Regarding the Resident State License

Please note that the resident state licensing agency, the Massachusetts Department of Public Health (Department), does not license prescription device manufacturers. A resident state license does not exist and cannot be provided. Enclosed please find correspondence from the Department confirming that a license is not required.

Manufacturer and distributor registration information

Learn about registration for manufacturers and distributors of medical devices and pharmaceuticals.

Medical device manufacturer and distributor registration

This policy is intended to assist manufacturers and/or distributors of medical devices in Massachusetts to ascertain whether they need to obtain a controlled substances registration from the Massachusetts Department of Public Health (MDPH). Such a controlled substances registration would be required under Massachusetts law and regulation (M.G.L. c. 94C and 105 CMR 700.000) if a company were to manufacture, distribute or dispense controlled substances in the Commonwealth, or possess controlled substances with the intent of manufacturing, distributing or dispensing. Please note that in accordance with Massachusetts law the term "controlled substance" denotes any prescription pharmaceutical (i.e., either a federally controlled substance or a "legend" drug). Thus, any medical device that contains a prescription pharmaceutical is considered to be a controlled substance in Massachusetts regardless of its standing as a medical device.

If you are a manufacturer and/or a distributor in Massachusetts and your company does not manufacture, dispense or distribute controlled substances within the Commonwealth, or possess controlled substances for such purposes your company does not need, and has no basis for obtaining, a controlled substances registration from Massachusetts.

Thus, for example, a manufacturer or distributor of a medical device is not required to register if:

1. the device does not contain any prescription pharmaceutical; or
2. the device does contain a prescription pharmaceutical but is not manufactured, stored, dispensed, or distributed within the Commonwealth.

Pharmaceutical manufacturer and distributor registration

This policy is intended to assist manufacturers and/or distributors of prescription pharmaceuticals to ascertain whether they need to obtain a controlled substances registration from the Massachusetts Department of Public Health (MDPH). Please note that in accordance with Massachusetts law the term "controlled substance" denotes any prescription pharmaceutical (i.e., either a federally controlled substance or a "legend" drug).

If you are a manufacturer and/or a distributor in Massachusetts and your company does not manufacture, dispense or distribute a controlled substance within the Commonwealth, or possess a controlled substance for such purposes your company does not need, and has no basis for obtaining, a controlled substances registration from Massachusetts.

If you are a manufacturer and/or a distributor outside of Massachusetts and your company does not manufacture, dispense or distribute a controlled substance within the Commonwealth, or possess a controlled substance in the Commonwealth for such purposes your company does not need, and has no basis for obtaining, a controlled substances registration from Massachusetts.

Thus, for example, a manufacturer or distributor of a prescription pharmaceutical is not required to register if manufacture, storage and distribution of the pharmaceutical is handled from outside the state and the only activity within Massachusetts is direct delivery to a registered entity in the state.

STATE OF COLORADO

Case No. 2019-3775

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE NON-RESIDENT WHOLESALER REGISTRATION IN THE STATE OF COLORADO OF J. KNIPPER AND COMPANY, INC., REGISTRATION NO. WHO-7269,

Respondent Outlet.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and J. Knipper and Company, Inc., ("Respondent Outlet") to resolve all matters pertaining to Board Case Number 2019-3775, as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Outlet, its registration as a non-resident wholesaler, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 42.5, C.R.S. (2018).

2. Respondent Outlet was originally registered in the State of Colorado on or about June 20, 2007, being issued registration #WHO-7269, and has been so registered at all times relevant to this disciplinary action.

3. Respondent Outlet's address of record with the Board and current location is 1550 Oak St, Lakewood, NJ 08701.

4. Respondent Outlet admits these findings and hereby waives any further proof in this proceeding before the Board regarding the following facts.

5. Respondent Outlet failed to timely submit an application to the Board detailing a change in designated representative and fee. In this case, 189 days transpired between November 13, 2018, the date the previous designated representative ceased the position, and May 21, 2019, the date the application and fee were received.

6. On or about June 3, 2019, the Board initiated a complaint against Respondent Outlet because of the delay of 189 days in submitting an application detailing a change in designated representative and fee.

7. Respondent Outlet's conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes and Board Regulations:

Colorado Revised Statutes

12-42.5-123. Unprofessional conduct - grounds for discipline. (1) The board may suspend, revoke, refuse to renew, or otherwise discipline any license or registration issued by it, after a hearing held in accordance with the provisions of this section, upon proof that the licensee or registrant:

(c) Has violated:

(II) The lawful rules of the board.

Pharmacy Board Rules and Regulations

15.01.14 Change of name, location, or ownership, or designated representative.

c. Any change in the designated representative of a wholesaler shall be reported to the board on a form supplied by the board within 14 calendar days of such change. The incoming designated representative must undergo the required background check.

