9. Any failure by Respondent to comply with the terms of this Order may result in issuance by the Executive Secretary of an order to show cause, pursuant to NAC 639.965, directing Respondent to appear before the Board at the next regularly scheduled meeting for a show cause hearing. If such a hearing results in a finding of a violation of this Order by Respondent, the Board may impose additional discipline upon Respondent not inconsistent with the provisions of NRS Chapter 639.

J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, and Respondent ASHLEY ALDEN STUCKY, DVM, ("Respondent") Certificate of Registration No. CS15018, **HEREBY STIPULATE AND AGREE AS FOLLOWS:**

1. The Board has jurisdiction over Respondent and this matter.

2. On or about May 18, 2022, Board Staff properly served Respondent with the Notice of Intended Action and Accusation ("Accusation") on file in this matter together with the Statement to Respondent and Notice of Hearing.

3. Respondent is fully aware of her right to seek the advice of counsel in this matter and has obtained counsel prior to entering into this Stipulation.

4. Respondent is aware of her right to a hearing on the matters alleged in the Accusation, her right to reconsideration, her right to appeal and any and all other rights which may be accorded to her pursuant to NRS Chapter 233B ("Nevada Administrative Procedure Act"), NRS Chapter 622A ("Administrative Procedure Before Certain Regulatory Bodies"), and NRS Chapter 639 ("Nevada Pharmacy Act").

5. Conditioned on the acceptance of this Stipulation by the Board, and with the exception of the right to challenge any determination that Respondent has failed to comply with the provisions of paragraphs below, Respondent hereby freely and voluntarily waives her rights to a hearing, reconsideration, appeal and any and all other rights related to this action that may be accorded to her by NRS Chapter 233B ("Nevada Administrative Procedure Act"), NRS Chapter 622A

("Administrative Procedure Before Certain Regulatory Bodies"), and NRS Chapter 639 ("Nevada Pharmacy Act").

6. Respondent admits that evidence exists, and that Board staff prosecuting this case could present such evidence at an administrative hearing, to establish a factual basis for the violations alleged in the Accusation, *to wit*, that:

A. Respondent neglected to timely renew her Certificate of Registration No. CS15018 which expired on October 31, 2020, in violation of NRS 639.210(13); and

B. While Respondent held an expired Nevada Controlled Substance Registration, she continued to prescribe controlled substances to Nevada patients (animals) after October 31, 2020, in violation of 21 U.S.C. § 823(f), 21 CFR § 1306.03(a)(1), NRS 453.226(1), NRS 453.321(1)(a), NRS 639.100(1), NRS 639.235(1), and NAC 639.945(1)(k). These violations are grounds for disciplinary action pursuant to NRS 639.210 and NRS 639.255.

7. The Board does not allege, and Respondent does not admit, that Respondent's failure to timely renew her Certificate of Registration and prescribing controlled substances while her Certificate was expired was willful, intentional, or fraudulent, or that Respondent had actual knowledge that she was prescribing controlled substances without a valid registration. The Board acknowledges that Respondent held a valid DEA registration at all times, including during the period her Nevada Certificate of Registration was expired, and that in the process of renewing her DEA registration Respondent became aware that her Nevada Certificate of Registration had expired. Respondent immediately self-reported her inadvertent failure to timely renew her Nevada Certificate of Registration to the Board and fully cooperated in the Board's investigation.

8. In order to resolve this matter without incurring any further costs or the expense associated with a hearing, the Board and Respondent stipulate to the following penalties. Respondent Ashley Stucky, DVM, Certificate of Registration No. CS015018, shall:

B. Pay Five-Hundred and Dollars ($500.00) to partially reimburse the Board for recoverable attorney's fees and costs incurred in investigating and prosecuting this matter.

9. Any failure by Respondent to comply with the terms of this Order may result in issuance by the Executive Secretary of an order to show cause, pursuant to NAC 639.965, directing Respondent to appear before the Board at the next regularly scheduled meeting for a show cause hearing. If such a hearing results in a finding of a violation of this Order by Respondent, the Board may impose additional discipline upon Respondent not inconsistent with the provisions of NRS Chapter 639.

10. The Board's Assistant General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on July 13, 2022, in Reno, Nevada. Respondent will appear at the meeting to answer questions from the Board Members and/or Board Staff. The Board Members and Staff may discuss and deliberate regarding this Stipulation, even if Respondent or her counsel are not present at the meeting.

11. The Board may accept this Stipulation but it is not obligated to do so. If this Stipulation is approved by the Board, it shall be a public record pursuant to NRS 622.330 and shall be reported to the National Practitioner Data Bank pursuant to 42 U.S.C. § 1396r–2 and 45 CFR Part 60.

12. If the Board rejects any part or all this Stipulation, and unless they reach an alternative agreement on the record during the hearing, the parties agree that a full hearing on the merits of this matter may be heard by the Board. The terms and admissions herein may not be used or referred to in a full hearing on the merits of this matter.

13. Upon approval of this Stipulation by the Board, Respondent shall pay the fines agreed to herein by *personal, cashiers,* or *certified check* or *money order* made payable to "State of Nevada, Office of the Treasurer," to be received by the Board's Reno office located at 985 Damonte Ranch Parkway – Suite 206, Reno, Nevada 89521, within thirty (30) days of the effective date of this Order.

CEASE AND DESIST ORDER: License No. MP00060

Case No. 21-210-MDEG-N

To Whom It May Concern:

The Nevada State Board of Pharmacy ("Board") has determined that that Vital Care Health Services ("Vitalcare") violated NAC 639.694(1) and NAC 639.6946(1)(a-b) by operating without an approved medical products provider facility administrator. Specifically, Vitalcare failed to notify the Board staff of the cessation of employment of its prior facility administrator *and* the employment of its new facility administrator within the requisite three (3) business days. NAC 639.694(3).

Please keep in mind that "a medical products provider or medical products wholesaler may not operate for more than 10 business days without an administrator." NAC 639.694(4). "The Board may summarily suspend the operation of a business or facility that operates without an administrator." NAC 639.694(4) and NAC 639.6958(1)(c).

THEREFORE, VITALCARE IS HEREBY ORDERED PURSUANT TO NAC 639.694(4) and NAC 639.6958(1)(c) TO CEASE-AND-DESIST ITS OPERATIONS AS A MEDICAL PRODUCTS PROVIDER, until such time as Vitalcare can demonstrate to Board staff its compliance with NAC 639.694 and NAC 639.6946 and all applicable standards for medical products providers. If Vitalcare has already submitted its facility administrator application and received Board approval, please disregard this CEASE-and-DESIST Order.

Please be aware that the forgoing does not preclude further investigation or the filing of an accusation pursuant to NRS 639.241. If you have any questions, please do not hesitate to contact me at 775-850-1440 or p.keegan@pharmacy.nv.gov.

Case No. 21-211-MDEG-N

To Whom It May Concern:

The Nevada State Board of Pharmacy ("Board") has determined that 3M Medical Solutions ("3M") violated NAC 639.694(1) and NAC 639.6946(1)(a-b) by operating without an approved medical products provider facility administrator. Specifically, 3M failed to notify the Board staff of the cessation of employment of its prior facility administrator *and* the employment of its new facility administrator within the requisite three (3) business days. NAC 639.694(3).

Please keep in mind that "a medical products provider or medical products wholesaler may not operate for more than 10 business days without an administrator." NAC 639.694(4). "The Board may summarily suspend the operation of a business or facility that operates without an administrator." NAC 639.694(4) and NAC 639.6958(1)(c).

THEREFORE, 3M IS HEREBY ORDERED PURSUANT TO NAC 639.694(4) and NAC 639.6958(1)(c) TO CEASE-AND-DESIST ITS OPERATIONS AS A MEDICAL PRODUCTS PROVIDER, until such time as 3M can demonstrate to Board staff its compliance with NAC 639.694 and NAC 639.6946 and all applicable standards for medical products providers. If 3M has already submitted its facility administrator application and received Board approval, please disregard this CEASE-and-DESIST Order.

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **3M MEDICAL SOLUTIONS,** **License No. MP00120,** **Respondent.**	**CASE NOS. 21-211-MDEG-N** **STIPULATION AND ORDER**

Peter Keegan, General Counsel for Petitioner the Nevada State Board of Pharmacy ("Board"), Respondent 3M Medical Solutions ("Respondent"), License No. MP00120, **HEREBY STIPULATE AND AGREE THAT**:

1. The Board has jurisdiction over Respondent and this matter.

2. On or about May 11, 2022, Board Staff properly served Respondent with the Notice of Intended Action and Accusation ("Accusation") on file in this matter together with the Statement to Respondent and Notice of Hearing.

3. Respondent is fully aware of its right to seek the advice of counsel in this matter and have obtained the advice of counsel prior to entering into this Stipulation.

4. Respondent is aware of its right to a hearing on the matters alleged in the Accusation, its right to reconsideration, its right to appeal and any and all other rights which may be accorded to it pursuant to NRS Chapter 233B ("Nevada Administrative Procedure Act"), NRS Chapter 622A ("Administrative Procedure Before Certain Regulatory Bodies"), and NRS Chapter 639 ("Nevada Pharmacy Act").

5. Conditioned on the acceptance of this Stipulation by the Board, and with the exception of the right to challenge any determination that Respondent, has failed to comply with the provisions below, Respondent hereby freely and voluntarily waives its rights to a hearing, reconsideration, appeal and any and all other rights related to this action that may be accorded to it by NRS Chapter 233B ("Nevada Administrative Procedure Act"), NRS Chapter 622A

("Administrative Procedure Before Certain Regulatory Bodies"), and NRS Chapter 639 ("Nevada Pharmacy Act").

6. Without prior notice, Respondent's facility administrator ceased employment June 16, 2021, during the COVID-19 pandemic. At that time, the now-approved facility administrator for the location in question was already working onsite, but Respondent was delayed in filing for appropriate approval. The now-approved facility administrator had been with the company for ten (10) years, was licensed in California in a similar capacity as a Designated Representative since 2013 and worked in various roles within the Field Service department, which manages and operates Respondent's brick-and-mortar locations. The facility administrator's prior experience and licensure demonstrate his knowledge and expertise in administering Respondent's facility, which is subject to this Stipulation.

7. While this matter is disputed, Respondent admits that evidence exists, and that Board staff prosecuting this case could present such evidence at an administrative hearing to establish a factual basis for the violations alleged therein, *to wit,* that:

A. Respondent failed to comply with NAC 639.694(3-4) and NAC 639.6946(1)(a-b) when it neglected to timely notify the Board of the departure of its facility administrator within three (3) business days and continued its operations as a Medical Products Provider without identifying and/or timely obtaining approval of a qualified facility administrator from the Board; therefore, Respondent is subject to discipline pursuant to NRS 639.210(12).

B. Respondent failed to comply with NAC 639.694(3-4) and NAC 639. 6946(1)(a-b) and engaged in unprofessional conduct and conduct contrary to the public interest, as set forth in NAC 639.6941(1)(a), by its untimely notification and approval regarding its qualified facility administrator and performed its duties as the holder of a Medical Products Provider license in violation of NAC 639.945(1)(i); therefore, Respondent is subject to discipline pursuant NRS 639.210(4).

8. The above cited violations of law are plead with particularity in the Accusation and are grounds for action pursuant to NRS 639.210, NRS 639.230(5), and NRS 639.255.

9. Based upon the Accusation and the foregoing admissions, the Board and Respondent stipulate to the below listed penalties. Respondent 3M Medical Solutions License No. MP00120, shall:

A. Pay a fine of One Thousand Dollars ($1,000.00) for the violations; and

B. Pay Five Hundred Dollars ($500.00) to partially reimburse the Board for recoverable attorney's fees and costs incurred in investigating and prosecuting this matter.

10. Any failure by any Respondent to comply with the terms of this Order may result in issuance by the Executive Secretary of an order to show cause pursuant to NAC 639.965 directing that Respondent to appear before the Board at the next regularly scheduled meeting for a show cause hearing. If such a hearing results in a finding of a violation of this Order by Respondent, the Board may impose additional discipline upon Respondent not inconsistent with the provisions of NRS Chapter 639.

11. The Board's Assistant General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on July 13, 2022. Respondent and its authorized representative(s) will appear at the meeting to answer questions from the Board Members and/or Board Staff. The Board Members and Staff may discuss and deliberate regarding this Stipulation, even if Respondent or its counsel are not present at the meeting.

12. The Board has discretion to accept this Stipulation, but it is not obligated to do so. If this Stipulation is approved by the Board, it shall be a public record pursuant to NRS 622.330 and shall be reported to the National Practitioner Data Bank pursuant to 42 U.S.C. § 1396r–2 and 45 CFR Part 60.

13. If the Board rejects any part or all of this Stipulation, and unless they reach an alternative agreement on the record during the hearing, the parties agree that a full hearing on the merits of this matter may be heard by the Board. The terms and admissions herein may not be used or referred to in a full hearing on the merits of this matter.

14. Upon approval of this Stipulation by the Board, Respondent shall pay the fines agreed to herein by *personal, cashier's,* or *certified check* or *money order* made payable to "State

of Nevada, Office of the Treasurer," to be received by the Board's Reno office located at 985 Damonte Ranch Parkway – Suite 206, Reno, Nevada 89521, within thirty (30) days of the effective date of this Order.

15. Upon approval of this Stipulation by the Board, Respondents shall pay the attorney's fees and costs agreed to herein by *personal, cashier's,* or *certified check* or *money order* made payable to "Nevada State Board of Pharmacy," to be received by the Board's Reno office located at 985 Damonte Ranch Parkway – Suite 206, Reno, Nevada 89521, within thirty (30) of the effective date of this Order.

16. Subject to the approval of this Stipulation by the Board, the Board and Respondent, agree to release each other from any and all additional claims arising from the facts set forth in the Accusation on file herein, whether known or unknown that might otherwise have existed on or before the effective date of this Order.

Respondents, and each of them, have fully considered the charges and allegations contained in the *Notice of Intended Action and Accusation* in this matter, and the terms of this Stipulation, and have freely and voluntarily agreed to the terms set forth herein, and waived certain rights, as stated herein.

11. The Board's Assistant General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on July 13, 2022, in Reno, Nevada. AUTHORIZED REPRESENTATIVE FOR HRX PHARMACY, LLC

To whom it may concern, 06/07/2022

In response to the Notice of Intended Action and Accusation towards HRx Pharmacy and its violation of NAC 639.945(1)(h) Performing or in any way being a party to any fraudulent or deceitful practice or transaction.

It was never my intention to falsely represent my pharmacy upon renewing HRx Pharmacy's license in Nevada in 2020. During the renewal application I must have mistakenly misunderstood the question as it pertained to HRx Pharmacy the company rather then me personally. I selected no because my personal license has never been subject to any disciplinary actions that would violate pharmacy law. I understand this merits unprofessional conduct and conduct contrary to the public interest. I can assure you that in my violation of NAC 639.945(1)(h) was there never any jeopardy to the public of Nevada.

The violations cited to HRx Pharmacy in 2019 were corrected within days of the inspection and approved by the board in May 2020. I sincerely apologize for the misrepresentation of HRx Pharmacy to the Nevada Board of Pharmacy on my renewal application in October 2020. I had no intention whatsoever to answer the question incorrectly.

If at all possible I would appreciate the opportunity to resolve this matter without having to attend the scheduled hearing July 13, 2022. In March of 2013 I broke my neck in a Lake Tahoe snowboarding accident, coincidentally I had spinal surgery in Reno at Renown Medical Center. I am unfortunately a quadriplegic because of the injury and traveling is difficult for me.

6. Respondent admits that evidence exists, and that Board staff prosecuting this case could present such evidence at an administrative hearing to establish a factual basis for the violations alleged therein, *to wit,* that:

A. In violation of NRS 639.281(1) and NAC 639.945(1)(h), HRX falsely certified to the Board on its 2020 renewal application for that HRX had not been subject to a board citation or an administrative action and that its license had not been subjected to any discipline for violation of pharmacy or drug laws in any state and is therefore subject to discipline pursuant to NRS 639.210(4), (9) and (10).

7. The above cited violations of law are plead with particularity in the Accusation and are grounds for action pursuant to NRS 639.210(4), (9), and/or (10), as well as NRS 639.255.

8. Based upon the Accusation and the foregoing admissions, the Board and HRX stipulate to the below listed penalties. Respondent HRX Pharmacy, LLC, Certificate of Registration No. PH03651, shall:

A. Pay a fine of Five Thousand Dollars ($5,000.00) for the violations; and

B. Pay Five Hundred Dollars ($500.00) to partially reimburse the Board for recoverable attorney's fees and costs incurred in investigating and prosecuting this matter.

9. Any failure by any Respondent to comply with the terms of this Order may result in issuance by the Executive Secretary of an order to show cause pursuant to NAC 639.965 directing that Respondent to appear before the Board at the next regularly scheduled meeting for a show cause hearing. If such a hearing results in a finding of a violation of this Order by that Respondent, the Board may impose additional discipline upon that Respondent consistent with the provisions of NRS Chapter 639.

10. The Board's Assistant General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on July 13, 2022, in Reno, Nevada. Respondent may appear at the meeting via remote technology to answer questions

from the Board Members and/or Board Staff. The Board Members and Staff may discuss and deliberate regarding this Stipulation, even if Respondent and/or its counsel are not present at the meeting.

11. The Board has discretion to accept this Stipulation, but it is not obligated to do so. If this Stipulation is approved by the Board, it shall be a public record pursuant to NRS 622.330.

12. If the Board rejects any part or all of this Stipulation, and unless they reach an alternative agreement on the record during the hearing, the parties agree that a full hearing on the merits of this matter may be heard by the Board. The terms and admissions herein may not be used or referred to in a full hearing on the merits of this matter.

13. Upon approval of this Stipulation by the Board, Respondent shall pay the fines agreed to herein by *personal, business, certified, or cashier's check, or money order* made payable to "State of Nevada, Office of the Treasurer," to be received by the Board's Reno office located at 985 Damonte Ranch Parkway – Suite 206, Reno, Nevada 89521, within thirty (30) days of the effective date of this Order.

15. Subject to the approval of this Stipulation by the Board, the Board and Respondent, agree to release each other from any and all additional claims arising from the facts set forth in the Accusation on file herein, whether known or unknown that might otherwise have existed on or before the effective date of this Order.

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **WILLIAM CLARK, D.O.** **Certificate of Registration No. CS18697** **Respondent.**	**Case Nos. 21-048-CS-N** **ANSWER AND NOTICE OF DEFENSE OF WILLIAM CLARK, D.O.**

Respondent William Clark, D.O., hereby files with the Nevada State Board of Pharmacy ("Board"), his Answer and Notice of Defense to the Notice of Intended Action and Accusation ("Accusation") filed on May 11, 2022.

ANSWER TO ACCUSATION

Jurisdiction

Dr. Clark agrees that the Board has jurisdiction in this matter as set forth in Paragraph 1. Dr. Clark further answers the Factual Allegations set forth in the Accusation as follows:

Factual Allegations: Paragraphs 2-5

Paragraph 2: Dr. Clark agrees and acknowledges the factual assertions set forth in Paragraph 2.

Paragraph 3: Dr. Clark agrees and acknowledges that he prescribed Oxycodone, as well as other controlled substances, to patients who were seen for chronic pain management. Dr. Clark denies the remaining allegations contained in Paragraph 3 that he diverted Oxycodone from

prescriptions surrender by patients for destruction. Dr. Clark did require patients who were not responding well to a particular pain medication to return to the practice with their unused medication for a pill count, which was performed in front of patients, before the pills were destroyed.

Paragraph 4: Dr. Clark agrees and acknowledges that the factual assertions set forth in Paragraph 4 are accurate.

Paragraph 5: Dr. Clark agrees and acknowledges that he surrendered his DEA registration for cause, believing that the "cause", as more fully described below, was that he had failed to register as a collector with the DEA in order to legally collect and disposed of unused controlled substances from his patients.

Paragraph 6: Dr. Clark agree and acknowledges that the factual assertions set forth in Paragraph 6 are accurate.

Applicable Law: Paragraphs 7-13

Dr. Clark agrees that Paragraphs 7-13 of the Accusation accurately reflect current Nevada and federal law.

Causes of Action: Paragraphs 14-20

First cause of action (paragraphs 14): Dr. Clark denies that he diverted, acquired, or used controlled substances as alleged in violation of the laws cited in paragraph 14.

Second cause of action (paragraphs 15): Dr. Clark denies that he diverted, acquired, or used controlled substances as alleged in violation of the laws cited in paragraph 15.

Third cause of action (paragraph 16): Dr. Clark denies that he diverted, acquired, possessed or used controlled substances as alleged in violation of the laws cited in paragraph 16.

Fourth cause of action (paragraph 17): Dr. Clark denies that he diverted, acquired, possessed or used controlled substances as alleged and denies that he was party to any fraudulent or deceitful practice or transaction or engaged in any unprofessional conduct or conduct contrary to the public interest.

Fifth cause of action (paragraphs 18-19): Dr. Clark admits that he surrendered his DEA registration for cause, but as noted above, believed the surrender to be predicated on the fact that he was not registered with the DEA to collect and dispose of unused medications from his patients.

Sixth cause of action (paragraph 20): Dr. Clark disagrees to the extent that NRS 453.231 and NRS 453.236(1) refer to a suspension or revocation of a federal registration; Dr. Clark's federal registration was surrendered, not revoked or suspended. Dr. Clark further denies that he has engaged in conduct that is contrary to the public interest.

NOTICE OF DEFENSE/MITIGATING INFORMATION

Mitigating Information

Dr. Clark was first licensed as a physician in the state of Nevada by the Nevada State Board of Osteopathic Medicine in 2008. Dr. Clark, trained in the specialty of anesthesiology, opened his own practice in 2014 after working at Nevada Pain and Spine. Dr. Clark's practice included a component of pain medicine and patients were treated with both with injections and prescribed controlled substances as appropriate in addition to other modalities. Dr. Clark prescribed all controlled substances in compliance with the requirements for the prescribing of opioids for chronic pain which were enacted after the 2017 and 2019 Nevada Legislative sessions.

It had been Dr. Clark's practice that if a pain patient was not responding well to a prescribed medication, especially a controlled substance, prior to issuing a different prescription for a patient, he would require the patient to return to the practice with their unused medication so that the patient

would not be in possession of two controlled substances (unless prescribed purposefully) at any one time. Pursuant to Dr. Clark's protocol, a pill count of the patient's remaining medication would be conducted in the presence of the patient and the medication would be logged prior to properly disposing of the medication. Unfortunately, Dr. Clark was unaware of the requirement to be registered with the DEA as a collector in order to collect and disposed of unused controlled substances from a patient.

On October 20, 2021, investigators from the DEA and the Nevada State Board of Pharmacy met with him at his practice location. He was notified by the DEA investigator that there were concerns about his collection of controlled substances from his patients. Dr. Clark was never advised that he was alleged to have diverted any controlled substances for his personal use or the use of others. He was in essence informed that if he did not immediately surrender his DEA registration, he would be subject to potential criminal charges without further explanation as to what conduct potential criminal charges would be based. Accordingly, Dr. Clark, without the advice of counsel, signed the surrender document provided by the DEA investigator.

Dr. Clark has no desire to engage in the practice of pain management in the future.

Respectfully submitted this 27th day of June, 2022.

Case No. 21-176-MP-N

Norco acknowledges the lack of the proper MDEG license with regards to furnishing medical oxygen at our 740 Fairgrounds Rd location in Winnemucca Nevada prior to the Notice from the Nevada State Board of Pharmacy in November of 2021. Norco has a long history of providing medical gases in the Northwest and is aware of the importance of proper licensure and quality measures with regards to medical oxygen. Regarding the missing licensure for our Winnemucca location, this was purely an oversite on Norco's part. Norco prides itself on being a responsible member of the communities we operate in and as such we intend to secure the proper licensure and abide by the Board's rules regarding medical oxygen.

Once the notice was received, Norco immediately complied with the cease-and-desist order and halted all medical oxygen sales from our Winnemucca location. Norco has applied for the required MDEG licensure to meet with Nevada State Board of Pharmacy requirements. Additionally, through this process, it was determined that Norco should apply for a Wholesale license at our Winnemucca location, in addition to the MDEG licensure noted in the cease-and-desist order. This Wholesale application is also being submitted for approval.

Norco, sincerely regrets the oversight that led to the lack of proper licensure at our Winnemucca NV location and looks forward to working with the Nevada State Board of Pharmacy to ensure compliance with licensure requirements and continue to serve the needs of the Winnemucca community and healthcare providers.

Sincerely,

Re: CEASE and DESIST: Unlicensed Activity (Case No. 21-176-N)

Dear Mr. Kruse:

The Nevada State Board of Pharmacy (Board) has determined that Norco Industrial is engaged in the business of furnishing medical devices in Nevada, specifically medical oxygen, from 740 Fairgrounds Road in Winnemucca. This constitutes a violation of Nevada law, including, without limitation, NRS 639.233(1), NRS 639.288, NAC 639.6942(2) and/or NAC 639.6944(1).

Norco Industrial are hereby ordered pursuant to NRS 639.2895(1) to immediately CEASE and DESIST engaging in the business of furnishing medical devices from 740 Fairgrounds Road in Winnemucca. This does not preclude Norco Industrial from furnishing medical oxygen to facilities in Winnemucca directly from its licensed operation located at 440 30th Street in Elko, Nevada License No. MP00047.

If you have any questions, please do not hesitate to contact me at 775-850-1440 or bkandt@pharmacy.nv.gov.

A. Respondent is licensed to operate and engage in the business of furnishing medical devices in Nevada at 440 30th Street in Elko;

B. On or about November 2, 2021, Respondent was served with notice pursuant to NRS 639.2895 to cease and desist engaging in the business of furnishing medical devices in Nevada, specifically medical oxygen, from a second location at 740 Fairgrounds Road in Winnemucca without a license; and

10. Any failure by Respondent to comply with the terms of this Order may result in issuance by the Executive Secretary of an order to show cause pursuant to NAC 639.965 directing Respondent to appear before the Board at the next regularly scheduled meeting for a show cause hearing. If such a hearing results in a finding of a violation of this Order by Respondent, the Board may impose additional discipline upon Respondent not inconsistent with the provisions of NRS Chapter 639.

11. General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on July 13, 2022. Brett Kandt, General Counsel for Petitioner the Nevada State Board of Pharmacy (Board), and Respondent Nathan Dahl, R.Ph., Certificate of Registration No. 17735, by and through counsel, William J. Stilling, Esq. **HEREBY STIPULATE AND AGREE THAT**:

1. The Board has jurisdiction over Respondent and this matter.

2. On or about May 11, 2022, Respondent was served with the Notice of Intended Action and Accusation (Accusation) on file in this matter together with the Statement to Respondent and Notice of Hearing.

3. Respondent is fully aware of the right to seek the advice of counsel in this matter and obtained the advice of counsel prior to entering into this Stipulation.

4. Respondent is aware of the right to a hearing on the matters alleged in the Accusation, the right to reconsideration, the right to appeal and any and all other rights which may be accorded to him pursuant to NRS Chapter 233B (Nevada Administrative Procedure Act), NRS Chapter 622A (Administrative Procedure Before Certain Regulatory Bodies), and NRS Chapter 639 (Nevada Pharmacy Act).

5. Conditioned on the acceptance of this Stipulation by the Board, and with the exception of the right to challenge any determination that Respondent has failed to comply with the provisions of this Stipulation, Respondent hereby freely and voluntarily waives the rights to a hearing, reconsideration, appeal and any and all other rights related to this action that may be

accorded by NRS Chapter 233B (Nevada Administrative Procedure Act), NRS Chapter 622A (Administrative Procedure Before Certain Regulatory Bodies), and NRS Chapter 639 (Nevada Pharmacy Act).

6. Respondent does not contest the allegations in the Accusation, but acknowledges that Board staff prosecuting this case could present such evidence at an administrative hearing to establish a factual basis for the violations alleged therein, *to wit,* that:

A. On or about August 3, 2020, D.J.G. was prescribed Abilify (Generic Name: Aripiprazole) 2mg, 30 tablets. The prescription was transmitted to Dahl's Pharmacy of Fernley and designated as prescription no. 1612501;

C. Dahl's Pharmacy of Fernley identified the error for prescription no. 1612501 prior to refilling the prescription and promptly reported the error to the prescribing practitioner.

7. Those violations are pled with particularity in the Accusation, and are grounds for action pursuant to NRS 639.210 and NRS 639.255.

8. To resolve this matter without incurring any further costs or the expense associated with a hearing, the Board and Respondent stipulate to the following penalties. Respondent Nathan Dahl, R.Ph., Certificate of Registration No. 17735, shall:

A. Pay a fine of Five Hundred Dollars ($500.00) for the violations by personal, business, certified or cashier's check or money order made payable to "State of Nevada, Office of the Treasurer," to be received by the Board's Reno office located at 985 Damonte Ranch Parkway – Suite 206, Reno, Nevada 89521, within thirty (30) days of the effective date of this Order; and

B. 9. Any failure by Respondent to comply with the terms of this Order may result in issuance by the Executive Secretary of an order to show cause pursuant to NAC 639.965 directing Respondent to appear before the Board at the next regularly scheduled meeting for a show cause hearing. If such a hearing results in a finding of a violation of this Order by Respondent, the Board may impose additional discipline upon Respondent not inconsistent with the provisions of NRS Chapter 639.

10. General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on July 13, 2022. 11. If the Board rejects any part or all of this Stipulation, and unless they reach an alternative agreement on the record during the hearing, the parties agree that a full hearing on the merits of this matter may be heard by the Board. The terms and admissions herein may not be used or referred to in a full hearing on the merits of this matter.

12. Subject to the approval of this Stipulation by the Board, the Board and Respondent agree to release each other from any and all additional claims arising from the facts set forth in the Accusation on file herein, whether known or unknown that might otherwise have existed on or before the effective date of this Order.

BEFORE THE BOARD OF MEDICAL EXAMINERS OF THE STATE OF NEVADA

In the Matter of Charges and Complaint Against: SHERMAN WASHINGTON, M.D., Respondent.	**Case No. 21-41427-1**

FILED
AUG 30 2021
NEVADA STATE BOARD OF MEDICAL EXAMINERS
By:

COMPLAINT

The Investigative Committee[1] (IC) of the Nevada State Board of Medical Examiners (Board), by and through Aaron Bart Fricke, J.D., General Counsel and attorney for the IC, having a reasonable basis to believe that Sherman Washington, M.D., (Respondent) violated the provisions of Nevada Revised Statutes (NRS) Chapter 630 and Nevada Administrative Code (NAC) Chapter 630 (collectively, the Medical Practice Act), hereby issues its Complaint, stating the IC's charges and allegations as follows:

1. Respondent was at all times relevant to this Complaint a medical doctor holding an active license to practice medicine in the State of Nevada (License No. 15168). Respondent was originally licensed by the Board on February 7, 2014.

I. STATEMENT OF LAW

A. "Medical Directors," Medical Assistants, and the Unlicensed Practice of Medicine

2. NRS 630.305(1)(e) provides that aiding, assisting, employing or advising, directly or indirectly, any unlicensed person to engage in the practice of medicine, contrary to the provisions of NRS Chapter 630 or the regulations of the Board, is grounds for disciplinary action or denying licensure.

[1] The Investigative Committee of the Nevada State Board of Medical Examiners, at the time this formal Complaint was authorized for filing, was composed of Board Members Victor M. Muro, M.D., Chair, Weldon Havins, M.D., J.D., and Ms. Maggie Arias-Petrel.

3. Pursuant to NRS 630.020(1)-(4), the "Practice of medicine" means:

> 1. To diagnose, treat, correct, prevent or prescribe for any human disease, ailment, injury, infirmity, deformity or other condition, physical or mental, by any means or instrumentality, including, but not limited to, the performance of an autopsy.
>
> 2. To apply principles or techniques of medical science in the diagnosis or the prevention of any such conditions.
>
> 3. To perform any of the acts described in subsections 1 and 2 by using equipment that transfers information concerning the medical condition of the patient electronically, telephonically or by fiber optics, including, without limitation, through telehealth, from within or outside this State or the United States.
>
> 4. To offer, undertake, attempt to do or hold oneself out as able to do any of the acts described in subsections 1 and 2.

4. NRS 630.400(1)(d) provides that it is unlawful to practice medicine without being licensed under NRS Chapter 630.

5. Pursuant to NRS 630.400(2) and NRS 193.130(c) and (d), the unlawful practice of medicine is a felony, punishable by imprisonment in the state prison for a minimum term of not less than one (1) year and a maximum term of not more than five (5) years.

6. Pursuant to the Medical Practice Act, the only means by which a practitioner may lawfully aid, assist, employ or advise, directly or indirectly, an unlicensed person to engage in the practice of medicine, is by delegating specific tasks to an adequately supervised and trained "medical assistant."

7. Pursuant to NRS 630.0129, a "medical assistant" means a person who:

> (a) performs clinical tasks under the supervision of a practitioner, and
>
> (b) does not hold a license, certificate or registration issued by a professional licensing or regulatory board in this State to perform such clinical tasks; the term does not include a person who performs only administrative, clerical, executive or other nonclinical tasks.

8. Pursuant to NRS 630.306(1)(r), a practitioner must adequately supervise his or her medical assistants, and failing to do so is grounds for initiating disciplinary action or denying licensure.

