SECTION 8.3 Signatories. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Corporation shall be signed by one (1) or more officers or agents of the Corporation and in such manner as shall from time to time be determined by resolution of the Board of Directors.

SECTION 8.4 Deposits. The funds of the Corporation may be deposited or invested in such bank account, in such investments or with such other depositaries as determined by the Board of Directors.

SECTION 8.5 Indemnification of Directors and Officers.

(a) No director of the Corporation or any other Covered Person ("QoL Covered Person") shall be liable to the Corporation or any other QoL Covered Person for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such QoL Covered Person in good faith on behalf of the Corporation, its Subsidiaries or any Persons which at such time own, directly or indirectly through another Person, at least a majority of the outstanding Capital Securities of the Corporation ("Parents" and each a "Parent"), and in a manner reasonably believed to be within the scope of authority conferred on such QoL, Covered Person by these By-Laws, except that a QoL Covered Person shall not be released from liability for any such loss, damage or claim incurred by reason of such QoL Covered Person's fraud, intentional misconduct or bad faith violation of the implied contractual covenant of good faith and fair dealing, and this provision shall not reduce or limit the contractual liability of an QoL Covered Person for breach of any Related Agreement or other agreement with the Corporation or a Subsidiary or Parent to which such QoL Covered Person is a party.

(b) A QoL Covered Person shall be fully protected in relying in good faith upon the records of the Corporation and its Subsidiaries and Parents and upon such information, opinions, reports or statements presented to the Corporation and its Subsidiaries and Parents by any Person as to matters the QoL Covered Person reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation and its Subsidiaries and Parents, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits, losses or income or any other facts pertinent to the existence and amount of assets from which distributions to Corporation's stockholders might properly be paid.

(c) To the fullest extent permitted by applicable law, no QoL Covered Person shall have any duty (including any fiduciary duty or any other duty or standard of care that may arise by default principles of law) to the Corporation or any Subsidiary, Parent, stockholder, director or other Persons, provided, however, that nothing in these By-Laws eliminates the implied contractual covenant of good faith and fair dealing. Without limitation of the foregoing, whenever in these By-Laws or at law or in equity a QoL Covered Person is permitted or required to exercise such Person's discretion in acting in such capacity, including making any elections or granting, withholding or conditioning any consent, such QoL Covered Person shall be entitled to consider only such interests and factors as such QoL Covered Person elects and shall have no duty or obligation to give any consideration to any interests of or factors affecting the Corporation or any Subsidiary, Parent, stockholder, director or other Persons, or to disclose any such real, perceived or potential conflicts. The Corporation and each stockholder agree that the provisions of these By-Laws, to the extent such provisions eliminate, restrict or limit the duties (including, without limitation, fiduciary duties) or liabilities of QoL Covered Persons that may otherwise exist at law or in equity, shall replace such duties and liabilities of QoL Covered Persons to the fullest extent permitted by applicable law.

(d) The Corporation shall indemnify and hold harmless each QoL Covered Person to the fullest extent permitted by applicable law from and against any and all losses, claims, demands, costs, damages, liabilities (joint or several), expenses of any nature (including reasonable legal and accounting fees and expenses, costs of investigation and sums paid in

settlement), judgments, fines, settlements, and other amounts ("Indemnified Costs") arising from any and all claims, demands, actions, suits, or proceedings, whether civil, criminal, administrative or investigative, in which the QoL Covered Person may be involved, or threatened to be involved as a party or otherwise, incurred by reason of any act or omission performed or omitted by such QoL Covered Person in connection with matters relating to the Corporation and its Subsidiaries and Parents, and in a manner reasonably believed to be within the scope of authority conferred on such QoL Covered Person, regardless of whether the QoL Covered Person is a QoL Covered Person at the time any such Indemnified Cost is paid or incurred, except that no QoL Covered Person shall be entitled to be indemnified in respect of (and this provision shall not reduce or limit the liability of a QoL Covered Person with respect to) any Indemnified Cost incurred by such QoL Covered Person by reason of such QoL Covered Person's fraud, intentional misconduct or bad faith violation of the implied contractual covenant of good faith and fair dealing, and this provision shall not reduce or limit the contractual liability of a QoL Covered Person for breach of a Related Agreement or other agreement with the Corporation or a Subsidiary or Parent to which such QoL Covered Person is a party; provided, however, that any indemnity under this Section 8.5 shall be provided out of and to the extent of the assets of the Corporation's and its Subsidiaries', and no QoL Covered Person shall have any personal liability on account thereof. Further, the Corporation shall not indemnify any QoL Covered Person in connection with a proceeding (or part thereof) initiated by such Person against the Corporation or any Subsidiary or Parent or any other QoL Covered Person, whether by direct claim, counterclaim or otherwise, unless the initiation thereof was approved or ratified by the Board of Directors of the Corporation.

(e) The indemnification provided by this Article VIII shall be in addition to any other rights to which a QoL Covered Person may be entitled under any agreement, vote of the Board of Directors of the Corporation, as a matter of law or equity, or otherwise, both as to an action in the QoL Covered Person's capacity as a QoL Covered Person, and as to an action in another capacity, and shall continue as to a QoL Covered Person who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns, and administrators of each QoL Covered Person.

(f) Notwithstanding any other provision of this Article VIII, the Corporation shall reimburse Indemnified Costs incurred by a QoL Covered Person in connection with such Person's appearance as a witness on behalf of the Corporation or its Subsidiaries or Parents or other participation at the request of the Corporation or a Subsidiary or Parent in a proceeding involving or affecting the Corporation or its Subsidiaries or Parents at a time when the QoL Covered Person is not a named defendant or respondent in the proceeding.

(g) The Board of Directors of the Corporation shall cause the Corporation to purchase and maintain directors' and officers' insurance on behalf of the applicable QoL Covered Persons and/or the Corporation and its Subsidiaries and Parents against liabilities asserted against any such QoL Covered Person and incurred by any such QoL Covered Person in such Person's capacity as such or arising out of such QoL Covered Person's status in such capacity, regardless of whether the Corporation would have the power to indemnify the QoL Covered Person against that liability under this Article VIII, to the extent that such insurance is available on commercially reasonable terms. In furtherance of the foregoing, the Corporation shall obtain and maintain directors' and officers' liability insurance with coverage in a face amount determined

by the Board of Directors of the Corporation. The indemnification provided by this Article VIII shall be in addition to any other rights to which the QoL Covered Persons may be entitled under any agreement, vote of the Board of Directors of the Corporation, as a matter of law, or otherwise, shall continue as to a QoL Covered Person who has ceased to serve in such capacity, and shall inure to the benefit of the heirs, successors, assigns and administrators of the QoL Covered Persons.

(h) A QoL Covered Person shall not be denied indemnification in whole or in part under this Article VIII solely because the QoL Covered Person had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of any Related Agreement.

(i) To the fullest extent permitted by applicable law, the Corporation may, in the sole discretion of the Board of Directors of the Corporation, from time to time advance expenses (including reasonable legal fees and expenses, and costs of investigation) incurred by a QoL Covered Person in defending or settling any claim, demand, action, suit or proceeding prior to the final disposition of such claim, demand, action, suit or proceeding that may be subject to a right of indemnification hereunder upon receipt by the Corporation of a written undertaking by or on behalf of the QoL Covered Person to repay such amount if it shall be finally determined that the QoL Covered Person is not entitled to be indemnified as authorized in this Article VIII.

(j) (1) The rights set forth in this Article VIII are contractual in nature and may not be revised as applied to prior actions of a QoL Covered Person by a subsequent amendment of these By-Laws without such QoL Covered Person's prior written approval.

(k) For the avoidance of doubt, the exculpation, indemnification and advancement of expenses provisions set forth in Article 6 of the Amended and Restated Bylaws of the Corporation that were adopted on December 11, 2007 and that were in effect immediately prior to the SPI Effective Time (as defined in that certain Agreement and Plan of Merger, dated October 14, 2013, by and among the Corporation and the other parties thereto) shall govern the rights of the current and former directors and officers of the Corporation for any and all actions or omissions occurring prior to the SPI Effective Time. The provisions set forth in Sections 8.5(a) through 8.5(l) of these By-Laws shall govern the rights of QoL Covered Persons for any and all actions or omissions occurring at or following the SPI Effective Time.

SECTION 8.6 Fiscal Year. Except as from time to time otherwise determined by the Board of Directors, the fiscal year of the Corporation shall end on December 31.

ARTICLE IX

AMENDMENTS

SECTION 9.1 Amendments. These By-Laws may be adopted, amended or repealed by a majority vote of either the Corporation's Board of Directors or its Shareholders.

UNITED STATES DISTRICT COURT

FOR THE CENTRAL DISTRICT OF CALIFORNIA

UNITED STATES OF AMERICA, Plaintiff, v. ARTURO VALENCIA, Defendant.	CR No. 05-0002-PA STIPULATION TO CONTINUE DEFENDANT ARTURO VALENCIA'S SENTENCING HEARING Sentencing Date: July 20, 2007 Proposed Date: January 7, 2008

Plaintiff United States of America, by and through its counsel of record, the United States Attorney for the Central District of California, defendant Arturo Valencia ("Valencia"), individually and through his counsel, Federal Public Defender Nadine Hettle, hereby agree and jointly stipulate, and request that the court continue defendant Valencia's sentencing hearing from July 20, 2007, at 8:30 a.m., to January 8, 2008, at 8:30

///

///

a.m. for the following reasons:

1. On February 14, 2005, defendant Valencia pled guilty to a two-count information of conspiring to commit immigration fraud and his participation in an immigration fraud scheme which involved the law corporation of Korenberg, Abramowitz & Feldun ("KAF").

2. After defendant entered his guilty plea, the government continued its investigation into the illegal activities of KAF in relation to KAF's partners, associates and employees who participated in an immigration fraud scheme. To that end, defendant agreed to assist the government in completing its investigation, and has been doing so since entering his guilty plea.

3. Two partners of the KAF law firm, Daniel Korenberg ("Korenberg") & Steven Rodriguez ("Rodriguez"), have been indicted on presenting false immigration documents and petitions to the Immigration and Naturalization Service ("INS") in violation of Title 18, United States Code, Sections 371, 1001, and 1546(a). Korenberg and Rodriguez are set to proceed to trial on October 16, 2007.

4. Several defendants are scheduled to be sentenced in November and December 2007. Defendant Valencia's cooperation may be needed to prepare for those sentencings.

5. Defendant presently is on bond and has fully complied with all of the terms of pretrial release. Neither defendant nor defendant's counsel object to a continuance of the sentencing in this matter. Therefore, the parties request that defendant's sentencing date be continued to December 3, 2007 to provide

defendant further opportunity to cooperate and for the government to evaluate the scope and extent of defendant's cooperation and file a Section 5K1.1 motion, if warranted. The parties also request a continuance in the time to respond to the Presentence Report, and agree to serve the Probation Department their respective response by hand delivery.

Accordingly, the parties jointly request that the sentencing in this matter should be continued from July 20, 2007 to January 8, 2008, at 8:30 a.m.

2 attorneys charged with work visa fraud

The immigration lawyers allegedly filed false applications for foreign nationals employed at their firm, and perhaps for others.

By Anna Gorman
Times Staff Writer

Two local immigration attorneys have been charged with fraud after allegedly filing false employment visa applications for 14 foreign nationals working for their firm, according to a federal grand jury indictment released Thursday.

The lawyers, of ASK Law Group in Sherman Oaks, filed the fraudulent applications and paid their employees in cash while awaiting approval for the visas, according to the indictment. Investigators believe the attorneys also filed false visa applications on behalf of hundreds of other foreigners looking for work at other companies.

"This is the largest immigration fraud probe ever mounted against a Los Angeles-area law firm," said Jennifer Silliman, deputy special agent in charge of the local office of Immigration and Customs Enforcement.

The indictment charges Daniel Korenberg, a senior partner at the law firm, and Steven James Rodriguez, a senior associate, with visa fraud and conspiracy to commit visa fraud. Korenberg faces a possible sentence of 225 years in federal prison. Rodriguez faces up to 15 years in prison.

Another partner in the firm, Philip Abramowitz, 53, has already pleaded guilty to conspiracy and visa fraud.

The indictment accused the men of committing fraud between 2000 and 2003.

To obtain an employment visa for a foreign worker, a company must prove it cannot find a qualified U.S. employee to fill a specific job. The H-1B visas are limited to foreign workers with at least a bachelor's degree. Firms must pay foreign workers the prevailing wage.

Investigators said Korenberg, 57, and Rodriguez, 40, wrote false job titles and salaries on the visa applications, citing jobs that didn't exist. They also allegedly lied about the foreigners' work experience.

The fake job titles included accountant, human resources specialist and systems analyst/programmer. The employees were actually doing secretarial work, investigators said.

Several were here on visitors' visas, which did not allow them to work, agents said.

U.S. Citizenship and Immigration Services plans to review all the visa applications that are suspect, said spokeswoman Marie Sebrechts. If applicants were complicit in any fraud, their visas could be revoked, she said.

The ASK Law Group is based in Sherman Oaks, but has offices in Los Angeles, San Diego, San Francisco and Las Vegas. According to the firm's website, lawyers provide services to individuals, small businesses and large corporations.

Because the defendants are attorneys, Silliman said, they know how to work the system and get around loopholes.

"It's always disturbing when attorneys manipulate the system for financial gain," said Thom Mrozek, spokesman for the U.S. attorney's office in Los Angeles.

Korenberg, Abramowitz and Rodriguez did not return calls for comment. Korenberg and Rodriguez are scheduled to appear in U.S. District Court in Los Angeles on March 29.

The firm had a decent reputation, so the charges were shocking, said John Ayala, vice chairman of the Southern California chapter of the American Immigration Lawyers Assn.

"We hope the allegations are not true," Ayala said. "If they are found true, I think it's an aberration. It doesn't reflect the immigration bar of Southern California."

UNITED STATES OF AMERICA, Plaintiff, v. ARTURO VALENCIA, Defendant.	CR No. 05-0002-PA STIPULATION TO CONTINUE DEFENDANT ARTURO VALENCIA'S SENTENCING HEARING Sentencing Date: July 20, 2007 Proposed Date: January 7, 2008

Plaintiff United States of America, by and through its counsel of record, the United States Attorney for the Central District of California, defendant Arturo Valencia ("Valencia"), individually and through his counsel, Federal Public Defender Nadine Hettle, hereby agree and jointly stipulate, and request that the court continue defendant Valencia's sentencing hearing from July 20, 2007, at 8:30 a.m., to January 8, 2008, at 8:30

///

///

a.m. for the following reasons:

1. On February 14, 2005, defendant Valencia pled guilty to a two-count information of conspiring to commit immigration fraud and his participation in an immigration fraud scheme which involved the law corporation of Korenberg, Abramowitz & Feldun ("KAF").

2. After defendant entered his guilty plea, the government continued its investigation into the illegal activities of KAF in relation to KAF's partners, associates and employees who participated in an immigration fraud scheme. To that end, defendant agreed to assist the government in completing its investigation, and has been doing so since entering his guilty plea.

3. Two partners of the KAF law firm, Daniel Korenberg ("Korenberg") & Steven Rodriguez ("Rodriguez"), have been indicted on presenting false immigration documents and petitions to the Immigration and Naturalization Service ("INS") in violation of Title 18, United States Code, Sections 371, 1001, and 1546(a). Korenberg and Rodriguez are set to proceed to trial on October 16, 2007.

4. Several defendants are scheduled to be sentenced in November and December 2007. Defendant Valencia's cooperation may be needed to prepare for those sentencings.

5. Defendant presently is on bond and has fully complied with all of the terms of pretrial release. Neither defendant nor defendant's counsel object to a continuance of the sentencing in this matter. Therefore, the parties request that defendant's sentencing date be continued to December 3, 2007 to provide

defendant further opportunity to cooperate and for the government to evaluate the scope and extent of defendant's cooperation and file a Section 5K1.1 motion, if warranted. The parties also request a continuance in the time to respond to the Presentence Report, and agree to serve the Probation Department their respective response by hand delivery.