8. The Board finds and concludes, and Respondent Outlet agrees, that based upon Respondent Outlet's above-described violations of the Pharmaceuticals and Pharmacists Act and relevant rules and regulations, the following discipline is just and appropriate under the circumstances.

TERMS OF DISCIPLINE

9. Fine with Surcharge. Pursuant to section 12-42.5-124(5)(a)(I), C.R.S., Respondent Outlet shall pay a fine of One Thousand Dollars and No Cents ($1,000.00). Respondent Outlet understands and acknowledges that, pursuant to section 24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies may impose an additional surcharge of 15% of this fine. Respondent Outlet shall therefore pay a total amount of One Thousand One Hundred Fifty Dollars and No Cents ($1,150.00). The total amount shall be payable to the State of Colorado and shall be remitted in one lump sum to be included when Respondent Outlet submits this signed Final Agency Order to the Board.

10. **Compliance**. Respondent Outlet shall submit all future applications and appropriate fees to the Board detailing changes in its designated representative within the required time frame specified by Board rule or statute in effect at the time of such designated representative change.

11. **Other Requirements**. Respondent Outlet acknowledges and agrees that, as a condition of this Final Agency Order, Respondent Outlet shall:

    a. promptly pay all Respondent Outlet's own fees and costs associated with this Final Agency Order;

    b. comply fully with this Final Agency Order; and

    c. comply fully with the Pharmacists, Pharmacy Businesses and Pharmaceuticals Act, all Board rules and regulations, and any other state and federal laws and regulations related to pharmacists and pharmaceuticals in the State of Colorado.

12. **Advisements and Waivers**. Through its undersigned Authorized Representative, Respondent Outlet enters into this Final Agency Order freely and voluntarily, after having the opportunity to consult with legal counsel and/or choosing not to do so. Respondent Outlet acknowledges its understanding that it has the following rights:

    a. to have formal notice of hearing and charges served upon it;

    b. to respond to said formal notice of charges;

    c. to have a formal disciplinary hearing pursuant to sections 12-42.5-123 and 12-42.5-124, C.R.S.; and

    d. to appeal this Final Agency Order.

    Respondent Outlet freely waives these rights, and acknowledges that such waiver is made voluntarily in consideration for the Board's limiting the action taken against Respondent Outlet to the sanctions imposed herein.

13. **Acknowledgments**. The undersigned Authorized Representative of Respondent Outlet has read this Final Agency Order in its entirety and acknowledges, after having the opportunity to consult with legal counsel and/or choosing not to do so, that Respondent Outlet understands the legal consequences and agrees that none of the terms or conditions herein is unconscionable. Respondent Outlet is not relying on any statements, promises or representations from the Board other than as may be contained in this Final Agency Order. Respondent Outlet further acknowledges that it is not entering into this Final Agency Order under any duress.

14. **Violations.** Time is of the essence in this Final Agency Order. It is the responsibility of Respondent Outlet to take all appropriate steps to comply fully with this Final Agency Order. Respondent Outlet acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under sections 12-42.5-124(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of Respondent Outlet's registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Outlet to comply with all terms and conditions of this Final Agency Order.

15. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

16. **Public Record.** Upon execution by all parties, this Final Agency Order shall be a public record, maintained in the custody of the Board.

17. **Effective Date.** This Final Agency Order shall become effective upon signature by a Board representative.

Akron Pharmaceutical Inc., DBA Airlie Pharma, is a newly established wholesaler and third-party logistics (3PL) facility based in Leland, North Carolina. We were recently issued our in-state North Carolina license on March 13, 2025, following a successful initial inspection conducted on March 10, 2025. Currently, we are in the process of preparing our facility for operations and obtaining additional state licenses, including our application for a Nevada state license.

We plan to commence our full operations on May 5, 2025, upon securing a few additional state licenses, with a goal of achieving full operational capacity no later than June 2025.

As the designated representative for Akron Pharmaceutical Inc., I, Kumarswamy R. Maruri, confirm my commitment to complying with all applicable regulations. While I am currently a resident of New York, residing at **465A Edgewood Ave, Saint James, NY 11780**, I have established a secondary residence

near our facility at **7108 Sea Bass Ln, Wilmington, NC 28409**. I will be relocating to my Wilmington residence at the beginning of April to ensure my proximity to the facility.

I am dedicated to fulfilling these responsibilities to ensure compliance with all state regulations.

Enclosed with this letter is the completed, signed, and notarized revised Designated Representative application, reflecting my updated residential address. Additionally, I will be sending a copy of this letter and the revised application to you via email for your records.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you [redacted] This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for their business. Some taxpayers receive CP575 notices when another person has stolen their identity and are opening a business using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

Based on the information received from you or your representative, you must file the following forms by the dates shown.

