CERTIFICATE OF DESIGNATION OF SERIES A PREFERRED STOCK

(No Par Value)

OF

SPECIALIZED PHARMACEUTICALS, INC.

The undersigned duly authorized officer Specialized Pharmaceuticals, Inc., a corporation organized and existing under the laws of the Commonwealth of Pennsylvania (the "Company"), in accordance with the provisions of Section 1522 of the Business Corporation Law of 1988 of the Commonwealth of Pennsylvania, as amended, DOES HEREBY CERTIFY:

WHERRAS the Articles of Incorporation of the Company authorized preferred stock consisting of Two Million (2,000,000) shares, no par value, issuable from time to time in one or more series; and

WHERRAS, the Board of Directors of the Company is authorized, subject to limitations prescribed by law and by the provisions of Article 4 of the Company's Articles of Incorporation, as amended, to establish and fix the number of shares to be included in any series of preferred stock and the designation, rights, preferences, powers, restrictions and limitations of the shares of such series; and

WHERRAS, at a meeting of its members held on November 16, 2007, the Board of Directors established and fixed the number of shares to be included in a new series of preferred stock and the designation, rights, preferences and limitations of the shares of such new series as follows:

NOW, THEREFORE, BE IT RESOLVED that pursuant to Article 4 of the Company's Articles of Incorporation, as amended, there is hereby established a new series of Ninety Thousand (90,000) shares of preferred stock of the Company (the "Series A Preferred") to have the designation, rights, preferences, powers, restrictions and limitations as follows:

1. Dividends.

The holders of the Series A Preferred shall be entitled to receive, out of funds legally available therefore, non-cumulative dividends, when and as declared by the Board of Directors, in preference to any dividend on the common stock at a rate of eight percent (8%) per year of the Original Purchase Price as hereinafter defined.

2. Liquidation, Dissolution or Winding Up.

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, the holders of shares of Series A Preferred then outstanding shall be entitled to be paid out of the assets of the Company available for distribution to its shareholders, after and subject to the payment in full of all amounts required to be distributed to the holders of any other class or series of stock of the Company ranking on liquidation prior and in preference to the Series A Preferred (collectively referred to as "Senior Preferred Stock"), but before any payment shall be made to the holders of the common stock or any inferior preferred stock (the "Junior Stock") by reason of their ownership thereof, an amount equal to Sixty-Six and 67/100 Dollars ($66.67) (the "Original Purchase Price") per share of Series A Preferred plus any declared but unpaid dividends. If upon any such liquidation, dissolution or winding up of the Company the remaining assets of the Company available for distribution to its shareholders shall be insufficient to pay the holders of shares of Series

A Preferred the full amount to which they shall be entitled, the holders of shares of Series A Preferred and any class or series of stock (the "Preferred Stock") ranking on liquidation on a parity with the Series A Preferred shall share ratably in any distribution of the remaining assets and funds of the Company in proportion to the respective amounts which would otherwise be payable in respect of the shares held by them upon such distribution if all amounts payable on or with respect to such shares were paid in full.

(b) After the payment of all preferential amounts required to be upon the dissolution, liquidation, or winding up of the Company, all of the remaining assets and funds of the Company available for distribution to its shareholders shall be distributed ratably among the holders of the Series A Preferred, such other series of Preferred Stock as are constituted as similarly participating, and the common stock, with each share of Series A Preferred being deemed, for such purpose, to be equal to the number of shares of common stock, including fractions of a share, into which such share of Series A Preferred is convertible immediately prior to the close of business on the business day fixed for such distribution.

(c) A consolidation or merger of the Company with or into any other corporation or other entity or person, or any other corporate reorganization, or a sale, lease or other disposition of all or substantially all of the assets of the Company shall not be considered a liquidation under this Section.

3. Voting.

(a) General Rights. Except as otherwise required by law, each holder of Series A Preferred shall not be entitled to vote on any matter except as follows. The vote or written consent by the holders of at least fifty-one percent (51%) of the then outstanding shares of the Series A Preferred, voting separately as a class, shall be require to: (i) authorize or issue additional shares of Series A Preferred, (ii) authorize or issue any other equity security senior to or on a parity with the Series A Preferred as to liquidation preferences, conversion rights, voting rights, dividend rights or otherwise, (iii) sell, assign, lease or otherwise dispose of or voluntarily part with the control of (whether in one transaction or in a series of transactions) all, or substantially all, of the Company's assets (whether now owned or hereinafter acquired) or sell, assign or otherwise dispose of (whether in one transaction or in a series of transactions) any of the Company's's accounts receivable (whether now in existence or hereinafter created) at a discount or with recourse, to any person, or permit any subsidiary to do any of the foregoing, except for sales or other dispositions of assets in the ordinary course of business and except that (A) any subsidiary may merge into or consolidate with or transfer assets to any other subsidiary and (B) any subsidiary may merge into or transfer assets to the Company, (iv) take action that fundamentally alters the principal business of the Company as now conducted or as proposed to be conducted, or (v) authorize any consolidation or merger of the Company with or into any other corporation or other entity or person, or any other corporate reorganization, in which the shareholders of the Company immediately prior to such consolidation, merger or reorganization, own less than 50% of the Company's voting power immediately after such consolidation, merger or reorganization, or any transaction or series of related transactions by the Company in which in excess of fifty percent (50%) of the Company's voting power is transferred.

(b) Election of Board of Directors. The holders of the Series A Preferred, voting together as a class, shall be entitled to elect one (1) member of the Company's Board of Directors. The holders of the common stock shall be entitled to elect all remaining members of the Board of Directors.

4. Optional Conversion.

The holders of the Series A Preferred shall have conversion rights as follows (the "Conversion Rights"):

(a) Right to Convert. Each share of Series A Preferred shall be convertible, at the option of the holder thereof, at any time and from time to time, into such number of fully paid and nonassessable shares of common stock as is determined by dividing the Original Purchase Price by the Conversion Price (as defined below) in

effect at the time of conversion. The Conversion Price at which shares of common stock shall be deliverable upon conversion of Series A Preferred without the payment of additional consideration by the holder thereof (the "Conversion Price") shall initially be the Original Purchase Price per share. Such initial Conversion Price, and the rate at which shares of Series A Preferred may be converted into shares of common stock, shall be subject to adjustment as provided below.

In the event of a liquidation of the Company, the Conversion Rights shall terminate at the close of business on the first full day preceding the date fixed for the payment of any amounts distributable on liquidation to the holders of Series A Preferred.

(b) Fractional Shares. No fractional shares of common stock shall be issued upon conversion of the Series A Preferred. In lieu of fractional shares, the Company shall pay cash equal to such fraction multiplied by the then effective Conversion Price.

(c) Mechanics of Conversion.

(i) In order to convert shares of Series A Preferred into shares of common stock, the holder shall surrender the certificate or certificates for such shares of Series A Preferred at the office of the transfer agent (or at the principal office of the Company if the Company serves as its own transfer agent), together with written notice that such holder elects to convert all or any number of the shares represented by such certificate or certificates. Such notice shall state such holder's name or the names of the nominees in which such holder wishes the certificate or certificates for shares of common stock to be issued. If required by the Company, certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Company, duly executed by the registered holder or his or its attorney duly authorized in writing. The date of receipt of such certificates and notice by the transfer agent or the Company shall be the conversion date ("Conversion Date"). The Company shall, as soon as practicable after the Conversion Date, issue and deliver at such office to such holder, or to his nominees, a certificate or certificates for the number of shares of common stock to which such holder shall be entitled, together with cash in lieu of any fraction of a share.

(ii) The Company shall at all times during which the Series A Preferred shall be outstanding, reserve and keep available out of its authorized but unissued stock, for the purpose of effecting the conversion of the Series A Preferred, such number of its duly authorized shares of common stock as shall from time to time be sufficient to effect the conversion of all outstanding Series A Preferred.

(iii) Upon any such conversion, no adjustment to the Conversion Price shall be made for any declared and unpaid dividends on the Series A Preferred surrendered for conversion or on the common stock delivered upon conversion; the holder, by converting, waives his right to such declared but unpaid dividends.

(iv) All shares of Series A Preferred, which shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding and all rights with respect to such shares, including the rights, if any, to receive dividends, notices and to vote, shall immediately cease and terminate on the Conversion Date, except only the right of the holders thereof to receive shares of common stock in exchange therefor. Any shares of Series A Preferred so converted shall be retired and cancelled and shall not be reissued, and the Company may from time to time take such appropriate action as may be necessary to reduce the number of shares of authorized Series A Preferred accordingly.

(d) Adjustments to Conversion Price for Diluting Issues.

(i) Special Definitions. For purposes of this Subsection 4(d), the following definitions shall apply:

(A) "Option" shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire common stock or Convertible Securities, excluding rights or options granted to employees, directors or consultants of the Company pursuant to an option plan adopted by the Board of Directors to acquire up to that number of shares of common stock as is equal to ten (10%) percent of the common stock outstanding (provided that, for purposes of this Subsection 4(d)(i)(A), all shares of common stock issuable upon (1) exercise of options granted or available for grant under plans approved by the Board of Directors, (2) conversion of shares of Preferred Stock, or (3) conversion of Preferred Stock issuable upon conversion or exchange of any Convertible Security, shall be deemed to be outstanding), minus the total number of Key Employee Shares (as defined below).

(B) "Original Issue Date" shall mean the date on which the first share of Series A Preferred is first issued.

(C) "Convertible Securities" shall mean any evidences of indebtedness, shares or other securities directly or indirectly convertible into or exchangeable for common stock.

(D) "Additional Shares of common stock" shall mean all shares of common stock issued (or, pursuant to Subsection 4(d)(iii) below, deemed to be issued) by the Company after the Original Issue Date, other than Key Employee Shares (as defined below) and other than shares of common stock issued or issuable:

(1.) as a dividend or distribution on Series A Preferred;

(2.) by reason of a dividend, stock split, split up or other distribution on shares of common stock excluded from the definition of Additional Shares of common stock by the foregoing clause (1);

(3.) upon the exercise of options excluded from the definition of "Option" in Subsection 4(d)(i)(A); or

(4.) upon conversion of shares of Series A Preferred;

(5.) upon conversion of Convertible Securities existing as of the date of this Certificate; or

(6.) upon conversion of the Convertible Line of Credit Note with Daniel Sassano in the amount of $600,000.

(E) "Key Employee Shares" shall mean shares of common stock issued to directors or key employees of or consultants to the Company pursuant to a restricted stock plan or agreement approved by the Board of Directors, up to that number of shares of common stock as is equal to ten (10%) percent of the common stock outstanding (provided that, for purposes of this Subsection 4(d)(i)(E), all shares of common stock issuable upon (1) exercise of options granted or available for grant under plans approved by the Board of Directors, (2) conversion of shares of Preferred Stock, or (3) upon conversion of Preferred Stock issuable upon conversion or exchange of any Convertible Security, shall be deemed to be outstanding), minus the total number of shares subject to or issued pursuant to options excluded from the definition of "Option" in paragraph (A)

above (subject to appropriate adjustment for any stock dividend, stock split, combination or similar recapitalization affecting such shares).

(F) "Rights to Acquire common stock" (or "Rights") shall mean all rights issued by the Company to acquire common stock whatever by exercise of a warrant, option or similar call or conversion of any existing instruments, in either case for consideration fixed, in amount or by formula, as of the date of issuance.

(ii) No Adjustment of Conversion Price. No adjustment in the number of shares of common stock into which the Series A Preferred is convertible shall be made, by adjustment in the applicable Conversion Price thereof: (a) unless the consideration per share (determined pursuant to Subsection 4(d)(v)) below for an Additional Share of common stock issued or deemed to be issued by the Company is less than the applicable Conversion Price in effect on the date of, and immediately prior to, the issue of such additional shares, or (b) if prior to such issuance, the Company receives written notice from the holders of at least fifty one percent (51%) of the then outstanding shares of Series A Preferred agreeing that no such adjustment shall be made as the result of the issuance of Additional Shares of common stock.

(iii) Issue of Securities Deemed Issue of Additional Shares of common stock. If the Company at any time or from time to time after the Original Issue Date shall issue any Options or Convertible Securities or other Rights to Acquire common stock, then the maximum number of shares of common stock (as set forth in the instrument relating thereto without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options, Rights or, in the case of Convertible Securities, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of common stock issued as of the time of such issue, provided that Additional Shares of common stock shall not be deemed to have been issued unless the consideration per share (determined pursuant to Subsection 4(d)(v) hereof) of such Additional Shares of common stock would be less than the applicable Conversion Price in effect on the date of and immediately prior to such issue, or such record date, as the case may be, and provided further that in any such case in which Additional Shares of common stock are deemed to be issued:

(A) No further adjustment in the Conversion Price shall be made upon the subsequent issue of shares of common stock upon the exercise of such Rights or conversion or exchange of such Convertible Securities;

(B) Upon the expiration or termination of any unexercised Option or Right, the Conversion Price shall not be readjusted, but the Additional Shares of common stock deemed issued as the result of the original issue of such Option or Right shall not be deemed issued for the purposes of any subsequent adjustment of the Conversion Price; and

(C) In the event of any change in the number of shares of common stock issuable upon the exercise, conversion or exchange of any Option, Right or Convertible Security, including, but not limited to, a change resulting from the anti dilution provisions thereof, the Conversion Price then in effect shall forthwith be readjusted to such Conversion Price as would have obtained had the adjustment that was made upon the issuance of such Option, Right or Convertible Security not exercised or converted prior to such change been made upon the basis of such change, but no further adjustment shall be made for the actual issuance of common stock upon the exercise or conversion of any such Option, Right or Convertible Security.

(iv) Adjustment of Conversion Price upon Issuance of Additional Shares of common stock. If the Company shall at any time after the Original Issue Date issue Additional Shares of common stock (including Additional Shares of common stock deemed to be issued pursuant to Subsection 4(d)(iii), but excluding shares issued as a dividend or distribution as provided in Subsection 4(f) or upon a stock split or combination as provided in Subsection 4(e)), without consideration or for a consideration per share less than the

applicable Conversion Price in effect on the date of and immediately prior to such issue, then and in such event, such Conversion Price shall be reduced, concurrently with such issue to a price (calculated to the nearest cent) determined by multiplying such Conversion Price by a fraction, (a) the numerator of which shall be (1) the number of shares of common stock outstanding immediately prior to such issue plus (2) the number of shares of common stock which the aggregate consideration received by the Company for the total number of Additional Shares of common stock so issued would purchase at such Conversion Price; and (b) the denominator of which shall be (1) the number of shares of common stock outstanding immediately prior to such issue plus (2) the number of such Additional Shares of common stock so issued.

Notwithstanding the foregoing, the applicable Conversion Price shall not be reduced if the amount of such reduction would be an amount less than $.05, but any such amount shall be carried forward and reduction with respect thereto made at the time of and together with any subsequent reduction which, together with such amount and any other amount or amounts so carried forward, shall aggregate $.05 or more.

(v) Determination of Consideration. For purposes of this Subsection 4(d), the consideration received by the Company for the issue of any Additional Shares of common stock shall be computed as follows:

(A) Cash and Property: Such consideration shall:

(1.) insofar as it consists of cash, be computed at the aggregate of cash received by the Company, excluding amounts paid or payable for accrued interest or accrued dividends;

(2.) insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board of Directors; and

(3.) in the event Additional Shares of common stock are issued together with other shares or securities or other assets of the Company for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (1) and (2) above, as determined in good faith by the Board of Directors.

(B) Options, Rights and Convertible Securities. The consideration per share received by the Company for Additional Shares of common stock deemed to have been issued pursuant to Subsection 4(d)(iii), relating to Options, Rights and Convertible Securities, shall be determined by dividing

(1.) the total amount, if any, received or receivable by the Company as consideration for the issue of such Options, Rights or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Company upon the exercise of such Options, Rights or the conversion or exchange of such Convertible Securities, by

(2.) the maximum number of shares of common stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

(e) Adjustment for Stock Splits and Combinations. If the Company shall at any time or from time to time after the Original Issue Date effect a subdivision of the outstanding common stock, the Conversion Price then in effect immediately before that subdivision shall be proportionately decreased. If the Company shall at any time or from time to time after the Original Issue Date combine the outstanding shares of common stock, the Conversion Price then in effect immediately before the combination shall be proportionately increased. Any

adjustment under this paragraph shall become effective at the close of business on the date the subdivision or combination becomes effective.

(f) Adjustment for Certain Dividends and Distributions. In the event the Company at any time, or from time to time after the Original Issue Date shall make or issue, a dividend or other distribution payable in Additional Shares of common stock, then and in each such event the Conversion Price shall be decreased as of the time of such issuance, by multiplying the Conversion Price by a fraction:

(i) the numerator of which shall be the total number of shares of common stock issued and outstanding immediately prior to the time of such issuance, and

(ii) the denominator of which shall be the total number of shares of common stock issued and outstanding immediately prior to the time of such issuance plus the number of shares of common stock issuable in payment of such dividend or distribution.

(g) Adjustments for Other Dividends and Distributions. In the event the Company at any time or from time to time after the Original Issue Date shall make or issue a dividend or other distribution payable in securities of the Company other than shares of common stock, then and in each such event provision shall be made so that the holders of shares of the Series A Preferred shall receive upon conversion thereof in addition to the number of shares of common stock receivable thereupon, the amount of securities of the Company that they would have received had their Series A Preferred been converted into common stock on the date of such event and had thereafter, during the period from the date of such event to and including the conversion date, retained such securities receivable by them as aforesaid during such period given application to all adjustments called for during such period, under this paragraph with respect to the rights of the holders of the Series A Preferred.

(h) Adjustment for Reclassification, Exchange, or Substitution. If the common stock issuable upon the conversion of the Series A Preferred shall be changed into the same or a different number of shares of any class or classes of stock, whether by capital reorganization, reclassification, or otherwise (other than a subdivision or combination of shares or stock dividend provided for above, or a reorganization, merger, consolidation, or sale of assets for below), then and in each such event the holder of each share of Series A Preferred shall have the right thereafter to convert such share into the kind and amount of shares of stock and other securities and property receivable upon such reorganization, reclassification, or other change, by holders of the number of shares of common stock into which such shares of Series A Preferred might have been converted immediately prior to such reorganization, reclassification, or change, all subject to further adjustment as provided herein.

(i) Adjustment for Merger or Reorganization, etc. In case of any consolidation or merger of the Company with or into another corporation or the sale of all or substantially all of the assets of the Company to another corporation,

(i) if the surviving entity shall consent in writing to the following provisions, then each share of Series A Preferred shall thereafter be convertible into the kind and amount of shares of stock or other securities or property to which a holder of the number of shares of common stock of the Company deliverable upon conversion of such Series A Preferred would have been entitled upon such consolidation, merger or sale; and, in such case, appropriate adjustment (as determined in good faith by the Board of Directors) shall be made in the application of the provisions in this Section 4 set forth with respect to the rights and interest thereafter of the holders of the Series A Preferred, to the end that the provisions set forth in this Section 4 (including provisions with respect to changes in and other adjustments of the Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any shares of stock or other property thereafter deliverable upon the conversion of the Series A Preferred; or

(ii) if the surviving entity shall not so consent, then each holder of Series A Preferred may, after receipt of notice specified in subsection (l), elect to convert such Stock into Common Shares as provided in this Section 4 or to accept the distributions to which he shall be entitled under Section 2(a) through (c).

(j) No Impairment. The Company will not, by amendment of its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Section 4 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series A Preferred against impairment.

(k) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 4, the Company at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder, if any, of Series A Preferred a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based and shall file a copy of such certificate with its corporate records. The Company shall, upon the written request at any time of any holder of Series A Preferred, furnish or cause to be furnished to such holder a similar certificate setting forth (1) such adjustments and readjustments, (2) the Conversion Price then in effect, and (3) the number of shares of common stock and the amount, if any, of other property which then would be received upon the conversion of Series A Preferred. Despite such adjustment or readjustment, the form of each or all Series A Preferred Certificates, if the same shall reflect the initial or any subsequent conversion price, need not be changed in order for the adjustments or readjustments to be valued in accordance with the provisions of this Certificate of Designation, which shall control.

(l) Notice of Record Date. In the event:

(i) that the Company declares a dividend (or any other distribution) on its common stock payable in common stock or other securities of the Company;

(ii) that the Company subdivides or combines its outstanding shares of common stock;

(iii) of any reclassification of the common stock of the Company (other than a subdivision or combination of its outstanding shares of common stock or a stock dividend or stock distribution thereon), or of any consolidation or merger of the Company into or with another corporation, or of the sale of all or substantially all of the assets of the Company; or

(iv) of the involuntary or voluntary dissolution, liquidation or winding up of the Company;

then the Company shall cause to be filed at its principal office or at the office of the transfer agent of the Series A Preferred, and shall cause to be mailed to the holders of the Series A Preferred at their last addresses as shown on the records of the Company or such transfer agent, at least ten days prior to the record date specified in (A) below or twenty days before the date specified in (B) below, a notice stating

(A) the record date of such dividend, distribution, subdivision or combination, or, if a record is not to be taken, the date as of which the holders of common stock of record to be entitled to such dividend, distribution, subdivision or combination are to be determined, or

(B) the date on which such reclassification, consolidation, merger, sale, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of common stock of record shall be entitled to exchange their shares of common stock for securities or other property deliverable upon such reclassification, consolidation, merger, sale, dissolution or winding up.

5. Mandatory Conversion.

(a) The holders of shares of Series A Preferred then outstanding shall be required to convert all their shares of Series A Preferred into shares of common stock, at the then effective conversion rate pursuant to Section 4, (1) immediately prior to the closing of the sale of shares of common stock, at a price per share which exceeds 300% of the Conversion Price then in effect, in a fully, underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, other than a registration relating solely to a transaction under Rule 145 under such Act (or any successor thereto) or to an employee benefit plan of the Company, underwritten by a reputable underwriter acceptable to the holders of a majority of the then outstanding Series A Preferred, resulting in at least $10,000,000 of gross proceeds to the Company, or (2), upon the vote of Sixty-Six and 67/100 percent (66.67%) of the outstanding shares of Series A Preferred.

(b) All holders of record of shares of Series A Preferred then outstanding will be given at least ten (10) days prior written notice of the date fixed and the place designated for mandatory conversion of all such shares of Series A Preferred pursuant to this Section 5. Such notice will be sent by first class or registered mail, postage prepaid, to each record holder of Series A Preferred at such holder's address last shown on the records of the transfer agent for the Series A Preferred (or the records of the Company, if it serves as its own transfer agent).

6. Redemption of the Series A Preferred.

(a) Commencing not earlier than October 30, 2012, the Company shall, at the written request of holders of a majority of the outstanding shares of Series A Preferred, redeem all of the Series A Preferred. The redemption price for each share of Series A Preferred shall be the Original Purchase Price per share plus all declared and unpaid dividends. The redemption shall occur within One Hundred and Twenty (120) days of the request from holders of the Series A Preferred.

(b) Commencing not earlier than October 30, 2012, the Company shall have the option by delivery of notice to all the holders of the outstanding shares of Series A Preferred, to redeem all of the Series A Preferred. The Notice shall be provided to all the holders of the outstanding shares of Series A Preferred not less than sixty (60) days prior to the date of redemption. The redemption price for each share of Series A Preferred shall be One Hundred and Twenty ($120.00) per share plus all declared and unpaid dividends.

(c) The notice by the Company of the exercise of the redemption option pursuant to Section 6(a) or (b) of this Section 6 shall be sent by first class certified mail, postage prepaid and return receipt requested to all holders of the shares of Series A Preferred at their respective addresses as the same shall appear on the books of the Company.

(d) If upon the Redemption Date the assets of the Company available for redemption are insufficient to pay the holders of outstanding shares of Series A Preferred the full amounts to which they are entitled, such holders of shares of Series A Preferred shall share ratably according to the respective amounts which would be payable in respect of such shares to be redeemed by the holders thereof, if all amounts payable on or with respect to such shares were paid in full.

(e) Any shares of Series A Preferred redeemed pursuant to this Section or otherwise acquired by the Company in any manner whatsoever shall be canceled and shall not under any circumstances be reissued; the Company may from time to time take such appropriate corporate action as may be necessary to reduce accordingly the number of authorized shares of the Company's capital stock.

(f) Anything contained in this Section 6 to the contrary notwithstanding, the holders of shares of Series A Preferred to be redeemed in accordance with this Section shall have the right, exercisable at any time up to the close of business on the applicable redemption date (unless the Company is legally prohibited from redeeming such shares on such date, in which event such right shall be exercisable until the removal of such legal disability), to convert all or any part of such shares to be redeemed as herein provided into shares of common stock pursuant to Section 4 hereof.

7. Amendment.

This Certificate of Designation constitutes an agreement between the Company and the holders of the Series A Preferred. It may be amended by vote of the Board of Directors of the Company and the holders of a majority of the outstanding shares of Series A Preferred.

ARTICLE II

SHAREHOLDERS

SECTION 2.1 Annual Meeting. An annual meeting of the Shareholders shall be held each year within five (5) months after the close of the fiscal year of the Corporation. At each annual meeting, the Shareholders shall elect the Directors of the Corporation as provided in Section 3.2 of these By-Laws, and may conduct any additional proper business.

SECTION 2.2 Special Meeting. A special meeting of the Shareholders may be called by the President of the Corporation, by the Chairman of the Board of Directors, or by such other officers or persons as the Board of Directors may designate.

SECTION 2.3 Place of Shareholder Meetings. The Board of Directors may designate any place, either within or without the Commonwealth of Pennsylvania, as the place of meeting for any annual meeting or for any special meeting. If no such place is designated by the Board of Directors, the place of meeting will be the principal business office of the Corporation.

SECTION 2.4 Notice of Meetings. Unless waived as herein provided, whenever Shareholders are required or permitted to take any action at a meeting, written notice of the meeting shall be given stating the place, date and hour of the meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called. The written notice shall be given not less than ten (10) days nor more than sixty (60) days before the date of the meeting to each Shareholder entitled to vote at the meeting or in the event of a merger,

consolidation, share exchange, dissolution or sale, lease or exchange of all or substantially all of the Corporation's property, business or assets not less than twenty (20) days before the meeting date. If mailed, notice is given when deposited in the United States mail, postage prepaid, directed to the Shareholder at the Shareholder's address as it appears on the records of the Corporation.

When a meeting is adjourned to another time or place in accordance with Section 2.5 of these By-Laws, notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting in which the adjournment is taken. At the adjourned meeting the Corporation may conduct any business which might have been transacted at the original meeting. If the adjournment is for more than thirty days (30), or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Shareholder of record entitled to vote at the meeting.

SECTION 2.5 **Quorum and Adjourned Meetings.** Unless otherwise provided by law or the Corporation's Articles of Incorporation, a majority of the shares entitled to vote, present in person or represented by proxy, shall constitute a quorum at a meeting of Shareholders. If less than a majority of the shares entitled to vote at a meeting of Shareholders is present in person or represented by proxy at such meeting, a majority of the shares so represented may adjourn the meeting from time to time without further notice. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the original meeting. The Shareholders present at a meeting may continue to transact business until adjournment, notwithstanding the withdrawal of such number of Shareholders may leave less than a quorum.

SECTION 2.6 **Fixing of Record Date.**

(a) For the purpose of determining Shareholders entitled to notice of or to vote at any meeting of Shareholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board of Directors, the record date for determining Shareholders entitled to notice of or to vote at a meeting of Shareholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of Shareholders of record entitled to notice of or to vote at a meeting of Shareholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

(b) For the purpose of determining Shareholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is established by the Board of Directors, and which date shall not be more than ten (10) days after the date on which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining Shareholders entitled to consent to corporate action in writing without a meeting, when no prior action by the

Board of Directors is required by law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivery to its registered office in the Commonwealth of Pennsylvania, its principal office, or an officer or agent of the Corporation having custody of the book in which the proceedings of meetings of Shareholders are recorded. Delivery to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by law, the record date for determining Shareholders' consent to corporate action in writing without a meeting shall be the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

(c) For the purpose of determining the Shareholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the Shareholders entitled to exercise any rights in respect to any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix the record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining the Shareholders for any such purpose shall be the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

SECTION 2.7 Voting List. The officer in charge of the stock ledger of the Corporation shall prepare, at least ten (10) days prior to every meeting of Shareholders, a complete list of Shareholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each shareholder and the number of shares registered in the name of each shareholder. Such list shall be open to the examination of any Shareholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the meeting during the whole time thereof, and may be inspected by any Shareholder who is present. The stock ledger shall be the only evidence as to who are the Shareholders entitled to examine the stock ledger, the list required by this Section 2.7 or the books of the corporation or to vote in person or by proxy at any meeting of Shareholders.

SECTION 2.8 Voting. Unless otherwise provided by the Articles of Incorporation, each Shareholder shall be entitled to one (1) vote for each share of capital stock held by each Shareholder. In all matters other than the election of Directors, the affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of the Shareholders. Directors shall be elected by plurality of the votes of the shares present in person or represented by a proxy at the meeting entitled to vote on the election of Directors.

SECTION 2.9 Proxies. Each Shareholder entitled to vote at a meeting of Shareholders or to express consent or dissent to corporate action in writing without a meeting may vote either in person or by proxy, but no such proxy shall be voted or acted upon after three (3) years from its date, unless the proxy provides for a longer period. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with

an interest sufficient in law to support an irrevocable power. A proxy may remain irrevocable regardless of whether the interest with which it is coupled is an interest in the stock itself or an interest in the Corporation generally. Every proxy shall be in writing, subscribed by the Shareholder or his duly authorized attorney-in-fact, but need not be sealed, witnessed or acknowledged.

SECTION 2.10 Ratification of Acts of Directors and Officers. Except as otherwise provided by law or by the Articles of Incorporation of the Corporation, any transaction or contract or act of the Corporation or of the Directors or the officers of the Corporation may be ratified by the affirmative vote of the holders of the number of shares which would have been necessary to approve such transaction, contract or act at a meeting of Shareholders, or by the written consent of Shareholders in lieu of a meeting.

SECTION 2.11 Written Action of Shareholders. Any action required to be taken at any annual or special meeting of Shareholders of the Corporation, or any action which may be taken at any annual or special meeting of such Shareholders, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those Shareholders who have not consented in writing.

SECTION 2.12 Organization. Such person as the Board of Directors may designate or, in the absence of such a designation, the President of the Corporation or, in his or her absence, such person as may be chosen by the holders of a majority of the shares entitled to vote who are present, in person or by proxy, shall call to order any meeting of the Shareholders and act as chairman of such meeting. In the absence of a Secretary of the Corporation, the chairman of the meeting shall appoint a person to serve as secretary at the meeting.

ARTICLE III

(c) Except as specifically provided otherwise in this Agreement or by non-waivable provisions of the PBCL, any action taken by the Board may only be taken with the approval, either in writing or at a duly called meeting, of Directors holding (in accordance with this Section 3.2(c)) a majority of the votes held by the Directors then serving on the Board. Each Director shall be entitled to one (1) vote on matters coming before the Board.

(d) The Board may establish one or more committees, which shall be comprised solely of Directors.

(e) Unless otherwise required by law or as approved by the Board, the composition of the Board of Directors (or body serving a similar function) of each Subsidiary of the Company, if any (each, a "Sub Board"), shall be the same as that of the Board, and the provisions of this Section 3.2 shall apply equally to each Sub Board (including as to the number of votes for Directors pursuant to Section 3.2 and the designation and replacement of Sub Board members)

(f) The Company shall reimburse each Director for all reasonable out-of-pocket expenses incurred in connection with his or her duties as a Board member or committee member.

SECTION 3.3 Meetings of Board.

If at any meeting of the Board or committee thereof, there is less than a quorum present, holders of a majority of the votes held by those present may adjourn the meeting from time to time until a quorum is present.

(d) Any Director may participate in any meeting of the Board or a Board committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participation shall constitute

presence in person at such meeting. Any Director may participate in any meeting either in person or by proxy.