9. Pursuant to NAC 630.830, a delegating practitioner is professionally responsible for the safety and performance of each task which is delegated to a medical assistant. Pursuant to NAC 630.810, a delegating practitioner may not delegate tasks to a medical assistant unless: (a) the

delegating practitioner knows that the medical assistant possesses the knowledge, skill and training to perform the task safely and properly; (b) the medical assistant is not required to be certified or licensed to perform that task; and (c) the medical assistant is employed by the delegating practitioner or the medical assistant and the delegating practitioner are employed by the same employer.

10. Pursuant to NAC 630.830(4), a delegating practitioner shall not delegate or otherwise allow a medical assistant to administer an anesthetic agent which renders a patient unconscious or semiconscious.

11. Pursuant to NAC 630.820, a delegating practitioner may not remotely supervise a medical assistant, except in a specific case of emergency in a rural area.[2]

12. Except as otherwise provided in NAC 630.820, pursuant to NAC 630.810, if a medical assistant is delegated a task which involves an "invasive procedure," [3] the delegating practitioner must be immediately available to exercise oversight in-person while the medical assistant performs the task.

13. The term "medical director" is not recognized or defined under the Medical Practice Act, and no law authorizes a licensee of the Board to, by calling himself or herself a "medical director," violate or circumvent the aforementioned statutes and regulations of the Medical Practice Act.

14. Accordingly, pursuant to NRS 630.400(1)(d), 630.305(1)(e), and 630.0129, and NAC 630.800-830:

a. A practitioner who, whether by serving as a so-called "medical director" or by some other relationship or circumstance, aids, assists, employs or advises, directly or indirectly, any unlicensed person to engage in the practice of medicine, may lawfully do so only by delegating tasks

---

[2] Remote supervision of a medical assistant is prohibited unless: (a) the patient is located in a rural area; (b) the delegating practitioner is physically located a significant distance from the location where the task is to be performed; (c) the delegating practitioner determines that the exigent needs of the patient require immediate attention; (d) the patient and the delegating practitioner previously established a practitioner-patient relationship; and (e) the delegating practitioner is immediately available by telephone or other means of instant communication during the performance of the task by the medical assistant. As used in NAC 630.820, "rural area" means any area in this State other than Carson City or the City of Elko, Henderson, Reno, Sparks, Las Vegas or North Las Vegas.

[3] The Medical Practice Act does not define "invasive procedure," however, NAC 449.9733 pertaining to Medical Facilities defines "invasive procedure" as "a medical procedure involving entry into the human body by puncture or incision or by insertion of an instrument."

to an adequately supervised and properly trained medical assistant, who the delegating practitioner knows possesses the knowledge, skill and training to perform the task safely and properly, and the delegating practitioner is professionally responsible for the safety and performance of each task which is delegated to that medical assistant.

b. A practitioner who, whether by serving as a so-called "medical director" or by some other relationship or circumstance, aids, assists, employs or advises, directly or indirectly, any unlicensed person to engage in the practice of medicine, but who has not done so by delegating specific tasks to an adequately supervised and properly trained medical assistant, has violated NRS 630.305(1)(e), and is subject to discipline for aiding and abetting the unlicensed practice of medicine. In addition, the unlicensed person engaged in the practice of medicine has violated NRS 630.400(1)(d), by practicing medicine without a license.

c. A practitioner who delegates a medical task to a medical assistant, whether by serving as a so-called "medical director" or by some other relationship or circumstance, remains professionally responsible for, among other requirements, ensuring the following:

i. The safety and performance of each task delegated;

ii. The proper employment relationships between themselves and the medical assistant or their common employer;

iii. The medical assistant is sufficiently knowledgeable, trained and skilled to perform the tasks delegated to them;

iv. The medical assistant is adequately supervised, and the practitioner must be nearby to supervise the specific medical tasks delegated, and, if it is an invasive medical task, then the delegating practitioner must be immediately available to exercise oversight in-person while the medical assistant performs the task; and

v. The medical assistant does not administer an anesthetic agent which renders a patient unconscious or semiconscious.

d. A practitioner who delegates a medical task to a medical assistant, whether by serving as a so-called "medical director" or by some other relationship or circumstance, and who violates the aforementioned provisions of the NRS or NAC pertaining to medical assistants, and

who fails to adequately supervise that medical assistant as required under the circumstances, has violated NRS 630.306(1)(r), and is subject to discipline for failing to adequately supervise a medical assistant.

B. Cosmetologists, "Medical Spas" and "Medical Aestheticians," and the Unlicensed Practice of Medicine

15. Pursuant to NRS 644A.030 a licensed "cosmetologist" is not authorized by such license to practice medicine in any way. Rather, a licensed cosmetologist is authorized to perform only non-medical, cosmetology services, such as cleansing, stimulating or massaging the scalp or cleansing or beautifying the hair by the use of cosmetic preparations, antiseptics, tonics, lotions or creams, cutting, trimming or shaping the hair, removing hair by the use of depilatories, waxing, tweezing or sugaring, except for the permanent removal of hair with needles, manicuring nails, massaging the skin, giving facials, and other miscellaneous non-medical, cosmetological services.

16. Pursuant to NAC 644A.790 a cosmetologist is further explicitly prohibited from performing "invasive procedures," which mean, for the purposes of professional licensing of cosmetologists, "an act that affects the structure or function of the skin other than the uppermost layers of the skin," and which, for the sake of regulating the practice of cosmetologists, includes, without limitation, (a) the application of electricity for the sole purpose of contracting a muscle, (b) the application of a topical lotion, cream or other substance which affects anything other than the uppermost layers of the skin, (c) the penetration of the skin by needles, and (d) the abrasion of the skin below the uppermost layers of the skin.

17. Further, there is no such license as "medical aesthetician" or "medical cosmetologist" authorized by any Nevada law or issued by any Nevada sanctioned professional licensing body. On the contrary, NAC 644A.870 specifically prohibits cosmetologists and aestheticians from using the terms "expert," "advanced" or "medical" in connection with any description of their practice in any branch of cosmetology or otherwise holding the licensee out to the public as an expert, advanced or medical practitioner of any branch of cosmetology.

18. Accordingly, a Nevada licensed cosmetologist or aesthetician may not refer to himself or herself as a "medical cosmetologist" or "medical aesthetician" in connection with any

description of their practice, and may not, in fact, practice medicine in any way or perform invasive medical procedures or medical services of any kind, unless they do so as a "medical assistant" to a Nevada licensed medical professional, i.e., either as medical assistant to a Nevada licensed physician or physician assistant pursuant to NRS 630.0129, et. seq., and NAC 630.800-830, as described above, or similarly as another type of professional "assistant," "hygienist," "technician," or other such designation, who is delegated tasks by and under the direct supervision of a medical professional who is duly licensed pursuant to chapters 631 to 637, inclusive, 639 or 640 of NRS, and who remains professionally responsible for their conduct.

19. If a cosmetologist or aesthetician practices medicine in any way, unless he or she acts as a medical assistant and is delegated tasks and is properly supervised by a professional medical practitioner, then he or she is violating NRS 630.400(1)(d) by practicing medicine without a license.

C. Nevada Pharmacy Laws Regarding Controlled Substances, Dangerous Drugs and Hypodermic Devices

20. NRS 630.306(1)(b)(3) provides that engaging in conduct that violates a regulation adopted by the Nevada State Board of Pharmacy (Pharmacy Board) is grounds for initiating disciplinary action against a licensee.

21. Pursuant to NRS 630.3062(1)(h), fraudulent, illegal, unauthorized or otherwise inappropriate prescribing, administering or dispensing of a controlled substance listed in schedule II, III or IV is grounds for initiating disciplinary action or denying licensure.

22. Pursuant to 21 Code of Federal Regulations (CFR) §1306.04(a)-(b) and NRS 453.381, a physician or physician assistant may prescribe or administer controlled substances only for a legitimate medical purpose and in the usual course of his or her professional practice. The responsibility for the proper prescribing and dispensing of controlled substances is upon the prescribing practitioner, and a prescription may not be issued in order for an individual practitioner to obtain controlled substances for supplying the individual practitioner for the purpose of general dispensing to patients. *See* 21 CFR §1306.04(a)-(b).

///

23. Pursuant to NRS 454.201, a "dangerous drug" is any drug, other than a controlled substance, unsafe for self-medication or unsupervised use, and includes, among other things, (1) any drug which has been approved by the Food and Drug Administration for general distribution and bears the legend: "Caution: Federal law prohibits dispensing without prescription," and (2) any drug which, pursuant to the Board's regulations, may be sold only by prescription because the Board has found those drugs to be dangerous to public health or safety.

24. Pursuant to NRS 454.316 and NRS 454.321, it is unlawful to possess, dispense or furnish a dangerous drug except when furnished to the person by a pharmacist pursuant to a legal prescription from a practitioner.

25. Pursuant to NRS 454.009, a "hypodermic" device is any syringe, needle, instrument, device or implement intended or capable of being adapted for the purpose of administering drugs by subcutaneous, intramuscular or intravenous injection.

26. Pursuant to NRS 454.510, it is unlawful for any person to have in his or her possession or under his or her control any hypodermic device that is restricted by federal law to sale by or on the order of a physician, unless the person has acquired possession of such device in accordance with the provisions of NRS 454.480 to 454.530, inclusive, that is, by sale from a licensed pharmacist, on the prescription of a physician or other practitioner, which prescription is filled as required by NRS 639.236, and may be refilled as authorized by the prescriber.

27. Accordingly, pursuant to NRS 454.009, 454.201, 454.316, 454.321 and 454.510, any person who is not a practitioner as defined in NRS 639.0125 is not permitted by Nevada law to possess, control, access, prescribe, administer, and/or dispense dangerous drugs or hypodermic devices, except as a medical assistant under the direct supervision of a Nevada licensed physician, physician assistant, or other licensed medical professional, and then, only if otherwise permitted and in compliance with laws of regulating pharmacies and pharmaceuticals.

28. NAC 639.742(1) provides that a practitioner who wishes to dispense controlled substances or dangerous drugs must apply to the Pharmacy Board for a certificate of registration to dispense controlled substances or dangerous drugs. A practitioner must submit a separate application for each site of practice, including, without limitation, any remote site or satellite

consultation site, from which the practitioner wishes to dispense controlled substances or dangerous drugs.

29. NAC 639.742(2) provides that if a facility from which the practitioner intends to dispense dangerous drugs or controlled substances is not wholly owned and operated by the practitioner, the owner or owners of the facility must also submit an application to the Pharmacy Board for a license to do so.

30. NAC 639.742(3) provides in pertinent part that a dispensing practitioner and, if applicable, the owner or owners of the facility, shall ensure that:

> . . . (b) All drugs are received and accounted for by the dispensing practitioner;
>
> (c) All drugs are stored in a secure, locked room or cabinet to which the dispensing practitioner has the only key or lock combination;
>
> (d) All drugs are dispensed in accordance with NAC 639.745[4];

---

[4] NAC 639.745 Duties of certain practitioners concerning dispensing of controlled substances and dangerous drugs. (NRS 639.070, 639.0727)

1. Each practitioner who is registered with the Board to dispense controlled substances and dangerous drugs, including, without limitation, a dispensing practitioner, and who dispenses such products for use by the practitioner's patients outside his or her presence shall:

(a) Keep complete, accurate and readily retrievable records of each controlled substance and dangerous drug purchased and dispensed. The record for each such product dispensed to a patient must include:

(1) The name of the patient and, if not readily available from the practitioner's records, the patient's address;

(2) The name, strength and quantity of the prescribed controlled substance or dangerous drug;

(3) The directions for use;

(4) The date the prescription was issued; and

(5) A unique identifying number.

(b) Maintain a separate file for the records concerning the purchase of each controlled substance listed in schedule II and a separate file for the records concerning the dispensing of each controlled substance listed in schedule II. Each prescription for a controlled substance or dangerous drug must be maintained in a separate file pursuant to the requirements set forth in NAC 453.480.

(c) Keep all controlled substances and dangerous drugs in a locked storage area. Access to the storage area must be restricted to the persons described in NRS 453.375.

(d) Ensure that each package or container in which a controlled substance is dispensed, except samples in the manufacturer's packages, is clearly labeled pursuant to the requirements set forth in NRS 639.2801.

(e) Ensure that the package or container in which a controlled substance or dangerous drug is dispensed complies with all state and federal packaging requirements.

(f) Be deemed to be a pharmacy as that term is used in NAC 639.926 and shall comply with that section.

2. A practitioner may dispense dangerous drugs or controlled substances only after the patient has been informed by the practitioner that the patient may request a written prescription and have it filled at another location of the patient's choosing.

3. A record regarding the dispensing of a controlled substance or dangerous drug made and kept pursuant to this section must be maintained on paper or in a computer. If the record is:

(a) Maintained on paper, the record must:

(1) Include all the information required to be on the prescription pursuant to NRS 639.2353 and NAC 453.440;

> (e) No prescription is dispensed to a patient unless the dispensing practitioner is on-site at the facility;
>
> (f) All drugs are dispensed only to the patient personally at the facility;
>
> . . . (h) All drugs are dispensed only for medically necessary purposes and according to prevailing standards of care for practitioners practicing in the specialty claimed or practiced by the dispensing practitioner; and
>
> (i) The certificate for each dispensing technician employed at the facility is displayed in the room or cabinet in which drugs are stored.

31. NAC 639.742(4)(a)-(b) provide, in-part, with regard to the filling and dispensing of prescriptions at a facility, only the dispensing practitioner or a dispensing technician may enter the locked room or cabinet in which drugs are stored and/or remove drugs from stock.

32. NAC 639.945(1) provides in pertinent part that the following acts or practices by a holder of any license, certificate or registration issued by the Pharmacy Board or any employee of any business holding any such license, certificate or registration are declared to be, specifically but not by way of limitation, unprofessional conduct and conduct contrary to the public interest:

> ...(g) Supplying or diverting drugs, biologicals, medicines, substances or devices which are legally sold in pharmacies or by wholesalers, so that unqualified persons can circumvent any law pertaining to the legal sale of such articles.
>
> . . . (i) Performing any of his or her duties as the holder of a license, certificate or registration issued by the Board, or as the owner of a business or an entity licensed by the Board, in an incompetent, unskillful or negligent manner.
>
> . . . (n) Dispensing a drug as a dispensing practitioner to a patient with whom the dispensing practitioner does not have a bona fide therapeutic relationship.
>
> (o) Prescribing a drug as a prescribing practitioner to a patient with whom the prescribing practitioner does not have a bona fide therapeutic relationship.

---

(2) Set forth on the front of the prescription a certification initialed and dated by the patient that the patient has been informed by the practitioner in accordance with subsection 2 and that the patient has agreed to have the practitioner dispense the controlled substance or dangerous drug; and

(3) Be serially numbered and kept in numerical order in a single file for all dispensing practitioners, including, without limitation, physician assistants and advanced practice registered nurses, practicing at the same location.

(b) Maintained in a computer, the record must:

(1) Include all the information required to be on the prescription pursuant to NRS 639.2353 and NAC 453.440;

(2) Contain a certification, either in the computer or a separate paper document, initialed and dated by the patient that the patient has been informed by the practitioner in accordance with subsection 2 and that the patient has agreed to have the practitioner dispense the controlled substance or dangerous drug; and

(3) Be searchable for any item required by paragraph (a) of subsection 1 to be included in the record.

33. NAC 639.945(2) provides that the owner of any business or facility licensed, certified or registered by the Pharmacy Board is responsible for the acts of all personnel in his or her employ.

34. NAC 639.945(3) provides that, for purposes of applying Pharmacy Board regulations:

> [A] bona fide therapeutic relationship between the patient and practitioner shall be deemed to exist if the patient was examined in person, electronically or telephonically by the practitioner within the 6 months immediately preceding the date the practitioner dispenses or prescribes a drug to the patient and, as a result of the examination, the practitioner diagnosed a condition for which a given drug therapy is prescribed.

35. Accordingly, any physician or physician assistant who—whether by serving as a so-called "medical director" of, or by furnishing dangerous drugs or hypodermic devices to, or by some other relationship or circumstance with any "medical spa" wherein dangerous drugs or hypodermic devices are possessed, controlled, accessed, prescribed, administered, and/or dispensed—engages in conduct that violates any regulation adopted by the Pharmacy Board, including but not limited to NAC 639.742(1)-(3), (4)(a)-(b), or 639.945(1)-(3), has violated the Nevada Medical Practice Act and is subject to discipline by the Board.

II. THE PERTINENT HISTORY OF CRIMINAL AND UNPROFESSIONAL CONDUCT OF TAMMY LYNN HANKINS, PA-C

36. On or about March 1, 2012, in the Superior Court of the State of Arizona, in and for the County of Mohave (Arizona Court), in Case No. CR-2012-00287, a Grand Jury indicted Tammy Lynn Hankins (Hankins), a physician assistant who at that time held a license to practice medicine in the State of Arizona, on five (5) criminal counts of violations of Arizona law, including COUNT 1: FRAUDULENT SCHEMES AND ARTIFICES, CLASS 2 FELONY; COUNT 2: OBTAIN OR PROCURE THE ADMINISTRATION OF A NARCOTIC DRUG BY FRAUD, CLASS 3 FELONY; COUNT 3: OBTAINING A DANGEROUS DRUG BY FRAUD, CLASS 3 FELONY; COUNT 4: ATTEMPTED OBTAINING A DANGEROUS DRUG BY FRAUD, CLASS 4 FELONY; COUNT 5: ATTEMPTED OBTAINING A DANGEROUS DRUG BY FRAUD, CLASS 4 FELONY.

Hankins' Arizona Case History

37. On or about November 28, 2012, the Arizona Regulatory Board of Physician Assistants ("Arizona Board"), in Case No. PA-11-0127A, found Hankins, who had been the holder of a license to practice medicine as a physician assistant in the State of Arizona (License No. 2228), guilty of unprofessional conduct. Specifically, the Arizona Board found Hankins guilty with respect to two (2) patients, Patient JC and Patient MW, determining that Hankins deviated from the standard of care by inappropriately and excessively prescribing controlled substances to patients, risking addiction or overdose with a possible fatal outcome.

38. For the foregoing misconduct, the Arizona Board found Hankins guilty of unprofessional conduct pursuant to Arizona Revised Statute (ARS) §32-2501(18)(i) ("prescribing or dispensing controlled substances or prescription-only drugs for which the physician assistant is not approved or in excess of the amount authorized pursuant to this chapter"); ARS §32-2501(18)(j) ("any conduct or practice that is or might be harmful or dangerous to the health of a patient or the public"); ARS § 32-2501 (18)(p) ("failing or refusing to maintain adequate records on a patient"), and ARS § 32-2501(18)(z) ("failing to furnish legally requested information to the [Arizona Board] or its Investigator in a timely manner."). The Arizona Board also found that a practice restriction was needed in order to protect the public, and ordered that Hankins be issued a Letter of Reprimand, placed on probation for one (1) year with additional conditions and restrictions.

Expiration of Hankins's Arizona License

39. Hankins's license to practice medicine as a physician assistant in the State of Arizona (License No. 2228) was due for renewal by June 1, 2013; Hankins did not renew, and her Arizona license expired by operation of law on May 20, 2014.

Arizona Criminal Conduct by Hankins

40. On or about September 14, 2013, the Arizona Court found that Hankins had knowingly, intelligently and voluntarily pled guilty to the offense of: COUNT 3: OBTAINING A DANGEROUS DRUG BY FRAUD, CLASS 3 FELONY. On or about October 2, 2013, the Arizona Court entered its judgment finding Hankins guilty of the foregoing charge, and sentenced Hankins to a suspended

///

imposition of sentence and placing the Defendant on probation for a period of four years commencing October 2, 2013, among other conditions of probation.

41. On or about January 17, 2014, pursuant to a Petition to Revoke Probation, the Arizona Court ordered that Hankins be held without bond pending hearing on said petition.

42. BEFORE THE ARIZONA MEDICAL BOARD

In the Matter of **SHERMAN WASHINGTON, JR., M.D.** Holder of License No. 48291 For the Practice of Allopathic Medicine In the State of Arizona.	**Case No. MD-19-1137A** **ORDER FOR LETTER OF REPRIMAND AND PROBATION; AND CONSENT TO THE SAME**

Sherman Washington, Jr., M.D. ("Respondent") elects to permanently waive any right to a hearing and appeal with respect to this Order for Letter of Reprimand and Probation; admits the jurisdiction of the Arizona Medical Board ("Board"); and consents to the entry of this Order by the Board.

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of license number 48291 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-19-1137A after receiving notification of a disciplinary action alert ("DAR") that the Virginia Board of Medicine ("Virginia Board") had reprimanded Respondent's Virginia medical license.

4. Effective November 14, 2019 Respondent entered into a Consent Order with the Virginia Board that issued Respondent's Virginia medical license a Reprimand and Monetary Penalty of $1500.00. The Virginia Board found that Respondent issued Schedule IV medications to six patients without a properly established physician-patient relationship. Additionally, the Virginia Board found that Respondent willfully refused to provide records for the six patients at issue despite repeated requests by Virginia Board staff. On January 15, 2020 the Virginia Board issued Respondent a letter of compliance and closed the case.

5. On November 22, 2019 the North Dakota Board of Medicine ("North Dakota Board") issued an Order pursuant to a Stipulation that required Respondent to complete an intensive, in-person medical recordkeeping course. The North Dakota Board found that a patient received medication in the mail from a compounding pharmacy in Texas that had been prescribed by Respondent. The patient did not have a prior physician-patient relationship with Respondent and had never met or spoken to prior to receiving the medication. Respondent failed to respond to the North Dakota Board's request for the patient's medical records.

6. On January 28, 2020 The Washington Medical Commission ("Washington Board") entered Findings of Fact, Conclusions of Law and Final Order of Default against Respondent's Washington medical license after Respondent failed to respond to an investigation into Respondent's prescribing practices ("Default Order").

7. On February 14, 2020 the Virginia Board issued an Order of Mandatory Suspension on Respondent's Virginia medical license based on the Washington Board's Default Order.

8. On March 6, 2020, The Colorado Medical Board ("Colorado Board") issued Respondent's Colorado medical license a Letter of Admonition based on the Virginia and North Dakota Board actions.

9. On March 16, 2020, The Pennsylvania State Board of Medicine ("Pennsylvania Board") issued an order reprimanding Respondent's expired Pennsylvania medical license based on the Virginia Board's action.

10. On July 16, 2020, the Washington Board entered into a Stipulation to Informal Discipline with Respondent to resolve the investigation ("Washington Stipulation"). The Washington Stipulation described allegations that Respondent prescribed medication to at least six patients without examining the patients or otherwise establishing a proper

physician-patient relationship. The Washington Stipulation required Respondent to complete terms and conditions including Continuing Medical Education ("CME") in ethics and submission of a remedial essay on issues relevant to the investigation.

11. On December 30, 2020 the Florida Board of Medicine ("Florida Board") issued a Final Order suspending Respondent's Florida medical license and requiring payment of an administrative fine. The Florida Board's Final Order arose out of a reciprocal investigation regarding the Washington Board's action, and Respondent's failure to report the Washington Board's Default Order indefinitely suspending his Washington medical license.

CONCLUSIONS OF LAW

a. The Board possesses jurisdiction over the subject matter hereof and over Respondent.

b. The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(p) ("Action that is taken against a doctor of medicine by another licensing or regulatory jurisdiction due to that doctor's mental or physical inability to engage safely in the practice of medicine, the doctor's medical incompetence or for unprofessional conduct as defined by that jurisdiction and that corresponds directly or indirectly to an act of unprofessional conduct prescribed by this paragraph. The action taken may include refusing, denying, revoking or suspending a license by that jurisdiction or a surrendering of a license to that jurisdiction, otherwise limiting, restricting or monitoring a licensee by that jurisdiction or placing a licensee on probation by that jurisdiction.").

ORDER

IT IS HEREBY ORDERED THAT:

1. Respondent is issued a Letter of Reprimand.

2. Respondent is placed on Probation for a period of six months with the following terms and conditions:

a. PBI Ethics Course

Respondent shall within 6 months of the effective date of this Order, complete the Medical Ethics and Professionals Course (ME-15) course offered by Professional Boundaries, Inc. ("PBI"). Respondent shall within thirty days of the effective date of this Order submit satisfactory proof of enrollment with Board staff. Upon completion of the CME, Respondent shall provide Board staff with satisfactory proof of attendance. Respondent shall sign any and all consents or releases necessary to allow for PBI to communicate to the Board directly and furnish PBI's "AIR" Letter after completion of the required CME. The CME hours shall be in addition to the hours required for the biennial renewal of medical licensure. Respondent shall not revoke any release prior to successful completion of the CME and maintenance and accountability seminars.

b. Obey All Laws

Respondent shall obey all state, federal and local laws, all rules governing the practice of medicine in Arizona, and remain in full compliance with any court ordered criminal probation, payments and other orders.

c. Probation Termination

Prior to the termination of Probation, Respondent must submit a written request to the Board for release from the terms of this Order. Respondent's request for release will be placed on the next pending Board agenda, provided a complete submission is received by Board staff no less than 30 days prior to the Board meeting. Respondent's request for release must provide the Board with evidence establishing that he has successfully satisfied all of the terms and conditions of this Order. The Board has the sole discretion to

determine whether all of the terms and conditions of this Order have been met or whether to take any other action that is consistent with its statutory and regulatory authority.

3. The Board retains jurisdiction and may initiate new action against Respondent based upon any violation of this Order. A.R.S. § 32-1401(27)(s)

DATED AND EFFECTIVE this 24th day of August, 2021.

ARIZONA MEDICAL BOARD

By Patricia E McSorley
Patricia E. McSorley
Executive Director

CONSENT TO ENTRY OF ORDER

1. Respondent has read and understands this Consent Agreement and the stipulated Findings of Fact, Conclusions of Law and Order ("Order"). Respondent acknowledges he has the right to consult with legal counsel regarding this matter.

2. Respondent acknowledges and agrees that this Order is entered into freely and voluntarily and that no promise was made or coercion used to induce such entry.

3. By consenting to this Order, Respondent voluntarily relinquishes any rights to a hearing or judicial review in state or federal court on the matters alleged, or to challenge this Order in its entirety as issued by the Board, and waives any other cause of action related thereto or arising from said Order.

4. The Order is not effective until approved by the Board and signed by its Executive Director.

5. All admissions made by Respondent in this Order are solely for final disposition of this matter and any subsequent related administrative proceedings or civil litigation involving the Board and Respondent. Therefore, said admissions by Respondent

are not intended or made for any other use, such as in the context of another state or federal government regulatory agency proceeding, civil or criminal court proceeding, in the State of Arizona or any other state or federal court.

6. Notwithstanding any language in this Order, this Order does not preclude in any way any other State agency or officer or political subdivision of this state from instituting proceedings, investigating claims, or taking legal action as may be appropriate now or in the future relating to this matter or other matters concerning Respondent, including but not limited to, violations of Arizona's Consumer Fraud Act. Respondent acknowledges that, other than with respect to the Board, this Order makes no representations, implied or otherwise, about the views or intended actions of any other state agency or officer or political subdivisions of the State relating to this matter or other matters concerning Respondent.

7. Upon signing this agreement, and returning this document (or a copy thereof) to the Board's Executive Director, Respondent may not revoke the consent to the entry of the Order. Respondent may not make any modifications to the document. Any modifications to this original document are ineffective and void unless mutually approved by the parties.

8. This Order is a public record that will be publicly disseminated as a formal disciplinary action of the Board and will be reported to the National Practitioner's Data Bank and on the Board's web site as a disciplinary action.

9. If any part of the Order is later declared void or otherwise unenforceable, the remainder of the Order in its entirety shall remain in force and effect.

10. If the Board does not adopt this Order, Respondent will not assert as a defense that the Board's consideration of the Order constitutes bias, prejudice, prejudgment or other similar defense.

11. Any violation of this Order constitutes unprofessional conduct and may result in disciplinary action. A.R.S. § § 32-1401(27)(s) ("[v]iolating a formal order, probation, consent agreement or stipulation issued or entered into by the board or its executive director under this chapter.") and 32-1451.

Re: License Number: DR. 0054185
Case Number: 2019-8449-B

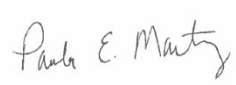
Dear Dr. Washington,

The Colorado Medical Board has concluded its inquiry into the aforementioned matter. It was the Panel's decision not to commence with formal proceedings against your professional license. However, the Panel did determine disciplinary action in the form of this letter of admonition is warranted.

As you recall, in October 2019, you entered into a stipulation with the North Dakota Medical Board regarding your license to practice medicine. In the stipulation, you admitted to prescribing medications to an individual with whom you did not have a physician-patient relationship and failing to maintain medical records. The North Dakota Medical Board required you to take a medical recordkeeping course. In November 2019, you entered into a consent order with the Virginia Board of Medicine in which you were reprimanded and assessed a fine. The consent order was based on your prescribing of Schedule VI medications outside the context of a physician-patient relationship.

After a review of all the information in this matter, the Panel found that you are prescribing to individuals without establishing a physician-patient relationship fell below generally accepted standards of medical practice and resulted in discipline in two other states, constituting unprofessional conduct in violation of section 12-240-121 of the Colorado Revised Statutes.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Medical Practice Act requirements and obligations for the practice of medicine in Colorado.



In accordance with 12-20-404(4)(b), the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Paula Martinez, Program Director, at the email address listed below. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with 12-20-404(4)(b)(II), C.R.S., and applicable rules.

A Letter of Admonition, when accepted, becomes a permanent, public portion of your record. It is not, however, a restriction on your practice as a professional physician.

COMES NOW, the Complainant, North Dakota Board of Medicine – Investigative Panel B, and for its Complaint against the Respondent, Sherman Washington Jr., M.D., alleges and states as follows:

I.

Investigative Panel B of the North Dakota Board of Medicine ("Board") is authorized pursuant to N.D.C.C. Chapter 43-17.1 to conduct investigations related to the practice of any physician licensed to practice in this state and file a formal complaint against any licensed physician with the Board of Medicine.

II.

Sherman Washington Jr., M.D., is a physician licensed to practice medicine in the State of North Dakota.

FACTS

III.

At all times mentioned herein, Respondent was an emergency medicine physician but mostly practiced medicine online.

IV.

On September 5, 2018, Patient A received a package in the mail containing several medications that were prescribed to her by Respondent and filled at McClure's Compounding Pharmacy in Texas. Patient A has never had a physician-patient relationship with Respondent and has never met or spoken to Respondent. Thus, Respondent prescribing any medications to Patient A is inappropriate. A request for records for the treatment of Patient A was made to Respondent and no records were received. Thus, Respondent is subject to disciplinary action pursuant to the provisions of N.D.C.C. § 43-17-31 based upon Respondent's violations of the North Dakota Medical Practice Act by: (1) performing any dishonorable, unethical or unprofessional conduct likely to deceive, defraud or harm the public N.D.C.C. § 43-17-31(1)(f).; and (2) lacking appropriate documentation in medical records for diagnosis, testing and treatment of a patient as described by N.D.C.C. § 43-17-31(1)(z).

V.

WHEREFORE, Complainant respectfully requests Respondent, Sherman Washington, Jr., M.D., be disciplined for his violations of N.D.C.C. § 43-17-31 and seeks an appropriate sanction(s) for those violations as authorized by N.D.C.C. § 43-17-30.1. Complainant also respectfully requests that the Board be awarded its costs and attorney's fees in having to bring this action pursuant to N.D.C.C. § 43-17-31.1.

NOTICE: Respondent must answer this Complaint within twenty days after service of the complaint or the allegations may be deemed admitted and may result in a default order revoking the subject's license. Such answer must be served in the manner allowed for service under the North Dakota Rules of Civil Procedure.

HISTORY

This matter comes before a hearing examiner for the State Board of Medicine ("Board") on the Commonwealth's filing of a single count *Order to Show Cause* ("*OTSC*") on November 25, 2019, against Sherman Washington, M.D. ("Respondent"). In this single count, the Commonwealth charged that Respondent is subject to disciplinary action under section 41(4) of the Medical Practice Act of 1985,[1] 63 P.S. § 422.41(4), because the Virginia Board of Medicine ("Virginia Board") took disciplinary action against Respondent's Virginia medical license on or about November 14, 2019.

On November 25, 2019, the Commonwealth mailed the *OTSC* to Respondent by certified mail, electronic return receipt requested, and by first class mail, postage prepaid, at his last known address on file with the Board: 2900 N. Green Valley Parkway, Suite 114, Henderson, NV 89014. The *OTSC* that was mailed to Respondent by certified mail, return receipt requested, was delivered on November 29, 2019, and signed for by Respondent or Respondent's agent,[2] as evidenced by the United States Postal Service electronic return receipt for Certified Mail™ item number 9171 9690 0935 0226 6042 63. Hence, the Commonwealth accomplished service of its *OTSC* in accordance with the requirements of the General Rules of Administrative Practice and Procedure ("GRAPP"), 1 Pa. Code § 31.1 *et seq.*, at 1 Pa. Code § 33.31.[3]

The *OTSC* directed Respondent to file a written answer within thirty (30) days of the date on the *OTSC*, and specifically advised Respondent that the factual allegations of the *OTSC* may be deemed admitted if Respondent failed to file an answer within the time period allowed. Respondent was also advised that if he failed to file an answer, the Board may revoke, suspend, or impose other restrictions against his license; and the Board may also impose a civil penalty of up to $10,000.00 for each violation of the Act. Respondent did not file an answer to the *OTSC*.