Accordingly, the parties jointly request that the sentencing in this matter should be continued from July 20, 2007 to January 8, 2008, at 8:30 a.m.

2 attorneys charged with work visa fraud

The immigration lawyers allegedly filed false applications for foreign nationals employed at their firm, and perhaps for others.

By Anna Gorman
Times Staff Writer

Two local immigration attorneys have been charged with fraud after allegedly filing false employment visa applications for 14 foreign nationals working for their firm, according to a federal grand jury indictment released Thursday.

The lawyers, of ASK Law Group in Sherman Oaks, filed the fraudulent applications and paid their employees in cash while awaiting approval for the visas, according to the indictment. Investigators believe the attorneys also filed false visa applications on behalf of hundreds of other foreigners looking for work at other companies.

"This is the largest immigration fraud probe ever mounted against a Los Angeles-area law firm," said Jennifer Silliman, deputy special agent in charge of the local office of Immigration and Customs Enforcement.

The indictment charges Daniel Korenberg, a senior partner at the law firm, and Steven James Rodriguez, a senior associate, with visa fraud and conspiracy to commit visa fraud. Korenberg faces a possible sentence of 225 years in federal prison. Rodriguez faces up to 15 years in prison.

Another partner in the firm, Philip Abramowitz, 53, has already pleaded guilty to conspiracy and visa fraud.

The indictment accused the men of committing fraud between 2000 and 2003.

To obtain an employment visa for a foreign worker, a company must prove it cannot find a qualified U.S. employee to fill a specific job. The H-1B visas are limited to foreign workers with at least a bachelor's degree. Firms must pay foreign workers the prevailing wage.

Investigators said Korenberg, 57, and Rodriguez, 40, wrote false job titles and salaries on the visa applications, citing jobs that didn't exist. They also allegedly lied about the foreigners' work experience.

The fake job titles included accountant, human resources specialist and systems analyst/programmer. The employees were actually doing secretarial work, investigators said.

Several were here on visitors' visas, which did not allow them to work, agents said.

U.S. Citizenship and Immigration Services plans to review all the visa applications that are suspect, said spokeswoman Marie Sebrechts. If applicants were complicit in any fraud, their visas could be revoked, she said.

The ASK Law Group is based in Sherman Oaks, but has offices in Los Angeles, San Diego, San Francisco and Las Vegas. According to the firm's website, lawyers provide services to individuals, small businesses and large corporations.

Because the defendants are attorneys, Silliman said, they know how to work the system and get around loopholes.

"It's always disturbing when attorneys manipulate the system for financial gain," said Thom Mrozek, spokesman for the U.S. attorney's office in Los Angeles.

Korenberg, Abramowitz and Rodriguez did not return calls for comment. Korenberg and Rodriguez are scheduled to appear in U.S. District Court in Los Angeles on March 29.

The firm had a decent reputation, so the charges were shocking, said John Ayala, vice chairman of the Southern California chapter of the American Immigration Lawyers Assn.

"We hope the allegations are not true," Ayala said. "If they are found true, I think it's an aberration. It doesn't reflect the immigration bar of Southern California."

Dear *State Board of Pharmacy,*

History Statement of Disciplinary Action is below. Please see attached sheets for discipline summary, as well as corporate officer discipline.

History Statement of Disciplinary Actions

In July of 2011 we launched our "Extended Supply Generic Drug Program" that provided affordable generic drugs. Our marketing efforts were initially directed at North Carolina providers via an exhibit booth at medical conferences. It was at those conferences that we started getting interest from providers outside of NC. Based on that doctor interest, we obtained our first non-resident permits in SC and FL.

As our program was gaining acceptance by patients and physicians, it was while pursuing our VA non-resident permit that I learned that some states require a PIC licensed in that state prior to issuing a permit. It was shortly after that I realized we were on to something, and we needed to start seeking our non-resident permits for as many states as possible. To do that, I started printing the applications for all 50 states.

To get as many licenses as quickly as possible, I initially separated the 47 applications into two piles, one "easy" and one "hard" (State licensed PIC required), and over a period of months we obtained all the easy permits, many of which went unused as we had not yet attracted any interest from them.

During the years from 2011 to 2013 we were very diligent about what states we were licensed in and turned down a great many requests from patients and physicians from unlicensed states. I can't tell you exactly what date we started making "exceptions" but it was in the beginning of 2014 I believe that at a patient's urging we gave in and shipped it to him without the license. After that, I rationalized "well, we are getting the licenses as fast as we can, we'll get it eventually, and if the doctor sends us the prescription we'll fill it." Needless to say, that is a decision I regret.

In late 2015, it became clear the outside interest was growing faster than my capability to get all the outstanding PIC requires licenses. It took a while to find but in February of 2016, I hired another pharmacist who, as part of his employment, would seek out the 20 remaining licenses via reciprocity "as fast as possible." His name is R. Brent Clevenger and to date he has been able to get about 1 new license per month. By December 2017, Marley Drug had obtained all nonresident licenses in all states, including the District of Columbia. Of note, Massachusetts does not require a nonresident permit to this date.

In December of 2016 we had an inspection from the NC Board of pharmacy. We initiated the inspection request secondary to states requirement for a current inspection as part of their application. During the inspection, it was determined

that we did not have all necessary permits. The investigator requested shipping reports for the states that we had shipped to that we were not licensed. We provided the reports. We also stopped shipping immediately to any of those states, until we could obtain the non-resident permit. During the months after the inspection, dispensing pharmacists were asked to remember which states we could ship to and which states we could not. Despite our efforts, a few prescriptions were inadvertently shipped into the states we were not licensed.

My passion for our generic drug program has always been about getting our generic medications in the hands of patients at a price they can afford, and that passion got the better of me in terms of the "hard" (PIC) licenses. It was never my intent to simply ignore the rules, but I admit that I failed to maintain the patience to do it properly.

CURRENT EFFORTS:

We have set internal policies to NOT ship any controlled substances, refrigerated items or compounded medications. While we've never compounded any sterile or complex prescriptions, we made it a store policy to not do ANY compounds (except reconstitution) as of 5/1/2017.

In March 2019, we implemented a multi-level computerized check system to ensure no medications are shipped to the states without permits. When reviewing our past deficiencies, we recognized human error and poor communication/understanding to be an issue. While we can never eliminate all human errors, we believe this check is helping us achieve better compliance.

In February 2019, pharmacist/owner Elizabeth Marley, PharmD changed employment to start as Marley Drug Compliance Coordinator. She will focus on maintaining compliance with resident and nonresident state regulations for all Marley Drug permits.

Respectfully submitted,

Dave Marley, PharmD.

BEFORE THE NORTH CAROLINA BOARD OF PHARMACY

In the Matter of: DAVID MARLEY (License No. 12343)	)	**CONSENT ORDER**

THIS MATTER came on to be considered at a prehearing conference (hereinafter, "Conference") before a member of the North Carolina Board of Pharmacy (hereinafter, "Board") pursuant to 21 N.C.A.C. 46 .2008. This Conference was scheduled for February 18, 2019 and, after appropriate notice, was heard on that day by Board Member Gene Minton at the office of the Board. Respondent David Marley (hereinafter "Respondent" or "Marley") was present and represented by counsel Crystal Carlisle. Counsel Clinton R. Pinyan represented the Board. Members of the Board's investigative staff and related respondents were also present at the Conference.

Respondent has agreed to waive a formal hearing in the above-referenced matter. Both parties stipulate and agree to the findings of fact and conclusions of law recited herein and to the order of discipline imposed. Respondent also stipulates that he waives his right to appeal this Consent Order or challenge in any way the sufficiency of the findings of this Order by his consent. Based upon the consent of the parties, the Board hereby enters the following:

FINDINGS OF FACT

1. The North Carolina Board of Pharmacy is a body duly organized under the laws of North Carolina and is the proper body for this proceeding under the authority granted it in Chapter 90 of the General Statutes of North Carolina, and the rules and regulations promulgated thereunder.

2. Respondent David Marley is, and was at all relevant times referred to herein, the holder of License No. 12343 and the pharmacist-manager at Marley Drug, Inc., located at 5008 Peters Creek Parkway, Winston-Salem, North Carolina (Permit No. 27127) ("the Pharmacy"). Marley is, and was at all relevant times, subject to the rules and regulations of the North Carolina Board of Pharmacy and the laws of the State of North Carolina.

3. Between December 18, 2013 and April 3, 2018, pharmacists at the Pharmacy, acting under the supervision of Marley as pharmacist-manager, unlawfully dispensed and shipped prescriptions into Alabama, Arizona, Arkansas, California, Colorado, the District of Columbia, Georgia, Hawaii, Idaho, Illinois, Kentucky, Louisiana, Maine, Maryland, Michigan, Minnesota, Mississippi, Montana, Nebraska, New Mexico, Oklahoma, Oregon, Pennsylvania, Tennessee, Utah, Vermont, West Virginia and Wyoming at times when the Pharmacy did not have a permit in those states. Marley himself was the dispensing pharmacist on approximately twelve percent of these prescriptions.

4. Included among these prescriptions, between December 8, 2014 and March 8, 2017, were 33 controlled substance prescriptions that were unlawfully dispensed and shipped into Alabama (eleven schedule IV prescriptions), Arizona (five schedule III and IV prescriptions), California (ten schedule IV prescriptions), Georgia (one schedule IV prescription), Maryland (three schedule IV prescriptions), and Tennessee (two schedule III and IV prescriptions) under the supervision of Marley. These controlled substances were dispensed at times when the Pharmacy did not have a permit in those states and was not registered to dispense controlled substances into those states. Marley and the Pharmacy also did not report to those states' controlled substance prescription monitoring programs, as required by law. Marley himself was the dispensing pharmacist on five of these prescriptions unlawfully dispensed and

shipped into Alabama (one schedule IV prescription), Arizona (two schedule IV prescriptions) and California (two schedule IV prescriptions).

5. Marley testified that he had actual knowledge that the Pharmacy did not hold a permit in these states when the drugs were unlawfully dispensed and shipped, except for two states (Alabama and Maine) where he testified that, at least at certain times, he believed that the Pharmacy had a permit when its permit had actually lapsed. However, the Board finds that it was unreasonable for Marley to believe that the Pharmacy had a permit in Alabama or Maine at any point when the Pharmacy did not have a permit, because he was legally responsible for assuring that the Pharmacy had a current permit before shipping, he did not have a current permit from those states in his possession, and publicly available information would have revealed that the Pharmacy did not have an active permit in those states at those times. Moreover, on January 9, 2018, Marley received notification from the Maine Board that (the Board finds) did or should have informed him that the Pharmacy's Maine permit had not been renewed for 2018, but Marley nevertheless continued to ship into Maine until the permit was actually renewed on April 4, 2018.

6. As a mitigating factor as to shipments after December 14, 2016, on that date, the Pharmacy and Marley implemented remedial measures to attempt to ensure that prescriptions were not shipped into Arizona, Arkansas, California, the District of Columbia, Idaho, Louisiana, Maryland, Michigan, Montana, Nebraska, Oklahoma, Oregon and West Virginia until permits were secured. These measures did dramatically reduce the number of shipments over the prior time when the Pharmacy and Marley intended to ship without permits, but the Pharmacy still did make a relatively small number of unlawful shipments despite these efforts.

7. Between March 2016 and July 2017, the Pharmacy, and Marley as its pharmacist-manager, regularly and unlawfully held the Pharmacy out in radio advertising as a permitted pharmacy in certain states at times when, in fact, it was not permitted to operate as a pharmacy. These violations are as follows:

a. In March 2016, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the Commonwealth of Pennsylvania by adverlising on 63 occasions on a radio station in Pittsburgh;

b. Between July and September 2016, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Illinois by advertising on 53 occasions on radio stations in Chicago;

c. Between July and December 2016, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of California by advertising on 707 occasions on radio stations in Los Angeles, Sacramento and San Francisco;

d. During November and December 2016, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Louisiana by advertising on 200 occasions on radio stations in New Orleans;

e. During December 2016 and January 2017, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Oregon by advertising on 170 occasions on a radio station in Portland;

f. Between February and July 2017, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Alabama by advertising on 79 occasions on radio stations in Gadsden and Mobile;

g. Between March and June 2017, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Arkansas by advertising on 79 occasions on a radio station in Fort Smith; and

h. In June 2017, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Michigan by advertising on 36 occasions on a radio station in Grand Rapids.

All advertisements run on and before December 14, 2016 were intentionally placed by Marley and the Pharmacy in states in which the Pharmacy was not permitted. However, as a mitigating

factor, the Board finds that – after December 14, 2016 – Marley Drug had instructed its advertising agency not to run advertising in certain states at the times of certain advertisements, but the advertising was run in violation of these instructions. This mitigating factor applies only to eighteen (18) of the advertisements in California and eighteen (18) of the advertisements in Louisiana on December 15 and 16, 2016; thirty-six (36) of the advertisements in Alabama from July 3 to 7, 2017; and all of the advertisements in Oregon, Arkansas and Michigan. However, Marley and the Pharmacy are still responsible for the actions undertaken on their behalf.

8. On October 5, 2017, the Maine Board of Pharmacy entered a Consent Order suspending the Pharmacy's permit in Maine for 90 days. Marley signed the Consent Order for the Pharmacy and testified he was aware that the Consent Order was entered. Nevertheless, the Pharmacy, under Marley's supervision, violated this Consent Order by unlawfully shipping ten (10) prescriptions into the State of Maine during the period of the Pharmacy's suspension.

9. Between September 1, 2016 and October 27, 2017, the Pharmacy (under Marley's supervision) unlawfully operated in the State of Texas without a pharmacist-manager who was licensed as a pharmacist in Texas.

10. Between June 28, 2017 and November 21, 2017, the Pharmacy was disciplined by the States of Alabama, Idaho, Louisiana, Maryland, Oklahoma and Texas. In addition, on August 30, 2017, the Pharmacy's employee, R.Ph. Robert Brent Clevenger, was disciplined by the State of Oklahoma. The Pharmacy, under Marley's supervision, did not disclose that disciplinary action to other states in which it was permitted until its next renewal application in each of those states. The Pharmacy, and Marley as its pharmacist-manager, therefore violated the laws of the following states requiring that those states be notified of discipline within a certain number of days following the disciplinary action: Alaska (30 days after both Permit and

Clevenger discipline), Colorado (30 days after Permit discipline), Connecticut (10 business days after Permit discipline), Georgia (five business days after Permit discipline), Illinois (60 days after both Permit and Clevenger discipline), Iowa (30 days after Permit discipline), Maine (10 days after Permit discipline), New Hampshire (30 days after Permit discipline), Oklahoma (10 days after Permit discipline), Pennsylvania (30 days after Permit discipline) and Tennessee (30 days after Permit and Clevenger discipline).

11. The Board incorporates by reference the following orders:

a. The Maryland Board of Pharmacy Pre-Charge Consent Order of June 28, 2017;

b. The Idaho Board of Pharmacy Stipulation and Consent Order of August 1, 2017;

c. The Oklahoma Board of Pharmacy Agreed Findings of Fact, Conclusions of Law and Final Order of August 30, 2017;

h. The California Board of Pharmacy Citation and Fine of January 18, 2018;

i. The Maine Board of Pharmacy Consent Agreement of March 28, 2018; and

j. The New Hampshire Board of Pharmacy Notice of Violation of January 7, 2019;

BEFORE THE NORTH CAROLINA BOARD OF PHARMACY

In the Matter of: DAVID MARLEY (License No. 12343)	CONSENT ORDER

THIS MATTER came on to be considered at a prehearing conference (hereinafter, "Conference") before a member of the North Carolina Board of Pharmacy (hereinafter, "Board") pursuant to 21 N.C.A.C. 46 .2008. This Conference was scheduled for February 18, 2019 and, after appropriate notice, was heard on that day by Board Member Gene Minton at the office of the Board. Respondent David Marley (hereinafter "Respondent" or "Marley") was present and represented by counsel Crystal Carlisle. Counsel Clinton R. Pinyan represented the Board. Members of the Board's investigative staff and related respondents were also present at the Conference.