Form 941	01/31/2025
Form 940	01/31/2025
Form 1120	04/15/2025

If you have questions about the forms or the due dates shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification (corporation, partnership, etc.) based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2020-1, 2020-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

IMPORTANT INFORMATION FOR S CORPORATION ELECTION:
If you intend to elect to file your return as a small business corporation, an election to file a Form 1120-S, U.S. Income Tax Return for an S Corporation, must be made within certain timeframes and the corporation must meet certain tests. All of this information is included in the instructions for Form 2553, Election by a Small Business Corporation.

If you are required to deposit for employment taxes (Forms 941, 943, 940, 944, 945, CT-1, or 1042), excise taxes (Form 720), or income taxes (Form 1120), you will receive a Welcome Package shortly, which includes instructions for making your deposits electronically through the Electronic Federal Tax Payment System (EFTPS). A Personal Identification Number (PIN) for EFTPS will also be sent to you under separate cover. Please activate the PIN once you receive it, even if you have requested the services of a tax professional or representative. For more information about EFTPS, refer to Publication 966, *Electronic Choices to Pay All Your Federal Taxes.* If you need to make a deposit immediately, you will need to make arrangements with your Financial Institution to complete a wire transfer.

The IRS is committed to helping all taxpayers comply with their tax filing obligations. If you need help completing your returns or meeting your tax obligations, Authorized e-file Providers, such as Reporting Agents or other payroll service providers, are available to assist you. Visit www.irs.gov/mefbusproviders for a list of companies that offer IRS e-file for business products and services.

Re: Third Party Logistics Providers

Location: 324 Half Acre Rd, Cranbury, NJ 08512

The DSCSA identifies 3PLs as separate members of the drug supply chain—distinct from wholesale drug distributors—and specifically precludes States from regulating 3PLs as wholesale distributors (585(b)(2) of the FD&C Act). New Jersey does not regulate third-party logistics providers as wholesale distributors. To qualify for a wholesale drug or medical device registration, a facility must conduct regulated wholesale distribution or manufacturing activity as defined in N.J.A.C. 8:21-3A.3, therefore New Jersey does not issue or require registration of third party logistics providers.

AGREEMENT
AND
PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER, dated as of November 11, 2024 (this "Plan of Merger"), is between Kuehne + Nagel Investment LLC, a New Jersey Limited Liability Company ("Merged LLC"), and Kuehne + Nagel Holdings, Inc., a Delaware corporation ("Surviving Corporation").

W I T N E S S E T H:

WHEREAS, Merged LLC has a single member to wit, the Surviving Corporation; and

WHEREAS, Surviving Corporation is authorized to issue a total of 100 shares of capital stock, consisting of 200 shares of common stock, par value $0.01 per share ("Surviving Corporation Common Stock"), of which, as of the date hereof, 100 shares of Common Stock are issued and outstanding; and

WHEREAS, the sole member and the Managers of the Merged LLC and the Board of Directors of the Surviving Corporation, respectively, approve and deem it advisable that Merged LLC and Surviving Corporation, respectively, consummate the Merger (as defined below).

NOW, THEREFORE, in consideration of the mutual agreements contained in this Plan of Merger, the parties to this Plan of Merger hereby agree that Merged LLC shall be merged (the "Merger") with and into Surviving Corporation in accordance with applicable laws and upon the terms and subject to the conditions set forth as follows:

1. The Merger. At such time agreed between Merged LLC and Surviving Corporation, a certificate of merger evidencing the Merger shall be filed with each of the Office of the Secretary of State of the State of New Jersey pursuant to the Title 42 of the New Jersey Revised Statutes and of the State of Delaware General Corporation Law. The Certificates of Merger shall specify that the Merger shall become effective on December 1, 2024 ("Effective Time"). At the Effective Time, Merged LLC shall be merged with and into Surviving Corporation, and Surviving Corporation shall continue as the surviving corporation. The Surviving Corporation's name shall remain Kuehne + Nagel Holdings, Inc.

2. Certificate of Incorporation and By-laws. The Certificate of Incorporation and By-laws of Surviving Corporation in effect immediately prior to the Effective Time shall be and remain the Certificate of Incorporation and By-laws, respectively, of Surviving Corporation, as the surviving corporation, after the Effective Time, until amended as provided by law.

3. Officers and Directors. From and after the Effective Time, and until they shall have resigned or shall have been legally removed or until their respective successors shall have been elected or appointed and qualified, those persons who are the officers and directors of Surviving Corporation immediately prior to the Effective Time shall be the officers and directors of Surviving Corporation.

4. Effect of the Merger.

4.1 All assets, rights, privileges, immunities, powers, franchises and interests of Merged LLC in and to every type of property (real, personal and mixed) and choses in action, as they exist as of the Effective Time, shall pass and be transferred to and vest in Surviving Corporation, as the surviving corporation, by virtue of the Merger at the Effective Time without any deed, conveyance or other transfer, and all such interests of Surviving Corporation as they exist as of the Effective Time shall remain with Surviving Corporation upon consummation of the Merger. The corporate existence of Surviving Corporation shall continue unaffected and unimpaired upon consummation of the Merger and the separate corporate existence of Merged LLC shall cease at and as of the Effective Time.