(e) Any action required or permitted to be taken at any meeting of the Board or a committee thereof may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by Directors holding (in accordance with Section 3.2(e)) a majority of the votes held by the Directors then serving on the Board or such committee. Prompt notice of the taking of an action without a meeting by less than unanimous written consent shall be given to those Directors who have not consented in writing. All such writings shall be filed with the minutes of proceedings of the Board or committee, as the case may be.

ARTICLE IV

A written waiver of any required notice, signed by the person entitled to notice, whether before or after the date stated therein, shall be deemed equivalent to notice. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of Shareholders, Directors or members of a committee of Directors need be specified in any written waiver of notice.

SECTION 4.2 Attendance as Waiver of Notice. CERTIFICATES FOR SHARES

SECTION 6.1 Certificates of Shares. The shares of the Corporation shall be represented by certificates, provided that the Board of Directors of the Corporation may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. Notwithstanding the adoption of such a resolution by the Board of Directors, every holder of stock represented by certificates and upon request every holder of uncertificated shares shall be entitled to have a certificate signed by, or in the name of the Corporation by the Chairman or Vice Chairman of the Board of Directors, Chief Executive Officer, or the President or Vice President, and by the Treasurer or an Assistant Treasurer, or the Secretary or an Assistant Secretary of the Corporation representing the number of shares registered in certificate form. Any or all the signatures on the certificate may be a facsimile.

SECTION 6.2 Signatures of Former Officer, Transfer Agent or Registrar. In case any officer, transfer agent, or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if such person or entity were such officer, transfer agent or registrar at the date of issue.

SECTION 6.3 Transfer of Shares. Transfers of shares of the Corporation shall be made only on the books of the Corporation by the holder of record thereof or by his legal representative, who shall furnish proper evidence of authority to transfer, or by his or her

SECTION 6.4 Lost, Destroyed Certificates. Whenever a certificate representing shares of the Corporation has been lost, destroyed or stolen, the holder thereof may file in the office of the Corporation an affidavit setting forth, to the best of his knowledge and belief, the time, place, and circumstance of such loss, destruction or theft together with a statement of indemnity sufficient in the opinion of the Board of Directors to indemnify the Corporation against any claim that may be made against it on amount of the alleged loss of any such certificate. Thereupon the Board may cause to be issued to such person or such person's legal representative a new certificate or duplicate of the certificate alleged to have been lost, destroyed or stolen. In the exercise of its discretion, the Board of Directors may waive the indemnification requirements provided herein.

ARTICLE VII

DIVIDENDS

SECTION 7.1 Dividends. The Board of Directors of the Corporation may declare and pay dividends upon the shares of the Corporation's capital stock in any form determined by the Board of Directors, in the manner and upon the terms and conditions provided by law.

ARTICLE VIII

CONTRACTS, LOANS, CHECKS AND DEPOSITS, INDEMNIFICATION AND FISCAL YEAR END

SECTION 8.1 Contracts. The Board of Directors may authorize any officer or officers, agent or agents, to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation, and such authority may be general or confined to specific instances.

SECTION 8.2 Loans. No loans shall be contracted on behalf of the Corporation and no evidences of indebtedness shall be issued in its name unless authorized by a resolution of the Board of Directors. Such authority may be general or confined to specific instances.

SECTION 8.3 Signatories. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Corporation shall be signed by one (1) or more officers or agents of the Corporation and in such manner as shall from time to time be determined by resolution of the Board of Directors.

SECTION 8.4 Deposits. The funds of the Corporation may be deposited or invested in such bank account, in such investments or with such other depositaries as determined by the Board of Directors.

SECTION 8.5 Indemnification of Directors and Officers.

(a) No director of the Corporation or any other Covered Person ("QoL Covered Person") shall be liable to the Corporation or any other QoL Covered Person for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such QoL Covered Person in good faith on behalf of the Corporation, its Subsidiaries or any Persons which at such time own, directly or indirectly through another Person, at least a majority of the outstanding Capital Securities of the Corporation ("Parents" and each a "Parent"), and in a manner reasonably believed to be within the scope of authority conferred on such QoL Covered Person by these By-Laws, except that a QoL Covered Person shall not be released from liability for any such loss, damage or claim incurred by reason of such QoL Covered Person's fraud, intentional misconduct or bad faith violation of the implied contractual covenant of good faith and fair dealing, and this provision shall not reduce or limit the contractual liability of an QoL Covered Person for breach of any Related Agreement or other agreement with the Corporation or a Subsidiary or Parent to which such QoL Covered Person is a party.

(b) A QoL Covered Person shall be fully protected in relying in good faith upon the records of the Corporation and its Subsidiaries and Parents and upon such information, opinions, reports or statements presented to the Corporation and its Subsidiaries and Parents by any Person as to matters the QoL Covered Person reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation and its Subsidiaries and Parents, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits, losses or income or any other facts pertinent to the existence and amount of assets from which distributions to Corporation's stockholders might properly be paid.

(c) To the fullest extent permitted by applicable law, no QoL Covered Person shall have any duty (including any fiduciary duty or any other duty or standard of care that may arise by default principles of law) to the Corporation or any Subsidiary, Parent, stockholder, director or other Persons, provided, however, that nothing in these By-Laws eliminates the implied contractual covenant of good faith and fair dealing. Without limitation of the foregoing, whenever in these By-Laws or at law or in equity a QoL Covered Person is permitted or required to exercise such Person's discretion in acting in such capacity, including making any elections or granting, withholding or conditioning any consent, such QoL Covered Person shall be entitled to consider only such interests and factors as such QoL Covered Person elects and shall have no duty or obligation to give any consideration to any interests of or factors affecting the Corporation or any Subsidiary, Parent, stockholder, director or other Persons, or to disclose any such real, perceived or potential conflicts. The Corporation and each stockholder agree that the provisions of these By-Laws, to the extent such provisions eliminate, restrict or limit the duties (including, without limitation, fiduciary duties) or liabilities of QoL Covered Persons that may otherwise exist at law or in equity, shall replace such duties and liabilities of QoL Covered Persons to the fullest extent permitted by applicable law.

(d) The Corporation shall indemnify and hold harmless each QoL Covered Person to the fullest extent permitted by applicable law from and against any and all losses, claims, demands, costs, damages, liabilities (joint or several), expenses of any nature (including reasonable legal and accounting fees and expenses, costs of investigation and sums paid in

settlement), judgments, fines, settlements, and other amounts ("Indemnified Costs") arising from any and all claims, demands, actions, suits, or proceedings, whether civil, criminal, administrative or investigative, in which the QoL Covered Person may be involved, or threatened to be involved as a party or otherwise, incurred by reason of any act or omission performed or omitted by such QoL Covered Person in connection with matters relating to the Corporation and its Subsidiaries and Parents, and in a manner reasonably believed to be within the scope of authority conferred on such QoL Covered Person, regardless of whether the QoL Covered Person is a QoL Covered Person at the time any such Indemnified Cost is paid or incurred, except that no QoL Covered Person shall be entitled to be indemnified in respect of (and this provision shall not reduce or limit the liability of a QoL Covered Person with respect to) any Indemnified Cost incurred by such QoL Covered Person by reason of such QoL Covered Person's fraud, intentional misconduct or bad faith violation of the implied contractual covenant of good faith and fair dealing, and this provision shall not reduce or limit the contractual liability of a QoL Covered Person for breach of a Related Agreement or other agreement with the Corporation or a Subsidiary or Parent to which such QoL Covered Person is a party; provided, however, that any indemnity under this Section 8.5 shall be provided out of and to the extent of the assets of the Corporation's and its Subsidiaries', and no QoL Covered Person shall have any personal liability on account thereof. Further, the Corporation shall not indemnify any QoL Covered Person in connection with a proceeding (or part thereof) initiated by such Person against the Corporation or any Subsidiary or Parent or any other QoL Covered Person, whether by direct claim, counterclaim or otherwise, unless the initiation thereof was approved or ratified by the Board of Directors of the Corporation.

(e) The indemnification provided by this Article VIII shall be in addition to any other rights to which a QoL Covered Person may be entitled under any agreement, vote of the Board of Directors of the Corporation, as a matter of law or equity, or otherwise, both as to an action in the QoL Covered Person's capacity as a QoL Covered Person, and as to an action in another capacity, and shall continue as to a QoL Covered Person who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns, and administrators of each QoL Covered Person.

(f) Notwithstanding any other provision of this Article VIII, the Corporation shall reimburse Indemnified Costs incurred by a QoL Covered Person in connection with such Person's appearance as a witness on behalf of the Corporation or its Subsidiaries or Parents or other participation at the request of the Corporation or a Subsidiary or Parent in a proceeding involving or affecting the Corporation or its Subsidiaries or Parents at a time when the QoL Covered Person is not a named defendant or respondent in the proceeding.

(g) The Board of Directors of the Corporation shall cause the Corporation to purchase and maintain directors' and officers' insurance on behalf of the applicable QoL Covered Persons and/or the Corporation and its Subsidiaries and Parents against liabilities asserted against any such QoL Covered Person and incurred by any such QoL Covered Person in such Person's capacity as such or arising out of such QoL Covered Person's status in such capacity, regardless of whether the Corporation would have the power to indemnify the QoL Covered Person against that liability under this Article VIII, to the extent that such insurance is available on commercially reasonable terms. In furtherance of the foregoing, the Corporation shall obtain and maintain directors' and officers' liability insurance with coverage in a face amount determined

by the Board of Directors of the Corporation. The indemnification provided by this Article VIII shall be in addition to any other rights to which the QoL Covered Persons may be entitled under any agreement, vote of the Board of Directors of the Corporation, as a matter of law, or otherwise, shall continue as to a QoL Covered Person who has ceased to serve in such capacity, and shall inure to the benefit of the heirs, successors, assigns and administrators of the QoL Covered Persons.

(h) A QoL Covered Person shall not be denied indemnification in whole or in part under this Article VIII solely because the QoL Covered Person had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of any Related Agreement.

3.1. Original Term. The term of the Lease shall be three (3) years commencing on the Effective Date (the "Initial Term") and shall be coterminous with the term of the PSA, unless earlier terminated as provided in Section 3.2 below. Unless terminated in accordance hereof, this Lease shall automatically renew for additional one (1) year terms (each a "Renewal Term", and collectively with the Initial Term, the "Term") under the same terms and conditions set forth herein except that Rent shall be determined pursuant to subsection 4.2 below. Notwithstanding the foregoing, in no event shall this Lease be extended for a period to constitute a conveyance or subject the parties to transfer tax, the parties agreeing that this Lease shall terminate automatically prior to such time.

3.2. Termination. On or after one-year anniversary of the date that the Tenant commences operations on the Premises, either Party may terminate this Lease at any time during the Term, upon one hundred twenty (120) days prior written notice to the other Party.

3.3. Possession. Tenant's right to possession shall commence on the Effective Date. If Landlord is not able to give Tenant possession of the Premises within thirty (30) calendar days of the Effective Date, Tenant may rescind the Lease by notice in writing to Landlord given at any time thereafter before the date on which possession is tendered by Landlord.

3.4. Relocation. If Landlord relocates to a new Building within the Initial Term, then Landlord shall be responsible for relocating Tenant.

3.4.1. Landlord shall be responsible for all costs associated with the build out of the relocated Premises in accordance with all board of pharmacy requirements.

Commencing on the Rent Commencement Date (defined below), during the Initial Term, Tenant shall pay to Landlord, in advance, on or before the first day of each month, as rent the sum of $17,190.00 annually and $1,432.50 per month at the rate of $30.00 per square foot full-service (the "Rent"). Rent is based upon arm's length negotiation between the Parties and Tenant's assessment of fair market value for similar properties in the market in which the Premises is located.

4.2. Rent Commencement Date. The Rent Commencement Date means the date on which Tenant has begun the operation of the pharmacy in the Premises. The Parties agree that the Rent is consistent with the fair market value of the Premises being leased, including the value of such services and maintenance as required to be provided to the Premises by Landlord pursuant to the terms of this Lease, and that the Rent is not based, in whole or in part, on any current or expected value or volume of business generated by or between the Parties. The Parties agree that this Lease in no way requires, and in no way is contingent upon, the recommendation, referral, certification, purchase, lease, order, or

any other form of arrangement for any good, facility, service, or item offered by Landlord or Tenant or any person or entity related to or affiliated with Landlord or Tenant.

6. Repairs and Maintenance.

Landlord agrees to provide and maintain the plumbing, electrical, heating, air conditioning and ventilation systems serving the Premises in accordance with USP guidelines for safe drug storages. Landlord shall furnish and maintain all fire extinguishers and equipment necessary to comply with applicable law. Landlord further agrees to maintain the Building and the structure, walls, roof, windows, and exterior of the Building, the Common Areas, and the Land. In performing any repairs, replacements, alterations, or other work, Landlord shall not cause unreasonable interference with use of the Premises by Tenant.

6.3. Reimbursement for Repairs Assumed. If either Party fails to make any required repairs, the other Party may make the repairs and charge the actual costs of repairs to the first Party. Such expenditures by Landlord shall be reimbursed by Tenant with Tenant's next monthly payment of Rent. Such expenditures by Tenant may be deducted from Rent or collected directly from Landlord. Except in an emergency creating an immediate risk of personal injury or property damage, neither Party may perform repairs that are the obligation of the other Party unless the defaulting Party fails to initiate such repairs within thirty (30) days following written notice specifying the failure, and thereafter to diligently complete such repairs.

7. Alterations and Improvements.

7.1. Required Alterations. The improvements and alterations on Exhibit B shall be performed by, and at the cost of, the Party designated thereon and within the time stated thereon.

7.2. Additional Permitted Alterations. Tenant may make alterations and improvements to the Premises with Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed. All alterations, improvements, or additions shall be constructed in a good and workmanlike manner and in compliance with all applicable governmental laws, ordinances, codes and regulations. Landlord shall cooperate, at no cost to Landlord, with Tenant in obtaining all required licenses, permits, and approvals. All improvements and alterations performed or installed on the Premises by either Landlord or Tenant, other than Tenant's trade fixtures, shall be the property of Landlord when installed unless Exhibit B specifically provides otherwise.

8.1. Utilities to be Obtained by Tenant. Tenant shall make arrangements for the provision to the Premises of telephone service, fax line, computer service and data lines, hazardous waste disposal, and janitorial services (the "Tenant's Utilities"). Tenant shall directly pay for all of Tenant's Utilities supplied to the Premises, or if provided by Landlord, Tenant shall pay Landlord reasonable charges for such utilities and services as additional rent.

8.2. Utilities to be Provided by Landlord. Landlord represents and warrants that all utilities are readily available to the Premises through existing lines or equipment and access to the same through the Building, the Common Areas, and the Land shall remain throughout the Term and any Renewal Term of this Lease. Landlord shall be responsible to arrange for delivery of all utilities to the Premises and shall pay directly for all utilities, including but not limited to, electricity, heat, air conditioning, and water, other than the Tenant Utilities.

9. **Taxes and Assessments**. Tenant shall pay, prior to delinquency, all taxes on its personal property located on the Premises. Landlord shall pay, prior to delinquency, all real property taxes and assessments levied against the Premises, the Building, and the Land. As used herein, real property taxes includes any fee or charge relating to the ownership, use, or rental of the Premises, the Building, and/or the Land other than taxes on the net income of Tenant.

10. **Contingency of Professional Services Agreement and Lease**. The Parties agree that execution of this Lease is contingent upon execution of the PSA between Tenant and Clinic within five (5) days. In the event the Parties cannot execute this Lease and the PSA within five (5) days, then this Lease and the PSA shall be void and unenforceable, and the Parties shall be released from any and all liabilities and obligations hereunder and thereunder.

11. **Access.**

11.1. By Tenant. Landlord shall provide Tenant with access to the Common Areas and Premises twenty (24) hours per day, seven (7) days per week. Landlord shall provide Tenant with a key and security card to permit such access. Tenant shall be permitted to install any security system Tenant deems necessary at Tenant's sole cost and expense.

11.2. By Landlord. Subject to applicable laws and upon reasonable advance notice, Tenant shall provide Landlord access to enter the Premises at reasonable times (only during Tenant's business hours) for the purpose of inspecting them, to determine the necessity of repair, showing them to prospective purchasers or lenders or, within three (3) months of the end of the Term, to lessees, and making necessary alterations, repairs, improvements, or additions to the Premises as required or allowed by the Lease. Any access by Landlord shall be given in a manner so as to not disturb Tenant's business or prevent Tenant from complying with the PSA between the Parties. Landlord shall be accompanied at all times while on the Premises by a representative of Tenant who is a licensed pharmacist. Police or members of the fire department may enter the Premises in the event of an emergency. Without Tenant's prior written consent, Landlord shall not have the right to enter the Premises when Tenant is not open for business except in the event of an emergency as above provided.

12. **Insurance.**

12.1. Tenant's Insurance. Tenant shall, at Tenant's expense, obtain and keep in force during the Term a policy or policies of commercial general liability insurance in a responsible insurance company with limits of not less than $1,000,000 per occurrence and $3,000,000 general aggregate for bodily injury or property damage. Certificates evidencing such insurance shall be furnished to Landlord before Tenant's occupancy of the Premises.

12.2. Landlord's Insurance. At all times during the Term, Landlord will maintain in force special form causes of loss insurance insuring the Building, Premises, and the Land for the full insurable value thereof with commercially reasonable deductibles. In addition, Landlord will maintain in force during the entire Term of this Lease commercial general liability insurance in commercially reasonable amounts, subject to a minimum limit of liability of $1,000,000 per occurrence and $3,000,000 general aggregate, and with such endorsements as may be necessary to cover Landlord for claims on account of the obligations assumed by Landlord under subsection 13.2.

12.3. Waiver of Subrogation. Neither Party shall be liable to the other (or to the other's successors or assigns) for any loss or damage caused by fire or any of the risks enumerated in a standard fire insurance policy with an extended coverage endorsement, and in the event of insured loss, neither Party's insurance company shall have a subrogated claim against the other Party hereto.

13. **Indemnity.**

13.1. Tenant's Indemnity. Subject to the waiver of subrogation set forth in Section 12.3, Tenant shall indemnify, defend and hold harmless Landlord from any liability, loss, cost, expense (excluding attorneys' fees), claim, action or cause of action of a third-party claim arising out of or related to Tenant's use and occupancy of the Premises, or any negligent activity of Tenant on the Premises. Tenant shall not have any liability for special, incidental or consequential damages under this Lease.

13.2. Landlord's Indemnity. Subject to the waiver of subrogation set forth in Section 12.3, Landlord shall indemnify, defend and hold harmless Tenant from any liability, loss, cost, expense, including, but not limited to, reasonable attorneys' fees, claim, action or cause of action of a third party claim arising out of or related to any breach or failure to perform by Landlord under this Lease or any negligent act or willful misconduct by Landlord. Landlord shall not have any liability for special, incidental or consequential damages under this Lease.

14. **Damage or Destruction of Premises.**

14.1. Partial Damage—Insured. If the Building and/or the Premises is/are Partially Damaged (as defined below) by a casualty covered, or required to be covered, by an effective insurance policy under this Lease, Landlord shall at its expense repair the damage. Landlord shall not be obligated to repair any additions, alterations, or improvements made by Tenant after the Rent Commencement Date. Landlord shall make all repairs as soon as reasonably possible and this Lease shall continue in full force. Notwithstanding the provisions of this subsection 14.1, if the damage to the Building and/or Premises is such that Tenant cannot conduct its business in the

same manner as prior to such casualty for sixty (60) consecutive days, then Tenant shall have the right, upon written notice to Landlord, to terminate this Lease.

14.2. Partial Damage—Uninsured. If the Building and/or the Premises is/are Partially Damaged by a casualty not covered and not required to be covered by an effective insurance policy under this Lease, Landlord may at its option either (i) repair the damage as soon as reasonably possible at Landlord's expense, and this Lease shall continue in full force, or (ii) terminate this Lease by written notice to Tenant within thirty (30) days after the date of the damage. Tenant may, within ten (10) days after receipt of Landlord's notice to terminate, give written notice to Landlord of Tenant's intention to repair the damage at Tenant's expense, without reimbursement from Landlord. This Lease shall then continue in full force and Tenant shall make repairs as soon as reasonably possible. If Tenant does not give its notice after Landlord elects termination, this Lease shall be canceled and terminated as of the date of the occurrence of damage. Notwithstanding the provisions of this subsection 14.2, if the damage to the Premises is such that Tenant cannot conduct its business for sixty (60) consecutive days, then Tenant shall have the right, upon written notice to Landlord, to terminate this Lease.

14.3. Partially Damaged—Defined. "Partially Damaged" is herein defined as any damage, which can be repaired within six (6) months.

14.4. Total Destruction. If the Building and/or the Premises is/are substantially totally destroyed from any cause whether or not covered by insurance, either Party may elect to terminate the Lease as of the date of the damage or destruction by notice given to the other in writing not more than forty (45) days following the date of damage. In such event all rights and obligations of the Parties shall cease as of the date of termination, and Tenant shall be entitled to the reimbursement of any prepaid amounts. If neither Party elects to terminate, Landlord shall diligently proceed to restore the Premises to substantially the same form as prior to the damage or destruction. Work shall be commenced as soon as reasonably possible.

14.5. Abatement of Rent; Tenant's Remedies. The Rent payable under the Lease for the period during which repairs are made shall be abated and reduced to the extent the Premises are untenantable commencing upon the date of the occurrence of such damage. If Landlord does not commence repairs within thirty (30) days after its obligation to repair accrues under this section, Tenant may cancel this Lease by giving Landlord written notice at any time prior to the commencement of repairs.

15. **Condemnation.** If the Premises or any portion thereof are taken under the power of eminent domain, or sold under the threat of its exercise ("Condemnation"), this Lease shall terminate as to the part taken as of the date the condemning authority takes title or possession. If more than ten percent (10%) of the floor area of the Premises is taken by Condemnation or if the Condemnation prevents the continued use of the Premises by Tenant in substantially the same manner as before the Condemnation, Tenant may at its option, terminate the Lease as of the date the condemning authority takes possession or title. Tenant must exercise its option in writing within twenty (20) days after the condemning authority takes possession or title. If Tenant does not terminate this Lease, it shall remain in full force as to the remaining Premises, except that the Rent shall be reduced in the proportion that the floor area taken bears to the total original floor area of the Premises. Any award for taking by Condemnation is the property of Landlord;

provided, however Tenant is entitled to any award for loss of or damage to its trade fixtures, removable personal property and moving expenses. If this Lease is not terminated after Condemnation, Landlord shall repair any damage to the Premises caused by the Condemnation, except to the extent that Tenant was reimbursed therefore by the condemning authority.

16. **Quiet Enjoyment; Estoppel Certificates.**

16.1. Landlord's Warranty. Landlord warrants that it is the owner of the Premises and has the right to lease them to Tenant. Landlord shall defend Tenant's right to quiet enjoyment of the Premises from the lawful claims of all persons during the Lease Term.

16.2. Estoppel Certificates. Either Party shall, within twenty (20) days after notice from the other, execute and deliver to the other Party a certificate stating whether or not this Lease has been modified and is in full force and effect and specifying any modifications or alleged breaches by the other Party. The certificate shall also state the amount of monthly Rent, the dates to which Rent has been paid in advance, and the amount of any security deposit or prepaid Rent. Failure to deliver the certificate within the specified time shall be conclusive on the Party from whom the certificate was requested that this Lease is in full force and effect and has not been modified except as represented in the notice requesting the certificate.

17. **Defaults; Remedies.**

17.1. Defaults. Each of the following is a material default and breach of the Lease (each, a "Default"):

(a) Default in Rent. Failure to make any required Rent or other payment as and when due, if the failure continues for a period of ten (10) days after written notice from Landlord.

(b) Default in Other Covenants. Failure to comply with any of the covenants or provisions of the Lease, other than those described in subsection 17.1(a), if the failure continues for a period of thirty (30) days after written notice thereof; provided that if such default reasonably requires more than thirty (30) days for its cure, Tenant shall not be in default if it commences to cure within the 30-day period and thereafter diligently pursues its completion.

17.2. Remedies. If any Default by Tenant occurs, Landlord may, at any time thereafter without notice or demand, do any or all of the following:

(a) Termination. Upon thirty (30) days' written notice to Tenant, terminate this Lease and Tenant's right to possession of the Premises by any lawful means; Landlord may, subject to the requirements of Section 18.3 hereof, re-enter and take possession of and remove all persons or property, and Tenant shall immediately surrender possession of the Premises to Landlord. Landlord may recover from Tenant all damages incurred by Landlord for Tenant's default including, but not limited to, the reasonable costs of recovering possession of the Premises and expenses of reletting.

(b) Maintain Tenant's Right to Possession. Maintain Tenant's right to possession and continue this Lease in force whether or not Tenant has abandoned the Premises in

which event Landlord shall be entitled to enforce all of its rights and remedies under this Lease, including the right to recover Rent as it becomes due.

(c) Remedies Cumulative. The foregoing remedies shall be cumulative and in addition to any other remedy available to Landlord by law. Landlord shall have a duty to mitigate its damages.

17.3. Immediate Termination. Notwithstanding the above remedies, in the event the PSA between the Parties expires or is terminated for any reason, Tenant shall have the right to terminate this Lease upon written notice to Landlord specifying the date of such termination, and the Parties shall be released from any and all liabilities and obligations hereunder, except for those accruing prior to the date of such termination.

18. **Surrender at Expiration.**

18.1. Condition of Premises. On expiration or earlier termination of the Lease, Tenant shall surrender the Premises in the same condition as received, subject to ordinary wear and tear, damage by casualty or condemnation and repairs which are Landlord's responsibility hereunder.

18.2. Holdover. If Tenant continues to occupy the Premises after the expiration of the Term, without any express agreement as to such occupancy, then such holding over will be considered as a month-to-month tenancy subject to all terms and conditions of this Agreement, as long as Tenant continues to timely pay Rent in an amount equal to the monthly Rent payable during the last month of the Term. If a month-to-month tenancy results from a holdover by Tenant under this subsection 18.2, the tenancy shall be terminable at the end of any monthly rental period on written notice from Landlord given not less than ten (10) days before the termination date which shall be specified in the notice.

18.3. Compliance with Pharmacy Laws on Termination. Notwithstanding anything set forth in this Lease to the contrary, Landlord shall not interfere with Tenant's compliance with applicable pharmacy laws, rules or regulations and Tenant's proper handling or disposition of its pharmaceutical products upon termination of this Lease. This provision shall be effective even upon a termination of this Lease by Landlord following the occurrence of a Default.

19. **Brokers.** Each of Landlord and Tenant warrants to the other that it has had no dealings with any real estate broker or agents in connection with the negotiation of the Lease, and it knows of no real estate broker or agent entitled to a commission in connection with the Lease. Each of Landlord and Tenant agrees to indemnify and hold the other harmless from any loss, cost, liability, or expense incurred by the other as a result of any claim by any broker or agent on the basis of any arrangements or agreements made by or on behalf of indemnifying Party.

20. **General Provisions.**

20.1. Severability. The invalidity of any provision of this Lease as determined by a court of competent jurisdiction shall not affect the validity of any other provision.

20.2. Time of Essence. Time is of the essence of this Lease.

20.3. Entire Agreement. This Lease and the PSA constitute the entire agreement of the Parties hereto with respect to the subject matter contemplated hereby and thereby and supersede all previous and contemporaneous oral or written negotiations, agreements, arrangements, and understandings relating to the subject matter hereof and thereof.

20.4. Notices. Any notice given under this Lease shall be in writing and may be given by personal delivery, by overnight delivery, or by certified mail, postage prepaid, addressed to Tenant or to Landlord at their addresses set forth below their signatures to the Lease. Either Party may, by notice under this subsection, change its address for notice purposes. Notices personally delivered are considered received upon delivery. Notices sent by overnight delivery are considered received on the next business day. Mailed notices are considered received three (3) days after deposit in the mail. To be valid as notice, a copy of any notice given to Tenant shall be concurrently given to:

401 S. Maryland Parkway

20.5. Waiver. Waiver by either Party of strict performance of any provision of this Lease shall not be a waiver of or prejudice the Party's right to require strict performance of the same provision in the future or of any other provision. No waiver shall be enforced except if set forth in writing and signed by the Party against whom such waiver is asserted.

20.6. Binding Effect. Subject to the provisions restricting assignment or subletting, this Lease binds and benefits the Parties and their respective successors and assigns.

20.7. Assignment and Subletting. Tenant shall not assign, sublet, convey or transfer this Lease or any interest therein without the prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding anything herein to the contrary, Tenant may assign this Lease, without Landlord's consent, to any affiliated or related entity, to any entity with which Tenant may merge or consolidate and to any person or entity that acquires all or substantially all of the assets of Tenant or the business that is being conducted by Tenant at or from the Premises, provided that the assignee assumes or is legally responsible for the obligations of Tenant under this Lease thereafter arising.

20.8. Authority. Each individual executing this Lease on behalf of an entity represents and warrants that he is duly authorized to execute and deliver this Lease on behalf of the entity, in accordance with duly adopted resolutions or such entity's governing documents, and that this Lease is binding upon that entity in accordance with its terms.

20.9. Attorneys' Fees. If suit or action is instituted in connection with any controversy arising out of this Lease, the prevailing Party shall be entitled to recover, in addition to costs, attorney fees.

20.10. Relationship of Parties. For the purpose of this Lease, the relationship of the Parties hereto is strictly that of landlord and tenant. Landlord has no interest in Tenant's enterprise and this Lease cannot be construed as a joint venture or partnership. Except as otherwise set forth in this Lease or in the PSA, neither Landlord nor Tenant is an agent or representative of the other for any purpose.

20.11. Counterparts. This Lease may be executed in any number of counterparts, each of which shall be deemed an original. Electronic signatures shall be valid as originals.

NOW, THEREFORE, in consideration of the recitals and mutual covenants, agreements, and promises contained herein, the Parties hereby agree to incorporate the foregoing recitals as if fully rewritten in this Agreement and further agree as follows:

1. Mutual Covenants.

1.1 Right to Choose. Pharmacy and Facility acknowledge that Provider's Patients are free to utilize the pharmacy or pharmacies of their choice for the provision of pharmacy products. The Parties shall comply with applicable laws, rules and regulations ("Applicable Law") with regard to an individual's right to choose a pharmacy provider.

1.2 Agreement Contingent on Lease. The Parties acknowledge that execution of this Agreement is contingent upon execution of the Lease. Notwithstanding any provision of this Agreement to the contrary, this Agreement shall be of no force or effect prior to the date that the Lease is fully executed and in full force and effect. If the Lease is not in full force and effect within 5 days following the date of full execution of this Agreement (the "Execution Date"), this Agreement shall terminate and be of no further force or effect.

2. Covenants of Pharmacy.

2.1 General. During the term of this Agreement, Pharmacy shall provide the Pharmacy Products and Services described in this Section 2 in accordance with Applicable Law. Such products and services shall include the services listed in Exhibit A.

2.2 Standard of Practice; Qualified Personnel. At all times during the term of this Agreement, Pharmacy shall be operated in accordance with best practices and industry standards. Pharmacy Products and Services under this Agreement shall be provided by employees or contractors of Pharmacy who are professionally competent, and duly qualified and licensed in accordance with Applicable Law ("Qualified Personnel").

2.3 Pharmacy Consultant Services. Upon request, Pharmacy shall provide one or more of the pharmacy consultant services specified in Exhibit B ("Consultant Services") at the rate set forth in Exhibit C.

2.4 Prior Authorization. Upon request, Pharmacy shall assist Provider's prescribers in obtaining prior authorization for medications to be dispensed by Pharmacy, provided that such prescriber has executed an agent of physician letter in the form attached hereto as Exhibit D.

2.5 Patient Assistance Programs. Pharmacy shall administer a patient assistance program ("PAP Program") and, if applicable, a State Indigent Drug Program ("IDP Program") for Provider's Patients who elect to have their medications dispensed by Pharmacy. Provider shall determine, and shall so notify Pharmacy, as to the identity of Patients to be enrolled in any such program, and the medications covered. Pharmacy shall be responsible for completing applications for admission to such programs, and submit such applications for approval.