On December 31, 2019, the Commonwealth filed a *Motion to Deem Facts Admitted and Enter Default* ("*MDFA*"). The *MDFA* was mailed to Respondent on December 31, 2019, by first class mail, postage prepaid, at 2900 N. Green Valley Parkway, Suite 114, Henderson, NV 89014. This is the same address where the *OTSC* had been served. Respondent did not file a response to the *MDFA*.

On January 21, 2020, an *Order Granting Commonwealth's Motion to Deem Facts Admitted and Enter Default* ("*MDFA Order*") was issued on grounds that Respondent received the *OTSC* but failed to file an answer as required. The *MDFA Order* was mailed to Respondent on January 21, 2020, by first class mail, postage prepaid, at 2900 N. Green Valley Pkwy., Suite 114, Henderson, NV 89014. This is the same address where the *OTSC* and *MDFA* had been served. The *MDFA Order* was not returned to the Department of State Prothonotary and, therefore, it is presumed to have been delivered to Respondent.

Pursuant to section 35.37 of GRAPP, 1 Pa. Code § 35.37,[4] the *MDFA Order* advised

The *MDFA Order* also advised Respondent that an Adjudication and Order would be issued in due course. To date, Respondent has not responded to either the *OTSC* or the *MDFA*.

This matter is now ripe for disposition.

A person upon whom an order to show cause has been served...shall, if directed so to do, respond to the same by filing within the time specified in the order an answer in writing....A respondent failing to file an answer within the time allowed shall be deemed in default, and relevant facts stated in the order to show cause may be deemed admitted.

DISCUSSION

Violation

A board-regulated practitioner in Pennsylvania who is disciplined by a proper licensing authority of another state is subject to disciplinary action in Pennsylvania under section 41(4) of the Act as follows:

> **Section 41. Reasons for refusal, revocation, suspension or other corrective actions against a licensee or certificate holder**
>
> The board shall have authority to impose disciplinary or corrective measures on a board-regulated practitioner for any or all of the following reasons:
>
> * * *
>
> (4) **Having a license or other authorization to practice the profession revoked or suspended or having other disciplinary action taken,** or an application for a license or other authorization refused, revoked or suspended by a **proper licensing authority of another state,** territory, possession or country, or a branch of the Federal Government.

63 P.S. § 422.41(4) (emphasis added).

The facts deemed admitted are based on the factual allegations in the *OTSC* as well as the information contained in what is alleged to be a true and correct copy of the November 14, 2019, Consent Order. These facts conclusively establish that on November 14, 2019, the Virginia Board reprimanded Respondent and assessed Respondent a monetary penalty of $1,500.00. Therefore, the Commonwealth has proven by a preponderance of the evidence[7] that Respondent's medical

[7] The degree of proof required to establish a case before an administrative tribunal in an action of this nature is a preponderance of the evidence. *Lansberry v. Pennsylvania Pub. Util. Comm'n*, 578 A.2d 600, 602 (Pa. Cmwlth. 1990), *appeal denied*, 602 A.2d 863 (Pa. 1992). A preponderance of the evidence is generally understood to mean that the

license in another state, Virginia, was disciplined by the proper licensing authority of that state, as charged in Count One of the *OTSC*.

Sanction

The Supreme Court of Pennsylvania has recognized that "[r]eciprocal discipline prevents licensed professionals from violating ethical rules, being disciplined, and then transferring to a new jurisdiction to continue to practice with an unblemished record of ethical conduct." *Khan v. State Bd. of Auctioneer Examiners*, 842 A.2d 936, 944 (Pa. 2004). There are a variety of sanctions available to prevent this from happening.

Section 42 of the Act, 63 P.S. § 422.42, sets forth the type of disciplinary or corrective measures that may be imposed for violations of the Act, including Respondent's violation of section 41(4) of the Act. Specifically, section 42(a) of the Act provides, in relevant part, as follows:

> **Section 42. Types of corrective action**
>
> **(a) Authorized actions.**—When the board is empowered to take disciplinary or corrective action against a board-regulated practitioner under the provisions of this act or pursuant to other statutory authority, the board may:
>
> * * *
>
> (2) Administer a public reprimand with or without probation.
>
> (3) Revoke, suspend, limit or otherwise restrict a license or certificate.
>
> (4) Require the board-regulated practitioner to submit to the care, counseling or treatment of a physician or a psychologist designated by the board.

evidence demonstrates a fact is more likely to be true than not to be true, or if the burden were viewed as a balance scale, the evidence in support of the Commonwealth's case must weigh slightly more than the opposing evidence. *Se-Ling Hosiery, Inc. v. Margulies*, 70 A.2d 854, 856 (Pa. 1950). The Commonwealth therefore has the burden of proving the charges against Respondent with evidence that is substantial and legally credible, not by mere "suspicion" or by only a "scintilla" of evidence. *Lansberry*, 578 A.2d at 602.

63 P.S. § 422.42(a). Additionally, a maximum civil penalty up to ten thousand dollars ($10,000.00) for each violation of the Act is authorized under either section 908 of the Medical Care Availability and Reduction of Error Act,[8] 40 P.S. § 1303.908, or section 5(b)(4) of Act 48,[9] 63 P.S. § 2205(b)(4).

The Board is charged with the responsibility and authority to oversee the profession and to regulate and license professionals to protect the public health and safety. *Barran v. State Bd. of Medicine*, 670 A.2d 765, 767 (Pa. Cmwlth. 1996), *appeal denied*, 679 A.2d 230 (Pa. 1996). With public protection in mind, the Board considers the seriousness of the violations and any mitigating evidence in fashioning a sanction fitted to the circumstances of a given disciplinary matter.

There is no mitigating evidence to consider because, although he has been given appropriate notice and the opportunity to respond, Respondent has not defended himself in the matter now before the Board. Therefore, the Board has only the seriousness of the Virginia disciplinary action to consider when determining the appropriate sanction.

The seriousness of the Virginia disciplinary action can be gauged by the underlying reasons for the disciplinary action and the type of discipline imposed. The Virginia Board disciplined

Respondent for prescribing several Schedule VI controlled substances to Patients A-F outside of a bona fide practitioner-patient relationship and for willfully refusing to provide records for Patients A-F to the Virginia Board's investigators after their repeated requests for such records from August 2018 through October 2018. For this conduct, the Virginia Board decided not to impose the more serious sanctions of suspension or revocation. Instead, the Virginia Board imposed the less serious sanctions of a reprimand and a monetary penalty.

The hearing examiner believes that it is appropriate to mirror the Virginia Board's imposition of a reprimand. A public reprimand will protect the public health and safety because it will alert Pennsylvania's citizens to Respondent's disciplinary action in Virginia, thereby allowing anyone who inquires to make an informed decision based upon the public information available.

Although the Virginia Board assessed a monetary penalty, the hearing examiner does not believe that it is necessary to impose a monetary penalty in Pennsylvania. Civil penalties are typically imposed for purposes of deterrence. It is understandable that the Virginia Board would want to deter Respondent from committing similar violations in the future in Virginia, given the fact that Respondent had an active license in Virginia at the time he entered into the Consent Order. Respondent is presumably not practicing in Pennsylvania because his Pennsylvania license has been expired since December 31, 2014, prior to his violations of Virginia law. Therefore, it is not necessary to impose a civil penalty in Pennsylvania for purposes of added deterrence.

Accordingly, based upon the foregoing, the following order shall issue:

BEFORE THE VIRGINIA BOARD OF MEDICINE

IN RE: **SHERMAN WASHINGTON, M.D.**

Case Number: 187506

CONSENT ORDER

JURISDICTION AND PROCEDURAL HISTORY

The Virginia Board of Medicine ("Board") and Sherman Washington, M.D., as evidenced by their signatures hereto, in lieu of proceeding to an informal conference, enter into the following Consent Order affecting Dr. Washington's license to practice medicine and surgery in the Commonwealth of Virginia.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

1. Sherman Washington, M.D., was issued License Number 0101-256005 to practice medicine and surgery on March 31, 2014, which is scheduled to expire on October 31, 2020.

2. Dr. Washington violated Virginia Code § 54.1-2915(A)(3), (13), (16), and (17) and 54.1-3303(B) in that he prescribed several Schedule VI controlled substances to multiple individuals outside of a bona fide practitioner-patient relationship. Specifically:

a. On or about May 22, 2017, Dr. Washington prescribed Livixil Pak (C-VI) to Patient A, a 46-year-old female, without ever performing an examination of Patient A in person, by face-to-face interactive, two-way, real time communications, or by store-and-forward technology.

b. >
> (1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person's profession, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere

...

(4) Incompetence, negligence, or malpractice which results in injury to a patient or which creates an unreasonable risk that a patient may be harmed. The use of a nontraditional treatment by itself shall not constitute unprofessional conduct, provided that it does not result in injury to a patient or create an unreasonable risk that a patient may be harmed;

...

APPLICABLE LAW

4. A practitioner must hold a license to practice his or her profession in this State and be registered with both the DEA and the Board to possess, administer, prescribe and/or otherwise dispense any controlled substance. NRS 453.226(1); 21 U.S.C. § 822(a)(2); 21 U.S.C. § 823(f); 21 CFR § 1306.03.

7. The surrender, revocation or a suspension that has not been stayed of any certificate, license, or registration of a practitioner, as defined in NRS 453.126, 454.00958 or 639.0125, by a licensing board or the Drug Enforcement Administration operates as an immediate suspension of a certificate, license, registration, or permit issued by the Board pursuant to NRS chapters 453, 454 or 639 to possess, administer, prescribe, or dispense drugs. NRS 639.2107.

ORDER OF SUMMARY SUSPENSION AND NOTICE OF HEARING

The Investigative Committee[1] (IC) of the Nevada State Board of Medical Examiners (Board) hereby **IMMEDIATELY SUMMARILY SUSPENDS** the license of Morton Isaac Hyson, M.D. (Licensee) from the practice of medicine, pursuant to the Board's authority to regulate the practice of medicine in the State of Nevada pursuant to Nevada Revised Statutes (NRS) Chapter 630.

The IC issues this Order of Summary Suspension (Order) based on its determination that Licensee's acts put the health, safety or welfare of the public at risk of imminent harm pursuant to NRS 630.326(1).

Prior to the preparation of this Order, Board Staff presented to the IC the following:

1. Licensee is a medical doctor licensed to practice medicine in the State of Nevada (6062). The Board issued his license on July 1, 1990.

2. On November 27, 2020, Licensee entered into a Settlement Agreeement with the IC and the Board approved it on December 4, 2020. *See* **Exhibit 1.**

3. Notably, a restriction/condition contained in the Settlement Agreement was for the Licensee to have a female chaperone with him when treating female patients and to document these events in his medical records. *Id.* at 5g.

[1] The Investigative Committee of the Nevada State Board of Medical Examiners is composed of Board members Bret W. Frey, M.D., Chairman, Chowdhury H. Ashan, M.D., Ph.D., FACC, and Col. Eric D. Wade, USAF (Ret.).

4. On June 4, 2021, Licensee appeared before the Board during a regularly scheduled Board meeting along with his attorney and requested that the Board remove that restriction from his license to practice medicine. Licensee adamantly assured the Board that he would keep the chaperone in place and gave the Board permission to randomly retrieve his records to determine if he was utilizing the chaperone(s) appropriately. The Board approved the request and removed the restriction of having a chaperone present during the Licensee's treatment of female patients. However, the Board made clear to Licensee that it continued to have the expectation that Licensee would have a chaperone, but it would no longer be a condition on his license.

5. On June 16, 2021, the Board filed an Order removing the restriction/condition from Licensee's license to practice medicine in the State of Nevada, with the understanding Licensee would continue to utilize chaperones. *See* **Exhibit 2.**

6. Upon information and belief, on or about February 7, 2022, Patient A[2] visited the Licensee for consultation about a neurological test and nothing seemed out of the ordinary. *See* Patient A's Affidavit attached hereto as **Exhibit 3.**

7. Upon information and belief, Patient A returned to Licensee's office for performance of the test on or about February 9, 2022. *Id.*

8. Upon information and belief, Patient A was seen by another unidentified person and then Licensee saw her with no chaperone, particularly a female one, in the room. *Id.*

9. Upon information and belief, Patient A was extremely uncomfortable when Licensee was performing his portion of the neurological exam, which included unlawful and unsolicited sexual touching without Patient A's consent as she started to leave the room. *Id.*

10. Upon information and belief, Respondent made five (5) needle punctures to Patient A's skin on her arm without sterilizing the area during the test. *Id.*

11. Upon information and belief, when Patient A was trying to leave the room, Licensee moved closer to Patient A groping her body and made an attempt to kiss her on the

mouth. Patient A turned her head, but could not avoid being kissed on the cheek as she tried to push Licensee away. *Id.*

12. As Patient A was nearly out of the door of the room, Licensee pulled out a wad of cash and handed Patient A two one hundred dollar bills. *Id.*

13. Based on the foregoing, the IC finds that the health, safety and welfare of the public is at imminent risk of harm if Licensee is permitted to continue practicing, and that an immediate summary suspension of Licensee's license to practice medicine in the State of Nevada is necessary for the protection of the public. *See* NRS 630.326(1).

ORDER

IT IS HEREBY ORDERED that the License of Morton Isaac Hyson, M.D. (6062) is **SUMMARILY SUSPENDED** until further order of the IC or Board, and Licensee is prohibited from engaging in any acts that constitute the practice of medicine pursuant to NRS 630.020; and

IT IS FURTHER ORDERED that a hearing on this matter is set for the **20th day of June, 2022, at 9:00 a.m.,** at the Board's office located at 9600 Gateway Drive, Reno, Nevada 89521, to determine whether this suspension may continue, unless the parties mutually agree in writing to a different date and/or time. *See* NRS 630.326(2).

Attorneys for Dr. Rajkamal Hansra

BEFORE THE NEVADA STATE BOARD OF PHARMACY

NEVADA STATE BOARD OF PHARAMACY, Petitioner, v. RAJKAMAL S. HANSRA, M.D., Certificate of Registration No. CS25854 Respondent.	CASE NO. 21-217-CS-S **MOTION TO VACATE ORDER OF DEFAULT**

RAJKAMAL S. HANSRA, M.D. ("**Dr. Hansra**"), by and through his attorneys, Crane M. Pomerantz and Brent M. Resh, Clark Hill LLP, respectfully submits this motion ("**Motion**") to vacate the NEVADA STATE BOARD OF PHARAMACY's ("**Board**") Order of Default dated April 22, 2022 ("**Order**"; Attachment A), together with the other supporting attachments hereto, including the attached supporting statement of Dr. Hansra, Attachment B. This Motion is brought pursuant to NRS 622A.390(1)(c) & (d), alternatively and as applicable. Dr. Hansra does not specifically request a hearing on this Motion, but he is willing to appear personally to testify to the factual narrative asserted herein before the Board if asked or required to do so.

Points and Authorities

I. Introduction

The discipline imposed against Dr. Hansra can be traced back to a clerical error on the part of the Board. Way back in 2018, Dr. Hansra's controlled substance license was inadvertently renewed for one week. The basis for the discipline taken against him is that he allegedly did not have a valid license when he wrote a single prescription for a controlled substance, after that one

week expired in November 2018. Thus, *but for a clerical error* (likely on the part of the Board's personnel)—Dr. Hansra's certificate of registration was in fact valid on the date of the complained of prescription (11/22/2018), which he manifestly wrote in the ordinary scope and course of his employment with the University of Nevada, Las Vegas ("**UNLV**"), as an internal medicine resident.

II. Argument

In July of 2017, Dr. Hansra began a two-year residency with UNLV, at the University Medical Center ("**UMC**") in Las Vegas, Nevada. As a UNLV resident, Dr. Hansra's licensing matters were handled exclusively by UNLV (on Dr. Hansra's behalf). UNLV timely submitted Dr. Hansra's application for renewal (and the accompanying fee) for his Certificate of Registration on or about August 6, 2018. Attachment C. UNLV received a confirmation receipt dated October 24, 2018. Attachment D. According to that confirmation receipt, Dr. Hansra's certificate of registration had been renewed for a whopping *one week* (10/24/2018 to 10/31/2018). *See* Attachment D. This appears to be a clerical error on the part of Board personnel, who apparently input the expiration date incorrectly for Dr. Hansra's file. This error went unnoticed until now. Respectfully, we suspect that the correct expiration date for Dr. Hansra's Certificate was in fact 10/31/2020, *two years after it was renewed* (regardless of the date that was input into the system on the Board's end), consistent with all other license renewals.

The Board filed its Notice of Intended Action based on a controlled substance prescription that Dr. Hansra wrote in November 2018, one month after his newly renewed controlled substance license "expired." If, however, the license had been renewed for two years as it should have been, Dr. Hansra would have been properly licensed at the time he wrote the prescription that formed the basis for discipline. Dr. Hansra did not write any controlled substance prescriptions to Nevada patients after 10/31/2020, *when the license actually expired*. Indeed, he has not practiced medicine in Nevada since his residency with UNLV concluded on June 30, 2019 (nor did he ever intend to).

In respect of Dr. Hansra's failure to appear before the Board in this case, there are several pertinent points to be emphasized. First, the notice address and phone number on file for Dr.

Hansra are (and at all relevant times have been) active, as we understand from UNLV; they are the address and phone number for UNLV's internal medicine program (as expected given that UNLV filed the renewal application on Dr. Hansra's behalf). Second, UNLV has represented to Dr. Hansra that it has not received any mailings or phone calls in respect of this matter, and that it is UNLV policy to forward such mailings and communications to former residents like Dr. Hansra. Third, Dr. Hansra's UNLV email account became inactive shortly after the completion of his residency with UNLV. This is understandable, however, given his plan not to practice here. If Dr. Hansra bears any blame for this episode, it is not for not updating his contact information with the Board. Yet, Dr. Hansra still has paid an enormous price for this.

As a result of the Board's proceeding against him and entry of the Order, Dr. Hansra's employment was terminated immediately by his former employer in Louisiana. He had intended to keep working there until he was to begin a new position in Sacramento in September, a prospect the Board's proceeding and entry of the Order have undermined. Additionally, Dr. Hansra was required to retain counsel to address this matter. Further still, Dr. Hansra has elected to notify all relevant state boards through which he is or has been licensed to practice medicine, across the country, of this matter. But the costliness of the work necessary to fix this apparent mistake on the part of the Board ignores the significant stress and anxiety this matter has caused Dr. Hansra personally and professionally. In sum, we believe the Board's actions in this matter have resulted from a simple clerical error not of Dr. Hansra's doing, resulting in needless disparagement of Dr. Hansra's good professional name and reputation. Had the Board checked the circumstances underlying the renewal of Dr. Hansra's controlled substance license in 2018, we respectfully submit there would have been no basis for discipline against him in the first place and no reason for a Default to have been entered against him. Dr. Hansra is a young physician just beginning his career, but a cascading series of harms have befallen him *for an act that was manifestly in the course of his employment as a former UNLV resident. See* Attachment C.

III. Conclusion

Dr. Hansra respectfully requests that the Board vacate the Order of Default, pursuant to

NRS 622A.390(1)(c) or (d), as applicable, effective immediately. We respectfully submit that, *but for the clerical error*, Dr. Hansra's certificate of registration was in fact valid on the date of the complained of prescription (11/22/2018), which he wrote in the ordinary scope and course of his employment with UNLV as an internal medicine resident. There are therefore no grounds for the discipline imposed.

This motion is based on the Points and Authorities above and the pleadings and other filings in this case.

Dated this 26th day of May, 2022.

Respectfully submitted,

CLARK HILL

ORDER OF DEFAULT

FILED
APR 22 2022
NEVADA STATE BOARD OF PHARMACY

BEFORE THE NEVADA STATE BOARD OF PHARMACY

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **RAJKAMAL S. HANSRA, MD,** **Certificate of Registration No. CS25854,** **Respondent.**	**Case No. 21-217-CS-S** **ORDER OF DEFAULT**

This matter came before the Nevada State Board of Pharmacy ("Board") at its regularly scheduled meeting on Wednesday April 13, 2022, in Las Vegas, Nevada. Peter Keegan, Esq. prosecuted the case on behalf of the Board. Respondent Rajkamal S. Hansra, ("Respondent") Certificate of Registration No. CS25854, failed to appear at the hearing. The Board heard the case and, based on the evidence presented, the Board makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

The Board finds that probative evidence exists in the record to establish each of the following facts by a preponderance of the evidence:

1. On or about February 10, 2022, Board staff attempted service of the Notice of Intended Action and Accusation, Statement to Respondent and Notice of Hearing on Respondent by certified mail, return receipt requested, addressed to the Respondent at his last address of record.

2. On or about March 15, 2022, Board staff mailed a 21-day notice of hearing to Respondent by certified mail, return receipt requested, addressed to his last address of record.

3. Respondent did not file an Answer in this matter and has not responded in any way to the allegations set out in the Notice of Intended Action and Accusation ("Accusation") on file herein.

4. At the time of the events set forth herein, Respondent held an expired Nevada controlled substance registration, Certificate of Registration No. CS25854, issued by the Board.

5. Respondent failed to timely renew Certificate of Registration No. CS25854, which expired on October 31, 2018.

6. Respondent wrote one or more controlled substance prescriptions for Nevada patients after October 31, 2018, without a valid registration.

7. Board staff incurred at least Five Hundred Ninety-Four Dollars and 30/100 Cents ($594.30) in attorney's fees and recoverable costs investigating and prosecuting this administrative action. The attorney's fees are reasonable based upon legal counsel's professional qualities, the nature of this administrative enforcement action, the work performed, and the result as evidenced by this Order.

CONCLUSIONS OF LAW

Based on the forgoing findings of fact, the Board concludes as a matter of law:

1. The Board has jurisdiction over this matter and this Respondent because at the time of the alleged events, Respondent held an expired Nevada controlled substance registration, Certificate of Registration No. CS25854, issued by the Board.

2. The applicable law in this matter is as follows:

A. It is unlawful to prescribe a controlled substance except as authorized by law. NRS 453.321(1)(a).

B. A prescription for a controlled substance may be issued only for a legitimate medical purpose and in the usual course of his or her professional practice by an individual practitioner who holds a DEA registration and is authorized to prescribe controlled substances by the jurisdiction in which he or she is licensed to practice his profession. 21 U.S.C. § 822(a)(2); 21 U.S.C. § 823(f); 21 CFR § 1306.03(a)(1); NRS 453.226(1); NRS 453.321(1)(a); NRS 639.100(1); NRS 639.235(1).

C. Falsely representing oneself as a practitioner entitled to write prescriptions in this state is a felony offense. 21 U.S.C. § 841(a); 21 U.S.C. § 842(a); NRS 453.321(1)(a); NRS 453.232; NRS 639.2813(1).

D. Performing any act, task or operation for which licensure, certification or registration is required without the required license, certificate or registration constitutes unprofessional conduct and conduct contrary to the public interest pursuant to NAC 639.945(1)(k) and is grounds for suspension or revocation of any license or registration issued by the Board. NRS 453.236(1) and NRS 639.210(4).

E. The Board may suspend or revoke a registration if the holder has violated any provision of the Federal Food, Drug and Cosmetic Act or any other federal law or regulation relating to prescription drugs. NRS 639.210(11).

F. The Board may suspend or revoke a registration if the holder has violated, attempted to violate, assisted, or abetted in the violation of or conspired to violate any law or regulation relating to drugs, the manufacture or distribution of drugs or the practice of pharmacy. NRS 639.210(12).

G. The Board may suspend or revoke a registration if the holder has failed to renew a certificate of registration by failing to timely submit the application for renewal. NRS 639.210(13).

H. The Board may suspend or revoke a registration to prescribe a controlled substance upon a finding that the registrant has committed an act that would render registration inconsistent with the public interest as determined pursuant to NRS 453.231. NRS 453.236(1)(e) and NRS 453.241(1).

3. Respondent failed to file a Notice of Defense to the Accusation, which constituted a waiver of the respondent's right to a hearing. NRS 639.244(2).

4. Board staff satisfied the notice and service requirements of NRS 233B.127(3), NRS 639.242, and NRS 639.245, and Respondent was given sufficient legal notice of the hearing.

5. Having failed to appear at the April 13, 2022, hearing, pursuant to NRS 622A.350, the Board accepted the following alleged violations of law contained in the Accusation against the Respondent as true, and found Respondent guilty of the following:

A. **Count One**, for failing to timely renew Certificate of Registration CS25854. Respondent is subject to discipline pursuant to NRS 453.236(1) and/or NRS 639.210(13).

B. **Count Two**, for prescribing controlled substances without a valid registration as alleged herein, Respondent falsely represented himself as a practitioner entitled to write prescriptions in this state and violated, attempted to violate, assisted or abetted in the violation of or conspired to violate 21 U.S.C. § 822(a)(2), 21 U.S.C. § 823(f), 21 U.S.C. § 841(a), 21 U.S.C. § 842(a) and/or 21 CFR § 1306.03(a)(1), and is subject to discipline pursuant to NRS 453.236(1) and/or NRS 639.210(11).

C. **Count Three**, for prescribing controlled substances without a valid registration as alleged herein, Respondent falsely represented himself as a practitioner entitled to write prescriptions in this state and violated, attempted to violate, assisted, or abetted in the violation of or conspired to violate NRS 453.226(1), NRS 453.232, NRS 453.321(1)(a), NRS 639.100(1), NRS 639.235(1) and/or NRS 639.2813(1), and is subject to discipline pursuant to NRS 453.236(1) and/or NRS 639.210(12).

D. **Count Four**, for prescribing controlled substances without a valid registration as alleged herein, Respondent engaged in unprofessional conduct and conduct contrary to the public interest pursuant to NAC 639.945(1)(k) and is subject to discipline pursuant to NRS 453.236(l) and/or NRS 639.210(4).

E. **Count Five**, for prescribing controlled substances without a valid registration as alleged herein, and by falsely representing himself as a practitioner entitled to write prescriptions in this state, Respondent has committed acts that render his Nevada controlled substance registration inconsistent with the public interest and is subject to discipline pursuant to NRS 453.236(1)(e) and NRS 453.241(1).

2. I, Dr. Rajkamal Hansra, completed my postgraduate training for internal medicine in Nevada, including a one-year internship beginning in July of 2016 with the University of Nevada, Reno – Las Vegas Branch (UNR) and subsequent two-year residency beginning in July of 2017 with the University of Nevada, Las Vegas (UNLV), at the University Medical Center (UMC) in Las Vegas, Nevada.

3. My inactive license number from the Nevada State Board of Medical Examiners is LL2779, and my inactive certificate of registration number from the Nevada State Board of Pharmacy is CS25854.

4. While I was employed as a resident, UNLV handled all licensing and registration matters on my behalf, including all necessary renewals. Because it performed such duties on my behalf, UNLV provided, as my official contact information for the Nevada State Board of Pharmacy's database for notices, the address and phone number of UNLV's internal medicine program. My email address on file with the Nevada State Board of Pharmacy was my UNLV email address, which expired shortly after I completed my postgraduate training with UNLV.

5. My medical license in Nevada expired on June 30, 2019, the day I completed my postgraduate residency with UNLV.

6. I was recently informed that my certificate of registration from the Nevada State Board of Pharmacy expired on October 31, 2018. As explained more fully below, I believe that my license did not actually expire on October 31, 2018, but instead only appeared to do so due to a clerical error.

7. On November 22, 2018, I wrote a UMC patient a prescription for Percocet in the ordinary course and scope of my employment with UNLV. My DEA license, which was issued by the hospital, was current at the time the prescription was written and did not expire until October 31, 2019. After my residency, I applied for my own individual DEA license, which does not expire until October 31, 2022.

8. After completing my postgraduate training on June 30, 2019, I later moved to Louisiana for specialty training in Pulmonary and Critical Care at LSU - Shreveport, a three-year fellowship program.

9. After I moved to Louisiana, I did not update my notice or email address on record with the Nevada State Board of Medical Examiners or the Nevada State Board of Pharmacy, because I had no intention to, and I did not, practice medicine in Nevada after completing my postgraduate training.

10. On May 19, 2022, my then-employer in Shreveport, Louisiana, the VA Overton Brooks Medical Center, informed me that disciplinary action had been taken against me in Nevada. I was not aware of any disciplinary action until such time.

11. On May 19, 2022, I wrote an email to the Nevada State Board of Pharmacy to inquire about the matter.

12. On May 19, 2022, I received emails from the Nevada State Board of Pharmacy providing copies of the Cease and Desist Order and Notice of Intended Action and Accusation (i.e., the complaint) dated February 8, 2022, and the Order of Default dated April 22, 2022, entered against me because I did not respond to the complaint. The Nevada State Board of Pharmacy also provided a redacted copy of the sole prescription at issue.

13. I promptly retained counsel to assist me on May 20, 2022.

14. On May 24, 2022, I received an email from my former employer, UNLV, confirming that its personnel did in fact timely file my application for renewal with the Nevada State Board of Pharmacy, but that it appeared from the filing confirmation receipt that the expiration date was input into the system incorrectly (i.e., the "expiration date" listed on my Certificate was actually a clerical error by the Nevada State Board of Pharmacy).

15. The filing confirmation receipt provided by UNLV indicated that my renewed certificate of registration was active/valid from 10/24/2018 to 10/31/2018—*just one week*. I believe that the Certificate should have been input and listed as active/valid from 10/24/2018 until 10/31/2020.

16. I did not and have not written a prescription for any patient in Nevada since my postgraduate training concluded on June 30, 2019.

17. Based on the documentation that UNLV provided on May 24, 2022, it appears that the discipline taken against me resulted entirely from a clerical error—the Nevada State Board of Pharmacy's belief that my license expired on 10/31/2018, *one week* after it was renewed—I believe due to the failure of Nevada State Board of Pharmacy personnel to properly input the correct date into their system. I do not believe that the discipline was due to any wrongdoing on my part.

18. I will fully cooperate with all instructions and requests for additional information, and I will promptly provide periodic updates as the matter in Nevada progresses.

Dated this 26 day of MAY, 2022

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **RAJKAMAL S. HANSRA, MD,** **Certificate of Registration No. CS25854,** **Respondent.**	**Case No. 21-217-CS-S** **ORDER OF DEFAULT**

This matter came before the Nevada State Board of Pharmacy ("Board") at its regularly scheduled meeting on Wednesday April 13, 2022, in Las Vegas, Nevada. Peter Keegan, Esq. prosecuted the case on behalf of the Board. Respondent Rajkamal S. Hansra, ("Respondent") Certificate of Registration No. CS25854, failed to appear at the hearing. The Board heard the case and, based on the evidence presented, the Board makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

The Board finds that probative evidence exists in the record to establish each of the following facts by a preponderance of the evidence:

1. On or about February 10, 2022, Board staff attempted service of the Notice of Intended Action and Accusation, Statement to Respondent and Notice of Hearing on Respondent by certified mail, return receipt requested, addressed to the Respondent at his last address of record.

2. On or about March 15, 2022, Board staff mailed a 21-day notice of hearing to Respondent by certified mail, return receipt requested, addressed to his last address of record.

3. Respondent did not file an Answer in this matter and has not responded in any way to the allegations set out in the Notice of Intended Action and Accusation ("Accusation") on file herein.

4. At the time of the events set forth herein, Respondent held an expired Nevada controlled substance registration, Certificate of Registration No. CS25854, issued by the Board.

5. Respondent failed to timely renew Certificate of Registration No. CS25854, which expired on October 31, 2018.

6. Respondent wrote one or more controlled substance prescriptions for Nevada patients after October 31, 2018, without a valid registration.

7. Board staff incurred at least Five Hundred Ninety-Four Dollars and 30/100 Cents ($594.30) in attorney's fees and recoverable costs investigating and prosecuting this administrative action. The attorney's fees are reasonable based upon legal counsel's professional qualities, the nature of this administrative enforcement action, the work performed, and the result as evidenced by this Order.

CONCLUSIONS OF LAW

Based on the forgoing findings of fact, the Board concludes as a matter of law:

1. The Board has jurisdiction over this matter and this Respondent because at the time of the alleged events, Respondent held an expired Nevada controlled substance registration, Certificate of Registration No. CS25854, issued by the Board.

2. The applicable law in this matter is as follows:

A. It is unlawful to prescribe a controlled substance except as authorized by law. NRS 453.321(1)(a).

B. A prescription for a controlled substance may be issued only for a legitimate medical purpose and in the usual course of his or her professional practice by an individual practitioner who holds a DEA registration and is authorized to prescribe controlled substances by the jurisdiction in which he or she is licensed to practice his profession. 21 U.S.C. § 822(a)(2); 21 U.S.C. § 823(f); 21 CFR § 1306.03(a)(1); NRS 453.226(1); NRS 453.321(1)(a); NRS 639.100(1); NRS 639.235(1).

C. Falsely representing oneself as a practitioner entitled to write prescriptions in this state is a felony offense. 21 U.S.C. § 841(a); 21 U.S.C. § 842(a); NRS 453.321(1)(a); NRS 453.232; NRS 639.2813(1).