Respondent has agreed to waive a formal hearing in the above-referenced matter. Both parties stipulate and agree to the findings of fact and conclusions of law recited herein and to the order of discipline imposed. Respondent also stipulates that he waives his right to appeal this Consent Order or challenge in any way the sufficiency of the findings of this Order by his consent. Based upon the consent of the parties, the Board hereby enters the following:

FINDINGS OF FACT

1. The North Carolina Board of Pharmacy is a body duly organized under the laws of North Carolina and is the proper body for this proceeding under the authority granted it in Chapter 90 of the General Statutes of North Carolina, and the rules and regulations promulgated thereunder.

2. Respondent David Marley is, and was at all relevant times referred to herein, the holder of License No. 12343 and the pharmacist-manager at Marley Drug, Inc., located at 5008 Peters Creek Parkway, Winston-Salem, North Carolina (Permit No. 27127) ("the Pharmacy"). Marley is, and was at all relevant times, subject to the rules and regulations of the North Carolina Board of Pharmacy and the laws of the State of North Carolina.

3. Between December 18, 2013 and April 3, 2018, pharmacists at the Pharmacy, acting under the supervision of Marley as pharmacist-manager, unlawfully dispensed and shipped prescriptions into Alabama, Arizona, Arkansas, California, Colorado, the District of Columbia, Georgia, Hawaii, Idaho, Illinois, Kentucky, Louisiana, Maine, Maryland, Michigan, Minnesota, Mississippi, Montana, Nebraska, New Mexico, Oklahoma, Oregon, Pennsylvania, Tennessee, Utah, Vermont, West Virginia and Wyoming at times when the Pharmacy did not have a permit in those states. Marley himself was the dispensing pharmacist on approximately twelve percent of these prescriptions.

4. Included among these prescriptions, between December 8, 2014 and March 8, 2017, were 33 controlled substance prescriptions that were unlawfully dispensed and shipped into Alabama (eleven schedule IV prescriptions), Arizona (five schedule III and IV prescriptions), California (ten schedule IV prescriptions), Georgia (one schedule IV prescription), Maryland (three schedule IV prescriptions), and Tennessee (two schedule III and IV prescriptions) under the supervision of Marley. These controlled substances were dispensed at times when the Pharmacy did not have a permit in those states and was not registered to dispense controlled substances into those states. Marley and the Pharmacy also did not report to those states' controlled substance prescription monitoring programs, as required by law. Marley himself was the dispensing pharmacist on five of these prescriptions unlawfully dispensed and

shipped into Alabama (one schedule IV prescription), Arizona (two schedule IV prescriptions) and California (two schedule IV prescriptions).

5. Marley testified that he had actual knowledge that the Pharmacy did not hold a permit in these states when the drugs were unlawfully dispensed and shipped, except for two states (Alabama and Maine) where he testified that, at least at certain times, he believed that the Pharmacy had a permit when its permit had actually lapsed. However, the Board finds that it was unreasonable for Marley to believe that the Pharmacy had a permit in Alabama or Maine at any point when the Pharmacy did not have a permit, because he was legally responsible for assuring that the Pharmacy had a current permit before shipping, he did not have a current permit from those states in his possession, and publicly available information would have revealed that the Pharmacy did not have an active permit in those states at those times. Moreover, on January 9, 2018, Marley received notification from the Maine Board that (the Board finds) did or should have informed him that the Pharmacy's Maine permit had not been renewed for 2018, but Marley nevertheless continued to ship into Maine until the permit was actually renewed on April 4, 2018.

6. As a mitigating factor as to shipments after December 14, 2016, on that date, the Pharmacy and Marley implemented remedial measures to attempt to ensure that prescriptions were not shipped into Arizona, Arkansas, California, the District of Columbia, Idaho, Louisiana, Maryland, Michigan, Montana, Nebraska, Oklahoma, Oregon and West Virginia until permits were secured. These measures did dramatically reduce the number of shipments over the prior time when the Pharmacy and Marley intended to ship without permits, but the Pharmacy still did make a relatively small number of unlawful shipments despite these efforts.

7. Between March 2016 and July 2017, the Pharmacy, and Marley as its pharmacist-manager, regularly and unlawfully held the Pharmacy out in radio advertising as a permitted pharmacy in certain states at times when, in fact, it was not permitted to operate as a pharmacy. These violations are as follows:

a. In March 2016, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the Commonwealth of Pennsylvania by advertising on 63 occasions on a radio station in Pittsburgh;

b. Between July and September 2016, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Illinois by advertising on 53 occasions on radio stations in Chicago;

c. Between July and December 2016, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of California by advertising on 707 occasions on radio stations in Los Angeles, Sacramento and San Francisco;

d. During November and December 2016, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Louisiana by advertising on 200 occasions on radio stations in New Orleans;

e. During December 2016 and January 2017, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Oregon by advertising on 170 occasions on a radio station in Portland;

f. Between February and July 2017, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Alabama by advertising on 79 occasions on radio stations in Gadsden and Mobile;

g. Between March and June 2017, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Arkansas by advertising on 79 occasions on a radio station in Fort Smith; and

h. In June 2017, Marley and the Pharmacy unlawfully held the Pharmacy out as permitted to dispense in the State of Michigan by advertising on 36 occasions on a radio station in Grand Rapids.

All advertisements run on and before December 14, 2016 were intentionally placed by Marley and the Pharmacy in states in which the Pharmacy was not permitted. However, as a mitigating

factor, the Board finds that – after December 14, 2016 – Marley Drug had instructed its advertising agency not to run advertising in certain states at the times of certain advertisements, but the advertising was run in violation of these instructions. This mitigating factor applies only to eighteen (18) of the advertisements in California and eighteen (18) of the advertisements in Louisiana on December 15 and 16, 2016; thirty-six (36) of the advertisements in Alabama from July 3 to 7, 2017; and all of the advertisements in Oregon, Arkansas and Michigan. However, Marley and the Pharmacy are still responsible for the actions undertaken on their behalf.

8. On October 5, 2017, the Maine Board of Pharmacy entered a Consent Order suspending the Pharmacy's permit in Maine for 90 days. Marley signed the Consent Order for the Pharmacy and testified he was aware that the Consent Order was entered. Nevertheless, the Pharmacy, under Marley's supervision, violated this Consent Order by unlawfully shipping ten (10) prescriptions into the State of Maine during the period of the Pharmacy's suspension.

9. Between September 1, 2016 and October 27, 2017, the Pharmacy (under Marley's supervision) unlawfully operated in the State of Texas without a pharmacist-manager who was licensed as a pharmacist in Texas.

10. Between June 28, 2017 and November 21, 2017, the Pharmacy was disciplined by the States of Alabama, Idaho, Louisiana, Maryland, Oklahoma and Texas. In addition, on August 30, 2017, the Pharmacy's employee, R.Ph. Robert Brent Clevenger, was disciplined by the State of Oklahoma. The Pharmacy, under Marley's supervision, did not disclose that disciplinary action to other states in which it was permitted until its next renewal application in each of those states. The Pharmacy, and Marley as its pharmacist-manager, therefore violated the laws of the following states requiring that those states be notified of discipline within a certain number of days following the disciplinary action: Alaska (30 days after both Permit and

Clevenger discipline), Colorado (30 days after Permit discipline), Connecticut (10 business days after Permit discipline), Georgia (five business days after Permit discipline), Illinois (60 days after both Permit and Clevenger discipline), Iowa (30 days after Permit discipline), Maine (10 days after Permit discipline), New Hampshire (30 days after Permit discipline), Oklahoma (10 days after Permit discipline), Pennsylvania (30 days after Permit discipline) and Tennessee (30 days after Permit and Clevenger discipline).

11. The Board incorporates by reference the following orders:

a. The Maryland Board of Pharmacy Pre-Charge Consent Order of June 28, 2017;

b. The Idaho Board of Pharmacy Stipulation and Consent Order of August 1, 2017;

c. The Oklahoma Board of Pharmacy Agreed Findings of Fact, Conclusions of Law and Final Order of August 30, 2017;

§ 54.1-2409. Mandatory suspension or revocation; reinstatement; hearing for reinstatement.

A. Upon receipt of documentation by any court or government agency that a person licensed, certified, or registered by a board within the Department of Health Professions has had his license, certificate, or registration to practice the same profession or occupation revoked or suspended for reasons other than nonrenewal or accepted for surrender in lieu of disciplinary action in another jurisdiction and has not had his license, certificate, or registration to so practice reinstated within that jurisdiction, or has been convicted of a felony or has been adjudged incapacitated, the Director of the Department shall immediately suspend, without a hearing, the license, certificate, or registration of any person so disciplined, convicted or adjudged. The Director shall notify such person or his legal guardian, conservator, trustee, committee, or other representative of the suspension in writing to his address on record with the Department. Such notice shall include a copy of the documentation from such court or agency, certified by the Director as the documentation received from such court or agency. Such person shall not have the right to practice within this Commonwealth until his license, certificate, or registration has been reinstated by the Board.

B. The clerk of any court in which a conviction of a felony or an adjudication of incapacity is made, who has knowledge that a person licensed, certified, or registered by a board within the Department has been convicted or found incapacitated, shall have a duty to report these findings promptly to the Director.

C. When a conviction has not become final, the Director may decline to suspend the license, certificate, or registration until the conviction becomes final if there is a likelihood of injury or damage to the public if the person's services are not available.

D. Any person whose license, certificate, or registration has been suspended as provided in this section may apply to the board for reinstatement of his license, certificate, or registration. Such person shall be entitled to a hearing not later than the next regular meeting of the board after the expiration of 60 days from the receipt of such application, and shall have the right to be represented by counsel and to summon witnesses to testify in his behalf. The Board may consider other information concerning possible violations of Virginia law at such hearing, if reasonable notice is given to such person of the information.

The reinstatement of the applicant's license, certificate, or registration shall require the affirmative vote of three-fourths of the members of the board at the hearing. The board may order such reinstatement without further examination of the applicant, or reinstate the license, certificate, or registration upon such terms and conditions as it deems appropriate.

E. Pursuant to the authority of the Board of Nursing provided in Chapter 30 (§ 54.1-3000 et seq.) of this title, the provisions of this section shall apply, mutatis mutandis, to persons holding a multistate licensure privilege to practice nursing.

WHEREAS, information has been received by the Idaho Board of Pharmacy ("Board") that constitutes sufficient grounds for the initiation of an administrative action against Marley Drug, Inc. ("Respondent"); and

WHEREAS, the parties wish to expeditiously settle this matter in lieu of proceeding to an administrative hearing before the Board; now, therefore,

IT IS HEREBY STIPULATED AND AGREED between the undersigned parties that this matter shall be settled and resolved upon the following terms:

A. JURISDICTION OF THE BOARD

1. The Board may regulate the practice of pharmacy in the state of Idaho in accordance with title 54, chapter 17, Idaho Code. The Board is further empowered by title 37, chapter 27, Idaho Code, to administer the regulating provisions of the Uniform Controlled Substances Act in the state of Idaho.

2. Respondent is a licensee of the Board and holds Mail Service Pharmacy License No. 44839MS for mail service pharmacy in the state of Idaho. Respondent's license is subject to the provisions of title 54, chapter 17, Idaho Code, title 37, chapter 27, Idaho Code, and the Board's rules promulgated at IDAPA 27.01.01, *et seq.*

//

//

B. STIPULATED FACTS

1. Respondent is a drug supplier with its principal place of business in Winston-Salem, North Carolina. Respondent is a drug outlet as defined by Idaho Code § 54-1705(13) and a mail service pharmacy as defined by Idaho Code § 54-1705(22) and Idaho Board Rule 11 (IDAPA 27.01.01.011.02).

2. On February 6, 2017, the Board was advised by the North Carolina Board of Pharmacy that through a review of Respondent's dispensing records, it had discovered that Respondent had been shipping prescription medications to Idaho patients.

3. The documentation provided to the Board by the North Carolina Board of Pharmacy showed 19 instances of medications shipped to Idaho residents between May 2015 and December 2016.

4. Idaho Code § 54-1729(1), § 54-1729(2)(g) and and Idaho Board Rule 60 (IDAPA 27.01.01.060) require any mail service pharmacy providing drug products to Idaho residents to obtain and maintain a mail service pharmacy license in the state of Idaho. At the time the documented medications were shipped to the Idaho residents, Respondent did not hold an Idaho mail service pharmacy license.

5. The Board advised Respondent by letter dated February 8, 2017, that it was operating in violation of Idaho law. Respondent has since applied for and obtained its Idaho mail service pharmacy license.

6. While Respondent's violations may have been unintentional, Respondent acknowledges its actions constituted violations of the statutes and rules governing the practice of pharmacy in Idaho. More specifically, Respondent admits to violating the following statutes and rules:

a. Idaho Code § 54-1729(1), (2)(g) (all drug outlets doing business in or into Idaho shall submit an application for licensure in one of the following classifications . . . (2)(g) mail service pharmacy);

b. IDAPA 27.01.01.060 (a license is required for drug outlets doing business in or into Idaho);

c. Idaho Code § 54-1726(1)(f) (the Board may suspend, revoke or restrict the license of any person, upon one or more of the following grounds. . .being found by the Board to be in violation of any of the provisions of this chapter, chapter 27, title 37, or rules adopted pursuant to either chapter);

d. IDAPA 27:01.01.501 (the Board may suspend, revoke or restrict the license of an individual on one or more of the grounds provided in Idaho Code § 54-1726);

e. Idaho Code § 54-1728(2) (the board may take any action against a nonresident licensee as it may take against a resident licensee); and

f. Idaho Code § 54-1728(1)(f) (upon finding grounds for discipline, the board may impose an administrative fine not to exceed $2,000, plus prosecution and administrative costs).

7. Respondent, in lieu of proceeding with a formal disciplinary hearing, hereby agrees the Board may enter a final order against its license as set forth in Section C below.

C. STIPULATED PENALTIES

1. As stated in section B(6)(f) above, the Board is authorized to assess fines of up to $2,000 for each of the 19 drug products shipped to Idaho residents while Respondent was unlicensed, totaling $38,000. In the interests of fairness and efficiency, the Board is willing to limit its sanctions to 20 percent of the authorized fines. Therefore, it is agreed that Respondent

shall pay a fine of Seven Thousand Six Hundred Dollars ($7,600) for the violation outlined above in Section B. This fine shall be due to the Board within 180 days of the date this Order is signed.

2. Failure to comply with any of the terms of this Stipulation and Consent Order may result in additional action being taken against Respondent's mail service pharmacy license.

3. All costs associated with Respondent's compliance with the terms of this Stipulation and Order shall be borne solely by Respondent.

D. COMPLIANCE WITH STIPULATION AND CONSENT ORDER

1. The Board has authority to enforce compliance with the terms and conditions of this Stipulation. By signing this Stipulation, Respondent waives its ability to challenge the Board's lack of authority to enforce compliance on appeal to a district court. If there is reason to believe Respondent has violated any of the terms or conditions of this Stipulation, the Executive Director of the Board shall file an administrative complaint, setting forth the allegations of non-compliance and notifying Respondent, and its attorney, if applicable, that Respondent may request a hearing regarding the allegations of non-compliance. If Respondent does not request a hearing on the administrative complaint, any allegations of non-compliance will be deemed admitted.

