STATEMENT AS TO DISCIPLINARY AND LEGAL ACTIONS OF PAST EMPLOYERS

It is in the context of having previously been affiliated with Accredo Health Group, Inc. and Medco Health Solutions, Inc. that I respond with a 'yes' to of your questions about whether they incurred disciplinary actions or were involved in litigation.

I was previously employed by Accredo Health Group, Inc. Accredo Health Group, Inc. was acquired by Medco Health Solutions, Inc., a Fortune 50 Company. Medco had one or more subsidiaries in the Medco Health Solutions, Inc. family of companies including Accredo Health, Inc. Medco Health Solutions, Inc. itself, together with one or more subsidiaries in the Medco Health Solutions, Inc. family of companies, owned and operated over 100 licensed pharmacies, holding in the aggregate hundreds of non-resident licenses, throughout the United States. Medco has since been acquired by Express Scripts.

I recall that commencing about 2003, Accredo Health Group, Inc. and certain of its officers and directors were named as defendants in several substantially similar putative class action lawsuits filed in the United States District Court. The lawsuits alleged violations of the Securities Exchange Act. In addition, two purported derivative lawsuits were filed in the Circuit Court. The lawsuits were resolved.

Also, from time to time, Medco and Accredo were involved in lawsuits, claims, audits and investigations arising in the normal course of their business. I recall in general that from time-to time, and over time, one or more of the pharmacies in the Medco family incurred disciplinary action inclusive of imposition of fines, for deficiencies or failures to comply with applicable pharmacy law. I do not recall any of these disciplinary actions with specificity, and do not know if any action resulted in suspension, revocation, or restriction of a pharmacy or other license.

I also recall in general that Medco from time-to time, and over time, closed one or more pharmacies for business reasons, voluntarily surrendering the pertinent license and DEA permit. I do not recall which locations voluntarily surrendered licenses or permits. I do not recall any involuntary license surrender or any license surrender while an action or investigation was pending or any surrender to avoid a further action.

I have a general recollection of Medco Health Solutions entering into a corporate integrity agreement with the federal government and another agreement with attorneys general, but do not recall any specifics.

Maine Board of Pharmacy Complaint 2008-PHA-4787

In 2008, Humana Pharmacy, Inc. (formerly RightSource) located at 4302 W. Buckeye Rd., Phoenix, AZ 85043 admitted to a violation as a result of a complaint 2008-PHA-4787 where a prescription order was shipped to a patient who did not order the medication. There was no ingestion of the medication, and no patient harm. The root cause of the issue was Human Error. The Maine Board of Pharmacy offered a Consent Agreement where there was an admitted violation, a warning from the Board, and a $100 fine. This Agreement was previously reported to the Board.

Colorado Department of Commerce and Consumer Affair's Regulated Industries Complaints Office

Humana Pharmacy, Inc. (formerly RightSource) located at 4302 W. Buckeye Rd., Phoenix, AZ 85043 entered into a Stipulation and Final Agency Order with the Colorado State Board of Pharmacy on 5/19/2011. RightSource admitted to a violation of Board Rule 5.00.70 in which the pharmacy failed to timely submit the required applications and fees to the Colorado Board detailing a change in Pharmacist Managers. The violation was unintentional and root cause of the error was investigated and found to be an administrative error. The error was corrected, and imposed fees were paid. This Order was previously reported to the Board.

Hawaii Board of Pharmacy (PHA 2011-21-L and PHA 2010-32-L)

In December 2008, Humana Pharmacy, Inc. (formerly RightSource) located at 4302 W. Buckeye Rd., Phoenix, AZ 85043 entered into a Consent Agreement with the Maine Board of Pharmacy. Per Hawaii Revised Statutes, disciplinary decisions must be reported within 30 days. It is important to note that Humana Pharmacy, Inc. did notify the Hawaii Board of Pharmacy of the Consent Agreement. However, the notification exceeded the timeframe required by HRS 436B-19(15). PHA 2011-21-L is due to Humana Pharmacy, Inc. (formerly RightSource) receiving disciplinary action by another state agency. These agreements were previously reported to the Board.

Iowa Board of Pharmacy

Humana Pharmacy, Inc. (formerly RightSource) located at 4302 W. Buckeye Rd., Phoenix, AZ 85043 entered into a Settlement Agreement and Final Order with the Iowa Board of Pharmacy in August 2013. Pursuant to this Settlement Agreement and Final Order, the Iowa Board of Pharmacy cited RightSource for having disciplinary action taken against it by another state licensing board. This action taken by the Iowa Board of Pharmacy is based entirely on the Settlement Agreement with the Hawaii Board of Pharmacy, and no new violations occurred. The Agreement was previously reported to the Board.

Michigan Board of Pharmacy

Humana Pharmacy, Inc. (formerly RightSource) located at 4302 W. Buckeye Rd., Phoenix, AZ 85043 entered into a Consent Order and Stipulation with the Michigan Department of Licensing and Regulatory Affairs which was received by RightSource in April 2014. The Administrative Complaint resulting in the Consent Order is in response to RightSource having violated section 17768(2) (d) of the Public Health Code due to receiving disciplinary action by other Regulatory Agencies. The Consent Order is based entirely on previously reported Settlement Agreements, and no new violations have occurred. The Order was previously reported to the Board.

Alaska Board of Pharmacy

Humana Pharmacy, Inc. (formerly RightSource) located at 4302 W. Buckeye Rd., Phoenix, AZ 85043 accepted an Imposition of Civil Fine without reprimand from the Alaska Board of Pharmacy in August 2014 due to a misinterpretation of a question on a 2010 renewal application. RightSource did not intentionally answer the question incorrectly, and it was answered based off of the interpretation of the question at that time. The action was previously reported to the Board.

Disciplinary action information

Cerebral

340 S Lemon Ave
#9892
Walnut, CA 91789

To whom it may concern,

Please see attached documentation of prior disciplinary action and descriptions below.

Texas State Board of Pharmacy Order (February 6, 2018)
On December 14, 2017, the Texas State Board of Pharmacy (the "TX BOP") notified Lehigh Pharmacy & Supplies, Inc. (formerly known as Cape Pharmacy & Supplies) (the "Pharmacy") of allegations that the Pharmacy engaged in the operation of a non-resident pharmacy that was not under the supervision of a pharmacist-in-charge licensed as a pharmacist in Texas. The Pharmacy neither admitted nor denied any allegation, but in the interest of resolving the matter, entered into an Agreed Board Order with the TX BOP, dated February 6, 2018, pursuant to a $1,000 administrative penalty was imposed. The Pharmacy's Texas pharmacy license 30940 is currently inactive. The pharmacy's current Texas pharmacy license 34296 is active and in good standing.

Maine Consent Agreement (July 2, 2020)
The Pharmacy failed to report the Texas disciplinary action described above to the Maine Board of Pharmacy (the "ME BOP") within 10 days as required and instead reported it on November 7, 2018, with its renewal application. The Pharmacy entered into a Consent Agreement with the ME BOP, dated July 2, 2020, pursuant to which a reprimand and civil penalty of $250 was imposed. The Pharmacy's Maine pharmacy license MO40001706 is currently inactive. The pharmacy's current Maine pharmacy license MO4003199 is active and in good standing.

IN RE:	)

Lehigh Pharmacy & Supplies, Inc.	)	CONSENT AGREEMENT
	)	
Complaint No. 2019-PHA-16198	)	

PARTIES

This document is a Consent Agreement regarding the pending application of Lehigh Pharmacy & Supplies, Inc., for the renewal of its mail order prescription pharmacy license. The parties to this Consent Agreement are: Lehigh Pharmacy & Supplies, Inc. ("LPS"), the Maine Board of Pharmacy ("the Board"), and the Office of the Maine Attorney General ("the Attorney General"). This Consent Agreement is entered into pursuant to 10 M.R.S. § 8003(5-A).

STATEMENT OF FACTS

1. Since September 25, 2014, LPS has been licensed in Maine as a mail order prescription pharmacy with a registered location of 307 Del Prado Boulevard N, Suite 3, Cape Coral, Florida (license number **MO40001706**).

2. On February 6, 2018, the Texas State Board of Pharmacy issued Agreed Board Order #K-17-033, which imposed discipline against LPS's Texas pharmacy license (#30940).

3. LPS then failed to report the Texas disciplinary action to the Board within 10 days as required by 10 M.R.S. § 8003-G(2)(C).

4. On November 7, 2018, LPS submitted a renewal application and reported to the Board for the first time that it had been disciplined by the Texas State Board of Pharmacy.

5. Pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C), the Board may deny, refuse to renew, suspend, or revoke a license and impose other discipline for failing to report a license disciplinary action to the Board within 10 days of that action.

6. At its meeting on November 7, 2019, the Board reviewed the above information and voted to preliminarily deny LPS's application for renewal of its license to be a mail order prescription pharmacy. In lieu of the denial, the Board also voted to offer LPS this Consent Agreement. Unless LPS either requests, in writing, a hearing regarding the appeal of the preliminary denial within thirty (30) days of receipt of the Notice of Preliminary Denial, or accepts this Consent Agreement by signing and dating it and returning it to Jessica Gowell, Licensing Supervisor, Department of Professional and Financial Regulation, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, ME 04333, by **June 15, 2020,** the preliminary denial of LPS's application for licensure as a mail order prescription pharmacy will become final.

COVENANTS

7. LPS admits to the facts above and admits that such conduct constitutes grounds for denial of or refusal to renew its license and for the imposition of discipline pursuant to 10 M.R.S. §§ 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C) for failing to report disciplinary action taken against a license in another jurisdiction within 10 days after the action was taken.

8. As discipline for the violation admitted to in paragraph 7 above, LPS agrees to accept the following DISCIPLINARY ACTION:

a) A REPRIMAND; and

b) A CIVIL PENALTY in the amount of two hundred fifty dollars ($250.00), payment of which shall be made by certified check or money order payable to the "Treasurer, State of Maine" and delivered to Jessica Gowell, Licensing Supervisor,

Department of Professional and Financial Regulation, Office of Professional and Occupational Regulation,, 35 State House Station, Augusta, Maine 04333, and must be submitted with the signed Consent Agreement;

9. Violation of any of the terms or conditions of this Consent Agreement by LPS shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of licensure or re-licensure.

10. The Board and LPS agree that no further agency action will be initiated against its license by the Board based upon the specific violations admitted to herein, except or unless LPS fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct if other allegations are brought against LPS, and this Consent Agreement will be admitted into evidence in any future adjudicatory hearing involving LPS. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining appropriate discipline in any further complaints against LPS.

11. This Consent Agreement is not appealable and is effective until modified or terminated by the parties hereto.

12. The Board and the Attorney General may communicate and cooperate regarding any matter related to this Consent Agreement.

13. Upon receipt of the signed Consent Agreement and the civil penalty payment, the Board will renew LPS's license contingent upon it meeting all other eligibility criteria.

14. This Consent Agreement is a public record within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408-A.

15. Nothing in this Consent Agreement shall be construed to affect any right or interest of any person not a party hereto.

16. LPS acknowledges by its duly authorized representative's signature hereto that it has had an opportunity to consult with an attorney before executing this Consent Agreement, that it executes this Consent Agreement voluntarily, and that it agrees to abide by all terms and conditions set forth herein.

TSBP entered this Order on February 6, 2018. The requirements and conditions of the enclosed Order and matters relating to the Order are discussed below:

ADMINISTRATIVE PENALTY (FINE)

Under the terms of this Order, Cape Pharmacy & Supplies (pharmacy license #30940) must pay an administrative penalty (fine) of $1,000.00. This fine is due on or before June 6, 2018. Please make your cashier's check or money order payable to the Texas State Board of Pharmacy, and submit to the TSBP office by the due date. Please include your ABO number (#K-17-033) on the cashier's check or money order. Note: TSBP will **not** accept partial payments. You must submit payment for the full amount by the due date.

LICENSE RENEWAL APPLICATIONS

Prior to the next expiration date of pharmacy license #30940, the pharmacy will complete a license renewal application for the Texas State Board of Pharmacy. This application will require a pharmacy representative to answer the question:

By letter dated December 14, 2017, the Board gave preliminary notice to Respondent of its intent to take disciplinary action. This action was taken as a result of an investigation which produced evidence indicating that Respondent may have violated:

Sections 562.101(f); and 565.002(a)(3) of the Texas Pharmacy Act, TEX. OCC. CODE ANN. Title 3, Subtitle J (2015); and

Section 291.103 of the Texas Pharmacy Board Rules, 22 TEX. ADMIN. CODE (2017), in that allegedly:

By letter dated December 14, 2017, Respondent was notified that the matters previously set out in this Order could be disposed of without the scheduling of an informal conference or a formal administrative hearing. By signing this Order, Stephen Martin Krause, Corporate President, Lehigh Pharmacy & Supplies, Inc., on behalf of Respondent, neither admits nor denies the truth of the matters previously set out in this Order, and agrees that the Board has jurisdiction in this matter and waives the right to informal conference, notice of hearing, formal administrative hearing, and judicial review of this Order.

The parties acknowledge that this Order resolves the allegations set forth herein, and agree to the terms and conditions set forth in the ORDER OF THE BOARD below.

ORDER OF THE BOARD

THEREFORE, PREMISES CONSIDERED, the Board does hereby ORDER that:

(1) Respondent shall pay an administrative penalty of one thousand dollars ($1,000) due one hundred twenty (120) days after the entry of this Order.

Designated Representative Application

Rev (05/12/2022)

An application for a license, or a licensee with a license, to conduct a pharmacy or to operate as a wholesaler shall designate at least one natural person to serve as the representative of the pharmacy or wholesaler. The Board will not issue or renew a license of an applicant or licensee that is required to designate a representative of a pharmacy or wholesaler unless the Board determines that the designated natural person meets the following qualifications per NAC 639.5005 (Pharmacy) or NAC 639.5935 (Wholesaler):

1. Is at least 21 years of age;
2. Has been employed for at least 6,000 hours in a pharmacy or with a wholesaler in a capacity related to the dispensing and distribution of, and recordkeeping related to, prescription drugs.

The designated representative of a pharmacy or a wholesaler:

1. Must be actively involved in and aware of the actual daily operations of the pharmacy or wholesaler;
2. Must be employed full-time in a managerial level position with the pharmacy or wholesaler;
3. Must be physically present at site of the pharmacy or at the facility of the wholesaler during regular business hours, except when the absence of the representative is authorized, including sick leaves, vacation leaves and other authorized absences; and
4. May serve in this representative capacity for only one pharmacy or wholesaler at a time

A pharmacy or wholesaler that is required to designate a natural person as its representative shall not open or operate the pharmacy or wholesaler unless that representative is actually employed full-time in the operation of the pharmacy or wholesaler and is physically present at the site of the pharmacy or wholesaler during regular working hours, not including sick leave, vacation leave and other authorized absences from work. If the natural person designated as the representative of a pharmacy leaves the employ of the pharmacy or wholesaler, thus leaving the pharmacy or wholesaler without a representative in violation of this section, the pharmacy or wholesaler shall:

1. Immediately cease conducting business until another qualified natural person is approved by the Board to serve as the representative of the pharmacy or wholesaler; and
2. Not later than 48 hours after that person leaves its employ, notify the Board that the person designated as the representative of the pharmacy or wholesaler has left the employ of the pharmacy or wholesaler.

Before a pharmacy or wholesaler, that is in violation of NAC 639.5005 (Pharmacy) or NAC 639.5935 (Wholesaler) because the natural person designated as the representative of the pharmacy or wholesaler left the employ of the pharmacy or wholesaler, may continue conducting business:

1. The pharmacy or wholesaler must designate, on a form provided by the Board, a new natural person to serve as the representative of the pharmacy; and
2. The Board must approve the natural person so designated.

291.34(e).

Prescription drug order records maintained in a data processing system.

(1) General requirements for records maintained in a data processing system.

(A) Compliance with data processing system requirements. If a Class A pharmacy's data processing system is not in compliance with this subsection, the pharmacy must maintain a manual record keeping system as specified in subsection (d) of this section.

(B) Original prescriptions. Original prescriptions shall be maintained in three files as specified in subsection (b)(6)(D) of this section.

(C) Requirements for backup systems.

(i) The pharmacy shall maintain a backup copy of information stored in the data processing system using disk, tape, or other electronic backup system and update this backup copy on a regular basis, at least monthly, to assure that data is not lost due to system failure.

(ii) Data processing systems shall have a workable (electronic) data retention system that can produce an audit trail of drug usage for the preceding two years as specified in paragraph (2)(H) of this subsection.

(D) Change or discontinuance of a data processing system.

(i) Records of dispensing. A pharmacy that changes or discontinues use of a data processing system must:

(I) transfer the records of dispensing to the new data processing system; or

(II) purge the records of dispensing to a printout that contains the same information required on the daily printout as specified in paragraph (2)(C) of this subsection. The information on this hard copy printout shall be sorted and printed by prescription number and list each dispensing for this prescription chronologically.

(ii) Other records. A pharmacy that changes or discontinues use of a data processing system must:

(I) transfer the records to the new data processing system; or

(II) purge the records to a printout that contains all of the information required on the original document.

(iii) Maintenance of purged records. Information purged from a data processing system must be

maintained by the pharmacy for two years from the date of initial entry into the data processing system.

(E) Loss of data. The pharmacist-in-charge shall report to the board in writing any significant loss of information from the data processing system within 10 days of discovery of the loss.

(2) Records of dispensing.

(A) Each time a prescription drug order is filled or refilled, a record of such dispensing shall be entered into the data processing system.

(B) Each time a modification, change or manipulation is made to a record of dispensing, documentation of such change shall be recorded in the data processing system. The documentation of any modification, change, or manipulation to a record of dispensing shall include the identification of the individual responsible for the alteration. Should the data processing system not be able to record a modification, change, or manipulation to a record of dispensing, the information should be clearly documented on the hard copy prescription.