2.6 Additional Pharmacy Services. Pharmacy may provide additional Pharmacy Services ("Additional Services") by mutual agreement. The rates or fees for such Additional Services shall be specified in Exhibit C.

3. Covenants of Provider.

3.1 Population Data. Upon request, Provider shall provide information to Pharmacy regarding Provider's patient population to enable Pharmacy to evaluate the medication needs of Provider's Patients.

3.2 Covenant. During the term of this Agreement, and for one (1) year following the expiration or termination hereof, (a) Provider will not enter into any agreement with a party who provides on-site products and services that are substantially the same as the Pharmacy Products and Services, and (b) neither Provider nor any affiliate thereof will own, operate, and/or manage a pharmacy business at or adjacent to the Provider Location. The Parties hereby acknowledge and agree that the violation of this restrictive covenant will severely damage Pharmacy's business. Therefore, the Parties agree that Pharmacy shall be entitled to injunctive relief against Provider upon any breach of this covenant, without the necessity of posting any bond in cash or otherwise.

4. Access to Provider Electronic Health Records System.

4.1 Subject to subsection (b), Pharmacy shall have access to the Provider electronic health records system (the "Provider EHR System") in order to acquire information required by, or useful to, Pharmacy in providing Pharmacy Services to individuals who have elected to obtain medications from Pharmacy. Such information is expected to include, at a minimum, such individual's name, address, phone number, email address, prescription, third party payer information, diagnosis and treatment.

4.2 Only the Pharmacy employees listed on Schedule 1 (the "Authorized Pharmacy Employees") shall have access to the Provider EHR System. Pharmacy shall promptly notify Provider in writing or by e-mail of any change to Schedule 1.

4.3 The Parties acknowledge that the Provider EHR System contains information pertaining to all individuals who receive treatment by or through Provider. Consequently, the Authorized Pharmacy Employees will have incidental access to information regarding individuals who elect not to obtain Pharmacy Services from Pharmacy. Pharmacy hereby covenants that no employee of Pharmacy will obtain, use or store any information from the Provider EHR System other than information required by, or useful to, Pharmacy in providing Pharmacy Services to individuals who have elected to obtain Pharmacy Services from Pharmacy.

5. Representations and Warranties.

5.1 Each Party represents and warrants to the other Party that this Agreement has been duly authorized, executed and delivered by such Party and constitutes its valid and binding obligation.

5.2 Each Party represents and warrants to the other Party that is a corporation or other recognized legal business entity duly organized, validly existing, and in good standing under the laws of the state in which it is organized, incorporated, and/or operating.

5.3 Each Party represents and warrants to the other Party that the execution and delivery of this Agreement and the performance of such Party's obligations hereunder, do not and will not (a) conflict with or violate any requirement of Applicable Law, or (b) conflict with, or constitute a default under, any contractual obligation of that Party, including contractual obligations with any other healthcare provider or pharmacy provider.

6. Compliance with Healthcare and Privacy Laws.

6.1 Pharmacy and Provider hereby covenant that in performing their respective obligations under this Agreement, they will, and will cause their respective affiliates to, comply in all material respects with all applicable statutes, regulations, rules, orders, ordinances and other laws of any governmental entity to which this Agreement, the parties' obligations under this Agreement, and the obligations of their respective affiliates contemplated by this Agreement, are subject with respect to healthcare regulatory matters (including, without limitation, Sections 1128, 1128A and 1128B(b) of the Social Security Act, as amended, 42 U.S.C. § § 1320a-7, 1320a-7a and 1320a-7b(b), commonly referred to as the "Medicare and Medicaid Exclusion Statute," the "Civil Money Penalties Statute," and the "Federal Anti-Kickback Statute," respectively, and 31 U.S.C. § 3729, as amended, the statute commonly referred to as the "Federal False Claims Act," and all statutes and regulations related to the possession, distribution, maintenance and documentation of controlled substances) ("Healthcare Laws"). 6.2 Each Party represents and warrants to the other Party that neither such Party, nor any employee, agent or contractor of such Party who is expected to perform obligations of such Party under this Agreement has been excluded from participation in any federal health care program (as defined under 42 U.S.C. Section 1320a-7b(f)).

6.3 In performing their respective obligations under this Agreement, Pharmacy and Provider shall comply with all applicable federal and state laws relating to the privacy of patient information including, without limitation, the Health Insurance Portability and Accountability Act

of 1996 and its implementing regulations ("HIPAA"), which include the Standards for the Privacy of Individually Identifiable Health Information (the "Privacy Rule"), the Standards for Electronic Transactions, and the Security Rule (45 C.F.R. Notwithstanding the foregoing, Pharmacy shall not be responsible, by indemnity or otherwise, to the extent that any injury or death is caused by or results from an act or omission to act by a Provider Indemnitee or others not agents, employees or affiliates of Pharmacy.

(b) Provider hereby agrees to indemnify and hold harmless Pharmacy and its employees, officers, managers, directors, shareholders, agents and Affiliates (the "Pharmacy Indemnitees"), from and against third-party charges, claims, causes of action, damages, expenses and liability (including reasonable attorneys' fees), asserted against, imposed upon, or incurred by, any Pharmacy Indemnitee in connection with the death of, or bodily injury to, any Person that arises or results from any breach by Provider of any material obligation under this Agreement. Notwithstanding the foregoing, Provider shall not be responsible, by indemnity or otherwise, to the extent that any injury or death is caused by or results from an act or omission to act by a Pharmacy Indemnitee or others not agents, employees or affiliates of Provider.

7.2 Limitation on Liability. Subject to Section 6.1, neither Party shall have any liability to the other for special, incidental or consequential damages relating to this Agreement.

7.3 Insurance.

(a) Pharmacy shall maintain at all times during the term of this Agreement, at its sole cost and expense, appropriate workers' compensation insurance coverage for its employed personnel, and shall carry general and professional liability insurance covering it and all of its personnel in the minimum amount of $1,000,000 per claim; $2,000,000 annual aggregate of general liability coverage; and $3,000,000 annual aggregate of professional liability coverage. Pharmacy shall provide Provider with a certificate of insurance evidencing such coverage within thirty (30) days following the Execution Date, and annually thereafter upon request. The insurance policy or policies shall provide for at least thirty (30) days written advance notice to Provider from the insurer as to any material alteration of coverage, cancellation, or proposed cancellation of coverage for any cause.

(b) Provider shall maintain at all times during the term of this Agreement, at its sole cost and expense, appropriate workers' compensation insurance coverage for its employed personnel, and shall carry professional liability insurance covering it and all of its personnel in the minimum amount of $1,000,000 for each occurrence and/or claim and commercial general liability insurance in the minimum amount of $1,000,000 per occurrence and $2,000,000 in the aggregate. Provider shall provide Pharmacy with a certificate of insurance evidencing such

coverage within thirty (30) days following the Execution Date, and annually thereafter upon request. The insurance policy or policies shall provide for at least thirty (30) days written advance notice to Pharmacy from the insurer as to any material alteration of coverage, cancellation, or proposed cancellation of coverage for any cause.

8. Confidentiality.

8.1 Pharmacy recognizes and acknowledges that, by virtue of entering into this Agreement, Pharmacy and certain of its Personnel will have access to Confidential Information of Provider ("Provider Confidential Information"). Pharmacy agrees that, except as otherwise required by Applicable Law, neither it nor any of its employees, agents or consultants will at any time, either during or subsequent to the term of this Agreement, disclose to others, use, copy or permit to be copied, without the express prior written consent of Provider, any Provider Confidential Information, except as reasonably required to perform its obligations under this Agreement.

8.2 Provider recognizes and acknowledges that, by virtue of entering into this Agreement, Provider and certain of its Personnel will have access to certain Confidential Information of Pharmacy ("Pharmacy Confidential Information"). Provider agrees that, except as otherwise required by Applicable Law, neither it nor any of its employees, agents or consultants will at any time, either during or subsequent to the term of this Agreement, disclose to others, use, copy or permit to be copied, without the express prior written consent of Pharmacy, any Pharmacy Confidential Information, except as reasonably required to perform its obligations under this Agreement.

8.3 Upon termination of this Agreement by either Party for any reason whatsoever, each Party shall, upon request from the other Party, forthwith return to the other Party (or destroy), all material constituting or containing Confidential Information of the other Party, and the returning Party will not thereafter use, appropriate or reproduce such information or disclose such information to any third Party.

8.4 If either Party is requested or required (by deposition, interrogatories, requests for information or documents in legal proceedings, subpoenas, civil investigative demand or similar process), in connection with any proceeding, to disclose any Confidential Information of the other Party, such Party seeking to disclose (the "Disclosing Party") will give the other Party (the "Protected Party") prompt written notice of such request or requirement so that the Protected Party may seek an appropriate protective order or other remedy or waive compliance with the provisions of this Agreement, and the Disclosing Party will cooperate with the Protected Party to obtain such protective order. If such protective order or other remedy is not obtained, or the Protected Party waives compliance with the relevant provisions of this Agreement, the Disclosing Party will furnish only that portion of the Confidential Information that, in the written opinion of its legal counsel, is legally required to be disclosed and, upon the request of the Protected Party, use its best efforts to obtain assurances that confidential treatment will be accorded to such information.

8.5 Failure by either Party to strictly comply with the provisions of this section shall be a material breach of this Agreement. Each Party acknowledges that this is a continuing obligation, and that such obligations shall survive the expiration or termination of this Agreement. Each Party further acknowledges that the restrictions contained herein are reasonable and necessary to protect the legitimate business interests of the other Party, and that any violation thereof by one Party would result in irreparable harm to the other Party. Accordingly, in the event of an actual or a threatened breach by either Party of any provision of this section, the other Party shall be entitled to pursue from any court of competent jurisdiction a preliminary or permanent

injunction enjoining the breaching Party from disclosing such information. Nothing herein shall be construed as prohibiting either Party from pursuing any other remedies available to it whether in equity or at law for such breach or threatened breach, including the recovery of damages.

8.6 Each Party shall retain ownership of its respective Confidential Information. Nothing herein shall be construed as a license or grant of rights to the other Party to use such information, except in connection with such Party's performance under this Agreement.

8.7 For purposes of this Section 7, the term "Confidential Information" means (i) any information communicated by one party (the "Disclosing Party") to the other (the "Receiving Party"), which is identified as proprietary or confidential by the Disclosing Party, or which would be reasonably understood to be the type of information which should be treated as proprietary or confidential, (ii) the terms of this Agreement, and (iii) non-public information provided by one party to the other in accordance with the terms of this Agreement, or in connection with the performance thereof; provided, that with respect to clauses (i) and (iii) the following shall not be considered Confidential Information: (i) information that is known to the Receiving Party prior to the time of disclosure to it, to the extent evidenced by written records or other competent proof, and not acquired directly or indirectly from the other party; (ii) information that is independently developed by employees, agents, or independent contractors of the Receiving Party without reference to or reliance upon the information furnished by the Disclosing Party, as evidenced by written records or other competent proof; (iii) information disclosed to the Receiving Party by a third party that is not legally prohibited from disclosing such information, provided that such information was not acquired directly or indirectly from the other party; and (iv) any other information that is or becomes part of the public domain through no fault or negligence of the Receiving Party.

9. Compensation and Payment.

9.1 Compensation. During the Initial Term, Provider shall compensate Pharmacy for Pharmacy Products and Services at the rates specified in Exhibit C. Compensation for any Renewal Term shall be determined prior to the 90th day preceding the first day of such Renewal Term; provided, however, that if the Parties do not negotiate new rates for such Renewal Term the rates in effect for the Initial Term or the then-current Renewal Term (as applicable) shall remain in effect for the succeeding Renewal Term.

9.2 Invoicing and Payment. Pharmacy shall invoice Provider monthly for Pharmacy Products and Services provided during the prior calendar month. Provider shall pay each invoice within thirty (30) days following the date thereof, other than charges that Provider disputes in good faith. Late payments shall accrue interest at the lesser of one percent (1%) per month or the highest interest rate permitted under Applicable Law.

10. Term and Termination.

10.1 Term. The term of this Agreement shall commence on the Effective Date and shall remain in effect for a period of three (3) years (the "Initial Term"), unless sooner terminated pursuant to the terms of this Agreement. Subject to Section 10.2, this Agreement shall be subject to automatic renewal for periods of one year at the end of the Initial Term and any renewal term then in effect (each, a "Renewal Term"), unless either Party provides notice of its intention not to renew not less than ninety (90) days prior to the last day of the then-current term.

10.2 Effect of Lease. Notwithstanding Section 9.1, the term of this Agreement shall be coterminous with the term of the Lease. Upon the expiration or termination of the Lease for any reason, this Agreement shall terminate without further notice.

10.3 Termination for Cause.

(a) In the event that Provider fails to pay any invoice on or prior to the due date, Pharmacy may, at its option, with three days advance written notice to Provider, terminate this Agreement and/or pursue any other available remedy at law or in equity.

(b) If either Party breaches any material term of this Agreement, the non-breaching Party may, in its sole discretion, provide written notice of termination ("Notice of Termination") to the breaching Party specifying (i) the grounds for such termination with specificity, and (ii) the date of termination, which shall be not less than sixty (60) days following the date that such Notice of Termination is received (the "Proposed Termination Date"). If the breaching Party does not cure the breach prior to the Proposed Termination Date, this Agreement shall terminate on such date without further notice.

(c) If (a) 340B contract pharmacies are excluded from the 340B program by Applicable Law, and (b) Provider establishes a Provider-owned pharmacy to provide 340B covered medications, Provider can terminate the Agreement with not less than ninety (90) days prior written notice to Pharmacy and the non-compete at Section 3.2 shall not apply.

10.4 Termination without Cause. On and after the one-year anniversary of the date that Pharmacy commences operations on the Premises, either Party may terminate this Agreement at any time during the remainder of the Initial Term or any Renewal Term, without cause or penalty, with one hundred twenty (120) days prior written notice to the other Party.

10.5 Effect of Termination. Neither expiration nor termination of this Agreement shall (A) release or otherwise affect any liability of either Party for failure to perform its obligations under this Agreement prior to the effectiveness of such expiration or termination. Upon expiration or termination of this Agreement, Provider shall return to Pharmacy all documents and other property of Pharmacy provided to Provider under this Agreement. This Section 10.5 and Sections 3.2, 6.1, 6.2, 7, 11, 12, 13.6 and 13.10 shall survive the expiration or termination of this Agreement.

11. Records Disclosure. This Agreement is subject to regulations promulgated by the Center for Medicare and Medicaid Services implementing § 952 of the Omnibus Reconciliation Act of 1980, codified at 42 U.S.C. § 1395x (v)(1)(I). Each Party agrees that, until the expiration of four (4) years after the furnishing of the Pharmacy Services pursuant to this Agreement, to make available upon written request, to the Secretary of Health and Human Services (the "Secretary") or, upon request, to the Comptroller General, or any of their duly authorized representatives, this Agreement, and all books, documents, and records that are necessary to verify the nature and extent of the costs of such Pharmacy Services. If either Party carries out any of the duties hereunder through a subcontract with a related organization, having a value or cost of Ten Thousand Dollars ($10,000.00) or more over a twelve (12) month period, such subcontract shall contain a clause to the effect that, until the expiration of four (4) years after the furnishing of such Pharmacy Services pursuant to such subcontract, the related organization shall make available, upon written request, to the Secretary, or, upon request, to the Comptroller General, or any of their duly authorized representatives, the subcontract and the books, documents, and records of such organization that are necessary to verify the nature and extent of the costs of such Pharmacy Services.

12. Dispute Resolution.

12.1 In the event of any dispute, controversy or claim arising out of or in connection with this Agreement, including any questions regarding its existence, enforceability, interpretation or validity, the Parties shall meet and confer in good faith to attempt to resolve such dispute, controversy or claim without initiating an adversarial proceeding. Should such attempts at

resolution prove unsuccessful within a reasonable period after the meeting of the Parties, any dispute, controversy, or claim arising under this Agreement shall be settled exclusively by arbitration conducted in Las Vegas, Nevada by a single arbitrator selected by the Parties in accordance with the then effective arbitration rules of the American Arbitration Association; and judgment upon the award rendered pursuant to such arbitration may be entered in any court having jurisdiction thereof. Either Party may propose mediation whenever appropriate through the organization named above or any other mediation process or mediator as the Parties may agree. The fees and expenses of the arbitration or mediation shall be borne equally by the Parties.

12.2 The decision of the arbitrator shall be binding and may be confirmed and enforced in any court having proper jurisdiction. All facts and other information relating to any arbitration arising under this Agreement shall be kept confidential to the fullest extent permitted by law. Notwithstanding any provision in this Agreement to the contrary, either Party may apply to the arbitrator for injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Also notwithstanding any provision herein to the contrary, either Party (without waiving any remedy under this Agreement), in addition to any remedies at law or in equity to which the non-breaching Party may be entitled, shall be entitled to seek from any court having jurisdiction emergency, interim or provisional relief claimed as necessary to protect the rights, property or other interests of that Party pending the establishment of the arbitration tribunal and rendering of the arbitration award, including, without limitation, in the event of a breach by a Party of any of its duties or obligations.

13. Miscellaneous.

13.1 Entire Agreement. This Agreement, with the exhibits attached hereto, contains the entire agreement of the Parties hereto with respect to the subject matter of this Agreement and supersedes all contemporaneous and prior agreements, contracts, and understandings whether written or oral, between the Parties relating to the subject matter of this Agreement. All exhibits attached hereto shall be deemed incorporated into, and made a part of, this Agreement.

13.2 Relationship of the Parties. Except as otherwise set forth in this Agreement, the relationship created by this Agreement between Provider and the Pharmacy is solely one of independent contractors and nothing in this Agreement shall be construed or deemed to create any other relationship between such Parties.

13.3 Amendment. This Agreement may be amended or modified only by a written agreement signed by the Parties or their duly authorized representatives.

13.4 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original hereof.

13.5 Severability. The provisions of this Agreement are independent of and separate from each other. In the event any provisions of this Agreement are found to be legally invalid or unenforceable for any reason, all remaining provisions of this Agreement shall remain in full force and effect and such invalid or unenforceable provision shall be enforced to the fullest extent permitted by applicable law, unless doing so can reasonably be expected to have a material adverse effect on either Party.

13.6 Governing Law. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Nevada.

13.7 Waiver. A waiver shall only be effective if in writing and signed by the Party against whom such waiver is asserted. The waiver by any of the Parties of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent or other breach.

13.8 Media. Provider agrees that Pharmacy shall have editorial review of any press and/or media releases of any kind, either written or verbal, that reference Pharmacy.

13.9 The Parties mutually agree to create awareness of the Pharmacy and the Services offered by Pharmacy to Provider Patients, including, for example, the organization's website, newsletters and other communications that reach the Provider's consumers and providers.

13.10 Notices. All notices, requests, demands and other communications given hereunder shall be in writing and shall be deemed to have been duly given when (i) delivered personally; (ii) when deposited in the United States mail as registered or certified mail, postage prepaid, return receipt requested, on the third business day after mailing; (iii) if telecopied, on the next business day after written confirmation of such telecopy; or (iv) if delivered by reputable overnight national courier service, on the next business day after delivery to such courier service, to the following addresses:

13.10 Construction. Each Party has participated in negotiating and drafting this Agreement, so if an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if the parties had drafted it jointly, as opposed to being construed against a Party because it was responsible for drafting one or more provisions of this Agreement.

COMMERCIAL LEASE

DATED:	**March 29, 2022**	(the "Effective Date")
PARTIES:	Flamingo Pecos Offices LLC. 3430 E. Flamingo Rd. suite 239 Las Vegas NV 89121 and	(Landlord)
	Genoa Healthcare LLC a Pennsylvania limited liability company 707 S. Grady Way Suite 700 Renton, WA 98057	(Tenant)

Landlord leases to Tenant and Tenant leases from Landlord the Premises described below on the terms and conditions stated below:

1. **The Premises.** The Premises contains approximately 1,080 square feet of space (the "Premises") in Suite 103 in the building (the "Building") located at 3430 E. Flamingo Rd. Las Vegas NV 89121, as more fully shown on the site plan ("Site Plan") attached hereto as Exhibit A. The property on which the Building is situated is referred to herein as the "Land". Landlord grants to Tenant access to and use of the common areas ("Common Areas") in the Building and on the Land.

2. **Use of the Premises.** Tenant may use the Premises only for the purpose of an on-site pharmacy and pharmacy-related services (the "Permitted Use"). Landlord represents and warrants that the Permitted Use is in compliance with all applicable laws, regulations, rules and ordinances governing the Premises.

3. **Occupancy.**

3.1. Original Term. The term of the Lease shall be five (5) years commencing on April 01 2022 and ending March 31 2027, unless earlier terminated as provided in Section 3.2 below.

3.2. Possession. Tenant's right to possession shall commence on the Effective Date. If Landlord is not able to give Tenant possession of the Premises within thirty (30) calendar days of the Effective Date, Tenant may rescind the Lease by notice in writing to Landlord given at any time thereafter before the date on which possession is tendered by Landlord.

3.3. Relocation. If Landlord relocates to a new Building within the Initial Term, then Landlord shall be responsible for relocating Tenant.

3.3.1. Landlord shall be responsible for all costs associated with the build out of the relocated Premises in accordance with all board of pharmacy requirements.

3.4. Covenant. During the term of this Lease, and for two (2) years following the expiration or termination hereof, Landlord will not enter into any agreement with a party who provides on-site pharmacy products and services that are substantially the same as the Tenant's Permitted Use at or adjacent to the leased Premises. The Parties hereby acknowledge and agree that the violation of this restrictive covenant will severely damage Tenant's business. Therefore, the Parties agree that Tenant shall be entitled to injunctive relief against Landlord upon any breach of this covenant, without the necessity of posting any bond in cash or otherwise.

4. **Rent.**

4.1. Rent. Commencing on May 1, 2022, Tenant shall pay to Landlord, in advance, on or before the first day of each month, as rent the sum of $1,800.00 per month (the "Rent"). Rent is based upon arm's length negotiation between the Parties and Tenant's assessment of fair market value for similar properties in the market in which the Premises is located. Rent shall be paid to Landlord at the address set forth in Section 20.4 below. Tenant shall also pay as additional rent any other payments as required of Tenant pursuant to the provisions of the Lease.

4.2. Security Deposit. A security deposit of $3,600.00 is due and payable within 15 days of execution of this Lease.

4.3. Annual Rent Adjustment. Shall be determined as follows: The monthly Rent in effect for the preceding Term shall be increased by three percent (3%) annually.

5. **Compliance with Law.**

5.1. General Regulatory Compliance. Landlord and Tenant shall comply with all applicable state and federal laws. Specifically, Landlord and Tenant intend that this Agreement comply with the federal Anti-Kickback Statute (42 U.S.C. § 1320a-7b) and satisfy the requirements of the Space Rental Safe Harbor to the federal Anti-Kickback Statute codified at 42 C.F.R. § 1001.952(b).

5.2. Fair Market Value. The Parties agree that the Rent is consistent with the fair market value of the Premises being leased, including the value of such services and maintenance as required to be provided to the Premises by Landlord pursuant to the terms of this Lease, and that the Rent is not based, in whole or in part, on any current or expected value or volume of business generated by or between the Parties. The Parties agree that this Lease in no way requires, and in no way is contingent upon, the recommendation, referral, certification, purchase, lease, order, or any other form of arrangement for any good, facility, service, or item offered by Landlord or Tenant or any person or entity related to or affiliated with Landlord or Tenant.

6. **Repairs and Maintenance.**

6.1. Tenant's Obligations. Tenant shall keep the Premises neat, clean, and in a sanitary condition, subject to reasonable wear and tear, damage by casualty or condemnation, and Landlord's repair obligations hereunder. Tenant's responsibilities for maintenance shall extend to the inside surfaces of interior walls and ceilings which are on the perimeter of the Premises, and flooring, paint, cabinetry, and interior fixtures located within the Premises.

6.2. Landlord's Obligations. Landlord represents and warrants that the Premises are in good repair without any material defects at the commencement of the Term. Landlord shall be responsible, at Landlord's sole expense, for all areas outside the Premises, and shall maintain the Building in which the Premises are located, the Common Areas, and the Land in a safe and sound, neat, clean, and sanitary condition and to the standard of comparable medical buildings in the county in which the Premises are situated. Landlord agrees to provide and maintain the plumbing, electrical, heating, air conditioning and ventilation systems serving the Premises in accordance with USP guidelines for safe drug storages. Landlord further agrees to maintain the Building and the structure, walls, roof, windows, and exterior of the Building, the Common Areas, and the Land. In performing any repairs, replacements, alterations, or other work, Landlord shall not cause unreasonable interference with use of the Premises by Tenant.

6.3. Reimbursement for Repairs Assumed. If either Party fails to make any required repairs, the other Party may make the repairs and charge the actual costs of repairs to the first Party. Such expenditures by Landlord shall be reimbursed by Tenant with Tenant's next monthly payment of Rent. Such expenditures by Tenant may be deducted from Rent or collected directly from Landlord. Except in an emergency creating an immediate risk of personal injury or property damage, neither Party may perform repairs that are the obligation of the other Party unless the defaulting Party fails to initiate such repairs within thirty (30) days following written notice specifying the failure, and thereafter to diligently complete such repairs.

7. Alterations and Improvements.

7.1. Required Alterations. The improvements and alterations on Exhibit B shall be performed by, and at the cost of, the Party designated thereon and within the time stated thereon.

7.2. Additional Permitted Alterations. Tenant may make alterations and improvements to the Premises with Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed. All alterations, improvements, or additions shall be constructed in a good and workmanlike manner and in compliance with all applicable governmental laws, ordinances, codes and regulations. Landlord shall cooperate, at no cost to Landlord, with Tenant in obtaining all required licenses, permits, and approvals. All improvements and alterations performed or installed on the Premises by either Landlord or Tenant, other than Tenant's trade fixtures, shall be the property of Landlord when installed unless Exhibit B specifically provides otherwise.

8. Utilities and Services.

8.1. Utilities to be Obtained by Tenant. Tenant shall make arrangements for the provision to the Premises of telephone service, fax line, computer service and data lines, hazardous waste disposal, and janitorial services (the "Tenant's Utilities"). Landlord shall cooperate as necessary with Tenant in the provision of such Tenant Utilities. Tenant shall directly pay for all of Tenant's Utilities supplied to the Premises, or if provided by Landlord, Tenant shall pay Landlord reasonable charges for such utilities and services as additional rent.

8.2. Utilities to be Provided by Landlord. Landlord represents and warrants that all utilities are readily available to the Premises through existing lines or equipment and access to the

same through the Building, the Common Areas, and the Land shall remain throughout the Term and any Renewal Term of this Lease. Landlord shall be responsible to arrange for delivery of all utilities to the Premises and shall pay directly for all utilities, including but not limited to, electricity, heat, air conditioning, and water, other than the Tenant Utilities.

9. **Taxes and Assessments.** Tenant shall pay, prior to delinquency, all taxes on its personal property located on the Premises. Landlord shall pay, prior to delinquency, all real property taxes and assessments levied against the Premises, the Building, and the Land. As used herein, real property taxes includes any fee or charge relating to the ownership, use, or rental of the Premises, the Building, and/or the Land other than taxes on the net income of Tenant.

10. **Access.**

10.1. By Tenant. Landlord shall provide Tenant with access to the Common Areas and Premises twenty (24) hours per day, seven (7) days per week. Landlord shall provide Tenant with a key and security card to permit such access. Tenant shall be permitted to install any security system Tenant deems necessary at Tenant's sole cost and expense.

10.2. By Landlord. Subject to applicable laws and upon reasonable advance notice, Tenant shall provide Landlord access to enter the Premises at reasonable times (only during Tenant's business hours) for the purpose of inspecting them, to determine the necessity of repair, showing them to prospective purchasers or lenders or, within three (3) months of the end of the Term, to lessees, and making necessary alterations, repairs, improvements, or additions to the Premises as required or allowed by the Lease. Any access by Landlord shall be given in a manner so as to not disturb Tenant's business. Landlord shall be accompanied at all times while on the Premises by a representative of Tenant who is a licensed pharmacist. Police or members of the fire department may enter the Premises in the event of an emergency. Without Tenant's prior written consent, Landlord shall not have the right to enter the Premises when Tenant is not open for business except in the event of an emergency as above provided.

11. **Insurance.**

11.1. Tenant's Insurance. Tenant shall, at Tenant's expense, obtain and keep in force during the Term a policy or policies of comprehensive general liability insurance in a responsible company with limits of not less than $1,000,000 for injury to one person, $3,000,000 for injury to two or more persons in one occurrence, and $1,000,000 for damage to property per occurrence. Certificates evidencing such insurance shall be furnished to Landlord before Tenant's occupancy of the Premises.

11.2. Landlord's Insurance. At all times during the Term, Landlord will maintain in force special form causes of loss insurance insuring the Building, Premises, and the Land for the full insurable value thereof with commercially reasonable deductibles. In addition, Landlord will maintain in force during the entire Term of this Lease commercial general liability insurance in commercially reasonable amounts and with such endorsements as may be necessary to cover Landlord for claims on account of the obligations assumed by Landlord under subsection 13.2.

11.3. Waiver of Subrogation. Neither Party shall be liable to the other (or to the other's successors or assigns) for any loss or damage caused by fire or any of the risks enumerated in a

standard fire insurance policy with an extended coverage endorsement, and in the event of insured loss, neither Party's insurance company shall have a subrogated claim against the other Party hereto.

12. **Indemnity.**

12.1. Tenant's Indemnity. Subject to the waiver of subrogation set forth in Section 12.3, Tenant shall indemnify, defend and hold harmless Landlord from any liability, loss, cost, expense (excluding attorneys' fees), claim, action or cause of action of a third-party claim arising out of or related to Tenant's use and occupancy of the Premises, or any negligent activity of Tenant on the Premises. Tenant shall not have any liability for special, incidental or consequential damages under this Lease.

12.2. Landlord's Indemnity. Subject to the waiver of subrogation set forth in Section 12.3, Landlord shall indemnify, defend and hold harmless Tenant from any liability, loss, cost, expense, including, but not limited to, reasonable attorneys' fees, claim, action or cause of action of a third party claim arising out of or related to any breach or failure to perform by Landlord under this Lease or any negligent act or willful misconduct by Landlord. Landlord shall not have any liability for special, incidental or consequential damages under this Lease.

13. **Damage or Destruction of Premises.**

13.1. Partial Damage—Insured. If the Building and/or the Premises is/are Partially Damaged (as defined below) by a casualty covered, or required to be covered, by an effective insurance policy under this Lease, Landlord shall at its expense repair the damage. Landlord shall not be obligated to repair any additions, alterations, or improvements made by Tenant after the Rent Commencement Date. Landlord shall make all repairs as soon as reasonably possible and this Lease shall continue in full force. Notwithstanding the provisions of this subsection 14.1, if the damage to the Building and/or Premises is such that Tenant cannot conduct its business in the same manner as prior to such casualty for sixty (60) consecutive days, then Tenant shall have the right, upon written notice to Landlord, to terminate this Lease.

13.2. Partial Damage—Uninsured. If the Building and/or the Premises is/are Partially Damaged by a casualty not covered and not required to be covered by an effective insurance policy under this Lease, Landlord may at its option either (i) repair the damage as soon as reasonably possible at Landlord's expense, and this Lease shall continue in full force, or (ii) terminate this Lease by written notice to Tenant within thirty (30) days after the date of the damage. Tenant may, within ten (10) days after receipt of Landlord's notice to terminate, give written notice to Landlord of Tenant's intention to repair the damage at Tenant's expense, without reimbursement from Landlord. This Lease shall then continue in full force and Tenant shall make repairs as soon as reasonably possible. If Tenant does not give its notice after Landlord elects termination, this Lease shall be canceled and terminated as of the date of the occurrence of damage. Notwithstanding the provisions of this subsection 14.2, if the damage to the Premises is such that Tenant cannot conduct its business for sixty (60) consecutive days, then Tenant shall have the right, upon written notice to Landlord, to terminate this Lease.