2. If Respondent fails to comply with this Stipulation, Respondent's license may be subject to further discipline, up to and including suspension or revocation. Therefore, the Board retains jurisdiction over this proceeding until all matters are finally resolved as set forth in this Stipulation. Any action taken by the Board to enforce compliance with this Stipulation shall be in accordance with this section.

3. Any additional costs and/or attorney fees incurred by the Board in any enforcement action shall be borne solely by Respondent.

E. ACKNOWLEDGMENTS AND WAIVER OF RIGHTS

Respondent, by signature of its authorized representative hereto, hereby acknowledges the following:

1. Respondent admits to the allegations stated above in Section B. Respondent understands these allegations constitute cause for disciplinary terms upon its license. Respondent agrees the Board has jurisdiction to proceed in this matter with its consent as indicated by signature on its behalf hereto.

2. Respondent has read the above Stipulation fully and has had the opportunity to discuss it with legal counsel. Respondent understands and acknowledges that by its terms it is waiving certain rights provided under Idaho law.

3. Respondent understands that it has, among other rights, the right to a full and complete hearing; the right to confront and cross-examine witnesses; the right to present evidence or to call witnesses, or to so testify on its own behalf; the right to reconsideration; the right to appeal this matter to district court; and all rights provided by the Idaho Administrative Procedure Act and the laws and rules governing the practice of pharmacy in Idaho. Respondent hereby freely and voluntarily waives these rights, without further process, in order to enter into this Stipulation as a resolution of the allegations contained herein.

4. Respondent understands that in signing this Stipulation, it is enabling the Board to impose disciplinary terms upon its license as set forth in Section C without further process.

5. Respondent understands the Board may approve this Stipulation as proposed, approve it subject to specified changes, or reject it. Respondent understands that, if approved as proposed, the Board will execute and issue this Stipulation and Consent Order according to the aforementioned terms, and Respondent hereby agrees to the above Stipulation for settlement. If the Board approves this Stipulation subject to changes, and those changes are acceptable,

Respondent acknowledges the Stipulation will take effect, and an order modifying the terms of the Stipulation will be issued. If the changes are unacceptable or the Board rejects this Stipulation, this Stipulation will be of no effect. Admissions in this Stipulation and negotiations preceding the signing of this Stipulation will not be admissible at any subsequent disciplinary hearing.

6. In the event this Stipulation is rejected by the Board or any changes proposed by the Board are not accepted, Respondent waives any right it may have to challenge the Board's impartiality to hear the allegations in any subsequent administrative complaint based on the fact that the Board has considered and rejected this Stipulation.

7. Respondent understands the Board shall have the right to make full disclosure of this Stipulation and Consent Order to any state, agency or individual requesting information subject to any applicable provisions of the Idaho Public Records Act, title 9, chapter 3, Idaho Code.

8. Respondent understands this Stipulation and Consent Order is the resolution of a contested case and is a **public record**.

9. This Stipulation contains the entire agreement between the parties, and Respondent is not relying on any other agreement or representation of any kind, verbal or otherwise.

10. This Stipulation shall be presented to the Board with a recommendation for approval from the Executive Director of the Board and the Deputy Attorney General responsible for prosecution before the Board at the next regularly-scheduled meeting of the Board.

11. Except for Paragraph E.6., which becomes effective when Respondent signs this Stipulation, this Stipulation shall not become effective until it has been approved by a majority of the Board, and a Board member signs the attached Order.

AGREED FINDINGS OF FACT, CONCLUSIONS OF LAW AND FINAL ORDER

This matter came for hearing on August 30, 2017, before the Oklahoma State Board of Pharmacy ("Board"). Board members St. Cyr, Dudley, Spoon, Wilson, Adams, and Whitehead were present. President Whitehead presided. Brinda K. White, Assistant Attorney General, served as prosecutor for the Board. Respondents did not appear.

The Complaint in this matter is incorporated by reference into this Order.

The Board and Respondents hereby agree to the following Findings of Fact, Conclusions of Law and Final Order. Respondents have been advised of their right to contest the allegations against them, to cross-examine witnesses, and to present witnesses and evidence in their own defense. Respondents hereby knowingly and voluntarily waive these rights. In addition, Respondents understand and acknowledge that this document is a public record that must be provided to anyone requesting it.

Should this Order not be accepted by the Board, Respondents agree that neither the presentation of the Order to the Board nor the Board's

consideration of the Order will be deemed to have unfairly or illegally prejudiced the Board or its individual members and, therefore, will not be grounds for precluding the Board or any individual member of the Board from further participating in proceedings related to the matters set forth in the Order.

AGREED FINDINGS OF FACT

1. Respondent, Marley Drug (99-7152), is a licensed, non-resident pharmacy in the State of Oklahoma located at 5008 Peters Creek Pkwy, Winston-Salem, NC. Respondent Robert Brent Clevenger, DPh #17326, is an Oklahoma licensed pharmacist. Respondent Clevenger works as the pharmacist-in-charge. Dave Marley is fifty per cent (50%) owner of Respondent Pharmacy.

2. On February 4, 2015, Respondent Pharmacy obtained its Oklahoma pharmacy license. Respondent Pharmacy did not have an Oklahoma licensed pharmacist-in-charge for its 2016 pharmacy renewal. The Board notified Respondent Pharmacy of the requirement of having an Oklahoma licensed pharmacist-in-charge. After Respondent Pharmacy failed to respond, Respondent Pharmacy's application and fee were returned and the license was cancelled on March 31, 2016.

3. On January 27, 2017, Respondent Clevenger was issued an Oklahoma pharmacist's license. On February 5, 2017, Respondent Pharmacy's license was reinstated after Respondent Pharmacy hired Respondent Clevenger as its pharmacist-in-charge.

4. On April 21, 2017, the Board was notified by the North Carolina Board of Pharmacy that Respondent Pharmacy had shipped prescriptions into Oklahoma during the time that it was not licensed. The Board requested a

copy of prescriptions that had been shipped into Oklahoma. From April 4, 2016 until December 12, 2016, when Respondent Pharmacy was not licensed by the Board, Respondents shipped a total of seventy-six (76) prescriptions into Oklahoma. Thirty-six (36) of these prescriptions were filled by Respondent Clevenger.

AGREED CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter and over the Respondent pursuant to 59 O.S. §§ 353.7 and 353.26.

2. Any Finding of Fact which is properly a Conclusion of Law is hereby incorporated by reference and vice versa.

3. Respondents have admitted violating OAC 535:15-3-9(b)(1) by failing, as a non-resident pharmacy, to make application and receive an annual non-resident pharmacy license at a fee set by the Board, as set forth in Count I of the Complaint.

4. Respondents have admitted violating OAC 535:15-3-9(c)(2) by failing to follow Oklahoma pharmacy laws and regulations in the practice of pharmacy for the Oklahoma portion of the non-resident pharmacy's practice or operation. Specifically, the pharmacist manager (pharmacist-in-charge) and pharmacy owners(s), partners, and corporate officers(s) are responsible for compliance with Oklahoma laws and regulations pertaining to the provisions of receiving, dispensing, and/or delivering of prescriptions or prescription medications and devices to Oklahoma residents, as set forth in Count II of the Complaint.

5. Respondents have admitted violating 59 O.S. § 353.18(A)(1) by selling at retail, or offering for sale, dangerous drugs, medicines, chemicals or poisons for the treatment of disease, excluding agricultural chemicals and

drugs or accepting prescriptions for the same, without first procuring a license from the Board, as set forth in Count III of the Complaint.

6. Respondents have admitted violating OAC 535:25-7-3(a) by failing to conduct business at all times in conformity with all federal, state and municipal laws, as set forth in Count IV of the Complaint.

7. Pursuant to 59 O.S. §353.7(12), for any registrant who violates any provision of the Oklahoma Pharmacy Act including the Board's rules, the Board has authority to levy fines not to exceed Three Thousand Dollars ($3000.00) for each violation; to reprimand, place on probation or suspend or revoke the license of a licensee; to require extra hours of continuing education and to require participation in a rehabilitation program for the impaired. The Board may also impose as part of any disciplinary action the payment of costs expended by the Board for any legal fees and costs, including, but not limited to, staff time, salary and travel expense, witness fees and attorney fees.

8. Based on the above Agreed Findings of Fact, Respondents are subject to disciplinary action pursuant to 59 O.S. §§ 353.7 and 353.26.

AGREED ORDER

1. Respondent, Marley Drug, holder of pharmacy license No. 99-7152, admits to guilt on all four (4) counts. Respondent, Robert Brent Clevenger, holder of pharmacist license No. 17326, admits to guilt on all four (4) counts.

2. Respondent Marley Drug is hereby fined One Thousand Nine Hundred Dollars ($1,900.00) per count for a total fine of Seven Thousand Six Hundred Dollars ($7600.00). Respondent, Robert Brent Clevenger, is hereby fined Two Hundred Twenty-Five Dollars ($225.00) per count for a total fine of Nine Hundred Dollars ($900.00). These fines are due August 30, 2017.

MARLEY DRUG, INC.	)	CONSENT AGREEMENT

Complaint No. 2018-PHA-13930	)	

PARTIES

This document is a Consent Agreement regarding the pending application of Marley Drug, Inc., doing business as "Marley Drug," for the renewal of its license to operate as a mail order pharmacy. The parties to this Consent Agreement are: Marley Drug, Inc. ("Marley Drug"), the Maine Board of Pharmacy ("the Board"), and the Office of the Attorney General ("the Attorney General"). This Consent Agreement is entered into pursuant to 10 M.R.S. § 8003(5-A).

STATEMENT OF FACTS

1. Since March 24, 2016, Marley Drug has been licensed by the Board as a mail order pharmacy, license number MO40001812, located at 5008 Peters Creek Parkway in Winston Salem, North Carolina.
2. On October 5, 2017, Marley Drug entered into a consent agreement with the Board to resolve Case No. 2017-PHA-13348, pursuant to which consent agreement Marley Drug admitted to shipping 48 prescriptions to Maine patients prior to it becoming licensed by the Board as a mail order pharmacy in 2016.
3. On January 8, 2018, the Board received Marley Drug's online renewal application.

4. On this renewal application, Marley Drug answered "Yes" to the following question: "Since your last renewal, has any jurisdiction taken disciplinary action against any professional license you hold (except this license) or have held or denied your application for licensure?"

5. As required by the application, Marley Drug then reported to the Board the following discipline previously imposed by other states:

   a. June 28, 2017, Maryland, Pre-Charged Consent Order, in which Marley Drug admitted to shipping 112 prescriptions without having obtained a non-resident pharmacy permit;

   b. August 1, 2017, Idaho, Stipulation and Consent Order, Case No. BOP 17-061, in which Marley Drug admitted to shipping 19 prescriptions to Idaho without being licensed as a mail service pharmacy;

   c. August 30, 2017, Oklahoma, Agreed Findings of Fact, Conclusions of Law and Final Order, Case Nos. 1466 & 1467, in which Marley Drug admitted to shipping 76 prescriptions to Oklahoma without being licensed as a non-resident pharmacy;

   d. November 7, 2017, Texas, Agreed Board Order #K-17-034, in which Marley Drug admitted to operating a non-resident pharmacy that was not under the supervision of a pharmacist-in-charge who was licensed as a pharmacist in Texas;

   e. November 15, 2017, Louisiana, Consent Order, Case No. 17-0236, in which Marley Drug admitted to shipping 344 prescriptions without having obtained a non-resident pharmacy permit; and

   f. November 21, 2017, Alabama, Consent Order, Case No. 17-L-0073, in which Marley Drug admitted to shipping 31 prescriptions without proper registration.

6. Prior to January 8, 2018, however, Marley Drug had not reported to the Board the discipline that it disclosed on its license renewal application.

7. Pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C), the Board may deny, refuse to renew, suspend, or revoke a license and impose other discipline for failing to report disciplinary action to the Board within 10 days of that action.

8. At its meeting on February 1, 2018, the Board reviewed the above information and voted to preliminarily deny Marley Drug's application for the renewal of its mail order pharmacy license. In lieu of the denial, the Board also voted to offer Marley Drug this Consent Agreement. Unless Marley Drug either requests, in writing, a hearing regarding the appeal of the preliminary denial within thirty (30) days of receipt of the Notice of Preliminary Denial, or accepts this Consent Agreement by signing and dating it and returning it to Complaint Coordinator, Maine Board of Pharmacy, 35 State House Station, Augusta, ME 04333, by **April 2, 2018** the preliminary denial of Marley Drug's application for the renewal of its mail order pharmacy license will become final.

COVENANTS

9. Marley Drug admits to the facts as stated above and admits that such conduct constitutes grounds for the refusal to renew its license and for the imposition of discipline pursuant to 10 M.R.S. §§ 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C) for failing to report disciplinary action taken against a license in another jurisdiction within 10 days after the action was taken.

10. As discipline for the conduct admitted to in paragraph 9 above, Marley Drug agrees to accept the following DISCIPLINARY ACTION:

a. A REPRIMAND;

b. LICENSE PROBATION for a period of one year, which period shall commence on the effective date of this consent agreement and during which period Marley Drug's license shall be subject to the following conditions:

   i. Within 30 days of the effective date of this consent agreement Marley Drug shall provide to the Board a written statement attesting to the fact that all shareholders and the pharmacist in charge have read and understand Maine pharmacy laws and the Board's rules;

   ii. Marley Drug shall comply with all Maine pharmacy laws and Board rules; and

   iii. In the event of a failure to comply with the conditions of probation, Marley Drug shall be subject to the imposition of any suspended civil penalty and/or any suspended license suspension imposed by this Consent Agreement;

c. A CIVIL PENALTY in the amount of nine thousand dollars ($9,000.00), comprised of a $1,500.00 penalty for each of the six disciplinary actions that Marley Drug failed to report to the Board in a timely manner, with all but $3,000.00 suspended, the suspension of which penalty is conditioned on Marley Drug's successful completion of the one-year probation, and which payment of the non-suspended penalty shall be made by certified check or money order payable to the "Treasurer, State of Maine" and delivered to Complaint Coordinator, Maine Department of Professional and Financial Regulation, 35

State House Station, Augusta, Maine 04333, at the time the signed Consent Agreement is submitted; and

d. A LICENSE SUSPENSION for a period of five hundred forty (540) days all of which license suspension shall be suspended subject to Marley Drug's satisfactory completion of the one-year license probation.

11. Violation of any of the terms or conditions of this Consent Agreement by Marley Drug shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of licensure or re-licensure.

12. This Consent Agreement is not appealable and is effective until modified or terminated by the parties hereto.

13. The Board and the Attorney General may communicate and cooperate regarding any matter related to this Consent Agreement.

14. Upon receipt of the signed Consent Agreement and the civil penalty payment, the Board will renew Marley Drug's license contingent upon it meeting all other eligibility criteria.

15. This Consent Agreement is a public record within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408-A.

16. Nothing in this Consent Agreement shall be construed to affect any right or interest of any person not a party hereto.

17. The Board and Marley Drug agree that no further agency action will be initiated against its license by the Board based upon the specific violations admitted to herein, except or unless Marley Drug fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of

misconduct in the event that other allegations are brought against Marley Drug and this Consent Agreement will be introduced as evidence in any future adjudicatory hearing involving Marley Drug. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining appropriate discipline in any further complaints against Marley Drug.

18. Marley Drug acknowledges by its duly authorized representative's signature hereto that it has had an opportunity to consult with an attorney before executing this Consent Agreement, that it executes this Consent Agreement voluntarily, and that it agrees to abide by all terms and conditions set forth herein.

BEFORE THE NORTH CAROLINA BOARD OF PHARMACY

In the Matter of: MARLEY DRUG, INC. (Permit No. 8320)	)	**CONSENT ORDER**

THIS MATTER came on to be considered at a prehearing conference (hereinafter, "Conference") before a member of the North Carolina Board of Pharmacy (hereinafter, "Board") pursuant to 21 N.C.A.C. 46 .2008. This Conference was scheduled for February 18, 2019 and, after appropriate notice, was heard on that day by Board Member Gene Minton at the office of the Board. Respondent Marley Drug, Inc. (hereinafter "Respondent" or the "Pharmacy") was present through its pharmacist-manager David Marley and represented by counsel Crystal Carlisle. Counsel Clinton R. Pinyan represented the Board. Members of the Board's investigative staff and related respondents were also present at the Conference.