4.2 From and after the Effective Time, Surviving Corporation, as the surviving corporation, shall be responsible and liable for all of the liabilities and obligations of Surviving Corporation and Merged LLC existing as of the Effective Time. Any claim existing or action or proceeding pending by or against Surviving Corporation or Merged LLC at the Effective Time may, thereafter, be prosecuted by or against Surviving Corporation, as the surviving corporation, as if the Merger had not taken place or, in connection with any such action or proceeding to which Merged LLC is a party, Surviving Corporation, as the surviving corporation, may be substituted in place of Merged LLC. Neither the rights of creditors nor any liens upon the property of either Surviving Corporation or Merged LLC shall be impaired by reason of the Merger.

5. Effect of Merger on Outstanding Shares.

5.1 *Exchange Ratio*. At the Effective Time, by virtue of the Merger and without any action on the part of the holder thereof, all of the issued and outstanding member shares of the Merged LLC shall be cancelled.

5.2 *Closing of Transfer Books*. At the Effective Time, the membership transfer books of Merged LLC shall be closed and no transfer of shares of Merged LLC membership shall thereafter be made. If, after the Effective Time, certificates representing member shares of Merged LLC are presented to the Surviving Corporation, they shall be canceled in accordance with the terms hereof. At and after the Effective Time, the holders of member shares of Merged LLC Stock shall cease to have any rights as members of Merged LLC.

6. Further Assurances. From time to time after the Effective Time, as and when requested by Surviving Corporation, and to the extent permitted by law, the former managers of Merged LLC and the officers and directors of Surviving Corporation shall execute and deliver such assignments, deeds and other instruments and shall take or cause to be taken such further or other action as shall be necessary in order to consummate the Merger, vest or perfect in or to confirm of record or otherwise to Surviving Corporation, as the surviving corporation, title to, and possession of, all of the assets, rights, privileges, immunities, powers, franchises and interests of Merged LLC and Surviving Corporation in and to every type of property (real, personal and

mixed) and choses in action, and otherwise to carry out the purposes of this Plan of Merger, and the proper officers and directors of Surviving Corporation, as the surviving corporation, are fully authorized to take any and all such action in the name of Merged LLC or Surviving Corporation or otherwise.

7. Termination and Amendment. Prior to the Effective Time, this Plan of Merger may be terminated or amended by the mutual consent of the Managers of Merged LLC and the Board of Directors of Surviving Corporation.

8. Counterparts. This Plan of Merger may be signed in any number of counterparts, each of which shall be deemed an original, and all of which shall be deemed but one and the same instrument.

9. Governing Law. This Plan of Merger shall be governed by and construed in accordance with the laws of the State of New Jersey without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New Jersey or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New Jersey.

IN WITNESS WHEREOF, the parties have duly executed this Plan of Merger as of the date first written above.

AND
PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER, dated as of November 11, 2024 (this "Plan of Merger"), is between Kuehne + Nagel Investment LLC, a New Jersey Limited Liability Company ("Merged LLC"), and Kuehne + Nagel Holdings, Inc., a Delaware corporation ("Surviving Corporation").

W I T N E S S E T H:

WHEREAS, Merged LLC has a single member to wit, the Surviving Corporation; and

WHEREAS, Surviving Corporation is authorized to issue a total of 100 shares of capital stock, consisting of 200 shares of common stock, par value $0.01 per share ("Surviving Corporation Common Stock"), of which, as of the date hereof, 100 shares of Common Stock are issued and outstanding; and

WHEREAS, the sole member and the Managers of the Merged LLC and the Board of Directors of the Surviving Corporation, respectively, approve and deem it advisable that Merged LLC and Surviving Corporation, respectively, consummate the Merger (as defined below).

NOW, THEREFORE, in consideration of the mutual agreements contained in this Plan of Merger, the parties to this Plan of Merger hereby agree that Merged LLC shall be merged (the "Merger") with and into Surviving Corporation in accordance with applicable laws and upon the terms and subject to the conditions set forth as follows:

1. The Merger. At such time agreed between Merged LLC and Surviving Corporation, a certificate of merger evidencing the Merger shall be filed with each of the Office of the Secretary of State of the State of New Jersey pursuant to the Title 42 of the New Jersey Revised Statutes and of the State of Delaware General Corporation Law. The Certificates of Merger shall specify that the Merger shall become effective on December 1, 2024 ("Effective Time"). At the Effective Time, Merged LLC shall be merged with and into Surviving Corporation, and Surviving Corporation shall continue as the surviving corporation. The Surviving Corporation's name shall remain Kuehne + Nagel Holdings, Inc.