13.3. Partially Damaged—Defined. "Partially Damaged" is herein defined as any damage, which can be repaired within six (6) months.

13.4. Total Destruction. If the Building and/or the Premises is/are substantially totally destroyed from any cause whether or not covered by insurance, either Party may elect to terminate the Lease as of the date of the damage or destruction by notice given to the other in writing not more than forty (45) days following the date of damage. In such event all rights and obligations of the Parties shall cease as of the date of termination, and Tenant shall be entitled to the reimbursement of any prepaid amounts. If neither Party elects to terminate, Landlord shall diligently proceed to restore the Premises to substantially the same form as prior to the damage or destruction. Work shall be commenced as soon as reasonably possible.

13.5. Abatement of Rent; Tenant's Remedies. The Rent payable under the Lease for the period during which repairs are made shall be abated and reduced to the extent the Premises are untenantable commencing upon the date of the occurrence of such damage. If Landlord does not commence repairs within thirty (30) days after its obligation to repair accrues under this section, Tenant may cancel this Lease by giving Landlord written notice at any time prior to the commencement of repairs.

14. **Condemnation.** If the Premises or any portion thereof are taken under the power of eminent domain, or sold under the threat of its exercise ("Condemnation"), this Lease shall terminate as to the part taken as of the date the condemning authority takes title or possession. If more than ten percent (10%) of the floor area of the Premises is taken by Condemnation or if the Condemnation prevents the continued use of the Premises by Tenant in substantially the same manner as before the Condemnation, Tenant may at its option, terminate the Lease as of the date the condemning authority takes possession or title. Tenant must exercise its option in writing within twenty (20) days after the condemning authority takes possession or title. If Tenant does not terminate this Lease, it shall remain in full force as to the remaining Premises, except that the Rent shall be reduced in the proportion that the floor area taken bears to the total original floor area of the Premises. Any award for taking by Condemnation is the property of Landlord; provided, however Tenant is entitled to any award for loss of or damage to its trade fixtures, removable personal property and moving expenses. If this Lease is not terminated after Condemnation, Landlord shall repair any damage to the Premises caused by the Condemnation, except to the extent that Tenant was reimbursed therefore by the condemning authority.

15. **Quiet Enjoyment; Estoppel Certificates.**

15.1. Landlord's Warranty. Landlord warrants that it is the owner of the Premises and has the right to lease them to Tenant. Landlord shall defend Tenant's right to quiet enjoyment of the Premises from the lawful claims of all persons during the Lease Term.

15.2. Estoppel Certificates. Either Party shall, within twenty (20) days after notice from the other, execute and deliver to the other Party a certificate stating whether or not this Lease has been modified and is in full force and effect and specifying any modifications or alleged breaches by the other Party. The certificate shall also state the amount of monthly Rent, the dates to which Rent has been paid in advance, and the amount of any security deposit or prepaid Rent. Failure to deliver the certificate within the specified time shall be conclusive on the Party from whom the

certificate was requested that this Lease is in full force and effect and has not been modified except as represented in the notice requesting the certificate.

16. **Defaults; Remedies.**

16.1. Defaults. Each of the following is a material default and breach of the Lease (each, a "Default"):

(a) Default in Rent. Failure to make any required Rent or other payment as and when due, if the failure continues for a period of ten (10) days after written notice from Landlord.

(b) Default in Other Covenants. Failure to comply with any of the covenants or provisions of the Lease, other than those described in subsection 17.1(a), if the failure continues for a period of thirty (30) days after written notice thereof; provided that if such default reasonably requires more than thirty (30) days for its cure, Tenant shall not be in default if it commences to cure within the 30-day period and thereafter diligently pursues its completion.

16.2. Remedies. If any Default by Tenant occurs, Landlord may, at any time thereafter without notice or demand, do any or all of the following:

(a) Termination. Upon thirty (30) days' written notice to Tenant, terminate this Lease and Tenant's right to possession of the Premises by any lawful means; Landlord may, subject to the requirements of Section 18.3 hereof, re-enter and take possession of and remove all persons or property, and Tenant shall immediately surrender possession of the Premises to Landlord. Landlord may recover from Tenant all damages incurred by Landlord for Tenant's default including, but not limited to, the reasonable costs of recovering possession of the Premises and expenses of reletting.

(b) Maintain Tenant's Right to Possession. Maintain Tenant's right to possession and continue this Lease in force whether or not Tenant has abandoned the Premises in which event Landlord shall be entitled to enforce all of its rights and remedies under this Lease, including the right to recover Rent as it becomes due.

(c) Remedies Cumulative. The foregoing remedies shall be cumulative and in addition to any other remedy available to Landlord by law. Landlord shall have a duty to mitigate its damages.

17. **Surrender at Expiration.**

17.1. Condition of Premises. On expiration or earlier termination of the Lease, Tenant shall surrender the Premises in the same condition as received, subject to ordinary wear and tear, damage by casualty or condemnation and repairs which are Landlord's responsibility hereunder.

17.2. Holdover. If Tenant continues to occupy the Premises after the expiration of the Term, without any express agreement as to such occupancy, then such holding over will be considered as a month-to-month tenancy subject to all terms and conditions of this Agreement, as long as Tenant continues to timely pay Rent in an amount equal to the monthly Rent payable during

the last month of the Term. If a month-to-month tenancy results from a holdover by Tenant under this subsection 17.2, the tenancy shall be terminable at the end of any monthly rental period on written notice from Landlord given not less than ten (10) days before the termination date which shall be specified in the notice.

17.3. Compliance with Pharmacy Laws on Termination. Notwithstanding anything set forth in this Lease to the contrary, Landlord shall not interfere with Tenant's compliance with applicable pharmacy laws, rules or regulations and Tenant's proper handling or disposition of its pharmaceutical products upon termination of this Lease. This provision shall be effective even upon a termination of this Lease by Landlord following the occurrence of a Default.

18. **Brokers.** Each of Landlord and Tenant warrants to the other that it has had no dealings with any real estate broker or agents in connection with the negotiation of the Lease, and it knows of no real estate broker or agent entitled to a commission in connection with the Lease. CERTIFICATE OF DESIGNATION OF SERIES A PREFERRED STOCK

(No Par Value)

OF

SPECIALIZED PHARMACEUTICALS, INC.

The undersigned duly authorized officer Specialized Pharmaceuticals, Inc., a corporation organized and existing under the laws of the Commonwealth of Pennsylvania (the "Company"), in accordance with the provisions of Section 1522 of the Business Corporation Law of 1988 of the Commonwealth of Pennsylvania, as amended, DOES HEREBY CERTIFY:

WHEREAS the Articles of Incorporation of the Company authorized preferred stock consisting of Two Million (2,000,000) shares, no par value, issuable from time to time in one or more series; and

WHEREAS, the Board of Directors of the Company is authorized, subject to limitations prescribed by law and by the provisions of Article 4 of the Company's Articles of Incorporation, as amended, to establish and fix the number of shares to be included in any series of preferred stock and the designation, rights, preferences, powers, restrictions and limitations of the shares of such series; and

WHEREAS, at a meeting of its members held on November 16, 2007, the Board of Directors established and fixed the number of shares to be included in a new series of preferred stock and the designation, rights, preferences and limitations of the shares of such new series as follows:

NOW, THEREFORE, BE IT RESOLVED that pursuant to Article 4 of the Company's Articles of Incorporation, as amended, there is hereby established a new series of Ninety Thousand (90,000) shares of preferred stock of the Company (the "Series A Preferred") to have the designation, rights, preferences, powers, restrictions and limitations as follows:

1. Dividends.

The holders of the Series A Preferred shall be entitled to receive, out of funds legally available therefore, non-cumulative dividends, when and as declared by the Board of Directors, in preference to any dividend on the common stock at a rate of eight percent (8%) per year of the Original Purchase Price as hereinafter defined.

2. Liquidation, Dissolution or Winding Up.

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, the holders of shares of Series A Preferred then outstanding shall be entitled to be paid out of the assets of the Company available for distribution to its shareholders, after and subject to the payment in full of all amounts required to be distributed to the holders of any other class or series of stock of the Company ranking on liquidation prior and in preference to the Series A Preferred (collectively referred to as "Senior Preferred Stock"), but before any payment shall be made to the holders of the common stock or any inferior preferred stock (the "Junior Stock") by reason of their ownership thereof, an amount equal to Sixty-Six and 67/100 Dollars ($66.67) (the "Original Purchase Price") per share of Series A Preferred plus any declared but unpaid dividends. If upon any such liquidation, dissolution or winding up of the Company the remaining assets of the Company available for distribution to its shareholders shall be insufficient to pay the holders of shares of Series

A Preferred the full amount to which they shall be entitled, the holders of shares of Series A Preferred and any class or series of stock (the "Preferred Stock") ranking on liquidation on a parity with the Series A Preferred shall share ratably in any distribution of the remaining assets and funds of the Company in proportion to the respective amounts which would otherwise be payable in respect of the shares held by them upon such distribution if all amounts payable on or with respect to such shares were paid in full.

(b) After the payment of all preferential amounts required to be upon the dissolution, liquidation, or winding up of the Company, all of the remaining assets and funds of the Company available for distribution to its shareholders shall be distributed ratably among the holders of the Series A Preferred, such other series of Preferred Stock as are constituted as similarly participating, and the common stock, with each share of Series A Preferred being deemed, for such purpose, to be equal to the number of shares of common stock, including fractions of a share, into which such share of Series A Preferred is convertible immediately prior to the close of business on the business day fixed for such distribution.

(c) A consolidation or merger of the Company with or into any other corporation or other entity or person, or any other corporate reorganization, or a sale, lease or other disposition of all or substantially all of the assets of the Company shall not be considered a liquidation under this Section.

3. Voting.

(a) General Rights. Except as otherwise required by law, each holder of Series A Preferred shall not be entitled to vote on any matter except as follows. The vote or written consent by the holders of at least fifty-one percent (51%) of the then outstanding shares of the Series A Preferred, voting separately as a class, shall be require to: (i) authorize or issue additional shares of Series A Preferred, (ii) authorize or issue any other equity security senior to or on a parity with the Series A Preferred as to liquidation preferences, conversion rights, voting rights, dividend rights or otherwise, (iii) sell, assign, lease or otherwise dispose of or voluntarily part with the control of (whether in one transaction or in a series of transactions) all, or substantially all, of the Company's assets (whether now owned or hereinafter acquired) or sell, assign or otherwise dispose of (whether in one transaction or in a series of transactions) any of the Companys's accounts receivable (whether now in existence or hereinafter created) at a discount or with recourse, to any person, or permit any subsidiary to do any of the foregoing, except for sales or other dispositions of assets in the ordinary course of business and except that (A) any subsidiary may merge into or consolidate with or transfer assets to any other subsidiary and (B) any subsidiary may merge into or transfer assets to the Company, (iv) take action that fundamentally alters the principal business of the Company as now conducted or as proposed to be conducted, or (v) authorize any consolidation or merger of the Company with or into any other corporation or other entity or person, or any other corporate reorganization, in which the shareholders of the Company immediately prior to such consolidation, merger or reorganization, own less than 50% of the Company's voting power immediately after such consolidation, merger or reorganization, or any transaction or series of related transactions by the Company in which in excess of fifty percent (50%) of the Company's voting power is transferred.

(b) Election of Board of Directors. The holders of the Series A Preferred, voting together as a class, shall be entitled to elect one (1) member of the Company's Board of Directors. The holders of the common stock shall be entitled to elect all remaining members of the Board of Directors.

4. Optional Conversion.

The holders of the Series A Preferred shall have conversion rights as follows (the "Conversion Rights");

(a) Right to Convert. Each share of Series A Preferred shall be convertible, at the option of the holder thereof, at any time and from time to time, into such number of fully paid and nonassessable shares of common stock as is determined by dividing the Original Purchase Price by the Conversion Price (as defined below) in

effect at the time of conversion. The Conversion Price at which shares of common stock shall be deliverable upon conversion of Series A Preferred without the payment of additional consideration by the holder thereof (the "Conversion Price") shall initially be the Original Purchase Price per share. Such initial Conversion Price, and the rate at which shares of Series A Preferred may be converted into shares of common stock, shall be subject to adjustment as provided below.

In the event of a liquidation of the Company, the Conversion Rights shall terminate at the close of business on the first full day preceding the date fixed for the payment of any amounts distributable on liquidation to the holders of Series A Preferred.

(b) Fractional Shares. No fractional shares of common stock shall be issued upon conversion of the Series A Preferred. In lieu of fractional shares, the Company shall pay cash equal to such fraction multiplied by the then effective Conversion Price.

(c) Mechanics of Conversion.

(i) In order to convert shares of Series A Preferred into shares of common stock, the holder shall surrender the certificate or certificates for such shares of Series A Preferred at the office of the transfer agent (or at the principal office of the Company if the Company serves as its own transfer agent), together with written notice that such holder elects to convert all or any number of the shares represented by such certificate or certificates. Such notice shall state such holder's name or the names of the nominees in which such holder wishes the certificate or certificates for shares of common stock to be issued. If required by the Company, certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Company, duly executed by the registered holder or his or its attorney duly authorized in writing. The date of receipt of such certificates and notice by the transfer agent or the Company shall be the conversion date ("Conversion Date"). The Company shall, as soon as practicable after the Conversion Date, issue and deliver at such office to such holder, or to his nominees, a certificate or certificates for the number of shares of common stock to which such holder shall be entitled, together with cash in lieu of any fraction of a share.

(ii) The Company shall at all times during which the Series A Preferred shall be outstanding, reserve and keep available out of its authorized but unissued stock, for the purpose of effecting the conversion of the Series A Preferred, such number of its duly authorized shares of common stock as shall from time to time be sufficient to effect the conversion of all outstanding Series A Preferred.

(iii) Upon any such conversion, no adjustment to the Conversion Price shall be made for any declared and unpaid dividends on the Series A Preferred surrendered for conversion or on the common stock delivered upon conversion; the holder, by converting, waives his right to such declared but unpaid dividends.

(iv) All shares of Series A Preferred, which shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding and all rights with respect to such shares, including the rights, if any, to receive dividends, notices and to vote, shall immediately cease and terminate on the Conversion Date, except only the right of the holders thereof to receive shares of common stock in exchange therefor. Any shares of Series A Preferred so converted shall be retired and cancelled and shall not be reissued, and the Company may from time to time take such appropriate action as may be necessary to reduce the number of shares of authorized Series A Preferred accordingly.

(d) Adjustments to Conversion Price for Diluting Issues.

(i) Special Definitions. For purposes of this Subsection 4(d), the following definitions shall apply:

(A) "Option" shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire common stock or Convertible Securities, excluding rights or options granted to employees, directors or consultants of the Company pursuant to an option plan adopted by the Board of Directors to acquire up to that number of shares of common stock as is equal to ten (10%) percent of the common stock outstanding (provided that, for purposes of this Subsection 4(d)(i)(A), all shares of common stock issuable upon (1) exercise of options granted or available for grant under plans approved by the Board of Directors, (2) conversion of shares of Preferred Stock, or (3) conversion of Preferred Stock issuable upon conversion or exchange of any Convertible Security, shall be deemed to be outstanding), minus the total number of Key Employee Shares (as defined below).

(B) "Original Issue Date" shall mean the date on which the first share of Series A Preferred is first issued.

(C) "Convertible Securities" shall mean any evidences of indebtedness, shares or other securities directly or indirectly convertible into or exchangeable for common stock.

(D) "Additional Shares of common stock" shall mean all shares of common stock issued (or, pursuant to Subsection 4(d)(iii) below, deemed to be issued) by the Company after the Original Issue Date, other than Key Employee Shares (as defined below) and other than shares of common stock issued or issuable:

(1.) as a dividend or distribution on Series A Preferred;

(2.) by reason of a dividend, stock split, split up or other distribution on shares of common stock excluded from the definition of Additional Shares of common stock by the foregoing clause (1);

(3.) upon the exercise of options excluded from the definition of "Option" in Subsection 4(d)(i)(A); or

(4.) upon conversion of shares of Series A Preferred;

(5.) upon conversion of Convertible Securities existing as of the date of this Certificate; or

(6.) upon conversion of the Convertible Line of Credit Note with Daniel Sassano in the amount of $600,000.

(E) "Key Employee Shares" shall mean shares of common stock issued to directors or key employees of or consultants to the Company pursuant to a restricted stock plan or agreement approved by the Board of Directors, up to that number of shares of common stock as is equal to ten (10%) percent of the common stock outstanding (provided that, for purposes of this Subsection 4(d)(i)(E), all shares of common stock issuable upon (1) exercise of options granted or available for grant under plans approved by the Board of Directors, (2) conversion of shares of Preferred Stock, or (3) upon conversion of Preferred Stock issuable upon conversion or exchange of any Convertible Security, shall be deemed to be outstanding), minus the total number of shares subject to or issued pursuant to options excluded from the definition of "Option" in paragraph (A)

above (subject to appropriate adjustment for any stock dividend, stock split, combination or similar recapitalization affecting such shares).

(F) "Rights to Acquire common stock" (or "Rights") shall mean all rights issued by the Company to acquire common stock whatever by exercise of a warrant, option or similar call or conversion of any existing instruments, in either case for consideration fixed, in amount or by formula, as of the date of issuance.

(ii) No Adjustment of Conversion Price. No adjustment in the number of shares of common stock into which the Series A Preferred is convertible shall be made, by adjustment in the applicable Conversion Price thereof: (a) unless the consideration per share (determined pursuant to Subsection 4(d)(v)) below for an Additional Share of common stock issued or deemed to be issued by the Company is less than the applicable Conversion Price in effect on the date of, and immediately prior to, the issue of such additional shares, or (b) if prior to such issuance, the Company receives written notice from the holders of at least fifty one percent (51%) of the then outstanding shares of Series A Preferred agreeing that no such adjustment shall be made as the result of the issuance of Additional Shares of common stock.

(iii) Issue of Securities Deemed Issue of Additional Shares of common stock. If the Company at any time or from time to time after the Original Issue Date shall issue any Options or Convertible Securities or other Rights to Acquire common stock, then the maximum number of shares of common stock (as set forth in the instrument relating thereto without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options, Rights or, in the case of Convertible Securities, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of common stock issued as of the time of such issue, provided that Additional Shares of common stock shall not be deemed to have been issued unless the consideration per share (determined pursuant to Subsection 4(d)(v) hereof) of such Additional Shares of common stock would be less than the applicable Conversion Price in effect on the date of and immediately prior to such issue, or such record date, as the case may be, and provided further that in any such case in which Additional Shares of common stock are deemed to be issued:

(A) No further adjustment in the Conversion Price shall be made upon the subsequent issue of shares of common stock upon the exercise of such Rights or conversion or exchange of such Convertible Securities;

(B) Upon the expiration or termination of any unexercised Option or Right, the Conversion Price shall not be readjusted, but the Additional Shares of common stock deemed issued as the result of the original issue of such Option or Right shall not be deemed issued for the purposes of any subsequent adjustment of the Conversion Price; and

(C) In the event of any change in the number of shares of common stock issuable upon the exercise, conversion or exchange of any Option, Right or Convertible Security, including, but not limited to, a change resulting from the anti dilution provisions thereof, the Conversion Price then in effect shall forthwith be readjusted to such Conversion Price as would have obtained had the adjustment that was made upon the issuance of such Option, Right or Convertible Security not exercised or converted prior to such change been made upon the basis of such change, but no further adjustment shall be made for the actual issuance of common stock upon the exercise or conversion of any such Option, Right or Convertible Security.

(iv) Adjustment of Conversion Price upon Issuance of Additional Shares of common stock. If the Company shall at any time after the Original Issue Date issue Additional Shares of common stock (including Additional Shares of common stock deemed to be issued pursuant to Subsection 4(d)(iii), but excluding shares issued as a dividend or distribution as provided in Subsection 4(f) or upon a stock split or combination as provided in Subsection 4(e)), without consideration or for a consideration per share less than the

applicable Conversion Price in effect on the date of and immediately prior to such issue, then and in such event, such Conversion Price shall be reduced, concurrently with such issue to a price (calculated to the nearest cent) determined by multiplying such Conversion Price by a fraction, (a) the numerator of which shall be (1) the number of shares of common stock outstanding immediately prior to such issue plus (2) the number of shares of common stock which the aggregate consideration received by the Company for the total number of Additional Shares of common stock so issued would purchase at such Conversion Price; and (b) the denominator of which shall be (1) the number of shares of common stock outstanding immediately prior to such issue plus (2) the number of such Additional Shares of common stock so issued.

Notwithstanding the foregoing, the applicable Conversion Price shall not be reduced if the amount of such reduction would be an amount less than $.05, but any such amount shall be carried forward and reduction with respect thereto made at the time of and together with any subsequent reduction which, together with such amount and any other amount or amounts so carried forward, shall aggregate $.05 or more.

(v) Determination of Consideration. For purposes of this Subsection 4(d), the consideration received by the Company for the issue of any Additional Shares of common stock shall be computed as follows:

(A) Cash and Property: Such consideration shall:

(1.) insofar as it consists of cash, be computed at the aggregate of cash received by the Company, excluding amounts paid or payable for accrued interest or accrued dividends;

(2.) insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board of Directors; and

(3.) in the event Additional Shares of common stock are issued together with other shares or securities or other assets of the Company for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (1) and (2) above, as determined in good faith by the Board of Directors.

(B) Options, Rights and Convertible Securities. The consideration per share received by the Company for Additional Shares of common stock deemed to have been issued pursuant to Subsection 4(d)(iii), relating to Options, Rights and Convertible Securities, shall be determined by dividing

(1.) the total amount, if any, received or receivable by the Company as consideration for the issue of such Options, Rights or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Company upon the exercise of such Options, Rights or the conversion or exchange of such Convertible Securities, by

(2.) the maximum number of shares of common stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

(e) Adjustment for Stock Splits and Combinations. If the Company shall at any time or from time to time after the Original Issue Date effect a subdivision of the outstanding common stock, the Conversion Price then in effect immediately before that subdivision shall be proportionately decreased. If the Company shall at any time or from time to time after the Original Issue Date combine the outstanding shares of common stock, the Conversion Price then in effect immediately before the combination shall be proportionately increased. Any

adjustment under this paragraph shall become effective at the close of business on the date the subdivision or combination becomes effective.

(f) Adjustment for Certain Dividends and Distributions. In the event the Company at any time, or from time to time after the Original Issue Date shall make or issue, a dividend or other distribution payable in Additional Shares of common stock, then and in each such event the Conversion Price shall be decreased as of the time of such issuance, by multiplying the Conversion Price by a fraction:

(i) the numerator of which shall be the total number of shares of common stock issued and outstanding immediately prior to the time of such issuance, and

(ii) the denominator of which shall be the total number of shares of common stock issued and outstanding immediately prior to the time of such issuance plus the number of shares of common stock issuable in payment of such dividend or distribution.

(g) Adjustments for Other Dividends and Distributions. In the event the Company at any time or from time to time after the Original Issue Date shall make or issue a dividend or other distribution payable in securities of the Company other than shares of common stock, then and in each such event provision shall be made so that the holders of shares of the Series A Preferred shall receive upon conversion thereof in addition to the number of shares of common stock receivable thereupon, the amount of securities of the Company that they would have received had their Series A Preferred been converted into common stock on the date of such event and had thereafter, during the period from the date of such event to and including the conversion date, retained such securities receivable by them as aforesaid during such period given application to all adjustments called for during such period, under this paragraph with respect to the rights of the holders of the Series A Preferred.

(h) Adjustment for Reclassification, Exchange, or Substitution. If the common stock issuable upon the conversion of the Series A Preferred shall be changed into the same or a different number of shares of any class or classes of stock, whether by capital reorganization, reclassification, or otherwise (other than a subdivision or combination of shares or stock dividend provided for above, or a reorganization, merger, consolidation, or sale of assets for below), then and in each such event the holder of each share of Series A Preferred shall have the right thereafter to convert such share into the kind and amount of shares of stock and other securities and property receivable upon such reorganization, reclassification, or other change, by holders of the number of shares of common stock into which such shares of Series A Preferred might have been converted immediately prior to such reorganization, reclassification, or change, all subject to further adjustment as provided herein.

(i) Adjustment for Merger or Reorganization, etc. In case of any consolidation or merger of the Company with or into another corporation or the sale of all or substantially all of the assets of the Company to another corporation,

(i) if the surviving entity shall consent in writing to the following provisions, then each share of Series A Preferred shall thereafter be convertible into the kind and amount of shares of stock or other securities or property to which a holder of the number of shares of common stock of the Company deliverable upon conversion of such Series A Preferred would have been entitled upon such consolidation, merger or sale; and, in such case, appropriate adjustment (as determined in good faith by the Board of Directors) shall be made in the application of the provisions in this Section 4 set forth with respect to the rights and interest thereafter of the holders of the Series A Preferred, to the end that the provisions set forth in this Section 4 (including provisions with respect to changes in and other adjustments of the Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any shares of stock or other property thereafter deliverable upon the conversion of the Series A Preferred; or

(ii) if the surviving entity shall not so consent, then each holder of Series A Preferred may, after receipt of notice specified in subsection (l), elect to convert such Stock into Common Shares as provided in this Section 4 or to accept the distributions to which he shall be entitled under Section 2(a) through (c).

(j) No Impairment. The Company will not, by amendment of its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Section 4 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series A Preferred against impairment.

(k) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 4, the Company at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder, if any, of Series A Preferred a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based and shall file a copy of such certificate with its corporate records. The Company shall, upon the written request at any time of any holder of Series A Preferred, furnish or cause to be furnished to such holder a similar certificate setting forth (1) such adjustments and readjustments, (2) the Conversion Price then in effect, and (3) the number of shares of common stock and the amount, if any, of other property which then would be received upon the conversion of Series A Preferred. Despite such adjustment or readjustment, the form of each or all Series A Preferred Certificates, if the same shall reflect the initial or any subsequent conversion price, need not be changed in order for the adjustments or readjustments to be valued in accordance with the provisions of this Certificate of Designation, which shall control.

(l) Notice of Record Date. In the event:

(i) that the Company declares a dividend (or any other distribution) on its common stock payable in common stock or other securities of the Company;

(ii) that the Company subdivides or combines its outstanding shares of common stock;

(iii) of any reclassification of the common stock of the Company (other than a subdivision or combination of its outstanding shares of common stock or a stock dividend or stock distribution thereon), or of any consolidation or merger of the Company into or with another corporation, or of the sale of all or substantially all of the assets of the Company; or

(iv) of the involuntary or voluntary dissolution, liquidation or winding up of the Company;

then the Company shall cause to be filed at its principal office or at the office of the transfer agent of the Series A Preferred, and shall cause to be mailed to the holders of the Series A Preferred at their last addresses as shown on the records of the Company or such transfer agent, at least ten days prior to the record date specified in (A) below or twenty days before the date specified in (B) below, a notice stating

(A) the record date of such dividend, distribution, subdivision or combination, or, if a record is not to be taken, the date as of which the holders of common stock of record to be entitled to such dividend, distribution, subdivision or combination are to be determined, or

(B) the date on which such reclassification, consolidation, merger, sale, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of common stock of record shall be entitled to exchange their shares of common stock for securities or other property deliverable upon such reclassification, consolidation, merger, sale, dissolution or winding up.

5. Mandatory Conversion.

(a) The holders of shares of Series A Preferred then outstanding shall be required to convert all their shares of Series A Preferred into shares of common stock, at the then effective conversion rate pursuant to Section 4, (1) immediately prior to the closing of the sale of shares of common stock, at a price per share which exceeds 300% of the Conversion Price then in effect, in a fully, underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, other than a registration relating solely to a transaction under Rule 145 under such Act (or any successor thereto) or to an employee benefit plan of the Company, underwritten by a reputable underwriter acceptable to the holders of a majority of the then outstanding Series A Preferred, resulting in at least $10,000,000 of gross proceeds to the Company, or (2), upon the vote of Sixty-Six and 67/100 percent (66.67%) of the outstanding shares of Series A Preferred.

(b) All holders of record of shares of Series A Preferred then outstanding will be given at least ten (10) days prior written notice of the date fixed and the place designated for mandatory conversion of all such shares of Series A Preferred pursuant to this Section 5. Such notice will be sent by first class or registered mail, postage prepaid, to each record holder of Series A Preferred at such holder's address last shown on the records of the transfer agent for the Series A Preferred (or the records of the Company, if it serves as its own transfer agent).

6. Redemption of the Series A Preferred.

(a) Commencing not earlier than October 30, 2012, the Company shall, at the written request of holders of a majority of the outstanding shares of Series A Preferred, redeem all of the Series A Preferred. The redemption price for each share of Series A Preferred shall be the Original Purchase Price per share plus all declared and unpaid dividends. The redemption shall occur within One Hundred and Twenty (120) days of the request from holders of the Series A Preferred.

(b) Commencing not earlier than October 30, 2012, the Company shall have the option by delivery of notice to all the holders of the outstanding shares of Series A Preferred, to redeem all of the Series A Preferred. The Notice shall be provided to all the holders of the outstanding shares of Series A Preferred not less than sixty (60) days prior to the date of redemption. The redemption price for each share of Series A Preferred shall be One Hundred and Twenty ($120.00) per share plus all declared and unpaid dividends.

(c) The notice by the Company of the exercise of the redemption option pursuant to Section 6(a) or (b) of this Section 6 shall be sent by first class certified mail, postage prepaid and return receipt requested to all holders of the shares of Series A Preferred at their respective addresses as the same shall appear on the books of the Company.

(d) If upon the Redemption Date the assets of the Company available for redemption are insufficient to pay the holders of outstanding shares of Series A Preferred the full amounts to which they are entitled, such holders of shares of Series A Preferred shall share ratably according to the respective amounts which would be payable in respect of such shares to be redeemed by the holders thereof, if all amounts payable on or with respect to such shares were paid in full.

(e) Any shares of Series A Preferred redeemed pursuant to this Section or otherwise acquired by the Company in any manner whatsoever shall be canceled and shall not under any circumstances be reissued; the Company may from time to time take such appropriate corporate action as may be necessary to reduce accordingly the number of authorized shares of the Company's capital stock.

[illegible]

(f) Anything contained in this Section 6 to the contrary notwithstanding, the holders of shares of Series A Preferred to be redeemed in accordance with this Section shall have the right, exercisable at any time up to the close of business on the applicable redemption date (unless the Company is legally prohibited from redeeming such shares on such date, in which event such right shall be exercisable until the removal of such legal disability), to convert all or any part of such shares to be redeemed as herein provided into shares of common stock pursuant to Section 4 hereof.

7. Amendment.

This Certificate of Designation constitutes an agreement between the Company and the holders of the Series A Preferred. It may be amended by vote of the Board of Directors of the Company and the holders of a majority of the outstanding shares of Series A Preferred.

SECTION 2.5 Quorum and Adjourned Meetings. Unless otherwise provided by law or the Corporation's Articles of Incorporation, a majority of the shares entitled to vote, present in person or represented by proxy, shall constitute a quorum at a meeting of Shareholders. If less than a majority of the shares entitled to vote at a meeting of Shareholders is present in person or represented by proxy at such meeting, a majority of the shares so represented may adjourn the meeting from time to time without further notice. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the original meeting. The Shareholders present at a meeting may continue to transact business until adjournment, notwithstanding the withdrawal of such number of Shareholders may leave less than a quorum.

SECTION 2.6 Fixing of Record Date.