Respondent has agreed to waive a formal hearing in the above-referenced matter. Both parties stipulate and agree to the findings of fact and conclusions of law recited herein and to the order of discipline imposed. Respondent also stipulates that it waives its right to appeal this Consent Order or challenge in any way the sufficiency of the findings of this Order by its consent. Based upon the consent of the parties, the Board hereby enters the following:

FINDINGS OF FACT

1. The North Carolina Board of Pharmacy is a body duly organized under the laws of North Carolina and is the proper body for this proceeding under the authority granted it in Chapter 90 of the General Statutes of North Carolina, and the rules and regulations promulgated thereunder.

2. Respondent Marley Drug, Inc., located at 5008 Peters Creek Parkway, Winston-Salem, North Carolina, is, and was at all relevant times referred to herein, the holder of Permit No. 8320. The Pharmacy is, and was at all relevant times, subject to the rules and regulations of the North Carolina Board of Pharmacy and the laws of the State of North Carolina.

3. Between December 18, 2013 and April 3, 2018, the Pharmacy unlawfully dispensed and shipped prescriptions into Alabama, Arizona, Arkansas, California, Colorado, the District of Columbia, Georgia, Hawaii, Idaho, Illinois, Kentucky, Louisiana, Maine, Maryland, Michigan, Minnesota, Mississippi, Montana, Nebraska, New Mexico, Oklahoma, Oregon, Pennsylvania, Tennessee, Utah, Vermont, West Virginia and Wyoming at times when the Pharmacy did not have a permit in those states.

4. Included among these prescriptions, between December 8, 2014 and March 8, 2017, were 33 controlled substance prescriptions that were unlawfully dispensed and shipped into Alabama (eleven schedule IV prescriptions), Arizona (five schedule III and IV prescriptions), California (ten schedule IV prescriptions), Georgia (one schedule IV prescription), Maryland (three schedule IV prescriptions), and Tennessee (two schedule III and IV prescriptions). These controlled substances were dispensed at times when the Pharmacy did not have a permit in those states and was not registered to dispense controlled substances into those states. The Pharmacy also did not report to those states' controlled substance prescription monitoring programs, as required by law.

5. The Pharmacy's pharmacist-manager testified that he had actual knowledge that the Pharmacy did not hold a permit in these states when the drugs were unlawfully dispensed and shipped, except for two states (Alabama and Maine) where he testified that, at least at certain times, he believed that the Pharmacy had a permit when its permit had actually lapsed.

However, the Board finds that it was unreasonable for the pharmacist-manager to believe that the Pharmacy had a permit in Alabama or Maine at any point when the Pharmacy did not have a permit, because the Pharmacy did not have a current permit for those states in its possession and publicly available information would have revealed that the Pharmacy did not have an active permit in those states at those times. Moreover, on January 9, 2018, the Pharmacy received notification from the Maine Board that (the Board finds) did or should have informed it that its Maine permit had not been renewed for 2018, but the Pharmacy nevertheless continued to ship into Maine until the permit was actually renewed on April 4, 2018.

6. As a mitigating factor as to shipments after December 14, 2016, on that date, the Pharmacy implemented remedial measures to attempt to ensure that prescriptions were not shipped into Arizona, Arkansas, California, the District of Columbia, Idaho, Louisiana, Maryland, Michigan, Montana, Nebraska, Oklahoma, Oregon and West Virginia until permits were secured. These measures did dramatically reduce the number of shipments over the prior time when the Pharmacy intended to ship without permits, but the Pharmacy still did make a relatively small number of unlawful shipments despite these efforts.

7. Between March 2016 and July 2017, the Pharmacy regularly and unlawfully held itself out in radio advertising as a permitted pharmacy in certain states at times when, in fact, it was not permitted to operate as a pharmacy. These violations are as follows:

a. In March 2016, the Pharmacy unlawfully held itself out as permitted to dispense in the Commonwealth of Pennsylvania by advertising on 63 occasions on a radio station in Pittsburgh;

b. Between July and September 2016, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Illinois by advertising on 53 occasions on radio stations in Chicago;

c. Between July and December 2016, the Pharmacy unlawfully held itself out as permitted to dispense in the State of California by advertising on

707 occasions on radio stations in Los Angeles, Sacramento and San Francisco;

d. During November and December 2016, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Louisiana by advertising on 200 occasions on radio stations in New Orleans;

e. During December 2016 and January 2017, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Oregon by advertising on 170 occasions on a radio station in Portland;

f. Between February and July 2017, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Alabama by advertising on 79 occasions on radio stations in Gadsden and Mobile;

g. Between March and June 2017, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Arkansas by advertising on 79 occasions on a radio station in Fort Smith; and

h. In June 2017, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Michigan by advertising on 36 occasions on a radio station in Grand Rapids.

All advertisements run on and before December 14, 2016 were intentionally placed by the Pharmacy in states in which the Pharmacy was not permitted. However, as a mitigating factor, the Board finds that – after December 14, 2016 – the Pharmacy had instructed its advertising agency not to run advertising in certain states at the times of certain advertisements, but the advertising was run in violation of these instructions. This mitigating factor applies only to eighteen (18) of the advertisements in California and eighteen (18) of the advertisements in Louisiana on December 15 and 16, 2016; thirty-six (36) of the advertisements in Alabama from July 3 to 7, 2017; and all of the advertisements in Oregon, Arkansas and Michigan. However, the Pharmacy is still responsible for the actions undertaken on its behalf.

8. On October 5, 2017, the Maine Board of Pharmacy entered a Consent Order suspending the Pharmacy's permit in Maine for 90 days. The pharmacist-manager signed the Consent Order for the Pharmacy and testified he was aware that the Consent Order was entered.

Nevertheless, the Pharmacy violated this Consent Order by unlawfully shipping ten (10) prescriptions into the State of Maine during the period of the Pharmacy's suspension.

9. Between September 1, 2016 and October 27, 2017, the Pharmacy unlawfully operated in the State of Texas without a pharmacist-manager who was licensed as a pharmacist in Texas.

10. Between June 28, 2017 and November 21, 2017, the Pharmacy was disciplined by the States of Alabama, Idaho, Louisiana, Maryland, Oklahoma and Texas. In addition, on August 30, 2017, the Pharmacy's employee, R.Ph. Robert Brent Clevenger, was disciplined by the State of Oklahoma. The Pharmacy did not disclose that disciplinary action to other states in which it was permitted until its next renewal application in each of those states. The Pharmacy therefore violated the laws of the following states requiring that those states be notified of discipline within a certain number of days following the disciplinary action: Alaska (30 days after both Permit and Clevenger discipline), Colorado (30 days after Permit discipline), Connecticut (10 business days after Permit discipline), Georgia (five business days after Permit discipline), Illinois (60 days after both Permit and Clevenger discipline), Iowa (30 days after Permit discipline), Maine (10 days after Permit discipline), New Hampshire (30 days after Permit discipline), Oklahoma (10 days after Permit discipline), Pennsylvania (30 days after Permit discipline) and Tennessee (30 days after Permit and Clevenger discipline).

11. The Board incorporates by reference the following orders:

a. The Maryland Board of Pharmacy Pre-Charge Consent Order of June 28, 2017;

b. The Idaho Board of Pharmacy Stipulation and Consent Order of August 1, 2017;

c. The Oklahoma Board of Pharmacy Agreed Findings of Fact, Conclusions of Law and Final Order of August 30, 2017;

d. The Maine Board of Pharmacy Consent Agreement of October 5, 2017;

e. The Texas Board of Pharmacy Agreed Board Order of November 7, 2017;

f. The Louisiana Board of Pharmacy Consent Agreement of November 15, 2017;

g. The Alabama Board of Pharmacy Consent Order of November 30, 2017;

h. The California Board of Pharmacy Citation and Fine of January 18, 2018;

i. The Maine Board of Pharmacy Consent Agreement of March 28, 2018; and

j. The New Hampshire Board of Pharmacy Notice of Violation of January 7, 2019.

CONCLUSIONS OF LAW

1. All parties are properly before the Board, and the Board has jurisdiction over Respondent and the subject matter of this proceeding.

2. Respondent's conduct, as set out in the findings of fact and conclusions of law above, constitutes grounds for discipline pursuant to North Carolina General Statutes. The statutes and rules that are at issue include, but are not limited to, N.C. Gen. Stat. §§ 90-85.38(a)(4), (6) and (7) and (b), 90-85.40(b) and (f) and 106-122(5); 21 NCAC 46 .1601(a) and (b), 46 .1804(a) and 46 .2501; Ala. CONSENT ORDER

By agreement of the Georgia State Board of Pharmacy ("Board") and Marley Drug, Inc., Respondent, the following disposition of this matter is entered pursuant to the provisions of O.C.G.A. § 50-13-13(a)(4).

FINDINGS OF FACT

1.

Respondent has a non-resident professional license to practice pharmacy in the State of Georgia. This license was issued June 9, 2015, and expires June 30, 2019.

2.

On or about November 12, 2018, GDNA was notified by the North Carolina Board of Pharmacy that an investigation of Respondent yielded information that the pharmacy shipped medications into the State of Georgia without being properly licensed as a non-resident pharmacy. Specifically, Respondent shipped prescriptions into the State of Georgia from on or about April 1, 2015 to June 8, 2015, with a pending application, prior to being licensed as a non-resident pharmacy.

CONCLUSIONS OF LAW

Under O.C.G.A. T. 26, Ch. 4 and T. 43, Ch. 1, the Georgia State Board of Pharmacy has authority to take action against the license of the Respondent.

Respondent agrees that the Board can impose disciplinary action against the license of the Respondent and waives any further conclusions of law with respect to this matter.

ORDER

The Georgia State Board of Pharmacy, having considered the particular facts and circumstances of this case, hereby orders, and the Respondent hereby agrees that the Respondent's license shall be disciplined as follows:

1.

The Respondent shall submit to the Board a fine in the amount of **$1,000.00**. Such fine shall be payable within ninety (90) days from the effective date of this Consent Order. Payment shall be in the form of a cashier's check or money order made payable to the Georgia State Board of Pharmacy. Payment shall be sent to the Board, c/o Executive Director, 2 Peachtree Street, N.W., 6th Floor, Atlanta, Georgia 30303. The Respondent's failure to pay such fine by the ninetieth day shall subject Respondent's license to further disciplinary action, including revocation.

2.

Approval of this Consent Order by the Georgia State Board of Pharmacy shall in no way be construed as condoning Respondent's conduct and shall not be construed as a waiver of any of the lawful rights possessed by the Board. This Consent Order shall not become effective until approved and docketed by the Board.

3.

Respondent acknowledges that he/she has read this Consent Order and understands its contents. Respondent understands that there is a right to a hearing in this matter, and Respondent freely, knowingly and voluntarily waives such right by

entering into this Consent Order. Respondent understands that this Consent Order will not become effective until approved and docketed by the Georgia State Board of Pharmacy. Respondent further understands and agrees that the Board shall have the authority to review the investigative file and all relevant evidence in considering this Consent Order. Respondent further understands that this Consent Order, once approved, shall constitute a public record which may be disseminated as a disciplinary action of the Board. If this Consent Order is not approved, it shall not constitute an admission against interest in this proceeding, or prejudice the ability of the Board to adjudicate this matter. ADMISSIBILITY OF CONSENT AGREEMENT IN FUTURE PROCEEDINGS

6. Respondent agrees that if Respondent is charged with a violation of an Act enforced by this Board in the future, this Consent Agreement and Order shall be admitted into evidence without objection in that proceeding.

ACKNOWLEDGMENT OF NOTICE AND WAIVER OF HEARING

7. Respondent acknowledges the filing of an Order to Show Cause in this matter. Respondent knowingly and voluntarily waives the right to an administrative hearing in this matter, and knowingly and voluntarily waives the following rights related to that hearing: to be represented by counsel at the hearing; to present witnesses and testimony in defense or in mitigation of any sanction that may be imposed for a violation; to cross-examine witnesses and to challenge evidence presented by the Commonwealth; to present legal arguments by means of a brief; and to take an appeal from any final adverse decision.

ACKNOWLEDGMENT OF RIGHT TO ATTORNEY

8. Respondent acknowledges that she is aware that she has the right to consult with, and/or be represented by, private legal counsel of Respondent's choosing and at Respondent's expense when reviewing, considering and accepting the terms of this Consent Agreement. To the extent

that Respondent is not represented by legal counsel, Respondent has knowingly elected to proceed without the assistance of legal counsel.

WAIVER OF CLAIM OF COMMINGLING AND OTHER CONSTITUTIONAL CLAIMS

9. Respondent expressly waives any constitutional rights and issues, such as commingling of prosecutorial and adjudicative functions by the Board or its counsel, which may arise or have arisen during the negotiation, preparation and/or presentation of this Consent Agreement. Respondent specifically agrees that if the Board rejects this agreement, it may assume that the facts and averments as alleged in this Consent Agreement are true and correct for the limited purpose of recommending a sanction, based on those assumed facts, that would be acceptable to the Board before hearing the case. In the event that the Board does assume the facts and averments as alleged in this Consent Agreement are true for purposes of making a recommendation as to an acceptable sanction, such action shall not constitute commingling of prosecutorial and adjudicative functions by the Board or its counsel, and the Respondent expressly waives any constitutional rights and issues related to alleged commingling, bias, or violation of due process rights to have an unbiased and impartial adjudicator in any subsequent hearing. If a hearing is subsequently held, neither this Consent Agreement nor the proposed terms of settlement may be admitted into evidence and any facts, averments, and allegations contained in the Consent Agreement must be proven at hearing unless otherwise separately stipulated. This paragraph is binding on the participants even if the Board does not approve this Consent Agreement.

NO MODIFICATION OF ORDER

10. Respondent agrees, as a condition of entering into this Consent Agreement, not to seek modification at a later date of the Stipulated Order adopting and implementing this Consent Agreement without first obtaining the express written concurrence of the Prosecution Division.

AGREEMENT NOT BINDING ON OTHER PARTIES

11. The Office of General Counsel has approved this Consent Agreement as to form and legality; however, this Consent Agreement shall have no legal effect unless and until the Board issues an Order approving and adopting this Consent Agreement.

EFFECT OF BOARD'S REJECTION OF CONSENT AGREEMENT

12. Should the Board not approve this Consent Agreement, presentation to and consideration of this Consent Agreement and other documents and matters by the Board shall not prejudice the Board or any of its members from further participation in the adjudication of this matter. This paragraph is binding on the participants even if the Board does not approve this Consent Agreement.

AGREEMENT DOES NOT PREVENT ADDITIONAL DISCIPLINE BASED ON OTHER COMPLAINTS

13. Nothing in this Order shall preclude the Prosecution Division for the Commonwealth from filing charges or the Board from imposing disciplinary or corrective measures for violations or facts not contained in this Consent Agreement;

ENTIRE AGREEMENT

14. This agreement contains the whole agreement between the participants; provided however, that the captions printed in the various provisions of this agreement are for ease of reading only and are not to be interpreted as forming any part of this agreement. There are no other terms, obligations, covenants, representations, statements or conditions, or otherwise, of any kind whatsoever concerning this agreement.

VERIFICATION OF FACTS AND STATEMENTS

15. Respondent verifies that the facts and statements set forth in this Consent Agreement are true and correct to the best of Respondent's knowledge, information and belief. Respondent

understands that statements in this Consent Agreement are made subject to the criminal penalties of 18 Pa.C.S.A. § 4904 relating to unsworn falsification to authorities.