D. Performing any act, task or operation for which licensure, certification or registration is required without the required license, certificate or registration constitutes unprofessional conduct and conduct contrary to the public interest pursuant to NAC 639.945(1)(k) and is grounds for suspension or revocation of any license or registration issued by the Board. NRS 453.236(1) and NRS 639.210(4).

E. The Board may suspend or revoke a registration if the holder has violated any provision of the Federal Food, Drug and Cosmetic Act or any other federal law or regulation relating to prescription drugs. NRS 639.210(11).

F. The Board may suspend or revoke a registration if the holder has violated, attempted to violate, assisted, or abetted in the violation of or conspired to violate any law or regulation relating to drugs, the manufacture or distribution of drugs or the practice of pharmacy. NRS 639.210(12).

G. The Board may suspend or revoke a registration if the holder has failed to renew a certificate of registration by failing to timely submit the application for renewal. NRS 639.210(13).

H. The Board may suspend or revoke a registration to prescribe a controlled substance upon a finding that the registrant has committed an act that would render registration inconsistent with the public interest as determined pursuant to NRS 453.231. NRS 453.236(1)(e) and NRS 453.241(1).

3. Respondent failed to file a Notice of Defense to the Accusation, which constituted a waiver of the respondent's right to a hearing. NRS 639.244(2).

4. Board staff satisfied the notice and service requirements of NRS 233B.127(3), NRS 639.242, and NRS 639.245, and Respondent was given sufficient legal notice of the hearing.

5. Having failed to appear at the April 13, 2022, hearing, pursuant to NRS 622A.350, the Board accepted the following alleged violations of law contained in the Accusation against the Respondent as true, and found Respondent guilty of the following:

A. **Count One**, for failing to timely renew Certificate of Registration CS25854. Respondent is subject to discipline pursuant to NRS 453.236(1) and/or NRS 639.210(13).

B. **Count Two**, for prescribing controlled substances without a valid registration as alleged herein, Respondent falsely represented himself as a practitioner entitled to write prescriptions in this state and violated, attempted to violate, assisted or abetted in the violation of or conspired to violate 21 U.S.C. § 822(a)(2), 21 U.S.C. § 823(f), 21 U.S.C. § 841(a), 21 U.S.C. § 842(a) and/or 21 CFR § 1306.03(a)(1), and is subject to discipline pursuant to NRS 453.236(1) and/or NRS 639.210(11).

C. **Count Three**, for prescribing controlled substances without a valid registration as alleged herein, Respondent falsely represented himself as a practitioner entitled to write prescriptions in this state and violated, attempted to violate, assisted, or abetted in the violation of or conspired to violate NRS 453.226(1), NRS 453.232, NRS 453.321(1)(a), NRS 639.100(1), NRS 639.235(1) and/or NRS 639.2813(1), and is subject to discipline pursuant to NRS 453.236(1) and/or NRS 639.210(12).

D. **Count Four**, for prescribing controlled substances without a valid registration as alleged herein, Respondent engaged in unprofessional conduct and conduct contrary to the public interest pursuant to NAC 639.945(1)(k) and is subject to discipline pursuant to NRS 453.236(l) and/or NRS 639.210(4).

E. **Count Five**, for prescribing controlled substances without a valid registration as alleged herein, and by falsely representing himself as a practitioner entitled to write prescriptions in this state, Respondent has committed acts that render his Nevada controlled substance registration inconsistent with the public interest and is subject to discipline pursuant to NRS 453.236(1)(e) and NRS 453.241(1).

UNITED STATES OF AMERICA Plaintiff, v. ARTURO VALENCIA, Defendant.	CR No. 05-0002-PA STIPULATION TO CONTINUE DEFENDANT ARTURO VALENCIA'S SENTENCING HEARING Sentencing Date: July 20, 2007 Proposed Date: January 7, 2008

Plaintiff United States of America, by and through its counsel of record, the United States Attorney for the Central District of California, defendant Arturo Valencia ("Valencia"), individually and through his counsel, Federal Public Defender Nadine Hettle, hereby agree and jointly stipulate, and request that the court continue defendant Valencia's sentencing hearing from July 20, 2007, at 8:30 a.m., to January 8, 2008, at 8:30

///

///

a.m. for the following reasons:

1. On February 14, 2005, defendant Valencia pled guilty to a two-count information of conspiring to commit immigration fraud and his participation in an immigration fraud scheme which involved the law corporation of Korenberg, Abramowitz & Feldun ("KAF").

2. After defendant entered his guilty plea, the government continued its investigation into the illegal activities of KAF in relation to KAF's partners, associates and employees who participated in an immigration fraud scheme. To that end, defendant agreed to assist the government in completing its investigation, and has been doing so since entering his guilty plea.

3. Two partners of the KAF law firm, Daniel Korenberg ("Korenberg") & Steven Rodriguez ("Rodriguez"), have been indicted on presenting false immigration documents and petitions to the Immigration and Naturalization Service ("INS") in violation of Title 18, United States Code, Sections 371, 1001, and 1546(a). Korenberg and Rodriguez are set to proceed to trial on October 16, 2007.

4. Several defendants are scheduled to be sentenced in November and December 2007. Defendant Valencia's cooperation may be needed to prepare for those sentencings.

5. Defendant presently is on bond and has fully complied with all of the terms of pretrial release. Neither defendant nor defendant's counsel object to a continuance of the sentencing in this matter. Therefore, the parties request that defendant's sentencing date be continued to December 3, 2007 to provide

defendant further opportunity to cooperate and for the government to evaluate the scope and extent of defendant's cooperation and file a Section 5K1.1 motion, if warranted. The parties also request a continuance in the time to respond to the Presentence Report, and agree to serve the Probation Department their respective response by hand delivery.

Accordingly, the parties jointly request that the sentencing in this matter should be continued from July 20, 2007 to January 8, 2008, at 8:30 a.m.

2 attorneys charged with work visa fraud

The immigration lawyers allegedly filed false applications for foreign nationals employed at their firm, and perhaps for others.

By Anna Gorman
Times Staff Writer

Two local immigration attorneys have been charged with fraud after allegedly filing false employment visa applications for 14 foreign nationals working for their firm, according to a federal grand jury indictment released Thursday.

The lawyers, of ASK Law Group in Sherman Oaks, filed the fraudulent applications and paid their employees in cash while awaiting approval for the visas, according to the indictment. Investigators believe the attorneys also filed false visa applications on behalf of hundreds of other foreigners looking for work at other companies.

"This is the largest immigration fraud probe ever mounted against a Los Angeles-area law firm," said Jennifer Silliman, deputy special agent in charge of the local office of Immigration and Customs Enforcement.

The indictment charges Daniel Korenberg, a senior partner at the law firm, and Steven James Rodriguez, a senior associate, with visa fraud and conspiracy to commit visa fraud. Korenberg faces a possible sentence of 225 years in federal prison. Rodriguez faces up to 15 years in prison.

Another partner in the firm, Philip Abramowitz, 53, has already pleaded guilty to conspiracy and visa fraud.

The indictment accused the men of committing fraud between 2000 and 2003.

To obtain an employment visa for a foreign worker, a company must prove it cannot find a qualified U.S. employee to fill a specific job. The H-1B visas are limited to foreign workers with at least a bachelor's degree. Firms must pay foreign workers the prevailing wage.

Investigators said Korenberg, 57, and Rodriguez, 40, wrote false job titles and salaries on the visa applications, citing jobs that didn't exist. They also allegedly lied about the foreigners' work experience.

The fake job titles included accountant, human resources specialist and systems analyst/programmer. The employees were actually doing secretarial work, investigators said.

Several were here on visitors' visas, which did not allow them to work, agents said.

U.S. Citizenship and Immigration Services plans to review all the visa applications that are suspect, said spokeswoman Marie Sebrechts. If applicants were complicit in any fraud, their visas could be revoked, she said.

The ASK Law Group is based in Sherman Oaks, but has offices in Los Angeles, San Diego, San Francisco and Las Vegas. According to the firm's website, lawyers provide services to individuals, small businesses and large corporations.

Because the defendants are attorneys, Silliman said, they know how to work the system and get around loopholes.

"It's always disturbing when attorneys manipulate the system for financial gain," said Thom Mrozek, spokesman for the U.S. attorney's office in Los Angeles.

Korenberg, Abramowitz and Rodriguez did not return calls for comment. Korenberg and Rodriguez are scheduled to appear in U.S. District Court in Los Angeles on March 29.

The firm had a decent reputation, so the charges were shocking, said John Ayala, vice chairman of the Southern California chapter of the American Immigration Lawyers Assn.

"We hope the allegations are not true," Ayala said. "If they are found true, I think it's an aberration. It doesn't reflect the immigration bar of Southern California."

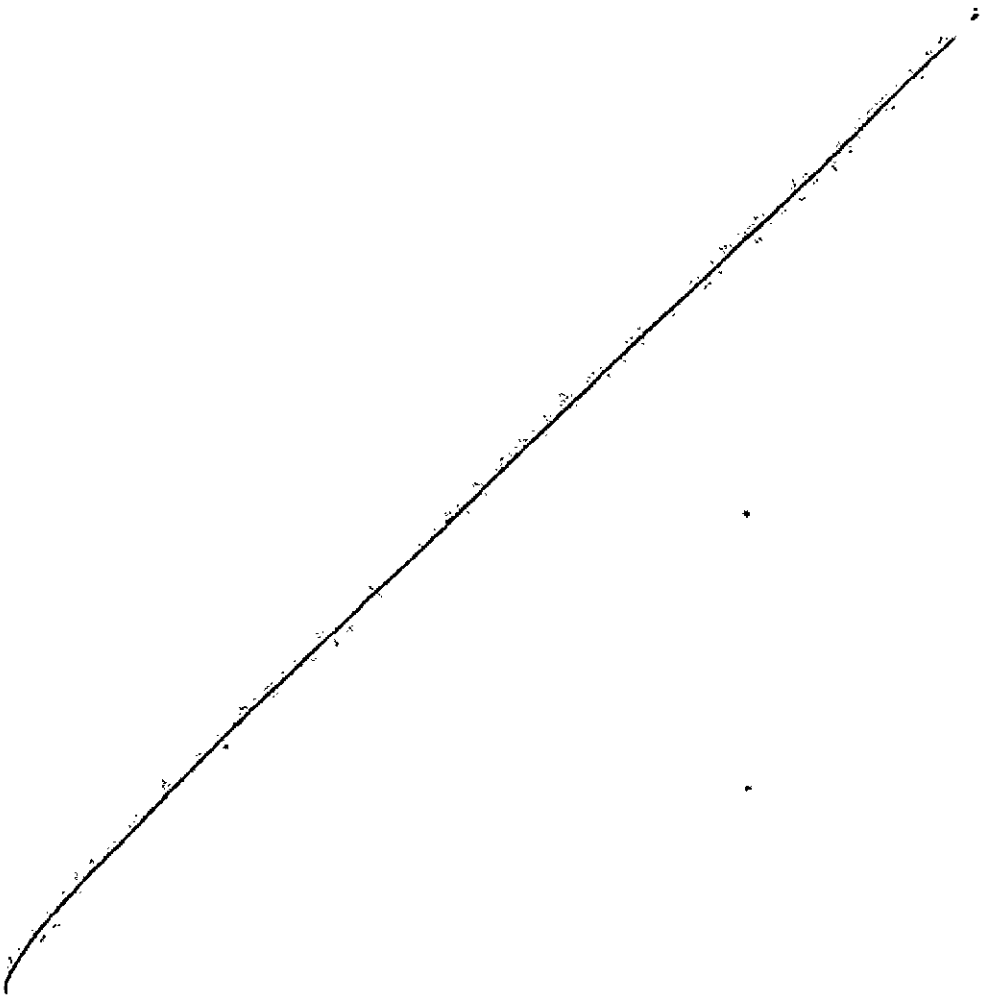
COMMENTS



- I was assisted during the inspection by PIC Lisa Dimick.
- The facility does not carry any controlled substance presriptions. No controlled substance license. NO DEA registration.
- No outdated medications were found in the Pharmacy Stock.
- The facility pre-packages (blister + vials) some medications. Lot # + expiration date are on the packaging.

- The facility does not deliver medications to patients, but they do ship. Policies + procedures are compliant. Would like to see a separate policy + procedure for if a drug was damaged or compromised during shipment vs. a returned or cancelled order. Ms. Dimick stated she will review + add.

- The offer to counsel is documented.

- A zero inventory was recorded for controlled substances.

- The pharmacy does not compound.

Have you or any general or limited partnership, company or limited liability company, business venture, sole proprietorship or closely held corporation, corporation (while you were associated with it as an owner, partner, member, office or director) ever appeared before any licensing agency or similor authority in or outside the state of Nevada for any reason whatsoever (including any disciplinary board action)?

Introduction

Bella Brands pharmacy was incorporated in 2012 and received its first state pharmacy license in Nov, 2012. Bella Brands currently is licensed in all states requiring licensure except North Carolina. Bella Brands partners with major pharmaceutical manufacturers to make available non-scheduled medications to patients pursuant to telemedicine visits. All telemedicine visits are conducted consistent with the modality required by each state's laws. This business model allows for patients to access care conveniently at a lower cost. **No sanction or disciplinary action has ever been taken against Bella Brands, LLC.** However, PCM Venture I, LLC ("PCMVI") was previously owned and operated by the owner, Peter Ax, and has been the subject of disciplinary actions as outlined below. PCMVI ceased pharmacy operations over a period of several years by allowing its licenses to expire.

Background of PCMVI

In 2001, Peter Ax, acquired a Utah based online pharmacy which prescribed only non-controlled, non-scheduled medications on the internet pursuant to an online interaction with a physician. Mr. Ax was an experienced venture capitalist and he wanted to make healthcare more accessible, affordable and more patient centric.

Immediately upon acquiring the online pharmacy, Mr. Ax met with regulators in Utah to develop a health care model for delivering care which was fully compliant and safe for patients. In 2002, Phoenix Capital Management Venture I ("PCMVI") became the first online pharmacy to receive regulatory approval (State of Utah) to operate and to prescribe certain specific medications without a face-to-face consultation with a physician. Consistent with professional standards, PCMVI physicians conducted a medical examination sufficient to write a prescription however not in a face-to-face setting.

Prior to 2012, when Bella Brands pharmacy was incorporated, several states challenged PCMVI's method of doing business. In all cases PCMVI was transparent with regulators and worked proactively with them to accommodate specific nuances of their state laws. Below is a list of states where PCMVI was the subject of disciplinary action along with the specific facts of each case.

North Carolina

On May 21, 2008 PCMVI, Peter Ax, and Lisa Dimick (Pharmacist) entered into a consent decree with the State of North Carolina whereby the North Carolina State Board of Pharmacy contended that their actions in shipping, mailing and delivering drugs without annual registration or permit with the board, violated North Carolina general statutes. PCMVI, Mr Ax and Mrs Dimick agreed to cease shipping and have not shipped medication into North Carolina since 2008.

Oregon

On January 13, 2009 PCMVI agreed to pay a $50,000 civil penalty to the State of Oregon for shipping legend drugs (non-controlled substances) to residents of Oregon pursuant to an online consultation. PCMVI agreed to dispense medications into Oregon pursuant only to prescriptions resulting from an in person examination by the prescriber.

Texas

In 2016 PCM settled an administrative action with the State of Texas which dated back to 2008. The State alleged that PCMVI's manner of conducting business violated Texas law as it existed in 2005 and 2006 and that PCM shipped products into Texas for a brief period of time before receiving its final license in Texas.

Iowa

In 2015 PCMVI voluntarily surrendered its Iowa non-resident pharmacy license pursuant to discussions with the State of Iowa that PCMVI's manner of doing business, specifically writing a prescription for an Iowa resident, without a face-to-face physician visit, was at that time deemed to be a violation of Iowa law.

California

In January 2019 PCM settled a complaint with the State of California in which it was alleged that between the dates of December 10, 2012 and May 3, 2016, approximately 50 prescriptions (out of a total of more than 14,000 prescriptions) dispensed by PCM were not written by physicians licensed in California. Generally these patients were seen by their home state physician and were travelling in California when they received their package. We chose to settle this case rather than engage in protracted and expensive litigation.

CEASE AND DESIST

Dear Mr. Edwards:

An investigation by the North Carolina Board of Pharmacy has established that Precedent Management Systems, LLC, is soliciting pharmacies in North Carolina to act as fulfillment centers for prescription drug orders. Faxes have been sent to several North Carolina pharmacies soliciting pharmacies.

The Board has obtained copies of the solicitation materials. These materials indicate that Precedent Management Systems asks "patients" to answer a questionnaire, provides medical records and then is refereed to a physician for review and issuance of a prescription to a pharmacy that has agreed to act as a fulfillment center. For agreeing to act as a fulfillment center, Precedent Management Systems pays the pharmacy a "retainer in advance equal to the weekly average volume" a pharmacist desires. Payment also includes reimbursement for medications as well as a fulfillment fee per prescription.

North Carolina law specifically prohibits pharmacists from filling any prescriptions that they know or reasonably should know was issued with a physician examination and in the absence of a prior prescriber-patient relationship. 21 NCAC 46.1801. Precedent Management Systems' solicitation materials make it clear that it is facilitating the filling of prescriptions in the absence of a legitimate patient-prescriber relationship. Moreover, issuing prescriptions for controlled substances in the manner stated in your materials violates both the federal and state controlled substances act.

Our Board, with cooperation with other state and federal law enforcement, has been active in shutting down illegal internet business such as yours. And we are prepared to do the same in your case.

By copy of this letter, I am alerting the federal Drug Enforcement Administration and the North Carolina Attorney General's Office of the nature of your business.

Accordingly, you are ordered to **IMMEDIATELY CEASE AND DESIST** any further solicitation of North Carolina pharmacies to act as fulfillment centers for Precedent Management Systems or otherwise facilitate the dispensing of prescription drugs in violation of state and federal law. Failure to abide by this order will result in the Board taking all available legal options.

Please give this order your immediate, most serious attention.

Sincerely,

WAKE COUNTY 2008 MAY 21 PM 2:40 CASE NO. 08 CVS 4443
WAKE COUNTY, C.S.C.

NORTH CAROLINA BOARD OF PHARMACY,
BY_____

Plaintiff,

v.

PCM VENTURE I, LLC; PETER L. AX; and LISA F. DIMICK,

Defendants.

FINAL CONSENT ORDER

THIS MATTER comes before the Court, on the consent of the parties, before the Superior Court of Wake County, the undersigned Judge presiding. The parties stipulate and agree to this Final Consent Order. Defendants stipulate that the findings of fact and conclusions of law are legally sufficient to support this Final Consent Order and agree not to challenge the legal adequacy of the findings and conclusions in any potential future proceeding to enforce this Final Consent Order or seeking to hold any party in contempt for failure to comply with its terms. With the consent of the parties, the Court hereby enters the following:

FINDINGS OF FACT

1. Plaintiff, the North Carolina Board of Pharmacy ("the Board"), is an occupational licensing board that is responsible for enforcing the provisions of the North Carolina Pharmacy Practice Act and the laws pertaining to the distribution and use of drugs in the State of North Carolina. The Board is the proper body to bring this proceeding under the authority granted to it in the North Carolina Pharmacy Practice Act and the rules and regulations of the Board that are promulgated pursuant thereto.

2. PCM Venture I, LLC ("PCM") is, and has at all relevant times been, a limited liability company organized and existing under Utah law. PCM's only place(s) of business are located outside the State of North Carolina.

3. PCM does business through certain websites, including but not limited to kwikmed.com and selfserverx.com.

4. PCM has shipped, mailed and/or delivered legend drugs into the State of North Carolina.

5. PCM does not have an active annual registration or permit with the Board to ship, mail and/or deliver legend drugs into the State of North Carolina, nor has it ever had such a registration or permit.

6. In reviewing and entering this Final Consent Order, Plaintiff has been represented by Clinton R. Pinyan. Defendants have been represented by Kevin H. Marino. The parties represent, and the Court finds, that this Final Consent Order has been approved by appropriate action by both the North Carolina Board of Pharmacy and PCM Venture I, LLC and is binding on those entities.

CONCLUSIONS OF LAW

1. The Court has both personal jurisdiction over Defendants and subject matter jurisdiction in this case.

2. Plaintiff North Carolina Board of Pharmacy has the authority to bring this action pursuant to North Carolina General Statutes § 90-85.39.

3. North Carolina law requires any pharmacy operating outside the State of North Carolina to register annually with the Board if that pharmacy ships, mails or delivers in any manner a dispensed legend drug into the State of North Carolina. N.C. Gen. Stat. § 90-85.21A.

4. Plaintiff North Carolina Board of Pharmacy contends in this case that the actions of Defendants in shipping, mailing and/or delivering legend drugs into the State of North Carolina without an annual registration or permit with the Board violates North Carolina General Statutes Section 90-85.21A. Defendants agree to this consent order without admitting that they have violated North Carolina law.

ORDER

Based upon the foregoing findings of fact and conclusions of law and with the consent of the parties, IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that:

1. Defendant PCM Venture I, LLC is hereby permanently enjoined from shipping, mailing and/or delivering in any manner a dispensed legend drug into the State of North Carolina and from aiding or abetting others in doing so, unless and until the person or entity shipping, mailing and/or delivering the dispensed legend drug into the State of North Carolina secures an annual registration or permit from the North Carolina Board of Pharmacy pursuant to N.C. Gen. Stat. § 90-85.21A.

2. This Final Consent Order is binding upon Defendant PCM Venture I, LLC and any persons or entities affiliated with it, including but not limited to franchisors, franchisees, parents, subsidiaries, divisions or persons or entities affiliated by contract or otherwise by privity, their successors or assigns, and any persons, association of persons or entities employed, operated or controlled by or otherwise associated with Defendants who receive actual notice of this Final Consent Order, including but not limited to Peter L. Ax and Lisa F. Dimick. Defendants shall provide a copy of this Final Consent Order to all persons or entities affiliated, employed, operated by or otherwise associated with Defendants and involved in the operation of PCM Venture I, LLC, along with any successors and assigns.

3. Defendants shall take notice that any willful violation of this Permanent Injunction may be treated as civil and criminal contempt, leading to the imposition of sanctions upon them, including incarceration and fines.

4. The parties agree to bear their respective costs of this action, including their respective attorney's fees and expenses.

5. Plaintiff North Carolina Board of Pharmacy shall not be required to provide a bond or other security for the issuance of this injunctive order.

6. The court shall retain jurisdiction of the parties and this matter for further proceedings to enforce this Order, if necessary.

SO ORDERED, this, the 21 day of May, 2008.

Prior to the next expiration date of pharmacy license #25208, the pharmacy will complete a license renewal application for the Texas State Board of Pharmacy. This application will require a pharmacy representative to answer the question:

> "Has the PHARMACY, THE PHARMACY'S owner or any officer or partner (if the pharmacy is owned by a corporation or partnership) been the subject of any professional disciplinary action or are any such actions pending against you by a regulatory authority within the last 36 months?..."

As a result of the entry of ABO #K-13-013, PCM Venture I must answer "yes" to this question for 36 months from the date of the termination of all sanctions. Consequently, a PCM Venture I representative must answer "yes" to this question on any renewal applications submitted beginning February 2, 2016, and ending June 1, 2019.

Re: Case No. 2007-0309

The Board of Pharmacy is continuing to investigate a complaint regarding prescriptions dispensed from PCM Venture I LLC (PCM) into Oregon for Oregon residents. The complaint is that PCM is dispensing prescriptions that are based off of a questionnaire and not a valid patient-practitioner relationship.

Please respond by submitting a typed and signed statement by **November 14, 2008**. Include with your response a report listing the Oregon resident's name and address, prescription number, medication dispensed, prescriber's name, phone number and address, and the date it was dispensed, for the time period from September 1, 2007 through September 1, 2008. Please include with your response a copy of all action agreed upon, taken, proposed, or pending against PCM by another state. Please also send an empty unit of use container and prescription label that is representative of those being sent into Oregon and that comply with OAR 855-041-0065(6)(k).

PLEASE NOTE: The response is the formal statement to the Board's inquiry in this investigation. The Board uses the information provided in the response statement(s) to determine whether disciplinary action is warranted.

Thank you for your prompt attention. Please feel free to contact me at (971) 673-0001 should you have any questions.

Re: PCM Venture I LLC
Case No. 2007-0309

Dear Mr. Ball:

On behalf of our client, PCM Venture I, LLC ("PCM"), we write in response to your letter dated October 24, 2008, regarding the above matter.

Your letter advises that the Oregon Board of Pharmacy (the "Board") is continuing to investigate a complaint that PCM is dispensing prescriptions based on a questionnaire and not on a valid patient-practitioner relationship. The letter also requests that PCM produce a variety of things and documents that purportedly relate to the Board's continuing investigation. The letter closes with the warning that the Board will use the information PCM provides to determine whether disciplinary action is warranted.

As you know, your October 24th letter tracks almost precisely a letter you sent to PCM on September 5, 2007, in which you first informed PCM that the Board was investigating it. PCM responded by letter dated October 12, 2007, explaining in detail why its practices do not violate Oregon law and providing the requested materials. The Board nevertheless issued a Notice of Proposed Disciplinary Action to PCM on December 18, 2007. Were it not for the unavailability of one of the Board's witnesses, the hearing in this matter would have been held last month. The hearing is currently scheduled for February 10-12, 2009.

Given that the Board has already instituted formal action against PCM in Case No. 2007-0309 and a hearing is scheduled, it is not appropriate for the Board to seek discovery under the guise of a continued investigation. Moreover, even if the information requested in the October 24th letter were made in a discovery request that complied procedurally with OAR 137-003-0570, the information requested is not relevant to the matters at issue in the upcoming hearing. For example, your request for a report listing all prescriptions dispensed into Oregon for the period September 1, 2007 through September 1, 2008 is, by definition, not relevant to the allegation made in the Notice of Proposed Disciplinary Action that PCM engaged in improper practices between June 17, 2006 and September 1, 2007.

MARINO TORTORELLA PC
ATTORNEYS AT LAW

Accordingly, we suggest that if the Board seeks discovery in connection with the upcoming hearing, it should do so in accordance with the OAR and limit its requests to information that would be admissible under OAR 137-003-0610.

Please feel free to call me if you have any questions.

Very truly yours,

Kevin H. Marino

BEFORE THE BOARD OF PHARMACY
OF THE STATE OF OREGON

In the Matter of the Drug Outlet Registration PCM VENTURE I, LLC Registrant	)	Case No. 2007-0309 AMENDED NOTICE OF PROPOSED DISCIPLINARY ACTION; ANSWER REQUIRED

Under the authority granted pursuant to ORS 689.135, 689.145, 689.335, 689.405 and 689.445, the Oregon Board of Pharmacy proposes to take disciplinary action against your Certificate of Registration No. RP-0002351. A Notice of Proposed Disciplinary Action (Notice) was issued in this matter on 12/18/2007. This Amended Notice of Proposed Disciplinary Action (Amended Notice) supersedes the prior Notice issued in this matter.

The Board proposes to take disciplinary action because PCM Venture I, LLC violated the Oregon Pharmacy Act and the Board of Pharmacy rules as set forth below:

PCM VENTURE I LLC located at 5201 Green Street Ste 255 in Murray, UT failed to cooperate and comply with requests from the Board and provide requested records, which is conduct contrary to accepted standards of practice and unprofessional conduct as defined by OAR 855-006-0005(25)(i) and in violation of and grounds for discipline pursuant to OAR 855-001-0035 and ORS 689.405(1)(a) and (e)(B).

Between approximately 6/17/2006 and 12/1/2008, your employees at PCM VENTURE I LLC located at 5201 Green Street Ste 255 in Murray, UT engaged in a practice whereby they dispensed prescriptions that were not issued pursuant to a valid physician-patient examination, the physician did not examine the patient prior to diagnosing, treating, or prescribing, and the physician wrote prescriptions for medications resulting from a consultation over the internet. Your employees failed to ensure that submitted prescriptions had been issued for a legitimate medical purpose in the usual course of the practitioner's professional practice for Oregon residents. Over the aforementioned period of time, your employees filled over 1,200 prescriptions for Viagra, Cialis, Levitra, or Propecia that were issued in response to a questionnaire on an internet site and without an examination of the patient by the prescribing practitioner and as such were not legitimate prescriptions. Failure of your pharmacist employees to ensure that prescriptions were issued pursuant to a valid patient-practitioner relationship and for a legitimate medical purpose in the usual course of the practitioner's professional practice and where the pharmacist knows or should know due to the apparent circumstances that the purported prescription is bogus or that the prescription is issued for other than a legitimate medical purpose and dispensing prescriptions that result from a questionnaire or an internet based relationship is in violation of ORS 689.525(1)(a) and (b) and (2), OAR 855-019-0210(2), and OAR 855-019-0310(12), constitutes repeated or gross negligence pursuant to ORS 689.405(1)(b) and previously OAR 855-019-0055(1)(b) and currently OAR 855-019-0310(2), and is unprofessional conduct

7/9 11-15-2021 04:54:56 p.m. 4807074599

as previously defined by OAR 855-019-0055(2)(a), (e), (f), and (h) and currently defined by OAR 855-006-0005(25)(d), (e), and (i), which is grounds for discipline pursuant to ORS 689.335, 689.405(1)(a), 689.405(1)(b), 689.405(1)(e)(B), and 689.445.

Based on these alleged violations, the Board proposes to revoke your Retail Drug Outlet Registration and impose a civil penalty in the amount of $1,000 per violation for violations occurring through 12/31/2007 and a civil penalty in the amount of $10,000 per violation for violations occurring since 12/31/2007, with a minimum of $100,000.

HEARING RIGHTS

The corporation is entitled to a hearing as provided by the Administrative Procedures Act (ORS chapter 183). An attorney must represent the corporation. If the corporation wishes to have a hearing, the corporation's attorney must file a written request for hearing with the Board within 21 days from the date this notice was mailed. The corporation's attorney may send or deliver a request for hearing to:

Oregon Board of Pharmacy

If the corporation requests a hearing, the corporation's attorney will be notified of the time and place of the hearing. Before the commencement of the hearing, the corporation will be given information on the procedures, right of representation and other rights of parties relating to the conduct of the hearing.

If the corporation does not request a hearing within 21 days, or if it withdraws a hearing request, notifies the Board or Administrative Law Judge that it will not appear, or fails to appear at a scheduled hearing, the Board may issue a final order by default imposing discipline. If the Board issues a final order by default, it designates its file on this matter as the record.

ANSWER REQUIRED

Pursuant to OAR 855-001-0010 and OAR 855-001-0015, if you request a hearing you must also provide, within 21 days from the date this contested case notice was served, a written answer to the allegations set forth in this contested case notice. Re: Texas State Board of Pharmacy v.
PCM Venture I, LLC, License No. 25208
SOAH Docket No. 515-14-4086; TSBP No. 2013-03823

Dear Mr. Marino,

On December 14, 2015, Texas State Board of Pharmacy (TSBP) filed a Motion to Dismiss and Abate the Hearing in this matter at the State Office of Administrative Hearings (SOAH). One of the allegations in this case was that on February 12, 2015, the Iowa Board of Pharmacy entered a Settlement Agreement and Final Order (the "Iowa Order") by which PCM Venture I, LLC ("PCM") voluntarily surrendered its Iowa non-resident pharmacy license (the "Iowa Allegation"). The Iowa Order contained a finding that between January 1, 2013, and September 28, 2013, PCM dispensed prescriptions to Iowa patients based on an internet-based patient evaluation without a pre-existing physician-patient relationship. Having alleged that the Iowa Order was a violation of Texas Pharmacy Act §565.002(a)(13), TSBP filed a Motion for Summary Disposition at SOAH based on the Iowa Order. Specifically, the Motion submitted the Iowa Order and the relevant Iowa and Texas laws and asked that the judge enter summary judgment in favor of TSBP on the Iowa Allegation. That Motion was denied based on the judge's finding that TSBP had failed to establish as a matter of law that the conduct covered by the statute underlying the Iowa Order is substantially equivalent to conduct proscribed by Texas law. On December 14, 2015, TSBP filed a Motion to Dismiss the Iowa Allegation with prejudice. That Motion was granted the same day. As a result, the allegation that PCM should suffer collateral consequences in Texas based on the Iowa Order cannot be brought again to SOAH.

On this day came on to be considered by the Texas State Board of Pharmacy ("Board") the matter of pharmacy license number 25208 issued to PCM Venture I, LLC ("Respondent"), 9836 South Jordan Gateway, Sandy, Utah 84070.

By letter dated October 20, 2008, the Board gave preliminary notice to Respondent of its intent to take disciplinary action. This action was taken as a result of an investigation, which produced evidence indicating that Respondent may have violated:

Sections 560.001(b) and 565.002(a)(3) of the Texas Pharmacy Act, TEX. OCC. CODE ANN. Title 3, Subtitle J (2005), in that, allegedly:

COUNT

On or about June 19, 2006, through on or about August 21, 2006, PCM Venture I, LLC, 5201 Green Street, Suite 255, Murray, Utah, 84123, illegally delivered prescription drugs to Texas residents when the pharmacy was not licensed by the Texas State Board of Pharmacy (TSBP). On or about August 22, 2006, PCM Venture I, LLC, became licensed by TSBP as a Class E or nonresident pharmacy.