(a) For the purpose of determining Shareholders entitled to notice of or to vote at any meeting of Shareholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board of Directors, the record date for determining Shareholders entitled to notice of or to vote at a meeting of Shareholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of Shareholders of record entitled to notice of or to vote at a meeting of Shareholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

(b) For the purpose of determining Shareholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is established by the Board of Directors, and which date shall not be more than ten (10) days after the date on which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining Shareholders entitled to consent to corporate action in writing without a meeting, when no prior action by the

Board of Directors is required by law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivery to its registered office in the Commonwealth of Pennsylvania, its principal office, or an officer or agent of the Corporation having custody of the book in which the proceedings of meetings of Shareholders are recorded. Delivery to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by law, the record date for determining Shareholders' consent to corporate action in writing without a meeting shall be the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

(c) For the purpose of determining the Shareholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the Shareholders entitled to exercise any rights in respect to any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix the record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining the Shareholders for any such purpose shall be the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

SECTION 2.7 Voting List. The officer in charge of the stock ledger of the Corporation shall prepare, at least ten (10) days prior to every meeting of Shareholders, a complete list of Shareholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each shareholder and the number of shares registered in the name of each shareholder. Such list shall be open to the examination of any Shareholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the meeting during the whole time thereof, and may be inspected by any Shareholder who is present. The stock ledger shall be the only evidence as to who are the Shareholders entitled to examine the stock ledger, the list required by this Section 2.7 or the books of the corporation or to vote in person or by proxy at any meeting of Shareholders.

SECTION 2.8 Voting. Unless otherwise provided by the Articles of Incorporation, each Shareholder shall be entitled to one (1) vote for each share of capital stock held by each Shareholder. In all matters other than the election of Directors, the affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of the Shareholders. Directors shall be elected by plurality of the votes of the shares present in person or represented by a proxy at the meeting entitled to vote on the election of Directors.

SECTION 2.9 Proxies. Each Shareholder entitled to vote at a meeting of Shareholders or to express consent or dissent to corporate action in writing without a meeting may vote either in person or by proxy, but no such proxy shall be voted or acted upon after three (3) years from its date, unless the proxy provides for a longer period. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with

an interest sufficient in law to support an irrevocable power. A proxy may remain irrevocable regardless of whether the interest with which it is coupled is an interest in the stock itself or an interest in the Corporation generally. Every proxy shall be in writing, subscribed by the Shareholder or his duly authorized attorney-in-fact, but need not be sealed, witnessed or acknowledged.

SECTION 2.10 Ratification of Acts of Directors and Officers. Except as otherwise provided by law or by the Articles of Incorporation of the Corporation, any transaction or contract or act of the Corporation or of the Directors or the officers of the Corporation may be ratified by the affirmative vote of the holders of the number of shares which would have been necessary to approve such transaction, contract or act at a meeting of Shareholders, or by the written consent of Shareholders in lieu of a meeting.

SECTION 2.11 Written Action of Shareholders. Any action required to be taken at any annual or special meeting of Shareholders of the Corporation, or any action which may be taken at any annual or special meeting of such Shareholders, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those Shareholders who have not consented in writing.

SECTION 2.12 Organization. Such person as the Board of Directors may designate or, in the absence of such a designation, the President of the Corporation or, in his or her absence, such person as may be chosen by the holders of a majority of the shares entitled to vote who are present, in person or by proxy, shall call to order any meeting of the Shareholders and act as chairman of such meeting. In the absence of a Secretary of the Corporation, the chairman of the meeting shall appoint a person to serve as secretary at the meeting.

ARTICLE III

(c) Except as specifically provided otherwise in this Agreement or by non-waivable provisions of the PBCL, any action taken by the Board may only be taken with the approval, either in writing or at a duly called meeting, of Directors holding (in accordance with this Section 3.2(c)) a majority of the votes held by the Directors then serving on the Board. Each Director shall be entitled to one (1) vote on matters coming before the Board.

(d) The Board may establish one or more committees, which shall be comprised solely of Directors.

(e) Unless otherwise required by law or as approved by the Board, the composition of the Board of Directors (or body serving a similar function) of each Subsidiary of the Company, if any (each, a "Sub Board"), shall be the same as that of the Board, and the provisions of this Section 3.2 shall apply equally to each Sub Board (including as to the number of votes for Directors pursuant to Section 3.2 and the designation and replacement of Sub Board members)

(f) The Company shall reimburse each Director for all reasonable out-of-pocket expenses incurred in connection with his or her duties as a Board member or committee member.

SECTION 3.3 Meetings of Board.

If at any meeting of the Board or committee thereof, there is less than a quorum present, holders of a majority of the votes held by those present may adjourn the meeting from time to time until a quorum is present.

(d) Any Director may participate in any meeting of the Board or a Board committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participation shall constitute

presence in person at such meeting. Any Director may participate in any meeting either in person or by proxy.

(c) Any action required or permitted to be taken at any meeting of the Board or a committee thereof may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by Directors holding (in accordance with Section 3.2(c)) a majority of the votes held by the Directors then serving on the Board or such committee. Prompt notice of the taking of an action without a meeting by less than unanimous written consent shall be given to those Directors who have not consented in writing. All such writings shall be filed with the minutes of proceedings of the Board or committee, as the case may be.

ARTICLE IV

A written waiver of any required notice, signed by the person entitled to notice, whether before or after the date stated therein, shall be deemed equivalent to notice. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of Shareholders, Directors or members of a committee of Directors need be specified in any written waiver of notice.

SECTION 4.2 Attendance as Waiver of Notice. SECTION 4.3 Notices. All demands, notices, requests, consents and other communications required or permitted under this agreement shall be in writing and shall be personally delivered or sent by facsimile machine (with a confirmation copy sent by one of the other methods authorized in this section), electronic mail, reputable commercial overnight delivery service (including Federal Express and U.S. Postal Service overnight delivery service) or deposited with the U.S. Postal Service mailed first class, registered or certified mail, postage prepaid, as set forth below:

ARTICLE VI

CERTIFICATES FOR SHARES

SECTION 6.1 **Certificates of Shares.** The shares of the Corporation shall be represented by certificates, provided that the Board of Directors of the Corporation may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. Notwithstanding the adoption of such a resolution by the Board of Directors, every holder of stock represented by certificates and upon request every holder of uncertificated shares shall be entitled to have a certificate signed by, or in the name of the Corporation by the Chairman or Vice Chairman of the Board of Directors, Chief Executive Officer, or the President or Vice President, and by the Treasurer or an Assistant Treasurer, or the Secretary or an Assistant Secretary of the Corporation representing the number of shares registered in certificate form. Any or all the signatures on the certificate may be a facsimile.

SECTION 6.2 **Signatures of Former Officer, Transfer Agent or Registrar.** In case any officer, transfer agent, or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if such person or entity were such officer, transfer agent or registrar at the date of issue.

SECTION 6.3 **Transfer of Shares.** Transfers of shares of the Corporation shall be made only on the books of the Corporation by the holder of record thereof or by his legal representative, who shall furnish proper evidence of authority to transfer, or by his or her

attorney thereunto authorized by power of attorney duly executed and filed with an officer of the Corporation, and on surrender for cancellation of certificate for such shares. Prior to due presentment of a certificate for shares for registration of transfer, the Corporation may treat a registered owner of such shares as the person exclusively entitled to vote, to receive notifications and otherwise have and exercise all of the right and powers of an owner of shares.

SECTION 6.4 Lost, Destroyed Certificates. Whenever a certificate representing shares of the Corporation has been lost, destroyed or stolen, the holder thereof may file in the office of the Corporation an affidavit setting forth, to the best of his knowledge and belief, the time, place, and circumstance of such loss, destruction or theft together with a statement of indemnity sufficient in the opinion of the Board of Directors to indemnify the Corporation against any claim that may be made against it on amount of the alleged loss of any such certificate. Thereupon the Board may cause to be issued to such person or such person's legal representative a new certificate or duplicate of the certificate alleged to have been lost, destroyed or stolen. In the exercise of its discretion, the Board of Directors may waive the indemnification requirements provided herein.

ARTICLE VII

DIVIDENDS

SECTION 7.1 Dividends. The Board of Directors of the Corporation may declare and pay dividends upon the shares of the Corporation's capital stock in any form determined by the Board of Directors, in the manner and upon the terms and conditions provided by law.

ARTICLE VIII

CONTRACTS, LOANS, CHECKS AND DEPOSITS, INDEMNIFICATION AND FISCAL YEAR END

SECTION 8.1 Contracts. The Board of Directors may authorize any officer or officers, agent or agents, to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation, and such authority may be general or confined to specific instances.

SECTION 8.2 Loans. No loans shall be contracted on behalf of the Corporation and no evidences of indebtedness shall be issued in its name unless authorized by a resolution of the Board of Directors. Such authority may be general or confined to specific instances.

SECTION 8.3 Signatories. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Corporation shall be signed by one (1) or more officers or agents of the Corporation and in such manner as shall from time to time be determined by resolution of the Board of Directors.

SECTION 8.4 Deposits. The funds of the Corporation may be deposited or invested in such bank account, in such investments or with such other depositaries as determined by the Board of Directors.

SECTION 8.5 Indemnification of Directors and Officers.

(a) No director of the Corporation or any other Covered Person ("QoL Covered Person") shall be liable to the Corporation or any other QoL Covered Person for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such QoL Covered Person in good faith on behalf of the Corporation, its Subsidiaries or any Persons which at such time own, directly or indirectly through another Person, at least a majority of the outstanding Capital Securities of the Corporation ("Parents" and each a "Parent"), and in a manner reasonably believed to be within the scope of authority conferred on such QoL Covered Person by these By-Laws, except that a QoL Covered Person shall not be released from liability for any such loss, damage or claim incurred by reason of such QoL Covered Person's fraud, intentional misconduct or bad faith violation of the implied contractual covenant of good faith and fair dealing, and this provision shall not reduce or limit the contractual liability of an QoL Covered Person for breach of any Related Agreement or other agreement with the Corporation or a Subsidiary or Parent to which such QoL Covered Person is a party.

(b) A QoL Covered Person shall be fully protected in relying in good faith upon the records of the Corporation and its Subsidiaries and Parents and upon such information, opinions, reports or statements presented to the Corporation and its Subsidiaries and Parents by any Person as to matters the QoL Covered Person reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation and its Subsidiaries and Parents, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits, losses or income or any other facts pertinent to the existence and amount of assets from which distributions to Corporation's stockholders might properly be paid.

(c) To the fullest extent permitted by applicable law, no QoL Covered Person shall have any duty (including any fiduciary duty or any other duty or standard of care that may arise by default principles of law) to the Corporation or any Subsidiary, Parent, stockholder, director or other Persons, provided, however, that nothing in these By-Laws eliminates the implied contractual covenant of good faith and fair dealing. Without limitation of the foregoing, whenever in these By-Laws or at law or in equity a QoL Covered Person is permitted or required to exercise such Person's discretion in acting in such capacity, including making any elections or granting, withholding or conditioning any consent, such QoL Covered Person shall be entitled to consider only such interests and factors as such QoL Covered Person elects and shall have no duty or obligation to give any consideration to any interests of or factors affecting the Corporation or any Subsidiary, Parent, stockholder, director or other Persons, or to disclose any such real, perceived or potential conflicts. The Corporation and each stockholder agree that the provisions of these By-Laws, to the extent such provisions eliminate, restrict or limit the duties (including, without limitation, fiduciary duties) or liabilities of QoL Covered Persons that may otherwise exist at law or in equity, shall replace such duties and liabilities of QoL Covered Persons to the fullest extent permitted by applicable law.

(d) The Corporation shall indemnify and hold harmless each QoL Covered Person to the fullest extent permitted by applicable law from and against any and all losses, claims, demands, costs, damages, liabilities (joint or several), expenses of any nature (including reasonable legal and accounting fees and expenses, costs of investigation and sums paid in

settlement), judgments, fines, settlements, and other amounts ("Indemnified Costs") arising from any and all claims, demands, actions, suits, or proceedings, whether civil, criminal, administrative or investigative, in which the QoL Covered Person may be involved, or threatened to be involved as a party or otherwise, incurred by reason of any act or omission performed or omitted by such QoL Covered Person in connection with matters relating to the Corporation and its Subsidiaries and Parents, and in a manner reasonably believed to be within the scope of authority conferred on such QoL Covered Person, regardless of whether the QoL Covered Person is a QoL Covered Person at the time any such Indemnified Cost is paid or incurred, except that no QoL Covered Person shall be entitled to be indemnified in respect of (and this provision shall not reduce or limit the liability of a QoL Covered Person with respect to) any Indemnified Cost incurred by such QoL Covered Person by reason of such QoL Covered Person's fraud, intentional misconduct or bad faith violation of the implied contractual covenant of good faith and fair dealing, and this provision shall not reduce or limit the contractual liability of a QoL Covered Person for breach of a Related Agreement or other agreement with the Corporation or a Subsidiary or Parent to which such QoL Covered Person is a party; provided, however, that any indemnity under this Section 8.5 shall be provided out of and to the extent of the assets of the Corporation's and its Subsidiaries', and no QoL Covered Person shall have any personal liability on account thereof. Further, the Corporation shall not indemnify any QoL Covered Person in connection with a proceeding (or part thereof) initiated by such Person against the Corporation or any Subsidiary or Parent or any other QoL Covered Person, whether by direct claim, counterclaim or otherwise, unless the initiation thereof was approved or ratified by the Board of Directors of the Corporation.

(e) The indemnification provided by this Article VIII shall be in addition to any other rights to which a QoL Covered Person may be entitled under any agreement, vote of the Board of Directors of the Corporation, as a matter of law or equity, or otherwise, both as to an action in the QoL Covered Person's capacity as a QoL Covered Person, and as to an action in another capacity, and shall continue as to a QoL Covered Person who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns, and administrators of each QoL Covered Person.

(f) Notwithstanding any other provision of this Article VIII, the Corporation shall reimburse Indemnified Costs incurred by a QoL Covered Person in connection with such Person's appearance as a witness on behalf of the Corporation or its Subsidiaries or Parents or other participation at the request of the Corporation or a Subsidiary or Parent in a proceeding involving or affecting the Corporation or its Subsidiaries or Parents at a time when the QoL Covered Person is not a named defendant or respondent in the proceeding.

(g) The Board of Directors of the Corporation shall cause the Corporation to purchase and maintain directors' and officers' insurance on behalf of the applicable QoL Covered Persons and/or the Corporation and its Subsidiaries and Parents against liabilities asserted against any such QoL Covered Person and incurred by any such QoL Covered Person in such Person's capacity as such or arising out of such QoL Covered Person's status in such capacity, regardless of whether the Corporation would have the power to indemnify the QoL Covered Person against that liability under this Article VIII, to the extent that such insurance is available on commercially reasonable terms. In furtherance of the foregoing, the Corporation shall obtain and maintain directors' and officers' liability insurance with coverage in a face amount determined

by the Board of Directors of the Corporation. The indemnification provided by this Article VIII shall be in addition to any other rights to which the QoL Covered Persons may be entitled under any agreement, vote of the Board of Directors of the Corporation, as a matter of law, or otherwise, shall continue as to a QoL Covered Person who has ceased to serve in such capacity, and shall inure to the benefit of the heirs, successors, assigns and administrators of the QoL Covered Persons.

(h) A QoL Covered Person shall not be denied indemnification in whole or in part under this Article VIII solely because the QoL Covered Person had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of any Related Agreement.

(i) To the fullest extent permitted by applicable law, the Corporation may, in the sole discretion of the Board of Directors of the Corporation, from time to time advance expenses (including reasonable legal fees and expenses, and costs of investigation) incurred by a QoL Covered Person in defending or settling any claim, demand, action, suit or proceeding prior to the final disposition of such claim, demand, action, suit or proceeding that may be subject to a right of indemnification hereunder upon receipt by the Corporation of a written undertaking by or on behalf of the QoL Covered Person to repay such amount if it shall be finally determined that the QoL Covered Person is not entitled to be indemnified as authorized in this Article VIII.

(j) (1) The rights set forth in this Article VIII are contractual in nature and may not be revised as applied to prior actions of a QoL Covered Person by a subsequent amendment of these By-Laws without such QoL Covered Person's prior written approval.

(k) For the avoidance of doubt, the exculpation, indemnification and advancement of expenses provisions set forth in Article 6 of the Amended and Restated Bylaws of the Corporation that were adopted on December 11, 2007 and that were in effect immediately prior to the SPI Effective Time (as defined in that certain Agreement and Plan of Merger, dated October 14, 2013, by and among the Corporation and the other parties thereto) shall govern the rights of the current and former directors and officers of the Corporation for any and all actions or omissions occurring prior to the SPI Effective Time. The provisions set forth in Sections 8.5(a) through 8.5(l) of these By-Laws shall govern the rights of QoL Covered Persons for any and all actions or omissions occurring at or following the SPI Effective Time.

SECTION 8.6 Fiscal Year. Except as from time to time otherwise determined by the Board of Directors, the fiscal year of the Corporation shall end on December 31.

ARTICLE IX

AMENDMENTS

LUIS ANTONIO PATT, Defendant

GUILTY/NO CONTEST PLEA PROCEEDING FORM
14-C-4033421

1. The Defendant understands the nature of the charge(s), to wit 28-1381A1 DUI-LIQUOR/DRUGS/VAPORS/COMBO
2. The Court advised the Defendant:
   If you are not a citizen of the United States, pleading guilty or no contest to a crime may affect your immigration status. Admitting guilt may result in deportation even if the charge is later dismissed. Your plea or admission of guilt could result in your deportation or removal, could prevent you from ever being able to get legal status in the United States, or could prevent you from becoming a United States citizen.
3. The Defendant appeared with a lawyer.
   _____The Defendant has entered into a plea agreement, and consents to its terms.
4. The Defendant's not guilty plea is changed to guilty/no contest.
5. 28-1381A1: The maximum penalty is 6 months in jail, a $2500 fine plus surcharges and assessments and 5 years probation. The mandatory minimum penalty, with no prior convictions, is 10 consecutive days in jail, a $250 fine plus surcharges, two $500 assessments, completion of a substance abuse screening session and education or treatment as directed. The Court at sentencing may suspend all but 1 day of jail if the Defendant completes the court ordered substance abuse screening, education and treatment. The Defendant is required to equip any motor vehicle the Defendant operates with a certified ignition interlock device for at least 12 months. Unless the driving privileges of a Defendant convicted of DUI, with no prior convictions, has been suspended by the Motor Vehicle Division pursuant to ARS 28-1321 or 28-1385, said privileges shall be suspended by the Motor Vehicle Division upon notice of the conviction. If the Defendant was under the age of 18 years of age when the offense was committed, the Motor Vehicle Division will suspend the Defendant's driving privileges for 2 years upon notice of the conviction. The Motor Vehicle Division shall revoke the driving privileges of a Defendant convicted of ARS 28-1381 involving drugs. The mandatory minimum penalty with a prior conviction within 84 months is 90 days in jail, a $500 fine plus surcharges, two $1250 assessments, a one year revocation of driving privileges, completion of a substance abuse screening, education and treatment, 30 hours of community restitution work, and the Defendant is required to equip any motor vehicle the Defendant operates with a certified ignition interlock device for not less than 12 months after the end of the revocation. The Court at sentencing may suspend all but 30 consecutive days of jail if the Defendant completes court ordered substance abuse screening, education and treatment. A third conviction within 84 months or a conviction while the Defendant's driver license or driving privileges are suspended is a class 4 felony.
6. The Court has inquired as to Defendant's probation or parole/community supervision status.
7. The Defendant understands the following constitutional rights which are given up by this change of plea:
   A. The right to plead not guilty and require the State to prove guilt beyond a reasonable doubt.
   B. The right to trial by Jury (on 28-1381A1)
   C. Unless represented by a lawyer, the right to the assistance of a lawyer at all stages of the proceeding including appeal, and to an appointed lawyer if eligible.
   D. The right to confront the State's witnesses and to cross examine them as to the truthfulness of their testimony.
   E. The right to present evidence and to have the Court compel the attendance of witnesses the Defendant chooses to appear and testify free of charge.
   F. The privilege against self incrimination, the right to remain silent, and to be presumed innocent until proven guilty beyond a reasonable doubt.
   G. The right to appeal.
8. The Defendant wishes to give up these constitutional rights.
9. A basis in fact exists for believing the Defendant guilty of the offense(s) charged.
10. The plea is voluntary and not the result of force or threats. No promises were made to the Defendant, other than those appearing in a plea agreement if one was presented by the Court.

11. The Defendant may file a Rule 32 petition for post-conviction relief and if denied may file a petition for review.

On the basis of these findings, I conclude that the Defendant knowingly, voluntarily and intelligently pleads guilty/no contest to the above charge(s) and I accept the Defendant's plea.

vs.
LUIS ANTONIO PATT, Defendant

GUILTY/NO CONTEST PLEA PROCEEDING FORM
14-C-4033421

1. The Defendant understands the nature of the charge(s), to wit 28-1381A1 DUI-LIQUOR/DRUGS/VAPORS/COMBO
2. The Court advised the Defendant:
   If you are not a citizen of the United States, pleading guilty or no contest to a crime may affect your immigration status. Admitting guilt may result in deportation even if the charge is later dismissed. Your plea or admission of guilt could result in your deportation or removal, could prevent you from ever being able to get legal status in the United States, or could prevent you from becoming a United States citizen.
3. The Defendant appeared with a lawyer.
   _____The Defendant has entered into a plea agreement, and consents to its terms.
4. The Defendant's not guilty plea is changed to guilty/no contest.
5. 28-1381A1: The maximum penalty is 6 months in jail, a $2500 fine plus surcharges and assessments and 5 years probation. The mandatory minimum penalty, with no prior convictions, is 10 consecutive days in jail, a $250 fine plus surcharges, two $500 assessments, completion of a substance abuse screening session and education or treatment as directed. The Court at sentencing may suspend all but 1 day of jail if the Defendant completes the court ordered substance abuse screening, education and treatment. The Defendant is required to equip any motor vehicle the Defendant operates with a certified ignition interlock device for at least 12 months. Unless the driving privileges of a Defendant convicted of DUI, with no prior convictions, has been suspended by the Motor Vehicle Division pursuant to ARS 28-1321 or 28-1385, said privileges shall be suspended by the Motor Vehicle Division upon notice of the conviction. If the Defendant was under the age of 18 years of age when the offense was committed, the Motor Vehicle Division will suspend the Defendant's driving privileges for 2 years upon notice of the conviction. The Motor Vehicle Division shall revoke the driving privileges of a Defendant convicted of ARS 28-1381 involving drugs. The mandatory minimum penalty with a prior conviction within 84 months is 90 days in jail, a $500 fine plus surcharges, two $1250 assessments, a one year revocation of driving privileges, completion of a substance abuse screening, education and treatment, 30 hours of community restitution work, and the Defendant is required to equip any motor vehicle the Defendant operates with a certified ignition interlock device for not less than 12 months after the end of the revocation. The Court at sentencing may suspend all but 30 consecutive days of jail if the Defendant completes court ordered substance abuse screening, education and treatment. A third conviction within 84 months or a conviction while the Defendant's driver license or driving privileges are suspended is a class 4 felony.
6. The Court has inquired as to Defendant's probation or parole/community supervision status.
7. The Defendant understands the following constitutional rights which are given up by this change of plea:
   A. The right to plead not guilty and require the State to prove guilt beyond a reasonable doubt.
   B. The right to trial by Jury (on 28-1381A1).
   C. Unless represented by a lawyer, the right to the assistance of a lawyer at all stages of the proceeding including appeal, and to an appointed lawyer if eligible.
   D. The right to confront the State's witnesses and to cross examine them as to the truthfulness of their testimony.
   E. The right to present evidence and to have the Court compel the attendance of witnesses the Defendant chooses to appear and testify free of charge.
   F. The privilege against self incrimination, the right to remain silent, and to be presumed innocent until proven guilty beyond a reasonable doubt.
   G. The right to appeal.
8. The Defendant wishes to give up these constitutional rights.
9. A basis in fact exists for believing the Defendant guilty of the offense(s) charged.
10. The plea is voluntary and not the result of force or threats. No promises were made to the Defendant, other than those appearing in a plea agreement if one was presented by the Court.

11. The Defendant may file a Rule 32 petition for post-conviction relief and if denied may file a petition for review.

On the basis of these findings, I conclude that the Defendant knowingly, voluntarily and intelligently pleads guilty/no contest to the above charge(s) and I accept the Defendant's plea.

Summary of Disciplinary Actions

RxAnte Pharmacy Services, LLC, doing business now as Mosaic Pharmacy Service ("Mosaic Pharmacy") purchased the assets of Advanced Patient Care, LLC (APC), a resident pharmacy in Virginia, effective February 22, 2019.

As permitted by Virginia law, Mosaic Pharmacy elected to continue operations under APC's Virginia pharmacy licensure. As a result, APC's disciplinary history now appears under Mosaic Pharmacy's current pharmacy license.

The details of the above-mentioned disciplinary actions are outlined below:

Inspection Date	Jurisdiction/ Authority	Findings/Deficiencies	Consent Order Requirements	Final Disposition
5/9/2016	Virginia Board of Pharmacy	• PIC Inventory taken prior to effective date • Perpetual inventory not maintained as required	• Corrective actions • Monetary fine ($750)	Closed (6/21/2016)
5/3/2018	Virginia Board of Pharmacy	• Perpetual inventory not maintained as required • Pharmacist not checking/documenting repackaging	• Corrective actions • Monetary fine ($500)	Closed (2/6/2019)

The deficiencies contained in the table above occurred while the pharmacy was owned by APC (not Mosaic Pharmacy) and were addressed while the pharmacy was owned by APC and not Mosaic Pharmacy.

Copies of the Notices and Consent Orders, the corrective action plans submitted to the Virginia Board of Pharmacy, along with Closure Letters, are available upon request.

If it is determined at the conclusion of the informal conference that the pharmacy is in violation of the laws and regulations of the Board of Pharmacy, the permit holder

may be subject to disciplinary sanctions by the Board in addition to the penalty listed above. If you have any questions, please contact the Board office.

Hello Mr. Sedar,

Thank you for discussing the above referenced pending application with me today. As we discussed, NuFactor does not engage in any compounding. They dispense infusion medications acquired from manufacturers and/or wholesalers on a valid prescription or order directly to patients. The drugs are then generally infused by other licensed providers just as HHAs, the pharmacy does not provide infusion services itself. Attached is a general description of services we have provided in various other states' license applications.

Please let me know if there is anything else I can provide to have this license issued as soon as possible. Thank you. Stacie.

Texas State Board of Pharmacy
"Red Flags" Checklist for Pharmacies
YOU MIGHT BE A PILL MILL IF...

Check all that apply:

	(1) Your pharmacy fills a discernable pattern of prescriptions for prescribers who write essentially the same prescriptions for numerous persons, indicating a lack of individual drug therapy
	(2) Your pharmacy operates with limited hours of operation or closes after a certain threshold of controlled substance prescriptions are dispensed, and has overall low prescription dispensing volume.
	(3) Prescriptions presented to the pharmacy are for controlled substances with popularity as street drugs, such as opiates, benzodiazepines, muscle relaxants, psychostimulants, and/or cough syrups, or any combination of these drugs.
	(4) The prescriptions for controlled substances contain nonspecific or no diagnoses.
	(5) The prescriptions are commonly for the highest strength of the drug and/or for large quantities.
	(6) Dangerous drugs or OTC products (such as multi-vitamins or laxatives) are added to the controlled substance prescriptions, maintaining relatively consistent 1:1 ratio of controlled substances to dangerous drugs and/or OTC products dispensed as prescriptions.
	(7) Prescriptions are authorized by the same prescriber with what appears to be different handwriting on the hardcopy prescription drug order forms.
	(8) Upon contact with the prescriber's office, you are unable to engage in comprehensive discussion with the actual prescriber, or he/she is unconcerned about your apprehensions regarding his/her prescribing practices or unwilling to provide additional information, such as treatment goals and/or prognosis with prescribed drug therapy.
	(9) You rely solely on the prescriber's representation, or on the representation of the individual answering the phone at the number on the prescription, that prescriptions are legitimate.
	(10) The prescriber's clinic is not registered as a pain management clinic by the Texas Medical Board, despite routinely receiving prescriptions from the prescriber foropiates, benzodiazepines, and/or muscle relaxants.
	(11) Drugs prescribed are inconsistent with the prescriber's area of practice.
	(12) The prescriber of the drugs is located a significant distance from your pharmacy.
	(13) The prescriber has been subject to disciplinary action by the licensing board, had his/her DEA registration removed, or been subject to criminal action.
	(14) The Texas PMP system indicates that persons are obtaining prescriptions for the same drugs from multiple prescribers or that persons are filling prescriptions for the same drugs at multiple pharmacies.
	(15) The person's address is a significant distance from your pharmacy and/or from the prescriber's office.
	(16) Multiple persons with the same address present prescriptions from the same prescriber.
	(17) Persons pay with cash or credit card more often than through insurance.
	(18) Persons presenting controlled substance prescriptions are doing so in such a manner that varies from seeking routine pharmacy services (e.g., willing to wait in long lines to receive drugs, persons arrive in the same vehicle with prescriptions from same prescriber, one person presents to pick up prescriptions for multiple others, persons refer to drugs by "street names" and/or comment on drug's color, persons seek early refills, persons travel from outside reasonable trade area of pharmacy).
	(19) Your pharmacy charges and persons are willing to pay more for controlled substances than they would at nearby pharmacies.
	(20) Your pharmacy routinely orders controlled substances from more than one drug supplier, or your pharmacy has been discontinued by a drug supplier related to controlled substance orders.
	(21) Sporadic and non-consistent dispensing volume (including zero dispensing) varies from day to day and week to week, and your pharmacy does not maintain operational hours each week on Monday through Friday.
	(22) Your pharmacy employs or contracts security personnel during operational hours to prevent problems.
	(23) Your pharmacy has been previously warned or disciplined by the Texas State Board of Pharmacy for inappropriate/ dispensing of controlled substances (i.e., corresponding responsibility).

If you checked any of the above items, you should review the laws and rules regarding corresponding responsibility and non-therapeutic dispensing, especially Board rule §291.29, in the law book or on our website: www.pharmacy.texas.gov (click on Texas Pharmacy Rules and Laws). Additional educational material is available at: http://www.pharmacy.texas.gov/Nontherapeutic.asp. Failure of pharmacies and pharmacists to detect patterns of inappropriate dispensing of prescription drugs is unprofessional practice and constitutes grounds for disciplinary action.

RE: **In re Center City Healthcare, LLC, et al.,**
Case No. 19-11466 (MFW) (Bankr. D. Del.) and
Center City Healthcare, LLC, et al. v. FFF Enterprises Inc.,
Adv. Pro. No. 21-50945 (MFW) (Bankr. D. Del.)

Dear Ms. Winnett:

Our firm serves as bankruptcy counsel to debtor Center City Healthcare, LLC and its related debtors (collectively, the "**Debtors**") in the above-captioned bankruptcy case pending in the United States Bankruptcy Court for the District of Delaware (the "**Bankruptcy Court**"). I am writing in connection with the default judgment (the "**Judgment**") entered against FFF Enterprises, Inc. ("**Defendant**") in the above-captioned Adversary Proceeding (the "**Adversary Proceeding**") in the amount of $25,472 (plus court filing costs in the amount of $350). A copy of the Judgment By Default is attached hereto as **Exhibit A**.

Prior to filing the Adversary Proceeding, on June 7, 2021, the Debtors sent a settlement letter to Defendant, without response. The complaint in the Adversary Proceeding was filed on June 25, 2021 and sought, *inter alia*, (a) the avoidance and recovery of transfers pursuant to sections 547, 548 & 550 of the Bankruptcy Code and (b) the disallowance of any filed or scheduled claims. The Defendant was served with the complaint on July 27, 2021, but never responded. As you can see, the Judgment was entered on December 28, 2021.