Based upon the consent of the parties, the Board hereby enters the following:

FINDINGS OF FACT

1. The North Carolina Board of Pharmacy is a body duly organized under the laws of North Carolina and is the proper body for this proceeding under the authority granted it in Chapter 90 of the General Statutes of North Carolina, and the rules and regulations promulgated thereunder.

2. Respondent Marley Drug, Inc., located at 5008 Peters Creek Parkway, Winston-Salem, North Carolina, is, and was at all relevant times referred to herein, the holder of Permit No. 8320. The Pharmacy is, and was at all relevant times, subject to the rules and regulations of the North Carolina Board of Pharmacy and the laws of the State of North Carolina.

3. Between December 18, 2013 and April 3, 2018, the Pharmacy unlawfully dispensed and shipped prescriptions into Alabama, Arizona, Arkansas, California, Colorado, the District of Columbia, Georgia, Hawaii, Idaho, Illinois, Kentucky, Louisiana, Maine, Maryland, Michigan, Minnesota, Mississippi, Montana, Nebraska, New Mexico, Oklahoma, Oregon, Pennsylvania, Tennessee, Utah, Vermont, West Virginia and Wyoming at times when the Pharmacy did not have a permit in those states.

4. Included among these prescriptions, between December 8, 2014 and March 8, 2017, were 33 controlled substance prescriptions that were unlawfully dispensed and shipped into Alabama (eleven schedule IV prescriptions), Arizona (five schedule III and IV prescriptions), California (ten schedule IV prescriptions), Georgia (one schedule IV prescription), Maryland (three schedule IV prescriptions), and Tennessee (two schedule III and IV prescriptions). These controlled substances were dispensed at times when the Pharmacy did not have a permit in those states and was not registered to dispense controlled substances into those states. The Pharmacy also did not report to those states' controlled substance prescription monitoring programs, as required by law.

5. The Pharmacy's pharmacist-manager testified that he had actual knowledge that the Pharmacy did not hold a permit in these states when the drugs were unlawfully dispensed and shipped, except for two states (Alabama and Maine) where he testified that, at least at certain times, he believed that the Pharmacy had a permit when its permit had actually lapsed.

However, the Board finds that it was unreasonable for the pharmacist-manager to believe that the Pharmacy had a permit in Alabama or Maine at any point when the Pharmacy did not have a permit, because the Pharmacy did not have a current permit for those states in its possession and publicly available information would have revealed that the Pharmacy did not have an active permit in those states at those times. Moreover, on January 9, 2018, the Pharmacy received notification from the Maine Board that (the Board finds) did or should have informed it that its Maine permit had not been renewed for 2018, but the Pharmacy nevertheless continued to ship into Maine until the permit was actually renewed on April 4, 2018.

6. As a mitigating factor as to shipments after December 14, 2016, on that date, the Pharmacy implemented remedial measures to attempt to ensure that prescriptions were not shipped into Arizona, Arkansas, California, the District of Columbia, Idaho, Louisiana, Maryland, Michigan, Montana, Nebraska, Oklahoma, Oregon and West Virginia until permits were secured. These measures did dramatically reduce the number of shipments over the prior time when the Pharmacy intended to ship without permits, but the Pharmacy still did make a relatively small number of unlawful shipments despite these efforts.

7. Between March 2016 and July 2017, the Pharmacy regularly and unlawfully held itself out in radio advertising as a permitted pharmacy in certain states at times when, in fact, it was not permitted to operate as a pharmacy. These violations are as follows:

a. In March 2016, the Pharmacy unlawfully held itself out as permitted to dispense in the Commonwealth of Pennsylvania by advertising on 63 occasions on a radio station in Pittsburgh;

b. Between July and September 2016, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Illinois by advertising on 53 occasions on radio stations in Chicago;

c. Between July and December 2016, the Pharmacy unlawfully held itself out as permitted to dispense in the State of California by advertising on

707 occasions on radio stations in Los Angeles, Sacramento and San Francisco;

d. During November and December 2016, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Louisiana by advertising on 200 occasions on radio stations in New Orleans;

e. During December 2016 and January 2017, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Oregon by advertising on 170 occasions on a radio station in Portland;

f. Between February and July 2017, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Alabama by advertising on 79 occasions on radio stations in Gadsden and Mobile;

g. Between March and June 2017, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Arkansas by advertising on 79 occasions on a radio station in Fort Smith; and

h. In June 2017, the Pharmacy unlawfully held itself out as permitted to dispense in the State of Michigan by advertising on 36 occasions on a radio station in Grand Rapids.

All advertisements run on and before December 14, 2016 were intentionally placed by the Pharmacy in states in which the Pharmacy was not permitted. However, as a mitigating factor, the Board finds that – after December 14, 2016 – the Pharmacy had instructed its advertising agency not to run advertising in certain states at the times of certain advertisements, but the advertising was run in violation of these instructions. This mitigating factor applies only to eighteen (18) of the advertisements in California and eighteen (18) of the advertisements in Louisiana on December 15 and 16, 2016; thirty-six (36) of the advertisements in Alabama from July 3 to 7, 2017; and all of the advertisements in Oregon, Arkansas and Michigan. However, the Pharmacy is still responsible for the actions undertaken on its behalf.

8. On October 5, 2017, the Maine Board of Pharmacy entered a Consent Order suspending the Pharmacy's permit in Maine for 90 days. The pharmacist-manager signed the Consent Order for the Pharmacy and testified he was aware that the Consent Order was entered.

Nevertheless, the Pharmacy violated this Consent Order by unlawfully shipping ten (10) prescriptions into the State of Maine during the period of the Pharmacy's suspension.

9. Between September 1, 2016 and October 27, 2017, the Pharmacy unlawfully operated in the State of Texas without a pharmacist-manager who was licensed as a pharmacist in Texas.

10. Between June 28, 2017 and November 21, 2017, the Pharmacy was disciplined by the States of Alabama, Idaho, Louisiana, Maryland, Oklahoma and Texas. In addition, on August 30, 2017, the Pharmacy's employee, R.Ph. Robert Brent Clevenger, was disciplined by the State of Oklahoma. The Pharmacy did not disclose that disciplinary action to other states in which it was permitted until its next renewal application in each of those states. The Pharmacy therefore violated the laws of the following states requiring that those states be notified of discipline within a certain number of days following the disciplinary action: Alaska (30 days after both Permit and Clevenger discipline), Colorado (30 days after Permit discipline), Connecticut (10 business days after Permit discipline), Georgia (five business days after Permit discipline), Illinois (60 days after both Permit and Clevenger discipline), Iowa (30 days after Permit discipline), Maine (10 days after Permit discipline), New Hampshire (30 days after Permit discipline), Oklahoma (10 days after Permit discipline), Pennsylvania (30 days after Permit discipline) and Tennessee (30 days after Permit and Clevenger discipline).

11. The Board incorporates by reference the following orders:

a. The Maryland Board of Pharmacy Pre-Charge Consent Order of June 28, 2017;

b. The Idaho Board of Pharmacy Stipulation and Consent Order of August 1, 2017;

c. The Oklahoma Board of Pharmacy Agreed Findings of Fact, Conclusions of Law and Final Order of August 30, 2017;

d. The Maine Board of Pharmacy Consent Agreement of October 5, 2017;

e. The Texas Board of Pharmacy Agreed Board Order of November 7, 2017;

f. The Louisiana Board of Pharmacy Consent Agreement of November 15, 2017;

g. The Alabama Board of Pharmacy Consent Order of November 30, 2017;

h. The California Board of Pharmacy Citation and Fine of January 18, 2018;

i. The Maine Board of Pharmacy Consent Agreement of March 28, 2018; and

j. The New Hampshire Board of Pharmacy Notice of Violation of January 7, 2019.

RE: *Marley Drug, Inc, Permit #28RO00087000*

Dear Ms. Marley:

This letter is to advise you that the New Jersey State Board of Pharmacy (the "Board") has had an opportunity to review information concerning your practice of pharmacy following an investigation that uncovered the following infractions of the law and regulations:

At the April 24, 2019 meeting, the New Jersey Board of Pharmacy reviewed information supplied by Marley Drug, Inc (permit number 28RO00087000) regarding every prescription shipped into NJ prior to being licensed. The Board has determined to issue a fine of $15,000.00 ($1,000 x 15 for every prescription) to Marley Drug, Inc for every prescription shipped into NJ prior to being licensed.

The Board has determined that it will first offer you an opportunity to settle this matter and thereby avoid the initiation of formal disciplinary proceedings. Should you wish to avail yourself of this opportunity, you should sign the acknowledgment below and agree to the following:

Pay a penalty in the amount of ***$15,000.00 ($1,000 x 15 for every prescription shipped into NJ prior to being licensed),*** *(to be paid immediately upon your signing of the acknowledgment at the bottom of this letter.*

Alternatively, you may waive your right to a hearing and submit a written statement or explanation to the Board. The Board will then consider your submission and render a final decision, which may include any of the terms set forth above. Any disposition by way a settlement will be a public record, and will have the same effect as an order of the Board. Any failure to comply with the terms to which you agree will be deemed a violation.

If you do not wish to settle this matter, you may request a hearing. In that event, this letter will serve as notice of the charges against you and a hearing will be scheduled before the Board. At that hearing you either personally or with the assistance of an attorney will have an opportunity to respond to the charges and submit evidence and present testimony as may be necessary in order for the Board to make a final determination concerning the charges of unlawful activity.

You should be aware that in making its final decision, the Board may, if unlawful activity has been proven, assess civil penalties in an amount greater than that offered in this letter. Additionally, the Board may, if the facts are found to so warrant, enter an order requiring you to pay costs incurred in the matter.

Should you have any questions concerning this letter or the settlement offer herein, I suggest that you contact the Board of Pharmacy, at (973) 504-6450.

The enclosed certification should be completed and returned to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from you within fifteen (15) days, the Board's settlement offer will be withdrawn, and you will be deemed in default. The allegations against you will be deemed uncontested. The Board will then proceed to schedule the matter for final review and will enter an appropriate order. Once an order has been entered, your failure to pay any penalties may result in further action to suspend or revoke your license.

IN RE:	)

MARLEY DRUG, INC.	)	CONSENT AGREEMENT
	)	
Complaint No. 2019-PHA-15281	)	

PARTIES

This document is a Consent Agreement regarding disciplinary action against the mail order pharmacy license of Marley Drug, Inc., in the State of Maine. The parties to this Consent Agreement are: Marley Drug, Inc. ("Marley Drug"), the Maine Board of Pharmacy ("the Board"), and the Office of the Attorney General ("the Attorney General"). This Consent Agreement is entered into pursuant to 10 M.R.S. § 8003(5-A).

STATEMENT OF FACTS

1. Since March 24, 2016, Marley Drug has been licensed by the Board as a mail order pharmacy, license number MO40001812, located at 5008 Peters Creek Parkway in Winston Salem, North Carolina.

2. On October 5, 2017, Marley Drug entered into a consent agreement with the Board to resolve Case No. 2017-PHA-13348, pursuant to which consent agreement Marley Drug admitted to shipping 48 prescriptions to Maine patients prior to it becoming licensed by the Board as a mail order pharmacy in 2016 and agreed to pay a civil penalty of $24,000 and accept a 90-day license suspension, which would run from October 5, 2017, through January 4, 2018.

3. At midnight on December 31, 2017, Marley Drug's license expired because it failed to submit an application for renewal of its license.

4. On January 8, 2018, Marley Drug submitted an application for renewal, but because its license had already expired, its license would not renew until the application was approved by the Board.

5. In addition, Marley Drug disclosed for the first time in its renewal application disciplinary action taken against licenses it held in other jurisdictions. Marley Drug's failure to notify the Board of these disciplinary actions within 10 days as required by 10 M.R.S. § 8003-G(2)(C) was docketed by the Board as Complaint No. 2017-PHA-13930.

6. On March 28, 2018, Marley Drug entered into a consent agreement with the Board to resolve Complaint No. 2017-PHA-13930, pursuant to which consent agreement Marley Drug admitted to failing to report in a timely manner disciplinary action taken against licenses it held in other jurisdictions and agreed to pay a civil penalty of $9,000 with all but $3,000 suspended, a 540-day suspension, which was all suspended, and be placed on probation for one year, which period of probation commenced on March 28, 2018, and terminated on March 27, 2019.

7. Upon execution of the consent agreement in Complaint No. 2017-PHA-13930, the Board renewed Marley Drug's license effective April 4, 2018.

8. After the Board renewed Marley Drug's license, it received information from the North Carolina Board of Pharmacy that indicated Marley Drug had dispensed and shipped prescription drugs to Maine residents during periods when it did not hold an active license to do so in Maine.

9. During the period when its license was suspended from October 5, 2017, through December 31, 2017, Marley Drug dispensed and shipped 11 prescription drug orders to Maine residents.

10. During period when its license was expired from January 1, 2018, through April 3, 2018, Marley Drug dispensed and shipped 83 prescription drug orders to Maine residents.

11. On January 31, 2019, the Board filed a complaint against the license of Marley Drug alleging that it had dispensed and shipped 94 prescription drug orders to Maine residents when it did not hold an active license to so, which complaint was docketed as 2019-PHA-15281.

12. On April 4, 2019, the Board voted to offer Marley Drug this Consent Agreement in order to resolve Complaint No. 2019-PHA-15281.

13. Absent acceptance of this Consent Agreement by signing and dating it and returning it to William Akins, Complaint Office, Department of Professional and Financial Regulation, 35 State House Station, Augusta, Maine 04333-0035 by May 17, 2019, the Board will resolve this matter by holding an adjudicatory hearing.

COVENANTS

14. Marley Drug admits to the facts as stated above and admits that such conduct constitutes grounds to impose discipline against its license pursuant to 10 M.R.S. § 8003(5-A)(A)(7) for continuing to act in a capacity requiring an active license under the Board after expiration or suspension of license.

15. As discipline for the conduct admitted to in paragraph 14 above, Marley Drug agrees to accept the following DISCIPLINARY ACTION:

a. A REPRIMAND;

b. A CIVIL PENALTY in the amount of ninety-four thousand dollars ($94,000.00), comprised of a $1,000.00 penalty for each prescription it dispensed and shipped to a Maine resident while its Maine license was either suspended or expired, which payment of the penalty shall be made by certified check or money order payable to the "Treasurer, State of Maine" and delivered to Complaint Coordinator, Maine Department of Professional and Financial Regulation, 35 State House Station, Augusta, Maine 04333, at the time the signed Consent Agreement is submitted; and

c. LICENSE PROBATION for a period of two years, which period shall commence on the effective date of this consent agreement and during which period Marley Drug's license shall be subject to the following conditions:

   i. Marley Drug shall comply with all Maine pharmacy laws and Board rules; and

   ii. In the event of a failure to comply with the conditions of probation, and in addition to other sanctions permitted by law, Marley Drug shall be subject to the imposition of the $6,000 suspended civil penalty and/or the 540-day suspended license suspension imposed by the consent agreement that resolved Complaint No. 2018-PHA-13930.

16. Violation of any of the terms or conditions of this Consent Agreement by Marley Drug shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of licensure or re-licensure.

17. This Consent Agreement is not appealable and is effective until modified or terminated by the parties hereto.

18. The Board and the Attorney General may communicate and cooperate regarding any matter related to this Consent Agreement.

19. Upon receipt of the signed Consent Agreement and the civil penalty payment, the Board will renew Marley Drug's license contingent upon it meeting all other eligibility criteria.

20. This Consent Agreement is a public record within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408-A.

21. Nothing in this Consent Agreement shall be construed to affect any right or interest of any person not a party hereto.

22. The Board and Marley Drug agree that no further agency action will be initiated against its license by the Board based upon the specific violations admitted to herein, except or unless Marley Drug fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct in the event that other allegations are brought against Marley Drug and this Consent Agreement will be introduced as evidence in any future adjudicatory hearing involving Marley Drug. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining appropriate discipline in any further complaints against Marley Drug.