An informal conference was held in the office of the Texas State Board of Pharmacy on November 12, 2008, with Peter Ax, Managing Member of Respondent, and Kevin H. 5. Section 4011 of the Code provides that the Board shall administer and enforce both the Pharmacy Law [Bus. & Prof. Code, § 4000 et seq.] and the Uniform Controlled Substances Act [Health & Safety Code, § 11000 et seq.].

6. Section 4300(a) of the Code provides that every license issued by the Board may be suspended or revoked.

7. Section 4300.1 of the Code provides that the expiration, cancellation, forfeiture, or suspension of a Board-issued license, the placement of a license on a retired status, or the voluntary surrender of a license by a licensee, shall not deprive the Board of jurisdiction to commence or proceed with any investigation of, or action or disciplinary proceeding against, the licensee or to render a decision suspending or revoking the license.

STATUTORY AND REGULATORY PROVISIONS

8. Section 4301 of the Code provides, in pertinent part, that the Board shall take action against any holder of a license who is guilty of "unprofessional conduct," defined to include, but not be limited to, any of the following:

Such a stipulation would have to be approved by the Board of Pharmacy but, once approved, it would be incorporated into a final order.

Any stipulation must be consistent with the Board's established disciplinary guidelines; however, all matters in mitigation or aggravation will be considered. A copy of the Board's Disciplinary Guidelines will be provided to you on your written request to the state agency bringing this action.

If you are interested in pursuing this alternative to a formal administrative hearing, or if you have any questions, you or your attorney should contact Supervising Deputy Attorney General Joshua A. Room at the earliest opportunity.

UpScript Pharmacy, LLC

The UpScript Pharmacy, LLC pharmacy platform utilizes the Mckesson EnterpriseRx System along with UpScript Health's proprietary E-Commerce platform

UpScript Pharmacy, LLC makes extensive use of electronic record keeping via a well-established pharmacy software vendor, Mckesson EnterpriseRx. This software stores all data in two redundant databases with Azure. Both databases meet the highest encryption and security standards.

UpScript Pharmacy, LLC adheres to all state and federal laws pertaining to pharmacy regulations. The pharmacy also maintains prescription hard-copies for a seven-year period.

UpScript Pharmacy, LLC does not have a DEA number and therefore does not stock or dispense controlled substances.

UpScript Health E-Commerce Platform:

The UpScript Health (USH) E-Commerce system runs parallel to the EnterpriseRx pharmacy systems. The UpScript platform is hosted at Amazon Web Services (AWS) and employs multiple redundant data systems to ensure that data will survive virtually any disaster event.

The primary AWS region pushes all data to a Disaster Recovery environment in real-time. This serves as the primary and main backup. In addition, USH employs another real-time data-push to a system hosted in the Lumen cloud environment. Multiple daily snapshots are taken of the data in the Lumen cloud environment and are stored in yet another Lumen datacenter.

The medications that were present for the filling of prescriptions have been examined for their compliance to the regulatory standards for quality assurance. The medications that were selected to be examined could potentially have been dispensed, and did not include any segments of the inventory that may already have been separated for future return to their respective manufacturers, or had been placed aside for proper disposal. The medications that were found to be in violation of the regulatory disciplines were segregated by the inspector, and then recorded below. The line entries are categorized by the deficiency for which the medication had been set apart, along with the appropriate regulatory cite. It is requested that you accept your option to compare each package of medication that has been separated as deficient against its collateral entry and, if you concur, place your initials in the left-hand column. The inspector will delete any deficiencies for which there are plausible explanations.

COMMENTS: No discrepancies noted

I hereby acknowledge and attest to the accuracy of the inventory deficiencies reported above.

CONDUCT:

Compounding an essentially a copy of one or more commercially available drug products:

21 U.S.C. §§ 301-392 (section 503A) (b) Compounded Drug.- (1) Licensed pharmacist and licensed physician.--A drug product may be compounded under subsection (a) if the licensed pharmacist or licensed physician--(D) does not compound regularly or in inordinate amounts (as defined by the Secretary) any drug products that are essentially copies of a commercially available drug product.(2) Definition.--For purposes of paragraph (1)(D), the term 'essentially a copy of a commercially available drug product' does not include a drug product in which there is a change, made for an identified individual patient, which produces for that patient a significant difference, as determined by the prescribing practitioner, between the compounded drug and the comparable commercially available drug product. As related to California Code of regulations section 1735.2(d) which states no pharmacy or pharmacist shall compound a drug preparation that: (3) Is a copy or essentially a copy of one or more commercially available drug products, unless that drug product appears on an ASHP (American Society of Health-System Pharmacists) or FDA list of drugs that are in short supply at the time of compounding and at the time of dispense, and the compounding of that drug preparation is justified by a specific, documented medical need made known to the pharmacist prior to compounding. The pharmacy shall retain a copy of the documentation of the shortage and the specific medical need in the pharmacy records for three years from the date of receipt of the documentation. Curexa, NRP 1363, located at 3007 Ocean Heights Avenue, Egg Harbor Township, NJ 08234 was not compliant. Specifically, from at least 6/2/19 to 12/2/19, Curexa compounded and shipped at least the following copy of one or more commercially available drug products. This investigation found this to be true for at least the following preparations sold into California.

Drug dispensed	Number of prescriptions	Grams sold
Clindamycin 1%/Niacinamide 4%	63	741
Tretinoin 0.0125%/Clindamycin 1%/Niacinamide 4%	24	273
Tretinoin 0.0125%/Niacinamide 4%	13	132
Tretinoin 0.04%/Clindamycin 1%/Niacinamide 4%	39	468
Grand Total	139	1,614

This was a violation of pharmacy law.

Erroneous or Uncertain Prescriptions.

California Code of regulations section 1761. (a) states no pharmacist shall compound or dispense any prescription which contains any significant error, omission, irregularity, uncertainty, ambiguity or alteration. Upon receipt of any such prescription, the pharmacist shall contact the prescriber to obtain the information needed to validate the prescription. Curexa NRP 1363, located at 3007 Ocean Heights Avenue, Egg Harbor Township, NJ 08234 was not compliant. Specifically, from at least 6/2/19 to 12/2/19, Curexa dispensed at least 139 prescriptions into California without obtaining information needed to validate the prescription. These prescriptions lack information on a valid prescriber patient relationship, if the prescriber conducted a good faith examination prior to prescribing, and the strength of niacinamide. Curexa allowed Pharmacy Technicians, Rossana Belfore, Sarah Fuller (Rosier), Sarah Lewkowitz, Laurie Myers, John Kolbasowski to validate the strength of the niacinamide and on several occasions the directions for use. This investigation found this to be true for at least the following 139 prescriptions.

This was a violation of pharmacy law.

Assigning an unsupported beyond use date (BUD):

California Code of regulations section 1735.2(i) states every compounded drug preparation shall be given beyond use date representing the date or date and time beyond which the compounded drug preparation should not be used, stored, transported or administered, and determined based on the professional judgment of the pharmacist performing or supervising the compounding. (1) For non-sterile compounded drug preparation(s), the beyond use date shall not exceed any of the following: (A) the shortest expiration date or beyond use date of any ingredient in the compounded drug preparation, (B) the chemical stability of any one ingredient in the compounded drug preparation; (C) the chemical stability of the combination of all ingredients in the compounded drug preparation, (D) for non-aqueous formulations, 180 days or an extended date established by the pharmacist's research, analysis, and documentation, (E) for water-containing oral formulations, 14 days or an extended date established by the pharmacist's research, analysis, and documentation, and (F) for water-containing topical/dermal and mucosal liquid and semisolid formulations, 30 days or an extended date established by the pharmacist's research, analysis, and documentation. (G) A pharmacist, using his or her professional judgment may establish an extended date as provided in (D), (E), and (F), if the pharmacist researches by consulting and applying drug-specific and general stability documentation and literature; analyzes such documentation and literature as well as the other factors set forth in this subdivision, and maintains documentation of the research, analysis and conclusion. The factors the pharmacist must analyze include: (i) the nature of the drug and its degradation mechanism, (ii) the dosage form and its components, (iii)the potential for microbial proliferation in the preparation, (iv) the container in which it is packaged, (v) the expected storage conditions, and (vi) the intended duration of therapy. Documentation of the pharmacist's research and analysis supporting an extension must be maintained in a readily retrievable format as part of the master formula. Curexa NRP 1363, located at 3007 Ocean Heights Avenue, Egg Harbor Township, NJ 08234 was not compliant. Specifically, from at least 2/2/19 to 12/2/19, Curexa assigned an extended a beyond use date (BUD) of 90 days without appropriate scientific support. Re: Compounding of Domperidone

Dear Mr. Taylor:

As you are aware, the New Jersey Board of Pharmacy (the "Board") conducted an inspection of Curexa Pharmacy on 05/28/2015. In reviewing the subsequently produced Inspection Report (#8-5028-15-X), the inspector noted that Curexa Pharmacy was found to be engaged in the compounding of domperidone 10 mg capsules for human use. Curexa appears to have filled 101 prescriptions for this compound between 01/01/2015 and 05/28/2015, resulting in 11,038 capsules being dispensed.

According to the Food and Drug Administration (the "FDA"), domperidone is currently not approved for human use in the United States. Although there are restrictions on domperidone, the FDA recognizes that there are patients with severe GI motility disorders refractory to standard treatment who might benefit from domperidone and in whom the benefits of the drug may outweigh its risks. Domperidone is currently available to these patients through the FDA's Expanded Access to Investigational New Drug (IND) program. This Expanded Access IND program ensures that the appropriate safeguards are in place to protect patients treated with domperidone from the drug's serious adverse effects, including QT prolongation and cardiac arrhythmias. Information on this Expanded Access IND program can be found at:

http://www.fda.gov/drugs/developmentapprovalprocess/howdrugsaredevelopedandapproved/approvalapplications/investigationalnewdrugindapplication/ucm368736.htm

The compounding of domperidone without utilizing the FDA's Expanded Access IND program is a direct violation of Board of Pharmacy Regulations N.J.A.C. 13:39-7.5, N.J.A.C 13:39-6.2(f)(9) and N.J.A.C. 13:39-4.18(a). The Board is requiring that you submit proof of compliance (by following the guidelines set forth by the FDA in order to compound and dispense domperidone) within 45 days of receipt of this letter. Failure to demonstrate that compliance will result in the Board imposing disciplinary action.

Sincerely,

Anthony Rubinaccio, RPh

THIS MATTER comes before the Alabama State Board of Pharmacy (hereinafter referred to as the "Board") on a complaint against EHT Pharmacy LLC d/b/a Curexa f/k/a EHT Pharmacy LLC d/b/a Jersey Shore Pharmacy (EHT) and Mark Taylor (Taylor) which resulted in the filing of a Statement of Charges and Notice of Hearing, as amended (Statement), alleging violations of the Alabama Pharmacy Practice Act as are more particularly set out in the Statement which is attached hereto as **Exhibit "A."**

Prior to a hearing in this cause, and pursuant to Code of Alabama (1975) §41-22-12(f), the Board through its counsel and EHT and Taylor through their counsel engaged in negotiations and as a result the matters at issue were resolved informally by the parties and the parties negotiated a Consent Order, the terms of which are as follows:

1. Counsel for the Board and counsel for EHT and Taylor stipulate that EHT and Taylor deny for all legal purposes other than this proceeding the allegations set forth in the Statement but stipulate that for the purposes of this proceeding the Board would introduce sufficient evidence to meet its required burden of proof. Accordingly, the Board finds EHT and Taylor have violated the provisions of the Alabama Pharmacy

AUG 2 4 2016

Practice Act based upon the conduct set forth in all Counts of the Statement.

2. EHT and Taylor shall pay an administrative fine in the amount of Ten Thousand Dollars ($10,000.00) within thirty (30) days of the effective date of this Consent Order that being the day the same is signed on behalf of the Board. This payment shall not be subject to discharge in bankruptcy nor shall EHT and/or Taylor attempt to discharge the same.

3. EHT and Taylor expressly waive their rights pursuant to the Alabama Pharmacy Practice Act, the Alabama Administrative Procedure Act and the Alabama Uniform Controlled Substances Act, including but not limited to the Code of Alabama (1975), §34-23-34 and §34-23-92(12), Code of Alabama (1975), §41-22-12 and §40-22-20 and Code of Alabama (1975), § 20-2-50 et seq., and including but not limited to the opportunity for a hearing before the Board in connection with any charges against it and any judicial review. EHT and Taylor further waive any objection to the attorney for the Board preparing, drafting or making this Order, including the waiver of any objection or right pursuant to Code of Alabama (1975), §41-22-18.

4. By execution of this Consent Order, EHT and Taylor hereby release the Board, its members, agents, representatives, servants and employees from any and all liability, claims, damages, fees or expenses arising out of or made in connection with the matters relating to this Consent Order and Statement.

5. EHT and Taylor acknowledge and agree that any future violation of the Alabama Pharmacy Practice Act, the laws that regulate the sale and/or dispensing of prescription or legend drugs and/or narcotics or any Rules and regulations of the Alabama State Board of Pharmacy or the pharmacy law or rules of the Board of Pharmacy of another state or any other applicable laws may, upon proof and hearing

thereof, result in further disciplinary sanctions against EHT's permit and/or Taylor's license, including, but not limited to revocation.

6. EHT and Taylor acknowledge and agree that they have read this Consent Order and that it fully understand the terms, conditions and contents of the same. EHT and Taylor acknowledge and agree that they voluntarily and of their own free will accept the terms and conditions set out in this Consent Order and are signing this Consent Order on the advice of their attorney.

MOTION TO AMEND

COMES NOW, the Alabama State Board of Pharmacy (Board) and moves the Hearing Officer for an Order amending the previously filed Statement of Charges and Notice of Hearing (SOC) based upon the following:

9. Respondent enters into this Settlement Agreement as a compromise of the claims and to conserve on the expenses of proceeding with an administrative hearing on this matter.

10. Respondent agrees that this Settlement Agreement is intended to resolve the issues raised in RICO's investigation in RICO Case No. PHA 2017-53-L.

11. Respondent understands that this Settlement Agreement may be subject to reporting requirements.

8. Complete Agreement. This Settlement Agreement is a complete settlement of the rights, responsibilities and liabilities of the parties hereto with respect to the subject matter hereof; contains the entire agreement of the parties; and may only be modified, changed or amended by written instrument duly executed by all parties hereto.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and Curexa ("Respondent Pharmacy") to resolve all matters pertaining to Board Case Number 2017-1242, as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Pharmacy, its registration as a non-resident prescription drug outlet, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 42.5, C.R.S. (2016).

2. Respondent Pharmacy was originally registered in the State of Colorado on or about May 18, 2017, being issued registration number OSP 5698, and has been so registered at all times relevant to this disciplinary action.

3. Respondent Pharmacy's address of record with the Board and current location is 3007 Ocean Heights Ave., Egg Harbor Township, NJ 08234.

4. Respondent Pharmacy admits these findings and hereby waives any further proof in this or any other proceeding before the Board regarding the following facts.

5. On September 6, 2016, Respondent entered into a Consent Order with the Alabama Board of Pharmacy for compounding and dispensing 11,038 Domperidone 10 mg capsules for human use, which is not approved for such use by the Federal Food and Drug Administration.

6. Respondent Pharmacy failed to notify the Colorado Board of the Alabama disciplinary action.

7. Respondent Pharmacy admits that its conduct, as set forth above, constitutes a violation of §12-42.5-123(1)(c)(I)-(III), (g), (k), and (q), C.R.S., and Rule 9.00.10(b),

and provides grounds for disciplinary action against Respondent Pharmacy's Colorado registration as a prescription drug outlet.

DISPOSITION

8. **Letter of Admonition.** This Final Agency Order shall constitute a Letter of Admonition as set forth in §12-42.5-124(6)(b) and (c), C.R.S. The Board hereby admonishes Respondent Pharmacy for the acts and omissions described in paragraphs 5-7 above.

9. **Waiver of Right to Contest.** By entering into this Final Agency Order, Respondent Pharmacy agrees to waive the right provided by §12-42.5-124(6)(b) and (c), C.R.S., to contest this Letter of Admonition.

10. **Other Requirements.** Through its undersigned Authorized Representative, Respondent Pharmacy acknowledges and agrees that, as a condition of this Final Agency Order, Respondent Pharmacy shall:

    a. promptly pay all its own fees and costs associated with this Final Agency Order;

    b. comply fully with this Final Agency Order; and

    c. comply fully with the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act, all Board rules and regulations, and any other state and federal laws and regulations related to pharmaceuticals and pharmacists in the State of Colorado.

11. **Violations.** Time is of the essence to this Final Agency Order. It is the responsibility of Respondent Pharmacy to take all appropriate steps to comply fully with this Final Agency Order. Respondent Pharmacy acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under §12-42.5-124(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of its registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Pharmacy to comply with all terms and conditions of this Final Agency Order.

12. **Advisements and Waivers.** Through its undersigned Authorized Representative, Respondent Pharmacy enters into this Final Agency Order freely and voluntarily, after having the opportunity to consult with legal counsel and/or choosing not to do so. Respondent Pharmacy acknowledges its understanding that it has the following rights:

    a. To have a formal notice of hearing and charges served upon it;

    b. To respond to said formal notice of charges;

c. To have a formal disciplinary hearing pursuant to §§12-42.5-123 and 12-42.5-124, C.R.S.; and

d. To appeal this Board order.

Respondent Pharmacy freely waives these rights, and acknowledges that such waiver is made voluntarily in consideration for the Board's limiting the action taken against it to the sanctions imposed herein.

13. **Acknowledgments.** The undersigned Authorized Representative of Respondent Pharmacy has read this Final Agency Order in its entirety and acknowledges, after having the opportunity to consult with legal counsel and/or choosing not to do so, that Respondent Pharmacy understands the legal consequences and agrees that none of the terms or conditions herein is unconscionable. Respondent Pharmacy further acknowledges that it is not entering into this Final Agency Order under any duress.

14. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties in this case. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

COUNTS

(1) On or about October 24, 2007, the New Jersey State Board of Pharmacy issued a Settlement Letter against the New Jersey pharmacy license number 28RS00626400 held by Curexa (previously licensed in New Jersey as Jersey Shore Pharmacy). The Settlement was based on a deficiency identified during an inspection; specifically that potential drug allergies or chronic conditions were not recorded in the patient medication record. The Settlement imposed a $200 penalty and required that the pharmacy submit a letter of correction.

On or about August 3, 2009, Curexa (previously licensed as Jersey Shore Pharmacy) submitted an application for change of pharmacy name/location to the Texas State Board of Pharmacy. On the application, it was falsely indicated that the pharmacy had not been subject to professional disciplinary action within the last 36 months, when the pharmacy was subject to the disciplinary action by the New Jersey State Board of Pharmacy described above.

(2) On or about April 6, 2010, the New Jersey State Board of Pharmacy issued a Settlement Letter against the New Jersey pharmacy license number 28RS00626400 held by Curexa (previously licensed in New Jersey as Jersey Shore Pharmacy). The Settlement was based on a deficiency identified during an inspection; specifically that equipment was not inspected or sealed by the Department of Weights and Measures. The Settlement required that the pharmacy submit a letter of correction.

On or about April 27, 2011, Curexa (previously licensed as Jersey Shore Pharmacy) submitted an application for licensure renewal as a non-resident pharmacy to the Texas State Board of Pharmacy. On the application, it was falsely indicated that the pharmacy had not been subject to professional disciplinary action within the last 36 months, when the pharmacy was subject to the disciplinary action by the New Jersey State Board of Pharmacy described above.

(3) On or about November 25, 2015, the New Jersey State Board of Pharmacy issued a Settlement Letter against the New Jersey pharmacy license number 28RS00626400 held by Curexa. The Settlement was based on deficiencies identified during an inspection; specifically that drug stock inventory contained expired drugs, and that between January 21, 2015, and May 28, 2015, the pharmacy compounded and dispensed 101 prescriptions for a drug product not approved by the federal Food and Drug Administration for human use, namely domperidone 10 mg. The Settlement imposed a $100 penalty and required that the pharmacy submit a letter of correction.

(4) On or about September 6, 2016, the Alabama State Board of Pharmacy entered a Consent Order against the Alabama non-resident pharmacy permit number 114076/202111 held by Curexa (licensed in Alabama as EHT Pharmacy LLC d/b/a Curexa). The Order was based on allegations contained in a Statement of Charges and Notice of Hearing that the pharmacy compounded and dispensed 101 prescriptions for a drug product not approved by the federal Food and Drug Administration for human use, namely domperidone 10 mg. The Order imposed a $10,000 fine.

An informal conference was held in the Board's office on July 13, 2017, with Mark Taylor, R.Ph., Corporate Manager, EHJ Pharmacy, LLC, on behalf of Respondent; and Daniel Scott Distefano, R.Ph., Staff Pharmacist, in attendance. The informal conference was heard by a Board panel comprised of: Jeanne D. Waggener, R.Ph., Board Member; and Carol Fisher, R.Ph.,

M.P.A., Director of Enforcement; with Kerstin Arnold, General Counsel. Megan Holloway, Staff Attorney, was also in attendance.

By appearing at the informal conference and by signing this Order, Mark Taylor neither admits nor denies the truth of the matters previously set out in this Order, and agrees that the Board has jurisdiction in this matter and waives the right to notice of hearing, formal administrative hearing, and judicial review of this Order.

The parties acknowledge that this Order resolves the allegations set forth herein, and agree to the terms and conditions set forth in the ORDER OF THE BOARD below.

ORDER OF THE BOARD

THEREFORE, PREMISES CONSIDERED, the Board does hereby ORDER that:

(1) Respondent's license is reprimanded.

(2) Respondent shall pay an administrative penalty of two thousand dollars ($2,000) due one hundred twenty (120) days after the entry of this Order.

(3) Failure to comply with any of the requirements in this Order constitutes a violation and shall be grounds for further disciplinary action. The requirements of this Order are subject to the Texas Pharmacy Act, TEX. OCC. CODE ANN., Title 3, Subtitle J (2015), and Texas Pharmacy Board Rules, 22 TEX. ADMIN. CODE (2017).

CERTIFIED AND FIRST CLASS MAIL

RE: Case 2017-6730 against Curexa

Dear Pharmacist Manager:

At its March 15, 2018 meeting, the Colorado State Board of Pharmacy ("Board") reviewed the above-referenced complaint. After careful consideration of all the evidence before the Board, the Board determined that the aforementioned nonresident pharmacy failed to timely report disciplinary action in another state and committed acts that would subject it to disciplinary action in this state.

The Board hereby admonishes the nonresident pharmacy for violation of the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act and Board Rules.

This admonishment shall be made a part of the permanent records of the Board and is reportable as a disciplinary action. It may also be considered as an aggravating factor if you incur future violations. You may request that a hearing be initiated by the Board if you wish to dispute the information in this letter. The purpose of such a proceeding would be to adjudicate the propriety of the conduct upon which this letter is based. The Board must receive such a request from you within 20 days after you receive this letter.

If you make a timely request, the letter of admonition shall be deemed vacated pending resolution of formal disciplinary proceedings. Those proceedings involve a hearing conducted in accordance with the State Administrative Procedures Act.

Sincerely,

FOR THE COLORADO STATE BOARD OF PHARMACY

CONSENT ORDER

The Department of Financial and Professional Regulation of the State of Illinois, Division of Professional Regulation, by and through Brandon R. Thom, Enforcement Attorney of Health-Related Prosecutions, and EHT Pharmacy LLC, DBA Curexa, Respondent, by and through its attorney, Rachael G. Pontikes, hereby agree to the following:

STIPULATIONS

EHT Pharmacy LLC, DBA Curexa Infusion (hereinafter "Respondent") is the holder of a pharmacy license in the State of Illinois, License No. 054.018557. Said license is currently in active status. At all times material to the matter set forth in this Consent Order, the Department of Financial and Professional Regulation of the State of Illinois, Division of Professional Regulation (hereinafter the "Department") has had jurisdiction over the subject matter and parties herein.

On or about September 6, 2016, Respondent entered into a consent agreement with the Alabama State Board of Pharmacy, Alabama case number 16-L-0037. Respondent's Alabama pharmacy license was disciplined due to Respondent compounding and dispensing 10mg capsules of Domperidone for human use which is not approved by the FDA and having expired medications in active stock. Respondent was assessed a fine of ten thousand dollars ($10,000.00)

by the Alabama State Board of Pharmacy. Respondent failed to disclose its Alabama discipline to the Department within sixty (60) days.

The aforementioned conduct, if proven to be true, would constitute grounds for disciplinary action against Respondent's pharmacy license on the authority of 68 Ill. Admin. Code 1330.30, 68 Ill. Admin. Code 1330.40, and 225 ILCS 85/30(a)(2), (8), and (24).

Respondent has been advised of the right to have the pending allegations reduced to written charges, the right to counsel, the right to a hearing, the right to contest any charges brought, and the right to administrative review of any Order resulting from a hearing. Respondent knowingly waives each of these rights, as well as any right to administrative review of this Consent Order. Such waiver ceases if this Consent Order is rejected by either the Illinois State Board of Pharmacy or the Director of the Division of Professional Regulation of the Illinois Department of Financial and Professional Regulation. RE: Report of Discipline

During a survey of our pharmacy located at the address stated above a NJ Board of Pharmacy noted two items during her review on 03/05/2018. These items were explained to the inspector prior to her departure and in subsequent correspondence. The Board has seen it fit to issue reprimand and penalty for these items which I will state and provide explanation.

The Inspector stated that a photocopy of a pharmacist license was displayed, and this violated NJAC 13:39-3.6 prohibiting reproduction of a license by any means. This pharmacist had her official, state-issued license in the display case as well. This was noted in the comments of the inspection document. Henceforth, Curexa will only post primary-source verification of any approved licenses prior to receiving a state-issued certificate.

The inspector noted that there were documents posted on www.curexa.com with the pharmacy name and contact information in the document heading. There was, at that time, indication on the form that the heading was to be removed prior to completing and submitting the form. Additionally, the following statement is, and has been, on Curexa's website;

> *The following forms are intended for informational purposes only and do not always constitute a complete prescription to Curexa Pharmacy. Forms are for licensed prescriber use only to assist in the Curexa Pharmacy enrollment process. Faxed prescriptions may only be accepted by licensed prescribing practitioners as required by state prescribing laws. If you have any further questions, please contact us at 855.927.0390.*

This was stated as a violation of NJSA 45:14-65(b) "providing or causing to be provided to a physician, dentist, veterinarian or other person authorized to prescribe, prescription blanks or forms bearing the pharmacist's or pharmacy's name, address or other means of identification". These forms have been amended to remove all mentions of the pharmacy.

The attached documents have been provided for your review of the matter.

Re: Inspection #8-5028-18-412
Date of Inspection: 3/5/18

Dear Mr. Taylor:

This letter is to advise you that the New Jersey State Board of Pharmacy has had an opportunity to review information concerning the above inspection report.

Upon review of all available information, the Board has preliminarily found that you have violated those items listed on Attachment A.

The Board has determined that it will offer you an opportunity to settle this matter and thereby avoid the initiation of further disciplinary proceedings. Should you wish to avail yourself of this opportunity, you **MUST SIGN THE ATTACHED CERTIFICATION** and agree to the following:

> **PAY A PENALTY IN THE AMOUNT OF $1,050.00** and **PROVIDE TO THE BOARD A LETTER OF CORRECTIVE ACTION.** (To be paid immediately upon your signing of the attached acknowledgment.)

Alternatively you may waive your right to a hearing and submit a written statement or explanation to the Board. The Board will then consider your submission and render a final decision, which may include any of the terms set forth above. This disposition will be a public record. Please take notice that if the Board determines that the initial inspection findings require a reinspection to ensure that cited deficiencies have been properly addressed, you may be subject to any costs associated with the reinspection.

If you do not wish to settle this matter, you may request a hearing. In that event, this letter will serve as notice of the charges against you and a hearing will be scheduled before the

Board. At that hearing you may, either personally or with the assistance of an attorney, submit determination concerning the charges of unlawful activity. You should be aware that in making its final decision, the Board may, if unlawful activity has been proven, assess civil penalties in an amount greater than that herein offered in this letter. Additionally, the Board may, if the facts are found to so warrant, enter an order, requiring you to reimburse certain monies, direction you to cease and desist from engaging in unlawful acts and/or requiring you to pay costs incurred by the Board. Should you have any questions concerning this letter or the settlement offer herein, I suggest that you contact the Board at (973) 504-6450.

The enclosed Certification **MUST** be completed and returned to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from you within this time, the Board's settlement offer will be withdrawn, and the allegations contained herein shall be deemed admitted, and the Board will proceed to finally review that matter and enter an appropriate order.

THIS MATTER comes before the Alabama State Board of Pharmacy (hereinafter referred to as the "Board") on a complaint against EHT Pharmacy LLC d/b/a Curexa f/k/a EHT Pharmacy LLC d/b/a Jersey Shore Pharmacy (EHT) and Mark Taylor (Taylor) which resulted in the filing of a Statement of Charges and Notice of Hearing, as amended (Statement), alleging violations of the Alabama Pharmacy Practice Act as are more particularly set out in the Statement which is attached hereto as **Exhibit "A."**

Prior to a hearing in this cause, and pursuant to Code of Alabama (1975) §41-22-12(f), the Board through its counsel and EHT and Taylor through their counsel engaged in negotiations and as a result the matters at issue were resolved informally by the parties and the parties negotiated a Consent Order, the terms of which are as follows:

3. EHT and Taylor expressly waive their rights pursuant to the Alabama Pharmacy Practice Act, the Alabama Administrative Procedure Act and the Alabama Uniform Controlled Substances Act, including but not limited to the Code of Alabama (1975), §34-23-34 and §34-23-92(12), Code of Alabama (1975), §41-22-12 and §40-22-20 and Code of Alabama (1975), § 20-2-50 et seq., and including but not limited to the opportunity for a hearing before the Board in connection with any charges against it and any judicial review. EHT and Taylor further waive any objection to the attorney for the Board preparing, drafting or making this Order, including the waiver of any objection or right pursuant to Code of Alabama (1975), §41-22-18.

4. By execution of this Consent Order, EHT and Taylor hereby release the Board, its members, agents, representatives, servants and employees from any and all liability, claims, damages, fees or expenses arising out of or made in connection with the matters relating to this Consent Order and Statement.

5. EHT and Taylor acknowledge and agree that any future violation of the Alabama Pharmacy Practice Act, the laws that regulate the sale and/or dispensing of prescription or legend drugs and/or narcotics or any Rules and regulations of the Alabama State Board of Pharmacy or the pharmacy law or rules of the Board of Pharmacy of another state or any other applicable laws may, upon proof and hearing

thereof, result in further disciplinary sanctions against EHT's permit and/or Taylor's license, including, but not limited to revocation.

6. EHT and Taylor acknowledge and agree that they have read this Consent Order and that it fully understand the terms, conditions and contents of the same. EHT and Taylor acknowledge and agree that they voluntarily and of their own free will accept the terms and conditions set out in this Consent Order and are signing this Consent Order on the advice of their attorney.

BEFORE THE TEXAS STATE
BOARD OF PHARMACY

On this day came on to be considered by the Texas State Board of Pharmacy (Board) the matter of pharmacist license number 58326 issued to Mark Taylor (Respondent).

By letter dated March 31, 2017, the Board gave preliminary notice to Respondent of its intent to take disciplinary action. This action was taken as a result of an investigation which produced evidence indicating that Respondent may have violated:

> Sections 565.001(a)(1), (2), (5), (12) and (16); and 565.001(b) of the Texas Pharmacy Act, TEX. OCC. CODE ANN. Title 3, Subtitle J (2015); and

> Sections 281.7(a)(13); 281.7(a)(21); and 281.7(c)(3) of the Texas Pharmacy Board Rules, 22 TEX. ADMIN. CODE (2016), as alleged in the Counts below.

The conduct described in the Consent Order by the Alabama State Board of Pharmacy is substantially similar to the conduct described in:

> Section 565.001(a)(1), (2), (12) and (13) of the Texas Pharmacy Act, TEX. OCC. CODE ANN. Title 3, Subtitle J (2013);
>
> Sections 281.7(a)(12) and (13); 291.32(a)(2)(H); 291.32(c)(1)(E) and (F); and 295.3 of the Texas Pharmacy Board Rules, 22 TEX. ADMIN. CODE (2015);
>
> Sections 431.002(25); and 431.114 of the Texas Food, Drug, and Cosmetic Act, TEX. HEALTH & SAFETY CODE ANN. (2013); and
>
> Sections 321(p)(1) and (2); 331(d); and 355(a) of the Federal Food, Drug, and Cosmetic Act (Title 21 U.S.C.) (2013).

COUNTS

(1) On or about April 29, 2016, Mark Taylor submitted an application for renewal of his pharmacist license to the Texas State Board of Pharmacy. On the application, Mr. Taylor falsely indicated that no professional disciplinary action was pending against him, when the disciplinary action by the Alabama State Board of Pharmacy described below in Count (2) was pending against him.

(2) On or about September 6, 2016, the Alabama State Board of Pharmacy entered a Consent Order against the Alabama pharmacist license number 19108 held by Mark Taylor. The Order was based on allegations contained in a Statement of Charges and Notice of

Hearing that while Mr. Taylor was acting as pharmacist-in-charge and a corporate officer of Curexa, the pharmacy compounded and dispensed 101 prescriptions for a drug product not approved by the federal Food and Drug Administration for human use, namely domperidone 10 mg. The Order imposed a $10,000 fine.