(C) The data processing system shall have the capacity to produce a daily hard copy printout of all original prescriptions dispensed and refilled. This hard copy printout shall contain the following information:

(i) unique identification number of the prescription;

(ii) date of dispensing;

(iii) patient name;

(iv) prescribing practitioner's name and the supervising physician's name if the prescription was issued by an advanced practice registered nurse, physician assistant or pharmacist;

(v) name and strength of the drug product actually dispensed; if generic name, the brand name or manufacturer of drug dispensed;

(vi) quantity dispensed;

(vii) initials or an identification code of the dispensing pharmacist;

(viii) initials or an identification code of the pharmacy technician or pharmacy technician trainee performing data entry of the prescription, if applicable;

(ix) if not immediately retrievable via computer display, the following shall also be included on the hard copy printout:

(I) patient's address;

(II) prescribing practitioner's address;

(III) practitioner's DEA registration number, if the prescription drug order is for a controlled substance;

(IV) quantity prescribed, if different from the quantity dispensed;

(V) date of issuance of the prescription drug order, if different from the date of dispensing; and

(VI) total number of refills dispensed to date for that prescription drug order; and

(x) any changes made to a record of dispensing.

(D) The daily hard copy printout shall be produced within 72 hours of the date on which the prescription drug orders were dispensed and shall be maintained in a separate file at the pharmacy. Records of controlled substances shall be readily retrievable from records of non-controlled substances.

(E) Each individual pharmacist who dispenses or refills a prescription drug order shall verify that the data indicated on the daily hard copy printout is correct, by dating and signing such document in the same manner as signing a check or legal document (e.g., J.H. Smith, or John H. Smith) within seven days from the date of dispensing.

(F) In lieu of the printout described in subparagraph (C) of this paragraph, the pharmacy shall maintain a log book in which each individual pharmacist using the data processing system shall sign a statement each day, attesting to the fact that the information entered into the data processing system that day has been reviewed by him or her and is correct as entered. Such log book shall be maintained at the pharmacy employing such a system for a period of two years after the date of dispensing; provided, however, that the data processing system can produce the hard copy printout on demand by an authorized agent of the Texas State Board of Pharmacy. If no printer is available on site, the hard copy printout shall be available within 72 hours with a certification by the individual providing the printout, stating that the printout is true and correct as of the date of entry and such information has not been altered, amended, or modified.

(G) The pharmacist-in-charge is responsible for the proper maintenance of such records, for ensuring that such data processing system can produce the records outlined in this section, and that such system is in compliance with this subsection.

(H) The data processing system shall be capable of producing a hard copy printout of an audit trail for all dispensing (original and refill) of any specified strength and dosage form of a drug (by either brand or generic name or both) during a specified time period.

(i) Such audit trail shall contain all of the information required on the daily printout as set out in subparagraph (C) of this paragraph.

(ii) The audit trail required in this subparagraph shall be supplied by the pharmacy within 72 hours, if requested by an authorized agent of the Texas State Board of Pharmacy.

(I) Failure to provide the records set out in this subsection, either on site or within 72 hours constitutes prima facie evidence of failure to keep and maintain records in violation of the Act.

(J) The data processing system shall provide online retrieval (via computer display or hard copy printout) of the information set out in subparagraph (C) of this paragraph of:

(i) the original controlled substance prescription drug orders currently authorized for refilling; and

(ii) the current refill history for Schedules III, IV, and V controlled substances for the immediately preceding six-month period.

(K) In the event that a pharmacy using a data processing system experiences system downtime, the following is applicable:

(i) an auxiliary procedure shall ensure that refills are authorized by the original prescription drug order and that the maximum number of refills has not been exceeded, or authorization from the prescribing practitioner shall be obtained prior to dispensing a refill; and

22. Data processing system compliance *(continued)* ***Unsatisfactory***

(ii) all of the appropriate data shall be retained for online data entry as soon as the system is available for use again.

(3) Authorization of refills. Practitioner authorization for additional refills of a prescription drug order shall be noted as follows:

(B) on the daily hard copy printout; or
(C) via the computer display.

Re: Change of Ownership - Magellan Rx Pharmacy, LLC (Orlando, FL Facility)
Pharmacy License No. PH02006

To Whom it May Concern:

We are writing on behalf of Magellan Rx Pharmacy, LLC (the "Pharmacy") to inform you of a transaction that affected the Pharmacy's ownership. The Pharmacy holds the above captioned pharmacy license and is located at 6870 Shadowridge Drive, Suite 111, Orlando, FL 32812.

On May 3, 2022, Prime Therapeutics LLC ("Prime Therapeutics") and its wholly-owned subsidiary, Morocco Acquisition LLC ("Morocco"), entered into a Stock and Asset Purchase Agreement with Magellan Pharmacy Services, Inc., the Pharmacy's direct owner, and certain of its affiliates (the "Purchase Agreement"). Pursuant to the Purchase Agreement, on 12/2/2022 (the "Closing"), Morocco acquired 100% of the outstanding stock of the Pharmacy (the "Transaction"). Effective as of the Closing, Morocco is the new direct owner of the Pharmacy and Prime Therapeutics is the new indirect owner of the Pharmacy, as illustrated by the Pre- and Post-Closing Organizational Structure Charts attached. The Transaction did not result in any change to the Pharmacy's management, personnel, operations, address, or federal tax identification number.

Because the Transaction constitutes a change of ownership that requires a new application, we have enclosed a Pharmacy application.

Additionally, effective as of the Closing, the Pharmacy's officers and directors are as listed below. We note that these individuals previously served as the Pharmacy's officers and directors.

- Mostafa Kamal: President; Board of Managers
- Gaurang Gandhi: Vice President, Pharmacy Operations
- Anthony Palmisano, Jr.: Secretary; Board of Managers
- Kristen Tveit: Vice President; Treasurer

Please let us know if you require the submission of any additional information regarding the officers and directors.

Thank you for your attention to this matter. Should you have any questions, please do not hesitate to contact me via email at pjohns@magellanhealth.com or phone at 410-953-4731.

Sincerely,

Paige Johns, Regulatory and Legal Specialist

On May 3, 2022, Prime Therapeutics LLC ("Prime Therapeutics") and its wholly-owned subsidiary, Morocco Acquisition LLC ("Morocco"), entered into a Stock and Asset Purchase Agreement with Magellan Pharmacy Services, Inc., the Pharmacy's direct owner, and certain of its affiliates (the "Purchase Agreement"). Pursuant to the Purchase Agreement, on 12/2/2022 (the "Closing"), Morocco acquired 100% of the outstanding stock of the Pharmacy (the "Transaction"). Effective as of the Closing, Morocco is the new direct owner of the Pharmacy and Prime Therapeutics is the new indirect owner of the Pharmacy, as illustrated by the Pre- and Post-Closing Organizational Structure Charts attached. The Transaction did not result in any change to the Pharmacy's management, personnel, operations, address, or federal tax identification number.

Because the Transaction constitutes a change of ownership that requires a new application, we have enclosed a Pharmacy application.

Additionally, effective as of the Closing, the Pharmacy's officers and directors are as listed below. We note that these individuals previously served as the Pharmacy's officers and directors.

- Mostafa Kamal: President; Board of Managers
- Gaurang Gandhi: Vice President, Pharmacy Operations
- Anthony Palmisano, Jr.: Secretary; Board of Managers
- Kristen Tveit: Vice President; Treasurer

Please let us know if you require the submission of any additional information regarding the officers and directors.

Thank you for your attention to this matter. Should you have any questions, please do not hesitate to contact me via email at pjohns@magellanhealth.com or phone at 410-953-4731.

Sincerely,

Paige Johns, Regulatory and Legal Specialist

Sina Drug, LLC d/b/a Onco360
Disciplinary Action Explanation – Question 3

On July 30, 2018 Sina Drug, LLC Onco360 (Great Neck, NY and Louisville, KY) signed a Consent Agreement with the Maine Board of Pharmacy and paid a Civil Penalty in the amount of $3,000. This disciplinary action was taken against Onco360 for failing on three separate occasions to file a new application with the Maine Board of Pharmacy by registered mail no later than 7 days after a change of pharmacist in charge. Sina Drug, LLC Onco360 (Louisville, KY and Great Neck, NY) Maine's license was not suspended, revoked, or put on probation because of these disciplinary actions. All states were notified, and no other states have acted.

Onco360 implemented a pharmacist in charge policy that is built on the most stringent PIC change requirements. Notifications are made within the specific timeframes. To date, Onco360 has not had any additional disciplinary actions taken against other licenses.

On July 11, 2019 Sina Drug, LLC Onco360 (Louisville, KY) signed a Consent Order and paid an administrative fine in the amount of $1,000 to the Alabama Board of Pharmacy. The Alabama Board of Pharmacy brought this disciplinary action against Onco360 solely as a result of the timely reporting of a consent agreement between Onco360 and the Maine Board of Pharmacy for the failure to file a new application with the Maine Board of Pharmacy by registered mail no later than 7 days after a change of pharmacist in charge. The Alabama Consent Order is reciprocal discipline due to the Maine Consent Agreement signed in July 2018. Sina Drug, LLC Onco360 (Louisville, KY) Alabama's license was not suspended, revoked, or put-on probation as a result of this reciprocal discipline.

Please note the above-mentioned pharmacy locations listed are only connected to this current application submission through a common ownership. The current applicant filing for a non-resident pharmacy permit in Nevada has never been disciplined.

Disciplinary Action Explanation – Question 5

In December 2021, we made a business decision to voluntarily not renew the NC BOP pharmacy permit for our New Hyde Park, NY pharmacy location. We made this business decision based on the limited number of NC patients this pharmacy serviced. We have other pharmacies within our company that hold a NC BOP permit that service these patients going forward.

OSRX, Inc will keep the current Non-Resident location and licensed and operations will continue to include compounding, inventory management, quality assurance, medication fulfillment, final product verification by a licensed pharmacist and shipping. To accommodate our growing staff, we plan to move our existing customer service team into another physical address located within 3 miles.

The two locations will operate using a real time, online, secure software database. The software has the ability to track each processing task, identity of the person performing each task, and the location where each task was performed. All prescriptions entered will be verified by a licensed pharmacist before being filled at our current location. Other duties for pharmacists at this location include allergy screening, patient counseling, verifying prescriptions with prescribers, supervision of technicians, and training technicians. The new location operates from 7am -7pm MST, is secured by an alarm system and employees have access via an electronic badge.

Patient confidentiality and patient safety are protected by sharing our current secure electronic pharmacy software. Each location has access to all electronic pharmacy records and employees communicate across locations by our POE phone system which includes an online portal, and direct transferring of calls to any employee, Microsoft Teams chat and email. The phone, fax and email address is the same at both locations.

All company policies, handbooks, Standard operating procedures are shared. Training is department specific; team instruction is directed by department managers and pharmacists where appropriate. There are no controlled substances at either location at any time. Patients will be notified that processing services may occur at an alternate OSRX location.

Re: Nevada Deficiency Notice

To whom it may concern,

Please find attached documentation regarding the citation and fine for Nurx Inc., the parent company of Propel Pharmacy, LLC in the state of California. A narrative is provided below. Let us know if anything additional is needed.

- Applicant does not believe that the matter described herein is responsive to the question; however, in an abundance of caution, Applicant is disclosing an administrative citation linked to an affiliate company that is not a pharmacy. An administrative citation was issued by the California Board of Pharmacy on Dec. 30, 2019 to the non-pharmacy affiliate company for activity, which ceased in or about June of 2018 and took place under prior management. Attached citation and evidence of payment of fine are attached

Sincerely,

Erica Durant

The attached Citation and Fine, ("Citation") is being issued pursuant to Business and Professions Code section 125.9 and California Code of Regulations, title 16, section 1775 et. seq., for violations of the laws and regulations that govern the practice of pharmacy in California. (For exact language refer to the California Pharmacy Law and Index, located on the Board's web site, at www.pharmacy.ca.gov, under Pharmacy Law and Regulation).

The attached Citation references the specific statutes and regulations violated, defines each violation charged and specifies any fine(s) assessed. The attached Citation details the conduct that resulted in the issuance of the Citation.

- January 29, 2020: Unless the Citation is contested payment of fine(s) must be received by the Board.
- January 13, 2020: Any contest of the Citation by request for an informal Office Conference must be received by the Board.
- January 29, 2020: Any contest of the Citation by request for a formal Appeal must be received by the Board.

Payment in full of the fine(s) assessed shall be represented as a satisfactory resolution of the matter in any public disclosure. (Business and Professions Code section 125.9; California Code of Regulations section 1775).

Additionally, if, at the time of license renewal, the Board has not received full payment of assessed fine(s) and a request to contest the Citation has not been received within the time frames specified, the license shall not be renewed until the assessed fine(s) and renewal fee/s are paid in full.

A license shall be required for each pharmacy owned or operated by a specific person. A separate license shall be required for each of the premises of any person operating a pharmacy in more than one location. The license shall be renewed annually. The board may, by regulation, determine the circumstances under which a license may be transferred. As related to Business and Professions Code 148 stating any board, bureau, or commission within the department may, in addition to the administrative citation system authorized by Section 125.9, also establish, by regulation, a similar system for the issuance of an administrative citation to an unlicensed person who is acting in the capacity of a licensee or registrant under the jurisdiction of that board, bureau, or commission. The administrative citation system authorized by this section shall meet the requirements of Section 125.9 and may not be applied to an unlicensed person who is otherwise exempted from the provisions of the applicable licensing act. Case No. 2022-PHA-18339	)	

PARTIES

This document is a Consent Agreement regarding the pending application of Tabula Rasa Healthcare Group, Inc. for the renewal of its mail order prescription pharmacy license. The parties to this Consent Agreement are: Tabula Rasa Healthcare Group, Inc. dba MedWiseRx ("MedWiseRx"), the Maine Board of Pharmacy ("the Board"), and the Office of the Maine Attorney General ("the Attorney General"). This Consent Agreement is entered into pursuant to 10 M.R.S. § 8003(5-A).

STATEMENT OF FACTS

1. Since December 7, 2020, MedWiseRx has been licensed in Maine as a mail order prescription pharmacy with a registered location of 2815 NW Thirteenth Street, Suite 204, Gainesville, Florida, (license number **MO40002892**).

2. On June 17, 2021, the Colorado State Board of Pharmacy imposed discipline against MedWiseRx's registration (Registration No. OSP-0007357) in case number 2020-8236.

3. MedWiseRx then failed to report the Colorado disciplinary action to the Board within 10 days as required by 10 M.R.S. § 8003-G(2)(C).

4. On November 29, 2021, MedWiseRx submitted a renewal application to the Board and reported for the first time that its permit had been disciplined by the Colorado State Board of Pharmacy.

5. Pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C), the Board may deny, refuse to renew, suspend, or revoke a license and impose other discipline for failing to report a license disciplinary action to the Board within 10 days of that action.

6. At its meeting on December 1, 2022, the Board reviewed the above information and voted to preliminarily deny MedWiseRx's application for renewal of its license to be a mail order prescription pharmacy. In lieu of the denial, the Board also voted to offer MedWiseRx this Consent Agreement. Unless MedWiseRx either requests, in writing, a hearing regarding the appeal of the preliminary denial within thirty (30) days of receipt of the Notice of Preliminary Denial, or accepts this Consent Agreement by signing and dating it and returning it to Maine Board of Pharmacy, Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, Maine 04333-0035, by **January 5, 2023,** the preliminary denial of MedWiseRx's application for licensure as a mail order prescription pharmacy will become final.

COVENANTS

7. MedWiseRx admits to the facts above and admits that such conduct constitutes grounds for denial of or refusal to renew its license and for the imposition of discipline pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C) for failing to report a disciplinary action taken against a licensee in another jurisdiction within 10 days after the action was taken.

8. As discipline for the violation admitted to in paragraph 7 above, MedWiseRx agrees to accept the following DISCIPLINARY ACTION:

a) A REPRIMAND; and

b) A CIVIL PENALTY in the amount of five hundred dollars ($500.00), payment of which shall be made to the "Treasurer, State of Maine" and delivered to Maine Board of Pharmacy, Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, Maine 04333-0035, and must be submitted with the signed Consent Agreement.

9. Violation of any of the terms or conditions of this Consent Agreement by MedWiseRx shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of licensure or re-licensure.

10. The Board and MedWiseRx agree that no further agency action will be initiated against its license by the Board based upon the specific violations admitted to herein, except or unless MedWiseRx fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct if other allegations are brought against MedWiseRx, and this Consent Agreement will be admitted into evidence in any future adjudicatory hearing involving MedWiseRx. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining appropriate discipline in any further complaints against MedWiseRx.

11. This Consent Agreement is not appealable and is effective until modified or terminated by the parties hereto.

12. The Board and the Attorney General may communicate and cooperate regarding any matter related to this Consent Agreement.

13. Upon receipt of the signed Consent Agreement and payment of the civil penalty payment, the Board will renew MedWiseRx's license contingent upon it meeting all other eligibility criteria.

14. This Consent Agreement is a public record within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408-A.

15. Nothing in this Consent Agreement shall be construed to affect any right or interest of any person not a party hereto.

16. This Consent Agreement may be signed in counterparts, with all counterparts together constituting one original instrument. Signatures below may be applied and/or saved electronically, and such electronic signatures will be given the same effect as a paper document signed in ink.

17. MedWiseRx acknowledges by its duly authorized representative's signature hereto that it has had an opportunity to consult with an attorney before executing this Consent Agreement, that it executes this Consent Agreement voluntarily, and that it agrees to abide by all terms and conditions set forth herein.

Case No. 2022-PHA-18278	)	

PARTIES

This document is a Consent Agreement regarding disciplinary action against the mail order prescription pharmacy license of Tabula Rasa Healthcare Group Inc. dba MedWiseRx ("MedWiseRx") in the State of Maine. The parties to this Consent Agreement are: MedWiseRx, the Maine Board of Pharmacy ("the Board"), and the Maine Office of the Attorney General ("the Attorney General"). This Consent Agreement is entered into pursuant to 10 M.R.S. § 8003(5-A).

FACTS

1. At all times relevant to this matter, MedWiseRx was licensed by the Board as a mail order prescription pharmacy, license no. MO40003037 located at 2202 N Forbes Boulevard, Suite 252, Tucson, Arizona.

2. On December 9, 2021, Martin Frederick Pelger replaced Kwyn A. Morales as the pharmacist in charge ("PIC") of MedWiseRx, thereby requiring MedWiseRx to submit a Change of PIC application to the Board within 10 days after the PIC change.