Twenty Thousand $20,000 DCN

Before taking steps to execute on the Judgment, and in order to avoid incurring additional costs (taxable to the Defendant), we are writing in the hope of consensually resolving this matter. Specifically, the Debtors will agree to the satisfaction of the monetary Judgment in return for payment of ~~$24,200~~ and the Defendant's waiver of the right to pursue a general unsecured claim for the settlement amount under Bankruptcy Code section 502(h). ~~The foregoing offer equates to approximately a five percent (5%) discount, plus the waiver of post-judgment interest and reimbursement of the court filing costs.~~ The foregoing offer is subject to approval of the Bankruptcy Court, with payment due within five (5) calendar days of the entry of an order by the

Bankruptcy Court approving the resolution. Absent timely receipt of the settlement payment, the offer contained herein shall be void *ab initio*, and the Debtors shall be free to seek collection of the entire monetary Judgment, including interest and costs. Payment of the settlement amount can be sent by check payable to debtor "Philadelphia Academic Health System," as follows:

Philadelphia Academic Health System
c/o Eisner Advisory Group LLC
Attention: Allen Wilen
One Logan Square
130 North 18th St., Suite 3000
Philadelphia, PA 19103

Please acknowledge the Defendant's acceptance of the within offer by signing and returning a copy of this letter. We will then file an appropriate motion for Bankruptcy Court approval. If we do not hear from you within seven (7) calendar days of the date of this letter, the offer contained herein shall be deemed withdrawn and we will move forward to execute on the full Judgment. We look forward to your favorable response.

Very truly yours,

OPERATING AGREEMENT
OF
ROMAN HEALTH PHARMACY LLC

THIS OPERATING AGREEMENT (this "**Agreement**") of **ROMAN HEALTH PHARMACY LLC**, a Delaware limited liability company (the "**Company**"), dated as of May 11, 2017, is made and entered into by **ROMAN HEALTH VENTURES INC.**, a Delaware corporation (the "**Member**").

WHEREAS, the Member wishes to form a limited liability company pursuant to and in accordance with the Delaware Limited Liability Company Act (as amended from time to time, the "**Act**");

NOW, THEREFORE, the Member hereby agrees as follows:

ARTICLE I
THE COMPANY

Section 1.1 **Formation; Admission**. The Company was formed as a limited liability company under the provisions of the Act by the filing on May 11, 2017 of the Certificate of Formation with the Secretary of State of the State of Delaware (the "**Certificate**"). The filing of the Certificate is hereby ratified by the Member.

Section 1.2 **Name; Purpose**. The name of the Company shall be **ROMAN HEALTH PHARMACY LLC**. The Company may engage in any lawful business of every kind and character for which a limited liability company may be organized under the Act or any successor statute. The Company shall have all of the powers provided for a limited liability company under the Act.

Section 1.3 **Registered Agent; Offices**.

(a) The registered agent for the service of process and the registered office shall be that person and location reflected in the Certificate. The Board (as such term is defined below) may, from time to time, change the registered agent or office through appropriate filings with the Secretary of State of the State of Delaware. In the event the registered agent ceases to act as such for any reason or the registered office shall change, the Board shall promptly designate a replacement registered agent or file a notice of change of address as the case may be.

(b) The principal place of business of the Company shall be located in such location as the Board may from time to time determine. The Company may have, in addition to such office, such other offices and places of business at such locations, both within and without the State of Delaware, as the Board may from time to time determine or the business and affairs of the Company may require.

Section 1.4 **Filings and Foreign Qualification**. The Member, any Manager (as such term is defined below) or any authorized officer of the Company shall promptly execute and deliver all such certificates and other instruments conforming hereto as shall be necessary to accomplish all filing, recording, publishing and other acts appropriate to comply with all requirements for the formation and operation of a limited liability company under the laws of the State of Delaware and for the qualification and operation of a limited liability company in all other jurisdictions where the Company shall propose to conduct business.

Section 1.5 **Units**. The membership interests in the Company shall be denominated in units referred to as "**Units**". The total number of Units that the Company shall have authority to issue is 500 Units. The Member is the owner of 500 Units. The rights and liabilities of the Member shall be as provided in the Act, except as is otherwise expressly provided in this Agreement. All of the Units shall be in registered form, and the Company shall maintain a register in which the name and address of the then current holders of Units shall be recorded. Unless otherwise determined by the Board, Units shall not be certificated.

Section 1.6 **Limited Liability**. Except as otherwise provided by the Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and neither the Member nor any Manager or officer shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a member, manager or officer of the Company.

ARTICLE II
CAPITAL CONTRIBUTIONS; PROFITS AND LOSSES; DISTRIBUTIONS

Section 2.1 **Capital Contributions**. The Member may, in its sole discretion, but shall not be required to, make contributions of the type permitted by the Act to the capital of the Company. Except as otherwise provided in this Agreement, the Member shall not be entitled to withdraw, or to receive a return of, any capital contribution or any portion thereof. No interest shall accrue on any capital contributions.

Section 2.2 **Profits and Losses**. All profits and losses of the Company shall be allocated and charged to the holder(s) of the Units on a pro rata basis. All items of Company taxable income, gain, loss, deduction or credit recognized or allocated for federal income tax purposes shall also be allocated and credited or charged to the holder(s) of the Units on a pro rata basis.

Section 2.3 **Distributions**. Subject to the Act and other applicable law, the Board shall cause the Company to distribute funds to the holder(s) of the Units on a pro rata basis at the Board's discretion.

ARTICLE III
MANAGEMENT

Section 3.1 **Board of Managers**. Except to the extent otherwise provided for in this Agreement, the powers of the Company shall be exercised by and under the authority of, and the business and affairs of the Company shall be managed under the direction of, a Board of Managers (the "**Board**"), which shall initially consist of two (2) managers (the "**Managers**"). Except as otherwise set forth in this Agreement, the Member shall not, by reason of its status as a member, have any authority to act for and bind the Company, but shall have only the right to vote on or approve: (a) the actions specified in this Agreement to be voted on or approved by the Member; and (b) except to the extent otherwise provided in this Agreement, the actions specified in the Act to be voted on or approved by the Member. The size of the Board may be increased or decreased by the Member in its sole discretion. The Member shall have the right to appoint and to remove, with or without cause, any or all of the Managers in its sole discretion. The Managers shall initially be Zachariah Reitano and Saman Rahmanian.

Section 3.2 **Meetings of the Board; Quorum; and Action by the Board**. Meetings of the Board shall be held at such times and places as may be decided by the Member. Notice of the time and place of a meeting shall be delivered personally or by telephone to each Manager and sent by first-class mail, facsimile, electronic mail or a nationally recognized overnight courier, charges prepaid, addressed to each Manager at that Manager's address as it is shown on the records of the Company. In case the notice is mailed, it shall be deposited in the United States mail at least five (5) calendar days before the time of the holding of the meeting. In case the notice is delivered personally or by telephone, facsimile, electronic mail or overnight courier, it shall be given at least two (2) calendar days before the time of the holding of the meeting. Any oral notice given personally or by telephone may be communicated either to the Manager or to a person at the office of the Manager whom the person giving the notice has reason to believe will promptly communicate it to the Manager. Attendance by any Manager at a meeting of the Board shall constitute a waiver of notice to such Manager of such meeting. The notice need not specify the purpose of the meeting. At all meetings of the Board, the presence of a majority of the total number of Managers shall be necessary and sufficient to constitute a quorum for the transaction of business. Unless otherwise specifically required by law or this Agreement, the act of a majority of Managers present at a meeting at which a quorum is present shall be the act of the Board. If a quorum shall not be present at any meeting of the Board, the Managers present may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present. At any such adjourned meeting, any business may be transacted that might have been transacted at the meeting as originally convened. Any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if a majority of the Managers consent thereto in writing, and the writing is filed with the minutes of proceedings of the Board. A photographic, photo-static, facsimile, electronic (including in .pdf format) or similar reproduction of a writing signed by a Manager shall be regarded as signed by the Manager for purposes of this Section 3.2.

Section 3.3 **Authority of Managers**. Unless specifically authorized by a resolution duly adopted by the Board, no Manager, solely in his or her capacity as a Manager, shall have the authority or power to act as agent for or on behalf of the Company or any other Manager, to

do any act which would be binding on the Company or any other Manager, to incur any expenditures on behalf of or for the Company, or to execute, deliver and perform any agreements, acts, transactions or other matters on behalf of the Company.

Section 3.4 Officers.

(a) The Board may designate one or more individuals (who may or may not be Managers) to serve as officers of the Company. The Company shall have such officers as the Board may from time to time determine, which officers may (but need not) include a Chairman, Chief Executive Officer, President, Chief Operating Officer, Chief Financial Officer, one or more Vice Presidents (and in case of each such Vice President, with such descriptive title, if any, as the Board shall deem appropriate), Secretary and Treasurer. Unless the Board determines otherwise, if the title is one commonly used for officers of a business corporation formed under the Delaware General Corporation Law, the assignment of such title shall constitute the delegation to such person of the authorities and duties that are customarily associated with that office. Any delegation pursuant to this Section 3.4 may be revoked at any time by the Board.

(b) Each of the following persons is hereby appointed to serve as an officer of the Company, until removed by the Board, with or without cause, in its sole and absolute discretion, or the earlier death or resignation of such person:

Name	Office
Zachariah Reitano	President
Saman Rahmanian	Secretary and Treasurer
Rob Schutz	Vice President

ARTICLE IV
EXCULPATION AND INDEMNIFICATION

Neither the Member, any Manager nor any officer of the Company (each, an "**Indemnified Party**") shall be liable to the Company for any loss, damage or claim incurred by reason of any act or omission performed or omitted by the Indemnified Party in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of the authority conferred on the Indemnified Party by this Agreement, except that the Indemnified Party shall be liable for any such loss, damage or claim incurred by reason of the Indemnified Party's willful misconduct or gross negligence. To the fullest extent permitted by applicable law, the Indemnified Party shall be entitled to indemnification from the Company for any loss, damage or claim incurred by the Indemnified Party by reason of any act or omission performed or omitted by the Indemnified Party in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of the authority conferred on the Indemnified Party, except that the Indemnified Party shall not be entitled to be indemnified in respect of any loss, damage or claim incurred by the Indemnified Party by reason of willful misconduct or gross negligence with respect to such acts or omissions; provided, however, that any indemnity under this Article IV shall be provided out of and to the extent of Company assets only, and the

Member shall not have any liability on account thereof. Notwithstanding anything herein to the contrary, the indemnification afforded herein shall be subject to, and no broader than permitted by, the laws of Delaware, in the absence of the approval of the Member.

ARTICLE V
DISSOLUTION

Section 5.1 **Events of Dissolution**. The Company shall have a perpetual existence unless sooner dissolved by:

(a) the election of the Member; or

(b) the entry of a decree of judicial dissolution under Section 18-802 of the Act.

Section 5.2 **Bankruptcy of the Member**. The bankruptcy of the Member will not cause the Member to cease to be the member of the Company and upon the occurrence of such event, the business of the Company shall continue without dissolution.

Section 5.3 **Liquidation and Winding Up**. In the event of dissolution, the Company shall be wound up and its assets liquidated. In connection with the dissolution and winding up of the Company, the Board or such other person designated by the Board shall proceed with the sale, exchange or liquidation of all of the assets of the Company and shall conduct only such other activities as are necessary to wind up the Company's affairs, and the assets of the Company shall be applied in the manner, and in the order of priority, set forth in Section 18-804 of the Act.

ARTICLE VII
BOOKS

The Board shall cause to be kept, at the principal place of business of the Company, full and proper ledgers and other books of account in which shall be entered all matters relating to the Company, including all income, expenditures, assets and liabilities thereof. Such books shall be kept on a calendar-year basis in accordance with generally accepted accounting principles consistently applied, and shall be closed and balanced at the end of each tax year.

ARTICLE VIII
MISCELLANEOUS

Section 8.1 **Governing Law**. This Agreement, and any question, dispute or other matter related to or arising from this Agreement, will be governed by the laws of the State of Delaware without reference to conflict of laws principles.

Section 8.2 **Binding Effect**. This Agreement binds the Member and its respective distributees, successors and assigns and any other person claiming a right or benefit under or covered by this Agreement.

Section 8.3 **Amendments**. This Agreement may be amended upon the written consent of the Member.

Section 8.4 **Severability**. If any provision of this Agreement is held to be illegal, invalid or unenforceable:

(a) that provision will be fully severable and this Agreement will be construed and enforced as if the illegal, invalid or unenforceable provision had never been part of this Agreement;

(b) the remaining provisions of this Agreement will remain in full force and will not be affected by the illegal, invalid or unenforceable provision or by its severance from this Agreement; and

(c) in the place of the illegal, invalid, or unenforceable provision, there will be added automatically to this Agreement a legal, valid and enforceable provision that is as similar to the illegal, invalid or unenforceable provision as possible.

Section 8.5 **Entire Agreement**. To: Anne Marie Nolen <anolen@albop.com>

Hello pharmacist candidate,

With the state of Alabama ending the state of emergency and public health order for COVID-19 earlier this month, we have been able to schedule more interviews for July 21st, resulting in more candidates. Therefore, to be sure everyone receives all the appropriate information, I am resending the interview details for **Wednesday, July 21st at 1:30 pm.** If our records are incorrect, please let me know.

The most important detail for next week is that our Board office will not open its doors to applicants until 1:00 pm. Therefore, if you are flying/driving in early, please visit a nearby coffee shop or restaurant until 1pm.

Thank you,

Anne Marie

Recommendations / Comments

The minimum required equipment for a retail pharmacy is located in the new pharmacy. The new pharmacy provides sufficient space and meets minimum floor space requirements. The new pharmacy meets the minimum security requirements allowing it to be closed and locked to prevent unauthorized entry. Anticipated business model: Mail Order Pharmacy. Pharmacy is subject to the GA BOP laws/rules for Delivery by Mail (See BOP Rule 480-48).

Recommendation: Amend Rx label to list Peachtree Corners vs. Norcross for the city. Also, reference "expiration date" versus "Discard 1 year after dispense."

Discussed "Red Flags" that a person may be seeking controlled substances for non-legitimate purpose.

*Facility meets minimum requirements to recommend approval.

This inspection report has been read and explained to the pharmacist whose name appears below. Explanations include any observed violations, deficiencies, or comments, and such are based on state/federal laws and rules pertaining to the practice of pharmacy in the State of Georgia. I do affirm the information I have given pursuant to this inspection is true and correct to the best of my knowledge. This inspection report is not intended to be all inclusive, and there may be deficiencies, non-compliance, or violations of the laws and rules not detected and noted in this report.

4.1.3. Verify the practitioner's information with the DEA Registration Validation tool, located on the DEA website:

https://apps.deadiversion.usdoj.gov/webforms/validateLogin.jsp

Please Note: The lookup tool is only available to DEA registrants.

4.2. Contact the practitioner by telephone using the contact number from the pharmacy's database or another reputable resource, other than from the prescription in question, and obtain the necessary information.

4.3. Verify the practitioner's license(s) and credential(s) with the appropriate agency (for example, the Board of Medicine).

5. If a prescription is confirmed to be illegitimate or fraudulent, or based on an invalid patient-practitioner relationship, take the following actions:

5.1. Notify the pharmacist-on-duty.

5.2. Notify the Pharmacy Compliance Team (see the List of Important Contacts, located in the appendix).

5.3. Notify local law enforcement (see the List of Local Authorities, located in the appendix).

5.4. Retain all illegitimate or fraudulent prescriptions as evidence and, if requested, release it to the appropriate law enforcement officials.

5.5. If applicable, notify the following entities:

5.5.1. The local DEA office (see the List of Local Authorities, located in the appendix)

5.5.2. The appropriate Board of Pharmacy(s) (see the List of Board of Pharmacy Contacts, located in the appendix)

3.4. The patient appears presenting prescriptions written in the names of other people.

3.5. A number of people appear simultaneously, or within a short time, all bearing similar prescriptions from the same physician.

Please Note: Issuance of an NPI does not ensure or validate that the practitioner is appropriately licensed or credentialed.

In accordance with section 893.055(3)(a), F.S., any health care practitioner who has dispensed a controlled substance, as defined in section 893.03, Florida Statutes (F.S.), (i.e., OxyContin®, Percocet®, Vicodin®, Klonopin®, Xanax®, and Valium®), is required to report dispensing information to the Prescription Drug Monitoring Program's database each time a controlled substance in schedules II, III, IV, and V are dispensed to a patient, as soon thereafter as possible but no later than close of business the day after the prescription is dispensed unless an extension or exemption is approved by the Department of Health. This includes pharmacies licensed under chapter 465, F.S., and dispensing health care practitioners licensed under chapter 458, 459, 461, 462, 465, or 466, F.S.

Please visit http://www.floridahealth.gov/statistics-and-data/e-forcse/dispenser/index.html and view the Data Submission Guide for Dispensers for step-by-step instructions on how to create an account to upload your controlled substance dispensing information.

The Department of Health is committed to continuous improvement in customer service. As a recent licensee, you are our most valuable customer. How you feel about the service we provided you while you were getting licensed matters a great deal. To make it simple for you to share your opinions, we have developed an on-line survey at http://www.floridahealth.gov/licensing-and-regulation/survey/new-licensee-questionnaire.html . The brief time you take to tell us how we performed our jobs will help us better serve you and other new licensees in the future.

Sincerely,

Detailed statements surrounding the events that took place on August 29, 2006.

I was taken by CVS loss prevention and threatened that my H1B work visa would be revoked, and I would be fired if I did not sign a statement saying I had taken a list of medications they provided me. Over several hrs. of interrogation and refusing to sign anything and telling them I had never taken or stolen anything from CVS let alone any Rx medication, I was assured that I just needed to sign a list of medication taken and nothing would be reported to the Board of Pharmacy and my work visa would remain in place. The interrogation was over several hrs., and I gave in and signed the document. They then terminated my employment and reported these false accusations to the Michigan Board of Pharmacy and Detroit Police. In my own opinion I believe there was probably theft at this store that I was working as a floater at long before I had worked at the location in Detroit. I believe there was pressure on Loss Prevention to place blame on someone once they had discovered the theft to protect themselves for the significant loss. During this time in my life I was working over 100hrs per week for CVS as a floater due to Pharmacist shortages and being pressure that my work visa would be revoked if I did not work the hours as requested by my PDM. I was very young at the time and physically and mentally exhausted, I was an easy target, young and naïve and wanting to do whatever it took to get my Green Card sponsored by CVS.

Detailed statement surrounding your having been disciplined by the Michigan Board of Pharmacy

After being investigated by the Board of Pharmacy, Detroit Police Department, Department of Health, USCIS (United States Immigration Services) then having the Macomb Police Department conduct a lie detector that I passed on two occasions everyone believed the facts of what happened and I had No wrong doing. Also, they spoke to all CVS employees and after viewing countless hours of all the video tapes of me working at the CVS stores they saw no wrong doing on my behalf or any theft of medications. The Board of Pharmacy had a sit-down meeting with me to go over what happened. After I explained my side and they saw my 100hr work weeks along with No material evidence other than my coerced confession they believed the allegations to be false. They dismissed the case but one of the board members felt that I should pay at least $500 for the investigation. So, I was fined $500, I could have fought the $500 fine but that means I would have had to go to trial which made no sense since my lawyer fees had already cost me over $60K to fight the criminal, immigration, and Board of Pharmacy cases.

Complaint No. 53-06-103199
CONSENT ORDER AND STIPULATION

CONSENT ORDER

An administrative complaint was filed with the Disciplinary Subcommittee of the Board of Pharmacy on April 5, 2007, charging Kenwaljit Singh Bains, R.Ph. (Respondent), with having violated sections 16221(a), (b)(i), (b)(vi), and (c)(iv) of the Public Health Code, 1978 PA 368, as amended, MCL 333.1101 *et seq*.

The parties have stipulated that the Disciplinary Subcommittee may enter this consent order. The Disciplinary Subcommittee has reviewed the stipulation contained in this document and agrees that the public interest is best served by resolution of the outstanding complaint. Therefore, the Disciplinary Subcommittee finds that the allegations of fact contained in Count I of the complaint are true and that Respondent has violated section 16221(a) of the Public Health Code.

Accordingly, for this violation, IT IS ORDERED:

Respondent is FINED $500.00 to be paid by check, money order or cashier's check made payable to the State of Michigan (with complaint number 53-06-103199 clearly indicated on the check or money order) within 120 days from the effective date of this order. The timely payment of the fine shall be Respondent's responsibility.

Counts II, III and IV, alleging a violation of sections 16221(b)(i), (b)(vi), and (c)(iv) of the Public Health Code, are DISMISSED.

This order shall be effective on the date signed by the Chairperson of the Disciplinary Subcommittee or the Disciplinary Subcommittee's authorized representative, as set forth below.

Signed on November 5, 2007.

MICHIGAN BOARD OF PHARMACY

By Melanie B Brun for
Chairperson, Disciplinary Subcommittee

STIPULATION

The parties stipulate as follows:

1. Respondent does not contest the allegations of fact and law contained in Count I of the complaint. Respondent understands that, by pleading no contest, he does not admit the truth of

the allegation but agrees that the Disciplinary Subcommittee may treat the allegation as true for resolution of the complaint and may enter an order treating the allegation as true.

2. Respondent understands and intends that, by signing this stipulation, he is waiving the right under the Public Health Code, rules promulgated under the Public Health Code, and the Administrative Procedures Act of 1969, 1969 PA 306, as amended, MCL 24.201 *et seq*, to require the Department to prove the charges set forth in the complaint by presentation of evidence and legal authority, and to present a defense to the charges before the Disciplinary Subcommittee or its authorized representative. Should the Disciplinary Subcommittee reject the proposed consent order, the parties reserve the right to proceed to hearing.

3. The Disciplinary Subcommittee may enter the above consent order, which Board conferee Laura Shaw, R. Ph. supports. Ms. Shaw, the Department's representative or the Assistant Attorney General from the Licensing and Regulation Division are free to discuss this matter with the Disciplinary Subcommittee in order to recommend acceptance of this resolution.

4. The Board Conferee and the parties considered the following factors in reaching this agreement:

A. Respondent has at all times vigorously denied he stole any drugs or anything else and, at all times, has insisted that the "confession" referenced in the complaint was coerced. He has agreed to enter into this consent order in order to finally resolve this matter.

B. But for this matter, Respondent otherwise has had an exemplary record as a pharmacist.

5. This consent order incorporates the conditions of a counteroffer made by the Disciplinary Subcommittee at its meeting held on October 10, 2007.

By signing this stipulation, the parties confirm that they have read, understand and agree with the terms of the consent order.

ADMINISTRATIVE COMPLAINT

NOW COMES the Michigan Department of Community Health, hereafter Complainant, by Melanie B. Brim, Director, Bureau of Health Professions, and files this Complaint against Kenwaljit Singh Bains, R.Ph., hereafter Respondent, alleging upon belief and information as follows:

1. The Michigan Board of Pharmacy, hereafter Board, is an administrative agency established by the Public Health Code, 1978 PA 368, as amended; MCL 333.1101 et seq. Pursuant to section 16226 of the Public Health Code, supra, the Board's Disciplinary Subcommittee is empowered to discipline licensees for violations of the Public Health Code.

2. Respondent is currently licensed to practice as a pharmacist in the state of Michigan and holds a current controlled substance license.

3. "Good moral character" is defined at Section 1 of 1974 PA 38, as amended; MCL 338.41 et seq, as the propensity on the part of the person to serve the public in the licensed area in a fair, honest, and open manner.

4. Zoloft, Viracept, Zyprexa, Norvasc, Topamax, Lipitor, Prevacid, Avandia, Seroquel, Risperdal, Depakote, Lexapro, Micardis, and Actos are prescription medications. Pregabalin (Lyrica) is a schedule 5 controlled substance.

5. From June 11, 2006, until October 10, 2006, Respondent was employed by CVS Pharmacy #8082, hereafter pharmacy, in Detroit, Michigan.

6. On October 8, 2006, a pharmacy technician alerted the store manager that Respondent was leaving with a white bag. The manager stopped Respondent and asked him what he had in the bag. Respondent stated that the bag contained medication that he was taking to another CVS pharmacy as a transfer. The manager asked him for the transfer documentation, but Respondent said he had left it on the pharmacy desk. Respondent returned to the pharmacy, then left without the bag of medication.

7. On October 10, 2006, in an interview with Loss Prevention for the pharmacy, Respondent admitted verbally and in a written statement to stealing Zelnorm and other medications from the pharmacy during his employment. He stated that the Zelnorm was for his wife, and that he gave the other medications to the purchasers of a pharmacy he had previously owned, to pay a debt he owed them. Respondent made a

list of the medications he had stolen, which included Viracept, Zyprexa, Norvasc, Topamax, Lipitor, Prevacid, Avandia, Seroquel, Lyrica, Risperdal, Depakote, Lexapro, Micardis, Zoloft, and Actos. He also signed a promissory note for those medications, which had a total retail value of $10,250.00. Respondent was then terminated from his employment and the theft was reported to the Detroit (Michigan) Police Department.

8. On October 15, 2006, pursuant to section 20175(5)(a) of the Public Health Code, supra, the pharmacy notified Complainant of Respondent's termination.

COUNT I

Respondent's conduct, as set forth above, constitutes a violation of general duty, consisting of negligence or failure to exercise due care, including negligent delegation to or supervision of employees or other individuals whether or not injury results, in violation of section 16221(a) of the Public Health Code, supra.

COUNT II

Respondent's conduct, as set forth above, evidences a departure from, or failure to conform to, minimal standards of acceptable and prevailing practice for the health profession, whether or not actual injury to an individual occurs, in violation of section 16221(b)(i) of the Public Health Code, supra.

COUNT III

Respondent's conduct, as set forth above, evidences a lack of good moral character, in violation of section 16221(b)(vi) of the Public Health Code, supra.

COUNT IV

Respondent's conduct, as set forth above, evidences obtaining, possessing, or attempting to obtain or possess a controlled substance as defined in section 7104 or drug as defined in section 7105 without lawful authority, and/or selling, prescribing, giving away or administering drugs for other than lawful diagnostic or therapeutic purposes, in violation of section 16221(c)(iv) of the Public Health Code, supra.

WHEREFORE, Complainant requests that the within Complaint be served upon Respondent and that Respondent be offered an opportunity to show compliance with all lawful requirements for retention of the license. If compliance is not shown, Complainant further requests that formal proceedings be commenced pursuant to the Public Health Code, rules promulgated thereunder, and the Administrative Procedures Act of 1969, 1969 PA 306, as amended; MCL 24.201 et seq.

RESPONDENT IS HEREBY NOTIFIED that pursuant to section 16231(7) of the Public Health Code, supra, Respondent has 30 days from the date of receipt of this Complaint to submit a written response to the allegations contained herein. The written response shall be submitted to Complainant, Melanie B. Brim, Director, Bureau

of Health Professions, Department of Community Health, P.O. Box 30670, Lansing, MI 48909.

RESPONDENT IS FURTHER NOTIFIED that pursuant to section 16231(8) of the Public Health Code, supra, Respondent's failure to submit a written response within 30 days, as noted above, shall be treated as an admission of the allegations contained herein and shall result in transmittal of the Complaint directly to the Board's Disciplinary Subcommittee for imposition of an appropriate sanction.

ANSWER TO ADMINISTRATIVE COMPLAINT

NOW COMES Respondent, KENWALJIT SINGH BAINS, RpH, by and through his Counsel JAMES W. BURDICK, and, in answer to the complaint herein, says as follows:

1. As to the allegations in Paragraph 1 of the Complaint, Respondent admits same.

2. As to the allegations in Paragraph 2 of the Complaint, Respondent admits same.

3. As to the allegations in Paragraph 3 of the Complaint, Respondent admits same.

4. As to the allegations in Paragraph 4 of the Complaint, Respondent admits same.

5. As to the allegations in Paragraph 5 of the Complaint, Respondent admits same.

LAW OFFICES JAMES W. BURDICK, P.C., 1750 SOUTH TELEGRAPH ROAD, SUITE 300, BLOOMFIELD HILLS, MI 48302-0183 (248) 335-5000

6. As to the allegations in Paragraph 6 of the Complaint, Respondent denies same for the reason that it is untrue.

7. As to the allegations in Paragraph 7 of the Complaint, Respondent neither admits nor denies same, but leaves Petitioner to its proofs.

8. Further answering, Respondent affirmatively avers the following true facts and actual circumstances which occurred:

A. Respondent was working at the drug store described, along with two pharmacy technicians, both of whom had apparently been stealing from the pharmacy, long before Respondent's hiring there. When shortages were finally noticed, the two conspired to "blame the Indian," rather than to have to answer to their own conduct.

B. Respondent is a citizen of Canada, his wife as well; she is a student at Wayne State University Law School. Respondent has led an entirely unblemished life and career prior to the false allegations made against him, but was unusually fearful that the accusations alone could lead to deportation.

C. When Respondent was confronted by the Loss Prevention Officer ("LPO"), he naturally denied any improprieties, since the allegations were baseless. Nonetheless, he was persistently and viciously bullied by the LPO, told he would be imprisoned, deported and lose his license to practice if he did not "confess" to the allegations anyway.

D. When even those threats failed to accomplish the LPO's predetermined goal,

LAW OFFICES JAMES W. BURDICK, P.C., 1760 SOUTH TELEGRAPH ROAD, SUITE 300, BLOOMFIELD HILLS, MI 48302-0183 (248) 335-5000

Respondent was told that, if he merely "admitted" the conduct, despite his truthful denials, he would merely agree to pay the store $10,000, but he could keep his job, there would be no criminal investigation or charges, nor would the Pharmacy Board be contacted. By that time, with Respondent horridly worn down by the bullying and threats, and in his understandable state of agitation and fear, he just could not fight anymore . . . he would have agreed to almost anything by that point.

E. The LPO literally dictated the so-called confession Respondent was buffaloed into writing and "Promissory Note" he was forced against his will to sign. Not a single word of that "confession" was true; Respondent had never stolen anything from that or any other pharmacy, or any place of employment, in his entire life. Convinced, however, that life as he knew it was all but over for not only him but his equally innocent wife, he finally succumbed to the hours of torturous threats, harassment, vilification, demands and false promises of the LPO, obviously not clearly thinking, and was of course immediately fired, the police called and the Board notified.

F. While this may appear at first blush to be an audacious claim, at least a surprising response, Respondent can and does offer living, and unassailable, proof of what he says: *the entire sordid interrogation, with all the treats, demands and lies, was videotaped by the pharmacy.*

G. Moreover, below-signed Counsel has, perchance, actually been privy to the exact same conduct having been perpetrated against yet another innocent pharmacist, under all but the exact same circumstances. In that case the entire sordid affair was videotaped, as well. Yet then, as here, the pharmacy has steadfastly refused to release the videotape.

H. In the other, unrelated, case, it was a pharmacy in Warren, Michigan. The police

LAW OFFICES JAMES W. BURDICK, P.C., 1760 SOUTH TELEGRAPH ROAD, SUITE 300, BLOOMFIELD HILLS, MI 48302-0183 (248) 335-5000

who had been called, and later the prosecutors in that case, tried repeatedly and valiantly to obtain a copy of the tape, at below-signed Counsel's suggestion, but the pharmacy at first demurred, and never has released it despite many assurances that it was forthcoming. [Months later, during an attorney general investigation, because of a suggestion by below-signed Counsel, the assistant attorney general also sought a copy of the tape, but was advised by the pharmacy that the tape, which they had long been promising, had mysteriously been "taped over."] As a consequence of the company's refusal to turn over the tape, the Warren Police and the Macomb County Prosecutor's Office decided to drop the pharmacist's criminal charge and he was instead diverted, with *no* guilty plea, *no* conviction and *no* record.

I. Similarly, in this case, and again prompted by below-signed Counsel, the Detroit Police and the Wayne County Prosecutor's Office were similarly repeatedly denied access to the videotape made during the interrogation of Respondent, while the pharmacy did not deny the tape had been made. As a result, once again, criminal charges were also dropped in favor of, like the other case, being diverted also, and also with *no* guilty plea, *no* conviction and *no* criminal record.

J. That makes two separate police departments, and two separate county prosecutors, and two separate judges who have been forced to come to the same conclusions: there was no criminal conduct despite the forced "confessions." This course of conduct is far too stunning to be mere coincidence.