2. Certificate of Incorporation and By-laws. The Certificate of Incorporation and By-laws of Surviving Corporation in effect immediately prior to the Effective Time shall be and remain the Certificate of Incorporation and By-laws, respectively, of Surviving Corporation, as the surviving corporation, after the Effective Time, until amended as provided by law.

3. Officers and Directors. From and after the Effective Time, and until they shall have resigned or shall have been legally removed or until their respective successors shall have been elected or appointed and qualified, those persons who are the officers and directors of Surviving Corporation immediately prior to the Effective Time shall be the officers and directors of Surviving Corporation.

4. Effect of the Merger.

4.1 All assets, rights, privileges, immunities, powers, franchises and interests of Merged LLC in and to every type of property (real, personal and mixed) and choses in action, as they exist as of the Effective Time, shall pass and be transferred to and vest in Surviving Corporation, as the surviving corporation, by virtue of the Merger at the Effective Time without any deed, conveyance or other transfer, and all such interests of Surviving Corporation as they exist as of the Effective Time shall remain with Surviving Corporation upon consummation of the Merger. 4.2 From and after the Effective Time, Surviving Corporation, as the surviving corporation, shall be responsible and liable for all of the liabilities and obligations of Surviving Corporation and Merged LLC existing as of the Effective Time. Any claim existing or action or proceeding pending by or against Surviving Corporation or Merged LLC at the Effective Time may, thereafter, be prosecuted by or against Surviving Corporation, as the surviving corporation, as if the Merger had not taken place or, in connection with any such action or proceeding to which Merged LLC is a party, Surviving Corporation, as the surviving corporation, may be substituted in place of Merged LLC. Neither the rights of creditors nor any liens upon the property of either Surviving Corporation or Merged LLC shall be impaired by reason of the Merger.

5. Effect of Merger on Outstanding Shares.

5.1 *Exchange Ratio*. At the Effective Time, by virtue of the Merger and without any action on the part of the holder thereof, all of the issued and outstanding member shares of the Merged LLC shall be cancelled.

5.2 *Closing of Transfer Books*. At the Effective Time, the membership transfer books of Merged LLC shall be closed and no transfer of shares of Merged LLC membership shall thereafter be made. If, after the Effective Time, certificates representing member shares of Merged LLC are presented to the Surviving Corporation, they shall be canceled in accordance with the terms hereof. At and after the Effective Time, the holders of member shares of Merged LLC Stock shall cease to have any rights as members of Merged LLC.

6. Further Assurances. From time to time after the Effective Time, as and when requested by Surviving Corporation, and to the extent permitted by law, the former managers of Merged LLC and the officers and directors of Surviving Corporation shall execute and deliver such assignments, deeds and other instruments and shall take or cause to be taken such further or other action as shall be necessary in order to consummate the Merger, vest or perfect in or to confirm of record or otherwise to Surviving Corporation, as the surviving corporation, title to, and possession of, all of the assets, rights, privileges, immunities, powers, franchises and interests of Merged LLC and Surviving Corporation in and to every type of property (real, personal and

mixed) and choses in action, and otherwise to carry out the purposes of this Plan of Merger, and the proper officers and directors of Surviving Corporation, as the surviving corporation, are fully authorized to take any and all such action in the name of Merged LLC or Surviving Corporation or otherwise.

7. Termination and Amendment. Prior to the Effective Time, this Plan of Merger may be terminated or amended by the mutual consent of the Managers of Merged LLC and the Board of Directors of Surviving Corporation.

8. Counterparts. This Plan of Merger may be signed in any number of counterparts, each of which shall be deemed an original, and all of which shall be deemed but one and the same instrument.

9. Governing Law. This Plan of Merger shall be governed by and construed in accordance with the laws of the State of New Jersey without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New Jersey or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New Jersey.

Re: **Explanation of prior conviction- Nevada application**

I was convicted of a misdemeanor traffic driving while impaired charge in North Carolina (Wake County) around the date of August 1991. Due to the length of time since this occurred and lost paperwork, I do not recall the exact date and or the exact court cost paid. I do recall having standard fines and conditions for such a conviction and complied with all requirements in the required timelines.

Very truly yours,

Michael Tad Ruble

AGREEMENT
AND
PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER, dated as of November 11, 2024 (this "Plan of Merger"), is between Kuehne + Nagel Investment LLC, a New Jersey Limited Liability Company ("Merged LLC"), and Kuehne + Nagel Holdings, Inc., a Delaware corporation ("Surviving Corporation").