3. MedWiseRx, however, did not file a change of PIC application with the Board until December 28, 2021.

4. On November 14, 2022, Board Administrator, Geraldine Betts, filed an administrative complaint with the Board alleging that MedWiseRx had failed to file a timely change of PIC application.

5. This administrative complaint was docketed as Case No. 2022-PHA-18278.

6. Under Board Rules Chapter 11, § 3, upon a change of PIC, a mail order prescription pharmacy must file a new application with the Board by registered mail no later than seven (7) days after the change.

7. Pursuant to the Board's delegation of authority dated November 9, 2020, which authorizes Board Staff to offer prescribed consent agreements to resolve first-time violations of PIC change notification requirements, this Consent Agreement is being offered to finally resolve Case No. 2022-PHA-18278.

8. Absent acceptance of this Consent Agreement by signing and dating it and returning it to Maine Board of Pharmacy, Complaints Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, Maine 04333-0035 by **December 14, 2022,** the Board will resolve this matter by holding an adjudicatory hearing.

COVENANTS

9. MedWiseRx admits to the facts as stated above and admits that such conduct constitutes grounds for discipline pursuant to 10 M.R.S. § 8003(5-A)(A)(5) for violating a rule of the Board, specifically Board Rules Chapter 11, § 3, by failing to file a new application with the Board by registered mail no later than 7 days after a change of PIC.

10. As DISCIPLINE for the violation admitted to in paragraph 9 above, MedWiseRx agrees to accept the imposition of:

a. A WARNING; and

b. A CIVIL PENALTY in the amount of five hundred dollars ($500.00). Payment of the civil penalty shall be made by check or money order payable to the "Treasurer, State of Maine" and delivered to Maine Board of Pharmacy, Compliance Division, Office of Professional and Occupational Regulation, 35

State House Station, Augusta, Maine 04333, and must be submitted with the signed Consent Agreement.

11. This Consent Agreement is not appealable and is effective until modified or terminated by the parties hereto.

12. Violation of any of the terms or conditions of this Consent Agreement by MedWiseRx shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of licensure or re-licensure.

13. The Board and the Office of the Attorney General may communicate and cooperate regarding any matter related to this Consent Agreement.

14. This Consent Agreement is a public record within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408-A.

15. Nothing in this Consent Agreement shall be construed to affect any right or interest of any person not a party hereto.

16. The Board and MedWiseRx agree that no further agency action will be initiated against MedWiseRx's license by the Board based upon the specific violations admitted to herein, except or unless MedWiseRx fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct in the event that other allegations are brought against MedWiseRx, and this Consent Agreement will be introduced as evidence in any future adjudicatory hearing involving MedWiseRx. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining discipline in any further complaints against MedWiseRx.

17. This Consent Agreement may be signed in counterparts, with all counterparts together constituting one original instrument. Signatures below may be applied and/or saved

electronically, and such electronic signatures will be given the same effect as a paper document signed in ink.

16. The Board and Thermacom agree that no further agency action will be initiated against Thermacom's license by the Board based upon the specific violations admitted to herein, except or unless Thermacom fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct in the event that other allegations are brought against Thermacom. Statement of Disciplinary Action

Kentucky Board of Pharmacy
Agreed Order 18-0386A
February 19, 2020
Lic # P07549

The following is a statement explaining the events surrounding a disciplinary action against TheraCom's Kentucky home state mail order license. A copy of the agreed order between IHS Acquisition XXX, Inc. d/b/a TheraCom and the Kentucky Board of Pharmacy ("Agreed Order") is attached for reference and reflects the explanation provided below.

The Kentucky Board of Pharmacy ("KYBOP") received a complaint from a prescriber office alleging that three patients from that office did not receive medication from TheraCom in a timely manner, resulting in those patients going without medication anywhere from several days to several weeks. The KYBOP charged that TheraCom engaged in unprofessional or unethical conduct by failing to dispense a medication in a timely manner.

TheraCom manages the patient assistance program and dispenses Eliquis on behalf of Bristol-Meyers Squibb (the "Program"). In 2017, Bristol-Myers Squibb notified TheraCom that it decided not to renew the Program contract. As a result, TheraCom began to transfer all active Eliquis patient files to Complete Care Pharmacy, LLC ("Complete Care"). TheraCom retained approximately 3,700 patient files that were in flux or being processed by TheraCom with the plan of transferring them as a "lag file." Also, in preparation for the Program transfer, TheraCom sent patients their refills up to two weeks early, in an effort to avoid treatment delays by ensuring patients had Eliquis on hand to avoid delays in treatment and to allow Complete Care some transition time. It became immediately clear to Bristol-Myers Squibb that Complete Care did not have the infrastructure or experience necessary to manage the Eliquis patient assistance program. Within days of the initial transfer to Complete Care, Bristol-Meyers Squibb contacted TheraCom to request assistance, noting dire concerns with program viability and patients' ability to receive medication with Complete Care. Bristol-Meyers Squibb specifically requested TheraCom not to transfer the lag file as Complete Care was unable to process the volume and Bristol-Meyers Squibb was concerned that patients were going without and would not receive their medication in a timely manner. The issues continued until Bristol-Myers Squibb requested that TheraCom resume control and operation of the Program. Because of TheraCom's size and experience, patient assistance programs of this magnitude typically take TheraCom 90-120 days to operationalize. Patients were already delayed in

receiving their medication from Complete Care, so TheraCom did not have the luxury of a typical operations timeline to re-implement the Program. Over the course of the following month, Complete Care transferred nearly 25,000 Eliquis prescriptions back to TheraCom. However, during the six-month period between receiving notice of non-renewal and contract termination, TheraCom wound down the Program by reducing, relocating and reassigning Program personnel. The Program had been effectively dismantled and now needed to be rebuilt, nearly overnight. Once TheraCom agreed to resume the Program, it promptly reallocated and rehired over 200 employees to assist with the Program. Unfortunately, the prescription volume was too significant for the short transition period. Though well intentioned to promptly provide therapy to patients in flux after Complete Care, TheraCom found itself in an unexpected and uncharted situation of being challenged to handle the volume of prescriptions and simultaneously rebuild the Program.

TheraCom accepted responsibility and acknowledged that several patients experienced delays in receiving their Eliquis refills following the transition period. The Program had been dismantled, and despite TheraCom's best efforts to reassemble the Program in less than a month, these patients experienced delays. Once contacted by the KYBOP, TheraCom's pharmacist-in-charge conducted an investigation and provided a root cause analysis. He identified several issues that contributed to the delay or were exacerbated by the large transfer volume, including a software glitch and gap in personnel training during the rapid expansion. Each of these contributing factors has been corrected. The events were an anomaly directly attributable to a rapid transition of nearly 25,000 prescriptions while the Program was being resurrected. In the five years prior to the transition, TheraCom operated the Program without any similar delays or issues. In retrospect, TheraCom would have spaced the file transfer over a longer period of time to allow sufficient time to re-engage personnel and Program assets. However, TheraCom's desire to assist patients with limited or no other means to obtain Eliquis caused them to reinstate the Program before they were fully ready. To TheraCom's knowledge, no additional patient delays have occurred since the Program was fully transitioned and operationalized.

COMMONWEALTH OF KENTUCKY
KENTUCKY BOARD OF PHARMACY
Case No. 18-0386A

IN RE: Permit No. P07549 held by IHS ACQUISITION XXX INC

Agreed Order

Come the parties, the Kentucky Board of Pharmacy ("Board") and IHS Acquisition XXX, Inc. d/b/a TheraCom ("Respondent"), and both having been fully informed regarding the matter set forth herein, stateas follows:

(1) Pursuant to Chapter 315 of the Kentucky Revised Statutes, the Board is authorized to regulate and control matters related to pharmacies.

(2) Respondent is a pharmacy licensed by the Board and is located at 345 International Boulevard, Suite 200, Brooks, Kentucky 40109, having been assigned permit no. P07549.

(3) (a) On or about November 1, 2018, the Board office received a complaint from a prescriber's office that a few of her patients were having difficulty receiving blood thinner medication in a timely manner without notification of the delay to the patients or prescribers resulting in the patients doing without the medication.

(b) The Board's investigation revealed there were at least three patients that did not receive the medication in a timely manner resulting in the patients doing without the medication anywhere from several days to several weeks.

(c) Respondent manages the patient assistance program and dispenses blood-thinning medication on behalf of the manufacturer (the "Program"). The Program provides free medication to patients without adequate insurance coverage and who have a yearly income at or below 300% of the federal poverty level.

(d) In November 2017, the manufacturer provided notice not to renew the Program contract upon its expiration on April 30, 2018. As a result, during the six month period between receiving notice of non-renewal and contract termination, Respondent wound

down the Program by reducing, relocating and reassigning Program personnel.

(e) On April 27, 2018, Respondent transferred nearly all active Program patient files to the new pharmacy selected by the manufacturer.

(f) The new pharmacy was unable to manage the Program and in less than a month, the manufacturer requested that Respondent resume operation and control of the Program.

(g) Respondent promptly reengaged the Program, re-hired personnel and redeployed assets.

(h) Knowing the critical nature of the medication to its patients, Respondent agreed to resume the Program before it was able to fully reestablish the Program.

(i) Several patients experienced delays while Respondent was reestablishing the Program.

(j) Once the Program was fully operational and reestablished, no additional patient issues or delays have occurred.

(k) The above action subjects the Respondent to discipline pursuant to KRS 315.121(1)(a) for delaying care.

(4) The Board and Respondent have agreed to address this matter by entering into this Agreed Order, in lieu of the filing of a formal Complaint.

WHEREFORE, IT IS HEREBY AGREED AND ORDERED THAT:

(a) Respondent shall be fined $6,000.000 for delaying care, payable by March 1, 2020. Respondents check shall be made payable to the Kentucky State Treasurer and sent to the Kentucky Board of Pharmacy, 125 Holmes Street, Suite 300, State Office Building Annex, Frankfort, Kentucky, 40601.

(b) By entering into this Agreed Order, Respondent expressly acknowledges that it was fully and completely informed of its right to due process, that it fully understands those rights, and that it knowingly, voluntarily, and willingly agrees to waive those rights and to enter into this Agreed Order.

(c) The above information shall be reported to the National Association of Boards of Pharmacy ("NABP"), and is subject to disclosure under the Kentucky Open Records Act.

This document is a Consent Agreement regarding disciplinary action against the mail order pharmacy license of IHS Acquisition XXX, Inc. in the State of Maine. The parties to this Consent Agreement are: IHS Acquisition XXX, Inc. d/b/a Thermacom ("Thermacom"), the Maine Board of Pharmacy ("the Board"), and the Maine Office of the Attorney General ("the Attorney General"). This Consent Agreement is entered into pursuant to 10 M.R.S. § 8003(5-A).

FACTS

1. At all times relevant to this matter, Thermacom was licensed by the Board as a mail order pharmacy, license no. MO40001463, located at 345 International Boulevard, Suite 200, Brooks, Kentucky.
2. On November 21, 2016, Jack McGuire replaced William Chauvin as the pharmacist in charge ("PIC") of Thermacom, thereby requiring Thermacom to submit a Change of PIC application to the Board within 7 days after the PIC change.
3. Thermacom, however, did not file a change of PIC application with the Board until January 6, 2017.
4. On January 10, 2018, Senior Consumer Assistant Specialist Meagan Damon, filed an administrative complaint with the Board alleging that Thermacom had failed to file a timely change of PIC application.

6. Under Board Rules Chapter 11, § 3, upon a change of PIC, a mail order pharmacy must file a new application with the Board by registered mail no later than seven (7) days after the change.

7. Pursuant to the Board's general delegation of authority dated October 6, 2016, which authorizes Board Staff to offer prescribed consent agreements to resolve first-time violations of PIC change notification requirements, this Consent Agreement is being offered to finally resolve Complaint No. 2017-PHA-13809.

8. Absent acceptance of this Consent Agreement by signing and dating it and returning it to Maine Board of Pharmacy, Complaints Division, Department of Professional and Financial Regulation, 35 State House Station, Augusta, Maine 04333-0035 by February 10, 2018, the Board will resolve this matter by holding an adjudicatory hearing.

COVENANTS

9. Thermacom admits to the facts as stated above and admits that such conduct constitutes grounds for discipline pursuant to 10 M.R.S. § 8003(5-A)(A)(5) for violating a rule of the Board, specifically Board Rules Chapter 11, § 3, by failing to file a new application with the Board by registered mail no later than 7 days after a change of PIC.

10. As DISCIPLINE for the violation admitted to in paragraph 9 above, Thermacom agrees to accept the imposition of:

    a. A WARNING; and

    b. A CIVIL PENALTY in the amount of one thousand five hundred dollars ($1500.00). Payment of the civil penalty shall be made by check or money order payable to the "Treasurer, State of Maine" and delivered to the Complaints Division, Department of

Professional and Financial Regulation, 35 State House Station, Augusta, Maine 04333, and must be submitted with the signed Consent Agreement.

11. This Consent Agreement is not appealable and is effective until modified or terminated by the parties hereto.

12. Violation of any of the terms or conditions of this Consent Agreement by Thermacom shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of licensure or re-licensure.

13. The Board and the Office of the Attorney General may communicate and cooperate regarding any matter related to this Consent Agreement.

14. This Consent Agreement is a public record within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408-A.

15. Nothing in this Consent Agreement shall be construed to affect any right or interest of any person not a party hereto.

16. The Board and Thermacom agree that no further agency action will be initiated against Thermacom's license by the Board based upon the specific violations admitted to herein, except or unless Thermacom fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct in the event that other allegations are brought against Thermacom. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining discipline in any further complaints against Thermacom.

17. Thermacom acknowledges by its duly authorized representative's signature hereto that it has had an opportunity to consult with an attorney before executing this Consent Agreement, that it executes this Consent Agreement voluntarily, and that it agrees to abide by all terms and conditions set forth herein.

KENTUCKY BOARD OF PHARMACY
Case No. 18-0386A

IN RE: Permit No. P07549 held by IHS ACQUISITION XXX INC

Agreed Order

Come the parties, the Kentucky Board of Pharmacy ("Board") and IHS Acquisition XXX, Inc. d/b/a TheraCom ("Respondent"), and both having been fully informed regarding the matter set forth herein, stateas follows:

(1) Pursuant to Chapter 315 of the Kentucky Revised Statutes, the Board is authorized to regulate and control matters related to pharmacies.

(2) Respondent is a pharmacy licensed by the Board and is located at 345 International Boulevard, Suite 200, Brooks, Kentucky 40109, having been assigned permit no. P07549.

(3) (a) On or about November 1, 2018, the Board office received a complaint from a prescriber's office that a few of her patients were having difficulty receiving blood thinner medication in a timely manner without notification of the delay to the patients or prescribers resulting in the patients doing without the medication.

(b) The Board's investigation revealed there were at least three patients that did not receive the medication in a timely manner resulting in the patients doing without the medication anywhere from several days to several weeks.

(c) Respondent manages the patient assistance program and dispenses blood-thinning medication on behalf of the manufacturer (the "Program"). The Program provides free medication to patients without adequate insurance coverage and who have a yearly income at or below 300% of the federal poverty level.

(d) In November 2017, the manufacturer provided notice not to renew the Program contract upon its expiration on April 30, 2018. As a result, during the six month period between receiving notice of non-renewal and contract termination, Respondent wound

EXHIBIT "2"

down the Program by reducing, relocating and reassigning Program personnel.

(e) On April 27, 2018, Respondent transferred nearly all active Program patient files to the new pharmacy selected by the manufacturer.

(f) The new pharmacy was unable to manage the Program and in less than a month, the manufacturer requested that Respondent resume operation and control of the Program.

(g) Respondent promptly reengaged the Program, re-hired personnel and redeployed assets.

(h) Knowing the critical nature of the medication to its patients, Respondent agreed to resume the Program before it was able to fully reestablish the Program.

(i) Several patients experienced delays while Respondent was reestablishing the Program.

(j) Once the Program was fully operational and reestablished, no additional patient issues or delays have occurred.

(k) The above action subjects the Respondent to discipline pursuant to KRS 315.121(1)(a) for delaying care.

(4) The Board and Respondent have agreed to address this matter by entering into this Agreed Order, in lieu of the filing of a formal Complaint.

APR 24 2020

WHEREFORE, IT IS HEREBY AGREED AND ORDERED THAT:

(a) Respondent shall be fined $6,000.000 for delaying care, payable by March 1, 2020. Respondents check shall be made payable to the Kentucky State Treasurer and sent to the Kentucky Board of Pharmacy, 125 Holmes Street, Suite 300, State Office Building Annex, Frankfort, Kentucky, 40601.

(b) By entering into this Agreed Order, Respondent expressly acknowledges that it was fully and completely informed of its right to due process, that it fully understands those rights, and that it knowingly, voluntarily, and willingly agrees to waive those rights and to enter into this Agreed Order.

(c) The above information shall be reported to the National Association of Boards of Pharmacy ("NABP"), and is subject to disclosure under the Kentucky Open Records Act.

Section 11: Managing Pharmacist Personal and Professional History 3/4

Esteemed Board:

I have attached my agreed order from my resident state of Kentucky. In last December of 2015, the pharmacy I was designated Pharmacist in Charge was Commons Community Pharmacy. Our pharmacy underwent an expansion where the boundary of our pharmacy as significantly expanded. I sent a faxed notification to the Kentucky Board of Pharmacy to notify them of the expansion. However, this notification was too vague, and I was required to fill out a form, pay a fee and wait for a board inspection; all of which, I was unaware. We began using this space in mid-February prior to the completion of any of these steps.

Ultimately, our unauthorized expansion was discovered upon our next board inspection. We had stored medication outside of our previously approved boundaries of our pharmacy. However, the drugs were secure and under a pharmacist supervision. Our expansion was approved after we submitted the correct forms, fees and the completion our appropriate board of pharmacy inspection. The Kentucky Board of pharmacy did not require us to make any changes to the expanded space upon their inspection.

This procedural error resulted in an agreed order. This order has been accepted, paid and finalized by the acceptance of the Kentucky Board of Pharmacy. My license is still in good standing with the board of pharmacy. I am now extremely detailed in the completion of any form or procedure required by any board of pharmacy.