23. Marley Drug acknowledges by its duly authorized representative's signature hereto that it has had an opportunity to consult with an attorney before executing this Consent

Agreement, that it executes this Consent Agreement voluntarily, and that it agrees to abide by all terms and conditions set forth herein.

Whereas, the Board received a formal complaint alleging that Respondent has violated the Act; and

Whereas, the Board found sufficient evidence to refer the matter to its administrative prosecutor and requested a Notice of Contemplated Action ("NCA") be issued against Respondent; and

Whereas, the parties have entered into a pre-NCA settlement agreement, but in the event the Board does not accept the agreement, an NCA will be issued pursuant to the Uniform Licensing Act, NMSA 1978, Sections 61-1-1 through -34 (1957, as amended through 2017) ("ULA"), which will state that the Board has sufficient evidence which, if not rebutted or satisfactorily explained, would justify the Board taking disciplinary action against Respondent up to and including license denial or revocation; and

Whereas, Respondent is willing to resolve this matter without the need for, and time and expense of, a formal hearing conducted; and

Whereas, the Board's administrative prosecutor believes that this proposed Settlement Agreement (the "Agreement") is appropriate and in the best interest of the Board:

THEREFORE, IT IS AGREED AS FOLLOWS:

1. Jurisdiction: Respondent is licensed by the Board or otherwise subject to the Act and jurisdiction of the Board.

2. Voluntary Agreement: Respondent enters into this Agreement knowingly and voluntarily, without duress or coercion, and after a full opportunity to consult an attorney. Respondent understands that if Respondent rejects this agreement the Board

will conduct a formal evidentiary hearing which could result in the Board imposing discipline that is more severe or less severe than the sanctions imposed herein.

3. Board Approval: This Agreement requires Board approval. If the Board rejects this Agreement, the Board may proceed with a full evidentiary hearing on a date scheduled by the Board in a subsequent notice. The approval shall be effective the date this Agreement is signed by the Board or its designee.

4. Waivers: If this Agreement is accepted by the Board, Respondent agrees to waive any and all rights under the Uniform Licensing Act, NMSA 1978, Sections 61-1-1 through -34 (1957, as amended through 2017), including but not limited to the right to an evidentiary hearing, the right to discovery, the right to present evidence, the right to call and cross examine witnesses, and the right to judicial review.

5. Violations: Respondent admits to the following violation(s) of the Act or Board's rules:

    i. Nineteen (19) violations of 16.19.6.24(B) NMAC, Non-Resident Pharmacies: Licensure requirement, no nonresident pharmacy shall ship, mail or deliver prescription drugs to a patient in this state unless licensed by the board. In addition, no nonresident pharmacy shall ship, mail or deliver controlled substances to a patient in this state unless registered by the drug enforcement administration and the board for controlled substances.
    ii. NMSA 61-11-20(A)(7): Procuring or attempting to procure registration as a pharmacist or pharmacist intern or licensure for a pharmacy or pharmaceutical business in this state for himself or another by knowingly making or causing to be made false representations to the board.

6. Sanctions and Conditions: Respondent agrees to the following disciplinary sanctions and conditions:

    a. Fine: Respondent shall pay to the Board a fine of two thousand three hundred and fifty dollars ($2,350.00) within ninety (90) days from the date this Agreement is accepted by the Board ($100 for each violation of non-resident pharmacy shipping medication into state without license, and $450 for the cost of the investigation).

7. Reportable Discipline: Respondent understands that this Agreement constitutes formal disciplinary action by the Board, and will be reported to the National Practitioner Data Bank.

8. Non-Compliance: Respondent understands and agrees that failure to comply with the terms of this Agreement will result in further Board action. Any violation of this Agreement will result in the immediate, automatic filing of an administrative Notice of

Non-Compliance by Board staff. Upon the filing of a Notice of Non-Compliance, the matter shall be scheduled for the next available public meeting of the Board, at which time the Board shall hear from Board staff regarding the alleged non-compliance. Respondent shall have the opportunity to address the allegations or offer any other relevant argument or evidence regarding the reasons for non-compliance. Such argument or evidence may be provided in writing prior to the meeting or in person at the Board meeting. Any presentation regarding the Notice of Non-Compliance shall be limited to evidence surrounding Respondent's alleged failure to comply with the Agreement. Upon finding such violation occurred, the Board may suspend Respondent's license(s), provided that this suspension may only remain in effect until such time as the Respondent has complied with the terms of this agreement, or take other enforcement action as permitted by law. If Respondent's non-compliance constitutes acts that are prohibited under the Board's statute or rules, the Board may also initiate a new disciplinary action and refer that matter for administrative prosecution.

9. Contact Information: Respondent shall notify the Board within ten (10) calendar days if there is a change in employment or home address during the term of discipline or prior to completion of any conditions stated herein.

10. Public Record: This Agreement and the original complaint are public records and may be provided for inspection if requested, pursuant to the New Mexico Inspection of Public Records Act ("IPRA"), NMSA 1978, Sections 14-2-1 to -12 (1947, as amended through 2018). The Board may also publish this Agreement or a summary of the Agreement to the public, which may include posting to the Board's website.

I understand and have read this document and hereby agree to the terms of this Agreement freely and voluntarily. I understand that by entering into this Agreement I am giving up my rights under the Uniform Licensing Act, including my right to an evidentiary hearing on the merits of the alleged violations.

I understand that if the Board accepts this Agreement, I am required to comply with the terms stated herein, and that failure to comply with the Agreement may subject me to further discipline, including temporary suspension of my license(s).

BEFORE THE WEST VIRGINIA BOARD OF PHARMACY

IN RE: **Complaint No. 2019-01-04**
Marley Drug, MO0561015

CONSENT AGREEMENT AND ORDER

Come now, Marley Drug, MO0561015 (hereinafter the "Respondent"), and the West Virginia Board of Pharmacy (hereinafter the "Board"), by its President, Dennis Lewis, and by counsel, Ryan Hatfield, for the purpose of agreeing to disciplinary action which shall be taken against Respondent by the Board, pursuant to West Virginia Code § 30-5-31. As reflected in this Consent Agreement and Order, the parties have reached an agreement concerning the proper disposition of this matter, and the Board, approving such agreement, does hereby **FIND** and **ORDER** as follows:

FINDINGS OF FACT AND CONCLUSIONS OF LAW

1. The Board is a West Virginia State entity created by West Virginia Code § 30-5-1, *et seq.*, and is empowered to regulate the practice of pharmacy in order to protect the public interest, including its health, safety, and welfare.

2. Respondent, Marley Drug, holds license number MO0561015.

3. West Virginia Code § 30-5-31 states in relevant part that the Board has the power to revoke or suspend or otherwise discipline any license of any person who has, among other things, the following:

> (5) Having had a board authorization revoked or suspended, other disciplinary action taken, or an application for a board authorization revoked or suspended by the proper authorities of another jurisdiction;
>
> . . .
>
> (9) Violation of any laws, including rules pertaining thereto, of this or any other jurisdiction, relating to the practice of pharmacist care, drug samples, drug manufacturing, wholesale or retail drug or

device distribution, or controlled substances;

. . .

(11) Disciplinary action taken by another state or jurisdiction against a board authorization to practice pharmacist care based upon conduct by the licensee, registrant or permittee similar to conduct that would constitute grounds for actions as defined in this section[.]

4. Board Rule § 15-6 sets forth comprehensive licensure requirements for mail order and non-resident pharmacies.

5. In the instant case, the Board's investigation has determined that Respondent has been disciplined in other jurisdictions for violations that may warrant discipline in the State of West Virginia. Additionally, the Board's investigation has concluded that Respondent dispensed at least 296 prescription orders into West Virginia without first obtaining the appropriate licensure. Thus, discipline is warranted for violation of multiple Board laws and rules.

CONSENT

Marley Drug, Respondent, by freely and voluntarily affixing its representative's signature hereto, agrees, for the purposes of the entry of this Consent Agreement and Order, to the following:

1. Respondent acknowledges that it has the right to have counsel advise and/or represent it in this matter at his own expense; is aware of its option to pursue this matter through appropriate administrative and/or court channels, including, but not limited to, the right to have a formal hearing on the complaint against it; and to confront the witnesses and evidence against it; but intelligently and voluntarily waives its right to such a hearing in order to settle this matter as outlined herein.

2. Respondent understands that this will constitute formal discipline that will, as a matter of law, become a part of the public record and may, for the protection of the public, be reportable to others outside of the Board, including to any national database tracking discipline against those in the practice of pharmacy.

3. Having had an adequate opportunity to review this Consent Agreement and Order, and to receive such counsel and advice as it finds necessary and/or appropriate, including, but not limited to, access to legal counsel or the counsel of friends, relatives or other persons in the

Respondent's confidence, Respondent consents to the entry of this Consent Agreement and Order affecting its registration to operate a pharmacy licensed with the State of West Virginia.

ORDER

WHEREFORE, on the basis of the foregoing findings, conclusions, and Respondent's consent, the Board hereby **ORDERS** that:

1. This Consent Agreement shall constitute a formal **REPRIMAND** against Respondent's registration with the State of West Virginia.

2. Respondent shall be assessed a monetary fine of Thirty-Two Thousand and Five Hundred Dollars ($32,500.00). This amount represents a Three Thousand Dollar ($3,000.00) fine for the first violation, and One Hundred Dollars ($100.00) per violation thereafter. Such amount is to be made payable to the West Virginia Board of Pharmacy and is due and payable not later than ninety days from the date of entry of this Consent Agreement and Order.

4. Should proper cause arise or should law require, federal and state authorities shall be notified of this settlement via this Consent Agreement and Order.

Change of Ownership to Tabula Rasa HealthCare Group, Inc. (formerly) TRHC OpCo, Inc. dba MedWiseRx

RE: Explanation of Change of Ownership for Applicant

SinfoniaRx, Inc. was merged into TRHC OpCo, Inc. resulting from a company-wide reorganization on 1/1/2020. This reorganization resulted in a change in ownership changing the EIN from: 90-1014939 to 26-4642609. At the same time, the name of the pharmacy changed from SinfoniaRx to MedWiseRx. Therefore, the enclosed Change in Ownership/Change in Name application is attached.

On June 23, 2020 TRHC OpCo, Inc. legally changed its name to Tabula Rasa HealthCare Group, Inc. Neither the parent company (Tabula Rasa Health Care, Inc.) nor the officers have changed. This was a name change of the owner of the pharmacy and not a change in ownership.

The new name of the pharmacy is MedWiseRx. The physical location of the pharmacy is 1812 Center Creek Drive, Suite 115, Austin Texas 78754.

The enclosed application and attachments provide a full documentation of the above events.

MedWiseRx is a non-dispensing pharmacy that provides medication therapy management services.

On December 18, 2019, the Oklahoma Board of Pharmacy (OK BOP) notified SinfoniaRx, Austin, (OK BOP Lic: 99-8497, TX BOP Lic: 32025) concerning a discrepancy in the Pharmacist-In-Charge listed on the Oklahoma Pharmacy license application for SinfoniaRx, Austin, TX. Due to an oversight, the pharmacy did not notify the OK BOP of the newly designated OK PIC. An Oklahoma licensed pharmacy was always on site and overseeing services provided to Oklahoma patients. The Oklahoma BOP has since been properly notified of the change in Oklahoma licensed pharmacist PIC. The matter was fully resolved by agreement with the Oklahoma Board of Pharmacy, January 14, 2020.

By way of background, SinfoniaRx was founded to optimize medication use and improve the health of patients with chronic illness by providing through Medication Therapy Management (MTM). Patients with chronic illness face a number of challenges managing their day-to-day and long-term health, in part because medications are complex, confusing, costly, and potentially dangerous.

SinfoniaRx operates a pharmacist-run call center that provides phone-based medication therapy management (MTM) services. This is not retail or mail order pharmacy. It does not purchase, stock, compound, or dispense medications of any kind. Thus, it is not required to have either a state of federal controlled substance license.

On December 18, 2019, the Oklahoma Board of Pharmacy (OK BOP) notified SinfoniaRx, Austin, (OK BOP Lic: 99-8497, TX BOP Lic: 32025) concerning a discrepancy in the Pharmacist-In-Charge listed on the Oklahoma Pharmacy license application for SinfoniaRx, Austin, TX. Various State Boards of Pharmacy require a non-resident pharmacy to have a state designated PIC pharmacist who is licensed in that state to oversee services provided to patients in that state. SinfoniaRx maintains a policy to always have a backup state licensed pharmacist on staff in case the designated pharmacist leaves the team.

The Oklahoma licensed pharmacist identified in the original Oklahoma non-resident pharmacy application resigned her position at SinfoniaRx after the application was completed and submitted to Oklahoma. Upon the pharmacy receiving the OK PIC resignation, the pharmacy immediately identified a new Oklahoma licensed pharmacist to become the OK PIC. Due to an oversight, the pharmacy did not notify the OK BOP of the newly designated OK PIC. It is important to note an Oklahoma licensed pharmacy was always on site and overseeing services provided to Oklahoma patients. The Oklahoma BOP has been properly notified of the change in Oklahoma licensed pharmacist PIC.

The matter was fully resolved by agreement with the Oklahoma Board of Pharmacy, January 14, 2020.

Please feel free to contact me if you desire any further information regarding this matter.

RE: OSBP vs. Sinfoniarx, Inc, #99-8494, Complaint & Case No. 1574

To Whom it May Concern:

A Complaint has been filed against you by the Oklahoma State Board of Pharmacy. The Complaint is enclosed with this letter. A hearing has been scheduled on the Complaint and your Notice of Hearing is also enclosed. At the hearing, the Board of Pharmacy members will be presented with the Complaint and the evidence for their consideration and then they will determine your innocence or guilt on the violations alleged in the Complaint. If guilt is established by clear and convincing evidence, the Board will then determine the penalty to be assessed under the penalties allowed in the Pharmacy Act. Please be advised that you have the right to have an attorney to represent you with regard to the allegations against you, you have the right to cross-examine witnesses, and you have the right to present witnesses and evidence in your own defense at the hearing.

Most times, a licensee will request a meeting with the Board of Pharmacy's Executive Director and a Compliance Officer at least á week prior to the hearing to give the licensee an opportunity to discuss the issues raised in the Complaint with the Director. Many times, the Director and licensee will attempt to reach an agreement as to how to resolve the issues raised in the Complaint without the necessity of a full hearing where all the evidence is presented in an open Board meeting. As a result of these discussions, often the licensee and Director will write an Agreed Order for the licensee's review and consideration. If the Agreed Order is accepted by the licensee and signed prior to the Board hearing, it will then be presented at the Board meeting for the Board members' consideration. This process does not require the evidence to be presented and the examination and cross-examination of witnesses to be done during the Board meeting, which is open to the public under the Open Meetings Act.

If you would like to schedule an informal meeting to review and discuss any of the issues raised in the Complaint with the Director of the Board and a Pharmacist Compliance Officer in an attempt to resolve the issues, please contact Senior Compliance Officer Gary LaRue, D.Ph., or myself before January 3, 2020 to schedule a meeting. Some licensees bring their attorney to this informal meeting, but it is certainly not a requirement. You always have the right to retain an attorney after the informal meeting. Please keep in mind that if you do bring your attorney to the informal meeting, the Board's Assistant Attorney General/prosecutor must also be present at the informal meeting. If an Agreed Order agreement is not reached during this informal meeting, your case will go to a full hearing at the Board meeting as now scheduled.