COUNT 1

Respondent denies that his conduct constitutes a violation of the general duty, negligence

LAW OFFICES JAMES W. BURDICK, P.C., 1760 SOUTH TELEGRAPH ROAD, SUITE 300, BLOOMFIELD HILLS, MI 48302-0183 (248) 335-5000

or failure to exercise due care, in violation of Section 16221(a) or in violation of any other section of the Public Health Code.

COUNT 2

Respondent denies that his conduct a departure from, or failure to conform to, minimal standards, or that it was in violation of Section 16221(b)(i) or in violation of any other section of the Public Health Code.

WHEREFORE, Respondent respectfully the within Complaint be DISMISSED.

Respectfully submitted,

Provide explanation below:

A complaint was made concerning grants made by the Board of Pharmacy to PRN, Inc. in the care of Executive Director Mary Grear. The Board of Pharmacy sent notice of a request for hearing to the wrong mailing address even though the correct address was on file at the Board Office. This resulted in my not being aware that I needed to appear until after the Board Meeting. I subsequently prepared the requested documents and submitted them to the Board Auditors who found no discrepencies in the funds granted by the Board of Pharmacy to PRN, Inc. and the expense record under my administration. A rehearing was held and the case was closed finding all monies were accounted for the PRN, Inc grants.

This is a Primary Source Verification.

Please note that the settlement of a medical malpractice action may occur for a variety of reasons that do not necessarily reflect negatively on the professional competence or conduct of the provider. Therefore, there may be no disciplinary action appearing for a licensee even though there is a closed malpractice claim on file. A payment in the settlement of medical malpractice does not create a presumption that medical malpractice occurred.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 83-2872516. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Based on the information received from you or your representative, you must file the following form(s) by the date(s) shown.

Form 1065 03/15/2019

If you have questions about the form(s) or the due date(s) shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

A limited liability company (LLC) may file Form 8832, *Entity Classification Election*, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, *Election by a Small Business Corporation*. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.

In certain cases with ingested errors and significant negative health circumstances requiring institutional care, the investigative committee recommendation will be a board hearing.

In all death cases resulting from inappropriate drug therapy a board hearing will occur.

The board has directed that ownership may be charged in disciplinary cases. In non-ingested errors copies of admonition letters will be sent to management. BEFORE THE NEVADA STATE BOARD OF PHARMACY

NEVADA STATE BOARD OF PHARMACY, Petitioner, v. CVS PHARMACY #9841 Certificate of Registration No. PH01364, and ROLA ELIAS MSEEH Certificate of Registration No. 19538, Respondents.	Case Nos. 19-257-PH-N 19-257-RPH-N ANSWER AND NOTICE OF DEFENSE AND MOTION TO DISMISS NOTICE OF INTENDED ACTION AND ACCUSATION

COMES NOW ROLA ELIAS MSEEH Certificate of Registration No. 19538, (hereby "Respondent"), by and through her attorney, MALIK W. AHMAD, Esq., of THE LAW OFFICE OF MALIK W. AHMAD, and files her ANSWER AND NOTICE OF DEFENSE to the aforementioned NOTICE OF INTENDED ACTION AND ACCUSATION. Respondent completely denies all of the accusations and moves this Board for an Order granting complete dismissal. Respondent also verifies her intention to attend the hearing but would be unable to attend

hearing in Reno as an unsuitable venue for both her and her attorney, and instead is requesting a Bluejeans type virtual hearing which can be conducted from Las Vegas.

ANSWER

1. Respondent is unable to verify or deny Clause #1 because it is not applicable to her and only to CVS.
2. Respondent admit Clause#2 jurisdiction over her as a registered pharmacist.
3. Respondent denies Clause #3 as she has no previous disciplinary history and denies she ever was disciplined in Nevada or anywhere else. It is explained in more detail under her defense. It is ironic that Board contradicts its own position in Clause #2 where it states" "Mseeh was issued Pharmacist Certificate of Registration No. 29538 by the Board on March 23, 2017," while this alleged incident happened on "July 28, 2011", vis Clause #3.
4. Respondent admits with Clause #4 that she was employed as the managing pharmacist at CVS #9841 at the time of the events alleged herein and denies the rest of the contents therein.
5. Respondent denies Clause #5 as having no memory of such prescription other than the record may speak for itself. She fills hundreds of prescriptions in a very busy CVS and does not have an outright memory.
6. Respondent denies clause #6 as having no such outright memory after a lapse of three years.
7. Respondent denies clause #7 as having no such memory of ever meeting the patient or has knowledge of the number of trips he made.
8. Respondent denies clause #8 as having no such personal knowledge of the search as having not been employed at the store by that time.

9. Respondent denies clause #9 as having no such personal knowledge in a very busy CVS location and with fading memory about something which happened some 3 years ago.

10. Clause #10 may not be true because the error was detected and a contact was prepared for the Prescribing Physician.

11. Respondent denies charges in Clause #11 as this pertains to CVS as a business. Respondent denies its application on her.

12. Respondent denies charges in Clause #12. The contact was prepared and sent either by phone, fax or the computer. At this time, after a lapse of three years, it is simply not possible to provide any proof. Nevertheless the burden of proof is upon the Board.

APPLICABLE LAW

13. The requirements of NAC 639.924. are not applicable on Respondent Mseeh.

14. Respondent denies the application of International Classification of Diseases, Tenth Revision, Clinical Modification, ("ICD-10") code that corresponds to the diagnosis for which the controlled substance is prescribed. NRS 639.2553(2)(g); NAC 453.440. The error was detected and a contact to Prescribing Physician was left in the queue awaiting the Prescribing Physician's response.

15. Respondent denies the application of the stated laws in Clause #15 upon her as she never declined filling the prescription.

16. The laws stated in Clause #16 are applicable upon pharmacies and Respondent denies the application of such laws upon her in this given situation.

17. Respondent denies the application of the requirements of NRS and NAC 639 upon her in Clause #17. The computer printout of its data was created and its proof is provided in the discovery paper on CVS9841.Mseeh 001.

18. Respondent denies the application of the requirements of NRS and NAC 639 in Clause #18 upon her in Clause #18.

19. Respondent denies the application of the requirements upon her in Clause #19.

20. Respondent denies the application of the requirements upon her in Clause #20.

21. Respondent denies the application of the requirements upon her in Clause #21.

22. Respondent denies the application of the requirements upon her in Clause #22.

23. Respondent denies the application of the requirements upon her in Clause #23.

i. INTRODUCTION
NOTICE OF DEFENSE AND MOTION TO DISMISS
NOTICE OF INTENDED ACTION AND ACCUSATION

This Complaint is filed both against CVS and Respondent jointly. However, the main component of this Complaint is against CVS. As such, Respondent is unable to Answer what relates to CVS. Respondent is an employee of CVS and was not an independent contractor. Every job function was performed within the scope and course of employment. Additionally, the record keeping, the computer processing and electronic information contained in the CVS computer works under a software with governing intake data input and its guidelines. The operating system of the computers or any glitches in the computer system are not her responsibility and not fixed by Respondent. Any system electronic error is not rectifiable by this Respondent other than the mere fact that she operates subject to the limitations of software electronic version.

The various provisions of Nevada laws cited in the aforementioned Notice are not applicable to her. Most of the generalized versions are quoted by the Board without even specific subsections applicable upon her. Some are exclusively applicable to the pharmacies themselves. Respondent would specifically analyze these provisions and their nonapplication on her. In conclusion, Respondent's conduct fully complies with all lawful requirements of NRS 233B. l 27(3). Respondent is a dedicated professional with excellent customer service history and had not been disciplined by the Board as incorrectly reported in the accusations under Disciplinary History.

ii. DEFENSES TO COUNT ONE
Failure of Pharmacist to Contact Prescribing Practitioner
(Respondent Mseeh)

ARGUMENTS

1. ***Mseeh failed to contact or instruct CVS #9481 pharmacy staff to contact the prescribing practitioner for clarification on the diagnosis and the days' supply for RX #C1041278.*** **Factual Allegation**

A. Respondent Never Declined the Prescription. Nor Failed to Contact the Prescribing Physician

(i) Respondent discovered the inaccuracy and deficiency in the subject prescription and had placed the request to contact the Prescribing Physician. The law prescribes a reasonable time to contact the Prescribing physician. There is no quantifiable time period what can be a reasonable time period to defined what can be a reasonable time period. The Count One did not list the quantifiable time period which Respondent had failed. Nothing is specified in Count One. There was no lapse of time to contact the Prescribing Physician. The Discovery Paper and the attached printout clearly indicate that an initial input was made, however, nowhere does it show that Respondent declined the Prescription nor failed to contact the Physician. **CVS9841.Mseeh 001**

(ii) There are 11 listed names of different medical providers on the aforementioned physical prescription. By all means and based upon sufficient past contact experience with medical providers have a limited answering service as the answering receptionists had to attend to many calls to answer for all the medical providers listed on the prescription. They have one phone number and it is not easy to go through this in a short period of time. Even though many medical offices have dedicated lines for pharmacy but still this large medical office was overburdened with 11 medical providers in this case. It is too long a waiting period, voice mail interruptions, limited

staff and always difficult to get through and engage the right individual.

CVS9841.Mseeh 001

(iii) Count One states that Respondent "failing" [failed] is simply highly incorrect, and the Board's accusation in this regard is totally unjustified. There is no evidentiary proof provided how she failed. No testimony, or paperwork is produced to show her failure. Here, it is very clear that Respondent never filled the prescription, a computer entry was made to contact the prescribing physician, the prescription was never placed in the "waiting bin" and never delivered to the patient.

(iv) The flow of the process of a prescription needed to be examined here which requires many steps. Here are the usual steps involved:

1. Drop off of prescription, either physically, or via computer. Here it was dropped off physically.
2. Data entry of the prescription.
3. Accuracy of prescription is checked.
4. Pharmacist Verification (verify rx was entered correctly)
5. Production (filling - counting and putting pills into labeled vial)
6. Pharmacist verification (verify correct medication)
7. Printing brochure
8. Once ready, packaging it and leaving at the "waiting bin".

In this case, this is what Respondent believes:

1. Drop off of physical prescription;
2. Data entry (rx missing icd10 and day supply) so it didn't get passed this step.
3. Prescriber's request created.
3. Contact made and left in the queue to speak to physician.

Conclusion: No declining the prescription.

B. CVS Own Internal Inquiry Absolves Respondent of Any Wrongdoing.

(i) CVS had made a thorough inquiry into this matter and quite a few emails were exchanged between Senior Analyst Lauren Pacia and Investigator Monica Segedy. This email exchanged between CVS and the Investigator clearly shows that the Respondent is not responsible. All of this evidence is all exculpatory evidence against her:

> Monica,

As it relates to the above referenced request, the local pharmacy manager at the time was Rola
Mseeh. I am still working on trying to obtain data as to who filled the prescription.
Thanks,
Lauren

e. **Reply email May 2, 2022 Lauren Pacia Senior Analyst, Regulatory Affairs to Investigator Monica Segedy**

We have exhausted all avenues in an attempt to obtain the requested prescription information for you. During our research, we were unable to locate a record for this prescription being dispensed to the patient using the prescription number or a broader search using the patient name, date of
birth and date range search. This prescription was also not reported to the prescription drug monitoring program. We believe the prescription was data entered into our system, evidenced by the back tag label placed on the prescription, however due to the prescription not being dispensed,
we do not have record on the patient profile

Here, Senior Analyst Regulatory Affairs clearly used the words: "We have exhausted all avenues in an attempt to obtain the requested prescription". The word exhausted is clear and does not require any interpretation. However, we still like to state the dictionary meaning:

Definitions from Oxford Languages · ex·haust·ed

drained of one's physical or mental resources; very tired.
"I was cold and exhausted" Similar: tired out worn out weary fatigued
The word 'exhaust' was used at least two times in this short email. Additionally, this prescription was not dispensed to the patient. **CVS9841.Mseeh 002**

C. CVS Own Internal Inquiry Suggest Another Individual With Same RM Initial.

The CVS' own reply in this regard is confusing as it suggests that another person with initial RM can be: "It looks like it was filled by "RM" possibly PT Rowan Meagher?

[CVS9841.Mseeh 003]

D. Subject CVS' Very Busy Location With Hundreds of Prescriptions, With Limited Staff and Overriding Duties of Pharmacy Staff.

The subject CVS is very busy and the Pharmacy had to fill more than 400 prescription per day. Even in Respondent's own shift of 8 hours, it is invariably more than 200 prescriptions which comes to around 2.4 minutes per prescription. This is a continuously standing job. This time is also overburdened with variety of other tasks: (i) counseling to patients which is time consuming: (ii) Answering constantly ringing phones; (iii) dealing with variety of patients' demands; (v) answering questions to staff and guiding them; and (iv) performing a variety of cashiering job, [taking money, counting, etc.) stocking, window customer service etc.. Many times some customers are distraught for some other reasons and it requires to have friendly interaction with them.. Nev. Admin. Code § 639.753(1) and (2) is not applicable to her because she never declined to fill the prescription while this law exclusively deals in situations where Pharmacist declines prescription. It is ironic that the Board first alleges her that she "failing" [failed] to fill up the prescription and now changing it to 'declining'.

Declination of pharmacist to fill prescription

1. **A pharmacist may decline to fill a prescription that satisfies the requirements of this chapter and chapter 639 of NRS only if the pharmacist reasonably believes, in his or her professional judgment, that:**
(a) The filling of the prescription would be unlawful;
(b) The filling of the prescription would be imminently harmful to the medical health of the patient;
(c) The prescription is fraudulent; or
(d) The prescription is not for a legitimate medical purpose.

2. If a pharmacist declines to fill a prescription pursuant to this section, the pharmacist shall speak with the prescribing practitioner in a timely manner to discuss and resolve the concerns of the pharmacist regarding the prescription. Before the pharmacist speaks with the prescribing practitioner, the pharmacist may, based on his or her professional judgment:
(a) Retain the prescription and not return the prescription to the patient;
(b) Return the prescription to the patient;
(c) Make a copy of the prescription and return the prescription to the patient; and
(d) Unless the prescription is for a controlled substance that is listed in schedule II, dispense a quantity of the drug prescribed, not to exceed a 3 days' supply, to allow a reasonable period for the pharmacist to speak with the prescribing practitioner about the concerns of the pharmacist regarding the prescription.
3. After speaking with the prescribing practitioner, the pharmacist may fill the prescription if the pharmacist reasonably believes, in his or her professional judgment, that the prescription is:
(a) Lawful;
(b) Not imminently harmful to the medical health of the patient;
(c) Not fraudulent; and
(d) For a legitimate medical purpose.
4. If, after speaking with the prescribing practitioner, the pharmacist reasonably believes, in his or her professional judgment, that the prescription does not meet one or more of the standards set forth in subsection 3, the pharmacist shall retain the prescription and may not return the prescription to the patient.

Nev. Admin. Code § 639.753

Here, this prescription: (i) is for a controlled substance, (ii) and the pharmacist substance that is listed in schedule II, dispense a quantity of the drug prescribed, (iii) the days' supply is not provided and there is a facial inaccuracy on the prescription; (iv) clause (d) allow a reasonable period for the pharmacist to speak with the prescribing practitioner about the concerns of the pharmacist regarding the prescription. The reasonable period of time does not mean contacting on the spur of the moment, or even one or two days. Some physicians only work one or two days at a particular location as they are spread out to many different locations. No such time period is specified. However, a week can be considered a reasonable period of time.

E. Respondent Never Declined The Prescription, The Aforementioned Law Is Non-Applicable Upon Her As She Contacted the Physician.

"9. During the Board's investigation, the pharmacist in charge searched CVS#9481's hard copy prescription records and located the original prescription, which reflect that the prescription was filled on August 28, 2019 by initials RM. **Factual Allegations**

(i) Subsection (1) is not applicable to her because she never declined the prescription. Here, she is accused that she had filled the prescription but never contacted the Prescribing Physician. How can she decline and fill the prescription at the same time as both functions are completely opposite to each other? This section only applies if the Pharmacist declines to fill the prescription after "speaking with the prescribing physician". The whole gist of this law is applicable only if the Pharmacist declines the prescription which is not the case here. There is no record that she had declined the prescription.

(ii) Irrespective of the above non-application of the aforementioned laws upon her, she intended to contact the Prescribing Physician. A prescriber request was created. The prescription was stored in the prescriber request que pending prescriber response. The protocols to contact a Prescribing Physician is either via phone, fax or through computer. This issue is three years old and at this time it is simply not feasible to find the record of any such contact to the prescribing physician. Since the prescriber request was never resolved, the prescription was not filled and/or dispensed to the patient. Respondent fully performed her duties as a registered pharmacist in a professional and lawful manner and nothing was done against the public interest.

(iii) Responded had done all that could be done in a busy CVS store which fulfills all other plethora of side jobs (as stated above), this particular prescription was not filled though it was entered into the computer. Practically speaking, the word "filled" means when the prescription is waiting in the "waiting bin" with a label affixed and ready to be picked up by the customer. There is nothing provided in the discovery papers to indicate the said Prescribing Physician was not approached. The burden of proof is upon the Board to provide any failure to approach by the Respondent. No such documentary evidence is provided other than an assumption. At this time, Respondent would be seriously handicapped owing to serious lapse of time (3 years) to provide any evidence of either telephone log or fax. Again, the law provides a reasonable period of time to contact the Physician and the discovery paper does not indicate any measurable time limit as serious lapse of time to approach the Prescribing Physician. Respondent's best memory in such cases is that that a request was made.

F. Respondent Had Not Indulged In Any Unprofessional or Conduct Contrary To Public Interest.

NAC 639.945 Unprofessional conduct; owner responsible for acts of employees. (NRS 639.070, 639.210)

1. The following acts or practices by a holder of any license, certificate or registration issued by the Board or any employee of any business holding any such license, certificate or registration are declared to be, specifically but not by way of limitation, unprofessional conduct and conduct contrary to the public interest:

(i) Performing any of his or her duties as the holder of a license, certificate or registration issued by the Board, or as the owner of a business or an entity licensed by the Board, in an incompetent, unskillful or negligent manner.

Respondent consider himself very competent: (i) passed the pharmacy examination and all the requirements with great distinction (ii) current with all the CE requirements: (iii) managing very busy, very high-volume CVS stores; (iv) having excellent customer service all the time; (v) no history of disciplinary action. All this is no small deed in this time and age when a pharmacist is a foot soldier and the first defense line in this opioid health crisis. Overall, this Respondent is very well liked by her customers and equally by her employer.

G. Respondent Was Never Disciplined On January 28, 2011 in Case No. 11-013-RPH-N.

The fact given under Disciplinary History is entirely and blatantly wrong. Respondent was never disciplined. She was enrolled as a Registered Pharmacist in 2017 with the Board of Pharmacy. In 2011, she was still enrolled in a pharmacy school in Chicago and only came to Nevada in 2017. As such, the fact under her Disciplinary History is entirely and blatantly wrong.

Exhibit No. 1.

H. Respondent Had Not Violated NRS 639.210 (4) and (12)

> 4. Is guilty of unprofessional conduct or conduct contrary to the public interest:
> 12. Has violated, attempted to violate, assisted or abetted in the violation of or conspired to violate any of the provisions of this chapter or any law or regulation relating to drugs, the manufacture or distribution of drugs or the practice of pharmacy, or has knowingly permitted, allowed, condoned or failed to report a violation of any of the provisions of this chapter or any law or regulation relating to drugs, the manufacture or distribution of drugs or the practice of pharmacy committed by the holder of a certificate, license, registration or permit:

The above clause of laws are not applicable on her because she had not indulged in any unprofessional conduct or conduct contrary to public interest. The public interest is "the welfare or well-being of the general public" and society. ["Public interest", Random House Dictionary.]

No damage has been done to the patient or to the public at large. Safety of people from unscrupulous issues are more important than anything else. Top most consideration is paid to the safety of public interest which is non-provision of drugs to unscrupulous people. We all are aware of the misuse of drugs and especially narcotics in our society. The fundamental duty of writing correct prescription lies on the shoulder of the Prescribing Physician, and only a secondary duty is upon the Pharmacist, and here she has done all that she could do under the given circumstances in a very busy CVS store. She has done her job in a professional manner and her conduct was very conducive to the public interest. She had been a good and productive manager and employee who always is proud of her best customer service.

II. DEFENSES TO COUNT TWO
Recordkeeping Violations
(Respondents CVS Pharmacy #9481 and Respondent Mseeh)

This Count applies on both CVS and Respondent Mseeh. However, Respondent is only responding to its application to her. It is a generalized and very broad application of law without any specificity. Let us examine in detail the application of various cited laws here.

If the address or addresses are immediately available to the pharmacist or pharmaceutical technician by an alphabetical card file, computer, patient profile system or any other system approved by the Board, the pharmacist or pharmaceutical technician need not write the address or addresses on the prescription or record the address or addresses in the record of the prescription in the computer system used by the pharmacy but shall place on the prescription or in the record of the prescription his or her initials and a notation indicating the addresses are immediately available, including, without limitation, "RA," "readily available," "in files," "on computer" or any other similar notation.

Ê An employee of the pharmacy shall place his or her initials and a notation indicating the person who provided the identification or verification to the pharmacist or pharmaceutical technician on the prescription or in the record of the prescription in the computer system used by the pharmacy.

6. A pharmacist or pharmaceutical technician shall not add or change the registration number issued to a practitioner by the Drug Enforcement Administration on a prescription for a controlled substance.

8. For the purposes of this section:

(a) "Days' supply" means the fewest number of days necessary to consume the quantity of the controlled substance dispensed to the patient if the patient consumes the maximum dose of the controlled substance authorized by the prescribing practitioner.

(b) "ICD-10 code" means the code established in the *International Classification of Diseases, Tenth Revision, Clinical Modification*, adopted by the National Center for Health Statistics and the Centers for Medicare and Medicaid Services or the code used in any successor classification system adopted by the National Center for Health Statistics and the Centers for Medicare and Medicaid Services.

The aforementioned statue had not been violated by Respondent as she placed a request to contact the prescribing physician and it is available on the discovery paperwork at CVS9841.Mseeh 001. Additionally, the aforementioned is very broad and very generalized in every situation. The Board had not cited any specific provision cited against her. No particular subsection had been picked by the Board in their accusation.

C. NAC 639.708 1(b) Are Clearly Not Applicable Upon Respondent As She Is Not The Record Keeper of CVS

NAC 639.708 Counseling of patients: Duties of pharmacy. (NRS 639.070, 639.266) To facilitate counseling regarding a prescription, a pharmacy shall:

1. Maintain a record of medication for each patient to whom a prescription has been dispensed by that pharmacy. The record must:

b) Be maintained for at least 2 years after the most recent entry;

The aforementioned record of medication clearly applies to the record holder which is CVS and not the Respondent. Respondent briefly worked at that particular store and was transferred to another CVS location in Las Vegas, Nevada.

D. NAC639.910 Is Not Applicable Upon Respondent As She Left The Reno Store to A Las Vegas location And Was Not Responsible What Happened After Her Departure. Some 3 Years Ago On Which She Had Little Or No Memory.

NAC 639.910 Information to be provided by system; procedure to ensure information not lost or destroyed. (NRS 639.070, 639.236)

2. The managing pharmacist of a pharmacy that uses a computerized system for recording information concerning prescriptions shall ensure that a procedure is conducted upon the computerized system that ensures that the information which is recorded in the system is not lost or destroyed.

Here, a computerized entry is already made and is part of the discovery paper at CVS9841.Mseeh 001. A Computerized system was required upon "person who is issued a license to conduct a pharmacy. Here, Respondent was never issued a license 'to conduct a pharmacy". Clearly, this is not applicable on her.

NAC 639.924 | Computerized system to record prescriptions required for pharmacies licensed on or after August 27, 1996. (NRS 639.070, 639.0727, 639.236) A person who is issued a license to conduct a pharmacy, including, without limitation, a remote site or satellite consultation site, pursuant to the provisions of NRS 639.230 and 639.231 on or after August 27, 1996, shall ensure that the pharmacy uses a computerized system for recording information concerning prescriptions.

(Added to NAC by Bd. of Pharmacy, eff. 8-27-96; A by R037-10, 10-15-2010; R098-13, 3-28-2014)

E. **NAC 639.935 Is Not Applicable Upon Respondent Mseeh.** She is not in charge of the computer system, neither knows any intricate detailed of the electronic system. Her only acquaintance with the computer is to input data into the electronic information subject to the guidelines of a software.

NAC 639.935 Printed record of contents. (NRS 639.070, 639.236)

1. The computerized system must be able to produce a printed record of its contents in a manner that permits an audit of each prescription.

2. The printed record must be provided to the person who requests the record pursuant to NRS 639.238 immediately after he or she requests the record or at a time agreed to by the pharmacist and the person who requests the record.

F. Respondent Denies The Application of NAC 639.945 Upon Her

NAC 639.945 Unprofessional conduct; owner responsible for acts of employees. (NRS 639.070, 639.210)

1. The following acts or practices by a holder of any license, certificate or registration issued by the Board or any employee of any business holding any such license, certificate or registration are declared to be, specifically but not by way of limitation, unprofessional conduct and conduct contrary to the public interest:

(m) Failing to provide any document, data or information that is required to be made and maintained pursuant to chapters 453, 454, 585 and 639 of NRS and chapters 453, 454, 585 and 639 of NAC to a member of the Board or a member of the staff of the Board upon his or her request.

Here, the only data Respondent or her staff may have entered was provided and found in the discovery paperwork. It was available and found with some initial difficulty of course. Respondent left the store for her new assignment in Las Vegas. Whatever she or staff had entered, was found by the Board. Respondent had not shown or had any unprofessional conduct or conduct contrary to the public interest.

G. Respondent Denies Violating NAC 639.702 For Any Acts And Omissions Of Herself Or Her Staff During Her Term At The CVS In Reno.

NAC 639.702 Responsibility for acts and omissions of personnel who are not pharmacists. (NRS 639.070) The owner of a pharmacy, the managing pharmacist of the pharmacy and the registered pharmacist on duty at the pharmacy are responsible for the acts and omissions of pharmaceutical technicians and other personnel who are not pharmacists working in or for the pharmacy, including, but not limited to, any errors committed or unauthorized work performed by such personnel, if the owner, managing pharmacist or registered pharmacist knew or reasonably should have known of the act or omission.

(Added to NAC by Bd. of Pharmacy, eff. 11-15-93)

H. NAC 639.945 Is Not Applicable Upon Respondent Because She Is Not The "owner of any business or facility licensed, certified or registered by the Board".

NAC 639.945 Unprofessional conduct; owner responsible for acts of employees. (NRS 639.070, 639.210)

2. The owner of any business or facility licensed, certified or registered by the Board is responsible for the acts of all personnel in his or her employ.

COUNT THREE

Pharmacy/Pharmacy Owner Responsibility (Respondent CVS Pharmacy #9481)

The accusation only relates to her employer and owner of the Pharmacy.

GENERAL DEFENSES TO ALL COUNTS (1 &2)

A. The Board Failed to Rely On Substantial Evidence.

Section 639.945 is a generally worded rule that must be interpreted on a case-by-case basis. What are the standard of practice for a reasonable and prudent pharmacist? The Board must present substantial evidence that a pharmacist violated section 639.945. The Nevada Supreme Court affirmed this principle in *Nevada State Board of Pharmacy v. Garrigus*, 496 P.2d 748 (Nev. 1972). In Garrigus, the court affirmed the district court's dismissal of the Board's decision because "there was no evidence or testimony produced that established what the standard was that constituted conduct that became unprofessional if breached." The Board revoked two pharmacists' licenses because they dispensed an inordinate amount of Numorphan (9,250 tablets and 580 syringes over a four-month period). The court explained,

> "[t]here is no evidence in the record that the amount of drugs sold to Chapman was excessive under the circumstances, no proof was elicited as to what does or does not constitute unprofessional conduct in the pharmacy business, and no evidence was presented as to what were the contemporary standards in the profession." Id. at 749.

Same here, there is no evidence that Respondent acted incompetently, negligently, or unskillfully. If the Board wants to discipline Respondent negligently or unskillfully, the Board must present substantial evidence which it failed at this time. The limited presentation of discovery is totally insufficient to substantiate such lack of skill and negligence.

The filling of a prescription is a complex process and each stage has a safety roadblock which is not easy to cross. The focus is on specific information to ensure its correctness. Even though the primary party of such negligence are the prescribing physicians. A pharmacist conducts data verification by focusing on each field or segment. It must pass certain check points before the final stage comes. The first road block is checking the verification of the prescription and its correctness. The label and patient information leaflet are generated for pharmacist review. The product verification is supposed to focus on the product and labels to ensure the technician used the correct medication. It is not easy to contact the physician's office, we all know how long the wait is and there is no special easy process for pharmacists. As stated before, there are some 11 names of the medical providers with single phone number. Additionally, the answering people are busy and perform variety of other jobs as well. They are protected by strong voice mails prompts and the receptionists are also very busy and picking up promptly the phone is not their only first choice.

B. <u>Substantial Evidence Supports The Finding That Respondent Acted In A Competent, Skillful And Diligent Manner.</u>

There is no substantiality of evidence which can directly link the Respondent to any negligence, unskilled act that she violated the general provisions of NAC 639.945. The Board has not provided any clearer standard to measure any lack of skill or negligence. The Board still needs to present

additional evidence to judge the standards for Respondent's conduct. The standards are already set and the Board cannot deviate from them.

Under NAC 639.945(i), for example, Respondent acted professionally and performed to the best interest and in a diligent manner. The Board cannot base its decision on generality of laws and regulations that were not specific in the Accusation. The Board must comply with the Nevada APA and the Pharmacy Act. The Nevada APA requires that the notice to a respondent, "must include ... [a] reference to the particular sections of the *statutes and regulation involved."* NRS §223B.121 2.c. (emphasis added). The Pharmacy Act states: "The accusation must specify the statutes and regulations which the respondent is alleged to have violated, but must not consist merely of charges phrased **in** language of the statute or regulation." NRS § 639.241. The Board considered, and the Findings relied, on the following laws and regulations without giving notice in the Accusation that they were at issue.

PRAYER FOR RELIEF

WHEREFORE, Respondent requests that the Board grant the relief requested as follows:

i. Dismiss the entire Notice against her including this hearing.

ii. Any other equitable remedy be provided to her.

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **WALGREENS PHARMACY #4854, Pharmacy License No. PH01293, and** **MINHQUANG D. NGUYEN, RPH, Certificate of Registration No. 15913,** **Respondents.**	**CASE NOS. 19-100-PH-S** **19-100-RPH-S** **NOTICE OF INTENDED ACTION AND ACCUSATION**

J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, makes the following that will serve as both a notice of intended action under NRS 233B.127(3) and as an accusation under NRS 622A.300(1) and NRS 639.241.

JURISDICTION

1. The Nevada State Board of Pharmacy ("Board") has jurisdiction over this matter because at the time of the events alleged herein, Respondent Walgreens Pharmacy #4854 ("Walgreens") held a Nevada Pharmacy License No. PH01293, Respondent Minhquang D. Nguyen, RPh, ("M. Nguyen") held a Nevada Pharmacist Certificate of Registration No. 15913, all issued by the Board.

FACTUAL ALLEGATIONS

2. Respondent Walgreens is located at 4771 W. Craig Road in North Las Vegas, Nevada.

3. Respondent Nguyen was employed as the pharmacy manager of Walgreens during the alleged and relevant timeframes.

4. On April 15, 2019, Board Inspector Leo Basch ("Basch") found certain violations, or expired drugs/medications.

Probiotic – expiration date 2/2019

Humalog mix 50/50 vial – expiration date 7/2018

Promethazine suppositories – expiration date 12/2018

5. In addition, there was a manufacturer's box of promethazine suppositories with an expiration date of 12/2018, which contained a partial quantity.

6. Eight (8) boxes of Protofoam were in the refrigerator, when the packaging specifically state "do not refrigerate".

7. MMR vaccine, expiration date 5/18/2018, and diluent, expiration date 4/21/2019 were found in the freezer. Even though the MMR box had the letters "EXP" written on it, the MMR was still in the pharmacy's active inventory.