Please contact me if you require any additional information.

This Amendment No. 11 to Schedule 13D (this "**Amendment No. 11**") amends and supplements the Schedule 13D (the "**Schedule 13D**") relating to the common stock, $0.01 par value per share ("**Common Stock**"), of AmerisourceBergen Corporation, a Delaware corporation (the "**Issuer**"), originally filed with the Securities and Exchange Commission (the "**SEC**") on April 15, 2014, as amended by Amendment No. 1 thereto filed on January 16, 2015, Amendment No. 2 thereto filed on January 25, 2016, Amendment No. 3 thereto filed on March 22, 2016, Amendment No. 4 thereto filed on August 25, 2016, Amendment No. 5 thereto filed on November 14, 2016, Amendment No. 6 thereto filed on January 6, 2021, Amendment No. 7 thereto filed on June 3, 2021, Amendment No. 8 thereto filed on May 12, 2022, Amendment No. 9 thereto filed on August 4, 2022 and Amendment No. 10 thereto filed on November 9, 2022. Terms used but not defined in this Amendment No. 11 have the respective meanings given to such terms in the original Schedule 13D, as previously amended.

Item 2. Identity and Background.

Item 2 is amended and supplemented as follows:

This Amendment No. 11 is being filed by: (i) Walgreens Boots Alliance Holdings LLC, a Delaware limited liability company ("**WBA Holdings**") (f/k/a WAB Holdings LLC); (ii) WBA Investments, Inc., a Delaware corporation ("**WBA Investments**"); and (iii) Walgreens Boots Alliance, Inc., a Delaware corporation ("**WBA**"). WBA Holdings, WBA Investments and WBA are collectively referred to as the "**Reporting Persons**."

WBA Holdings was formed solely for the purpose of investing in the Issuer. All of the shares of Common Stock reported as beneficially owned by any Reporting Person in this Schedule 13D are held by WBA Holdings. WBA Holdings is a wholly owned subsidiary of WBA Investments. WBA Investments is a wholly owned subsidiary of WBA. WBA, together with its subsidiaries, including the Reporting Persons, is a global pharmacy-led, health and wellbeing enterprise.

The principal business office of each of the Reporting Persons is: c/o Walgreens Boots Alliance, Inc., 108 Wilmot Road, Deerfield, Illinois 60015.

Attached as Annex A hereto and incorporated herein by reference is a list containing the (a) name, (b) residence or business address, (c) present principal occupation or employment and the name, principal business address of any corporation or other organization in which such employment is conducted, and (d) citizenship, in each case, of each director and executive officer of the Reporting Persons, as applicable.

During the last five years, each Reporting Person and, to the knowledge of such Reporting Person, each person listed in Annex A with respect to such Reporting Person, has not been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors) and has not been a party to a civil proceeding of any judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding of any violation with respect to such laws.

Item 4. Purpose of Transaction.

Item 4 is amended and supplemented as follows by adding the following:

December 2022 Sale

On December 8, 2022, WBA Holdings sold 4,750,000 shares of the outstanding common stock, par value $0.01 per share, of the Issuer (the "Common Stock") in an unregistered block trade pursuant to Rule 144 under the Securities Act of 1933 (the "December 2022 Sale"), representing approximately 2.35% of the outstanding Common Stock after giving effect to the December 2022 Sale and concurrent share repurchase described below (as represented by the Issuer in its Current Report on Form 8-K filed on December 12, 2022).

In addition, the Issuer and WBA Holdings concurrently entered into a share repurchase agreement (the "Share Repurchase Agreement") whereby the Issuer repurchased directly from WBA Holdings 1,211,534 shares of the Common Stock at a price per share equal to the price for the December 2022 Sale.

The December 2022 Sale and the concurrent share repurchase are part of WBA's efforts to continue to optimize its capital allocation to continue to support strategic initiatives and reduce indebtedness.

From time to time, WBA undertakes a review of its strategic and capital allocation priorities. As part of this review, WBA may effect one or more further sales of Common Stock. Any such sales, which may be undertaken at any time without further notice, may take a number of forms, including registered public offerings effected pursuant to WBA's registration rights under the A&R Shareholders Agreement (which offerings may be underwritten and/or marketed), unregistered or registered block trades, unregistered market or private sales, pledges, hedges, forward sales and other derivative transactions.

Decisions to effect any such sales, as well as the size and timing thereof, are also subject to a number of factors outside of the control of WBA, including current and anticipated future trading prices of the shares of Common Stock or other securities of the Issuer, the financial condition, results of operations and prospects of the Issuer and general economic, financial market and industry conditions, other investment and/or business opportunities available to the Reporting Persons, strategic considerations in respect of the Reporting Persons, general stock market and economic conditions, tax considerations and other factors. WBA will periodically consider such sales opportunistically based on such factors and, as a result, the ultimate number of shares of Common Stock that may be sold by WBA, if any, is not ascertainable.

After the December 2022 Sale and concurrent share repurchase, WBA does not intend to make future sales of Common Stock of the Issuer until at least the next open trading window of the Issuer.

All existing commercial agreements between WBA and the Issuer (including the US pharmaceutical distribution agreement), as well as the A&R Shareholders Agreement, remain in full force and effect in accordance with their respective terms.

Ornella Barra remains a director of the Issuer. It is currently expected that Ms. Barra (or another designee of WBA) will remain a director of the Issuer unless and until the occurrence of a Walgreens Investor Rights Termination Event (as defined in the A&R Shareholders Agreement).

The foregoing summary of the Share Repurchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Share Repurchase Agreement, a copy of which is attached hereto as Exhibit 99.18 and is incorporated herein by reference.

Item 5. Interest in Securities of the Issuer.

Item 5 is amended and supplemented as follows:

(a) and (b). The ownership percentages set forth below are based on 202,078,436 shares of Common Stock outstanding after giving effect to the December 2022 Sale and the concurrent share repurchase (as represented by the Issuer in its Current Report on Form 8-K filed on December 12, 2022). WBA Holdings may be deemed to beneficially own 33,659,180 shares of Common Stock, representing approximately 16.73%* of the total number of shares of Common Stock outstanding, as of the filing of this Amendment No. 11.

By virtue of relationships reported in Item 2, each of WBA Investments and WBA may be deemed to share the power to vote or direct to vote or to direct the voting of, and to dispose of or to direct the disposition of and, accordingly, may be deemed to beneficially own the 33,659,180 shares of Common Stock held by WBA Holdings, representing approximately 16.73%* of the total number of shares of Common Stock outstanding, as of the filing of this Amendment No. 11.

Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission by any Reporting Person (other than WBA Holdings) that it is the beneficial owner of any shares of Common Stock for purposes of Section 13(d) of the Exchange Act, or for any other purpose, and such beneficial ownership is expressly disclaimed.

(c) With respect to each Reporting Person, such Reporting Person and, to the knowledge of such Reporting Person, the persons listed in Annex A hereto with respect to such Reporting Person, have not effected any transaction in shares of Common Stock in the past 60 days.

(d) Other than WBA and its subsidiaries, including WBA Holdings and WBA Investments and the persons listed in Annex A hereto with respect thereto, no other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of the shares of Common Stock covered by this Schedule 13D.

(e) Not applicable.

RE: Letter of explanation describing State of Maine BOP Reprimand.

Dear State Board of Pharmacy,

Truax Patient Services (TPS) failed to apply for a license within 7 days prior to change of location for the Maine BOP out of state license. I (Brian Truax PIC) did not realize TPS's noncompliance. It is my job to make sure of compliance and I missed it. TPS continued to mail prescriptions to the state of Maine without proper licensure. TPS agreed to reprimand and paid fine. The Maine BOP approved the TPS change of location/new out of state licensure application and TPS is currently licensed in the state of Maine.

Thank you for your consideration,

Brian Truax RPh/PIC

Re: NOTICE OF PRELIMINARY DENIAL (MO 40002380) 2018-PHA-14737

Dear Mr. Truax:

At its meeting on June 7, 2018, the Maine Board of Pharmacy ("the Board") reviewed your initial application for mail order pharmacy license, which was submitted on March 12, 2018. The Board voted to preliminarily deny this application based upon your apparent violation of 32 M.R.S. § 13751 (1) by failing to obtain an active license prior to shipping prescription drugs to Maine. You have reported making twenty (20) shipments to Maine during the period of January 15, 2018, to April 18, 2018. Pursuant to 10 MRS § 8003 (5-A)(A)(1) misrepresentation in obtaining a license specifically a misrepresentation was made in an amended application page you provided on March 20, 2018 indicating the change of location occurred on March 2, 2018.

In lieu of denying your pending application outright, the Board voted to offer you a consent agreement as a means to resolve this issue without an adjudicatory hearing. A consent agreement is a voluntary, negotiated agreement among you, the Board and the Office of the Attorney General. The terms of the consent agreement are spelled out in the enclosed Consent Agreement.

If you do not want to sign the Consent Agreement, by law, you have the right to request a hearing to contest the Board's preliminary denial of your application for licensure. If you wish to request a hearing regarding the preliminary denial of your application, you must do so **within thirty (30) days of receipt of this letter** by submitting a written request to the Maine Board of Pharmacy, Department of Professional and Financial Regulation, 35 State House Station, Augusta, ME 04333. **If you fail to submit a timely written request for hearing to the Board and fail to sign**

BT 8/10/18

COVENANTS

10. Truax admits to the facts as stated above and admits that such conduct constitutes grounds for discipline as follows:

    a. Pursuant to 10 M.R.S. § 8003(5-A)(A)(4) for violating a governing law of the Board, specifically 32 M.R.S. § 13751(1) by repeatedly making shipments of pharmaceutical drugs into Maine from a location that was not properly licensed by the Board as a mail order pharmacy;

BT 8/10/18

unless Truax fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct in the event that other allegations are brought against Truax and this Consent Agreement will be admitted into evidence at any future adjudicatory hearings involving Truax. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining discipline in any further complaints against Truax.

Re: Emergency Notice of Change for Truax Patient Services, LLC - #PH02866

Dear Authority,

Please be advised of the following emergency change for Truax Patient Services, LLC ("TPS").

We are saddened to update the agency of the passing of my father, Brian Truax, on December 30, 2022. Brian was the sole member of the LLC holding the pharmacy's license.

The Minnesota Board has advised that although the circumstances of my father's passing require a change in ownership application under Minnesota law, the Board will exercise its enforcement discretion regarding the timing of this application. Accordingly, the Board advised that TPS' previous license remain in effect and valid such that TPS may continue operations without interrupting patient care. The Minnesota Board has approved the change of ownership application for TPS, effective March 15, 2023. During the interim "pre-approval" period, the LLC was managed by Brian's estate attorney in collaboration with its future owner, Amy Truax, and the licensed pharmacy operations will be managed by licensed professionals employed by the pharmacy.

Additionally, the Minnesota Board has approved TPS' change of pharmacist-in-charge.

Thank you in advance for your time and consideration. If you have any questions or concerns upon reviewing the application, please do not hesitate to contact us at compliance.truax@gmail.com.

Very truly yours,
Tyler Truax
VP of Operations

Re: TrustedMedRx Disciplinary Action Summary

Ladies and Gentlemen:

Brown & Fortunato, P.C. has been asked to assist TrustedMedRx, LLC ("TMRx") in preparing its application to the Nevada Board of Pharmacy.

Under the previous ownership, TrustedMedRx, LLC ("TMRx") received the following disciplinary actions:

1. On May 5, 2021, the Alabama State Board of Pharmacy, TMRx, and former TMRx Pharmacist In Charge ("PIC") executed a Consent Order resolving the Board's finding that TMRx failed to notify the Board within 10 days of PIC ceasing to be the Supervising Pharmacist (Alabama defines the PIC as "Supervising Pharmacist"). Pursuant to the Consent Order, TMRx paid an administrative fine of $2,000, and PIC paid an administrative fine of $1,000.

2. On May 19, 2022, the Hawaii Department of Commerce and Consumer Affairs and TMRx executed a Settlement Agreement resolving a finding that TMRx failed to notify the Hawaii Board of Pharmacy within 30 days of the execution of the Consent Order between TMRx and the Alabama State Board of Pharmacy (see item 1. above). Pursuant to the Settlement Agreement, TMRx paid an administrative fine of $1,000.

3. On September 29, 2022, the Maine Board of Pharmacy, the Office of the Maine Attorney General, and TMRx executed a Consent Agreement resolving the Board's findings that (i) TMRx failed to notify the Board within 7 days of a change in the individual designated as the PIC for purposes of TMRx's Maine pharmacy license and (ii) TMRx failed to notify the Board within 10 days of the execution of the Consent Order between TMRx and the Alabama State Board of Pharmacy (see item 1. above). Pursuant to the Consent Agreement, TMRx accepted a reprimand and paid a civil penalty of $1,000.

Complete copies of these actions are attached for your reference.

Please note that the above transpired with previous ownership, supervision, and PIC(s); all of whom have since been replaced. The incoming ownership of TMRx recognizes the importance of, and is committed to, complying with the requirements imposed by all states in which TMRx is licensed, including requirements to notify state licensing agencies of changes or actions taken by other state agencies in a timely manner.

Sincerely,

Colleen T. Byrom

BOARD OF PHARMACY

IN RE:	)	
	)	
TRUSTEDMEDRX, LLC	)	CONSENT AGREEMENT
	)	
Case No. 2022-PHA-18250	)	

PARTIES

This document is a Consent Agreement regarding the pending application of Trustedmedrx, LLC for the renewal of its mail order prescription pharmacy license. The parties to this Consent Agreement are: Trustedmedrx, LLC ("Trustedmedrx"), the Maine Board of Pharmacy ("the Board"), and the Office of the Maine Attorney General ("the Attorney General"). This Consent Agreement is entered into pursuant to 10 M.R.S. § 8003(5-A).

STATEMENT OF FACTS

1. Since September 13, 2019, Trustedmedrx has been licensed in Maine as a mail order prescription pharmacy with a registered location of 1200 S Rogers Circle, Suite 4A, Boca Raton, Florida (license number **MO40002707**).

2. On October 29, 2020, Carline Applys replaced David Levi Steinberg as the pharmacist in charge ("PIC"), thereby requiring Trustedmedrx to submit a change of PIC application to the Board within 7 days after the PIC change.

3. Trustedmedrx, however, did not file a change of PIC application with the Board until November 16, 2021.

4. Under Board Rules Chapter 11, § 3, upon a change of PIC, a mail order prescription pharmacy must file a change of PIC application with the Board by registered mail no later than seven (7) days after the change.

5. On May 5, 2021, the Alabama State Board of Pharmacy entered a consent order with Trustedmedrx that resolved Case No. 20-L-0144 and imposed discipline against Trustedmedrx's Alabama permit (# 114947).

6. Trustedmedrx then failed to report the Alabama disciplinary action to the Board within 10 days as required by 10 M.R.S. § 8003-G(2)(C).

7. On December 13, 2021, Trustedmedrx applied for the renewal of its license and reported to the Board for the first time that the Alabama State Board of Pharmacy had imposed discipline upon Trustedmedrx's Alabama permit.

8. Pursuant to 10 M.R.S. § 8003(5-A)(A)(5) and Board Rules Chapter 11, § 3, the Board may deny, refuse to renew, suspend, or revoke a license and impose other discipline for failing to file a new application with the Board no later than 7 days after the change of PIC.

9. Pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C), the Board may deny, refuse to renew, suspend, or revoke a license and impose other discipline for failing to report a license disciplinary action to the Board within 10 days of that action.

10. At its meeting on September 1, 2022, the Board reviewed the above information and voted to preliminarily deny Trustedmedrx's application for renewal of its license to be a mail order prescription pharmacy. In lieu of the denial, the Board also voted to offer Trustedmedrx this Consent Agreement. Unless Trustedmedrx either requests, in writing, a hearing regarding the appeal of the preliminary denial within thirty (30) days of receipt of the Notice of Preliminary Denial, or accepts this Consent Agreement by signing and dating it and returning it to Maine Board of Pharmacy,

Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, Maine 04333-0035, by October 6, 2022, the preliminary denial of Trustedmedrx's application for renewal of licensure as a mail order prescription pharmacy will become final.

COVENANTS

11. Trustedmedrx admits to the facts above and admits that such conduct constitutes grounds for denial of or refusal to renew its license and for the imposition of discipline as follows:

a. Pursuant to 10 M.R.S. § 8003(5-A)(A)(5) for violating a rule of the Board, specifically Board Rules Chapter 11, § 3 for failing to file a new application with the Board no later than 7 days after a change of PIC; and

b. Pursuant to 10 M.R.S. § 8003(5-A)(A) (11) and 10 M.R.S. § 8003-G(2)(C) for failing to report a disciplinary action taken against a license in another jurisdiction within 10 days after the action was taken.

12. As discipline for the violations admitted to in paragraph 11 above, Trustedmedrx agrees to accept the following DISCIPLINARY ACTION:

a) A REPRIMAND; and

b) A CIVIL PENALTY in the amount of one thousand dollars ($1,000.00), which penalty is comprised of a $500.00 for failing to timely report a PIC change and $500.00 for failing to report discipline within 10 days, payment of which shall be made to the "Treasurer, State of Maine" and delivered to Maine Board of Pharmacy, Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, Maine 04333-0035, and must be submitted with the signed Consent Agreement.

13. Violation of any of the terms or conditions of this Consent Agreement by Trustedmedrx shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of licensure or re-licensure.

14. The Board and Trustedmedrx agree that no further agency action will be initiated against its license by the Board based upon the specific violations admitted to herein, except or unless Trustedmedrx fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct if other allegations are brought against Trustedmedrx, and this Consent Agreement will be admitted into evidence in any future adjudicatory hearing involving Trustedmedrx. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining appropriate discipline in any further complaints against Trustedmedrx.

15. This Consent Agreement is not appealable and is effective until modified or terminated by the parties hereto.

16. The Board and the Attorney General may communicate and cooperate regarding any matter related to this Consent Agreement.

17. Upon receipt of the signed Consent Agreement and the civil penalty payment, the Board will renew Trustedmedrx's license contingent upon it meeting all other eligibility criteria.