Again, please contact Gary LaRue, D.Ph., or myself by January 3, 2020 if you would like to schedule a meeting with the Board of Pharmacy Director and a Compliance Officer. Please feel

IN THE MATTER OF THE COMPLAINT AGAINST:	)	
SinfoniaRx, Inc. **(License No. 99-8494)** **1812 Centre Creek Drive, Suite 115** **Austin, TX 78754**	)	**Case No.** 1574

COMPLAINT

COMES NOW, Gary LaRue, D.Ph., Deputy Director of the Oklahoma State Board of Pharmacy ("Board"), being first duly sworn upon oath, and alleges that Respondent, SinfoniaRx, Inc., (License No. 99-8494), has violated provisions of the Oklahoma Pharmacy Act, 59 O.S. §353.1 et seq., in the manner set forth below in Counts 1 through 3.

Pursuant to 59 O.S. §353.26(A), the violations described below authorize the Board to take disciplinary action against Respondent which may include revocation or suspension of Respondent's license. Pursuant to 59 O.S. §353.7(12), the Board has the power to levy fines not to exceed Three Thousand Dollars ($3000.00) for each count for which any holder of a certificate, license or permit has been found guilty in a Board hearing. The Board may also impose as part of any disciplinary action the payment of costs expended by the Board for any legal fees and costs, including, but not limited to, staff time, salary and travel expense, witness fees and attorney fees. Also pursuant to 59 O.S. §353.7(12), the Board is empowered to impose (singly or in combination) any of the following corrective disciplinary sanctions: extra continuing education ("CE"), attendance at live CE programs, participation in a rehabilitation program for the impaired.

FACTUAL ALLEGATIONS

1. On April 15, 2019, the Board received an application for a new pharmacy license from SinfoniaRx, Inc., (License No. 99-8494). The PIC listed on the application is Christa Tetuan, D.Ph., (Oklahoma License No. 18272). The license was not issued until June 28, 2019.

2. On October 21, 2019, the Board staff emailed Christa Tetuan with questions based on a phone call received from her. The Board staff asked if she was aware that the pharmacy listed her as the PIC on the application and informed her that it appeared she had signed the application as well. The Board staff also asked if she notified the Board within 10 days of leaving employment from the above named pharmacy.

3. The Board received an email from Saul Ortega, Pharmacy Director, for SinfoniaRx. The email stated that they were making a change in PIC and that Sylvia Guan, D.Ph., (Oklahoma License No. 18054), was replacing Christa Tetuan. Board staff requested that Mr. Ortega specify the date Christa Tetuan left her duties as PIC. On October 23, 2019, Mr. Ortega replied that Christa Tetuan left her duties as PIC on May 28, 2019, before the pharmacy license was issued and that Sylvia Guan immediately assumed the role of PIC. His reply went on to say that the pharmacy does not dispense or stock any medications and that they did not conduct an inventory to accompany this change in PIC. He also stated that they realized this oversight through an internal review.

4. On October 22, 2019, the Board received an email response from Christa Tetuan. The email stated that she was aware when signing the application that she would be designated as the PIC and that she never received any correspondence regarding submission of the application or processing.

5. Ms. Tetuan stated that she resigned from her position with SinfoniaRx on May 24, 2019, and was not aware that the pharmacy had been granted a license on June 28, 2019. She updated her address and employment online on June 6, 2019. When logging in online to update her home address with the Board on October 20, 2019, she learned that the pharmacy had received its license and that she was listed as the PIC. She was under the impression that SinfoniaRx had not yet submitted the application when she resigned and that they had designated another pharmacist for a new application.

6. On November 27, 2019, Deputy Director LaRue emailed Christa Tetuan and asked her if she notified Saul Ortega once she noticed that she was still listed as the PIC of SinfoniaRx. Tetuan's response was that she contacted Mr. Ortega by text and phone call on October 21, 2019 and informed him that he needed to change the PIC for the pharmacy.

7. Deputy Director LaRue does not believe that the pharmacy would have designated a new PIC until their license came up for renewal in June 2020 without the text and phone call from Christa Tetuan.

COUNT 1

Respondent is in violation of OAC 535:15-3-9. Non-resident pharmacies.

(b) Licensing requirements. A non-resident pharmacy shall:

The name of the Oklahoma licensed PIC shall be reported to the Board, in writing, with each renewal and/or within 10 days of any change of such PIC.

Paragraphs 1 through 7 are incorporated by reference.

COUNT 2

Respondent is in violation of OAC 535:25-7-3. Registrant conduct.

(a) Registrants shall conduct business in conformity with all federal, state and municipal laws at all times.

Paragraphs 1 through 7 are incorporated by reference.

COUNT 3

Respondent is in violation of 535:25-9-3. Violating laws or rules.

A registrant shall not violate directly, (or indirectly, through actions of another), assist or abet in the violation of, or conspire to violate, any provision of the Oklahoma Pharmacy Act, 59, O.S. Section 353 et seq., the Federal Food, Drug, and Cosmetic Act, as amended by the Drug Quality and Security

Act of 2013, the Prescription Drug Marketing Act (21 U.S.C., Sec. 331 et seq.), the Robinson-Patman Act (15 U.S.C., Sec. 13 et seq.), or federal, state and local laws and rules.

Paragraphs 1 through 7 are incorporated by reference.

Accordingly, the undersigned issues this Complaint on behalf of the Board on the 19th day of December, 2019.

AGREED FINDINGS OF FACT, CONCLUSIONS OF LAW AND FINAL ORDER

This matter came for hearing on January 15, 2020, before the Oklahoma State Board of Pharmacy ("Board"). Board members St. Cyr, Spoon, Wilson, Adams, Willeford and Whitehead were present. President Adams presided. John M. Settle, Chief Assistant Attorney General, served as prosecutor for the Board. Rose Martin, Pharm. D., Chief Operating Officer, appears on behalf of Respondent.

The Complaint in this matter is incorporated by reference into this Order.

The Board and Respondent hereby agree to the following Findings of Fact, Conclusions of Law and Final Order. Respondent has been advised of the right to contest the allegations of the Complaint herein, to cross-examine witnesses, and to present witnesses and evidence in defense of the allegations of the Complaint. Respondent hereby knowingly and voluntarily waives these rights. In addition, Respondent understands and acknowledges that this document is a public record that must be provided to anyone requesting it.

Should this Order not be accepted by the Board, Respondent agrees that neither the presentation of the Order to the Board nor the Board's consideration of the Order will be deemed to have unfairly or illegally prejudiced the Board or its individual members and, therefore, will not be grounds for precluding the Board or any individual member of the Board from further participating in proceedings related to the matters set forth in the Order.

AGREED FINDINGS OF FACT

1. On April 15, 2019, the Board received an application for a new pharmacy license from SinfoniaRx, Inc., (License No. 99-8494). The PIC listed on the application is Christa Tetuan, D.Ph., (Oklahoma License No. 18272). The license was not issued until June 28, 2019.

2. On October 21, 2019, the Board staff emailed Christa Tetuan with questions based on a phone call received from her. The Board staff asked if she was aware that the pharmacy listed her as the PIC on the application and informed her that it appeared she had signed the application as well. The Board staff also asked if she notified the Board within 10 days of leaving employment from the above named pharmacy.

3. The Board received an email from Saul Ortega, Pharmacy Director, for SinfoniaRx. The email stated that they were making a change in PIC and that Sylvia Guan, D.Ph., (Oklahoma License No. 18054), was replacing Christa Tetuan. Board staff requested that Mr. Ortega specify the date Christa Tetuan left her duties as PIC. On October 23, 2019, Mr. Ortega

replied that Christa Tetuan left her duties as PIC on May 28, 2019, before the pharmacy license was issued and that Sylvia Guan immediately assumed the role of PIC. His reply went on to say that the pharmacy does not dispense or stock any medications and that they did not conduct an inventory to accompany this change in PIC. He also stated that they realized this oversight through an internal review.

4. On October 22, 2019, the Board received an email response from Christa Tetuan. The email stated that she was aware when signing the application that she would be designated as the PIC and that she never received any correspondence regarding submission of the application or processing.

5. Ms. Tetuan stated that she resigned from her position with SinfoniaRx on May 24, 2019, and was not aware that the pharmacy had been granted a license on June 28, 2019. She updated her address and employment online on June 6, 2019. When logging in online to update her home address with the Board on October 20, 2019, she learned that the pharmacy had received its license and that she was listed as the PIC. She was under the impression that SinfoniaRx had not yet submitted the application when she resigned and that they had designated another pharmacist for a new application.

6. On November 27, 2019, Deputy Director LaRue emailed Christa Tetuan and asked her if she notified Saul Ortega once she noticed that she was still listed as the PIC of SinfoniaRx. Tetuan's response was that she contacted Mr. Ortega by text and phone call on October 21, 2019 and informed him that he needed to change the PIC for the pharmacy.

7. Deputy Director LaRue does not believe that the pharmacy would have designated a new PIC until their license came up for renewal in June 2020 without the text and phone call from Christa Tetuan.

8. Respondent, SinfoniaRx, Inc., (License No. 99-8494), neither admits nor denies guilt regarding Count 1 and Count 2, as set forth in the Complaint filed herein.

AGREED CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter and over the Respondent pursuant to 59 O.S.§§ 353.7 and 353.26.

2. Any Finding of Fact which is properly a Conclusion of Law is hereby incorporated by reference and vice versa.

3. Respondent has violated OAC 535:15-3-9. Non-resident pharmacies.

(b) Licensing requirements. A non-resident pharmacy shall:

(6) submit on initial licensure the name and license number of an Oklahoma licensed pharmacist in charge (PIC) who is responsible for the non-resident's pharmacy compliance with Oklahoma laws. The name of the Oklahoma licensed PIC shall be reported to the Board, in writing, with each renewal and/or within 10 days of any change of such PIC, as set forth in Count 1 of the Complaint.

4. Respondent has violated OAC 535:25-7-3. Registrant conduct.

(a) Registrants shall conduct business in conformity with all federal, state and municipal laws at all times, as set forth in Count 2 of the Complaint.

5. Count 3 of the Complaint is hereby dismissed by agreement of the parties.

6. Pursuant to Title 59 O.S. §353.7 (12); any registrant who violates any provision of the Oklahoma Pharmacy Act including the Board's rules, is subject to the Board's authority to levy fines not to exceed Three Thousand Dollars ($3000.00) for each violation; to reprimand, place on probation or suspend or revoke the license of a licensee; to require extra hours of continuing education and to require participation in a rehabilitation program for the impaired. The Board may also impose as part of any disciplinary action the payment of costs expended by the Board for any legal fees and costs, including, but not limited to, staff time, salary and travel expense, witness fees and attorney fees.

7. Based on the above Agreed Findings of Fact and Agreed Conclusions of Law, the Board finds by clear and convincing evidence that the Respondent is subject to disciplinary action pursuant to Title 59 O.S. §§ 353.7 and 353.26.

AGREED ORDER

1. Respondent is hereby fined Three Thousand and no/00 Dollars ($3,000.00) for the violations alleged in Count 1, plus Two Thousand and no/00 Dollars ($2,000.00) for the violations alleged in Count 2, for a total fine of Five Thousand and no/00 Dollars ($5,000.00). This fine is payable on January 15, 2020.

2. Respondent is prohibited from providing any pharmacist or pharmacy related services to any person located within the State of Oklahoma until the ownership of the Respondent pharmacy employs an Oklahoma licensed pharmacist as a PIC regarding the Respondent's

patients/clients located within the State of Oklahoma.

3. Failure of Respondent to abide by any of the terms of this Agreed Order could result in further disciplinary action as allowed by the Oklahoma Pharmacy Act or the Board's rules. Respondent's Oklahoma Pharmacy license will remain in good standing pursuant to the terms of this Agreed Order.

4. The terms of this Agreed Order are contractual, legally enforceable, binding, and not merely recitals. Except as otherwise contained herein, neither this Agreed Order nor any of its provisions may be changed, waived, discharged, or terminated, except by an instrument in writing signed by the party against whom the enforcement of the change, waiver, discharge, or termination is sought. Further, the Respondent hereby waives any and all rights he/she or anyone on his/her behalf may have to appeal this Agreed Order to any court or to request a rehearing of this matter pursuant to any provision of Title 75 O.S. § 317.

5. Respondent, together with his/her heirs, assigns, and his/her attorneys, does hereby waive and release the Board, its members and any of its employees, agents, and attorneys of, or from, any liability, claim, actions, causes of actions, fees, costs, and expenses including any claims arising under 42 U.S.C. Section 1983, which may be based upon, arise out of, or relate to any of the matters raised in this Agreed Order, or from the negotiation or execution of this Agreed Order. The parties acknowledge that this paragraph is severable from the remaining portions of this Agreed Order in that it survives in perpetuity even in the event that any court of law deems this Agreed Order or any portion thereof void or unenforceable.

6. The Board retains jurisdiction over the instant case until all matters are finally resolved as set forth in this Order.

The Board approves this Agreed Order on a Roll Call vote of _____.

The Board has assessed UC San Diego Health Pharmacy Home Infusion Service an administrative fine of five thousand dollars ($5,000.00) pursuant to NRS 639.2895(3).

UC San Diego Health Pharmacy Home Infusion Service must pay this administrative fine within 30 days of receipt of this citation, or otherwise contact Board staff to request an alternative payment plan. Payment must be by *cashier's check, certified check* or *money order* made payable to "State of Nevada, Office of the Treasurer," to be received at the Board's Reno office, located at 985 Damonte Ranch Parkway – Suite 206, Reno, NV 89521.

UC San Diego Health Pharmacy Home Infusion Service has the right to appeal this citation by submitting a written request for a hearing to the Board at the Board's Reno office no later than 30 days after receipt of this letter. *See* NRS 639.2895(2). Please be aware that the forgoing does not preclude the filing of administrative or criminal charges. Subject: Nevada BOP application for BioLogic wholesalers license

Hi Mark,

It was a pleasure speaking with you today.

One of the two items which you requested additional information stems from a business dispute in 2009; which was 8 years after our California specialty pharmacy was acquired. I was fully engaged in other investments including private money lending for real estate projects, and developing expensive homes throughout the San Francisco Bay Area. A landscaper we hired to perform significant work on one home continued to ask for money before his work was completed. He asked me for a post-dated check so he could show that to a friend and borrow the money he needed to finish our job. Needless to say he finished the job with inferior materials and landscaping that fell below the specifications required in the contractors agreement. A civil case followed, but he misrepresented the facts and accused me of writing a bad check (even though I placed a stop payment on the check). After we settled all legal actions were dismissed with prejudice as recorded at the San Mateo County Superior Courts records.

The last item you raised occured about 2015 in Arizona. I am 59 old and never had any domestic abuse or assault issues with our society. After relocating to Chandler, Arizona around 2013 to be close to my children and not knowing anyone else other than my ex-wife. I met and started dating a lady who turned out to be unbalanced. I moved her into my home after she told me she was diagnosed with cancer and had no one to care for her. I had planned to provide her the care she would require during the treatment. However, she continued to drink excessively while self-medicating (xanax, clonazepam.. as I learned later including past DUIs, etc). When I discovered she was untruthful about her cancer and basically an unhealthy individual I ended the relationship and moved her out of my home. Days later she wrongfully accused me of assault. After a trial and the facts came out, all felony claims were dismissed and a single count misdemeanor for disturbing the peace or something was determined. We appealed the verdict and lost.

I hope this additional information answers any questions as to these two items, or furthermore my character as a professional and person. Please let me know if there is anything else required to progress with the wholesalers permit we seek.

Guru Charan Legal Disclosure

On December 30th 2004, my ex-wife filed a complaint against me alleging abusive behavior with the Sacramento, California police where we resided at that time. The police arrested me based on the complaint the same day. Upon further investigation, it was determined that the accusations were false and I was immediately released from custody.

No charges were filed against me as a result of this incident. Please refer to the attached "Local Criminal Record Search Response Form" issued by the Superior Court of California and the police report from Folsom Police Department that attests to this fact.

Eventually, we filed a divorce petition with the California courts to end the marriage. This divorce was granted on June 21st 2005.

Thanks,