8. In room temperature storage, numerous expired drugs were discovered. Some were in manufacturers' original bottles and some with Walgreens amber vials with patient labels that had apparently been returned to stock.

9. Inspector Basch notified Respondent Nguyen that corrective actions included removing expired refrigerated products within three (3) days and removing expired non-refrigerated products within fourteen (14) days. Further, staff was instructed to review all active inventory to remove expired medications/drugs.

10. On or about April 26, 2019, Respondent Nguyen sent an email to the Board inspector stating that the tasks to review expired drugs in refrigeration and active inventory was completed.

11. However, on May 1, 2019, when Board inspectors returned to re-inspect Walgreens, Board inspectors discovered six (6) expired medications in Walgreens' amber vials, and found an additional violation of unlabeled liquid in an amber bottle on a shelf of active

inventory. Further, it appeared that the same expired medications noted on the original inspection were still on the pharmacy shelves in active inventory.

12. General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on November 30, 2022. Specifically, Respondent has certain rights in these administrative matters as set out by the United States Constitution, the Nevada Constitution, the Medical Practice Act, the Nevada Open Meeting Law (OML), which is contained in NRS Chapter 241, and the Nevada Administrative Procedure Act (APA), which is contained in NRS Chapter 233B. These rights include the right to a formal hearing on the allegations in the Complaint, the right to representation by counsel, at his own expense, in the preparation and presentation of his defense, the right to confront and cross-examine the witnesses and evidence against him, the right to written findings of fact, conclusions of law and order reflecting the final decision of the Board, and the right to judicial review of the Board's order, if the decision is adverse to him.

7. Respondent understands that, under the Board's charge to protect the public by regulating the practice of medicine, the Board may take disciplinary action against Respondent's license, including license probation, license suspension, license revocation and imposition of administrative fines, as well as any other reasonable requirement or limitation, if the Board concludes that Respondent violated one or more provisions of the Medical Practice Act.

8. Respondent understands and agrees that this Agreement, by and between Respondent and the IC, is not with the Board, and that the IC will present this Agreement to the Board for consideration in open session at a duly noticed and scheduled meeting. Respondent

1. **Jurisdiction**. Respondent is, and at all times relevant to the Complaint has been, a physician licensed to practice medicine in Nevada subject to the jurisdiction of the Board as set forth in the Medical Practice Act.

2. **Representation by Counsel/Knowing, Willing and Intelligent Agreement**. Respondent acknowledges he has had the opportunity to engage appropriate counsel to represent him in this matter and wishes to resolve the matters addressed herein without such counsel. Respondent agrees that if any representation he makes in this matter materially changes prior to entering into this Agreement and for the duration of this Agreement, that counsel for the IC will be timely notified of the material change. Respondent asserts that if these matters were to proceed to hearing, he has evidence, witnesses, expert witness(es) and defenses to the count/claim alleged in the Complaint, but for the purposes of resolving these matters and for no other purpose, Respondent waives the presentation of evidence, witnesses, expert witnesses, and defenses in order to effectuate this Agreement.

10. **Binding Effect**. If approved by the Board, Respondent understands that this Agreement is a binding and enforceable contract upon Respondent and the Board.

J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, makes the following that will serve as both a notice of intended action under NRS 233B.127(3) and as an accusation under NRS 622A.300 and NRS 639.241.

JURISDICTION

3. On or about September 29, 2022, Board staff served Respondent with notice that the surrender of her NSBME License No. 6917 operated as an immediate suspension of her Certificate of Registration No. CS07110 with the Board pursuant to NRS 639.2107, and that Respondent must immediately cease and desist possessing, administering and/or prescribing controlled substances for Nevada patients.

APPLICABLE LAW

4. A practitioner must hold a license to practice his or her profession in this State and be registered with both the DEA and the Board to possess, administer, prescribe and/or otherwise dispense any controlled substance. NRS 453.226(1); 21 U.S.C. § 822(a)(2); 21 U.S.C. § 823(f); 21 CFR § 1306.03.

COMPLAINT

The Investigative Committee[1] (IC) of the Nevada State Board of Medical Examiners (Board), by and through Robert G. Kilroy, Esq., Senior Deputy General Counsel and attorney for the IC, having a reasonable basis to believe that Josette Ellen Spotts, M.D., (Respondent) violated the provisions of Nevada Revised Statutes (NRS) Chapter 630 and Nevada Administrative Code (NAC) Chapter 630 (collectively, the Medical Practice Act), hereby issues its Complaint, stating the IC's charges and allegations as follows:

1. At all times relative to this Complaint, Respondent held an active license to practice medicine in the State of Nevada (License No. 6917), and originally licensed by the Board on October 2, 1993.

2. Patient A[2] was a fifty-six (56) year-old female at the time of the events at issue.

3. On September 27, 2016, Patient A underwent a diagnostic mammogram and ultrasound, which revealed bilateral BI-RADS 4 breast masses. The radiologist recommended an ultrasound guided breast biopsy.

4. On October 5, 2016, Patient A was referred to Respondent. Patient A had an abnormal mammogram and breast ultrasound for which a biopsy was recommend. Respondent

---

[1] The Investigative Committee of the Nevada State Board of Medical Examiners, at the time this formal Complaint was authorized for filing, was composed of Board members Wayne Hardwick, M.D., Mr. M. Neil Duxbury, and Aury Nagy, M.D.

[2] Patient A's true identity is not disclosed herein to protect her privacy, but is disclosed in the Patient Designation served upon Respondent along with a copy of this Complaint.

examined Patient A, and based upon her evaluation of the patient and review of previous mammograms from 2016 and 2015, Respondent believed the patient's findings were more consistent with a heterogeneously dense breast described in the 2015 mammogram study instead of the bilateral BI-RADS 4 breast masses indicated on the 2016 mammogram report. Following Respondent's review of the ultrasound report of both of Patient A's breasts, it was her medical opinion that the findings were consistent with benign fibrocystic changes in both breasts. Respondent determined that the previously recommended biopsy by the radiologist was not necessary. Specifically, Respondent's records state "the findings are consistent with benign fibrocystic changes bilaterally and the findings in the breast, seen by ultrasound, are, in my opinion, not suspicious for malignancy, therefore biopsy is not recommended."

5. On February 15, 2017, Patient A presented to Respondent and reported that since her last visit on October 5, 2016, she felt a new mass on her right axilla. A biopsy was performed on the breast tissues on both sides and the pathology report listed an invasive ductal carcinoma in both breasts. When Patient A presented to Respondent to discuss the pathology results and treatment options, Respondent ordered an MRI with and without contrast on both breasts. Respondent did not note the inconsistent, discordant results of the right axillary biopsy and characterized Patient A as a Stage 1 breast cancer patient. Respondent did not recognize that her clinical exam of a firm right axillary lymph node, along with the biopsy result that did not reveal any lymph node tissue within the biopsy specimen, which should have warranted further evaluation by Respondent. Here, Respondent characterized Patient A as "T1c N0 MX" and documented that she was "lymph node negative" and based upon these two factors, Respondent recommended that Patient A proceed with surgery instead of a less-invasive treatment of neoadjuvant chemotherapy. Both factors were incorrect in Respondent's diagnosis and treatment plan and thus were in error.

6. On February 21, 2017, Patient A had the MRI on both breasts and the report from the MRI stated the following: a) the right breast had several masses with susceptibility characteristic of malignancy; b) the left breast had a mass most characteristic of malignancy. Respondent did not have any further involvement in her care since Patient A did not return.

On February 27, 2021, Patient A Informed Respondent that she was no longer comfortable continuing her care because Respondent did not conduct or order a biopsy of her breasts during the October 5, 2016 visit because Respondent misdiagnosed her condition as benign. Patient A was eventually diagnosed with Stage 3 breast cancer.

COUNT I

NRS 630.301(4) (Malpractice)

7. All of the allegations contained in the above paragraphs are hereby incorporated by reference as though fully set forth herein.

8. NRS 630.301(4) provides that malpractice of a physician is grounds for initiating disciplinary action against a licensee.

9. NAC 630.040 defines malpractice as the failure of a physician, in treating a patient, to use the reasonable care, skill, or knowledge ordinarily used under similar circumstances.

10. As demonstrated by, but not limited to, the above-outlined facts, Respondent failed to use the reasonable care, skill or knowledge ordinarily used under similar circumstances when she provided medical services to Patient A by not recommending nor ordering a biopsy after the October 5, 2016 mammogram findings. Additionally, she failed to diagnose Patient A's clinical presentation of breast cancer. The inaction of not ordering a biopsy was unreasonable. Respondent made inappropriate recommendations regarding Patient A's treatment and ultimately causing the patient to make inappropriate and delayed decisions about her medical plan. Respondent acted unreasonably with her care, skill and knowledge regarding her characterization of Patient A as "T1c N0 MX" and when she documented that Patient A she was "lymph node negative." Based upon these incorrect two factors, Respondent recommended that Patient A proceed with surgery instead of a less-invasive treatment of neoadjuvant chemotherapy.

11. By reason of the foregoing, Respondent is subject to discipline by the Board as provided in NRS 630.352.

COUNT II

NRS 630.3062(1)(a) (Failure to Maintain Complete Medical Records)

12. All of the allegations contained in the above paragraphs are hereby incorporated by reference as though fully set forth herein.

13. NRS 630.3062(1)(a) provides that the failure to maintain timely, legible, accurate and complete medical records relating to the diagnosis, treatment and care of a patient is grounds for initiating disciplinary action against a licensee.

14. Respondent failed to maintain complete medical records relating to the diagnosis, treatment and care of Patient A, by failing to document his actions when she treated Patient A, whose medical records were not timely, legible, accurate, and complete.

15. By reason of the foregoing, Respondent is subject to discipline by the Board as provided in NRS 630.352.

COUNT III

NRS 630.306(1)(b)(2) (Violation of Standards of Practice Established by Regulation)

16. All of the allegations contained in the above paragraphs are hereby incorporated by reference as though fully set forth herein.

17. Violation of a standard of practice adopted by the Board is grounds for initiating disciplinary action against a licensee pursuant to NRS 630.306(1)(b)(2).

18. NAC 630.210 requires a physician to seek consultation with another provider of health care in doubtful or difficult cases whenever it appears that consultation may enhance the quality of medical services.

19. Respondent failed to timely seek consultation with another care provider regarding Patient A's medical condition and treatment plan. Respondent should have consulted with an appropriate care provider to address the proper treatment plan for Patient A based on the test results provided by the 2016 mammogram. This consultation could have enhanced Patient A's treatment and eliminated delay of the diagnosis of breast cancer.

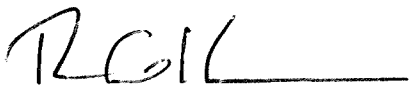
20. By reason of the foregoing, Respondent is subject to discipline by the Board as provided in NRS 630.352.

WHEREFORE, the Investigative Committee prays:

1. That the Board give Respondent notice of the charges herein against him and give him notice that he may file an answer to the Complaint herein as set forth in NRS 630.339(2) within twenty (20) days of service of the Complaint;

2. That the Board set a time and place for a formal hearing after holding an Early Case Conference pursuant to NRS 630.339(3);

3. That the Board determine what sanctions to impose if it determines there has been a violation(s) of the Medical Practice Act committed by Respondent;



4. That the Board award fees and costs for the investigation and prosecution of this matter as outlined in NRS 622.400.

5. That the Board make, issue and serve on Respondent its findings of fact, conclusions of law and order, in writing, that includes the sanctions imposed; and

6. That the Board take such other and further action as may be just and proper in these premises.

NEVADA STATE BOARD OF PHARMACY, Petitioner, v. SAMUEL MUJICA-TRENCHE, MD, Certificate of Registration No. CS04095, Respondent.	Case No. 22-057-CS-S NOTICE OF INTENDED ACTION AND ACCUSATION

J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, makes the following that will serve as both a notice of intended action under Nevada Revised Statutes ("NRS") 233B.127(3) and as an accusation under NRS 622A.300(1) and NRS 639.241.

JURISDICTION

1. The Nevada State Board of Pharmacy ("Board") has jurisdiction over this matter because at the time of the events alleged herein, Respondent Samuel Mujica-Trenche, MD ("Mujica-Trenche") held a Nevada Controlled Substance Registration No. CS04095, issued by the Board.

FACTUAL ALLEGATIONS

2. Infuze, LLC dba Infuze Wellness Center ("Infuze") is a medical clinic, owned and operated by Jody Zakis ("Zakis"), a non-practitioner, and Stephen J. Massa ("Massa"), a non-practitioner. Infuze is located at 1590 W. Horizon Parkway, Suite 110 in Henderson, Nevada.

3. Respondent Mujica-Trenche, a medical doctor, was employed as the medical director of Infuze from at least February 1, 2021 through present.

4. On or about March 29, 2022, a site visit of Infuze was conducted by the Board's inspector and investigator. The Board's staff noted that Respondent Mujica-Trenche was absent that day. However, the register in the front office had a code to access the key to the room/cabinet where dangerous drugs were stored.

5. During the site visit, Infuze's staff confirmed that Pamela Bowman ("Bowman"), RN is employed full-time as a registered nurse for Infuze, and had independent access to the register code containing the key to the storage of dangerous drugs. In addition, RN Bowman was able to access, possess, and/or administer dangerous drugs without a practitioner present, and without a practitioner's order(s).

6. In his written statement through counsel to Board staff on or about May 25, 2022, Respondent Mujica-Trenche stated that corrective actions were taken to make certain that only primary level providers had key access to the dangerous drugs. A copy of "Infuze Medication Protocol Administration, Storage, and Medical Clearance" was attached to Mujica-Trenche's response.

7. In Zakis' statement to Board's staff through counsel on or about June 6, 2022, she indicated that following the Board's site visit, corrective actions were taken related to the storage and access to dangerous drugs, and that the RNs no longer have independent access to the dangerous drugs. A copy of "Infuze Medication Protocol Administration, Storage, and Medical Clearance" was attached to Zakis' response.

17. SETTLEMENT AGREEMENT

The Investigative Committee (IC) of the Nevada State Board of Medical Examiners (Board), by and through Aaron B. Fricke, J.D., General Counsel for the Board and attorney for the IC, and David Victor Ludlow, M.D. (Respondent), a licensed physician in Nevada, assisted by his attorneys, Keith A. A. BACKGROUND

1. Respondent is a medical doctor currently licensed in active status by the Board pursuant to Chapter 630 of the Nevada Revised Statutes (NRS) and Chapter 630 of the Nevada Administrative Code (NAC) (collectively, the Medical Practice Act) to practice medicine in Nevada. His license was originally issued on March 21, 2014 (License No. 15226).

2. On November 2, 2021, in Case No. 21-42222-1, the IC filed a formal Complaint (Complaint) charging Respondent with violating the Medical Practice Act. Specifically, the Complaint alleges one (1) violation of NRS 630.3062(1)(h), Unauthorized and Otherwise Inappropriate Prescribing of a Schedule II Controlled Substance (Count I), and one (1) violation of

[1] All agreements and admissions made by Respondent are solely for final disposition of this matter and any subsequent related administrative proceedings or civil litigation involving the Board and Respondent. Therefore, Respondent's agreements and admissions are not intended or made for any other use, such as in the context of another state or federal government regulatory agency proceeding, state or federal civil or criminal proceeding, any state or federal court proceeding, or any credentialing or privileges matter.

NRS 630.3062(1)(a), Failure to Maintain Proper Medical Records (Count II). By reason of the foregoing, Respondent is subject to discipline by the Board as provided in NRS 630.352.

3. Respondent was properly served with a copy of this Complaint, has reviewed and understands this Complaint, and has had the opportunity to consult with competent counsel concerning the nature and significance of this Complaint.

4. Respondent is hereby advised of his rights regarding this administrative matter, and of his opportunity to defend against the allegations in the Complaint. Specifically, Respondent has certain rights in this administrative matter as set out by the United States Constitution, the Nevada Constitution, the Medical Practice Act, the Nevada Open Meeting Law (OML), which is contained in NRS Chapter 241, and the Nevada Administrative Procedure Act (APA), which is contained in NRS Chapter 233B. These rights include the right to a formal hearing on the allegations in the Complaint, the right to representation by counsel, at his own expense, in the preparation and presentation of his defense, the right to confront and cross-examine the witnesses and evidence against him, the right to written findings of fact, conclusions of law and order reflecting the final decision of the Board, and the right to judicial review of the Board's order, if the decision is adverse to him.

5. Respondent understands that, under the Board's charge to protect the public by regulating the practice of medicine, the Board may take disciplinary action against Respondent's license, including license probation, license suspension, license revocation and imposition of administrative fines, as well as any other reasonable requirement or limitation, if the Board concludes that Respondent violated one or more provisions of the Medical Practice Act.

6. Respondent understands and agrees that this Agreement, by and between Respondent and the IC, is not with the Board, and that the IC will present this Agreement to the Board for consideration in open session at a duly noticed and scheduled meeting. Respondent understands that the IC shall advocate for the Board's approval of this Agreement, but that the Board has the right to decide in its own discretion whether or not to approve this Agreement. Respondent further understands and agrees that if the Board approves this Agreement, then the terms and conditions enumerated below shall be binding and enforceable upon him and the Board.

B. TERMS & CONDITIONS

NOW, THEREFORE, in order to resolve the matters addressed herein, i.e., the matters with regard to the Complaint, Respondent and the IC hereby agree to the following terms and conditions:

1. **Jurisdiction**. Respondent is, and at all times relevant to the Complaint has been, a physician licensed to practice medicine in Nevada subject to the jurisdiction of the Board as set forth in the Medical Practice Act.

2. **Representation by Counsel/Knowing, Willing and Intelligent Agreement**. Respondent acknowledges he is represented by counsel, and wishes to resolve the matters addressed herein with said counsel. Respondent agrees that if representation by counsel in this matter materially changes prior to entering into this Agreement and for the duration of this Agreement, that counsel for the IC will be timely notified of the material change. Respondent agrees that he knowingly, willingly and intelligently enters into this Agreement after deciding to have a full consultation with and upon the advice of legal counsel.

3. **Waiver of Rights**. In connection with this Agreement, and the associated terms and conditions, Respondent knowingly, willingly and intelligently waives all rights in connection with this administrative matter. Respondent hereby knowingly, willingly and intelligently waives all rights arising under the United States Constitution, the Nevada Constitution, the Medical Practice Act, the OML, the APA, and any other legal rights that may be available to him or that may apply to him in connection with the administrative proceedings resulting from the Complaint filed in this matter, including defense of the Complaint, adjudication of the allegations set forth in the Complaint, and imposition of any disciplinary actions or sanctions ordered by the Board. Respondent agrees to settle and resolve the allegations of the Complaint as set out by this Agreement, without a hearing or any further proceedings and without the right to judicial review.

4. **Acknowledgement of Reasonable Basis to Proceed**. As of the time of entering into this Settlement Agreement, the allegations of the Complaint remain unproven. Respondent acknowledges that the IC believes it has a reasonable basis to allege that Respondent engaged in conduct that is grounds for discipline pursuant to the Medical Practice Act. The IC acknowledges

Respondent is not admitting that the IC's claims/counts as alleged in the Complaint have merit and Respondent is agreeing to resolve this matter to avoid the costs of hearing and potential subsequent litigation. Respondent asserts if this matter were to proceed to hearing, he has evidence, witnesses, expert witness(es) and defenses to the counts/claims alleged in the Complaint, but for the purposes of resolving the matter and for no other purpose, Respondent waives the presentation of evidence, witnesses, expert witnesses, and defenses in order to effectuate this Agreement.

5. **Consent to Entry of Order**. In order to resolve this Complaint pending against Respondent, Respondent hereby agrees that the Board may issue an order finding that Respondent engaged in conduct that is grounds for discipline pursuant to the Medical Practice Act. Accordingly, the following terms and conditions are hereby agreed upon:

a. Respondent admits to Count II, as alleged in the Complaint.

b. Respondent will pay the costs and expenses incurred in the investigation and prosecution of the above-referenced matter within sixty (60) days of the Board's acceptance, adoption and approval of this Agreement, the current amount being two thousand seven hundred and one dollar and forty-nine cents ($2,701.49).

c. Respondent shall pay a fine of two thousand five hundred dollars ($2,500.00) within sixty (60) days of the Board's acceptance, adoption and approval of this Agreement.

d. Respondent shall complete twenty (20) hours of continuing medical education (CME) regarding Best Practices in Prescribing of Controlled Substances within six (6) months of the date of the Board's acceptance, adoption and approval of this Agreement. The aforementioned hours of CME shall be in addition to any CME requirements that are regularly imposed upon Respondent as a condition of licensure in the State of Nevada, and shall be approved by the Board to meet this requirement prior to their completion, and proof of completion shall be provided to the Board.

e. This Agreement shall be reported to the appropriate entities and parties as required by law, including, but not limited to, the National Practitioner Data Bank.

f. Respondent shall receive a Public Letter of Reprimand.

g. The remaining counts of the Complaint, and any other claims arising from the Board's corresponding investigations of this matter, shall be dismissed with prejudice.

6. **Release from Liability**. In execution of this Agreement, Respondent understands and agrees that the State of Nevada, the Board, and each of its members, staff, counsel, investigators, experts, peer reviewers, committees, panels, hearing officers, consultants and agents are immune from civil liability for any decision or action taken in good faith in response to information acquired by the Board. NRS 630.364(2)(a). Respondent agrees to release the State of Nevada, the Board, and each of its members, staff, counsel, investigators, experts, peer reviewers, committees, panels, hearing officers, consultants and agents from any and all manner of actions, causes of action, suits, debts, judgments, executions, claims and demands whatsoever, known and unknown, in law or equity, that Respondent ever had, now has, may have or claim to have, against any or all of the persons, government agencies or entities named in this paragraph arising out of, or by reason of, this investigation, this Agreement or the administration of the case referenced herein.

7. **Procedure for Adoption of Agreement**. The IC and counsel for the IC shall recommend approval and adoption of the terms and conditions of this Agreement by the Board in resolution of this Complaint. In the course of seeking Board acceptance, approval and adoption of this Agreement, counsel for the IC may communicate directly with the Board staff and the adjudicating members of the Board.

Respondent acknowledges that such contacts and communications may be made or conducted ex-parté, without notice or opportunity to be heard on his part until the public Board meeting where this Agreement is discussed, and that such contacts and communications may include, but may not be limited to, matters concerning this Agreement, the Complaint and any and all information of every nature whatsoever related to this matter. The IC and its counsel agree that Respondent and/or Counsel for the Respondent may appear at the Board meeting where this Agreement is discussed and, if requested, respond to any questions that may be addressed to the IC or the IC's counsel.

8. **Effect of Acceptance of Agreement by Board**. In the event the Board accepts, approves and adopts this Agreement, the Board shall issue a final order, making this Agreement an order of the Board, and, pending full compliance with the terms herein, the case shall be closed and all remaining claims arising out of the Complaint shall be dismissed with prejudice.

9. **Effect of Rejection of Agreement by Board**. In the event the Board does not accept, approve and adopt this Agreement, this Agreement shall be null, void and of no force and effect except as to the following agreement regarding adjudications: (1) Respondent agrees that, notwithstanding rejection of this Agreement by the Board, nothing contained in this Agreement and nothing that occurs pursuant to efforts of the IC to seek the Board's acceptance of this Agreement shall disqualify any member of the adjudicating panel of the Board from considering this Complaint and from participating in disciplinary proceedings against Respondent, including adjudication of this case; and (2) Respondent further agrees that he shall not seek to disqualify any such member absent evidence of bad faith.

10. **Binding Effect**. If approved by the Board, Respondent understands that this Agreement is a binding and enforceable contract upon Respondent and the Board.

11. **Forum Selection Clause**. The parties agree that in the event either party is required to seek enforcement of this Agreement in district court, the party's consent to such jurisdiction and agree that exclusive jurisdiction shall be in the Second Judicial District Court, State of Nevada, Washoe County.

12. **Attorneys' Fees and Costs**. The parties agree that in the event an action is commenced in district court to enforce any provision of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs.

13. **Failure to Comply with Terms**. Should Respondent fail to comply with any term or condition of this Agreement once the Agreement has been accepted, approved and adopted by the Board, the IC shall be authorized to immediately suspend Respondent's license to practice medicine in Nevada pending an Order to Show Cause Hearing, which will be duly noticed. Failure to comply with the terms of this Agreement, including failure to pay any fines, costs, expenses or fees owed to the Board, is a failure to comply with an order of the Board, which may

result in additional disciplinary action being taken against Respondent. NRS 630.3065(2)(a). Further, Respondent's failure to remit payment to the Board for monies agreed to be paid as a condition of this Agreement may subject Respondent to civil collection efforts.

41. On at least one (1) visit, Respondent documented a "RLQ MASS – HUGE," yet on subsequent visits the "mass" was not even mentioned. On at least one (1) visit, Respondent documented "back pain," but also documented a normal physical exam (e.g., "Back- normal, no tenderness"). Respondent did refer the patient for an abdominal CT scan on one (1) occasion and to a surgeon on another occasion, however these referrals were not completed, and Respondent did not follow-up on them.

42. In September of 2014, a laboratory evaluation ordered by Respondent revealed severe chronic kidney disease with a serum creatinine of over 6 and a BUN of over 70. These abnormal test results were also documented in a Valley Hospital laboratory result the same month (BUN 81 and creatinine 6.9). Respondent referred Patient C to a nephrologist, but was informed in writing that Patient C never made an appointment.

43. Despite being informed that Patient C did not see the nephrologist as referred, Respondent documented the next month, on a visit on October 22, 2014, that Patient C "was seen by a nephrologist and told her kidneys were ok." By this point in time, Respondent knew or should have known, by lab reports that she possessed, that Patient C was essentially in "end stage"

[4] Patient C's true identity is not disclosed herein to protect his or her identity, but is disclosed in the Patient Designation contemporaneously served upon Respondent along with a copy of this Complaint.

kidney disease, yet Respondent did nothing more to address Patient C's obvious and serious renal failure.

44. Each and every month that Respondent saw Patient C, almost without exception, Respondent prescribed Patient C very large volumes and high doses of opioids (usually between ninety (90) and one hundred twenty (120) tablets of thirty (30) mg oxycodone) and benzodiazepines (usually ninety (90) tablets of the two (2) mg Xanax). In addition, Respondent often prescribed ninety (90) pills of the muscle relaxant carisoprodol (Soma) concurrently. Patient C's other medical conditions noted herein, including COPD, renal failure, and seizure disorder, were not addressed by Respondent at all or only in a cursory fashion.

45. Respondent documented during a visit on April 15, 2013, that Patient C was "still on methadone," yet, went on to prescribe large doses and volumes of opioids, benzodiazepines and muscle relaxants routinely, every month (alprazolam, clonazepam, and Ativan were all prescribed) for another full year. In such a situation, the standard of care dictates that only the pain management physician should be providing opioid analgesics for Patient C.

46. Patient C, who had COPD and was obese, was at a particularly high risk for morbidity and mortality from respiratory depression from the combination of high-dose sedative medications prescribed by Respondent. In addition, Patient C's severe and chronic kidney disease further increased her risk of morbidity and mortality. Additional necessary evaluations for her pain, anxiety, kidney disease, abdominal "mass," and COPD were not undertaken, and appropriate specialty consultations and referrals were not pursued

49. NAC 630.040 defines malpractice as "the failure of a physician, in treating a patient, to use the reasonable care, skill, or knowledge ordinarily used under similar circumstances."

50. As demonstrated by, but not limited to, the above-outlined facts, Respondent failed to use the reasonable care, skill or knowledge ordinarily used under similar circumstances when rendering medical services to Patient C.

51. By reason of the foregoing, Respondent is subject to discipline by the Board as provided in NRS 630.352.

COUNT VII

NRS 630.306(1)(b)(2) (Violation of Standards of Practice)

52. All of the allegations in the preceding paragraphs are hereby incorporated by reference as though fully set forth herein.

53. Violation of a standard of practice adopted by the Board is grounds for disciplinary action pursuant to NRS 630.306(1)(b)(2).

56. Respondent failed to conduct any detailed neurologic or musculoskeletal examinations that would establish medical reasoning for Patient C to receive long-term opioid medication for pain control.

57. Respondent failed to recommend other conservative treatments before or concurrent with long-term opioid therapy including, but not limited to, physical therapy, exercise and movement, or massage therapy, among others, which may have alleviated these findings on physical examination.

58. Pursuant to the Model Policy, a physician's patient evaluation should include, without limitation: a complete medical history and a physical examination targeted to the pain condition, evaluation of the nature and intensity of the pain, and history of current and past treatments, including interventional treatments. Respondent consistently failed to include such information in Respondent's medical records for Patient C.

59. Respondent's records do not contain and show no indication of recent or contemporaneous imaging (e.g. X-rays, MRIs, or CT scans) that would substantiate the need for long-term opioids for pain control.

60. Based on, but not limited to, the foregoing, Respondent wrote prescriptions to Patient C for opioid analgesics to treat chronic pain in a manner that deviated from the Model Policy.

61. By reason of the foregoing, Respondent is subject to discipline by the Board as provided in NRS 630.352.

COUNT VIII

10. **Binding Effect**. If approved by the Board, Respondent understands that this Agreement is a binding and enforceable contract upon Respondent and the Board.

11. **Forum Selection Clause**. 12. **Attorneys' Fees and Costs**. The parties agree that in the event an action is commenced in district court to enforce any provision of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs.

In the Matter of the Investigation of: **ANTONIO DARREL CHILDS, PTT, Certificate of Registration No. PT26572**	**CASE NO. 22-353-PTT-S** **ORDER OF SUMMARY SUSPENSION AND NOTICE OF HEARING**

Prior to the preparation of this Order of Summary Suspension, Nevada State Board of Pharmacy ("Board") staff presented evidence and information to Yenh Long, Pharm.D., Deputy Executive Secretary, acting on behalf of J. David Wuest, in his official capacity as Executive Secretary, regarding Antonio Darrel Childs ("Childs"), Certificate of Registration No. PT26572 as a pharmaceutical technician in training. Upon review of the evidence and information presented by Board staff, the Deputy Executive Secretary determined that Childs' actions impact public health, safety, and/or welfare to such an extent that emergency action to summarily suspend Childs' Certificate of Registration No. PT26572 is required pursuant to NRS 233B.127(3) based upon the following preliminary findings that:

1. On March 15, 2022, the Board issued Childs his initial pharmaceutical technician in training registration, Certificate of Registration No. PT26572.

2. At the time of the events alleged herein on August 12, 2022, Childs was employed as a pharmacy technician in training at the SavOn Pharmacy #3016 ("SavOn") located 10250 W. Charleston Blvd., Las Vegas, NV 89135.

3. SavOn's Asset Protection internal investigation and review of the pharmacy's August 12, 2022, video surveillance recordings revealed Childs removing two tablets, later identified as oxycodone 30mg, from a patient's filled prescription bottle and placing them in his smock pocket.

4. Shortly after Childs dispensed the shorted oxycodone prescription, the patient called the pharmacy and complained to the staff pharmacist about the two missing oxycodone 30 mg tablets.

5. After the patient's telephone call to the pharmacy, SavOn's video surveillance reflects Childs removing the oxycodone 30mg tablets from his smock pocket and placing them near a bottom cabinet shelf.

6. Upon discovery of the two tablets, SavOn's on duty staff pharmacist telephoned the pharmacy manager and store director to notify about the two oxycodone 30mg tablets found on the pharmacy floor. During this telephone call, Childs left the pharmacy and did not return.

7. Childs' employment was terminated by SavOn August 22, 2022.

THEREFORE, IT IS HEREBY ORDERED that Antonio Darrel Childs' Certificate of Registration No. PT26572 is **SUMMARILY SUSPENDED,** effective immediately.

IT IS FURTHER ORDERED that a hearing to determine whether the suspension may continue has been set for **Wednesday, November 30, 2022, at 9:00 am** or soon thereafter at Hilton Garden Inn, 7830 Las Vegas Boulevard South, Las Vegas, NV 89123.

IT IS ORDERED.