18. This Consent Agreement is a public record within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408-A.

19. Nothing in this Consent Agreement shall be construed to affect any right or interest of any person not a party hereto.

20. This Consent Agreement may be signed in counterparts, with all counterparts together constituting one original instrument. Signatures below may be applied and/or saved

electronically, and such electronic signatures will be given the same effect as a paper document signed in ink.

21. Trustedmedrx acknowledges by its duly authorized representative's signature hereto that it has had an opportunity to consult with an attorney before executing this Consent Agreement, that it executes this Consent Agreement voluntarily, and that it agrees to abide by all terms and conditions set forth herein.

11. Respondent acknowledges that upon its approval, this Settlement Agreement constitutes disciplinary action and understands that this Settlement Agreement may be subject to reporting requirements.

12. Respondent understands this Settlement Agreement is public record pursuant to HRS Chapter 92F.

In case of such revocation, Respondent shall turn in all indicia of licensure to the Executive Officer of the Board within ten (10) days after receipt of notice of the revocation. In case of such revocation, Respondent understands Respondent cannot apply for a new permit until the expiration of at least five (5) years after the effective date of the revocation. 7. No Reliance on Representations by RICO. Other than the matters specifically stated in this Settlement Agreement, neither RICO nor anyone acting on its behalf has made any representation of fact, opinion, or promise to Respondent to induce entry into this Settlement Agreement, and Respondent is not relying upon any statement, representation or opinion, or promise made by RICO or any of its agents, employees, representatives, or attorneys concerning the nature, extent or duration of exposure to legal liability arising from the subject matter of this Settlement Agreement or concerning any other matter.

8. Complete Agreement. This Settlement Agreement is a complete settlement of the rights, responsibilities and liabilities of the parties hereto with respect to the subject matter hereof; contains the entire agreement of the parties; and may only be modified, changed or amended by written instrument duly executed by all parties hereto.

Notice of Chapter 11 Bankruptcy Case

10/20

For the debtor listed above, a case has been filed under chapter 11 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtor or the debtor's property. For example, while the stay is in effect, creditors cannot sue, assert a deficiency, repossess property, or otherwise try to collect from the debtor. Creditors cannot demand repayment from the debtor by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

Confirmation of a chapter 11 plan may result in a discharge of debt. A creditor who wants to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadline specified in this notice. (See line 11 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at https://pacer.uscourts.gov).

The staff of the bankruptcy clerk's office cannot give legal advice.

Do not file this notice with any proof of claim or other filing in the case.

7. Proof of claim deadline

Deadline for filing proof of claim: Not yet set. If a deadline is set, notice will be sent at a later time.

A proof of claim is a signed statement describing a creditor's claim. A proof of claim form may be filed either electronically or as a paper document. For more information on how to file a Proof of Claim, visit the court-appointed claims agent's website at https://dm.epiq11.com/case/medlyhealth/info.

Your claim will be allowed in the amount scheduled unless:

- your claim is designated as *disputed*, *contingent*, or *unliquidated*;
- you file a proof of claim in a different amount; or
- you receive another notice.

If your claim is not scheduled or if your claim is designated as *disputed*, *contingent*, or *unliquidated*, you must file a proof of claim or you might not be paid on your claim and you might be unable to vote on a plan. You may file a proof of claim even if your claim is scheduled.

You may review the schedules at the bankruptcy clerk's office or online at https://pacer.uscourts.gov

Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits a creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.

8. Exception to discharge deadline

The bankruptcy clerk's office must receive a complaint and any required filing fee by the following deadline.

If § 523(c) applies to your claim and you seek to have it excepted from discharge, you must start a judicial proceeding by filing a complaint by the deadline stated below.

Deadline for filing the complaint: April 7, 2023

9. Creditors with a foreign address

If you are a creditor receiving notice mailed to a foreign address, you may file a motion asking the court to extend the deadlines in this notice. Consult an attorney familiar with United States bankruptcy law if you have any questions about your rights in this case.

10. Filing a Chapter 11 bankruptcy case

Chapter 11 allows debtors to reorganize or liquidate according to a plan. A plan is not effective unless the court confirms it. You may receive a copy of the plan and a disclosure statement telling you about the plan, and you may have the opportunity to vote on the plan. You will receive notice of the date of the confirmation hearing, and you may object to confirmation of the plan and attend the confirmation hearing. Unless a trustee is serving, the debtor will remain in possession of the property and may continue to operate its business.

11. Discharge of debts

Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See 11 U.S.C. § 1141(d). A discharge means that creditors may never try to collect the debt from the debtor except as provided in the plan. If you want to have a particular debt owed to you excepted from the discharge and § 523(c) applies to your claim, you must start a judicial proceeding by filing a complaint and paying the filing fee in the bankruptcy clerk's office by the deadline.

MOTION FOR FINAL DECREE

iThrive Health, LLC (the "Reorganized Debtor"), by its undersigned counsel, and pursuant to 11 U.S.C. § 350, Federal Rule of Bankruptcy Procedure 3022 and Local Rule 3022-1, hereby files this Motion for Final Decree and for cause states as follows:

1. On December 28, 2020 (the "Petition Date"), the Liquidating Debtor filed with this Court a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

2. On April 30, 2021, the Reorganized Debtor filed Debtor's First Amended Chapter 11 Plan of Reorganization dated April 30, 2021 [Dkt. No. 86] (the "Plan"[1]).

3. The Court entered an order confirming the Plan on July 6, 2021 (the "Confirmation Order," Docket No. 103).

4. Section 350(a) of the Bankruptcy Code provides that after a debtor's estate is fully administered and the court has discharged the trustee, the court shall close the case. 11 U.S.C. § 350. Bankruptcy Rule 3022 sets forth the procedure for the closing of a chapter 11 case and the entry of a final decree and provides that "after an estate is fully administered in a chapter 11 reorganization case, the court, on its own motion or on

[1] All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Plan.

motion of a party in interest, shall enter a final decree closing the case." Fed. R. Bankr. P. 3022.

5. The standard for determining if a debtor's estate has been fully administered and a final decree should issue, is whether the debtor's case has been substantially consummated, as defined in Section 1101(2) of the Bankruptcy Code. In re A. H. Robbins Co., Inc., 219 B.R. 145, 150 (E.D. Va. 1998) citing In re Jordan Mfg. Co. Inc., 138 B.R. 30, 344 (Bankr. C.D. Ill. 1992). Section 1101(2) defines "substantial consummation" as follows:

> (A) transfer of all or substantially all of the property proposed by the plan to be transferred;
>
> (B) assumption by the debtor or by the successor to the debtor under the plan of the business or the management of all or substantially all of the property dealt with under the plan; and
>
> (C) commencement of distribution under the plan.

11 U.S.C. §1101(2).

6. Further, Local Bankruptcy Rule 3022-1(b) provides that a Chapter 11 Plan Proponent must certify that the Plan has been fully administered. Local Bankruptcy Rule 3022-1(a) provides that

> A Chapter 11 plan will be deemed fully administered under Federal Bankruptcy Rule 3022: (1) after the completion of the following: (A) six (6) months have elapsed after the entry of a final order of confirmation that has become nonappealable; (B) the deposits required by the plan have been distributed; (C) the property proposed by the plan to be transferred has been transferred; (D) the debtor or the successor of the debtor under the plan has assumed the business or the management of the property dealt with by the plan; (E) payments under the plan have commenced; and (F) all motions, contested matters, and adversary proceedings have been finally resolved; or (2) for individual Chapter 11 debtors, upon completion of all plan payments; or (3) at another time specifically defined by the plan.

A notice of substantial consummation is submitted herewith as **Exhibit A.** The Reorganized Debtor's Certificate of Full Administration is submitted therewith. As stated in the Certificate, all requirements of Local Bankruptcy Rule 3022-1(b)(1) have been met, and it has now been six months since the entry of the final order of confirmation.

WHEREFORE, the Reorganized Debtor prays for entry for entry of a Final Decree and for such other and further relief as the Court deems necessary or appropriate.

Notice of Chapter 11 Bankruptcy Case 10/20

For the debtor listed above, a case has been filed under chapter 11 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtor or the debtor's property. For example, while the stay is in effect, creditors cannot sue, assert a deficiency, repossess property, or otherwise try to collect from the debtor. Creditors cannot demand repayment from the debtor by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

Confirmation of a chapter 11 plan may result in a discharge of debt. A creditor who wants to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadline specified in this notice. (See line 11 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at https://pacer.uscourts.gov).

The staff of the bankruptcy clerk's office cannot give legal advice.

Do not file this notice with any proof of claim or other filing in the case.

The meeting may be continued or adjourned to a later date.

Creditors may attend, but are not required to do so.

Location:
Telephonic
Dial in: 1-888-324-8129
Passcode: 9576199#

7. Proof of claim deadline

Deadline for filing proof of claim: Not yet set. If a deadline is set, notice will be sent at a later time.

A proof of claim is a signed statement describing a creditor's claim. A proof of claim form may be filed either electronically or as a paper document. For more information on how to file a Proof of Claim, visit the court-appointed claims agent's website at https://dm.epiq11.com/case/modlyhealth/info.

Your claim will be allowed in the amount scheduled unless:

- your claim is designated as *disputed*, *contingent*, or *unliquidated*;
- you file a proof of claim in a different amount; or
- you receive another notice.

If your claim is not scheduled or if your claim is designated as *disputed*, *contingent*, or *unliquidated*, you must file a proof of claim or you might not be paid on your claim and you might be unable to vote on a plan. You may file a proof of claim even if your claim is scheduled.

You may review the schedules at the bankruptcy clerk's office or online at https://pacer.uscourts.gov

Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits a creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.

8. Exception to discharge deadline

The bankruptcy clerk's office must receive a complaint and any required filing fee by the following deadline.

If § 523(c) applies to your claim and you seek to have it excepted from discharge, you must start a judicial proceeding by filing a complaint by the deadline stated below.

Deadline for filing the complaint: April 7, 2023

9. Creditors with a foreign address

If you are a creditor receiving notice mailed to a foreign address, you may file a motion asking the court to extend the deadlines in this notice. Consult an attorney familiar with United States bankruptcy law if you have any questions about your rights in this case.

10. Filing a Chapter 11 bankruptcy case

Chapter 11 allows debtors to reorganize or liquidate according to a plan. A plan is not effective unless the court confirms it. You may receive a copy of the plan and a disclosure statement telling you about the plan, and you may have the opportunity to vote on the plan. You will receive notice of the date of the confirmation hearing, and you may object to confirmation of the plan and attend the confirmation hearing. Unless a trustee is serving, the debtor will remain in possession of the property and may continue to operate its business.

11. Discharge of debts

Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See 11 U.S.C. § 1141(d). A discharge means that creditors may never try to collect the debt from the debtor except as provided in the plan. If you want to have a particular debt owed to you excepted from the discharge and § 523(c) applies to your claim, you must start a judicial proceeding by filing a complaint and paying the filing fee in the bankruptcy clerk's office by the deadline.

MOTION FOR FINAL DECREE

iThrive Health, LLC (the "Reorganized Debtor"), by its undersigned counsel, and pursuant to 11 U.S.C. § 350, Federal Rule of Bankruptcy Procedure 3022 and Local Rule 3022-1, hereby files this Motion for Final Decree and for cause states as follows:

1. On December 28, 2020 (the "Petition Date"), the Liquidating Debtor filed with this Court a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

2. On April 30, 2021, the Reorganized Debtor filed Debtor's First Amended Chapter 11 Plan of Reorganization dated April 30, 2021 [Dkt. No. 86] (the "Plan"[1]).

3. The Court entered an order confirming the Plan on July 6, 2021 (the "Confirmation Order," Docket No. 103).

4. Section 350(a) of the Bankruptcy Code provides that after a debtor's estate is fully administered and the court has discharged the trustee, the court shall close the case. 11 U.S.C. § 350. Bankruptcy Rule 3022 sets forth the procedure for the closing of a chapter 11 case and the entry of a final decree and provides that "after an estate is fully administered in a chapter 11 reorganization case, the court, on its own motion or on

[1] All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Plan.

motion of a party in interest, shall enter a final decree closing the case." Fed. R. Bankr. P. 3022.

5. The standard for determining if a debtor's estate has been fully administered and a final decree should issue, is whether the debtor's case has been substantially consummated, as defined in Section 1101(2) of the Bankruptcy Code. In re A. H. Robbins Co., Inc., 219 B.R. 145, 150 (E.D. Va. 1998) citing In re Jordan Mfg. Co. Inc., 138 B.R. 30, 344 (Bankr. C.D. Ill. 1992). Section 1101(2) defines "substantial consummation" as follows:

> (A) transfer of all or substantially all of the property proposed by the plan to be transferred;
>
> (B) assumption by the debtor or by the successor to the debtor under the plan of the business or the management of all or substantially all of the property dealt with under the plan; and
>
> (C) commencement of distribution under the plan.

11 U.S.C. §1101(2).

6. Further, Local Bankruptcy Rule 3022-1(b) provides that a Chapter 11 Plan Proponent must certify that the Plan has been fully administered. Local Bankruptcy Rule 3022-1(a) provides that

> A Chapter 11 plan will be deemed fully administered under Federal Bankruptcy Rule 3022: (1) after the completion of the following: (A) six (6) months have elapsed after the entry of a final order of confirmation that has become nonappealable; (B) the deposits required by the plan have been distributed; (C) the property proposed by the plan to be transferred has been transferred; (D) the debtor or the successor of the debtor under the plan has assumed the business or the management of the property dealt with by the plan; (E) payments under the plan have commenced; and (F) all motions, contested matters, and adversary proceedings have been finally resolved; or (2) for individual Chapter 11 debtors, upon completion of all plan payments; or (3) at another time specifically defined by the plan.

A notice of substantial consummation is submitted herewith as **Exhibit A.** The Reorganized Debtor's Certificate of Full Administration is submitted therewith. As stated in the Certificate, all requirements of Local Bankruptcy Rule 3022-1(b)(1) have been met, and it has now been six months since the entry of the final order of confirmation.

WHEREFORE, the Reorganized Debtor prays for entry for entry of a Final Decree and for such other and further relief as the Court deems necessary or appropriate.

Notice of Chapter 11 Bankruptcy Case 10/20

For the debtor listed above, a case has been filed under chapter 11 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtor or the debtor's property. For example, while the stay is in effect, creditors cannot sue, assert a deficiency, repossess property, or otherwise try to collect from the debtor. Creditors cannot demand repayment from the debtor by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

Confirmation of a chapter 11 plan may result in a discharge of debt. A creditor who wants to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadline specified in this notice. (See line 11 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at https://pacer.uscourts.gov).

The staff of the bankruptcy clerk's office cannot give legal advice.

Do not file this notice with any proof of claim or other filing in the case.

6. Meeting of creditors The debtors' representative must attend the meeting to be questioned under oath. If so, the date will be on the court docket. Creditors may attend, but are not required to do so.	**February 6, 2023 at 1:00 p.m. (ET)** The meeting may be continued or adjourned to a later date.
	Location: **Telephonic** **Dial in: 1-888-324-8129** **Passcode: 9576199#**
7. Proof of claim deadline	**Deadline for filing proof of claim: Not yet set. If a deadline is set, notice will be sent at a later time.** A proof of claim is a signed statement describing a creditor's claim. A proof of claim form may be filed either electronically or as a paper document. For more information on how to file a Proof of Claim, visit the court-appointed claims agent's website at https://dm.epiq11.com/case/medlyhealth/info. Your claim will be allowed in the amount scheduled unless: • your claim is designated as *disputed, contingent,* or *unliquidated;* • you file a proof of claim in a different amount; or • you receive another notice. If your claim is not scheduled or if your claim is designated as *disputed, contingent,* or *unliquidated,* you must file a proof of claim or you might not be paid on your claim and you might be unable to vote on a plan. You may file a proof of claim even if your claim is scheduled. You may review the schedules at the bankruptcy clerk's office or online at https://pacer.uscourts.gov Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits a creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.
8. Exception to discharge deadline The bankruptcy clerk's office must receive a complaint and any required filing fee by the following deadline.	If § 523(c) applies to your claim and you seek to have it excepted from discharge, you must start a judicial proceeding by filing a complaint by the deadline stated below. **Deadline for filing the complaint: April 7, 2023**
9. Creditors with a foreign address	If you are a creditor receiving notice mailed to a foreign address, you may file a motion asking the court to extend the deadlines in this notice. Consult an attorney familiar with United States bankruptcy law if you have any questions about your rights in this case.
10. Filing a Chapter 11 bankruptcy case	Chapter 11 allows debtors to reorganize or liquidate according to a plan. A plan is not effective unless the court confirms it. You may receive a copy of the plan and a disclosure statement telling you about the plan, and you may have the opportunity to vote on the plan. You will receive notice of the date of the confirmation hearing, and you may object to confirmation of the plan and attend the confirmation hearing. Unless a trustee is serving, the debtor will remain in possession of the property and may continue to operate its business.
11. Discharge of debts	Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See 11 U.S.C. § 1141(d). A discharge means that creditors may never try to collect the debt from the debtor except as provided in the plan. If you want to have a particular debt owed to you excepted from the discharge and § 523(c) applies to your claim, you must start a judicial proceeding by filing a complaint and paying the filing fee in the bankruptcy clerk's office by the deadline.

iTHRIVE HEALTH, LLC,	**Case No. 20-21017-TJC**
	Chapter 11 (SubChapter V)
Debtor.	

MOTION FOR FINAL DECREE

iThrive Health, LLC (the "Reorganized Debtor"), by its undersigned counsel, and pursuant to 11 U.S.C. § 350, Federal Rule of Bankruptcy Procedure 3022 and Local Rule 3022-1, hereby files this Motion for Final Decree and for cause states as follows:

1. On December 28, 2020 (the "Petition Date"), the Liquidating Debtor filed with this Court a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

2. On April 30, 2021, the Reorganized Debtor filed Debtor's First Amended Chapter 11 Plan of Reorganization dated April 30, 2021 [Dkt. No. 86] (the "Plan"[1]).