W I T N E S S E T H:

WHEREAS, Merged LLC has a single member to wit, the Surviving Corporation; and

WHEREAS, Surviving Corporation is authorized to issue a total of 100 shares of capital stock, consisting of 200 shares of common stock, par value $0.01 per share ("Surviving Corporation Common Stock"), of which, as of the date hereof, 100 shares of Common Stock are issued and outstanding; and

WHEREAS, the sole member and the Managers of the Merged LLC and the Board of Directors of the Surviving Corporation, respectively, approve and deem it advisable that Merged LLC and Surviving Corporation, respectively, consummate the Merger (as defined below).

NOW, THEREFORE, in consideration of the mutual agreements contained in this Plan of Merger, the parties to this Plan of Merger hereby agree that Merged LLC shall be merged (the "Merger") with and into Surviving Corporation in accordance with applicable laws and upon the terms and subject to the conditions set forth as follows:

1. The Merger. At such time agreed between Merged LLC and Surviving Corporation, a certificate of merger evidencing the Merger shall be filed with each of the Office of the Secretary of State of the State of New Jersey pursuant to the Title 42 of the New Jersey Revised Statutes and of the State of Delaware General Corporation Law. The Certificates of Merger shall specify that the Merger shall become effective on December 1, 2024 ("Effective Time"). At the Effective Time, Merged LLC shall be merged with and into Surviving Corporation, and Surviving Corporation shall continue as the surviving corporation. The Surviving Corporation's name shall remain Kuehne + Nagel Holdings, Inc.

2. Certificate of Incorporation and By-laws. The Certificate of Incorporation and By-laws of Surviving Corporation in effect immediately prior to the Effective Time shall be and remain the Certificate of Incorporation and By-laws, respectively, of Surviving Corporation, as the surviving corporation, after the Effective Time, until amended as provided by law.

3. Officers and Directors. From and after the Effective Time, and until they shall have resigned or shall have been legally removed or until their respective successors shall have been elected or appointed and qualified, those persons who are the officers and directors of Surviving Corporation immediately prior to the Effective Time shall be the officers and directors of Surviving Corporation.

4. Effect of the Merger.

4.1 All assets, rights, privileges, immunities, powers, franchises and interests of Merged LLC in and to every type of property (real, personal and mixed) and choses in action, as they exist as of the Effective Time, shall pass and be transferred to and vest in Surviving Corporation, as the surviving corporation, by virtue of the Merger at the Effective Time without any deed, conveyance or other transfer, and all such interests of Surviving Corporation as they exist as of the Effective Time shall remain with Surviving Corporation upon consummation of the Merger. The corporate existence of Surviving Corporation shall continue unaffected and unimpaired upon consummation of the Merger and the separate corporate existence of Merged LLC shall cease at and as of the Effective Time.

4.2 From and after the Effective Time, Surviving Corporation, as the surviving corporation, shall be responsible and liable for all of the liabilities and obligations of Surviving Corporation and Merged LLC existing as of the Effective Time. Any claim existing or action or proceeding pending by or against Surviving Corporation or Merged LLC at the Effective Time may, thereafter, be prosecuted by or against Surviving Corporation, as the surviving corporation, as if the Merger had not taken place or, in connection with any such action or proceeding to which Merged LLC is a party, Surviving Corporation, as the surviving corporation, may be substituted in place of Merged LLC. Neither the rights of creditors nor any liens upon the property of either Surviving Corporation or Merged LLC shall be impaired by reason of the Merger.

5. Effect of Merger on Outstanding Shares.

5.1 *Exchange Ratio*. At the Effective Time, by virtue of the Merger and without any action on the part of the holder thereof, all of the issued and outstanding member shares of the Merged LLC shall be cancelled.

5.2 *Closing of Transfer Books*. At the Effective Time, the membership transfer books of Merged LLC shall be closed and no transfer of shares of Merged LLC membership shall thereafter be made. If, after the Effective Time, certificates representing member shares of Merged LLC are presented to the Surviving Corporation, they shall be canceled in accordance with the terms hereof. At and after the Effective Time, the holders of member shares of Merged LLC Stock shall cease to have any rights as members of Merged LLC.

6. Further Assurances. From time to time after the Effective Time, as and when requested by Surviving Corporation, and to the extent permitted by law, the former managers of Merged LLC and the officers and directors of Surviving Corporation shall execute and deliver such assignments, deeds and other instruments and shall take or cause to be taken such further or other action as shall be necessary in order to consummate the Merger, vest or perfect in or to confirm of record or otherwise to Surviving Corporation, as the surviving corporation, title to, and possession of, all of the assets, rights, privileges, immunities, powers, franchises and interests of Merged LLC and Surviving Corporation in and to every type of property (real, personal and

mixed) and choses in action, and otherwise to carry out the purposes of this Plan of Merger, and the proper officers and directors of Surviving Corporation, as the surviving corporation, are fully authorized to take any and all such action in the name of Merged LLC or Surviving Corporation or otherwise.