An informal conference was held in the Board's office on July 13, 2017, with Respondent in attendance. The informal conference was heard by a Board panel comprised of: Jeanne D. Waggener, R.Ph., Board Member; and Carol Fisher, R.Ph., M.P.A., Director of Enforcement; with Kerstin Arnold, General Counsel. Megan Holloway, Staff Attorney, was also in attendance.

At the aforementioned conference, Respondent waived the right to be represented by legal counsel. By signing this Order, Respondent neither admits nor denies the truth of the matters previously set out in this Order, and agrees that the Board has jurisdiction in this matter and waives the right to notice of hearing, formal administrative hearing, and judicial review of this Order.

The parties acknowledge that this Order resolves the allegations set forth herein, and agree to the terms and conditions set forth in the ORDER OF THE BOARD below.

ORDER OF THE BOARD

THEREFORE, PREMISES CONSIDERED, the Board does hereby ORDER that:

(1) Respondent's license is reprimanded.

(2) Respondent shall pay an administrative penalty of one thousand dollars ($1,000) due one hundred twenty (120) days after the entry of this Order.

(3) Failure to comply with any of the requirements in this Order constitutes a violation and shall be grounds for further disciplinary action. The requirements of this Order are subject to the Texas Pharmacy Act, TEX. OCC. CODE ANN., Title 3, Subtitle J (2015), and Texas Pharmacy Board Rules, 22 TEX. ADMIN. CODE (2017).

And it is so ORDERED.

THIS ORDER IS A PUBLIC RECORD.

Dear Mr. Taylor:

Unfortunately the Application for Consent Order that you signed and returned to me last spring was incorrectly drafted in that the name of the current registration in New York reads as EHT Pharmacy, LLC, CUREX. That now needs to be corrected on the enclosed consent application and it will necessary for you to re-sign in the TWO places indicated and return it to me.

I am enclosing a UPS envelope for you to return the signed white backed original to me as soon as possible. If you have any questions about this please call me at (518)485-9351. Thank you and I apologize for this inconvenience.

ADMINISTRATIVE COMPLAINT

The Michigan Department of Licensing and Regulatory Affairs, by Forrest Pasanski, Enforcement Division Director, Bureau of Professional Licensing, complains against Respondent as follows:

1. The Michigan Board of Pharmacy is an administrative agency established by the Public Health Code, MCL 333.1101 *et seq*. Pursuant to MCL 333.7311, MCL 333.16226, and MCL 333.17768, the Board's Disciplinary Subcommittee is empowered to discipline persons for violations of the Public Health Code.

2. Respondent is currently licensed as a pharmacist in the state of Michigan. Respondent's address of record with the Department is Galloway, New Jersey.

3. On September 6, 2016, the Alabama State Board of Pharmacy (Alabama Board) executed a Consent Order (Order) with EHT Pharmacy LLC d/b/a Curexa f/k/a EHT Pharmacy LLC d/b/a Jersey Shore Pharmacy (pharmacy) and Respondent that fined the pharmacy and Respondent $10,000.00. The Alabama Board's

Order was based on allegations that the pharmacy compounded and dispensed 101 prescriptions (totaling 11,038 capsules) of Domperidone for human use when the same was not approved by the FDA and having nine medications outdated from one day to four months in the active drug stock inventory. A copy of the Order, marked Exhibit A, is attached and incorporated.

4. Respondent failed to notify the Department of the action taken by the Alabama Board within 30 days from the date of the action.

5. On August 1, 2017, the Texas State Board of Pharmacy (Texas Board) issued an Agreed Board Order against Respondent based on Respondent submitting an April 29, 2016 application for renewal of his pharmacist license to the Texas Board and falsely indicating that no professional disciplinary action was pending against him when the Alabama action described above was pending against Respondent. Licensee was reprimanded and fined $1,000.00. A copy of the Order, marked Exhibit B, is attached and incorporated.

6. Respondent failed to notify the Department of the action taken by the Texas Board within 30 days from the date of the action.

COUNT I

The actions by the Alabama and Texas Boards, as set forth above, constitute final adverse administrative actions by a licensure, registration, disciplinary, or certification board involving the holder of, or an applicant for, a license or registration

regulated by another state or a territory of the United States, in violation of MCL 333.16221(b)(x).

COUNT II

Respondent's conduct, as set forth above, evidences a failure to notify the Department of the disciplinary actions by the Alabama and Texas Boards within 30 days from the date of the actions, as required by MCL 333.16222(4), in violation of MCL 333.16221(f).

RESPONDENT IS NOTIFIED that, pursuant to MCL 333.16231(8), Respondent has 30 days from the date of receipt of this Complaint to answer this Complaint in writing and to show compliance with all lawful requirements for licensure. Respondent shall submit the response to the Bureau of Professional Licensing, Department of Licensing and Regulatory Affairs, P.O. Box 30670, Lansing, MI 48909.

Respondent's failure to submit an answer within 30 days is an admission of the allegations in this Complaint. If Respondent fails to answer, the Department shall transmit this Complaint directly to the Board's Disciplinary Subcommittee to impose a sanction, pursuant to MCL 333.16231(9).

AGREED BOARD ORDER #F-17-010

RE: IN THE MATTER OF
MARK TAYLOR
(PHARMACIST LICENSE #58326)

BEFORE THE TEXAS STATE
BOARD OF PHARMACY

On this day came on to be considered by the Texas State Board of Pharmacy (Board) the matter of pharmacist license number 58326 issued to Mark Taylor (Respondent).

By letter dated March 31, 2017, the Board gave preliminary notice to Respondent of its intent to take disciplinary action. This action was taken as a result of an investigation which produced evidence indicating that Respondent may have violated:

Sections 565.001(a)(1), (2), (5), (12) and (16); and 565.001(b) of the Texas Pharmacy Act, TEX. OCC. CODE ANN. Title 3, Subtitle J (2015); and

The conduct described in the Consent Order by the Alabama State Board of Pharmacy is substantially similar to the conduct described in:

Section 565.001(a)(1), (2), (12) and (13) of the Texas Pharmacy Act, TEX. OCC. CODE ANN. Title 3, Subtitle J (2013);

Sections 281.7(a)(12) and (13); 291.32(a)(2)(H); 291.32(c)(1)(E) and (F); and 295.3 of the Texas Pharmacy Board Rules, 22 TEX. ADMIN. CODE (2015);

Sections 321(p)(1) and (2); 331(d); and 355(a) of the Federal Food, Drug, and Cosmetic Act (Title 21 U.S.C.) (2013).

COUNTS

(1) On or about April 29, 2016, Mark Taylor submitted an application for renewal of his pharmacist license to the Texas State Board of Pharmacy. On the application, Mr. Taylor falsely indicated that no professional disciplinary action was pending against him, when the disciplinary action by the Alabama State Board of Pharmacy described below in Count (2) was pending against him.

(2) On or about September 6, 2016, the Alabama State Board of Pharmacy entered a Consent Order against the Alabama pharmacist license number 19108 held by Mark Taylor. The Order was based on allegations contained in a Statement of Charges and Notice of

Hearing that while Mr. Taylor was acting as pharmacist-in-charge and a corporate officer of Curexa, the pharmacy compounded and dispensed 101 prescriptions for a drug product not approved by the federal Food and Drug Administration for human use, namely domperidone 10 mg. The Order imposed a $10,000 fine.

An informal conference was held in the Board's office on July 13, 2017, with Respondent in attendance. The informal conference was heard by a Board panel comprised of: Jeanne D. Waggener, R.Ph., Board Member; and Carol Fisher, R.Ph., M.P.A., Director of Enforcement; with Kerstin Arnold, General Counsel. Megan Holloway, Staff Attorney, was also in attendance.

At the aforementioned conference, Respondent waived the right to be represented by legal counsel. By signing this Order, Respondent neither admits nor denies the truth of the matters previously set out in this Order, and agrees that the Board has jurisdiction in this matter and waives the right to notice of hearing, formal administrative hearing, and judicial review of this Order.

The parties acknowledge that this Order resolves the allegations set forth herein, and agree to the terms and conditions set forth in the ORDER OF THE BOARD below.

ORDER OF THE BOARD

THEREFORE, PREMISES CONSIDERED, the Board does hereby ORDER that:

(1) Respondent's license is reprimanded.

(2) Respondent shall pay an administrative penalty of one thousand dollars ($1,000) due one hundred twenty (120) days after the entry of this Order.

(3) Failure to comply with any of the requirements in this Order constitutes a violation and shall be grounds for further disciplinary action. The requirements of this Order are subject to the Texas Pharmacy Act, TEX. OCC. CODE ANN., Title 3, Subtitle J (2015), and Texas Pharmacy Board Rules, 22 TEX. ADMIN. CODE (2017).

And it is so ORDERED.

THIS ORDER IS A PUBLIC RECORD.

INSPECTOR'S COMMENTS:

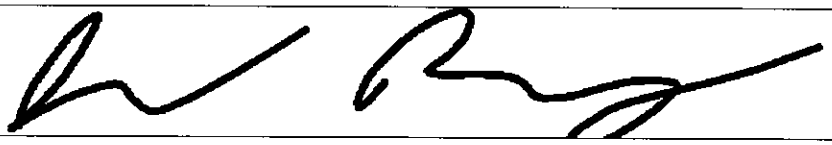
Reviewed sterile inspection (virtual) with Gina Cohenour, Mischelle Smoot, and Angela Garcia, and shadowed by Trina Leak. Requirements as listed above were observed through documented communication with the facility staff to ensure that this facility meets the minimum requirement by state law. Documents attached to this inspection were provided during virtual communication with Gina Cohenour.

Pharmacy compounds low to medium risk CSPs. Pharmacy does not wholesale distribute or outsources medications. Pharmacy does not extend BUDs, and does not batch compound. Pharmacy compounds IVIG and provides medication pump services. Pharmacy is permitted in AK, AZ, AR, CA, CO, CT, DE, FL, GA, HI, IL, IN, IA, KY, ME, MI, MN, MS, MO, MT, NE, NV, NH, NJ, NM, NY, NC, ND, OH, OK, PA, RI, SC, SD, TN, UT, VT, VA, WA, DC, WV, WI, and WY.

Due to COVID19, pharmacy temporarily ceased compounding in March 2020 in efforts to avoid any wasted product in the event that a patient or Nurse had to delay or cancel an infusion after shipment. Manufacturer medication vials being shipped to patients to eliminate the 9 day BUD of compounded items. The clean room is still being cleaned at appropriate intervals. On June 3 a patient requested her infusion to be mixed by the pharmacy, fingertip testing was performed after compounding as part of QA.

Technicians pull components and perform compounding. Pharmacist check vials for correctness, drug and dose.

Clean room consists of a positive pressure anteroom and buffer room and 2 LAFWs. ENV Services performed environmental sampling and certification on 3/10/2020. Pharmacy conducts monthly in-house surface and air sampling (settling plates), and weekly fingertip sampling.



Cleaning of room and hoods is performed by pharmacy staff. Pharmacy uses Cavicide and Sterile Alcohol for the daily, TexQ for the weekly, and Peridox RTU for the monthly cleanings.

Discussed/Recommend
Adding a policy/procedure on reporting AERs to the Board of Pharmacy.

Unresolved matters will be brought to the Board for review.

3. Has the corporation, any owner(s), shareholder(s) or partner(s) with any interest, ever been subject of an administration action, board citation, cite fine, or proceeding relating to the pharmaceutical industry?

First, the applicant, Wickliffe LLC d/b/a Wickliffe Veterinary Pharmacy ("*Applicant*"), wishes to clarify that, as a new entity, it has never had a professional license disciplined by any board or agency in any jurisdiction. Accordingly, the answer to the above question is "No." However, out of an abundance of caution, we have elected to disclose the below disciplinary history for the predecessor entity, Wickliffe Veterinary Pharmacy (the "*Predecessor Entity*"). Please note, all of the Predecessor Entity's licenses are currently unrestricted, active and in good standing.

- **Kentucky Board of Pharmacy** (Case No. 03-0036A): Agreed Order executed on July 9, 2003 wherein the Predecessor Entity agreed to pay a fine and accept a discipline.

- **Kentucky Board of Pharmacy** (Case No. 11-0196A): Agreed Order executed on November 5, 2011 wherein the Predecessor Entity agreed to pay a fine and accept a discipline. This discipline led to a sister-state discipline by the Michigan Board of Pharmacy (Case No. 53-12-123396), which fined the facility.

- **Kentucky Board of Pharmacy** (Case No. 14-0250A and 15-0279A): Agreed Order executed on October 23, 2015 wherein the Predecessor Entity agreed to a fine and a three (3) year probation. This discipline led to sister-state disciplines in the following states[1]:

    - **Oregon Board of Pharmacy** (Case No. 2015-0594): Predecessor Entity's license was placed on probation for the duration of the probation with the Kentucky BOP. Probation was terminated on October 24, 2018 and the Oregon license is currently unencumbered and in good standing.
    - **Alabama Board of Pharmacy** (No Case No): Predecessor Entity paid a fine and its Alabama license was placed on probation for the same length of time that it remained under Kentucky's probation. Probation has since been terminated and the Alabama license is currently unencumbered and in good standing.
    - **Iowa Board of Pharmacy** (Case No. 2014-181): Predecessor Entity paid a fine and and its Iowa license was placed on probation until its Kentucky probation was lifted. On February 7, 2019, the Iowa Board terminated the probation. The Iowa license is currently unencumbered and in good standing.
    - **Colorado Board of Pharmacy** (Case No. 2015-4608): Predecessor Entity's Colorado license was placed on probation until its Kentucky probation was lifted. The Colorado probation has since been terminated and its license is currently unencumbered and in good standing.
    - **Texas Board of Pharmacy** (Case No. L-14-055): Predecessor Entity's license was placed on probation for three (3) years and it was ordered to pay a fine. That probation has since been terminated and Predecessor Entity's Texas license is currently unencumbered and in good standing.

[1]As these matters are all sister-state actions arising from the 2015 Kentucky discipline, we have only attached the Kentucky orders for 2003, 2011 and 2015. If you would like copies of the sister-state actions stemming from the 2015 Kentucky discipline, please let us know.

- **Wisconsin Board of Pharmacy** (Case No. 0004737): Predecessor Entity was reprimanded and fined.
- **Maryland Board of Pharmacy** (Case No. PI-15-052): Predecessor Entity's Maryland license was placed on a three (3) year probation. That probation has since been terminated and the Maryland license is currently unencumbered and in good standing.
- **Florida Board of Pharmacy** (Case No. 2014-07670): Predecessor Entity's Florida license was placed on probation and fined. Probation was later lifted and its Florida license is currently unencumbered and in good standing.
- **Rhode Island Board of Pharmacy** (Case No. C-16-418): Predecessor Entity was placed on probation for three (3) years running concurrently with the Kentucky Order probation period. The probation was later lifted and the Rhode Island license is currently unencumbered and in good standing.
- **Louisiana Board of Pharmacy** (Case No. 2016-60): Predecessor Entity's Louisiana license was placed on probation for two years and fined. The probation ended on October 23, 2018 and its Louisiana license is currently unencumbered and in good standing.
- **Utah Board of Pharmacy** (Case No. DOPL 2016-684): Predecessor Entity was reprimanded and fined by the Utah BOP.
- **Missouri Board of Pharmacy** (No Case No): Predecessor Entity's Missouri license was placed on probation until October 23. The Missouri license is currently unencumbered and in good standing.
- **California Board of Pharmacy** (Case No. 5856): Predecessor Entity's California licenses were placed on probation for three (3) years and Predecessor Entity paid administrative costs. The probation has since been terminated and the California licenses are unencumbered and in good standing.
- **Michigan Board of Pharmacy** (Case No. 53-17-145600): Predecessor Entity was fined.
- **Illinois Board of Pharmacy** (Case No. 2015010771): Predecessor Entity was reprimanded and fined.

COMMONWEALTH OF KENTUCKY
KENTUCKY BOARD OF PHARMACY
Case No. 14-0250A and 15-0279A

IN RE: PHARMACY PERMIT NO. P06568 HELD BY WICKLIFFE PHARMACEUTICAL INC.

Agreed Order

Come the parties, the Kentucky Board of Pharmacy ("the Board") and Wickliffe Pharmaceutical Inc. ("Respondent"), and the parties having been fully informed regarding the matter set forth herein, state as follows:

(1) Pursuant to Chapter 315 of the Kentucky Revised Statutes, the Board is authorized to regulate and control all matters related to pharmacists and pharmacies not delegated to another agency of the Commonwealth. The matter herein has not been delegated to another agency of the Commonwealth.

(2) Respondent is a pharmacy in the Commonwealth of Kentucky, having been assigned pharmacy permit no. P06568.

Case 14-0250A

(3) (a) On or about April 25, 2014, Kathleen Culver (Culver) from the Food and Drug Administration (FDA) advised Steve Hart, the Board's Inspections and Investigations Coordinator at the time, that two horses in Kentucky had died after being administered a paste compounded by Respondent.

(b) The toltrazuril 227mg/pyrimethamine 340mg/ml paste was dispensed on or about March 24, 2014 by pharmacist Kelly Zaccarelli (Zaccarelli).

(c) On or about April 29-30, 2014, Katie Busroe (Busroe), a Pharmacy and Drug Inspector for the Board, investigated the incident with Culver at Respondent's site. Culver removed samples of the active pharmaceutical ingredients (APIs) that were used to compound the paste.

(d) FDA lab analysis indicated there was no contamination of the APIs. The FDA determined that the dose of paste administered to the horses resulted in an overdose of pyrimethamine. Two tubes of paste were tested for potency with the results being:

- **Tube 1**: pyrimethamine 82% of declared potency and toltrazuril 83% of declared potency; and

- **Tube 2**: pyrimethamine 80% of declared potency and toltrazuril 82% of declared potency.

(e) The potency testing indicated that the compounded preparation was adulterated, in violation of KRS 217.055 and KRS 315.121(1)(h).

(4) (a) On or about May 8, 2014, Jackie Bernard, Owner of Wickliffe, advised Busroe and Culver that a horse in Florida died after being administered toltrazuril 416mg/pyrimethamine 17mg/ml suspension compounded by Wickliffe.

(b) The suspension was compounded by Respondent on or about March 28, 2014. Tyler Hill was the responsible pharmacist for the compounded suspension.

(c) Altogether, two horses died and six additional horses were hospitalized after they received the compounded suspension.

(d) On or about May 9, 2014, Hart traveled to Wickliffe with Culver to investigate the incident. The same APIs that were used to compound the above-referenced paste were used to compound the suspension.

(e) FDA lab testing indicated the pyrimethamine was 2380% of the declared potency and the toltrazuril was 3.74% of the declared potency.

(f) The potency testing indicated that the compounded preparation was adulterated, in violation of KRS 217.055 and KRS 315.121(1)(h).

(5) (a) On or about November 5, 2014, Busroe inspected Wickliffe with two other Pharmacy and Drug Inspectors, Phil Losche and Amanda Harding. On this date, Zaccarelli served as the Pharmacist-in-Charge (PIC).

(b) During the day long inspection the general operations of Wickliffe were observed. Respondent dispenses to animals. Approximately 99% of dispensed prescriptions are compounded and 1% is commercially available product. Of the compounded preparations, approximately 75% are nonsterile and 25% are sterile. Of the sterile compounds, approximately 98% are injectibles and 2% are ophthalmic preparations; all are high risk. Respondent advised it had 754 compounding formulas. Respondent employed 5 pharmacists (4 present on the day of the inspection) and 27 technicians. The PIC performed mostly administrative and some dispensing functions. One pharmacist was preparing to go on maternity leave, two pharmacists worked in the nonsterile compounding area, two technicians (one full-time and one part-time) worked in the sterile compounding area, eight technicians worked in the nonsterile compounding area, and multiple technicians answered telephones and provided customer service functions. Respondent had one sterile compounding room and three nonsterile compounding rooms; each with at least two work stations. At any time, there may be eight nonsterile preparations being made. The week of the inspection, Respondent averaged 267 prescriptions per day, and filled 284 the day of the inspection. The following issues were discovered:

1. Technicians were performing functions without the immediate supervision of a pharmacist, in violation of 201 KAR 2:045, Section 3 and KRS 315.020(1).
2. There was no documented stability data to substantiate the extended beyond use date (BUD) of various compounded sterile preparations (CSPs) and compounded nonsterile preparations (CNSPs), in violation of KRS 315.121(1)(a). [*See* STORAGE AND BEYOND-USE DATING, USP 797; and STABILITY CRITERIA AND BEYOND-USE DATING, USP 795]
3. Hazardous drugs were improperly stored and handled, in violation of KRS 315.121(1)(a). [*See* HAZARDOUS DRUGS AS CSPs, USP 797]
4. A container of Phenylbutazone alfalfa flavor did not have a tight fitting lid in violation of KRS 315.121(1)(a). [*See* ELEMENTS OF QUALITY CONTROL, USP 797]
5. Respondent transfers Active Pharmaceutical Ingredients (APIs) into smaller containers that are not identified with the component name, original supplier, lot or control number, transfer date and expiration date, in violation of KRS 315.121(1)(a). [*See* COMPONENT SELECTION, HANDLING AND STORAGE, USP 795]
6. Some hazardous drugs had not been prepared in a Biological Safety Cabinet or Compounding Aseptic Containment Isolator in violation of KRS 315.121(1)(a). [*See* HAZARDOUS DRUGS AS CSPs, USP 797]
7. Prescription labels do not always correctly identify the identity of the dispensing pharmacist as required by 201 KAR 2:076, Section 4; and KRS 315.121(1)(a) and (h).
8. Prescription labels do not contain adequate directions for use as required by 201 KAR 2:076, Section 4; and KRS 315.121(1)(a) and (h).
9. A person known as "Sylvia," who was not registered as a technician nor licensed as a pharmacist or pharmacist intern, made an over-the-counter product for another company in a nonsterile compounding room in the pharmacy, in violation of 201 KAR 2:100, Section 1 and KRS 315.121(1)(h).
10. Drug Utilization Review was not performed by a pharmacist on all prescriptions as required by 201 KAR 2:210, Section 4, and in violation of KRS 315.121(1)(h).
11. CSPs were dispensed utilizing a prescriber whose license and/or DEA number was/were not current, in violation of 201 KAR 2:076, Section 4(1)(f) and (g); and KRS 315.121(1)(a) and (h).
12. Respondent permits prepared prescription medications to be left outside the pharmacy for pickup, in violation of 201 KAR 2:100, Section 4; and KRS 315.121(1)(a) and (h).

Case No. 15-0279A

(6) (a) Marhonda Goldey worked from March 31, 2013 through May 27, 2015 without being appropriately registered with the Board. Consequently, the Respondent was in violation of KRS 315.121(1)(g).

(b) The above facts subject Respondent to discipline pursuant to KRS 315.121(1) (h).

(7) In lieu of the filing of a formal Complaint and hearing on the above-referenced two cases, the Board and Respondent have agreed to address this matter by entering into this Agreed Order.

WHEREFORE, IT IS HEREBY AGREED AND ORDERED THAT:

(A) Respondent is fined $100,000. The fine is payable in four installments. The first payment of $50,000.00 is due on or before December 1, 2015. The second payment of $16,666.67 is due on or before December 1, 2016. The third payment of $16,666.67 is due on or before December 1, 2017. The fourth and final payment of $16,666.66 is due on or before December 1, 2018. (B) Respondent shall be placed on probation for a minimum of three (3) years from the date this Agreed Order is finally executed by the President of the Board, or until the last installment payment is made should Respondent choose to make the fourth and final installment payment as late as December 1, 2018. Respondent agrees to the following terms of probations:

Case No. 20-226

SUMMARY ORDER

NOW, on this 30th day of July 2020, comes before the Kansas Board of Pharmacy (the "Board"), through its Executive Secretary, the matter of Nicholas Kirkpatrick ("Respondent").

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board's Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the investigation materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order:

FINDINGS OF FACT

1. The Board has previously issued Respondent License No. 1-106207 which entitles Respondent to practice as a pharmacist in the State of Kansas.

2. On May 28, 2020, Respondent resigned as Pharmacist-in-Charge ("PIC") from Tailor Made Compounding (22-108376), effective immediately.

3. On June 26, 2020, the Board received a Change in PIC Form BA-50, notifying of the resignation of Respondent as PIC effective May 28, 2020.

4. On or about July 9, 2020, the Board processed the PIC change.

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1658, the Board may assess a civil fine not to exceed $5,000, after notice and an opportunity to be heard, to any registrant for violation of the pharmacy act of the state of Kansas or any other rules or regulations of the state board of pharmacy.

2. Pursuant to K.A.R. 68-2-5, each pharmacist shall notify the board in writing within five days of ceasing to serve as the pharmacist-in-charge at a pharmacy or registrant required to have a pharmacist-in-charge. The notice shall include the pharmacist's name, the name and address of the pharmacy or registrant, and the date the pharmacist ceased to serve as the pharmacist-in-charge.

3. Respondent had five days to notify the Board of his resignation as PIC effective May 28, 2020, or until June 2, 2020.

4. Respondent failed to notify the Board of his resignation as PIC until June 26, 2020 – twenty-four (24) days past the deadline.

5. Respondent violated K.A.R. 68-2-5 by failing to notify the Board of his resignation as PIC within five days.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Respondent is ordered to pay a fine to the Board. A violation of K.A.R. 68-2-5 warrants a base fine of $5.00 per day that Respondent is in violation of the regulation, not to exceed $200.00. Because Respondent provided notice to the Board twenty-four (24) days past the deadline, the total fine is $120. Respondent has 30 days from the date of this order to pay the fine.

NOTICES

The Respondent is hereby notified as follows:

1. The Respondent may request a hearing pursuant to the Kansas Administrative Procedure Act by filing a written request with the Kansas Board of Pharmacy, 800 SW Jackson, Suite 1414, Topeka, KS 66612-1231 within fifteen (15) days after service of this order.

License No. 1-106207

Case No. 20-234

SUMMARY ORDER

NOW, on this 30th day of July 2020, comes before the Kansas Board of Pharmacy (the "Board"), through its Executive Secretary, the matter of Nicholas Kirkpatrick ("Respondent").

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq*. and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq*. the Board's Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the investigation materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order:

FINDINGS OF FACT

1. The Board has previously issued Respondent License No. 1-106207 which entitles Respondent to practice as a pharmacist in the State of Kansas.

2. On May 28, 2020, Respondent resigned as Pharmacist-in-Charge ("PIC") from Tailor Made Compounding (22-108376), effective immediately.

3. On June 26, 2020, the Board received a Change in PIC Form BA-50, notifying of the resignation of Respondent as PIC effective May 28, 2020.

4. On or about July 9, 2020, the Board processed the PIC change.

DocuSign Envelope ID: 1D04AAAF-ABC6-4B1E-B2A8-50EA7158ACEB

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1658, the Board may assess a civil fine not to exceed $5,000, after notice and an opportunity to be heard, to any registrant for violation of the pharmacy act of the state of Kansas or any other rules or regulations of the state board of pharmacy.

2. Pursuant to K.A.R. 68-2-5, each pharmacist shall notify the board in writing within five days of ceasing to serve as the pharmacist-in-charge at a pharmacy or registrant required to have a pharmacist-in-charge. The notice shall include the pharmacist's name, the name and address of the pharmacy or registrant, and the date the pharmacist ceased to serve as the pharmacist-in-charge.

3. Respondent had five days to notify the Board of his resignation as PIC effective [illegible] 28, 2020, or until June 2, 2020.

4. Respondent failed to notify the Board of his resignation as PIC until June 26, 2020 – twenty-four (24) days past the deadline.

5. Respondent violated K.A.R. 68-2-5 by failing to notify the Board of his resignation as PIC within five days.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Respondent is ordered to pay a fine to the Board. A violation of K.A.R. 68-2-5 warrants a base fine of $5.00 per day that Respondent is in violation of the regulation, not to exceed $200.00. Because Respondent provided notice to the Board twenty-four (24) days past the deadline, the total fine is $120. Respondent has 30 days from the date of this order to pay the fine.

NOTICES

The Respondent is hereby notified as follows:

1. The Respondent may request a hearing pursuant to the Kansas Administrative Procedure Act by filing a written request with the Kansas Board of Pharmacy, 800 SW Jackson, Suite 1414, Topeka, KS 66612-1231 within fifteen (15) days after service of this order.

2. If a hearing is not requested as described above, the Order shall become a final order of the Board, effective upon the expiration of the time to request a hearing.

3. Within fifteen (15) days after entry of a final agency order, either party may file a petition for reconsideration pursuant to K.S.A. 77-529.

4. Within the time limits established in K.S.A. 77-613, either party may seek judicial review of a final agency order, pursuant to said statute. The agency officer designated to receive service of a petition for judicial review is:

MEMORANDUM OPINION

BOUCHARD, C.

In May 2019, the court appointed a liquidating trustee to wind up the affairs of Inspirion Delivery Services, LLC ("IDS" or the "Company"). On April 3, 2020, after hiring advisors and conducting a lengthy sale process, the liquidating trustee filed a motion requesting court approval to sell substantially all of the Company's assets to OHEMO LIFE SCIENCES INC. ("OHEMO"). Two of IDS's principals who made a last minute bid to acquire the assets themselves objected to the motion. For the reasons explained herein, the court grants the liquidating trustee's motion.

I. BACKGROUND

The factual background and procedural history of this litigation is discussed in detail in this court's post-trial memorandum opinion dated May 17, 2019 ("Opinion").[1] The court recites below only those facts directly relevant to the court's consideration of the liquidating trustee's motion for entry of an order approving the sale of substantially all of the Company's assets to OHEMO pursuant to an asset purchase agreement dated March 31, 2020 (the "OHEMO Agreement").

A. The Players

IDS is a Delaware limited liability company that develops abuse-deterrent pharmaceutical products.[2] It was formed as the successor to an entity called Inspirion Delivery Technologies, LLC ("IDT"), which was co-founded by Stefan

Aigner, Raymond DiFalco, and Manish Shah.[3] IDS owns the technology for two FDA-approved abuse-deterrent opioids: MorphaBond and RoxyBond.[4]

Most of the funds that paid for the development of MorphaBond and RoxyBond came from the predecessor of Trygg IDT I Holdings Corporation ("Trygg"), a joint venture between private equity firm Lindsay Goldberg LLC and Norwegian industrial development company Aker AS.[5] Trygg and its predecessor invested over $45 million in IDT, and Trygg is currently a major investor in IDS.[6]

B. The Sale Order

IDS's LLC agreement contains a bespoke governance structure that failed to resolve deadlocks that developed between, on the one hand, Aigner, and on the other hand, DiFalco and Shah, who were aligned with each other.[7] That governance structure included the presence of an "independent representative" named Hafid Touam.[8] For the reasons detailed at length in the Opinion, the court concluded that it was not reasonably practicable to carry on the business of IDS in conformity with its LLC agreement, that judicial dissolution of the Company was warranted under

6 *Del. C.* § 18-802, and that the court would appoint a liquidating trustee under 6 *Del. C.* § 18-803 to wind up the Company's affairs.