3. The Court entered an order confirming the Plan on July 6, 2021 (the "Confirmation Order," Docket No. 103).

4. Section 350(a) of the Bankruptcy Code provides that after a debtor's estate is fully administered and the court has discharged the trustee, the court shall close the case. 11 U.S.C. § 350. Bankruptcy Rule 3022 sets forth the procedure for the closing of a chapter 11 case and the entry of a final decree and provides that "after an estate is fully administered in a chapter 11 reorganization case, the court, on its own motion or on

[1] All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Plan.

motion of a party in interest, shall enter a final decree closing the case." Fed. R. Bankr. P. 3022.

5. The standard for determining if a debtor's estate has been fully administered and a final decree should issue, is whether the debtor's case has been substantially consummated, as defined in Section 1101(2) of the Bankruptcy Code. In re A. H. Robbins Co., Inc., 219 B.R. 145, 150 (E.D. Va. 1998) citing In re Jordan Mfg. Co. Inc., 138 B.R. 30, 344 (Bankr. C.D. Ill. 1992). Section 1101(2) defines "substantial consummation" as follows:

> (A) transfer of all or substantially all of the property proposed by the plan to be transferred;
>
> (B) assumption by the debtor or by the successor to the debtor under the plan of the business or the management of all or substantially all of the property dealt with under the plan; and
>
> (C) commencement of distribution under the plan.

11 U.S.C. §1101(2).

6. Further, Local Bankruptcy Rule 3022-1(b) provides that a Chapter 11 Plan Proponent must certify that the Plan has been fully administered. Local Bankruptcy Rule 3022-1(a) provides that

> A Chapter 11 plan will be deemed fully administered under Federal Bankruptcy Rule 3022: (1) after the completion of the following: (A) six (6) months have elapsed after the entry of a final order of confirmation that has become nonappealable; (B) the deposits required by the plan have been distributed; (C) the property proposed by the plan to be transferred has been transferred; (D) the debtor or the successor of the debtor under the plan has assumed the business or the management of the property dealt with by the plan; (E) payments under the plan have commenced; and (F) all motions, contested matters, and adversary proceedings have been finally resolved; or (2) for individual Chapter 11 debtors, upon completion of all plan payments; or (3) at another time specifically defined by the plan.

A notice of substantial consummation is submitted herewith as **Exhibit A.** The Reorganized Debtor's Certificate of Full Administration is submitted therewith. As stated in the Certificate, all requirements of Local Bankruptcy Rule 3022-1(b)(1) have been met, and it has now been six months since the entry of the final order of confirmation.

WHEREFORE, the Reorganized Debtor prays for entry for entry of a Final Decree and for such other and further relief as the Court deems necessary or appropriate.

Notice of Chapter 11 Bankruptcy Case

10/20

For the debtor listed above, a case has been filed under chapter 11 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtor or the debtor's property. For example, while the stay is in effect, creditors cannot sue, assert a deficiency, repossess property, or otherwise try to collect from the debtor. Creditors cannot demand repayment from the debtor by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

Confirmation of a chapter 11 plan may result in a discharge of debt. A creditor who wants to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadline specified in this notice. (See line 11 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at https://pacer.uscourts.gov).

The staff of the bankruptcy clerk's office cannot give legal advice.

Do not file this notice with any proof of claim or other filing in the case.

February 6, 2023 at 1:00 p.m. (ET)

The debtors' representative must attend the meeting to be questioned under oath. If so, the date will be on the court docket.

The meeting may be continued or adjourned to a later date.

Creditors may attend, but are not required to do so.

Location:
Telephonic
Dial in: 1-888-324-8129
Passcode: 9576199#

7. Proof of claim deadline

Deadline for filing proof of claim: Not yet set. If a deadline is set, notice will be sent at a later time.

A proof of claim is a signed statement describing a creditor's claim. A proof of claim form may be filed either electronically or as a paper document. For more information on how to file a Proof of Claim, visit the court-appointed claims agent's website at https://dm.epiq11.com/case/medlyhealth/info.

Your claim will be allowed in the amount scheduled unless:

- your claim is designated as *disputed*, *contingent*, or *unliquidated*;
- you file a proof of claim in a different amount; or
- you receive another notice.

If your claim is not scheduled or if your claim is designated as *disputed*, *contingent*, or *unliquidated*, you must file a proof of claim or you might not be paid on your claim and you might be unable to vote on a plan. You may file a proof of claim even if your claim is scheduled.

You may review the schedules at the bankruptcy clerk's office or online at https://pacer.uscourts.gov

Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits a creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.

8. Exception to discharge deadline

The bankruptcy clerk's office must receive a complaint and any required filing fee by the following deadline.

If § 523(c) applies to your claim and you seek to have it excepted from discharge, you must start a judicial proceeding by filing a complaint by the deadline stated below.

Deadline for filing the complaint: April 7, 2023

9. Creditors with a foreign address

If you are a creditor receiving notice mailed to a foreign address, you may file a motion asking the court to extend the deadlines in this notice. Consult an attorney familiar with United States bankruptcy law if you have any questions about your rights in this case.

10. Filing a Chapter 11 bankruptcy case

Chapter 11 allows debtors to reorganize or liquidate according to a plan. A plan is not effective unless the court confirms it. You may receive a copy of the plan and a disclosure statement telling you about the plan, and you may have the opportunity to vote on the plan. You will receive notice of the date of the confirmation hearing, and you may object to confirmation of the plan and attend the confirmation hearing. Unless a trustee is serving, the debtor will remain in possession of the property and may continue to operate its business.

11. Discharge of debts

Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See 11 U.S.C. § 1141(d). A discharge means that creditors may never try to collect the debt from the debtor except as provided in the plan. If you want to have a particular debt owed to you excepted from the discharge and § 523(c) applies to your claim, you must start a judicial proceeding by filing a complaint and paying the filing fee in the bankruptcy clerk's office by the deadline.

In re:	
iTHRIVE HEALTH, LLC,	**Case No. 20-21017-TJC**
	Chapter 11 (SubChapter V)
Debtor.	

MOTION FOR FINAL DECREE

iThrive Health, LLC (the "Reorganized Debtor"), by its undersigned counsel, and pursuant to 11 U.S.C. § 350, Federal Rule of Bankruptcy Procedure 3022 and Local Rule 3022-1, hereby files this Motion for Final Decree and for cause states as follows:

1. On December 28, 2020 (the "Petition Date"), the Liquidating Debtor filed with this Court a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

2. On April 30, 2021, the Reorganized Debtor filed Debtor's First Amended Chapter 11 Plan of Reorganization dated April 30, 2021 [Dkt. No. 86] (the "Plan"[1]).

3. The Court entered an order confirming the Plan on July 6, 2021 (the "Confirmation Order," Docket No. 103).

4. Section 350(a) of the Bankruptcy Code provides that after a debtor's estate is fully administered and the court has discharged the trustee, the court shall close the case. 11 U.S.C. § 350. Bankruptcy Rule 3022 sets forth the procedure for the closing of a chapter 11 case and the entry of a final decree and provides that "after an estate is fully administered in a chapter 11 reorganization case, the court, on its own motion or on

[1] All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Plan.

motion of a party in interest, shall enter a final decree closing the case." Fed. R. Bankr. P. 3022.

5. The standard for determining if a debtor's estate has been fully administered and a final decree should issue, is whether the debtor's case has been substantially consummated, as defined in Section 1101(2) of the Bankruptcy Code. In re A. H. Robbins Co., Inc., 219 B.R. 145, 150 (E.D. Va. 1998) citing In re Jordan Mfg. Co. Inc., 138 B.R. 30, 344 (Bankr. C.D. Ill. 1992). Section 1101(2) defines "substantial consummation" as follows:

> (A) transfer of all or substantially all of the property proposed by the plan to be transferred;
>
> (B) assumption by the debtor or by the successor to the debtor under the plan of the business or the management of all or substantially all of the property dealt with under the plan; and
>
> (C) commencement of distribution under the plan.

11 U.S.C. §1101(2).

6. Further, Local Bankruptcy Rule 3022-1(b) provides that a Chapter 11 Plan Proponent must certify that the Plan has been fully administered. Local Bankruptcy Rule 3022-1(a) provides that

> A Chapter 11 plan will be deemed fully administered under Federal Bankruptcy Rule 3022: (1) after the completion of the following: (A) six (6) months have elapsed after the entry of a final order of confirmation that has become nonappealable; (B) the deposits required by the plan have been distributed; (C) the property proposed by the plan to be transferred has been transferred; (D) the debtor or the successor of the debtor under the plan has assumed the business or the management of the property dealt with by the plan; (E) payments under the plan have commenced; and (F) all motions, contested matters, and adversary proceedings have been finally resolved; or (2) for individual Chapter 11 debtors, upon completion of all plan payments; or (3) at another time specifically defined by the plan.

A notice of substantial consummation is submitted herewith as **Exhibit A.** The Reorganized Debtor's Certificate of Full Administration is submitted therewith. As stated in the Certificate, all requirements of Local Bankruptcy Rule 3022-1(b)(1) have been met, and it has now been six months since the entry of the final order of confirmation.

WHEREFORE, the Reorganized Debtor prays for entry for entry of a Final Decree and for such other and further relief as the Court deems necessary or appropriate.

Notice of Chapter 11 Bankruptcy Case 10/20

For the debtor listed above, a case has been filed under chapter 11 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

Creditors cannot demand repayment from the debtor by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

Confirmation of a chapter 11 plan may result in a discharge of debt. A creditor who wants to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadline specified in this notice. (See line 11 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at https://pacer.uscourts.gov).

7. Proof of claim deadline

Deadline for filing proof of claim: Not yet set. If a deadline is set, notice will be sent at a later time.

A proof of claim is a signed statement describing a creditor's claim. A proof of claim form may be filed either electronically or as a paper document. For more information on how to file a Proof of Claim, visit the court-appointed claims agent's website at https://dm.epiq11.com/case/medlyhealth/info.

Your claim will be allowed in the amount scheduled unless:

- your claim is designated as *disputed*, *contingent*, or *unliquidated;*
- you file a proof of claim in a different amount; or
- you receive another notice.

If your claim is not scheduled or if your claim is designated as *disputed*, *contingent*, or *unliquidated*, you must file a proof of claim or you might not be paid on your claim and you might be unable to vote on a plan. You may file a proof of claim even if your claim is scheduled.

You may review the schedules at the bankruptcy clerk's office or online at https://pacer.uscourts.gov

Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits a creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.

8. Exception to discharge deadline

The bankruptcy clerk's office must receive a complaint and any required filing fee by the following deadline.

If § 523(c) applies to your claim and you seek to have it excepted from discharge, you must start a judicial proceeding by filing a complaint by the deadline stated below.

Deadline for filing the complaint: April 7, 2023

9. Creditors with a foreign address

If you are a creditor receiving notice mailed to a foreign address, you may file a motion asking the court to extend the deadlines in this notice. Consult an attorney familiar with United States bankruptcy law if you have any questions about your rights in this case.

10. Filing a Chapter 11 bankruptcy case

Chapter 11 allows debtors to reorganize or liquidate according to a plan. A plan is not effective unless the court confirms it. You may receive a copy of the plan and a disclosure statement telling you about the plan, and you may have the opportunity to vote on the plan. You will receive notice of the date of the confirmation hearing, and you may object to confirmation of the plan and attend the confirmation hearing. Unless a trustee is serving, the debtor will remain in possession of the property and may continue to operate its business.

11. Discharge of debts

Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See 11 U.S.C. § 1141(d). A discharge means that creditors may never try to collect the debt from the debtor except as provided in the plan. If you want to have a particular debt owed to you excepted from the discharge and § 523(c) applies to your claim, you must start a judicial proceeding by filing a complaint and paying the filing fee in the bankruptcy clerk's office by the deadline.

In re:	
iTHRIVE HEALTH, LLC,	**Case No. 20-21017-TJC**
	Chapter 11 (SubChapter V)
Debtor.	

MOTION FOR FINAL DECREE

iThrive Health, LLC (the "Reorganized Debtor"), by its undersigned counsel, and pursuant to 11 U.S.C. § 350, Federal Rule of Bankruptcy Procedure 3022 and Local Rule 3022-1, hereby files this Motion for Final Decree and for cause states as follows:

1. On December 28, 2020 (the "Petition Date"), the Liquidating Debtor filed with this Court a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

2. On April 30, 2021, the Reorganized Debtor filed Debtor's First Amended Chapter 11 Plan of Reorganization dated April 30, 2021 [Dkt. No. 86] (the "Plan"[1]).

3. The Court entered an order confirming the Plan on July 6, 2021 (the "Confirmation Order," Docket No. 103).

4. Section 350(a) of the Bankruptcy Code provides that after a debtor's estate is fully administered and the court has discharged the trustee, the court shall close the case. 11 U.S.C. § 350. Bankruptcy Rule 3022 sets forth the procedure for the closing of a chapter 11 case and the entry of a final decree and provides that "after an estate is fully administered in a chapter 11 reorganization case, the court, on its own motion or on

[1] All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Plan.

motion of a party in interest, shall enter a final decree closing the case." Fed. R. Bankr. P. 3022.

5. The standard for determining if a debtor's estate has been fully administered and a final decree should issue, is whether the debtor's case has been substantially consummated, as defined in Section 1101(2) of the Bankruptcy Code. In re A. H. Robbins Co., Inc., 219 B.R. 145, 150 (E.D. Va. 1998) citing In re Jordan Mfg. Co. Inc., 138 B.R. 30, 344 (Bankr. C.D. Ill. 1992). Section 1101(2) defines "substantial consummation" as follows:

> (A) transfer of all or substantially all of the property proposed by the plan to be transferred;
>
> (B) assumption by the debtor or by the successor to the debtor under the plan of the business or the management of all or substantially all of the property dealt with under the plan; and
>
> (C) commencement of distribution under the plan.

11 U.S.C. §1101(2).

6. Further, Local Bankruptcy Rule 3022-1(b) provides that a Chapter 11 Plan Proponent must certify that the Plan has been fully administered. Local Bankruptcy Rule 3022-1(a) provides that

> A Chapter 11 plan will be deemed fully administered under Federal Bankruptcy Rule 3022: (1) after the completion of the following: (A) six (6) months have elapsed after the entry of a final order of confirmation that has become nonappealable; (B) the deposits required by the plan have been distributed; (C) the property proposed by the plan to be transferred has been transferred; (D) the debtor or the successor of the debtor under the plan has assumed the business or the management of the property dealt with by the plan; (E) payments under the plan have commenced; and (F) all motions, contested matters, and adversary proceedings have been finally resolved; or (2) for individual Chapter 11 debtors, upon completion of all plan payments; or (3) at another time specifically defined by the plan.

A notice of substantial consummation is submitted herewith as **Exhibit A.** The Reorganized Debtor's Certificate of Full Administration is submitted therewith. As stated in the Certificate, all requirements of Local Bankruptcy Rule 3022-1(b)(1) have been met, and it has now been six months since the entry of the final order of confirmation.

WHEREFORE, the Reorganized Debtor prays for entry for entry of a Final Decree and for such other and further relief as the Court deems necessary or appropriate.

Dated: January 24, 2022

Provide explanation below:

A complaint was made concerning grants made by the Board of Pharmacy to PRN, Inc.under the care of Mary Grear, Executive Director. The Board of Pharmacy sent notice of a request for hearing to the wrong mailing address even though the correct address was on file at the Board Office. This resulted in my not being aware that I needed to appear until after the Board Meeting. I subsequently prepared the requested documents and submitted them to the Board Auditors who found no discrepencies in the funds granted by the Board of Pharmacy to PRN and the expense record under my administration. A rehearing was held and the case was closed finding all monies were accounted for the PRN Inc. grants.

MALPRACTICE CASE PROFILE

RE: Jeffrey Zapinsky, M.D.

CASE HISTORY: [redacted]

In 1992, a motor vehicle accident in a 59-year-old, multiple-trauma patient who was brought in with massive pelvic orthopedic injuries and an extraperitoneal bladder rupture. The extraperitoneal bladder rupture eventually fistulized to the abdominal wound, which required multiple major surgeries to attempt to heal. The patient had multiple complications due to untreated severe diabetes and hypertension. Litigation was filed in 1994, and, on April 22, 2002, a jury returned an 8-0 decision in favor of the physicians, including the orthopedic surgeon and myself.

CASE HISTORY: [redacted]

A 75-year-old male with a history of chronic left testicular pain which was severe. The patient opted for recommended orchiectomy surgery, which was felt to be curative. The patient has a history of heart disease and was on Coumadin. Following the orchiectomy surgery, which was performed without incident as an outpatient procedure, the patient prematurely restarted his Coumadin and had some scrotal bleeding, which eventually led to an infected hematoma. The patient failed to follow up as directed one week later and was seen in the emergency room two weeks following surgery. The infected hematoma was evacuated, and the patient healed without incident. Approximately three weeks following that second surgery, the patient had a massive coronary and died. The patient's son has filed suit against myself and multiple internists that were responsible for his ongoing cardiac and Coumadin issues. That case has been judged by a physician legal screening panel to be without issue of malpractice with regard to my actions. The case has still filed, despite the positive screening panel outcome, and is scheduled for court sometime in April 2003. This case is still pending, but my insurance company and legal team expect a favorable outcome with regard to my liability.

Re: [redacted] v. Jeffrey M. Zapinsky, M.D.

Dear Mr. McMahon:

Please find attached the Referee's Findings of Fact, Conclusions of Law, and Recommendations for the Small Claims hearing on November 5, 2010 in the above-referenced matter. The referee found that Plaintiff is suing a doctor for malpractice which occurred in July 2008 and Plaintiff has no money damages. The referee concluded that the case is time barred and Plaintiff cannot prevail without an expert witness. Plaintiff has five days from the receipt of this order to file an objection to the ruling. If he does that, a justice of the peace will review the matter by a trial de novo before issuing a final judgment. If Plaintiff does not file an objection, the referee's decision will become a final judgment. Once the order becomes a final judgment after the objection period has passed or after a trial de novo, the Plaintiff has five days from the entry of judgment to file a notice of appeal to the District Court. Should he file a notice of appeal to the District Court, the District Court will handle the appeal.

complications of the procedures, can testify whether Plaintiff suffered any known risks or complications, can testify regarding Plaintiff's outcome after the procedure, and can testify he met the standard of care in his care and treatment of Plaintiff. With the testimony of Dr. Zapinsky and without any expert testimony presented by Plaintiff, we believe the court should dismiss the complaint as a matter of law.