7. Termination and Amendment. Prior to the Effective Time, this Plan of Merger may be terminated or amended by the mutual consent of the Managers of Merged LLC and the Board of Directors of Surviving Corporation.

8. Counterparts. This Plan of Merger may be signed in any number of counterparts, each of which shall be deemed an original, and all of which shall be deemed but one and the same instrument.

9. Governing Law. This Plan of Merger shall be governed by and construed in accordance with the laws of the State of New Jersey without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New Jersey or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New Jersey.

IN WITNESS WHEREOF, the parties have duly executed this Plan of Merger as of the date first written above.

Disciplinary Statement
UPS Supply Chain Solutions, Inc. ("UPS SCS")

WHOLESALE LICENSE

Matters Related to Colorado Order
1645 Satellite Blvd, Duluth, GA

Final

As previously disclosed by UPS Supply Chain Solution, Inc. (UPS SCS), to your agency in 2010, the Colorado Board of Pharmacy's Stipulation and Final Agency Order ("Colorado Order") was effective October 18, 2010, with regard to UPS SCS's Duluth, GA facility's Colorado Out-of-State Wholesaler License # WHO-7462. UPS SCS's Duluth facility did not file Colorado's required notice of change of Designated Representative within Colorado's required 14-day timeframe to file such notice. UPS SCS implemented corrective actions and has successfully completed the terms of the Colorado order. Please note, UPS SCS's Colorado Out-of-State Wholesaler License # WHO-7462 was not and is not restricted, modified, revoked or limited in any way. UPS SCS has a copy of the Colorado Case No. 2011-000273 documentation related to the Colorado Order on file with the UPS SCS Regulatory Affairs Department.

Final

On November 15, 2011, UPS SCS informed your agency of the Iowa Board of Pharmacy's (IBoP) action concerning Iowa Wholesale Drug License #5820 and which became effective November 11, 2011. This Iowa Stipulation and Consent Order (the "Iowa Order") relates to the Colorado Order and the untimely filing of notice regarding the Colorado Order to the IBoP. UPS SCS has successfully completed the terms of the Iowa Order and Iowa Wholesale Drug License #5820 has not and is not restricted, modified, revoked or limited in any way. UPS SCS has a copy of the Iowa Case No. 2010-162 documentation on file with the UPS SCS Regulatory Affairs Department. Note: This Iowa matter is a spin-off of the Colorado matter summarized above. It is based on the same underlying facts that gave rise to the Colorado matter. It is **not** based on an independent set of facts.

Final

On October 18, 2013, UPS SCS informed your agency of the Consent Order and Stipulation between the Michigan Board of Pharmacy (BOP) and UPS SCS based on the underlying Colorado matter summarized above, which was executed by the Michigan BOP on October 9, 2013 (the "Michigan Order"). As previously disclosed to you, pursuant to this Consent Order, UPS SCS paid a fine of two thousand five hundred dollars. The Consent Order and Stipulation specifically provided that "no patient safety issues were involved," and the BOP did not impose any other penalty. UPS SCS's Michigan licenses have not been restricted, modified, revoked, or limited in any way. Note: The Michigan Order is directly related to the Colorado matter summarized above. It is based on the same underlying facts that gave rise to the Colorado matter. It is not based on an independent set of facts.

PHARMACY LICENSE

Matters Related to Kentucky Agreed Orders
1860 Outer Loop Road, Louisville, KY

Final

UPS SCS dispenses medical devices, including diabetes-related pumps, to consumers from its Kentucky licensed pharmacy facility. Not all states recognize the Durable Medical Equipment or Home Medical Equipment provider category for entities that dispense medical devices rather than drugs. Those states that do not recognize these categories require a non-resident or out of state pharmacy permit for dispensing medical devices. Accordingly, UPS SCS obtained a home-state pharmacy permit in Kentucky and numerous non-resident pharmacy permits and DME/HME permits in other states. On September 12, 2012, the Kentucky Board of Pharmacy ("KYBoP") and UPS SCS executed final Agreed Orders relating to minor violations under Kentucky Administrative Regulations 2:270 and Kentucky Revised Statutes Sec. 315.121(6) in connection with late filing of pharmacy technician registrations at UPS SCS's Louisville, Kentucky facility (the "Kentucky Orders"). UPS SCS and the KYBoP agreed to address the Kentucky Orders informally by entering in the aforementioned Agreed Orders in lieu of the KYBoP filing a formal complaint. UPS SCS self-reported this action to your agency on September 18, 2012. UPS SCS takes this and all regulatory matters seriously and has implemented corrective action. Moreover, UPS SCS has instituted internal safeguards to ensure that applicable regulatory compliance is maintained in the future. UPS SCS's Kentucky pharmacy license (Kentucky Pharmacy License #P07277) remains current and in good standing and was not and has not been restricted, modified, revoked, or limited in any way.