On May 24, 2019, the parties jointly proposed that the court appoint Derek C. Abbott, Esquire, of Morris, Nichols, Arsht & Tunnell LLP, to serve as the liquidating trustee (the "Liquidating Trustee).[9] On May 31, 2019, the court entered an order appointing Abbott as the Liquidating Trustee (the "Sale Order").[10]

The Sale Order provides that "the Liquidating Trustee shall have full control and dominion over the dissolution and liquidation of IDS."[11] It also spells out that, subject to obtaining court approval, the Liquidating Trustee was authorized to dispose of the assets of IDS in a transaction that could be structured in whatever form the Liquidated Trustee determined to be in the best interest of IDS, including selling the Company as a going concern or selling its assets (including its intellectual property and license rights) individually or collectively:

> [T]he Liquidating Trustee is authorized and empowered with the sole and exclusive authority to . . . to identify and marshal the assets of IDS and dispose of those assets in the manner the Liquidating Trustee determines is in the best interest of IDS and designed to maximize the value of IDS, including by creating and implementing a sales process for IDS's assets (including its intellectual property and rights under any license agreements), in such manner or form as the Liquidating Trustee decides in his or her sole discretion, whether selling IDS as a going concern, selling its assets individually or collectively, a merger

> transaction, membership unit purchase transaction, redemption, business combination, asset sale, auction, or any other transaction structure or form (which sale process shall be approved by the Court after application by the Liquidating Trustee).[12]

In July 2019, the Liquidating Trustee retained Locust Walk Partners LLC and Locust Walk Securities (together, "Locust Walk"), a life sciences investment banking firm, to advise him and to assist in conducting a sale process.[13] The founder and Chief Executive Officer of Locust Walk is Geoff Meyerson.[14]

The Liquidating Trustee subsequently filed a motion describing the steps of a proposed sale process that would target "firms active in the abuse-deterrent opioid space, firms active in the broader pain space, and global specialty pharmaceutical firms that have indicated an interest in expanding into the United States pharmaceutical market."[15] The proposed sale process contemplated receiving "best and final offers" by December 1, 2019, and entering into any "binding and definitive agreements by December 31, 2019."[16] The court entered an order approving the proposed sale process,[17] which was unopposed.[18]

C. Daiichi Terminates its Licensing and Supply Agreement

On September 4, 2019, Daiichi Sankyo, Inc. ("Daiichi") terminated its licensing and supply agreement with IDS (the "Daiichi Agreement").[19] Under that agreement, which had been in place since October 2016, Daichii (i) agreed to commercialize MorphaBond and co-promote MorphaBond and RoxyBond and (ii) was obligated to "make royalty and milestone payments to IDS."[20]

Termination of the Daiichi Agreement, which became effective on March 4, 2020,[21] resulted in a critical loss of revenues for the Company. For the first half of 2018, the Company's *sole* revenues consisted of approximately $2.9 million in payments from Daiichi while its expenses were approximately $7.4 million.[22] As of trial, in December 2018, IDS expected to have negative cash flow of approximately $6 million for all of 2018 and a cash balance of approximately $4.1 million by the fourth quarter of 2019, assuming the Daiichi Agreement remained in place.[23]

D. IDS Enters an Interim Supply Agreement with Cerovene

On September 12, 2019, IDS entered into an interim supply agreement with Cerovene, Inc. ("Cerovene") pursuant to which Cerovene agreed to provide an ongoing supply of MorphaBond to IDS (the "Cerovene Supply Agreement").[24] Cerovene, which is co-owned by DiFalco and Shah, previously served as a development partner for MorphaBond and RoxyBond.[25]

On December 6, 2019, Cerovene sent the Company a notice of breach under the Cerovene Supply Agreement for failure to pay invoices that were "due and owing."[26] On March 12, 2020, Cerovene terminated the agreement.[27] According to Cerovene, IDS owes it at least $1.86 million for batches of MorphaBond it made, certain fixed fee commitments, and third-party costs and expenses.[28]

E. The Sale Process Conducted by Locust Walk

In October 2019, Locust Walk sent a "teaser" to "approximately eighty-one entities that might be potential acquirers" of IDS, which included both financial and strategic prospective buyers.[29] The teaser described the Company and its business

and stated that "multiple structures" for a transaction were being explored: "IDS is currently seeking a strategic partnership / acquisition (exploring multiple structures) for the ongoing commercialization of MorphaBond . . . and RoxyBond."[30]

During the following weeks, Locust Walk initiated calls with and sent process letters to eleven prospective acquirers who expressed an interest in acquiring IDS.[31] The process letters solicited non-binding indications of interests on or before December 1, 2019, which were to include, among other things, the bidder's desired transaction structure.[32] Locust Walk ultimately received non-binding indications of interest from five parties, each of which executed confidentiality agreements that allowed them to access IDS's data room and to participate in diligence calls with Locust Walk and members of IDS's senior management.[33]

During the sale process, the Liquidating Trustee met numerous times with key stakeholders of the Company and held weekly status update calls to which they were invited.[34] These stakeholders included Aigner, DiFalco, Shah, Trygg, and/or their representatives.[35] The Liquidating Trustee offered each of these stakeholders "the

opportunity to execute confidentiality agreements allowing them to receive confidential information identifying those entities invited to participate in the process and the identities of those parties that submitted indications of interest and the terms thereof."[36] Cerovene and its counsel were invited to participate in those calls but they "rarely attended" and "declined to execute the confidentiality agreements to enable them to receive information regarding the identity of the bidders."[37]

Although the sale process overseen by Locust Walk generated five indications of interest, the Liquidating Trustee was unable to reach definitive terms for a transaction with anyone before the contemplated December 31, 2019 deadline.

F. The Liquidating Trustee Secures a Bid from OHEMO

The Liquidating Trustee continued his efforts to pursue a transaction in 2020. He realized during this period that the only parties who were meaningfully interested in pursuing a transaction were the stakeholders that had previously invested in IDS, *i.e.*, Trygg, Cerovene and its principals (DiFalco and Shah), Aigner and Touam and, through them, Galephar Pharmaceutical Research, Inc. ("Galephar").[38]

During March 2020, the Liquidating Trustee or his advisors urged each of the stakeholders "weekly if not daily to make a concrete bid as quickly as possible, as IDS's resources were being depleted with no systematic and regular source of further revenue."[39] The Liquidating Trustee explained to each of them that "following execution of an acceptable bid and receipt of a deposit, [he] would shop that bid to the others for forty-eight hours and then seek this Court's approval of such bid."[40]

On March 2, 2020, William Reid, counsel for DiFalco and Shah,[41] requested that the Liquidating Trustee send him a confidential disclosure agreement for "a potential purchase of IDS' assets."[42] On March 27, at which point the Liquidating Trustee was "very close" to entering into an agreement with OHEMO, DiFalco sent an email to the Liquidating Trustee requesting access to IDS's data room for the purpose of "partaking in a possible purchase of IDS."[43] That same day, the Liquidating Trustee advised DiFalco that he was "very, very late to the process" and that the Liquidating Trustee "expected to sign a deal as early as the following

Monday [*i.e.*, March 30] against which [DiFalco] would have an opportunity to bid."[44]

On Saturday, March 28, Reid sent the Liquidating Trustee a text message advising that his clients intended to "put in a bid this week for IDS" and inquired whether there was a deadline.[45] The Liquidating Trustee responded that he intended to "sign up the first acceptable deal and then shop it to others for 48 hours," after which he would file a motion seeking court approval.[46] Reid replied, "[l]et's talk after you circulate the 'acceptable deal.'"[47]

On March 31, 2020, IDS entered into the OHEMO Agreement, with the Liquidating Trustee signing on behalf of IDS, and received a $750,000 deposit from OHEMO.[48] OHEMO's president, Arthur Deboeck, is the principal of Galephar,[49] a pharmaceutical company based in Puerto Rico that Aigner tried to use as a

commercial manufacturer for IDS in the past.[50] Aigner and Touam were the principal representatives that negotiated on behalf of OHEMO.[51]

Under the OHEMO Agreement, OHEMO agreed to purchase substantially all of IDS' intellectual property and other business assets for an upfront payment of $4 million in cash and royalties payments to IDS equal to 10% of the net sales of RoxyBond through the earlier of (i) the last valid patent claim covering RoxyBond or (ii) until such time as IDS has received $10 million of royalty payments.[52]

Section 7.1(e) of the OHEMO Agreement provides that OHEMO may terminate the agreement if IDS has not filed for court approval of the transactions specified therein by 6 p.m. on the third business after OHEMO makes a deposit in the amount of $750,000 with an escrow agent, *i.e.*, April 3.[53] This provision created the 48-hour window for the Liquidating Trustee to attempt to secure a topping bid. Section 2.7 provides that IDS "shall not accept a competing bid from another party, if such other party is not similarly obligated to make a deposit with the Escrow Agent of at least [$750,000] on the date of execution of such party's purchase agreement."[54]

G. Cerovene Seeks to Make a Topping Bid

At 5:54 p.m. on March 31, 2020, the Liquidating Trustee sent an executed copy of the OHEMO Agreement to DiFalco and Reid via email with a note encouraging them "to bid against it."[55] The Liquidating Trustee sent a similar email that evening to Trygg, "which had also expressed an interest in bidding for IDS's assets."[56]

At 6:58 p.m. on March 31, Locust Walk also sent a copy of the OHEMO Agreement to DiFalco via email along with instructions for submitting a topping bid:

> Interested parties must: (1) submit a signed APA that represents a higher and better offer, as interpreted by the Liquidating Trustee, to the company; and (2) transfer the greater of $750K or 10% of the bid deposit to an Inspirion-designated escrow account by close of business on Thursday, April 2nd.[57]

Within hours after the OHEMO Agreement was executed, Locust Walk also contacted the eighty-one potential acquirers it solicited at the outset of the sale process, offering them a final opportunity to submit a superior bid in accordance with the terms quoted above.[58]

At 3:59 p.m. on April 2, Michael Yoder, counsel for DiFalco and Shah,[59] sent an email to the Liquidating Trustee stating that "we should be getting you a signed APA from Cerovene later today."[60] At 4:55 p.m. on April 2, Yoder sent the Liquidating Trustee via email a copy of an asset purchase agreement between IDS and Cerovene (the "Cerovene APA") and a redline comparing it to the OHEMO Agreement.[61] Yoder's cover email stated that the changes between the OHEMO Agreement and the Cerovene APA "were fairly minor" and requested wire transfer instructions for the escrow deposit.[62] Yoder's cover email also stated that the attached agreement was "signed," but it was not.[63] Cerovene did not send the required wire transfer to the escrow agent at any time on April 2.

The Cerovene APA states that Cerovene would deliver at closing $4.1 million, but $1.85 million of that amount would come in the form of a credit bid to discharge the debt IDS owes Cerovene under the Cerovene Supply Agreement.[64] The Cerovene APA contains the same royalty provision as the OHEMO Agreement except that the royalty cap was increased from $10 million to $15 million.[65]

At 7:37 a.m. on April 3, a representative of Locust Walk sent Yoder an email stating that IDS would not evaluate Cerovene's offer for the following reasons:

- Cerovene failed to post the deposit by the stated deadline of end of business on Thursday, April 2nd
- Cerovene failed to provide proof of financial wherewithal, and Cerovene has claimed near insolvency status the whole case
- The bid was not higher and better, and assignment involved an unspecified entity
- The lack of a deposit and executed APA entails higher closing risk.[66]

Later on April 3, Yoder forwarded to the Liquidating Trustee an email Shah sent to Yoder at 3:16 p.m. on April 2, to which was attached a signature page for the Cerovene APA that Shah had signed on April 2 on behalf of Cerovene.[67] Yoder noted in his forwarding email that he "just realized that this did not come through in [his] transmission yesterday for some reason."[68] At 3:34 p.m. on April 3, Reid sent the Liquidating Trustee an email with a confirmation that Cerovene had sent $2.3 million to his firm's trust account on April 3 "to be used to back up [his clients'] bid."[69] The letter asked the Liquidating Trustee to hold a telephonic auction.[70]

On April 3, 2020, the Liquidating Trustee filed a motion seeking court approval of the OHEMO Agreement,[71] to which DiFalco and Shah objected on April 13.[72]

II. ANALYSIS

DiFalco and Shah (together, "Objectors") assert two objections to the proposed sale of the Company to OHEMO. Specifically, Objectors contend that (i) the Liquidating Trustee's rejection of their bid for failing to comply with the bidding requirements was unwarranted and (ii) Cerovene's offer provides more value to IDS's stakeholders than the OHEMO Agreement.[73] Before turning to the objections, the court will address the important threshold issue of what standard of review applies to its consideration of the two objections.

A. Standard of Review

The Sale Order, which was proposed jointly by the parties in this litigation, expressly provides that "[a]ll actions taken by the Liquidating Trustee pursuant to this Order . . . shall be presumed to be taken on an informed basis, in good faith, and in the honest belief that such actions taken were in the best interests of IDS," and that "[a]ny actions by the Liquidating Trustee may be challenged in this Court, but

[73] *Id.* ¶¶ 5-6.

shall be subject to reversal only after a finding by the Court that the Liquidating Trustee abused his discretion."[74] This court has adopted an abuse of discretion standard in similar orders involving the court-ordered sale of an entity.[75]

At oral argument, Objectors argued that the Liquidating Trustee's motion should be subject to plenary review.[76] Objectors did not make this argument in their opposition and thus waived the issue.[77] In any event, applying a plenary review standard would contravene the plain language of the Sale Order and make no sense.

The Sale Order provides that "*[a]ny actions* by the Liquidating Trustee . . . shall be subject to reversal only after a finding by the Court that the Liquidating Trustee abused his discretion."[78] Such actions would include the Liquidating Trustee's decision to enter into the OHEMO Agreement and to reject the Cerovene APA, as well as his valuation of the two bids.

It also would make little sense for the court to casually disregard the Liquidating Trustee's decisions and recommendations. The parties mutually selected the Liquidating Trustee, who serves as an agent of the court.[79] He is indisputably independent and has no personal financial interest in the outcome of the sale process. He also possesses invaluable knowledge and insight gained over the past ten months of his tenure as Liquidating Trustee concerning, among other things, the Company's operations and finances as well as the capabilities of its stakeholders. It is for such reasons that this court routinely applies a deferential standard of review when the action of an agent of the court is challenged and, here, the agreed-upon standard of review in the Sale Order is abuse of discretion.

Our Supreme Court has explained that a decision will not be overturned as an abuse of discretion if the decision "was based upon conscience and reason, as opposed to capriciousness or arbitrariness."[80] Stated differently, a court will overturn a decision for abuse of discretion only if it was "arbitrary or capricious"[81]

or "exceeds the bounds of reason in light of the circumstances."[82] This is the standard the court will apply in reviewing Objectors' two objections.

B. The Liquidating Trustee Did Not Abuse His Discretion in Rejecting the Cerovene Bid for Failing to Comply with the Bidding Requirements

DiFalco and Shah's first objection challenges the Liquidating Trustee's decision to reject the bid Cerovene submitted on April 2 for failing to comply with the requirements for submitting a topping bid.

It is undisputed that (i) DiFalco and Shah knew before OHEMO finalized its bid that there would be a 48-hour deadline for submitting a topping bid and (ii) Cerovene failed to comply with two of the requirements for submitting a topping bid, *i.e.*, providing an *executed* agreement and a deposit of at least $750,000 *before* the deadline. Objectors nonetheless contend that it was "unreasonable" for the Liquidating Trustee to insist on compliance with these requirements given that, the day *after* the deadline, Cerovene (i) sent $2.3 million to its counsel's trust account in an effort to satisfy the deposit requirement and (ii) provided a copy of the signature page for the Cerovene APA that Shah had signed on April 2, but which was not sent to the Liquidating Trustee on that date.[83] The court disagrees.

[83] Obj. ¶ 14.

As an initial matter, it is mystifying that Cerovene waited until literally the last few minutes of a six-month process before submitting a bid. DiFalco and Shah rationalize this delay based on their purported belief that the Liquidating Trustee was intent on selling the Company as a going concern, which did not interest them.[84] But this belief is directly contradicted by the plain language of the Sale Order, which expressly authorized the Liquidating Trustee to sell IDS's assets (including its intellectual property and license rights) individually or in whatever form he believed would maximize IDS's value.[85] If DiFalco and Shah believed that the Company's intellectual property was, as they say, the "prize,"[86] they were free to bid to acquire that intellectual property at any time.

The reality is that DiFalco and Shah chose to disengage from the sale process. They rarely attended the Liquidating Trustee's weekly meetings and declined to enter a confidentiality agreement to learn important details about the sale process that Locust Walk was conducting. And whatever may have caused their inaction before March 2020, DiFalco and Shah had no excuse for not getting in the game that month—or at least getting their ducks in a row—when the Liquidating Trustee urged them and the other stakeholders to make a "concrete bid as quickly as possible" and

[84] *Id.* ¶ 8.

[85] *See supra* Part I.B.

[86] Obj. ¶ 14.

put them on notice that they would have 48 hours to submit a topping bid after "execution of an acceptable bid and receipt of a deposit."[87]

Under the OHEMO Agreement, OHEMO had the right to walk away from the transaction it proposed if the Liquidating Trustee did not seek court approval of that transaction within three business days (*i.e.*, by April 3), and the Liquidating Trustee could only accept a competing bid that was accompanied by a deposit of at least $750,000 on the date of execution of a competing purchase agreement.[88] DiFalco and Shah disparage these requirements as "arbitrary technicalities,"[89] but the record suggests otherwise.

Both the Liquidating Trustee and Meyerson attest that the bid requirements in the OHEMO Agreement "were heavily negotiated and formed a material part of" the transaction.[90] This evidence is highly credible given that the Company had been engaged in a sale process for six months that failed to yield any bidders and that its financial condition was deteriorating,[91] particularly with the loss of revenues from Daiichi after it terminated its contract with the Company.[92] Whoever would step

forward to make a bid at this point logically would have substantial leverage to demand tight restrictions on having its bid shopped. It thus was not arbitrary or capricious for the Liquidating Trustee to agree to the topping bid limitations in the OHEMO Agreement in order to secure a binding offer from OHEMO under the dire circumstances facing the Company at that time.[93]

Nor did the Liquidating Trustee abuse his discretion when he refused to disregard the negotiated-for bidding requirements in the OHEMO Agreement in order to consider Cerovene's bid.[94] With respect to Cerovene's failure to post the deposit, the Liquidating Trustee was particularly concerned because Cerovene "repeatedly stated that it lacks the funds necessary to continue operating its business."[95] Locust Walk, furthermore, specifically advised the Liquidating Trustee not to extend the 48-hour deadline because of the risk of losing the OHEMO transaction:

> Having failed to receive a qualifying bid prior to the expiration of the deadline, Locust Walk advised the Liquidating Trustee it was inadvisable to extend the deadline for submission of a qualifying bid

---

[93] The OHEMO Agreement does not contain a termination fee. Thus, although the timeframe for submitting a topping bid was tight, acceptance of a topping bid would not have required the Company to pay a breakup fee.

[94] After receiving Cerovene's bid, and again after receiving DiFalco and Shah's objection, the Liquidating Trustee (directly and through counsel) sought OHEMO's consent to enable him to conduct a telephonic auction of IDS's assets in order to avoid a contested hearing, but OHEMO declined, "citing Cerovene's failure to submit a qualifying higher and better bid." Abbott Supp. Decl. ¶ 12

[95] *Id.* ¶ 11.

> from Cerovene due to the material risk of losing the OHEMO transaction for failure to abide by the terms of the APA, with no guarantee that the [Liquidating] Trustee would, in fact, receive a binding superior offer from Cerovene.[96]

Based on this advice and his own consideration of the matter, the Liquidating Trustee concluded he could not consider "Cerovene's non-qualifying bid" without putting OHEMO's binding offer at risk.[97] This decision to protect the proverbial "bird in hand" was not arbitrary or capricious in my view.[98]

C. The Liquidating Trustee Did Not Abuse His Discretion in Determining that OHEMO's Bid is the Better Offer

DiFalco and Shah's second objection challenges the Liquidating Trustee's determination that the OHEMO Agreement "represents the highest and best offer for IDS's assets."[99] There are two key differences between the terms of the OHEMO Agreement and the Cerovene APA that bear on the respective value of those proposals: (i) the nature and amount of the payment due at closing and (ii) the cap on potential future royalties.[100] The court will address each of these issues in turn.

[97] Abbott Supp. Decl. ¶ 10.

[98] The Objectors criticize the Liquidating Trustee and Locust Walk for not providing wire transfer instructions "when inviting the bid." Obj. ¶ 8. Although Objectors have a point, Cerovene's counsel just as easily could have requested this information after receiving the bidding instructions from Locust Walk on March 31, but they inexplicably failed to do so until five minutes before the deadline on April 2. *See* Abbott Supp. Decl. ¶ 9.

[100] Objectors note that their bid also excludes "litigation claims" against Touam. Obj. ¶ 25. Objectors do not explain, however, the nature of any claims IDS might have against

1. Closing Payment

Under the OHEMO Agreement, OHEMO is obligated to pay IDS $4.0 million in cash at closing.[101] The Cerovene APA provides for a "closing payment" with a nominal value of $4.1 million consisting of two components: (i) $2.25 million in cash due at closing and (ii) a credit bid in the amount of $1.85 million to be used to discharge the debt IDS owes under the Cerovene Supply Agreement.[102]

The Liquidating Trustee contends that the credit bid component of Cerovene's proposal makes it "less attractive than OHEMO's all cash offer" "given IDS's current liquidity situation and the need to establish a reserve for potential claims and anticipated wind down costs."[103] Stated differently, in the Liquidating Trustee's opinion, the closing payment in Cerovene's proposal is worth less than $4 million in cash because the $1.85 million attributable to the credit bid "may not be paid in full depending upon IDS' cash position at closing after the establishment of a reserve

Touam, making it impossible to ascribe a value to the Company of this aspect of their proposal.

The Cerovene APA also expressly excludes certain equipment located at a Galephar facility. *Compare* Cerovene APA § 2.2(j) *with* OHEMO Agreement § 2.2(j). But this equipment, which the Liquidating Trustee contends only has "little salvage value," also is excluded (albeit not expressly) from the OHEMO Agreement. and anticipated wind down costs."[104] In my opinion, the Liquidating Trustee did not abuse his discretion in coming to this conclusion.

As of the time of trial, in December 2018, IDS was experiencing significant negative cash flows (approximately $6 million in 2018) and was entirely reliant on Daiichi for revenues.[105] In September 2019, when Daiichi terminated the Daiichi Agreement, IDS's financial position became precarious as it lost the "source of liquidity" on which it had been "dependent."[106] Two months later, in December 2019, IDS stopped paying Cerovene, which led to the termination of the Cerovene Supply Agreement in March 2020.[107] Currently, IDS has less than $600,000 of cash on hand[108] and "does not have the financial wherewithal to continue marketing [its] assets for sale."[109]

Given these circumstances, and given the need to establish reserves to pursue claims (*e.g.*, against Daiichi) as well as to wind-up the Company after the closing of a transaction, it was reasonable in my view—and certainly was not an abuse of

discretion—for the Liquidating Trustee to conclude that OHEMO's all-cash offer is superior by discounting the credit bid component of Cerovene's bid.[110]

2. Potential Royalties

The OHEMO Agreement and the Cerovene APA both provide for the payment of royalties to IDS equal to 10% of the net sales of RoxyBond through the earlier of (i) the last valid patent claim covering the product or (ii) until such time as IDS has received a certain level of royalty payments.[111] The only difference between the agreements is that royalty cap is $10 million in the OHEMO Agreement and $15 million in the Cerovene APA.[112]

Although the royalty caps in the two proposals differ by $5 million, determining and comparing the potential value of the royalty component in the two proposals is far more complicated than focusing on that difference. Indeed, valuing the royalty component of the two proposals is inherently speculative because both OHEMO and Cerovene have never manufactured RoxyBond on a commercial scale or tried to sell, much less actually sold, the product. Given both bidders' lack of a

---

[110] Objectors contend that "the net benefit to IDS's stakeholders of Cerovene forgiving $1.85 million in undisputed debt is the same as $1.85 million in cash" because "Section 18-804 of the LLC Act dictates that creditors be paid prior to equity." Obj. ¶ 24. This misses the point of the Liquidating Trustee's analysis, which is that the credit bid must be discounted because it is far from clear whether there will be sufficient proceeds for IDS to pay all of its creditors. *See* Tr. 57.

[111] OHEMO Agreement § 2.5(b); Cerovene APA § 2.5(c).

track record in commercializing RoxyBond, the Liquidating Trustee determined that "there is a very real possibility that no future royalty stream will be paid by either bidder," and "almost entirely discounted the value of those potential streams."[113]

Objectors "agree that [OHEMO's] promised royalties are worthless" but contend that "the probability of [Cerovene] successfully manufacturing RoxyBond . . . is far greater than zero."[114] More specifically, DiFalco and Shah argue that Cerovene is better positioned than OHEMO to generate royalties for IDS for essentially three reasons: (i) Cerovene's facility in Valley Cottage, New York "is already an FDA-approved facility for RoxyBond manufacture;" (ii) they "have demonstrated a track record in obtaining regulatory approval and manufacturing abuse-deterrent opioids, including RoxyBond;" and (iii) Deboeck, who is OHEMO's principal, "flopped in previously attempting to launch RoxyBond at Galephar" where "that effort . . involved significant data irregularities, possible product defects, and troubling questions regarding unaccounted-for opioid substances."[115]

With respect to Cerovene's past experience manufacturing RoxyBond, the trial record shows (and DiFalco's recent declaration confirms) that Cerovene's experience was limited to making *test batches* of RoxyBond during the new drug

application process leading up to its receipt of FDA approval three years ago, in April 2017.[116] Shah confirmed at trial that Cerovene was not in a position to manufacture RoxyBond commercially.[117] DiFalco elaborated: "In RoxyBond's case, we're not making it, and we never said we were going to make it. It was never planned for us to make it."[118] And with respect to Galephar's past experience, the Liquidating Trustee points out that two other contract manufacturing organizations (Patheon N.V. and Catalent Pharma Solutions, LLC) also failed to commercialize RoxyBond "despite significant technology transfer assistance" from DiFalco.[119]

In examining Cerovene's bid, Locust Walk advised the Liquidating Trustee that Cerovene (i) "lacks a salesforce and supporting commercial infrastructure;" (ii) "lacks the working capital and capacity to produce both MorphaBond and Roxy[B]ond at a commercial scale;" and (iii) "has no prior experience leading efforts to commercialize opioids."[120] Based on his own "extensive interactions with Mr. DiFalco while negotiating for a continued supply of MorphaBond," the Liquidating Trustee also had "significant reservations regarding Cerovene's ability to act in a

commercially reasonable fashion so as to enable it to reach an agreement with a third party to successfully and commercialize and sell" RoxyBond.[121]

Significantly, as the Liquidating Trustee observed, "Cerovene's offer contained a provision that would have allowed it to assign the asset purchase agreement to an unidentified designee without the benefit of any understanding or information regarding that entity's financial wherewithal or ability to fulfill the financial and other obligations required of it under the terms of the asset purchase agreement."[122] Thus, irrespective of whatever conclusions one may reach about DiFalco and Shah's ability to commercialize RoxyBond successfully, the Cerovene APA carried the additional risk that those obligations would be assigned to another party whose ability to commercialize RoxyBond is completely unknown.

Locust Walk, an experienced life sciences investment banking firm,[123] concluded it had "no reason to believe that Cerovene will be able to commercialize" RoxyBond "so as to create any future downstream royalty payments to IDS," and that "OHEMO is more likely than Cerovene to be able to commercialize RoxyBond in the future."[124] Based on this advice, and for the other reasons explained above, the Liquidating Trustee did not "perceive the increased cap on future royalty

payments from $10 million to $15 million to be a material improvement on the OHEMO [Agreement]."[125]

In accordance with the Sale Order, the conclusions the Liquidating Trustee reached in evaluating the royalty component of the OHEMO and Cerovene bids "shall be presumed to be taken on an informed basis, in good faith, and in the honest belief that such actions were in the best interests of IDS."[126] Given the Liquidating Trustee's good faith consideration of the factors summarized above, furthermore, it can hardly be said that the Liquidating Trustee was arbitrary or capricious, or exceeded the bounds of reason, in reaching those conclusions.

* * * * *

For the reasons explained above, no basis exists under the applicable standard of review for the court to second guess the Liquidating Trustee's determination that the OHEMO Agreement provides more value to IDS than the Cerovene APA.[127]

III. CONCLUSION

For the reasons explained above, the court grants the Liquidating Trustee's motion and approves the sale of substantially all of the Company's assets pursuant to the terms and conditions of the OHEMO Agreement.

Provide explanation below:

A complaint was made concerning grants made by the Board of Pharmacy to PRN, Inc. to Mary Grear, Executive Director. The Board of Pharmacy sent notice of a request for hearing to the wrong mailing address even though the correct address was on file at the Board Office. This resulted in my not being aware that I needed to appear until after the Board Meeting. I subsequently prepared the requested documents and submitted them to the Board Auditors who found no discrepencies in the funds granted by the Board of Pharmacy to PRN and the expense record under my administration. A rehearing was held and the case was closed finding all monies wre accounted for the PRN, Inc. grants.

Hi Olivia,

- Nevada Division of Public and Behavioral Health of the Department of Health and Human Services.

We are pending inspection with the Department of Health and Human Services until after we get our Board of Pharmacy and DEA License. Once we have Board of Pharmacy License and DEA License, we can then purchase the medications needed to be able to do cases. These must be in place before the Department comes in and does our final inspection. We are then granted their license and given a license number.

Unless something is changing with this process, we should be considered pending licensure with the Department of Health and Human Services.

Please advise if something has changed in this process.

Thank you,

Mary Grear, RPh

c. The underlying agreements require that any related litigation be initiated in a state court of competent jurisdiction in the county where the subject leased premises are located.

GENERAL STATEMENT OF FACTS

8. On or about March 6, 2019, Relevium entered into a Standard Industrial/Commercial Multi-Tenant Lease with Defendant (the "Lease").

9. That Lease contemplated Relevium's use of certain real property located at 3975 South Durango Drive, Suite 107, Las Vegas, Nevada, 89147 (the "Property").

10. Section 1.8 of the Lease defined the "Agreed Use" of the Property as being "[g]eneral office use for a pain management clinic and other related lawful uses."

11. On or about March 6, 2019, Dr. Hall executed a Guaranty of Lease, which provided that Dr. Hall "shall guarantee the lease for the first 36 months of the lease term" (the "Guaranty").

12. The Lease identifies MDL Group, LLC, a domestic limited-liability company ("MDL") as the lessor's broker.

13. MDL operated as a property manager and tenant liaison for Plaintiffs for issues relating to the Lease.

14. The Property shares a wall with an adjoining Unit, 3975 South Durango Drive., Suite 104, Las Vegas, Nevada 89147 (the "Neighbor Unit").

15. Kraft-Sussman Funeral & Cremation Services ("KS") operates out of the Neighbor Unit; KS is a registered fictitious firm name of Kraft-Sussman Funeral Service, Inc., a dissolved and inactive domestic corporation owned and operated by Laura Sussman.

16. Defendant Lewel is also owned and operated by Laura Sussman, who is identified as its Managing Member in Nevada Secretary of State records.

17. Defendant Lewel, Laura Sussman, and KS all identify the Neighbor Unit as their respective addresses in Nevada Secretary of State records.

18. Shortly after entering into the Lease, Relevium took possession of the Property as agreed.

19. At all times relevant herein, Relevium performed under the Lease as agreed, and made timely rent payments as contemplated under the Lease.

20. At all times relevant herein, Dr. Hall performed under the Guaranty as agreed, and Relevium never defaulted under any of the Lease terms.

21. Section 38 of the Lease guarantees Relevium "quiet possession and quiet enjoyment of the [Property] during the term" of the Lease.

22. Section 6.1 of the Lease prevents tenants from creating a nuisance or using premises in a way that "disturbs occupants of or causes damage to neighboring premises or properties."

23. Beginning in June of 2020, Relevium experienced numerous disturbances, including sound intrusions, onto the Property from the Neighbor Unit.

24. Specifically, KS operated different funeral and memorial services from the Neighbor Unit during ordinary business hours, and those services often included loud chanting, ringing bells, live music, recorded music played over speaker systems, eulogies and spoken ceremonies on loudspeaker, and other noises (the "Disturbances").

25. These Disturbances were irregular and disruptive, permeating from the Neighbor Unit into the Property for Relevium's treaters, patients, and staff to hear.

26. Relevium immediately and repeatedly informed Defendant as well as its agent, Lewel, of these Disturbances, which would either remain unchanged or only superficially (and ultimately temporarily) addressed.

27. These Disturbances upset and distressed Relevium's patients, including those recovering from debilitating physical injuries and incapacitating pain, and disrupted appointments, forcing rescheduling and cancellation in some instances.

28. These Disturbances reflected poorly on Relevium and Dr. Hall's pain management practice, rendering their primary place of business unsuitable for the basic purposes for which the Property was leased.

29. Defendant underwent construction for "soundproofing" nearly a year after the Disturbances began, but these actions only compounded the interference with Relevium's business.

30. In March of 2021, and without any advanced notice to Relevium, Defendant had contractors begin work at the Neighbor Unit, resulting in loud drilling, hammering, and shouting during business hours.

31. The March 2021 construction did not resolve the Disturbances which remained ongoing from at least June of 2020.

32. In April of 2021, again without advanced notice to (or coordination with) Relevium, Defendant undertook additional construction at the Neighbor Unit during business hours, causing even further disruption.

33. Even after Defendant underwent the self-described "soundproofing" in March and April of 2021, KS continued with the Disturbances from the Neighbor Unit, unimpeded.

34. At or about the same time, Relevium began searching for property suitable for its business and which Relevium could reasonably use and enjoy without the Disturbances.

35. Defendant refused to discontinue these Disturbances, reduce volume to reduce the impact of these Disturbances, or modify the timing of these Disturbances so as to no impede Plaintiff's medical practice.

36. Despite Relevium's notice to Defendant and repeated communications regarding the disruptive and intrusive noises, these Disturbances continued.

37. Section 6.4 of the Lease permits Defendant and its agent MDL to enter the Property "at reasonable times" and "after reasonable notice" for the limited purpose of inspecting the conditions and ensuring Relevium's compliance with the terms of the Lease.

38. Beginning in the Spring of 2021, Relevium experienced numerous unauthorized intrusions on to the Property by Defendant's agent, MDL.

39. On multiple occasions, MDL employees arrived at the Property without prior notice to or consent from Relevium (the "Unauthorized Entries").

40. During these Unauthorized Entries, MDL employees would walk through the Property without regard to patient presence and/or treatment, and enter the private back offices maintained by Relevium's principals and treaters.

41. Relevium explained the importance of patient privacy and record confidentiality to Defendant and its agent MDL, as well as the Lease's restrictions against "drop-in" entries onto the Property.

42. Despite these communications, as well as a discussion of medical providers' HIPAA obligations, multiple Unauthorized Entries occurred.

///

43. Sections 9.2, 9.6, and 36 concern Property destruction and loss, Property damage/use impairment, and certain hazardous substance conditions, and imposes certain repair, abatement, and liability obligations on the Defendant lessor.

44. Beginning in the Summer of 2021, Relevium experienced numerous noxious chemical and unpleasant scent intrusions onto the Property from the Neighbor Unit (the "Chemical Spills").