We may also be able to argue the one year statute of limitations on any medical malpractice cause of action has expired, as Plaintiff last saw Dr. Zapinsky on September 17, 2008, and did not file his Complaint until August 12, 2010. We will need to determine when Plaintiff "discovered" his legal injury. If Plaintiff's complaints are based on not tolerating the August 20, 2008 TUNA procedure, we believe we may be able to show he "discovered" his legal injury sooner than August 20, 2009, such that the one year statute of limitations would have expired. Unfortunately, there is no discovery in small claims court and we are unable to determine this prior to the small claims hearing.

In the next week we will prepare Dr. Zapinsky to testify at the hearing as a Defendant, Plaintiff's treating physician, and as an expert on standard of care in this matter. We will continue to keep you updated on the status of this matter. Should you have any questions, please do not hesitate to call me or my associate, Amanda Rosenthal.

Re: [redacted]. Jeffrey M. Zapinsky, M.D.

Dear Mr. McMahon:

Please be advised that Plaintiff has not filed an objection to the Referee's Findings of Fact, Conclusions of Law, and Recommendations in the above-referenced matter. The Referee's findings were filed on November 5, 2010. Plaintiff had five days to object to the findings before the decision became a final judgment. Once the order became a final judgment after the objection period lapsed, Plaintiff had five days from the entry of judgment to file a notice of appeal to the District Court. Plaintiff has not filed a notice of appeal at this time. Based thereon, we will now close our file.

It has been a pleasure working with you on this case. We look forward to working with you again in the future. Please call should you have any questions.

law requires that Plaintiff provide expert witness testimony to establish that the standard of care has been breached, and pursuant to *Fierle*, supporting the alleged claim of misrepresentation arising from professional negligence. The judge will either issue a decision at the hearing or will take the matter under advisement, and the decision will be issued in writing. As you know, the maximum Plaintiff can recover in small claims court is $5,000.

We have reviewed Dr. Zapinksy's medical records for Plaintif[redacted](DOB[redacted]). first presented to Dr. Zapinsky on June 11, 2008 complaining of frequent urination. He had been seen in 2004 and was diagnosed with bladder outlet obstruction. A urinalysis was performed and labs were ordered including a PSA and blood sample. Dr. Zapinsky's assessment was benign localized hyperplasia of prostate with urinary obstruction and other lower urinary tract symptoms. Dr. Zapinsky discussed Plaintiff's options including transurethral microwave thermal therapy and transurethral needle ablation (TUNA). He was given an avodart trial and was requested to return in six months. Mr. Weiss also signed the PPIC arbitration agreement on this date.

On August 13, 2008, Plaintiff presented to Dr. Zapinsky for a cystoscopy which was indicated for his bladder outlet obstruction. He continued to complain of symptoms despite flomax and he had failed avodart. Dr. Zapinksy noted he had bilobar 25 grams/negative bladder. The cystoscopy showed lobar enlargement bilaterally of the prostatic fossa and the median lobe was absent. The prostatic length was 1 cm. The mucosa was normal, there were no tumors, stones, cellules, and efflux was clear. The procedure note indicates the telescope was removed atraumatically, and the patient tolerated the procedure well without complications. At that time Dr. Zapinsky recommended the TUNA procedure, and detailed the risks and benefits. Plaintiff was to follow up in two weeks.

Plaintiff presented to Dr. Zapinsky on August 20, 2008 for the TUNA procedure for benign protastatic hypertrophy (BPH). He signed a consent form in the office for the procedure which advised of risks of infection and blood loss. The consent form explained the TUNA procedure was heat treatment into the prostate using a special needle placed through a telescope into the prostate channel. The consent form also advised that alternatives to the procedure had been explained, including medication to shrink the prostate, reduction of the prostate with telescopic knife (TURP), laser, and further observation. The consent form further stated that the prognosis without treatment would be that there would be continued difficulty with urinary symptoms. The visit record indicates the patient understood the risks of the procedure including but not limited to bleeding, infection, urinary retention, possible worsening irritative symptoms resulting in the need to repeat the procedure in the future, and the possibility of the inability to perform the procedure in the office due to pain.

Dr. Zapinsky proceeded with the TUNA procedure and local anesthetic was given and then Plaintiff was given a periprostatic/pudental nerve block. A cystoscope and TUNA probe were inserted and three lesions were treated with a 14 mm needle and the median lobe was treated. Adequate temperatures were obtained. The cystoscope and TUNA probe were removed. The patient tolerated the procedure well and was discharged home. Dr. Zapinsky's assessment was benign localized hyperplasia of prostate with urinary obstruction and other lower urinary tract symptoms, urinary frequency, and incomplete bladder emptying. A followup visit was requested in one month.

Plaintiff next presented to Dr. Zapinsky on August 22, 2008 for catheter removal. The catheter was discontinued without problems and Mr. Weiss was given instructions if he was unable to void. He was to follow up in two weeks.

Plaintiff next presented to Dr. Zapinsky on September 17, 2008 for follow up post TUNA. He reported no significant relief of symptoms. Dr. Zapinsky suggested a laser TURP procedure at Mountainview as a potential option. Mr. Weiss was to wait three or four more weeks before deciding. Dr. Zapinsky's assessment was benign localized hyperplasia of prostate with urinary obstruction and other lower urinary tract symptoms. A follow up visit was requested as necessary. Mr. Weiss did not return to see Dr. Zapinsky thereafter.

At the small claims hearing, we will argue that Plaintiff's claims should be dismissed as he has no expert to support his allegations as required by NRS 41A.100. As you know, pursuant to NRS 41A.100 and relevant case law, liability for personal injury is not imposed upon a provider of medical care based on alleged negligence in performing that care unless expert medical testimony is presented to demonstrate an alleged deviation from the accepted standard of care in the specific circumstances of the case and to prove causation of the alleged personal injury or death. The only exception to this rule is if Plaintiff alleges res ipsa loquitur. However, at this time, based on Plaintiff's records and allegations to date, we do not believe Plaintiff's allegations fall under the res ipsa loquitur exceptions. Furthermore, Plaintiff has alleged misrepresentation, which would be considered a professional negligence claim, as it is an alleged negligent act or omission to act by a provider of health care, which Plaintiff alleges resulted in injury. *See* NRS 41A.015. Recent case law, *Fierle v. Perez*, interpreted NRS 41A.071 and clarified that expert affidavits are required to support professional negligence claims against providers of health care (including doctors), for any non-res ipsa loquitur claims. 125 Nev. Adv. Op. 54 (2009). Thus, we will argue that Plaintiff's misrepresentation claims should be dismissed as well based on Plaintiff's lack of expert support. Further, Dr. Zapinsky, as a urologist, will be able to testify at the hearing regarding the standard of care. He can testify regarding Plaintiff's condition, his prognosis, his treatment options, can testify whether the cystoscopy and TUNA procedures were indicated and performed within the standard of care, can testify regarding the risks and

complications of the procedures, can testify whether Plaintiff suffered any known risks or complications, can testify regarding Plaintiff's outcome after the procedure, and can testify he met the standard of care in his care and treatment of Plaintiff. With the testimony of Dr. Zapinsky and without any expert testimony presented by Plaintiff, we believe the court should dismiss the complaint as a matter of law.

Dr. Zapinsky suggested a laser TURP procedure at Mountainview as a potential option. Mr. Weiss was to wait three or four more weeks before deciding. Dr. Zapinsky's assessment was benign localized hyperplasia of prostate with urinary obstruction and other lower urinary tract symptoms. A follow up visit was requested as necessary. Mr. Weiss did not return to see Dr. Zapinsky thereafter.

At the small claims hearing, we will argue that Plaintiff's claims should be dismissed as he has no expert to support his allegations as required by NRS 41A.100. As you know, pursuant to NRS 41A.100 and relevant case law, liability for personal injury is not imposed upon a provider of medical care based on alleged negligence in performing that care unless expert medical testimony is presented to demonstrate an alleged deviation from the accepted standard of care in the specific circumstances of the case and to prove causation of the alleged personal injury or death. The only exception to this rule is if Plaintiff alleges res ipsa loquitur. However, at this time, based on Plaintiff's records and allegations to date, we do not believe Plaintiff's allegations fall under the res ipsa loquitur exceptions. Furthermore, Plaintiff has alleged misrepresentation, which would be considered a professional negligence claim, as it is an alleged negligent act or omission to act by a provider of health care, which Plaintiff alleges resulted in injury. *See* NRS 41A.015. Recent case law, *Fierle v. Perez*, interpreted NRS 41A.071 and clarified that expert affidavits are required to support professional negligence claims against providers of health care (including doctors), for any non-res ipsa loquitur claims. 125 Nev. Adv. Op. 54 (2009). Thus, we will argue that Plaintiff's misrepresentation claims should be dismissed as well based on Plaintiff's lack of expert support. Further, Dr. Zapinsky, as a urologist, will be able to testify at the hearing regarding the standard of care. He can testify regarding Plaintiff's condition, his prognosis, his treatment options, can testify whether the cystoscopy and TUNA procedures were indicated and performed within the standard of care, can testify regarding the risks and

MALPRACTICE CASE PROFILE

CASE HISTORY: [redacted]

A 75 year old male with a history of chronic left testicular pain which was severe. The patient opted for recommended orchiectomy surgery, which was felt to be curative. The patient has a history of heart disease and was on Coumadin. Following the orchiectomy surgery, which was performed without incident as an outpatient procedure, the patient prematurely restarted his Coumadin and had some scrotal bleeding, which eventually led to an infected hematoma. The patient failed to follow up as directed one week later and was seen in the emergency room two weeks following surgery. The infected hematoma was evacuated and the patient healed without incident. Approximately three weeks following that second surgery, the patient had a massive coronary and died. The patient's son has filed suit against myself and multiple internists that were responsible for his ongoing cardiac and Coumadin issues. That case has been judged by a physician legal screening panel to be without issue of malpractice with regard to my actions. The case has been filed, despite the positive screening panel outcome and is scheduled for court sometime in April 2003. This case is still pending but my insurance company and legal team expect a favorable outcome with regard to my liability.

ORDER FOR DISMISSAL WITH PREJUDICE was entered by the Court on October 17, 2003.

END OF REPORT

1996
Case 1:

In December of 1996, I surgically implanted a malleable penile prosthesis in a 65 year old male, Mr. Tienken who I had treated for impotence for many years. He had a diagnosis of both neurological impotence as well as vascular impotence. He had exhausted all other forms of impotence treatments available at that time. Both him and his wife wished to a have a penile prosthesis implanted so that he could participate in sexual intercourse. Both him and his wife understood the risks of implanting a prosthesis and the risk of infection with the possible need to remove the prosthesis. A standard Mentor malleable penile prosthesis was implanted as an outpatient in a certified surgical center here in Las Vegas. I wrapped the penis with a dressing as is standard for this procedure and placed a foley catheter so that the patient's urine would be able to drain overnight. He was treated with the appropriate prophylactic antibiotics. He was discharged successfully from the surgery center.

Home Health Care nursing care was ordered and arranged to see the patient the next day to remove his foley catheter. When the home nurse visited the Tienken's on the first postoperative day, normal postoperative changes were observed, but the nurse did not have an order to remove his foley catheter. The nurse noted no problems such as infection or hematuria. He was told that since the nurse had no order to remove the foley catheter, she would call the doctor the next day and remove it on her next visit. The nurse called Dr. Robert McBeath who was covering for me during this time. Dr. McBeath was hesitant to remove the foley and advised the nurse to call me at home to clarify the orders given. I was not ever called and the nurse did not go back to remove the catheter based on Dr. McBeath's recommendation to leave it in until the orders could be clarified.

Two days later, now 3 days from the surgery, Mr. Tienken's foley catheter became plugged and would not drain. He then went into the emergency care center to seek assistance. He was seen by the emergency physician there and called Dr. Kapinsky who was on call for me on this day. The emergency physician removed the foley catheter, the original penile dressing which had slipped on the

operating room and rewrapped the penis with a new dressing. He was able to void and was given intravenous antibiotics in the emergency center. There was no note made of unusual infection or pain. The home health care nurse called the Dienken's to see if she should come visit him on this day but she was refused and was told she was not needed. Home Health care did not visit the home again.

I saw Mr. Dienken, two days later which was on a Monday in my clinic. It was now seven days since the surgery and when I first saw him and his dressing was wrapped tightly. The end of his penis was infected. The tissue around the urethra was dark. He was admitted to the hospital and after observing him for 24hrs with antibiotics, it was determined that his penile prosthesis was infected and would need to be removed. During the removal of the prosthesis it became clear that he had developed necrosis of the urethra. A foley catheter was placed and his infection eventually healed. However, after he was discharged from the hospital he did not come back to see me, but was under the care of my partner, Dr. Zapinsky. He developed a severe stricture of the urethra under Dr. Zapinsky's care and this was treated with a perineal urethrostomy. A penile prosthesis was not replaced.

The claim was made against me, William Wise, M.D. because of ischemic necrosis as a result of the surgery and wrapping the dressing too tight. My defense was to be centered around the records and testimony in which no evidence indicated the wrapping was too tight as observed by the nurses, Mrs. Dienken, and the emergency physician. The fact was to be brought out that the penis was wrapped again by the emergency doctor three days after the surgery when the foley was removed, which in fact may have been the cause of the ischemia which caused the necrosis.

The claim also was made against the Home Health care service for not removing the foley catheter when orders were given to remove it on the first postoperative day.

Dr. Nesbeth was named because he did not follow standard of care with removing the foley catheter on the first postoperative day.

The emergency care physician was also named for not recognizing the serious nature of the condition affecting

the patient and failure to call in a urological specialist to treat him.

This was a complicated case with multiple parties who had treated the patient during this time. Dr. Zepinsky was never named. The medical legal screening panel found unanimously McBeath "probable" cause for malpractice, and the other three parties were "inconclusive" for malpractice.

The case was then pushed to go to trial. However, in late May of 2001, Mr. Tienken died. I was advised that the case could be settled by having each party contribute $33,000. for a total of $100,000. My attorneys for CNA advised me that this was far less expensive than going to court. No mention was made about any other way of distributing the payment. It was never made known to me that having this case settled in this way would be harmful to my insurance record. In fact it was impressed more on me that this was the way my insurance company (CNA) would rather it be done.

Case 2:

My second an only other case has been answered and is now before Medical Dental Screening Board here in the State of Nevada. No decision has been rendered.

In 1998 a 13 year old male was referred to me for evaluation of a left sided hydrocele. He was first seen for left testicular pain and swelling in June of 1998, when a Doppler ultrasound of his testicles was first done only to note a hydrocele of the left testicle with good blood flow to both testicles. I initially saw him on a late afternoon in November. He had a second Doppler ultrasound done six days before seeing me that confirmed good blood flow to both testicles, and he was having no change in his presentation for the past six months. He had not been treated for epididymitis, and was not given a trial of antibiotics. When I saw him he did not have the presentation of a torsion. He had no outward visible signs of pain. His left testicle was swollen but like that of a torsion. I reviewed his ultrasound reports from both five months before and six days before. I was told that his condition had not changed from the ultrasound that had been completed. I prescribed the patient antibiotics and instructed his mother to treat him for epididymitis. I also told her if his condition would change that she should call me immediately.

The next day, his mother called me stating that he had been in increasingly severe pain all day and what should they do? I instructed her to go immediately to the emergency room to have him evaluated for a torsion of his testicle. After a short time the emergency room called me back stating that he had torsion of the left testicle and would need surgical exploration. I immediately went to the hospital where he was taken to the operating room. His left testicle was found to be in torsion without being able to be salvaged, resulting in a left orchiectomy. His right testicle was pexed by orchiopexy.
The claim was made against his pediatrician who failed to diagnose the torsion earlier. I was named for not recognizing torsion on our first and only office visit the afternoon before he went to the hospital.

This may be a case of intermittent testicular torsion, however not documented on two episodes of pain, one 5 months before I saw him and again 6 days before I saw him with normal flow Doppler ultrasounds showing only a left hydrocele. The condition appeared to be chronic in nature when I saw him initially in my office. However, the diagnosis was made the next day when his condition changed, perhaps he completed his torsion then and was taken to surgery. I believe the torsion which resulted in the loss of his testicle occurred on the day following our initial visit, and that he was treated appropriately by surgical treatment.

The patient healed well from his surgery and had no other loss except for the left testicle. He had a normal right ~~healthy testicle at the time of my last evaluation.~~

These are the only two cases against me that I am aware of as of this date October 7, 2001. I have not been named in any other claims, nor has any other claims been dropped for other reasons.

William R.Wise, M.D.

PLAINTIFF is informed and believe, and based upon such information and belief, allege that Defendants, and each of them, designated as DOES and/or ROE BUSINESS ENTITIES are, in some manner, responsible for the occurrence and injuries sustained by PLAINTIFF, as alleged herein. In particular, said DOES and/or ROE BUSINESS ENTITIES were the employees and/or the employers of the employees who failed to utilize the requisite standard of care in the care and treatment of PLAINTIFF KENNETH HARDING, and by failing to utilize, employ and follow the applicable standard of care, delay in care fell below the standard of care and reasonable continuity of care, injured PLAINTIFF KENNETH HARDING and

directly thereby caused the injuries and damages as alleged herein, as set forth in the Affidavit of EDWARD YUN, M.D. (See **Exhibit "1"**)

11. At all times relevant hereto, Defendants SUNRISE HOSPITAL (hereinafter "SUNRISE HOSPITAL") operated an ongoing private business/community hospital in Clark County, Nevada through its physician, staff, agents, servants, employees, nurses, and representatives. Pursuant to EMTALA, appropriate resources must be provided by the receiving health care provider to patients requiring a higher level of care.

12. The acts, omissions, and breaches of the applicable standard of care by Defendants, and each of them, occurred in Clark County, Nevada. Accordingly, this Court has jurisdiction over the parties and subject matter of this case.

13. Upon information and belief, while under the medical care and supervision of said Defendants SUNRISE HOSPITAL, JAIME PRIMERANO, D.O., WILLIAM R. WISE, M.D., and/or DIANE ELVIE, R.N. (Transport Coordinator), failed to follow, implement, enact, act upon or utilize the proper protocol and/or failed to otherwise appropriately treat or care for Plaintiff KENNETH HARDING's known emergent condition so as to prevent or mitigate against further harm and/or permanent injury to his penis and/or reproductive system.