Final

On May 14, 2013, UPS SCS informed your agency of the Texas Board of Pharmacy's (TXBoP) action concerning UPS SCS Texas Class E Nonresident Pharmacy License #26160 and which became effective May 7, 2013. As already disclosed to you, on May 14, 2013, the Texas Board of Pharmacy (TXBoP) and UPS SCS executed a final Agreed Board Order (the "Texas Order") relating to the above-mentioned Kentucky Pharmacy License Agreed Orders. Pursuant to the Texas Agreed Board Order, the TXBoP reprimanded UPS SCS's Nonresident Pharmacy License. The Texas Board of Pharmacy did not levy a fine or any other penalty on the License. The License was not and is not restricted, modified, revoked or limited in any way. UPS SCS has a copy of the Texas Agreed Board Order # L-13-004 on file with the UPS SCS Regulatory Affairs Department. Note: The Texas Order is directly related to the Kentucky pharmacy license matter summarized above. It is based on the same underlying facts that gave rise to the Kentucky matter. It is **not** based on an independent set of facts.

Final

On April 22, 2014, UPS SCS informed your agency of the Consent Order and Stipulation between the Michigan Board of Pharmacy (BOP) and UPS SCS based on the Kentucky Order summarized above, which was adopted by the Michigan BOP on April 9, 2014 (the "Michigan Order"). As previously disclosed to you, pursuant to this Consent Order, UPS SCS paid a fine of two hundred fifty dollars. The Consent Order and Stipulation specifically provided that "no patient safety issues were involved," and the BOP did not impose any other penalty. UPS SCS's Michigan licenses have not been restricted, modified, revoked, or limited in any way. Note: The Michigan Order is directly related to the Kentucky matter summarized above. It is based on the same underlying facts that gave rise to the Kentucky matter. It is not based on an independent set of facts.

Prescription Audit

As the undersigned representative of the licensee, I affirm that the information provided during the inspection is true and accurate to the best of my knowledge. I understand that the licensee is responsible for the legal operations of the facility and I am executing this inspection form as, or on behalf of the licensee.

The alleged violator has voluntarily entered into an Opportunity to Correct Plan with the Indiana Professional Licensing Agency (PLA). Pursuant to IC 4-21.5-7.5-7, the alleged violator enters into a written Corrective Plan to correct the alleged violation(s) set forth above before the agency institutes an enforcement action which may include the filing of a Consumer Complaint with the Office of the Indiana Attorney General. Upon notice that the alleged violation(s) has been corrected, this Agency shall re-inspect not more than thirty (30) days after to determine if you have substantially complied with the applicable rule or state statute. If subsequent inspection identifies a failure to address previous violations the facility will "fail" the inspection and additional enforcement actions may be initiated against licensure.

In order to avoid additional enforcement action, the alleged violator must submit the Corrective Plan within five (5) business days after the initial inspection. A plan of corrective action can be either emailed to PLACompliance@pla.in.gov, or mailed to: Indiana Professional Licensing Agency, Attn: Compliance Division, 402 W. Washington St. RM W072, Indianapolis, IN 46204.

Lumicera Health Services

Lumicera Health Services, LLC ("Lumicera") was informed by the Alaska Department of Commerce, Community, and Economic Development division of Corporations, Business, and Professional Licensing that we were in receipt of Imposition of Civil Fine regarding a violation of 12 AAC 42.200(c), the failure to notify the department of a change in our Facility Manager/Pharmacist-In-Charge within the timely requirements pursuant to 12 AAC 42.200(c). While Lumicera disputed this determination, we accepted the settlement agreement solely as a way to resolve the matter.

The Alaska Board of Pharmacy determined that the violation was a technical violation of professional licensing statutes and regulations, and the matter was resolved with a civil fine. No such incidents or investigations have occurred since.

Lumicera Health Services

Lumicera Health Services, LLC ("Lumicera") was informed by the Arkansas Board of Pharmacy that it was not eligible to hold a pharmacy license in the State of Arkansas pursuant to the provisions of SS 17-92-405. This statute states "it shall be unlawful for any nonprofit, tax exempt, or governmentally funded hospital to acquire direct or indirect interest in or otherwise hold directly or indirectly a licensed pharmacy permit pursuant to provisions of SS 17-92-405. For the sale at retail of drug and medicine." Arkansas code annotated 17-92-607. Lumicera is not itself a non-profit, but a parent company with an indirect, partial ownership interest in Lumicera also holds ownership interest in non-profit hospitals through separate chains of ownership.

Following receipt of this letter, a hearing was set for the Arkansas BOP and Lumicera representatives to discuss the matter. Prior to the hearing, Lumicera elected to instead surrender its Arkansas pharmacy license until the matter could be resolved. In the time since the events described herein occurred, the Arkansas legislature amended this statute such that it no longer applies to Lumicera, effective in July 2025.