45. In August of 2021, rancid and pungent smells emanated from the Neighbor Unit and throughout the Property, causing queasiness, headaches, and unease in Relevium's staff and patients.

46. Upon information and belief, these Chemical Spills were caused by KS and/or Aquamation of Southern Nevada, LLC.

47. Relevium immediately informed Defendant and MDL of these Chemical Spills, unsure whether there were health concerns associated with biological and chemical agents used by KS in the Neighbor Unit.

48. MDL agreed to visit the property, only to show up hours later than promised with no information and no meaningful way to resolve the Chemical Spill; instead, a sole MDL employee showed up hours into the episode with only a "Febreze" brand air freshener spray.

49. The first instance of these Chemical Spills forced Relevium to close its business and relieve its patients and staff.

50. Specifically, Relevium was forced to reschedule certain patients following the Chemical Spill, and had to follow up with patients as well as staff about the nature of the incident and concerns relating to the same.

51. In November of 2021, Relevium again informed Defendant that the conditions at the Property were unresolved and unsustainable, and advised Defendant that Relevium would be vacating the Property in December of 2021.

52. That same month, Defendant responded by indicating that there were no breaches of the lease, that any such Disturbances, Unauthorized Entries, and Chemical Spills were cured, and

demanding over $80,000 in "termination fees" from Relevium as Relevium was being forced out of the Property.

53. Within days of that communication, Relevium experienced yet another one of KS's Chemical Spills; around that same time, Relevium learned that KS and its shared principal with Defendant, Laura Sussman, were subject to multiple ongoing compliance investigations by the Nevada State Funeral Board.

54. Despite notice from Relevium regarding the severity of these Chemical Spills, and despite scrutiny from the Nevada State Funeral Board regarding this issue, Defendant failed to prevent or resolve these conditions, and KS continued these intrusions from the Neighbor Unit into the Property.

55. In December of 2021, as soon as Relevium was able to transition to new premises from which to conduct its medical practice, Relevium vacated the Property.

56. At the time Relevium vacated the Property, Defendant had not cured its many prior breaches under the Lease, had not credited Relevium for the many impediments to Relevium's use and enjoyment of the Property, had not reimbursed Relevium for the many interruptions to Relevium's business, and had not abated their continuing breaches under the Lease.

57. Relevium continued to pay rents under the lease through December of 2021, even paying rent for weeks after Relevium vacated and cleaned the Property.

CAUSES OF ACTION

FIRST CAUSE OF ACTION
[Breach of Contract]

58. Plaintiffs repeat and reallege the allegations contained in preceding paragraphs as if fully restated herein.

59. The Lease and Guaranty are valid and enforceable contracts.

60. At all times relevant herein, Relevium performed all duties and conditions precedent required under the terms of the Lease.

61. At all times relevant herein, Dr. Hall performed all duties and conditions precedent required under the terms of the Guaranty.

62. Defendant repeatedly violated Relevium's contractual and common law entitlements to quiet possession and quiet enjoyment of the Property.

63. Defendant repeatedly refused to cure its violations of the Lease or address its continued intrusions onto the Property.

64. Defendant repeatedly violated the Lease's prohibition against unauthorized landlord access to the Property during the term of the Lease.

65. Defendant and its agent MDL refused to enforce the Lease terms against KS, which shares common ownership with Defendant.

66. Defendant refused to prevent and reasonably resolve spills involving noxious chemicals and biological agents, despite the Lease's many requirements that the Defendant lessor do so.

67. Defendant refused to afford rent credits, abatement, and/or damages payments for these Disturbances, Unauthorized Entries, and Chemical Spills.

68. As a result of Defendant's unlawful conduct, Plaintiffs have suffered damages in excess of $15,000.

69. As a result of Defendant's unlawful conduct, Plaintiffs have been forced to retain counsel and are entitled to an award of reasonable attorney's fees and costs in their favor.

SECOND CAUSE OF ACTION
[Breach of the Implied Covenant of Good Faith and Fair Dealing]

70. Plaintiffs repeat and reallege the allegations contained in preceding paragraphs as if fully restated herein.

71. Every contract in the State of Nevada contains an implied covenant to act in good faith and to engage in fair dealing in the performance and execution of that contract.

72. Because the Lease and the Guaranty are valid and enforceable contracts, each is bears the implied covenant of good faith and fair dealing.

73. Defendant's failure to perform under the agreements as promised, as well as Defendant's affirmative actions which deprived Plaintiffs of the benefit of their respective bargains, constitute breaches of the implied covenant of good faith and fair dealing.

74. As a result of Defendant's unlawful conduct, Plaintiffs have suffered damages in excess of $15,000.

75. As a result of Defendant's unlawful conduct, Plaintiffs have been forced to retain counsel and are entitled to an award of reasonable attorney's fees and costs in their favor.

THIRD CAUSE OF ACTION
[Declaratory Relief – NRS 30.010 et seq.*]*

76. Plaintiffs repeat and reallege the allegations contained in preceding paragraphs as if fully restated herein.

77. Controversies exist between Plaintiffs and Defendant on multiple issues, including the Parties' respective rights and obligations under the Lease and Guaranty.

78. Those issues are ripe for judicial determination as expressly authorized under NRS Chapter 30 and related Nevada procedural rules.

79. Plaintiffs are entitled to judicial declarations regarding Defendant's breaches of the Lease and Guaranty, as well as Defendant's actions which impeded Plaintiff's ability to remain in the Property for the duration of the term.

80. As a result of Defendant's unlawful conduct, Plaintiffs have been forced to retain counsel and are entitled to an award of reasonable attorney's fees and costs in their favor.

FOURTH CAUSE OF ACTION
[Constructive Eviction]

81. Plaintiffs repeat and reallege the allegations contained in preceding paragraphs as if fully restated herein.

82. Defendant's affirmative breaches of the Lease and continued failure to cure impeded Relevium's use of the Property.

83. Defendant's actions and failures to act rendered the Property, either in whole or in substantial part, unfit for occupancy for the purpose for which the Lease was entered into.

84. Specifically, Defendant rendered the Property unsuitable for the "[g]eneral office use for a pain management clinic and other related lawful uses" contemplated under the Lease.

///

85. Relevium made repeated attempts to redress Defendant's actions and inaction to avoid having to vacate the Property, and provided Defendant with ample notice of, and a reasonable opportunity to cure, these defects.

86. Defendant's actions and inaction forced Relevium to locate and secure alternative premises which would be suitable for the agreed uses contemplated under the Lease.

87. Defendant's actions and inaction forced Relevium to vacate the Property in December of 2021 to relocate to a suitable property free of Defendant's unlawful conduct.

88. As a result of Defendant's unlawful conduct, Plaintiffs have been forced to retain counsel and are entitled to an award of reasonable attorney's fees and costs in their favor.

PRAYER FOR RELIEF

For the foregoing reasons, Plaintiffs pray for judgment in their favor and against Defendant as follows:

1. For an award of damages in excess of $15,000.00;
2. For preliminary and permanent injunctive relief as outlined herein;
3. For an award of reasonable attorney's fees and costs;
4. For interest on monetary damages, including awards of pre- and post-judgment interest;
5. For declaratory relief as outlined herein; and
6. For any other such relief the Court deems appropriate under the circumstances.

JURY DEMAND

Plaintiffs hereby demand to have their case heard by a jury.

///

///

///

///

///

///

///

ARBITRATION EXEMPTION

The total of Plaintiffs' damages, exclusive of interests and costs, which the judge and/or jury is likely to award, exceeds $50,000. Additionally, Plaintiffs assert claims for declaratory relief, which may not be resolved in court-annexed arbitration. Accordingly, this case should be automatically exempted from the arbitration program.

Dated this 28th day of December 2021.

Conviction: Conspiracy to commit Adulteration	NV	5 May, 2015	Case 2:13-cr-00377-GMN-CWH	Clark	United States District Court

December 2011 I purchased a refurbished General Electric ultrasound unit from a distributor I found online to enable me to continue performing transrectal ultrasound directed biopsies of the prostate. I previously owned a similar unit that I had purchased new. At that time, I also purchased a reusable steel needle guide with the ultrasound. A couple of days later, the ultrasound was delivered, as promised, but sans needle guide, rendering the machine unusable. I called the salesman, Scott Brandt, who informed me that he would send me a box of needle guides, that could be re-used three to five times, using high level disinfection. He reassured me that other urologists were reprocessing needle guides without any difficulty. The needle guides came in a box that was marked with a bevy of arcane logos, including a two inside of a circle, with a squiggle. That ambiguous logo was subsequently discarded by the FDA with a new warning that said, "Do Not Reuse. In March 2011, after having been alerted of the reuse by a member of my office staff, I was investigated by two FDA agents. The agents initially were also unaware as to the implications of the logo and advised me that the packages seemed to be misbranded. However, they returned two days later, and I was advised that I was to be investigated for adulteration of a medical device. Obviously, I immediately discontinued the practice of reprocessing the device. Years later, I was indicted. Sept, 2014 I was convicted of Conspiracy to Commit Adulteration. The title and section of the Judgment was an error and was amended *nunc pro tunc* on June 10, 2019.

I was released from probation on 5/13/2021.

UNITED STATES DISTRICT COURT

DISTRICT OF NEVADA

UNITED STATES OF AMERICA, Plaintiffs, vs. MICHAEL STANLEY KAPLAN, M.D., Defendant.	Case No.: 2:13-cr-00377-GMN-CWH **ORDER**

Pending before the Court is Defendant Michael Stanley Kaplan's ("Defendant's") *Ex Parte* Motion for Order Correcting Judgment, (ECF No. 251). Defendant's Motion states that the Judgment in this matter correctly refers to a conviction of Count One of the Indictment, Conspiracy to Commit Adulteration pursuant to 18 U.S.C. § 371. However, Defendant explains that the Judgment cites violations of 18 U.S.C. §§ 331(k), 333(a)(2) and 351(a)(2)(A) as the basis for the Conspiracy when it should have cited to violations of 21 U.S.C. §§ 331(k), 333(a)(2) and 351(a)(2)(A).

Upon review of the Indictment, the Court agrees with Defendant. The Judgment should state a conviction based on violations of 21 U.S.C. §§ 331(k), 333(a)(2) and 351(a)(2)(A), as stated in the Indictment, (ECF No. 1). Accordingly,

IT IS HEREBY ORDERED that the Judgment in this matter shall be amended *nunc pro tunc* to state a conviction pursuant to Count One of the Indictment, Conspiracy to Commit Adulteration, 18 U.S.C. § 371, in violation of 21 U.S.C. § 331(k), 21 U.S.C. § 333(a)(2), and 21 U.S.C. § 351(a)(2)(A).

END OF REPORT

Statement of explanation:

License summarily suspended on March 14, 2011

Nevada Board of Medicine.

License reinstated on April 12, 2011

December of 2011 my stalwart GE ultrasound which I had used to perform transrectal biopsies of the prostate finally withered, putting me in a predicament. My office was booked for weeks with patients anxious to find out if they had prostate cancer, and have their procedure completed before the end of the month to avoid paying a new deductible in January. I scrambled to find a similar unit and discovered a distributor online that had a GE model which could be delivered within a week. I purchased a reusable steel needle guide with the ultrasound. A couple of days later, the ultrasound was delivered, as promised, but sans needle guide, rendering the machine unusable. I called the salesman, Scott Brandt, who informed me that he would send me a box of needle guides, that could be re-used three to five times, using high level disinfection. He reassured me that other urologists were reprocessing needle guides without any difficulty. The needle guides came in a box that was marked with a bevy of arcane logos, including a two inside of a circle, with a squiggle. That ambiguous logo was subsequently discarded by the FDA with a new warning that said, "Do Not Reuse." I was not alone in my naivety regarding the logo, as at least one other urologist subsequently reported to the Board that he had been reprocessing similar needle guides for over three years. In March 2011, after having been alerted of the reuse by a member of my office staff, I was investigated by the Board, and two FDA agents. The agents initially were also unaware as to the implications of the logo and advised me that the packages seemed to be misbranded. However, they returned two days later, and my license was suspended pending an investigation. In the interim, the Board conducted their own enquiry. The urologist assigned by the Board reported that she too was unaware as to the implications of the two inside of a circle with a squiggle. My license was reinstated while I subsequently underwent a period of monitoring with an infection control nurse that I paid for. As expected, not one of the patients that had ultrasound directed biopsies of the prostate in my office ever experienced any infectious sequelae from my reuse of needle guides.

On April 12, 2011, in Case No. 11-12859-1, a Stipulation and Order was approved between the Investigative Committee (IC) of the Nevada State Board of Medical Examiners' (Board) and Practitioner, wherein Practitioner's license was reinstated after summary suspension on March 14, 2011, subject to certain conditions. The parties stipulated that this Stipulation and Order would not affect Case No. 11-8547-1. However, evidence of Practitioner's good faith compliance with the conditions set forth therein may be considered in connection with any hearing or resolution of legal case No. 11-8547-1. Nothing in the Stipulation constituted an admission of negligence or guilt and it was specifically stated: "It is understood and agreed that the intent of this Stipulation is to allow Practitioner's license to be reinstated and that he may practice within his area of specialty, urology, without restriction, but subject to the voluntary and temporary conditions set forth above." Specifically, the First Complaint alleges one (1) violation of Nevada Administrative Code (NAC) 630.230(1)(h), failing to adequately supervise a medical assistant (Count I) and one (1) violation of Nevada Revised Statute (NRS) 630.306(7), failure to exercise ordinary skill or diligence (Count II). On June 1, 2018, the Board approved a Settlement Agreement with the following terms and conditions: Practitioner admits to Count I of the Second Complaint; Counts I and II of the First Complaint and Count II and III of the Second Complaint shall be dismissed with prejudice; Practitioner's license to practice medicine shall be revoked; Practitioner will pay the costs and expenses incurred in the investigation and prosecution of the matters which shall be effective upon the Board's acceptance, adoption and approval of this Agreement, the current amount being $18,819.87, not including any costs that may be necessary to finalize this Agreement. STIPULATION AND ORDER

The Investigative Committee of the Nevada State Board of Medical Examiners (hereinafter "Committee") and Michael Kaplan, M.D. (hereinafter "Dr. Kaplan"), by and through the undersigned counsel, hereby agree and stipulate to the following. The medical license of Dr. Kaplan was summarily suspended on March 14, 2011, pursuant to NRS 630.326(1), by the Committee, based upon preliminary investigation findings that the suspension of the license was necessary to remove a risk of imminent harm to the health, safety and welfare of the public.

The imminent risk of harm to the health, safety and welfare of the public having been ameliorated by the following terms of this Stipulation, the parties agree that the license of Dr. Kaplan to practice medicine in the state of Nevada shall be reinstated subject to the following:

1) Dr. Kaplan may start practicing medicine immediately upon the filing of this Stipulation and Order. Dr. Kaplan may perform the procedures noted in Attachment A to this Stipulation once the following conditions are met by appropriate voluntary monitoring being put in place as set further forth below.

2) Dr. Kaplan agrees that any procedure noted in Attachment A to this Stipulation, performed in an office setting (rather than a hospital or ambulatory surgery center) will be voluntarily monitored by a third-party monitor. The monitor will check for proper infection control procedures, including but not limited to, the use of disposable, single-use-only medical devices and the appropriate cleaning and sterilization of reusable medical devices. Said voluntary monitoring shall be in place for a period of ninety (90)

days which will be counted consecutively beginning from the first date a monitor is in place in Dr. Kaplan's office.

3) The condition of appropriate voluntary monitoring does not apply to any procedure performed by Dr. Kaplan in a hospital or ambulatory surgery center. It is agreed that procedures performed by Dr. Kaplan in a hospital or ambulatory surgery center are not subject to the condition of voluntary monitoring.

4) The third party monitor will be subject to approval by the Committee prior to the commencement of voluntary monitoring and all costs associated with said monitoring shall be paid by Dr. Kaplan.

5) Dr. Kaplan shall, for the period of voluntary monitoring, perform the procedures noted on Attachment A on pre-designated days arranged with and agreed to by the monitor and Dr. Kaplan.

6) Dr. Kaplan shall submit to random site inspections by Nevada State Board of Medical Examiners staff and/or authorized inspectors/staff of the Nevada State Board of Health and its subdivisions and/or any other authorized third party inspector to ensure that appropriate infection control procedures are followed and inspect any inventories or documentation related to disposable, single-use-only medical devices, appointment calendars and patient records during the pendency of the proceedings related to formal complaint number 11-8547-1 and shall pay any costs associated with such inspections.

7) Dr. Kaplan does not currently perform any procedures in-office with the use of general anesthesia, conscious sedation or deep sedation. However, should he perform any procedures with the use of general anesthesia, conscious sedation or deep sedation in the future, such will be performed only after obtaining the requisite permit as set forth in NRS 449.435 to 449.448.

8) Should the Committee find that Dr. Kaplan has violated the terms of this Stipulation, it may suspend his license to practice medicine immediately and shall set a date for a hearing to be held within forty-five (45) days to determine if the suspension should ~~suspension~~ continue while legal case number 11-8547-1 is pending.

FDD

9) The parties stipulate that this agreement does not affect case number 11-8547-1. However, evidence of Dr. Kaplan's good faith compliance with the conditions set forth herein may be considered in connection with any hearing on or resolution of legal case number 11-8547-1. Nothing in this voluntary agreement and stipulation shall constitute an admission of negligence or fault on the part of Dr. Kaplan. It is understood and agreed that the intent of this Stipulation is to allow Dr. Kaplan's license to be reinstated and that he may practice within his area of specialty, urology, without restriction, but subject to the voluntary and temporary conditions set forth above.

10) The parties further stipulate that the Order to Show Cause hearing set for April 13, 2011, in Las Vegas, is vacated based upon the resolution of the suspension of license set forth in this stipulation.

Kaplan's good faith compliance with the conditions set forth therein may be considered in connection with any hearing or resolution of legal case No. 11-8547-1. Nothing in the Stipulation constituted an admission of negligence or guilt and it was specifically stated: "It is understood and agreed that the intent of this Stipulation is to allow Dr. Kaplan's license to be reinstated and that he may practice within his area of specialty, urology, without restriction, but subject to the voluntary and temporary conditions set forth above."

3. On July 24, 2013, in Case No. 11-8547-1, the IC filed a formal First Amended Complaint (First Complaint) charging Respondent with violating the Medical Practice Act. Specifically, the First Complaint alleges one (1) violation of NAC 630.230(1)(h), failing to adequately supervise a medical assistant (Count I) and one (1) violation of NRS630.306(7), failure to exercise ordinary skill or diligence (Count II).

4. On September 24, 2015, in Case No. 15-8547-1, the IC filed a formal Complaint (Second Complaint) charging Respondent with violating the Medical Practice Act. 5. By reason of the foregoing, Respondent is subject to discipline by the Board as provided in NRS 630.352.

6. Respondent was properly served with a copy of these Complaints, has reviewed and understands these Complaints, and has had the opportunity to consult with competent counsel concerning the nature and significance of these Complaints.

7. Respondent is hereby advised of his rights regarding this administrative matter, and of his opportunity to defend against the allegations in the Complaints. Specifically, Respondent has certain rights in this administrative matter as set out by the United States Constitution, the Nevada Constitution, the Medical Practice Act, the Nevada Open Meeting Law (OML), which is contained in NRS Chapter 241, and the Nevada Administrative Procedure Act (APA) pertaining to certain regulatory bodies, which is contained in NRS Chapters 233B and 622A. These rights

8. Respondent understands that, under the Board's charge to protect the public by regulating the practice of medicine, the Board may take disciplinary action against Respondent's license, including license probation, license suspension, license revocation and imposition of administrative fines, as well as any other reasonable requirement or limitation, if the Board concludes that Respondent violated one or more provisions of the Medical Practice Act.

9. Respondent understands and agrees that this Agreement, by and between Respondent and the IC, is not with the Board, and that the IC will present this Agreement to the Board for consideration in open session at a duly noticed and scheduled meeting. Respondent understands that the IC shall advocate for the Board's approval of this Agreement, but that the Board has the right to decide in its own discretion whether or not to approve this Agreement. Respondent further understands and agrees that if the Board approves this Agreement, then the terms and conditions enumerated below shall be binding and enforceable upon him and the Board.

B. Terms & Conditions

NOW, THEREFORE, in order to resolve the matters addressed herein, i.e., the matters with regard to the Complaints, Respondent and the IC hereby agree to the following terms and conditions:

1. **Jurisdiction**. Respondent is, and at all times relevant to the Complaints has been, a physician licensed to practice medicine in Nevada subject to the jurisdiction of the Board as set forth in the Medical Practice Act.

2. **Representation by Counsel/Knowing, Willing and Intelligent Agreement**. Agreement, that counsel for the IC will be timely notified of the material change. Respondent agrees that he knowingly, willingly and intelligently enters into this Agreement after deciding to have a full consultation with and upon the advice of legal counsel.

3. **Waiver of Rights**. In connection with this Agreement, and the associated terms and conditions, Respondent knowingly, willingly and intelligently waives all rights in connection with this administrative matter. Respondent hereby knowingly, willingly and intelligently waives all rights arising under the United States Constitution, the Nevada Constitution, the Medical Practice Act, the OML, the APA, and any other legal rights that may be available to him or that may apply to him in connection with the administrative proceedings resulting from the Complaints filed in this matter, including defense of the Complaints, adjudication of the allegations set forth in the Complaints, and imposition of any disciplinary actions or sanctions ordered by the Board. Respondent agrees to settle and resolve the allegations of the Complaints as set out by this Agreement, without a hearing or any further proceedings and without the right to judicial review.

4. **Acknowledgement of Reasonable Basis to Proceed**. Respondent acknowledges that the IC believes it has a reasonable basis to allege that Respondent engaged in conduct that is grounds for discipline pursuant to the Medical Practice Act. The Board acknowledges Respondent is not admitting and specifically denies that the Board's claims/counts as alleged in the Complaints have merit. Respondent is agreeing to resolve this matter to avoid the costs of hearing and potential subsequent litigation. Respondent asserts if these cases were to proceed to hearing, he has evidence, witnesses, expert witness(es) and defenses to the counts/claims alleged in the Complaints, but for the purposes of resolving these cases and for no other purpose, Respondent waives the presentation of evidence, witnesses, expert witnesses, and defenses in order to effectuate this Agreement. It is understood that Respondent intends to reapply for his medical license and specifically that entering into this settlement agreement will not preclude him from reapplying.

5. **Consent to Entry of Order**. In order to resolve these Complaints pending against Respondent, Respondent hereby agrees that the Board may issue an order finding that Respondent

Nevada State Board of Medical Examiners

engaged in conduct that is grounds for discipline pursuant to the Medical Practice Act. Accordingly, the following terms and conditions are hereby agreed upon:

a. Respondent admits to Count I of the Second Complaint.

b. Counts I and II of the First Complaint and Count II and III of the Second Complaint shall be dismissed with prejudice.

c. Respondent's license to practice medicine shall be revoked.

d. Respondent will pay the costs and expenses incurred in the investigation and prosecution of the above-referenced matters, which imposition of costs and expenses shall be effective upon the Board's acceptance, adoption and approval of this Agreement, the current amount being $18,819.87, not including any costs that may be necessary to finalize this Agreement. Respondent shall pay the aforementioned costs and fees within 60 days of his reapplication for licensure by the Board; Respondent may also request a plan of repayment, and repay said costs under such terms that are acceptable to the Board.

e. This Agreement shall be reported to the appropriate entities and parties as required by law, including, but not limited to, the National Practitioner Data Bank.

f. Respondent shall receive a Public Letter of Reprimand.

g. If Respondent otherwise meets the requirements for application for licensure, then he may reapply for a medical license, and this agreement will not preclude him from making such application.

h. This Agreement encompasses the resolution of all issues before the Board, including any allegations that Respondent may have failed to comply with reporting requirements.

6. **Release From Liability**. In execution of this Agreement, Respondent understands and agrees that the State of Nevada, the Board, and each of its members, staff, counsel, investigators, experts, peer reviewers, committees, panels, hearing officers, consultants and agents are immune from civil liability for any decision or action taken in good faith in response to information acquired by the Board. NRS 630.364(2)(a). Respondent agrees to release the State of Nevada, the Board, and each of its members, staff, counsel, investigators, experts, peer reviewers, committees, panels, hearing officers, consultants and agents from any and all manner of actions,

causes of action, suits, debts, judgments, executions, claims and demands whatsoever, known and unknown, in law or equity, that Respondent ever had, now has, may have or claim to have, against any or all of the persons, government agencies or entities named in this paragraph arising out of, or by reason of, this investigation, this Agreement or the administration of the case referenced herein.

7. **Procedure for Adoption of Agreement**. The IC and counsel for the IC shall recommend approval and adoption of the terms and conditions of this Agreement by the Board in resolution of these Complaints. In the course of seeking Board acceptance, approval and adoption of this Agreement, counsel for the IC may communicate directly with the Board staff and the adjudicating members of the Board.

Respondent acknowledges that such contacts and communications may be made or conducted ex parte, without notice or opportunity to be heard on his part until the public Board meeting where this Agreement is discussed, and that such contacts and communications may include, but may not be limited to, matters concerning this Agreement, the Complaints and any and all information of every nature whatsoever related to this matter. The IC and its counsel agree that Respondent may appear at the Board meeting where this Agreement is discussed and, if requested, respond to any questions that may be addressed to the IC or the IC's counsel.

8. **Effect of Acceptance of Agreement by Board**. In the event the Board accepts, approves and adopts this Agreement, the Board shall issue a final order, making this Agreement an order of the Board, and, pending full compliance with the terms herein, the case shall be closed and the remaining counts of the Complaints shall be dismissed with prejudice.

9. **Effect of Rejection of Agreement by Board**. In the event the Board does not accept, approve and adopt this Agreement, this Agreement shall be null, void and of no force and effect except as to the following agreement regarding adjudications: (1) Respondent agrees that, notwithstanding rejection of this Agreement by the Board, nothing contained in this Agreement and nothing that occurs pursuant to efforts of the IC to seek the Board's acceptance of this Agreement shall disqualify any member of the adjudicating panel of the Board from considering these Complaints and from participating in disciplinary proceedings against Respondent, including

adjudication of these cases; and (2) Respondent further agrees that he shall not seek to disqualify any such member absent evidence of bad faith.

10. **Binding Effect**. If approved by the Board, Respondent understands that this Agreement is a binding and enforceable contract upon Respondent and the Board.

11. **Forum Selection Clause**. The parties agree that in the event either party is required to seek enforcement of this Agreement in district court, the parties consent to such jurisdiction and agree that exclusive jurisdiction shall be in the Second Judicial District Court, State of Nevada, Washoe County.

12. **Attorneys' Fees and Costs**. The parties agree that in the event an action is commenced in district court to enforce any provision of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs.

13. **Failure to Comply with Terms**. Should Respondent fail to comply with any term or condition of this Agreement once the Agreement has been accepted, approved and adopted by the Board, the IC shall be authorized to immediately suspend Respondent's license to practice medicine in Nevada pending an Order to Show Cause Hearing, which will be duly noticed. Failure to comply with the terms of this Agreement, including failure to pay any fines, costs, expenses or fees owed to the Board, is a failure to comply with an order of the Board, which may result in additional disciplinary action being taken against Respondent. NRS 630.3065(2)(a). Further, Respondent's failure to remit payment to the Board for monies agreed to be paid as a condition of this Agreement may subject Respondent to civil collection efforts, however a payment plan may be agreed to at the time of reapplication.

Explanation: Fine/Public Reprimand

Nevada Medical Board, 12/3/2005

Patient presented with an obstructed right ureter following prior gynecologic surgery. At the time of my surgery, she was found to have a frozen pelvis. After extensive lysis of adhesions, the patient's left ureter was mistakenly isolated and reimplanted, rather than the obstructed right ureter. The complication was identified post operatively and repaired. She had complications from that operation, including a bowel injury, and subsequent occlusion of the right ureter. Ultimately, the patient had additional surgery at UCLA, and she retained function of both kidneys, and resumed normal bowel function.

PROPOSED REGULATION OF THE

STATE BOARD OF PHARMACY

LCB File No. R119-21

February 24, 2022

EXPLANATION – Matter in *italics* is new; matter in brackets [~~omitted material~~] is material to be omitted.

AUTHORITY: § 1, NRS 639.070 and section 1 of Assembly Bill No. 177, chapter 184, Statutes of Nevada 2021, at page 861 (NRS 639.28013).

A REGULATION relating to pharmacy; establishing the languages in which certain pharmacies are required to provide the directions for use of a prescription drug to certain patients or authorized representatives of certain patients; establishing a method by which the Board will update the list of such languages; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the State Board of Pharmacy to regulate the practice of pharmacy, including the sale and dispensing of drugs. (NRS 639.070) Existing law sets forth requirements for labeling containers for prescription drugs, including a requirement that each pharmacy, except for an institutional pharmacy, provide the directions for use on the label or other device affixed to the container for the prescription drug in English and, upon the request of a prescribing practitioner, patient or authorized representative of a patient, any language prescribed by regulations adopted by the Board. (Section 1 of Assembly Bill No. 177, chapter 184, Statutes of Nevada 2021, at page 861 (NRS 639.28013)) This regulation requires the directions for use on the label or other device affixed to the container for the prescription drug to be provided, upon the request of the prescribing practitioner, a patient or an authorized representative of a patient, at the time the prescription drug is dispensed, in both English and Spanish, Tagalog, Chinese, Amharic, Somali, Vietnamese or Korean. If information in the additional requested language does not fit on the label or other device affixed to the container for the prescription drug, this regulation requires it to be provided in a document provided to the patient or his or her authorized representative at the time the prescription drug is dispensed. Finally, this regulation provides that after the tabulations of population are reported by the Secretary of Commerce for each decennial census conducted by the Bureau of the Census of the United States Department of Commerce, the Board will: (1) review the demographic trends and projections of this State; and (2) if the Board determines that the list of languages set forth in this regulation must be updated, adopt a regulation to update that list within 120 days after its determination.

Section 1. Chapter 639 of NAC is hereby amended by adding thereto a new section to read as follows:

1. Pursuant to section 1 of Assembly Bill No. 177, chapter 184, Statutes of Nevada 2021, at page 861 (NRS 639.28013), each pharmacy, except for an institutional pharmacy, shall, upon the request of the prescribing practitioner, a patient or an authorized representative of a patient, provide the information required by subsection 6 of NRS 639.2801 in both English and any one of the following languages:

(a) Spanish;

(b) Tagalog;

(c) Chinese, in both traditional and simplified;

(d) Amharic;

(e) Somali;

(f) Vietnamese; or

(g) Korean.

2. As soon as practicable after the tabulations of population are reported by the Secretary of Commerce for a decennial census conducted by the Bureau of the Census of the United States Department of Commerce, the Board will review demographic trends and projections of this State. If the Board determines that the languages listed in subsection 1 must be updated, the Board will adopt a regulation to update the languages listed in subsection 1 within 120 days after its determination.

Re: LCB File No. R119-21

Dear Mr. Wuest:

Pursuant to NRS 233B.067, the Legislative Commission has reviewed the attached regulation adopted by your agency, LCB File No. R119-21, and objected to the regulation. Pursuant to subsection 5 of NRS 233B.067, the Legislative Counsel is required to return this regulation to your agency for revision and resubmission pursuant to NRS 233B.0675 to address the following reason for the objection of the Legislative Commission.

Pursuant to subsection 1 of NRS 639.2801, all prescriptions must be dispensed in a container to which a label or other device is affixed which clearly shows certain information. Additionally, NRS 639.28013 requires certain pharmacies, upon request of a prescribing practitioner, patient or authorized representative of a patient, to provide such information in a language other than English as prescribed by the State Board of Pharmacy by regulation. Subsection 1 of section 1 of LCB File No. R119-21 identifies the languages other than English in which such information must be provided upon request. The reason for the objection of the Legislative Commission is that, while NRS 639.2801 requires certain information to be provided on a label or other device affixed to the container in which the prescription is dispensed, subsection 2 of section 1 of LCB File No. R119-21 would allow such information provided in a language other than English to be provided in a separate document at the time the prescription is dispensed, rather than including such information on a label or other device affixed to the container in which the prescription is dispensed as required by NRS 639.2801.

The pertinent provisions of NRS 233B.0675 which now apply to this regulation are as follows:

> **NRS 233B.0675 Permanent regulation: Revision and resubmission of regulation objected to by Legislative Commission or Subcommittee to Review Regulations; approval of or objection to revised regulation by Commission or Subcommittee.**
>
> 1. If the Legislative Commission, or the Subcommittee to Review Regulations appointed pursuant to subsection 6 of NRS 233B.067, has objected to a regulation, the agency shall revise the regulation to conform to the statutory authority pursuant to which it was adopted and to carry out the intent of the Legislature in granting that authority and return it to the Legislative Counsel within 60 days after the agency received the written notice of the objection to the regulation pursuant to NRS 233B.067. Upon receipt of the revised regulation, the Legislative Counsel shall resubmit the regulation to the Commission or Subcommittee for review. If the Commission or Subcommittee approves the revised regulation, the Legislative Counsel shall promptly file the revised regulation with the Secretary of State and notify the agency of the filing.

We invite you to discuss with us any questions which you may have concerning this regulation. Please make reference to our file number in all further correspondence relating to this regulation.

Sincerely,

Bryan J. Fernley
Legislative Counsel