14. Upon information and belief, as a directly and proximate result of the improper administration or implementation of protocol or procedures, including EMTALA and other applicable standards of care, by Defendants SUNRISE HOSPITAL, JAIME PRIMERANO, D.O., WILLIAM R. WISE, M.D., and/or Transport Coordinator, DIANE ELVIE, R.N., and each, some or all of them, Plaintiff KENNETH HARDING sustained injuries and damages, including permanent injury and/or impairment to his penis and/or reproductive system.

15. Upon information and belief, Plaintiff KENNETH HARDING was never evaluated by a specialist (urologist), while at North Vista Hospital; instead, Defendant NORTH VISTA referred

Plaintiff to another hospital with allegedly greater ability/services, in part for purposes of insurance, which resulted in a denial and/or delay in appropriate care and treatment. In addition, the North Vista Hospital records reveal that Dr. Calinescu failed and refused to personally consult with a urology specialist as part of his screening and/or evaluation process.

16. That on or about July 4, 2019, Plaintiff KENNETH HARDING was transported by ambulance from North Vista Hospital to Sunrise Hospital for further emergency care and treatment of his complaints of priapism, which manifested in severe discomfort and pain.

17. After the emergency and hospitalization admissions, Plaintiff KENNETH HARDING was ultimately devastated by the realization that he had been left with a permanent impairment, disability and/or dysfunction of his penis and/or reproductive system.

18. Following that fateful 4th of July, 2019, Plaintiff KENNETH HARDING had to undergo further follow up care and treatment as a direct and proximate result of the negligence of Defendants, and each, some or all of them.

19. Plaintiff KENNETH HARDING claims arise out of errors and omissions of Defendants, individually and collectively, in and by the failure to adhere to the policies, procedures and standards of medicine and care, including EMTALA, in whole or in part and, moreover, by failing to ensure involvement and supervision by a licensed physician and/or by failing to timely and/or personally consult with a urology specialist, failure to timely treat and/or transfer the Plaintiff, and failure to more timely transport and/or refer the patient to another, more appropriately staffed, emergency care facility where Plaintiff could receive the care his emergency condition warranted.

20. Plaintiff KENNETH HARDING's claims arise out of errors and omissions of Defendants SUNRISE HOSPITAL, JAIME PRIMERANO, D.O., WILLIAM R. WISE, M.D., Transport Coordinator, DIANE ELVIE, R.N., and/or its employees, agents, nurses, physicians individually and collectively and under the direction and control of Defendants SUNRISE HOSPIAL and/or the

following Defendants: JAIME PRIMERANO, D.O., WILLIAM R. WISE, M.D., and/or Transport Coordinator, DIANE ELVIE, R.N., for the failure to individually and/or collectively and properly implement standards, including EMTALA, and safeguards designed to prevent the improper administration of protocols and procedures and patient care. Furthermore, said Defendants failed to properly supervise, manage, train and monitor its physicians and staff, including nurses, so as to prevent or mitigate against Plaintiff KENNETH HARDING suffering undue delay and/or harm and/or further harm and/or permanent injury or impairment to his penis and/or reproductive system.

21. Defendants, and each and all of them, had a non-delegable duty to the Plaintiff KENNETH HARDING arising from its special relationships with its physicians and staff, and one another, relative to their patient, Plaintiff herein.

22. Defendants NORTH VISTA AND SUNRISE HOSPITAL are vicariously liable for its physicians and staff, who examined, evaluated or otherwise assessed, treated and/or transferred pursuant to EMTALA or other applicable policies, procedures and/or standards of care, Plaintiff KENNETH HARDING for his presenting emergent complaints and condition.

23. The requirements of NRS 41A.100 et seq. are fully and timely complied with as against Defendants, and each and all of them, by the attachment hereto of the Affidavit of Urology Specialist, Edward Yun, M.D. (attached as Exhibit "1").

24. This action is governed by the provisions of NRS 41A and is thus exempt from any Court mandated arbitration program.

GENERAL ALLEGATIONS

25. Plaintiff hereby adopts and incorporates by reference each and every allegation contained in the preceding paragraphs as though fully set forth herein at length.

34. Defendant NORTH VISTA has a continuing duty to ensure that all of its nurses are familiar with North Vista Hospital policy, procedures and protocols, that are applicable to the units the nurses are assigned.

35. Defendant NORTH VISTA has a continuing duty to ensure that all North Vista Hospital Policies, Procedures and Protocols, involving the safety and transfer of its' patients are routinely complied with, by its' nurses, where applicable.

36. At all relevant times, Defendants, and each of them, were the agents, ostensible agents, servants, employees, employers, partners, co-owners and/or joint venturers of each other and of their co-defendants, and were acting within the color, purpose and scope of their employment, agency, ownership and/or joint ventures and by reason of such relationships the Defendants, and each of them, are vicariously and jointly and severally responsible and liable for the acts and/or omissions of their co-Defendants.

37. Plaintiff KENNETH HARDING presented himself to North Vista Hospital with a condition that manifested itself by acute symptoms of sufficient severity, including severe pain, such that the absence of immediate medical attention could reasonably be expected to result in placing the Plaintiff's health in serious jeopardy, serious impairment to bodily functions, or serious injury and/or impairment or dysfunction of systems and organs.

38. That North Vista Hospital documentation shows their patient, KENNETH HARDING, presented himself on July 4, 2019, at 3:08 a.m., complaining of severe penile pain ongoing since he awoke at or about 10:30 p.m. on July 3, 2019 in severe pain. None of this information appears to be recorded in Dr. Colinescu's notes within the hospital records. Instead, personnel at North Vista erroneously assumed Plaintiff's erection had been ongoing for 12 to 14 hours. In reality, and consistent with other information within Plaintiff's medical records, Plaintiff woke up at home at about 10:30 p.m., on July 3, 2019, with an erection that soon became uncomfortable and very painful (10/10), requiring that he went to the Emergency Room at North Vista Hospital, arriving at 3:08 a.m. on July 4, 2019.

39. Upon information and belief, at 3:12 a.m., on July 4, 2019, Dr. Calinescu, allegedly reviewed the patient's records, noting a prior visit on June 18, 2019, wherein Plaintiff had complained of

dyspnea and peripheral edema.

40. Upon information and belief, at or about 3:24 a.m., July 4, 2019, Raudel Alvarez, R.N., triaged the Plaintiff, and noted that the patient was complaining about shortness of breath and priapism. Patient is in a lot of pain (10/10), and had no other complaints.

41. Upon information and belief, at or about 3:29 a.m., Dr. Calinescu alleges he had a detailed discussion with the Plaintiff regarding his historical points, exam findings and any diagnostic results supporting the diagnoses, and the need to transfer to another facility for further evaluation of symptoms, results, and higher level of care with specialty allegedly offered at North Vista Hospital. At that time, it is alleged the Plaintiff was stable and ready for transfer.

42. Upon information and belief, at or about 3:40 a.m., Dr. Calinescu allegedly discussed the case with Diane Elvie, R.N. (Sunrise Hospital Transport Coordinator) who accepted the patient on behalf of Patrick Flores, D.O., at Sunrise Hospital. However, there appears some institutional failure occurred by Defendants 1) not ensuring accurate notes regarding the details for the emergent condition of Plaintiff; 2) not ensuring that a urologist was called to timely consult the Plaintiff at North Vista Hospital and/or upon his arrival via ambulance at Sunrise Hospital; 3) not ensuring a timely and appropriate transfer of the patient to Sunrise Hospital; and 4) not recording Dr. Calinescu's call to Sunrise Hospital, all in violations of EMTALA and other applicable policies, procedures, protocols and standards of care.

43. Upon information and belief, at or about 3:26 a.m., Dr. Calinescu ordered that the patient receive:

A) 1 mg (0/1) Hydromorphone (Dilaudid) injection, which was administered intravenously by Bradley A. Olson, R.N., at 3:58 a.m.;

B) 4 mg (0/1) of Ondansetron (Zofran), which was also administrated intravenously by Bradley A. Olson, R.N., at 4:00 a.m.;

C) 0.25 mg of Terbutaline (Brethine), which Bradley Olson, R.N., administered

subcutaneous (abdominal tissue), at 4:30 a.m.

D) 1,000 mL Sodium Choride 0.9%, which Lady Karen Mangahas, R.N., administered intravenously at 4:00 a.m.

E) 1 mg (1/1) Hydromorphone (Dilaudid), which Lady Karen Mangahas, R.N., administered intravenously at 4:35 a.m.

44. Upon information and belief, no one at Defendant North Vista ordered an ambulance to effectuate a transfer of the Plaintiff until 4:10 a.m.; and the EMTALA Form, indicating the transfer of care occurred at 4:19 a.m., was completed.

Sunrise Hospital

45. Defendant SUNRISE HOSPITAL had a nondelegable duty to the Plaintiff KENNETH HARDING, arising from their special relationships with their patients and physicians.

46. Defendant SUNRISE HOSPITAL is vicariously liable for its employees, agents and/or servants and their actions, to include but not limited to, physicians; surgeons; anesthesiologists; registered nurses; licensed practical nurses; pharmacists; registered technicians; certified nursing assistants; certified technicians, attendants, physician assistants or paramedical personnel who were receiving, examining or otherwise assessing and/or treating or transferring Plaintiff, KENNETH HARDING.

Defendant SUNRISE HOSPITAL has a continuing duty to ensure the doctors that have been granted privileges by Sunrise Hospital and Medical Center, are familiar with Sunrise Hospital policies, procedures and protocols, that are applicable to the units/areas where they are privileged to treat patients and abide by standards of care and applicable law and regulations, including EMTALA.

53. Defendant SUNRISE HOSPITAL has a continuing duty to ensure that all of its nurses are familiar with Sunrise Hospital policies, procedures and protocols, that are applicable to the units the nurses are assigned.

54. Defendant SUNRISE HOSPITAL has a continuing duty to ensure that all Sunrise Hospital Policies, Procedures and Protocols, involving the safety and transfer of its' patients are routinely complied with, by its' nurses, where applicable.

55. At all relevant times, Defendants, and each of them, were the agents, ostensible agents, servants, employees, employers, partners, co-owners and/or joint venturers of each other and of their co-defendants, and were acting within the color, purpose and scope of their employment, agency, ownership and/or joint ventures and by reason of such relationships the Defendants, and each of them, are vicariously and jointly and severally responsible and liable for the acts and/or omissions of their co-Defendants.

56. Plaintiff KENNETH HARDING arrived, via Ambulance, at Sunrise Hospital and was greeted by Sunrise Hospital personnel at 5:31 a.m., on July 4, 2019; and he was triaged at 5:45 a.m., by Defendant Daniel A. Scott, R.N., an employee of Defendant SUNRISE HOSPITAL.

57. That Sunrise Hospital records note that the patient had been given Turbutaline at North Vista Hospital with no improvement prior to Plaintiff's transfer to Sunrise Hospital.

58. At 5:34 a.m., however, Alissa M. McMahon, PA-C, ordered what appears to be, from the Sunrise Hospital records, a penile ultrasound, duplex vessels. Apparently, this Order was later canceled by Dr. Primerano, for reasons not fully identified or otherwise stated.

59. At 6:30 a.m., on July 4th Plaintiff was aspirated, about 20 cc of dark red blood from corpus cavernosum bilaterally, and injected 200 mcg phenylephrine; and again, at 7:28 a.m., Plaintiff was aspirated, about 100 cc of dark red blood from corpus cavernosum bilaterally, and injected 200 mcg phenylephrine. Then, at 8:00 a.m., noting the patient's penis appeared to be increasing in size, a decision was then made to consult urology.

60. Instead, at 9:08 a.m., Mark F. Hyndman, M.D., an Internist, assumed care of the Plaintiff, who was then admitted to Sunrise Hospital for in-patient care and treatment at or about 9:10 a.m.

61. That Defendant SUNRISE HOSPITAL's on-call Urologist, William R. Wise, M.D., was not called by Sunrise Hospital personnel until 8:01 a.m., and Dr. Wise finally responded at or about 8:50 a.m., which was about five (5) hours after Plaintiff presented himself to North Vista Hospital for his emergent medical condition and complaints of severe (10/10) pain.

62. Plaintiff KENNETH HARDING completed his pre-op at or about 10:39 a.m.

63. Plaintiff KENNETH HARDING underwent a reduction of priapism with penile corporal irrigation and phenylephrine injection by Dr. Wise, which was completed at or about 1:40 p.m., on July 4, 2019 – approximately ten (10) hours after Plaintiff first presenting himself to an Emergency Room.

AFFIDAVIT OF EDWARD J. YUN, M.D.

STATE OF California)
) ss.
COUNTY OF Orange)

I, Edward J. Yun, M.D., being duly sworn, declares and states as follows:

1. Affiant is over the age of 18, has personal knowledge of the facts set forth herein, and is competent to testify thereto, except for those matters stated upon information and belief and, as to those matters, I believe them to be true.

2. I am a Board-Certified Urologist and have been with The Urology Center of Southern California since 2004. I obtained my M.D. degree from Columbia University, and thereafter completed my surgical internship and Urology Residency at the University of California, San Francisco. A copy of my Curriculum Vitae is attached hereto. During my career I have treated many patients with priapism and have performed many procedures to treat this condition, including aspiration and shunting procedures. I am qualified based on my education, training, knowledge, and clinical experience to offer expert medical opinion in this matter.

3. I have reviewed and considered the medical records and reports generated by North Vista Hospital and Sunrise Hospital and Medical Center on Kenneth Harding, and my opinions are held to a reasonable degree of medical probability.

4. Kenneth Harding, a 57-year-old man with an erection that would not resolve presented to the Emergency Department of North Vista Hospital on July 4, 2019 at approximately 3:08 a.m., and was determined to be suffering from shortness of breath and priapism.

5. **Priapism** is a medical **emergency** and is defined as a prolonged penile erection that fails to subside. This medical **emergency** should be diagnosed and treated early to preserve erectile function and avoid corporal fibrosis resulting from anoxia of the corporal tissue.

6. Accurate historical information does not appear to have been obtained and/or documented by North Vista Hospital as to the onset of the Plaintiff's acute medical condition.

///

7. North Vista Hospital and specifically Dr. Calinescu failed to document that he had in fact initiated medical treatment for Mr. Harding's priapism with tertbutaline. He also failed to document whether he ever attempted to reach a urologist affiliated with North Vista. Furthermore, Dr. Calinescu failed to document confirmation that a Urologist would have been available in a timely manner if Mr. Harding was transferred to Sunrise Hospital. It appears that the transfer was approved by Diane Elvie, R.N., who accepted Mr. Harding as a patient at Sunrise on behalf of a Dr. Patrick Flores, despite Dr. Flores not being a urologist. It should be noted that Dr. Flores apparently was not even present at Sunrise Hospital to receive or participate in the patient's evaluation and care upon his arrival at Sunrise. Also, the medical records do not indicate that a Urologist at Sunrise was ever informed of the transfer prior to its acceptance.

8. In my opinion there was also a failure to timely ensure that an ambulance was contacted and available for the timely transfer of Mr. Harding to another facility (Sunrise Hospital). Despite Mr. Harding's arrival at North Vista at 3:08 a.m., and despite the purported awareness by the ER staff that no urologist was available at North Vista, North Vista did not order an ambulance to effectuate the transfer of the Plaintiff until 4:10 a.m. Furthermore, despite the relative proximity of the two hospitals, Mr. Harding did not arrive at Sunrise Hospital until approximately 5:31 a.m.

9. It my opinion it appears that Sunrise relied on inaccurate historical information as recorded by North Vista, as it does not appear the staff at Sunrise verified the historical information with Mr. Harding at the time of his triage and/or examination by Dr. Primerano.

10. At 5:34 a.m., Alissa M. McMahon, PA-C, ordered what appears to be, from the Sunrise Hospital records, a penile ultrasound, duplex vessels. Apparently, this order was later canceled by Dr. Primerano, for reasons not fully identified or otherwise stated.

11. Furthermore, despite the presence of a urologic emergency, it appears that Dr. Primerano did not contact a urologist until approximately 2.5 hours after Mr. Harding arrived at the emergency room at Sunrise. Rather, he performed/arranged several urologic procedures himself.

12. At 6:30 a.m., a needle was placed into Mr. Harding's penis and 20 cc of dark red blood was aspirated from his corpus cavernosum bilaterally; phenylephrine 200 mcg was then injected.

This procedure was again performed at 7:28 a.m., with 100 cc of dark red blood aspirated. Only after both procedures failed to resolve the priapism, in fact resulting in exacerbation of the engorged penis, was a decision made to consult a urologist (approximately 8:00 a.m.). This was approximately five hours after the patient first presented to North Vista and 2.5 hours after having arrived at Sunrise Hospital.

13. According to the medical records, Dr. Wise responded to the call at or about 8:50 a.m. It is unclear as to whether Dr. Wise was on-call for the Urology Service at Sunrise Hospital or otherwise had a duty to treat Mr. Harding on the morning of July 4, 2019,

14. At 9:08 a.m., Mark F. Hyndman, M.D., an Internist, assumed care of the Plaintiff, who he admitted to Sunrise Hospital for in-patient care and treatment at or about 9:10 a.m.

15. At approximately 1 p.m., Mr. Harding was taken to the operating room where he underwent a procedure that was named a reduction of priapism with penile corporal irrigation and phenylephrine injection. The operative report notes that a glanular shunting technique was utilized to reduce the priapism. The procedure by Dr. Wise was completed at or about 1:40 p.m., on July 4, 2019, approximately ten hours after Mr. Harding first presented himself to an emergency room and seven hours after he presented to Sunrise Hospital.

16. To a reasonably degree of medical probability, there were multiple, significant delays in providing Mr. Harding with timely and appropriate treatment for his emergent priapism. Each of these delays resulted in progression of his condition, pain, inflammation, infection, and ultimately, loss of his penile erectile function and such delays fall below the standard of care.

I declare under penalty of perjury under the laws of the State of California this 30th day of June, 2020.
